LEXI 05 – Halloween Costume Fitting

Last time on LEXI we saw Mika use the „Universal Acceptance Mode“ to get Barbara – his classmate and childhood friend – to go topless in his house and sleep with him. After saying goodbye to Barbara and deactivating the mode Mika is thrilled and thinks everything is now back to normal... But what is that? All women now go topless around his house? And despite his knowledge, Barbara still regards him as her Master?!

We continue from here a few days later as the Harrisons are about to leave the house.

Featuring:

Mika	A Tech savy guy who installed that new LEXI unit at home
Mr. Harrison	Mika's father
Jeniffer	Mr. Harrison's wife / Mika's stepmother
Jessica	Jeniffer's daughter / Mika's stepsister
Barbara	Mika's classmate and childhood friend... Also now his sexslave?
Sierra	A friend of Jessica
Gina	A friend of Jessica

I don't want to
be too late to
work, girls.

Man... This is
pretty wild...
Maybe I should
have tried changing
things back...

Are you
coming?

In accordance with our new house rules my stepsister and stepmother only put their tops on as they are about to leave the house... and nobody thinks that this is strange...

Finally!

Come on
kids! I'm on
the clock
here!

Coming!

Nothing...
Yet.

But I'm having
Gina and Sierra
over to try on
costumes for
Halloween.

!!!

Also, since
when do I need
a reason to not
want to have
you around?

giggle

Tsk!
Bitch!

Inside my stepsister and I go different ways to our separate classes. As I sit down, I can't stop but think about the two girls joining his stepsister at home...

Two more LEXI targets! Topless LEXI targets!

Pssstt!

JOIN THE LUNAR ORBIT CLUB
AND TAKE YOUR FIRST STEP
TO THE STARS BEYOND!

Will it still work?
Sierra and Gina
topless at my
place? *gulp*

They are both
incredibly hot!

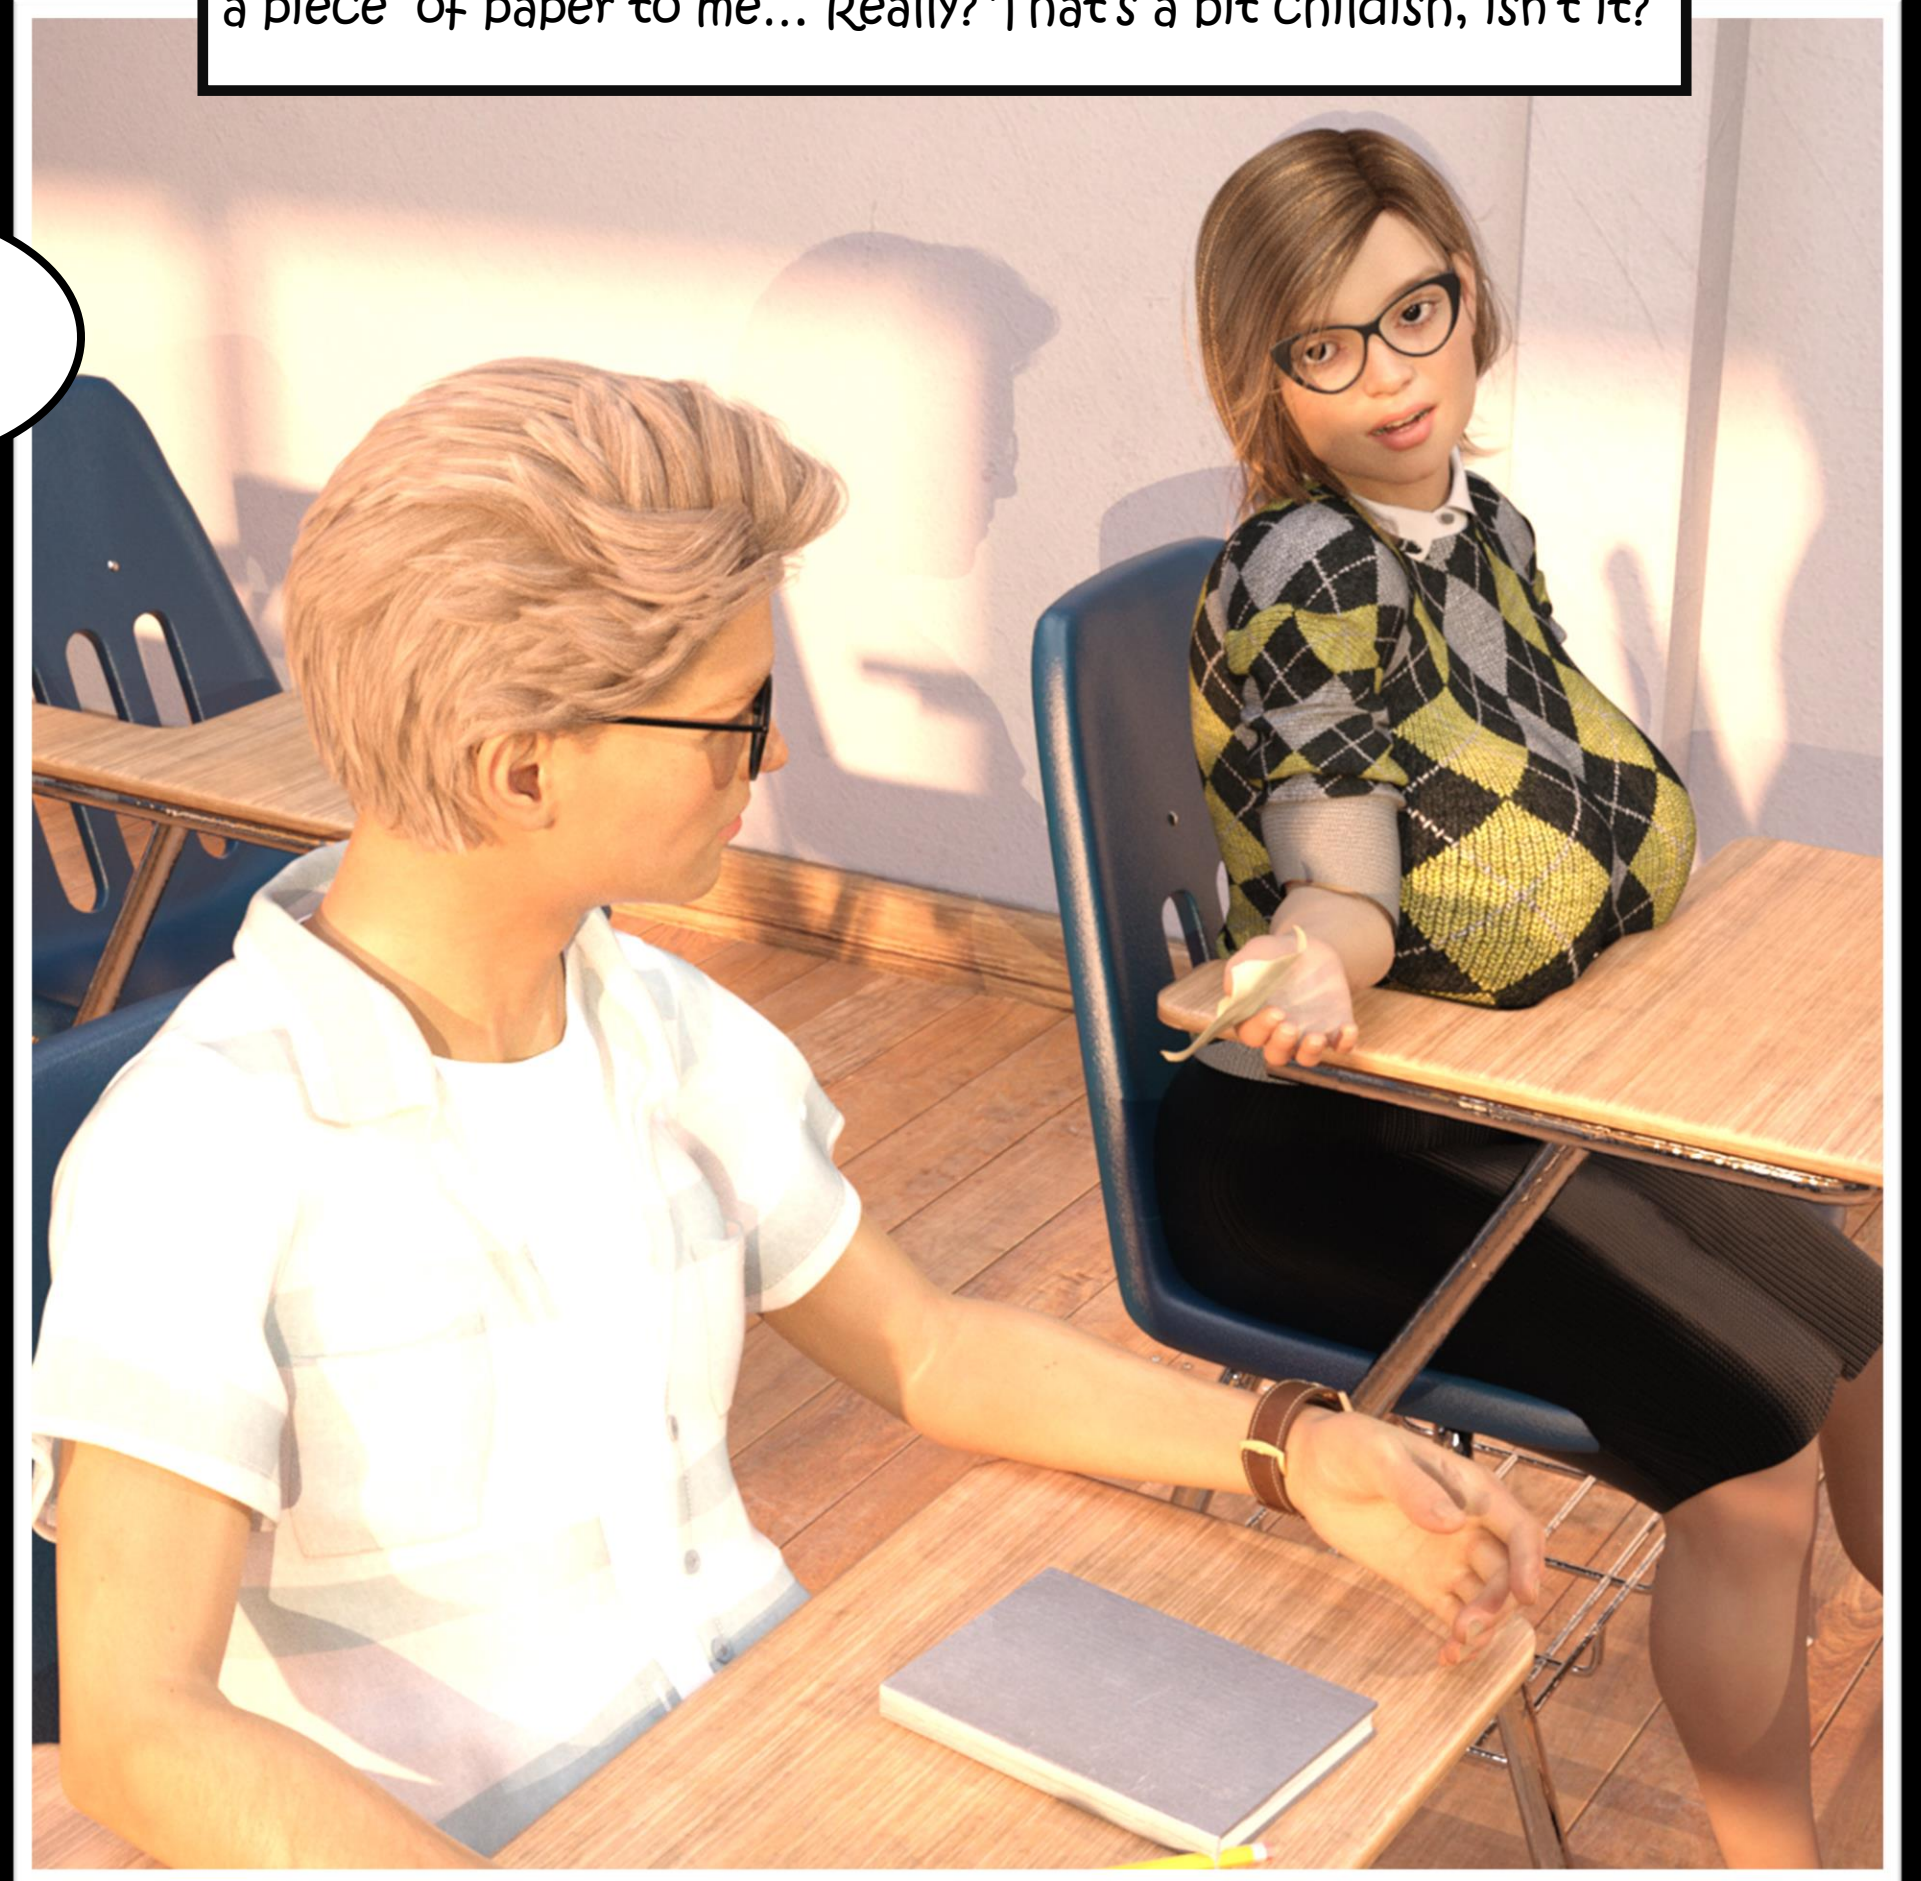

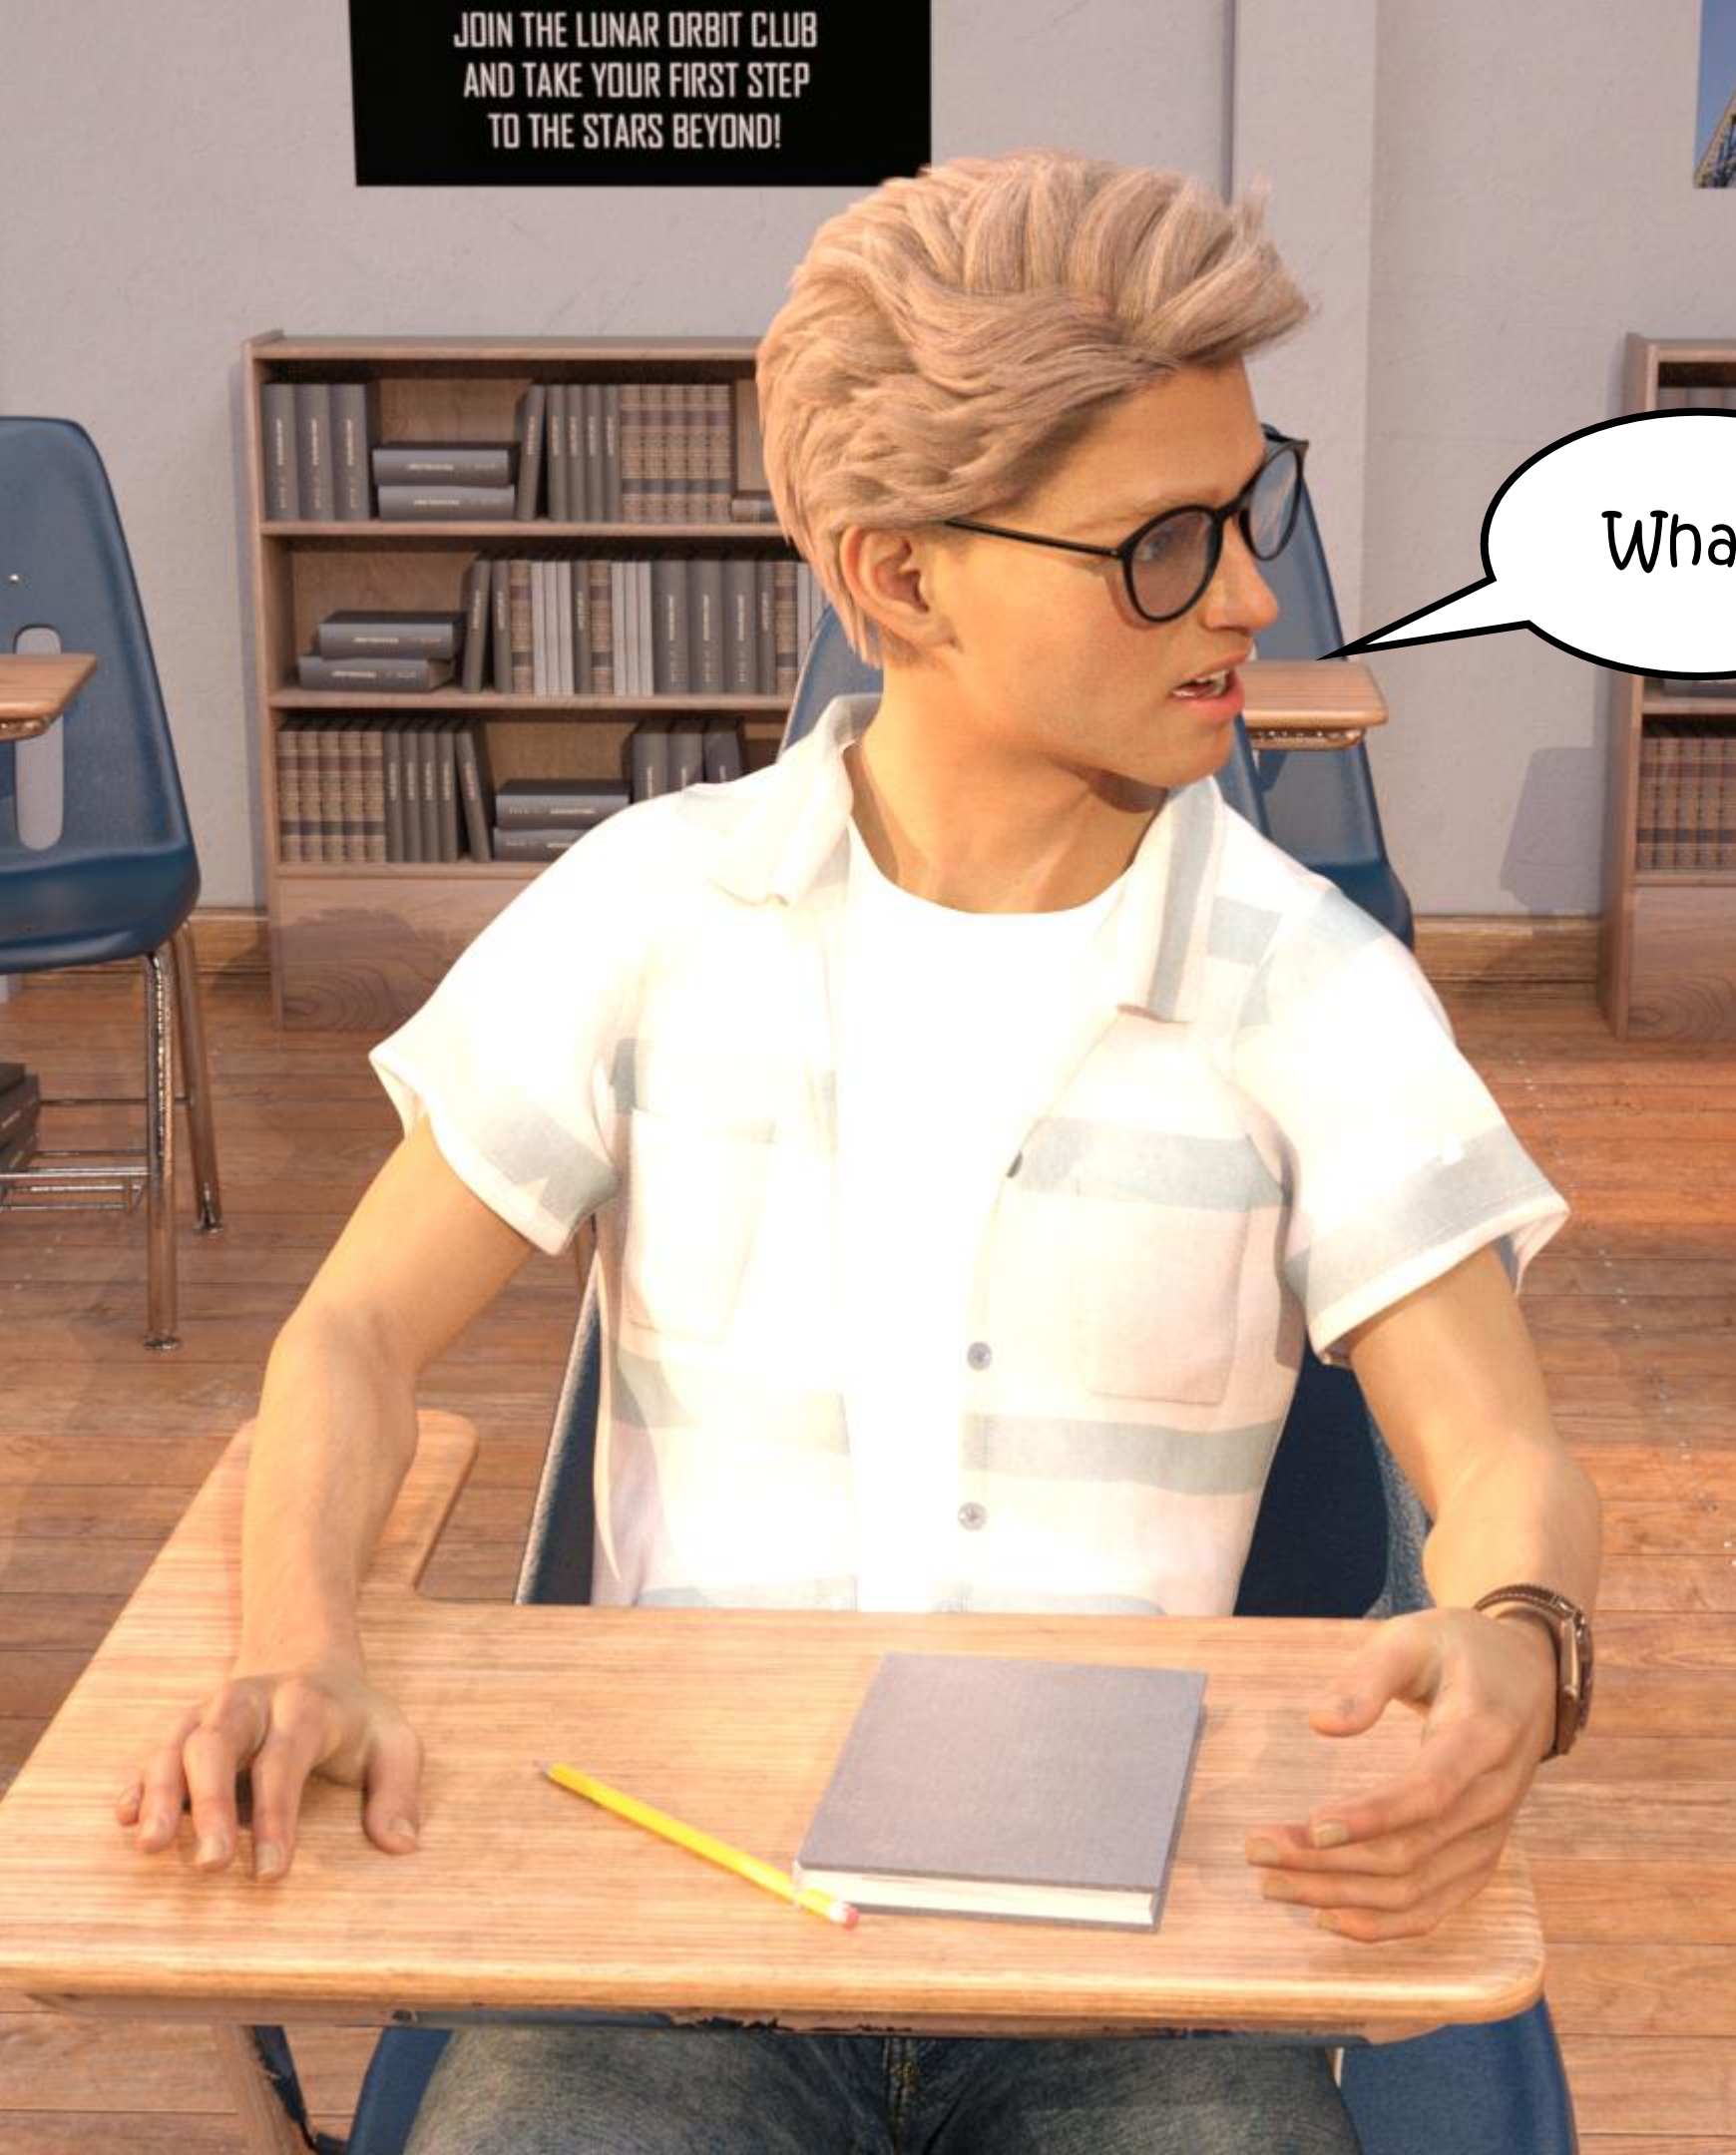

Test out some new
LEXI function?
Universal acceptance
Mode? Ignore Mode?
What shall I do with
them...

Whisper
Hey..
Hey, Mika.

JOIN THE LUNAR ORBIT CLUB
AND TAKE YOUR FIRST STEP
TO THE STARS BEYOND!

What?

Again, Barbara takes me out of my thoughts... she holds out a piece of paper to me... Really? That's a bit childish, isn't it?

Disgruntledly, cause she interrupted my daydreams, I lean over...

And I take the note...

Now what's so important Babs?

I'm not wearing any
panties, Master.

Surprised I look over to Barbara once again... she winks at me – her hand seductively stroking down her leg...

gulp

wink

After classes...

It seems the instructions I gave Barbara while "Ignore Mode" was active still hold...

She still thinks of herself as my fateful adoring slave girl...

And so, I find myself fucking my
busty childhood friend once again,
this time in the school's bathroom.

lick

Oh...
Yeah!

I love the way
you fuck me,
Master.

And that's how I got
distracted after school...

Groan

Thanks for
the load,
Master!

gargle

Meanwhile, back at the
Harrison's house...

Jessica arrives home and as is custom now...

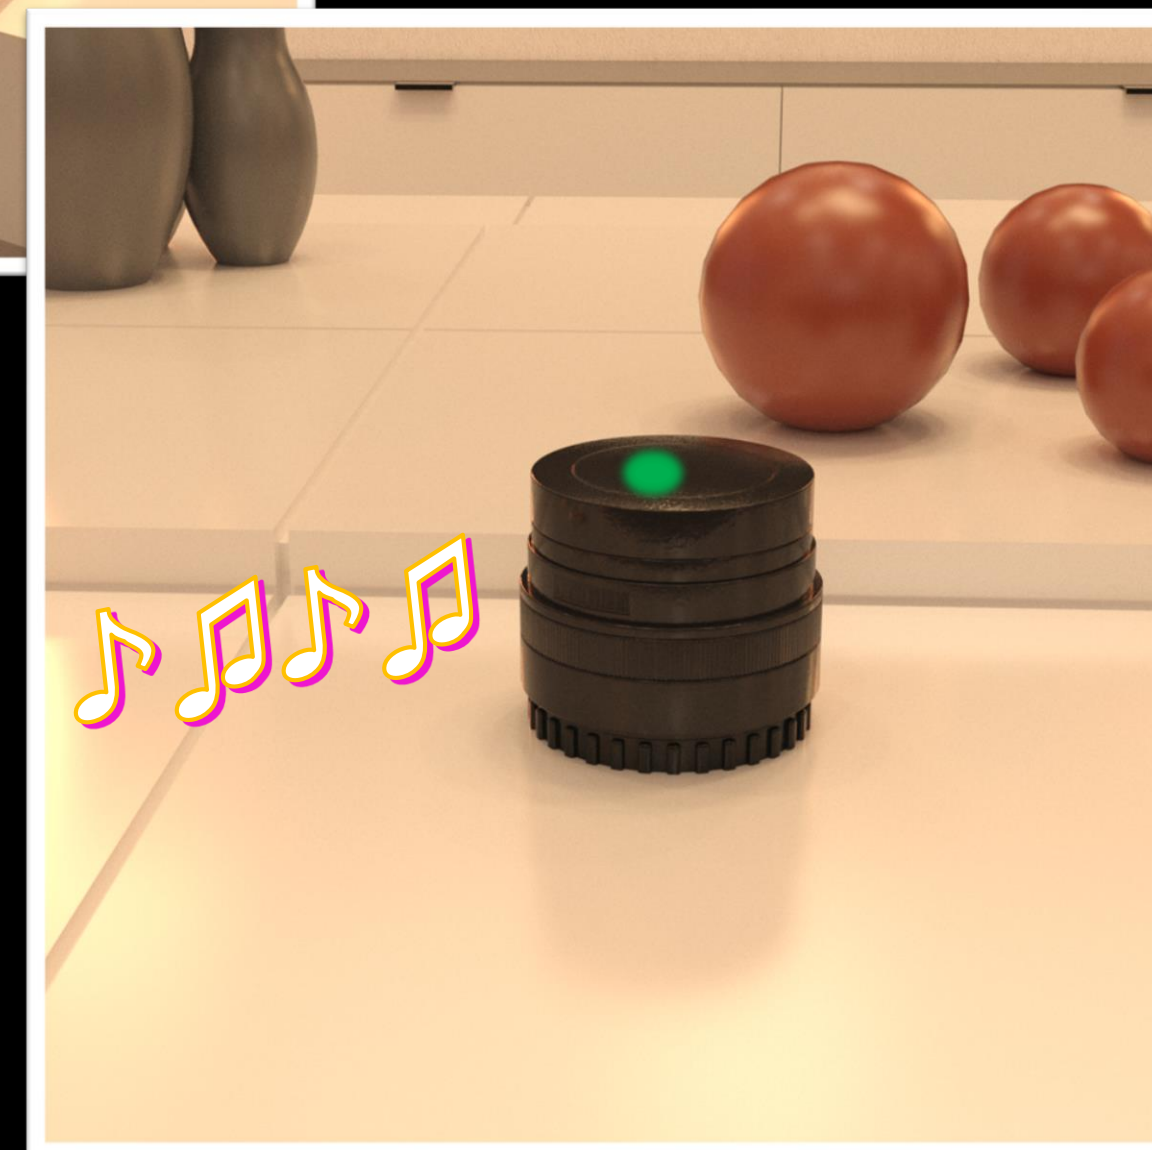

She removes her top as she enters.

Before locking the door behind her.

As the music plays, Jessica heads into the kitchen...

And soon comes out bringing out various Halloween-themed decors and snacks.

Alright,
that should
do it!

O.M.G.!!
I love that
song!

singing
What I really,
really want.

singing
So, tell me what
you want, what
you really really
want...

And so, Jessica starts
singing along...

Until knocking on the door
interrupts her creative time...

Wah!

giggle
Right on
time!

Hey, girls!

It's Gina and Sierra – friends of Jess. They are all going to a Halloween party in a few days and are about to coordinate their costumes.

Hey girl!

Hi, Jess.

So... we
gotta take
the tops off
as well?

Yeah, sorry.
Rules are
rules.

That's not a
problem, is
it?

Of course,
not!

Nah, it's
fine.

And so, Jessica's friends comply
with the new house rules...

We don't
wanna tell
you how to
live.

Removing their tops like it's a normal thing to do...

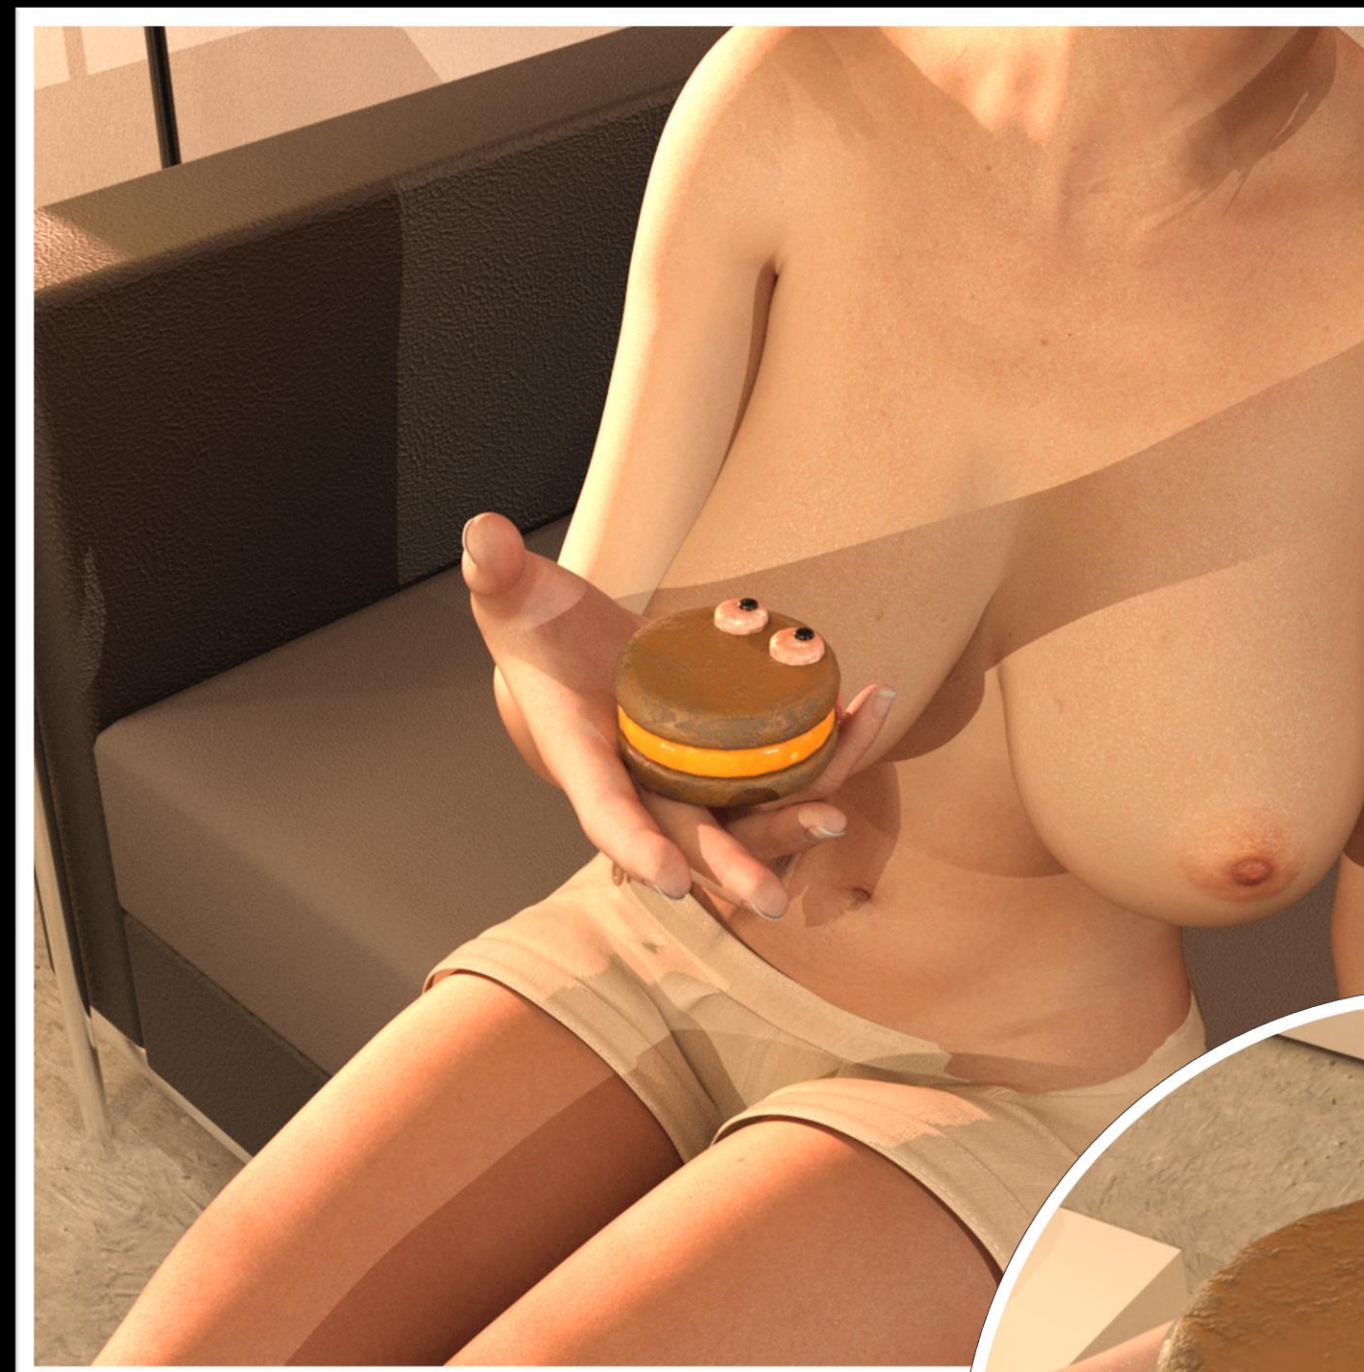

A 3D rendered scene featuring three women in a hallway. The woman on the left has long, wavy red hair and is wearing a black high-waisted skirt with silver eyelets. The woman in the middle has blonde hair tied back and is wearing dark blue shorts. The woman on the right has dark hair pulled back and is wearing light-colored shorts. They are all topless. The background consists of a wooden door and light-colored walls. Three speech bubbles are overlaid on the image.

Great!
Follow me.

I prepared
some snacks.

Cool!

giggle

Alright!
You ready to
try on some
costumes, girls?

I just baught a
new awesome
one!

Let's
do this!

LEXI, play the
Monster Mash!

*Affirmative!
Playing "Monster
Mash" now.*

giggle
Let's dress
up!

Urgh!
Girls, let's not
talk about my
creepy step
bro, okay?

This is
girl time!

Okay
dokay!

I can't wait to see
what costumes you
girls prepared this
year!

And so, as LEXI plays music,
the girls get dressed in their
respective costumes.

humming

As you might notice, Sierra is a bit insecure about her height...

Ha-ha!

With these heels, I
should have finally
caught up to you
in height, Gina!

And Gina is an exceptionally tall girl...

You are wearing heels too?!

blaaahh

So... conversations like these happen on a regular basis among these friends...

What are you even wearing?!

Ain't it
cute?

Author's Note: Sailor Sayo is a magical girl protecting the world from demons.

We can see that...

But Halloween is about scaring away evil.

Take it off.

But who's better at scaring off evil, than Sailor Sayo?!

Gina!
You are not
coming to that
halloween party in
a Sailor outfit!

TAKE-IT-
OFF!

Okay, okay!
sob

I hope you
brauhgt something
scary as well!

So, err,
guys. Stupid
question...

But... is it okay
for us to wear
tops? Inside your
house, I mean.

It's fine
for trying
on stuff.

But we need
to take them
off once we
are done.

chuckle

I'm currently always matching my top and bot the evening before in my room, so I can just throw the top on when I head out.

Would be pretty awkward if I wasn't allowed to do that. God knows how long it'd take in the morning if I had to head out into the garden for every try on.

You could always put a mirror on the balcony if yo need more time. It's not technically in the house.

Good thinking!

Having understood the rules now and gotten permission to dress up, Sierra continues to put on her costume.

What do you
think? Isn't it
creepy?!

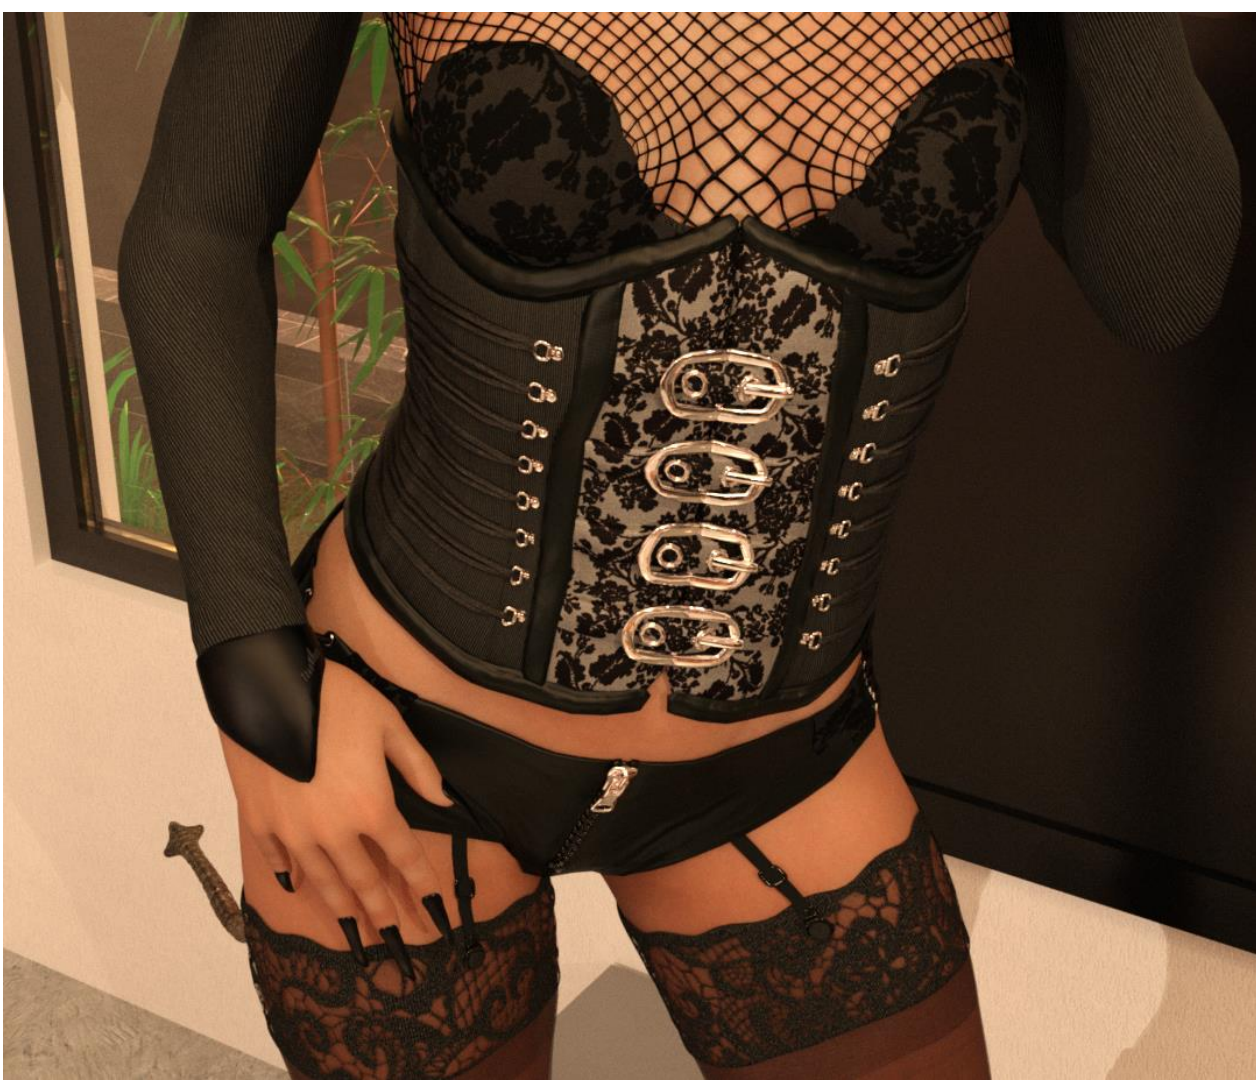

Super creepy!
I like it!

... Lets go
with evil
cultist?

Love yours
too! Fetish
nun?

As Sierra and Jessica talk Gina puts on her other costume...

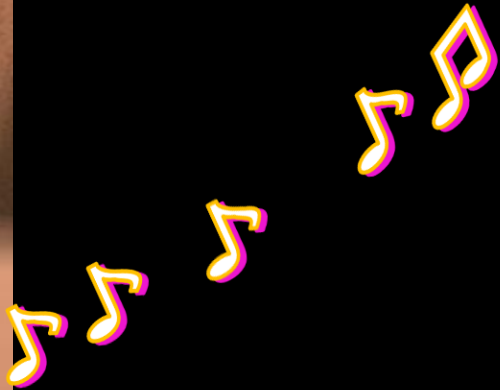

This is so
neet!

Right?!

First useful
thing my step
bro brauhgt
home!

Hey, girls!
What do you
think of this
one?

Much
better!

This is the
Sailor Sayo
antagonist
outfit!

Not
bad...

This would
look really
good...

If I had
some tits!

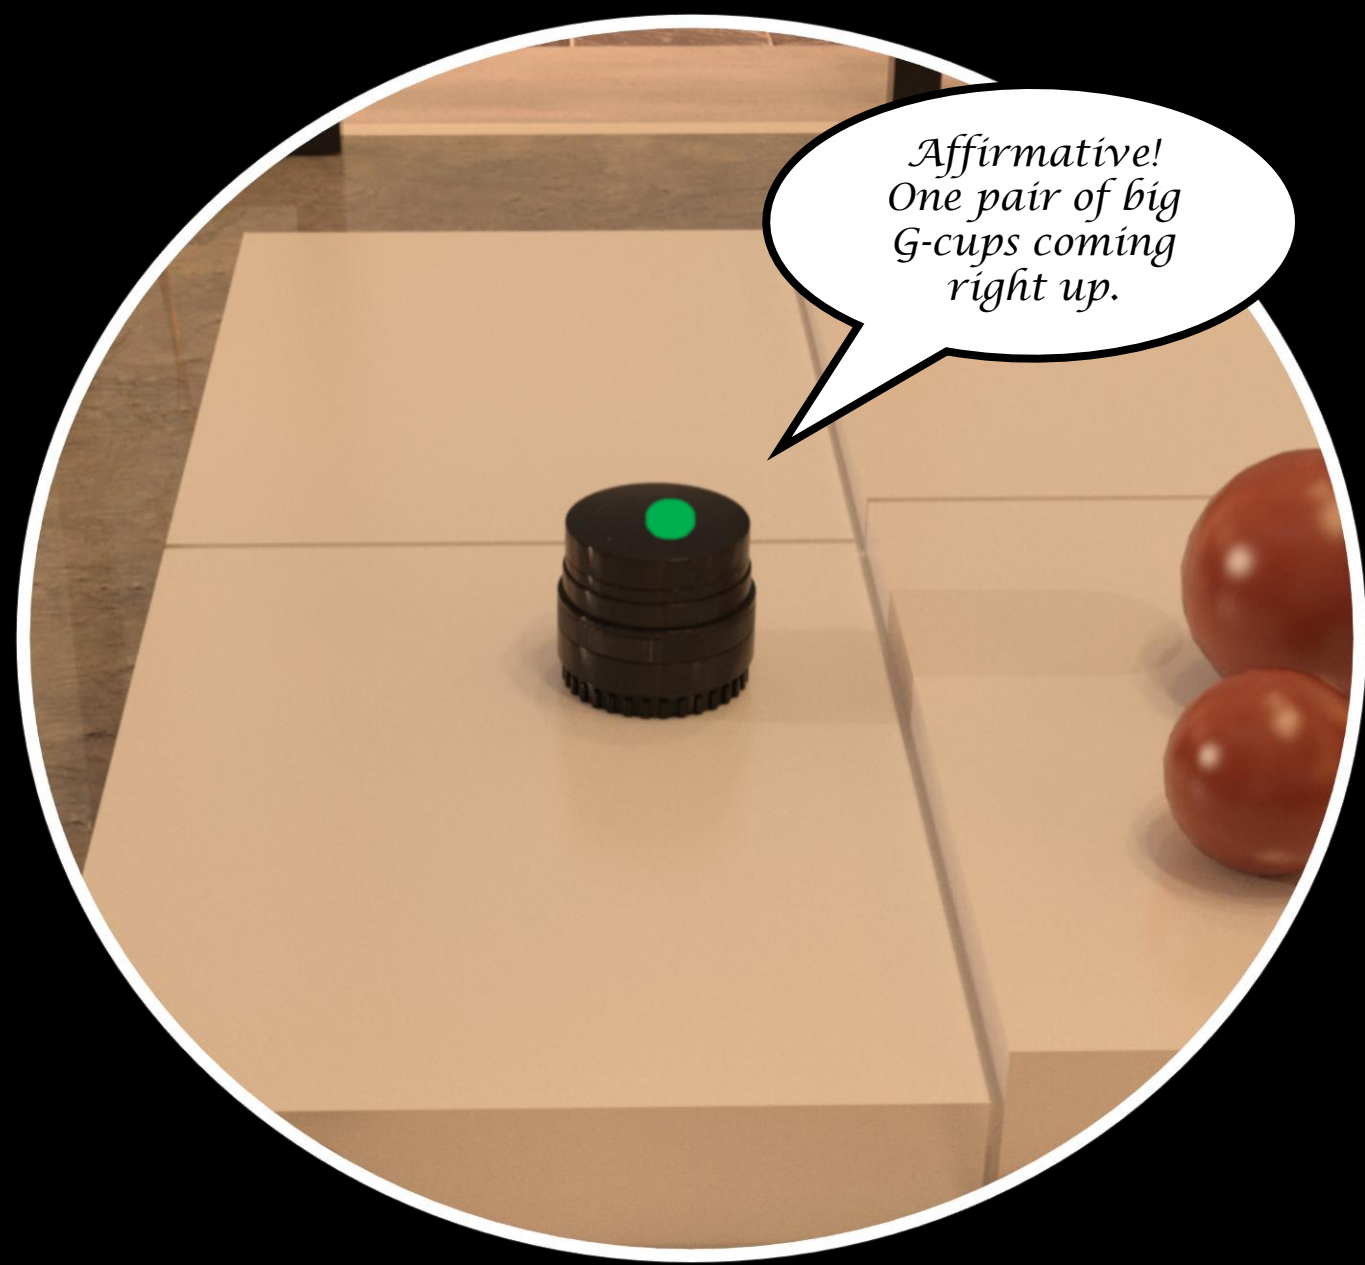

FUCK!

What's a
succubus with
out breasts?

A holy succubus?

Argh! *sob*
LEXI, grow
my boobs to
big G cups!

Affirmative!
One pair of big
G-cups coming
right up.

Gina's view...

Oh, come on, Gina.

It's not all about breasts.

I fear, technology is not that far yet. *giggle*

You have an
awesome body.
Abs, Perky
butt...

Really the
costume looks
fine on...

No way!

Are you seeing
what I'm seeing,
Jess?

Girls?

Waah!
What the F...

What's
wrong?

What's
wrong!?

Just look
down, Gina!

Jess/Sierra's view...

If they were just bigger.

sob

Oh, come
on, Gina.

Says the one
who's got
them!

It's not all
about breasts.

sob

Really the costume looks fine on...

Girls?

No way!

What's
wrong?

What's wrong!?

Just look
down, Gina!

What's
gotten into
them?

No Way!

O.M.G.!!
What's
happening?!

giggle
Now I'm not
only taller but I
even got bigger
boobs, Sierra.

So big...

Hey,
girls!

Focus!

What
happened
here?

No clue!

I was just
complaining about
my costume and
BAM! Boobies!

There must be something else to it!

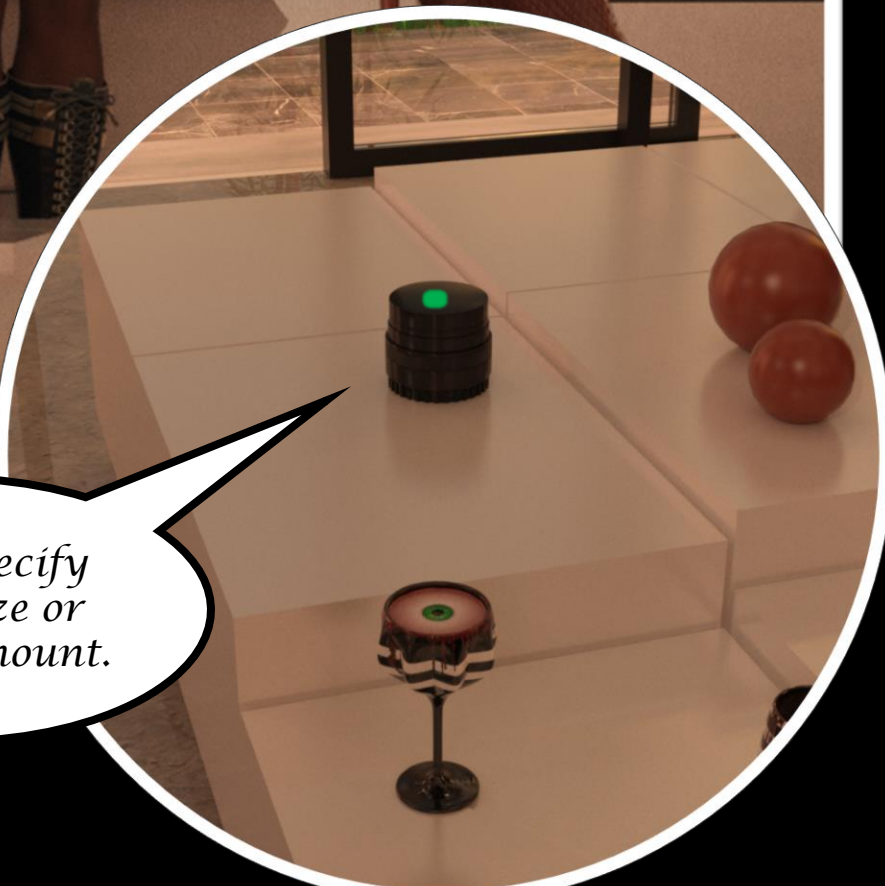

Maybe it's an early Christmas miracle?

I highly doubt that...

Hey, look!
Your thingy
is blinking!

*Affirmative!
Bigger breast.*

*Please specify
target size or
growth amount.*

What...

the...

fuck...

To be continued...
