The Office's meeting room is nicely decorated.

There is a brightly lit Christmas tree with presents underneath...

Candles, pinecones and more...

Wow! Stacey really has outdone herself this time.

NEXT

Pah! Stacey?
Good one!

Julie!
You look
exhausted!

Julie – The Intern
Working at the office for a few months now.

NEXT

I half heartedly listen to the chit-chat of my coworkers as I wait for this Christmas party to kick off.

No shit!
I had to stay late to put all of this together!

Stacey did not help?

Let's say she was more work than help!

To tell you the truth I'd rather be anywhere else right now.

NEXT

It's not like I don't like the people I work with. It's just... I can hear my girlfriend's voice ringing in my ears: "This is the perfect opportunity to ask for a raise!!"

Hm...
I can imagine.

Sorry you had to go through that Julie.

But sometimes Stacey's just... well Stacey. *chuckle*

Lucine – Head of HR
Working at the office for several years. Everybody likes her as she has a motherly personality caring for everyone around the office.

NEXT

Now I don't share that sentiment... and I really don't want to ask Stacey... but my girl's right. I really deserve a raise for all the projects I saved this year... or at least a bonus...

Well... Good work then Julie!

The meeting room looks amazing!

It really gets my Christmas spirit going!

Thanks...

Sayo – A Product Designer
A lovely cheery young Asian woman who's working at the office for several years now.

NEXT

Hey guys! Everyone's here? Great!

Stacey – The Boss

Stacey took the company over from her father two years ago and while she has a business degree, she lacks experience in leadership and charisma.

NEXT

Welcome and Merry Christmas, everyone!

I've spared no effort to make this year's party a blast.

It turned out great, Stacey!

Beautiful décor!

Grrr...

NEXT

This year's been a challenge for all of us...

blah

blah

Stacey rattles down some leadership bullshit and it's almost tempting to call out "Bingo".

Thanks to everybody's hard work we managed to raise the numbers...

God damn it shut up already!

NEXT

But she's going on and on...

Bla bla
blah...

NEXT

But one of you did exceptional work.

Much better than anybody else this year...

Oh, boy. Great move Stacey. Whoever that is, by calling him or her out like that everybody's gonna hate them!

NEXT

And that somebody is... Rudolf!

Oh, well, fuck me. That's me!

NEXT

Please, Rudy.
Will you come to the front for a moment?

Cringe...

NEXT

Thank you for your hard work all year, Rudy!

Now, I'm not exaggerating when I say you singlehandedly saved the R.B.K. Project!

NEXT

Now, I do have something for our Rudy.

Care to guess what it is?

A promotion?

NEXT

giggle
You are
funny, Rudy.

NEXT

No! It's this cute little red nose here!

Like that Reindeer, you steered our projects in the right direction.

...

And your name's Rudolf...

Yeah... I get it...

NEXT

You won't put it on?

...No.

Okay... You can go back to your spot now...

I can tell that Stacey is disappointed that I don't value her "present"... **but really so am I!!**

NEXT

"This is ridiculous!", I think to myself as I go back into the crowd to hide among my coworkers.

Oh, dear. That was awkward.

Please don't file a complaint.

I think she really thought it was funny...

I give Lucine a tired smile and get back to feign listening...

NEXT

As Stacey is still not done talking...

God, that woman just loves hearing herself talk!

NEXT

Alright!
Enjoy the
party!

NEXT

Geez!
Finally

chuckle
You got a present, Rudy!
Happy?

Urgh!
I just wish that for once I got something useful for Christmas...

Ha-ha!
You know, I really thought she would give me something useful...

NEXT

Suddenly the lights go out!

SCHRUM

Pretty much total darkness...
except for some strange red glow
close by for a short moment...

NEXT

And from outside... strange laughter can be heard?

Hoe Hoe Hoe

NEXT

And as suddenly as they went out, the lights came back on... Was that a shortage? We usually don't have any in this building even during main work hours...

Hm... That was strange.

Well, last to the buffet is a skinny reindeer!

Yee! Food! I'm starving!

With the lights back on Lucine takes flight towards the buffet and Julie follows close behind. Maybe I should as well...

NEXT

But before I can decide Sayo addresses me.

Hey, Rudy. Will you put it on?

Huh?

The nose. I wanna see it! Pretty please?

Seriously?

NEXT

Yeah!
Come on!
I'm sure it looks cute!

Argh, the things I do for a cute smile...

NEXT

I put on the stupid nose...

Happy?

NEXT

And of course, she's laughing at me...

Yes!

You look very...

NEXT

I mean... it got something... hypnotizing...

NEXT

What's she playing at here?

Can't look away.

NEXT

Uhh...

Sayo?
Are you okay?

NEXT

Should I be okay?

Then I'm okay.

Huh?! Of, course you should be okay! What kinda question is that!

Ohh. You are joking!

You are sooo funny, Sayo!

NEXT

Sayo still pretends to be in a trance or whatever... so I take of the nose...

Yes. I'll be very funny from now on.

Urgh. Okay, I'm done here.

NEXT

And I try to walk away, but suddenly Sayo is back to normal and stops me.

Hey, Rudy. **Wait!** Do you know this one?

NEXT

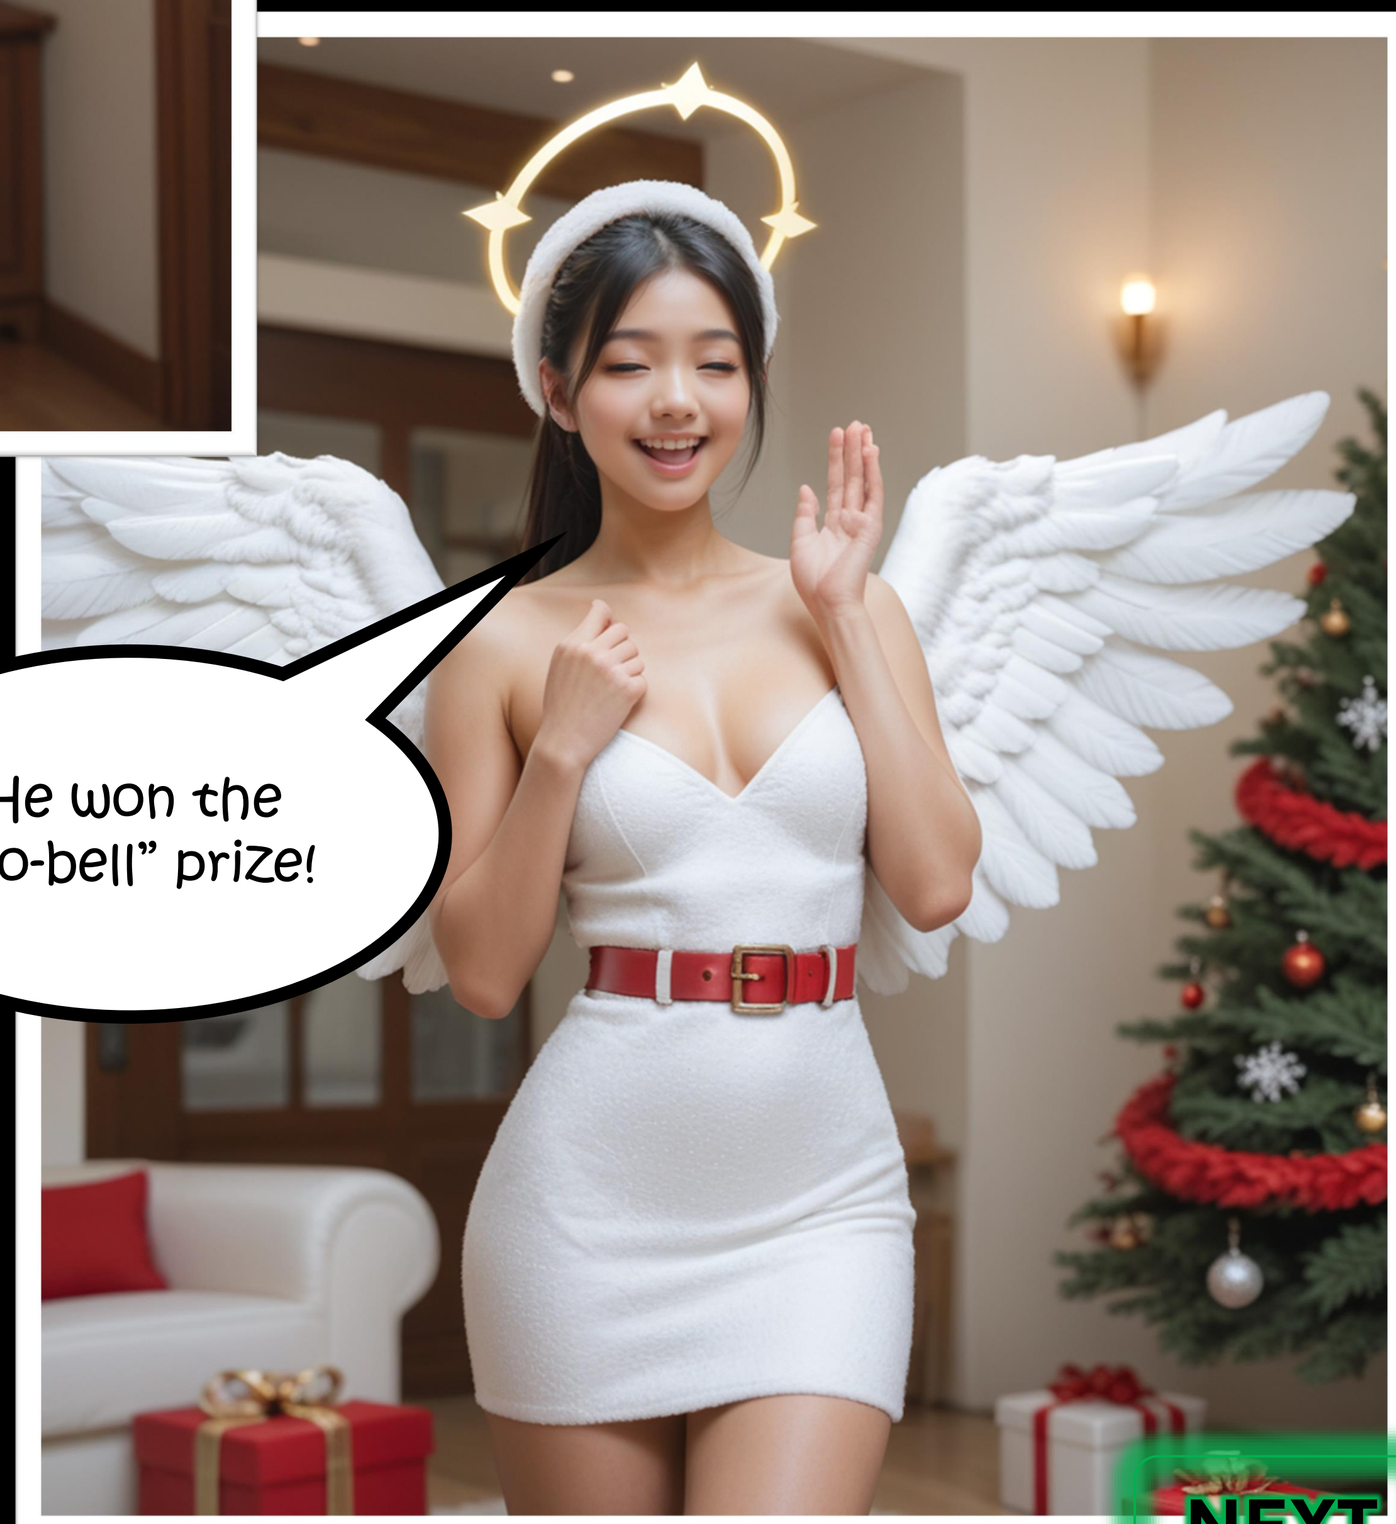

What did the fish say when he swam into a wall?

Huh?

NEXT

Dam!
NEXT

Did you hear about the guy who invented the knock-knock joke?

He won the “no-bell” prize!

NEXT

What's gotten into her?

Mhm... Very funny, Sayo.

Thanks!

Uh, hey Lucine!

What do you call a can opener that doesn't work?

A can't opener!

NEXT

Sayo joins Lucine and I try to enjoy the party... though I'm mostly contemplating my situation with Stacey... What will my girlfriend say if I come out without that raise? Nicole was pretty keen on it...

Some time passes...

NEXT

Man, what's up with Sayo today?

Hm?

She's doing one bad joke after another!

She's still doing that?!

NEXT

Hell, yeah!

I'd wonder if she drank too much.

But if so, I wanna know where she got the stuff!

I haven't found any decent alcohol at this party yet!

Marco – Sales and Procurement
He's the go-to guy when you need something around the office. Also, Julie has a huge crush on him... probably cause he's built like a stud.

NEXT

Marco leaves shortly after that little talk, leaving me with thoughts to contemplate...

Why would Sayo take the joke so far?

The others don't even know what we talked about...

My eyes fall upon the red nose I took out of my pocket...

Nah!
That's stupid!...
It can't be!

NEXT

But if it is... then I changed Sayo!

That... would be .. Not nice!

Urgh! Damn it. I'm way too much of a nice guy. It's most likely all a joke and she and everybody will laugh at me... But I put on the nose and set out to fix Sayo...

NEXT

However, just as I turn around, I run into Julie!

Hey Rudy! Awesome party, right?!

Almost makes me not regret doing all that prep work! *giggle*

NEXT

Ohhh!
You are wearing the nose!

giggle

It looks really...

NEXT

I can see the red glow of the nose reflect in Julie's eyes as they seem to slowly glaze over...

I mean... It's... really hard... to look away...

NEXT

Julie seems to be completely out! And when I ask her a question... she answers in a very monotonous way!

Julie?
Julie, can you hear me?

I can hear you.

There are two explanations here... either she's really under cause of a stupid red nose... or she talked to Sayo and they are both playing a joke on me! **What's more likely?**

NEXT

So... I had to make sure... right?

Strike a pose!

Suck on your fingers!

Give me a kiss!

Lift your skirt!

Flash your titties!

Give me your panties!

Strike a pose!

As soon as I tell her, Julie strikes a pose putting her hands behind her head and pushing out her chest.

NEXT

Gulp
Does she really do anything I tell her? Or is she just playing along?

That's... enough. Stand normal again.

Okay...

Next

If I wanted to make sure Julie wasn't just acting, I had to ask her to do something she'd normally not do... though I don't really know how open she is about stuff like that...

Flash tits!

Flash me your tits!

Okay...

NEXT

Without hesitation Julie pulls down her dress, revealing a pair of beautiful jiggly 18-year-old-teenage tits!

Damn... they looks nice!

Massage them!

Let me touch them...

That's enough...

Without really thinking about it I tell Julie to massage her tits.

Massage them!

Okay...

I'm just glad everybody else is rather busy at the buffet...

NEXT

July moves her hands up and grabs one breast in each. Then she starts to slowly squish them.
gulp

Let me touch them...

That's enough...

"Let me touch them" – I blurt out without thinking.

Let me touch them!

Okay... You may touch them.

NEXT

One last time I look around to ensure nobody is looking our way...

NEXT

And cautiously I lay one hand upon Julie's breasts – watching her intensely – searching for any reaction in her eyes… **nothing!**

NEXT

I add my second hand and start all-out groping Julie, who's emotionlessly staring ahead, her hands behind her back.

caress

grope

NEXT

But I soon come back to my senses and tell her to dress back up again – I don't wanna be caught like this!

That's enough. Cover up again, please. *gulp*

Okay...

Next

No hesitation whatsoever – Julie moves a finger to her mouth... and while I was thinking along the lines of her sucking on her thumb like a baby...

Suck finger!

Put a finger in your mouth and suck on it!

Okay...

NEXT

Julie sucks on her index finger like on a cock!! Soon drooling all over her costume...

Okay, that's enough! You can stop doing that. *gulp*

Next

The moment I finish speaking the command I can see Julie's mouth pucker and she moves towards me.

Kiss!

NEXT

I had just a peck on the cheek in mind... but Julie was pressing her lips upon mine, making out with me for several seconds!

NEXT

As her lips finally leave mine again I'm pretty flushed! **My girlfriend must never find out about this!**

Next

I tell Julie to lift her skirt and show me her panties – which is exactly what she does.

Show Panties!

Show you my panties?

Okay...

NEXT

She hikes up her cute Christmas costume, revealing some cute pink lingerie! Damn... did I ... really just make her do that?

Give me your panties!

That's enough.

I blurt out the following... not really thinking with my head... but... it's probably the best way to test if she's just pretending... Julie would never do that... I think... at least not for me.

Hand over your panties!

Okay...

Next

I needed to make sure. And I was certain she would not go along with that... if she had any say in it...

Give Panties!

Hand over your panties!

Okay...

NEXT

Julie's hand wanders down, vanishes under her dress and soon I can see her tugging on the cute lingerie... Would she really go through with it? **The moment of truth!**

NEXT

Holy shit!
She does! **Shit!** She's holding them out quite visibly! – I quickly snatch them from her hand and bag them in my pocket before anybody notices.

FUCK!
This is the real deal!

NEXT

Julie's panties were not what I had been aiming for... but now the young intern's underwear was loosely stuffed away in my pocket!

This was insane!...
But also thrilling...
The power the nose granted me over others...
It was the real deal!

Next

Can I be sure the nose is the real deal? Or should I test her further?

Strike a pose!

Suck on your finger!

Give me a kiss!

Lift your skirt!

Flash your titties!

Give me your panties!

That's enough...

You won't remember any of this Julie.

Even when I take off the nose and the trance wears off.

NEXT

I won't remember any of this...

NEXT

Are you okay, Julie?

You kinda spaced out for a moment.

Sorry for that!

Oh, did I? I didn't notice. *giggle*

Sure, why?

I take off the nose... Please don't remember what I did!

It takes all my courage to address Julie as her eyes return to normal once again...

NEXT

So, what do you say, Rudy?

Great party, isn't it?

Mhm...
It's... getting quite interesting...

NEXT

And that's when my eyes fall upon Stacey at the other end of the room... If the nose could do that to Julie... why not use it for something that I deserved for real?

I say goodbye to Julie and approach my boss.

NEXT

Rudy!
Having fun?

Er... yeah.
Sure.

Can I talk to
you real quick,
Stacey?

Sure,
what's up?

Well... I was not
kidding about
the raise thing
before...

NEXT

Oh... this is about business.

Not here. Let's go to my office.

I follow Stacey to her office, glad I approached the topic head-on. I've got a good feeling about this. I don't think I'll need to the nose here. Surely Stacey will see reason.

NEXT

And so, a few steps later, I find myself in Stacey's office who starts the conversation with a deep sigh as she leans onto her table.

Sigh
Rudy, what can I say...

Company numbers are down.

This really isn't the time for this.

We all need to pull on the same line here...

NEXT

But... you just said out there we did great work and company numbers are at an all-time high.

Oh... eh.... I... mhh... Yeah... I did say that...

Stacey is clearly flustered when I catch her between lies and meaningless management phrases...

NEXT

That... er... was just to keep up morale...

I just bought myself a new Ferrari for Christmas.

It seems to me you are set on not giving me anything here...

NEXT

Stacey was giving me her usual cheery smile... that smile she always does to disarm any discussion... this faked friendliness... I **was getting angry!**

It's not like that Rudy.

It's really just a bad time.

Let's talk about this next year, okay?

With that attitude, you are leaving me no choice...

Well... I'm sorry it had to come to this...

NEXT

Ha! That got her rattled! I'm usually not that bold... but as I take the nose out of my pockets I feel a certain rush.

Please don't quit!

What do you mean by that?!

And don't you dare talk to me like that!

I put the nose on and look at Stacey.

NEXT

Rudy... It's cute of you to finally put the nose on...

But this won't change my mind about the issue at hand.

You sure? Why don't you look closer?

NEXT

Keep looking, Stacey. Why not lose yourself in the glow?

It's.... Glowing!?

NEXT

It... It's ... kinda hard... to look... away...

Then don't look away. Just keep looking, Stacey.

NEXT

Yes...
I'll keep...
looking...

NEXT

With Stacey's eyes glazed over I stand up – she follows the nose with her eyes and heads.

Can you hear me, Stacey?

Will you listen to me?

Gulp Good. Stand up, Stacey.

I can hear you.

Yes, I will listen to your instructions.

NEXT

Without hesitation Stacey gets up from her chair and now stands before me, hands at the side... listening to what I had to say for the first time ever, I think!

Tell me Stacey. What's the real reason you don't want to give me that promotion?

I learned in business school that it's not good to give in to a subordinate's plea on the first try.

Also... I bought myself a new Ferrari and I prefer to stock up some more reserves before handing out money again.

NEXT

Hearing that I guess you can imagine that I could feel anger rising up inside of me...

But I must not be consumed by it... Stacey is in a completely helpless state right now... and abusing the power of the nose would be... wrong. **Right?**

With great power comes great <u>opportunity</u>!

With great power comes great <u>responsibility</u>.

Responsibility

I must not get drunk with power! **With great power comes great responsibility!** This nose was a gift – but I need to use it wisely and with restraint!

But how?

Give her advice on being a better boss.

Make her give you that promotion.

Don't use it on Stacey.

Advice

I did not want to mess too much with Stacey's mind... but it was clear something had to be done... otherwise, the firm would perish under her at some point in the future... **I'm sure of that!**

You are the boss Stacey. You need to keep this ship running and lead responsibly.

But you don't have to do it all on your own. Trust in your workers with expertise.

Listen to my workers. Trust in expertise...

It's okay to push them for a deadline and keep the firm running. But you need to listen to their concerns and advice and take them into account.

NEXT

Stacey, a happy worker is a productive one.

A happy worker is a productive worker.

NEXT

Now, you should not do anything that will harm the firm.

But if it's no problem and somebody deserves a reward, you should give it to them, Stacey.

Yes...
Give deserved rewards...

NEXT

Okay... I think that should do it to make this office a better work environment. I take off the nose and wait for Stacey to snap out of her trance.

unh

Are you alright, Stacey?

NEXT

Sorry, Rudy. I spaced out for a moment.

About that promotion... I know you deserve it, Rudy. But It's really a bad time.

I really need to return that Ferrari...

Did it not work? I could have sworn her smile looked more genuine now...

NEXT

I can give you a 2.000$ bonus for Christmas.

And In February we talk again and settle on a raise. **Promise!**

Sounds good?

Yeah. That sounds splended, Stacey. Thank you.

It did work!
Guess it's really just a bad time to ask...

NEXT

But of course, Rudy. I really value all that hard work you put in around here.
... speaking of hard...
NEXT

Stacey suddenly gets on her knees in front of me!

Maybe there is something else I can help you with right now.

Woah! Stacey, what are you doing?

NEXT

A happy worker is a productive one...

Well. I can clearly see through your pants that you are hard right now.

And being a good boss, I thought I'd help you out with that. **Sounds good?**

Fix Stacey!

Decline her offer.

Accept her offer.

Oh, boy! What have I done?

Fix Stacey!

Woah! No! Stacey, this is wrong...

I... don't understand. A happy worker is a productive worker, no?

NEXT

Oh, Rudy. Why do you put on that nose ag...

NEXT

With the nose back on, Stacey's eyes glaze over once again as she falls into a deep hypnotic trance. Time to fix her up. Who knows what she'd run into with that kind of mindset...

Stacey, the advice I gave you before. It's true, but you won't act upon it if it involves anything sexual, unprofessional or if it's unrelated to the job. Do you understand?

Yes.
Nothing sexual. Nothing unprofessional. Nothing unrelated to the job.

NEXT

I take the nose off again and Stacey wakes up.

Oh... Rudy? What am I doing on the floor?

Errr... You were picking up that paper over there, I think.

NEXT

Sorry, clumsy me.

Anyway, I hope I can count on your continued work next year.

Oh, absolutely! You can count on me, boss!

NEXT

Stacey wishes me a merry Christmas and I take my leave from her office glad I was able to fix her up again...

Awesome! Merry Christmas Rudy!

And we'll talk in February about that raise of yours.

Next

Decline her Offer

A happy worker is a productive one...

Woah! No! Stacey, this is wrong...

I don't understand. I'm sure it would make you feel happy!

NEXT

I've got a girlfriend Stacey!

I'm not cheating on her!

Oh...

NEXT

Stacey seems to understand and gets back up – no hard feelings.

That's really sweet of you!

NEXT

Stacey wishes me a Merry Christmas and I take my leave from her office... **That was... a bit weird...**

Anyway, should you need some ... help – anytime. Your boss is here for you, Rudy.

Gulp
Okay...

We'll talk in February about your raise.

Merry Christmas! And greet your girlfriend from me. She's a lucky woman!

Next

I guess something went a bit wrong... but who am I to look a gifted horse in the mouth?

Accept her Offer

Uhhh... okay...

Great!

NEXT

Soon Stacey has her lips wrapped around my shaft tightly...

NEXT

And bobs up and down on my cock!

NEXT

I'd be lying if I said this wasn't exciting...

NEXT

My cock starts twitching and I tell Stacey...

groan
Stacey... er...
I'm.,.. I'm getting close.

NEXT

Stacey looks up into my eyes.

NEXT

I don't know what reaction I was expecting but I did not think she'd double down – **taking me extra deep!!**

GAK

NEXT

I could not hold back any longer and I shoot my load deep down my boss' throat!

NEXT

As my cock stops spasming Stacey pulls back with one long sensual SLURP.

SLURP

NEXT

I'm not sure if my BJ game is still on point. I hope you liked it anyway, Rudy. *giggle*

And I hope I can count on your continued work next year.

Oh, absolutely! You can count on me, boss!

NEXT

Stacey wishes me a Merry Christmas and I take my leave from her office... **What had just happened? I'm not sure! But I was not complaining!**

Yes! Another happy worker!

A happy worker is a productive one...

Awesome! Merry Christmas Rudy!

Next

Promotion

You will give back that Ferrari, Stacey.

It's not okay for a boss to enrich oneself at the cost of her subordinates!

Not okay... Give back Ferrari...

NEXT

And you'll give me that promotion! **A big one!**

You know I deserve it!

I'll give you a big promotion...

You deserve it...

NEXT

I take the nose off again and watch as Stacey's eyes slowly return to normal...

Uhh...

Are you feeling okay, Stacey?

NEXT

YES, sorry! I spaced out for a second.

What were we talking about...

NEXT

Bye bye Ferrari... But Rudy is worth it!

Ah, yes! **Your promotion!**

Of course, you'll get it. A big one at that!

I know you deserve it!

How does 20% sound? Nah. Let's make that 30%!

Wow! Thank you, Boss!

NEXT

I thank Stacey once again and leave her office, swearing to myself that I will work hard for that money!

Merry Christmas Rudy! You earned it!

Next

What am I doing here? Using a dubious magic artifact to play with the mind of my boss just to get what I want? Punishing her for living her life? **That's not me!**

Don't use it.

NEXT

I take several deep breaths to gain focus once again. Then – determined – I take the nose off and put it back in my pockets. Soon, I can see Stacey's eyes return to normal.

Uhhh...

Are you okay Stacey?

NEXT

Oh... eh.. Yes. Sorry. What were we talking about?
Err... I... see it is a bad timing for a promotion. Sorry I asked.
Bye!
NEXT

I quickly leave Stacey's office breathing heavily. I did not get my promotion... but at least I kept my integrity and morals up!

Well, that was easy!

Saved the company and myself some bucks there. *chuckle*

Next

Fuck it!
I don't know if the nose's power got to me or if this were my true repressed feelings for long... but I've been the good well-behaved boy long enough!
This is an opportunity!
And I'm not gonna waste my shot! I'll take what I want!

Opportunity!

But...what is it I truly desire?

Just enjoy the power... and the women!

Take over the Office!

My voice trembles with anticipation, but also with fear that it might not work, as I order my boss to take off her blouse...

Power and women!

Take off your top, Stacey.

Okay.

NEXT

I can see no resistance in Stacey as she raises her hands to her chest and starts unbuttoning her blouse...

NEXT

Wow!

You have beautiful tits, Stacey!

I have beautiful tits...

Let me play with them!

On your knees!
(BJ)

Bend over!
(Sex)

Let me play with them!

Let me play with your tits!

Okay. Please play with my tits.

NEXT

I take one of Stacey's luscious breasts in my hand and give it a little squish. It feels divine!

NEXT

I can't believe I'm actually fondling my boss in her office! *chuckle*

NEXT

Soon I'm playing with both her boobies. They are quite heavy but incredibly squishy and bouncy. **I love it!**

NEXT

Okay. Enough Boobie play. Time for a different course.
On your knees! (BJ)
Bend over! (Sex)

Stacey immediately follows my command and gets on the floor.

On your knees!

NEXT

Her empty eyes looking up to me, waiting for more instructions...

NEXT

And what else was there to do, really? I stepped up to her and dropped my pants.

Suck it!

Okay. I will suck your cock...

NEXT

Stacey starts her new duty off with a little kiss on the tip before licking my shaft a few times up and down.

lick

NEXT

Then, guiding my cock into her mouth, she slowly starts sucking and stroking at the same time.

suck

stroke

NEXT

Her lips feel amazing wrapped around my cock!

NEXT

And soon she's taking me deeper!

SLURP

NEXT

Darn! I tell you, this woman can suck like a vacuum cleaner!

NEXT

And soon she has me on the brink...

Now where did I want to... make my deposition?

Cum in her mouth!

Cum on her face!

Without a warning I release... *groan*

Cum in mouth

NEXT

And Stacey takes my load without blinking or twitching.

NEXT

As I remove my cock from her mouth, Stacey keeps kneeling, staring ahead.

Show me that cum!

NEXT

Obediently Stacey opens her mouth and shows her tongue...

NEXT

My sticky load clearly kept safe in that wet mouth of hers!
NEXT

Some of it dripping down onto her chest as I keep watching my boss savoring the mouthful...

NEXT

Swallow it!

Oowokay.

NEXT

After a muffled “okay”, Stacey scoops up the cum that has dropped on her tits, puts it in her mouth, throws back her head, and with an audible gulp downs my jizz!

gulp

NEXT

Afterward, she shows off her empty mouth to me.

Ahhhhh

Good girl! *chuckle*

You can stand back up again.

NEXT

Stacey gets back up and is standing before me once again- Topless – staring ahead blankly.

I will give you that promotion.

Now, Stacey, you will give me that promotion!

NEXT

And you will be available to me anytime I want.

You know... **sexually!**

I'll be available to you sexually anytime you want.

NEXT

I give Stacey some final instructions before taking off the nose and leaving her office.

Now clean yourself up and get dressed.

Great!
Looking forward to working with you In the future,... boss.
chuckle

Next

Cum on face

Make me jizz all over your face!

suck

NEXT

I was already so far gone, Stacey was barely whispering an "okay", before my cock released its thick load...

Okay.

squirt

NEXT

Covering my boss' face in sticky white!

NEXT

I enjoyed the sight for quite some time... my boss, kneeling before me, covered in my juices... **What a thrill!**

Wow!

NEXT

Okay. Stand back up, Stacey.

Okay.

NEXT

Stacey got back up, standing before me. Topless – with my cum drying on her face...

Now, Stacey, you will give me that promotion!

I will give you that promotion.

NEXT

You know... **sexually!**

And you will be available to me anytime I want.

I'll be available to you sexually anytime you want.

NEXT

I give Stacey some final instructions before taking off the nose and leaving her office.

Now clean yourself up and get dressed.

Great!
Looking forward to working with you In the future,... boss.
chuckle

Next

Bend over!

Remove your panties, bend over, and get really wet for me!

Okay.

NEXT

After quickly removing her panties, Stacey turns towards her desk and bends over.

NEXT

I take my time and move behind her...

NEXT

As I hike up her skirt, I see my command has worked perfectly. Stacey is more than ready!

NEXT

I marvel a bit longer at the sight of my boss' perky butt and dripping wet pussy as I give her a little spanking.

Spank

NEXT

Before taking out my cock – getting ready to enter her sweet folds.

NEXT

Slowly I inch my dick closer and probe her nether region with my tip...

NEXT

What can I say?

NEXT

As ordered, Stacey's pussy is slick as fuck and my cock goes in easily.

NEXT

I pick up the pace...

And soon I'm enjoying Stacey's sloppy hole to the fullest.

The situation is a thrill, and Stacey feels amazing. So, I'm getting close pretty fast...

NEXT

Leaving only one question...

fap

Where should I put my load?

Cum on her ass!

Cum inside!

I pull out and shoot my load over my boss's perky butt!

Cum on her ass

NEXT

Phew!
What a sight!

NEXT

Alright, now that we got this tension outa the way stand back up and let's talk about our future.

Okay.

Next

I decide to nut inside and with one last thrust, I explode inside of Stacey's slick cunt.

Cum inside

NEXT

As I pull out after one amazing orgasm, I can see my cum slowly oozing out of my boss's nether folds.

NEXT

I came a bunch!
Felt good!

Alright, Stacey. Put your panties back on and face me.

Let's talk about our future...

Next

I had started at the office several years ago dreaming about me advancing to the top and leading the firm to success... but instead, I did end up saving one mucked-up project after another... I've been running in place for so long... this was my chance... my magic card to leadership!

Take over!

Now you will listen to me, Stacey.

I will listen to you.

NEXT

You are the new boss around here.

I will hand over the company to you.

I'm the new boss around here.

You'll hand over the company to me.

NEXT

I love this new arrangement.

I love following your instructions.

You love this new arrangement.

You love following my instructions.

NEXT

Having said everything that came to mind, I take off the nose and wait for Stacey's eyes to return to normal. In anticipation, I wait whether this really works...

Stacey, are you okay?

Uhh... yes, YES!

I just had a brilliant idea!

NEXT

What would you say if I signed over the company to you?

Please! Say yes! You'd make such an awesome leader, Rudolf!

And I'd really want to be in your service, Rudy!!

NEXT

We talk a quite some time longer to fletch out the details. But one thing is clear. **It worked!** Her company would be mine... and Stacey... was very smitten with me all of a sudden.

Is there anything else I can do for you right now... boss? ***giggle***

On your knees!

Spread your legs!

Nah, I'm good.

NEXT

I take my dick out, and Stacey's enthusiasm does not waver.

So, big, Sir!

NEXT

She starts with a long lick from below while keeping eye contact. *gulp*

lick

NEXT

She presses my dick against her tongue and circles around – teasing me the good way.

swirl

NEXT

Before finally taking it inside her mouth – Damn her lips feel divine wrapped around my cock!

NEXT

Soon my former boss is bobbing up and down on my cock!

shlop

NEXT

It feels amazing! "Damn! This woman can suck like a vacuum" I think to myself as I feel the pressure in my balls rising.

NEXT

Where did I want to cum?
Cum in her mouth!
Cum on her face!

Without a warning, I release inside Stacey's mouth.

In her mouth!

NEXT

She does not even flinch and patiently waits for my cock to stop twitching and spewing its sticky load.

NEXT

Happily, she shows the contents of her mouth to me after I withdraw my cock.

Thank you for cumming in my mouth, Sir!

I love the way you taste!

NEXT

After getting incredible head I get dressed again and prepare to... “ease” the other members of the office into this take over. *Chuckle*

Please speak to the others as you see fit, Sir!

I’ll start preparing legal matters ASAP.

Next

I tell Stacey I want to cum on her face and she is totally game!

On her face!

Oh, yes Sir! Please shoot your load all over my face!

Next

Spread your legs!

Mhh...
Yes, Sir!

NEXT

Get yourself wet for me.

Oh, my! I really love following your instructions, Sir!

I insert my dick without a problem and soon we were fucking on Stacey's desk like there was no tomorrow.

NEXT

Soon I had Stacey switch position, and she was riding me like a goddess.

Yes, Sir!
I love riding your cock!

NEXT

My command worked quite literally. Stacey loved anything I told her to do! Which only enhanced our love-making session as she grinded her hips atop of me.

Moan

NEXT

I wish I could say my girlfriend and I had sex like this... ever...

Moan

NEXT

But to tell you the truth... I never had sex like this...

Moan

NEXT

Not this intense...
Moan
NEXT

Not with the absolute knowledge that she was enjoying every bit of it -with every fiber of her being...
Ready for anything...
Anything I wanted!

Moan

NEXT

So, it was only natural that I was about to shoot my load pretty soon...

Moan

NEXT

Stacey!
I'm close!

Yes, Sir!
Me too!

NEXT

Yes, Sir?

Stacey!

I wanna cum...

Inside

On your face!

Inside

Yes, Sir!

Please fill me up!

She did not have to tell me twice! My cock exploded with the hugest orgasm ever, flooding my former boss' love cave with sticky white goo!

NEXT

As I dislodge from Stacey, I can see my cum dripping out from between her legs...

You came so much, Sir!

NEXT

Forming a little puddle on Stacey's desk.

I LOVE it!

NEXT

Please use me anytime you'd like. Boss!
NEXT

After our love-making session, I get dressed again and prepare to... "ease" the other members of the office into this takeover. *chuckle*

Please speak to the others as you see fit, Sir!

I'll start preparing legal matters ASAP.

Next

Stacey immediately followed my wish, got off my cock and down on her knees, begging me to shoot my load all over cute face!

On your face!

Please cum on my face, Sir!

NEXT

I didn't need any more encouragement. I was on the brink... **and I let loose!**

YES!

squirt

NEXT

Oh, my!
What a load,
Sir!

Please feel
free to use
me any time
again!

I love being
of service to
you, Sir!

NEXT

After pasting Stacey's face, I get dressed again and prepare to... "ease" the other members of the office into this take over. *chuckle*

Please speak to the others as you see fit, Sir!

I'll start preparing legal matters ASAP.

Next

I tell Stacey there is nothing I need right now, and I prepare myself mentally to "ease" the others into this takeover.

Nah, I'm good.

Yes, Sir. If anything comes up let me know.

I'm available to you 24/7! Anywhere! Anytime! Anyhow! Sir!

I'll start preparing the legal matters in the meantime.

Next

I find myself outside of Stacey's office and walk into the decorated meeting room. The party is still going strong.

Back outside. Power Path.

I can see my friend and coworkers amuse themselves at the buffet and around the tree...

NEXT

As I contemplate whom I should turn next for my takeover plans, a sad Julie approaches...

sob

Err... you okay, Julie?

NEXT

No...
sniff
Okay...
What happened?
NEXT

I tried to flirt with Marco...

Mhm... He does not date at the workplace...

Which is probably a good thing seeing how many women the guy goes through in a month...

NEXT

Julie was pouring her heart out in front of me... but I really did not care at the moment...

I think he did not even realize I was flirting! It's like I'm not even a woman in his eyes!

NEXT

There was far more important stuff to do right now than to console a teen on hormones...

Oh, Rudy!
It's cute that you try cheering me up but I don't feel like laughing.

NEXT

You can put that stupid nose aw...

NEXT

Uhh...

NEXT

Okay, Julie. Now stop your whining and listen to me.

Listen to you...

NEXT

A few last tears dry on Julie's cheeks but, as commanded, no new ones are produced. **Fascinating!**

I'm the new boss around the office.

You love that. And you do love to follow my instructions.

You're the new boss...

Love following your instructions...

NEXT

Okay, that should take care of Julie... Did I want to do anything else to that mess of an 18-year-old girl?

Send her away

Make her adore you.

Send her away

Now cheer up and enjoy the party!

Cheer up...
enjoy the party...

NEXT

Uhh...

NEXT

With a smile, Julie mingles back into the crowd and I set my eyes on my next target.

OH, Rudy! Thanks a bunch!

Talking to you really cheered me up!

Let's enjoy the party, **boss!**

Next

Adore you

Also, forget your feelings about Marco.

You don't love the guy.

I... don't love Marco?

NEXT

No, you don't.

Instead, you are infatuated with me.

Though you will never be jealous of my girlfriend or other women.

I don't love Marco.

Infatuated... with you...

Never jealous...

NEXT

I take the nose off and wait for Julie to snap out of the trance.

Uhh...

NEXT

Hey, Julie.
Feeling good?

Oh, hey
boss. ***giggle***

Always!

Around
you!

NEXT

You've a cute smile, Julie.

Mhm.
Don't think I haven't noticed the way you look at me, Julie.

I do?

NEXT

Ohhh
You have?

Mhm...

NEXT

What do you say we take this somewhere... more private?

You mean!?

NEXT

YES!

I take Julie by the hand...

NEXT

And we head into the company bathroom...

O.M.G.!! This is like a dream come true, boss!

NEXT

Are we really... you know... I mean I want to!

What did I want her to do?

Blowjob!

Sex!

Blowjob

How... about a blowjob?

Yes, Boss! I'd love to service you with my mouth!

NEXT

Julie drops to her knees ASAP and removes my pants – freeing my cock in the process.

Mhhh! You are so big, boss!

lick

NEXT

First, she was mostly teasing me, by circling her tongue around my tip – giving me a lick here and a kiss there...

lick

NEXT

But soon she wrapped her lips around my cock and bopped up and down my shaft! **It felt amazing!**

NEXT

And I was ready to cum soon...

Tihi! You are twitching, boss!

You can cum wherever you want, boss!

Where to cum?

In her mouth!

On her face!

I release, aiming into Julie's mouth. Fatefully, she is awaiting my sticky load with her tongue out.

squirt

NEXT

Julie looks very cute with my cum dripping out of her mouth. *chuckle*

NEXT

Julie compliments me on my load with her mouth full as my cock slowly withdraws.

You camth a loth, both! I lovth it.

NEXT

Alright. I'm gonna leave first. Clean yourself up... and whatever mess you made on the floor.

Aye, aye, boss!

Next

I aim for Julie's adorable face and release...

face

NEXT

Covering her cute face in my sticky love juice!

Good girl.

NEXT

You came a lot, boss! I love it.

NEXT

Alright. I'm gonna leave first. Clean yourself up... and whatever mess you made on the floor.

Aye, aye, boss!

Next

Sex

Yes, boss!
Please take me!

NEXT

I get behind Julie and slowly insert my cock.

Oh, wow!

insert

NEXT

It goes in without a problem.
Julie's dripping wet down there!

Moar

NEXT

And soon I'm rocking my hips against her perky behind...

Mhhh! You feel so big inside of me, boss!

fap fap fap

NEXT

Pistoning my cock inside her slick love hole like there's no tomorrow!

Oh, yes!

I love you, Rudy!

fap fap fap

NEXT

We switch positions several times...

Moar

NEXT

And I enjoy Julie to the fullest!

Oh, god, yes!

Give it to me, boss!

Marco does not know what he's missing out on here! Julie's a real firecracker! *chuckle*

NEXT

Soon I'm reaching my point of no return... how did I want to cum?

Where to cum?

Inside!

On her ass!

I turn Julie around and give a her few more thrusts from behind.

On her ass

Moan

NEXT

Before pulling out at the last moment and ejaculating all over those round perky butt cheeks.

Oh, my.

NEXT

What a mess.
giggle
NEXT

You know, you could have cum inside, boss. I'm on the pill. 1

Next time, Julie. Next time. 2

NEXT

After blowing my load I pick up my clothes and get ready to leave the company bathroom.

Alright. I'm gonna leave first. Clean yourself up... and whatever mess you made on the floor.

Aye, aye, boss!

Next

Inside

You on birth control, Julie?

Yes, boss!

NEXT

Oh, Yes! Fill me up, boss!

I hold Julie in a tight embrace and with one long final thrust, I bury my load deep inside of her.

squirt

NEXT

Groan

Give me all that baby batter!

NEXT

After enjoying that tight teenage pussy, I pick up my clothes and tell Julie to get dressed as well before I leave the bathroom.

Aye, aye, boss!

Alright. I'm gonna leave first. Clean yourself up... and whatever mess you made on the floor.

Next

Now... I've made out my next target. It's Lucine! She's head of HR, good with everyone and the key to quickly turning all the others!

If I have her under control, I can have her lure the others one after another to me and that red magical ball on my nose!

Let's do this!

Next Target: Lucine

Hey, Lucine.

Hey, Rudy. Enjoying the party?

Actually... Yes. Yes, I am!

NEXT

That's good to hear. I feared Stacey's stupid nose joke might bring you down.

Oh, about that nose...

NEXT

It's actually not that bad after all.

chuckle Are you really putting that on?

NEXT

Uhh... I mean... err...

Is it... glow...

NEXT

Why don't you follow me to your office, Lucine? I got something to tell you in private.

I will follow you to my office.

NEXT

We manage to leave the party room unnoticed and enter Lucine's office.

Now, Lucine. I've something important to tell you. And You will listen to me.

I will listen... to you.

NEXT

I'm the new boss around the office.

Stacey's on board with this. I'm the new boss.

But... Stacey...

You are... the new boss.

NEXT

You love that I'm the boss now.

Yes. You love it!

You love following any of my instructions.

I... love that you are the boss?

I love it!

I love following your instructions.

NEXT

You love to make me happy, and you'll do anything for me.

I love to make you happy.

I'll do anything for you.

NEXT

Having said what had to be said, I take off the nose and wait for Lucine to snap out of her trance.

How do you feel Lucine?

Uhh... I feel fine, boss.

NEXT

Is there anything I can do for you, boss?

Show me those boobies!

Set the plan in motion!

Show Boobies!

My boobs?

But of course, Sir!

NEXT

Slowly Lucine pulls down her dress, revealing those giant jiggly hills I've marvelled at only from a distance and through her clothes so far...

There we go.

flop

jiggle

NEXT

Are they... to your satisfaction, Sir?
They are marvelous!
Touch them.
Fuck them.
Let's fuck!

I place my hands upon them!

Touch them

NEXT

And start to give them a really good feel.

fondle

grope

NEXT

They are massive!

squish

NEXT

Oh, how long have I been dreaming about doing this?!

I'm glad you like them, Sir.

jiggle

jiggle

Fuck them.

Let's fuck!

Without hesitation, Lucine drops to her knees in front of me, removes my pants and wraps her huge funbags around my throbbing dick.

Fuck Them!

Yes, Sir!
My pleasure.

NEXT

I've considered Lucine as a good friend around the office...

rub

NEXT

Or maybe a benevolent saint... caring for all the others around her...

rub

rub

NEXT

And even though I've got a hot girlfriend...

Your cock feels massive between my breasts, Sir.

NEXT

I'd have to lie saying I never layed in bed at night fantasizing about just that!

FUCK! These soft squishy mountains of pleasure feel amazing!

lick

rub

rub

Oh god! I can't hold it back any longer!

NEXT

Thunbs

NEXT

I erupt in Lucine's cleavage covering her tits in my sticky load.

What a load, Sir!

NEXT

Having calmed down a little by following my cock's plea for release, I tell Lucine to get dressed again... **It was time to set THE PLAN in motion!**

Yes, Sir! As much as I'd like to feel your sticky love juice dry on my skin.

I'll clean up and get ready.

Next

Lucine takes off her panties and reveals her dripping wet snatch!

Sex

You wanna fuck me, Sir?

That a problem?

No, Sir! My pussy is more than ready to receive your dick, Sir!

NEXT

She turns around and asks me seductively...

How would you like to take me boss?

NEXT

You like my ass, Sir?

Damn! Just look at that big booty!

NEXT

You have a very delicious booty, Lucine.

Thank you, Sir!

NEXT

I move up behind Lucine and slowly insert my cock in that waiting pussy of hers.

Oh, yes, Sir! My pussy is aching for your big hard dick!

NEXT

And soon we are fucking like rabbits in Lucine's office.

fap

fap

fap

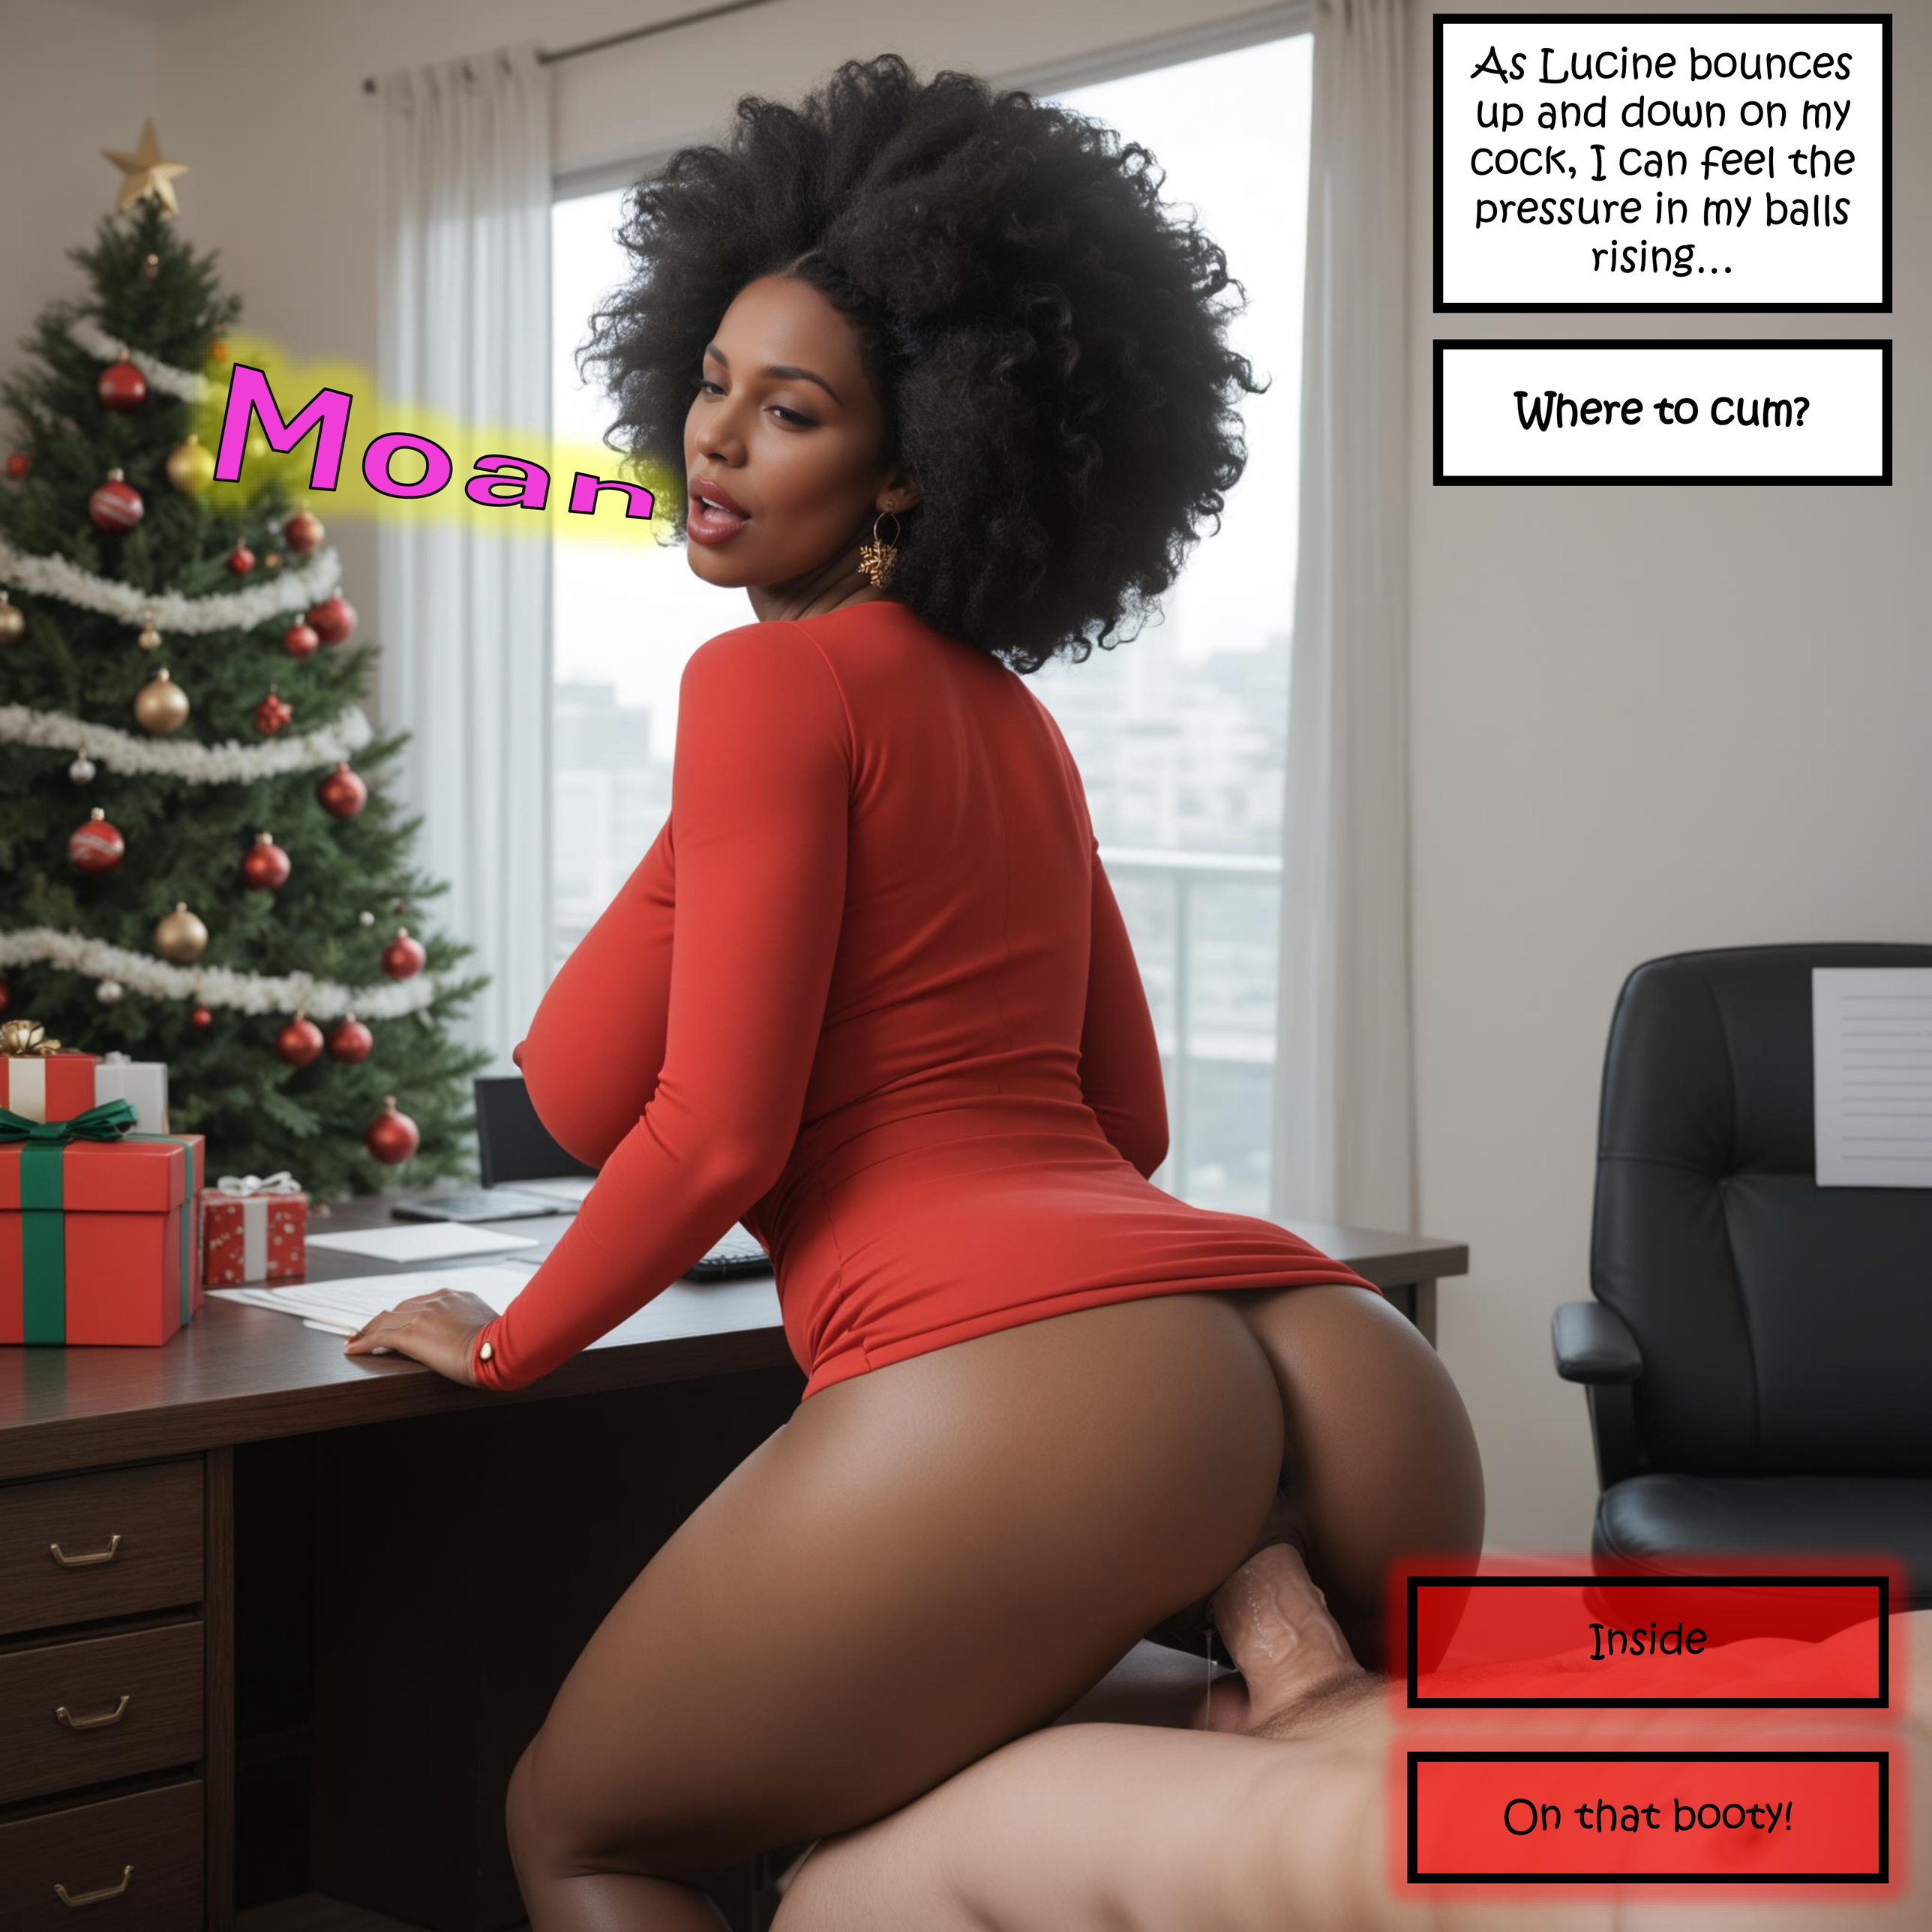

moan

NEXT

After taking her from behind I tell her to switch position... I sit back... and let her do all the work...

Like this, Sir?

NEXT

Moan
As Lucine bounces up and down on my cock, I can feel the pressure in my balls rising...
Where to cum?
Inside
On that booty!

I decide to let Lucine continue and enjoy the feeling of her round butt squatting down on me – her pussy gliding up and down my shaft – and I can feel the pressure building...

Inside

Moan

squirt

NEXT

Until the inevitable happens and my cock releases its heavy load into Lucine's warm folds.

Oh, yes!

NEXT

Let it all out, Sir.
NEXT

As my cock stops twitching Lucine slowly and carefully stands up – sliding her pussy along my cock.

I hope that was to your satisfaction, Sir.

NEXT

Oh, abso-fucking-lutely!

But get dressed again now. I have a plan, and I need your help

Yes, Sir!

Next

I stand up once again and bend Lucine over her table.

On that booty!

With a few final thrusts, I get myself to the point of no return...

NEXT

And I pull out –
shooting my load –
covering that big bubbly
butt in sticky white!

NEXT

Soo much!
You came a lot, Sir!

NEXT

I hope you enjoyed that as much as I did, Sir.

NEXT

Oh, absolutely! You are a great fuck, Lucine.

But, get dressed again now. I have a plan, and I need your help

Yes, Sir!

Next

I tell Lucine about the plan and she's more than eager to help me turn the others into my loyal sla... subordinates.

Set the plan in motion!

Do you understand, Lucine?

Yes, Sir. I understand your intention.

I will help you with the others.

NEXT

The plan was really quite simple.

NEXT

Lucine would lure my coworkers under the pretext of a one-on-one talk into her office.

Oh, hey Rudy. What's going on here?

NEXT

And that's where they'd meet **The Nose.**

chuckle
You're wearing that stupid nose?

NEXT

They all reacted about the same way as Marco did...

Woah, man!
Is it just my or is that thing glowing?

NEXT

And rather sooner than later they all dropped into a deep hypnotic trance.

Uhh... I feel... strange...

NEXT

Then I'd tell them the usual stuff...

I'm the new boss around here.

That's how it should be.

You will ignore me using the nose.

You won't try using the nose or taking it from me.

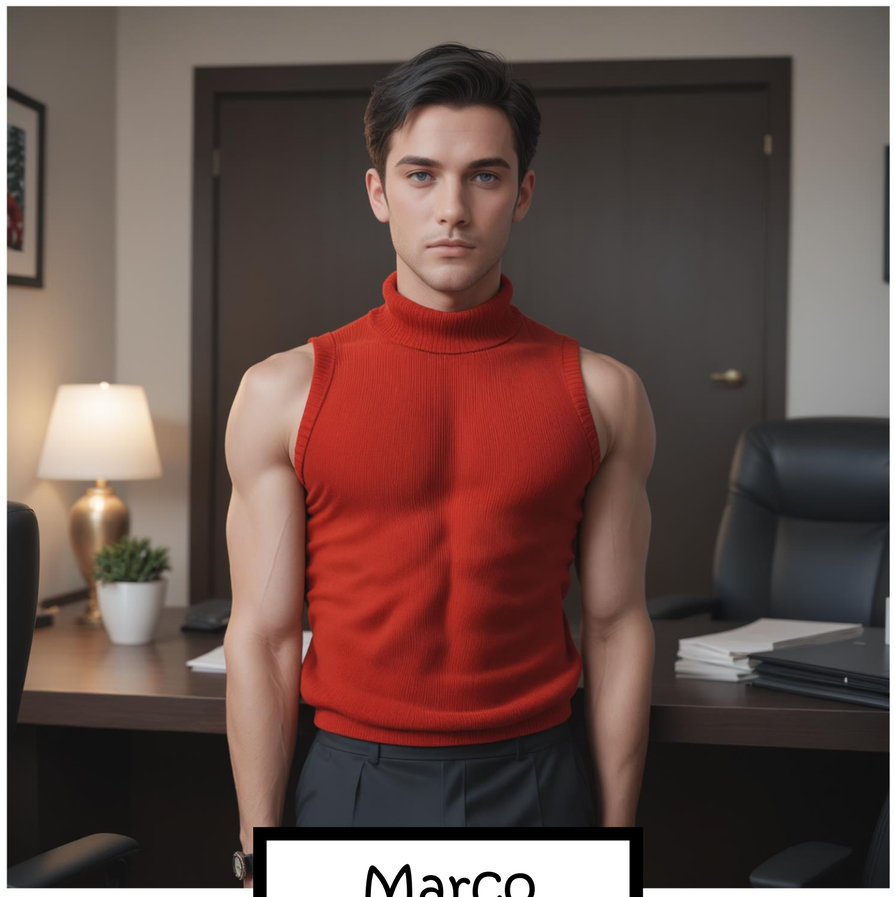

It's okay for me to do whatever I want.

NEXT

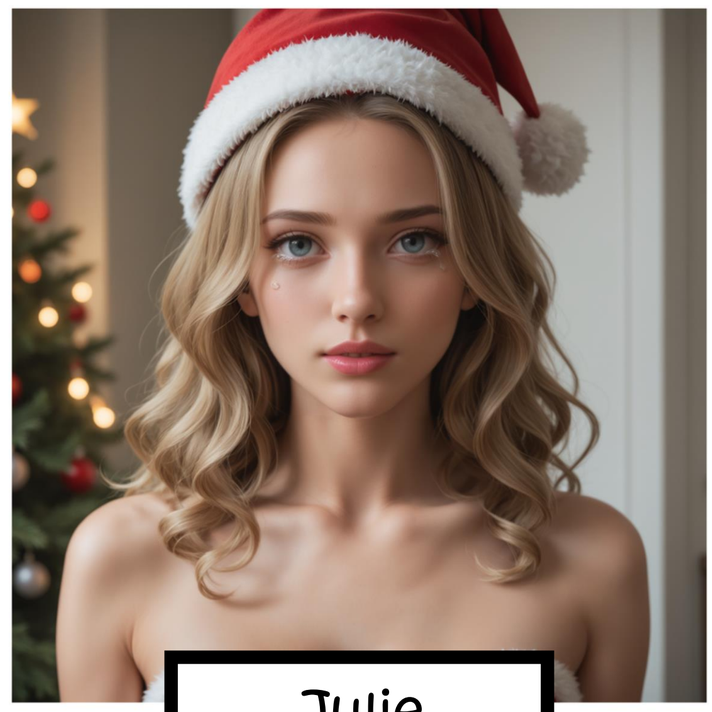

Yes, I understand.
That's how it's supposed to be...
NEXT

Really, it was pretty easy. And soon I had everyone under control just like that...

Marco

Julie

Lucine

Stacey

And more...

NEXT

Everyone? Well, I saved one up for last.

Sayo was still frantically trying to be funny telling stupid jokes left, right and center...

Okay... that one wasn't too bad...

NEXT

I put the nose on right there in the decorated meeting room...

Oh, Rudy! You are putting on that funny nose again?

NEXT

Nobody cared. As instructed, everyone would ignore the usage of the nose...

Oh my...
Is it... glowing?...

NEXT

So, when Sayo was under, I gave her the known speech... and I told her to drop the previously induced funny attitude... **I'm not a monster! ^^**

I'm the new boss around here.

You adore me and love following my instructions...

...

NEXT

After that, I took the nose off one last time and with that, the office was mine!

Uhhh...

NEXT

Oh, my!
Rudy! It's so cool that you are the new boss!

We should celebrate!

Now, with the Office under my full control... what would I do next?

Fuck Sayo right here under the Christmas tree.

Let's go home for now. It's been a long night.

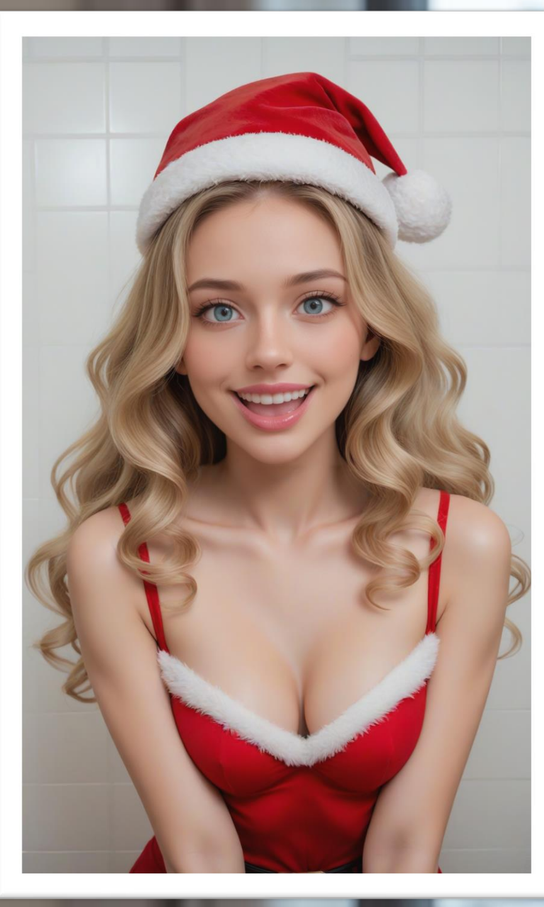

It did not take long for Sayo to shed her clothes and mount me right there next to the Christmas tree.

Fuck Sayo under the tree

NEXT

The others were lost in conversation or watching us as Sayo screamed her little heart out in pleasure.

Moan

NEXT

It did not matter.
They were fine with it.
As everything I'd do would be fine with them from now on!

Moan

NEXT

Sayo looked like an angel as she ground her hips against mine...

NEXT

Well... yeah, I told her to leave the wings and the halo of her costume on... but still, this must be what heaven feels like. *chuckle*

Oh, Rudy. I adore you!

NEXT

I'm about to cum, Rudy. Please cum with me.
NEXT

Cumming!

Moan

It was amazing. I felt Sayo's pussy spasm on my cock which in turn drove me over the edge – shooting my load deep inside Sayo. **We came at the same time!**

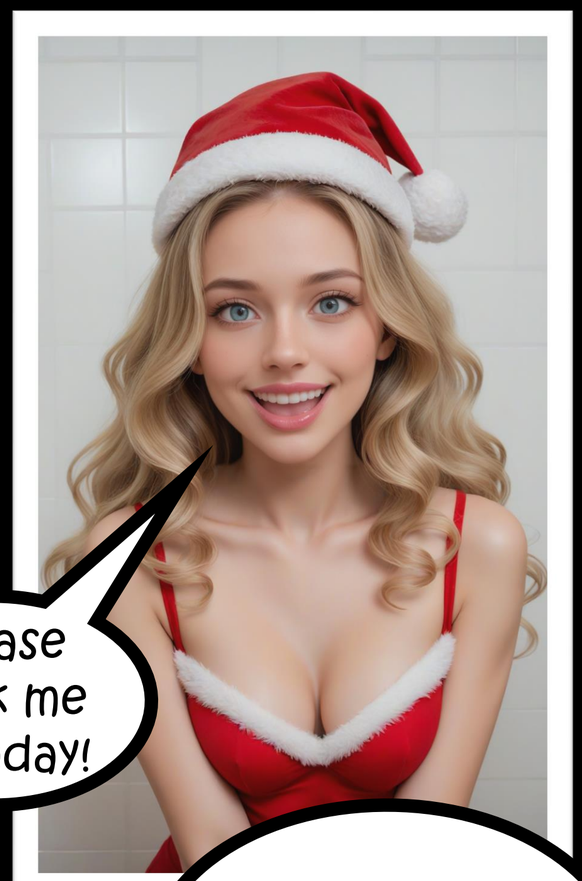

NEXT

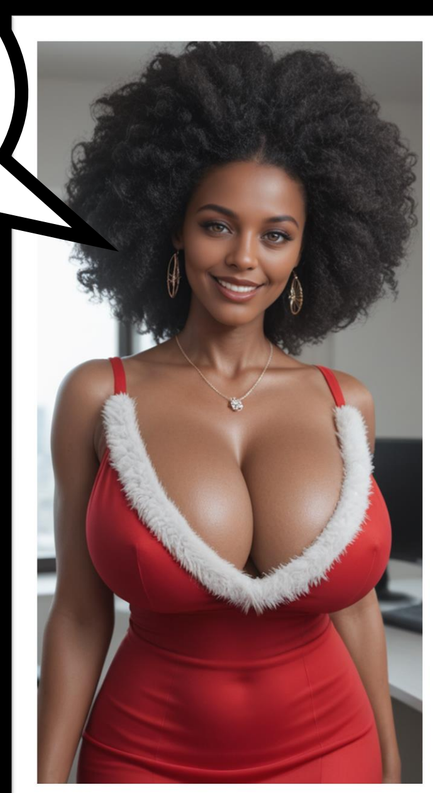

And that's it. The story of how I took over the office. I'm sure I'll have plenty of ideas to implement in the coming days and weeks...

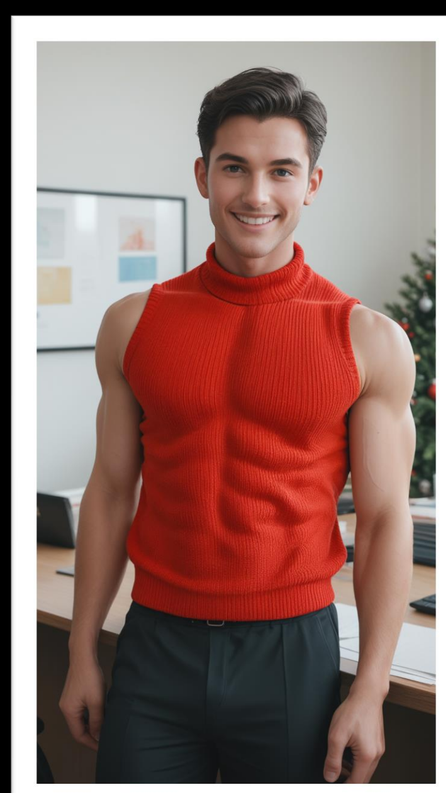

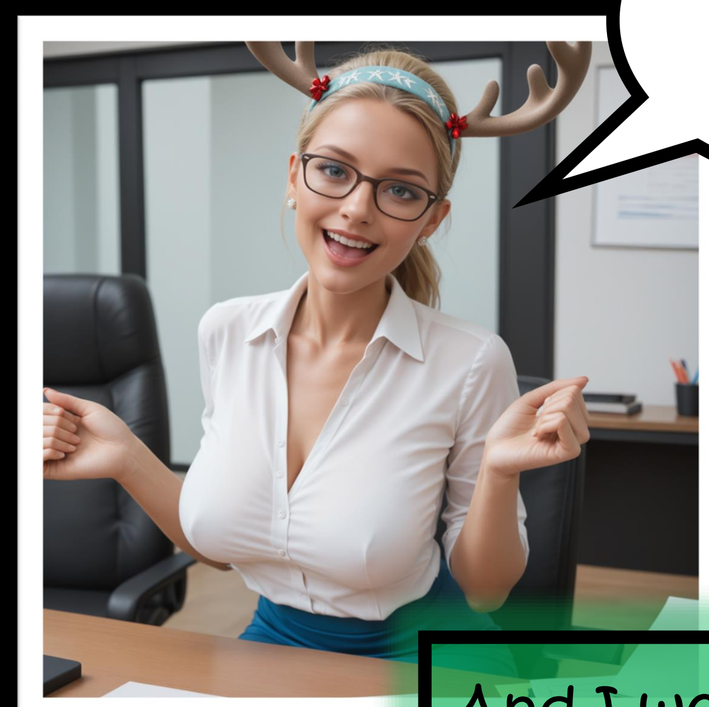

But for now, I say goodbye to my fateful subordinates...

And I went home...

"Phew! What a night!" – I think to myself still feeling the rush of adrenaline about what I had achieved as I turn the key to my apartment complex. My life surely would take a different turn from now on out!

Going home...

The first rays of sunlight could already be seen as the night gave way to day... I guess I did stay quite late at that party. *chuckle*

NEXT

I enter my flat and I feel really tired. All I wanna do is fall into my bed... but that's when a voice addresses.

Ah, you are home!

Oh, you are still up?

NEXT

It's Nicole. My girlfriend for a year now.

She's an incredibly beautiful redhead and she can be very nice...

But she also has a temper...

What do you mean "still up"!?

Nicole

Urgh. Christmas shifts are the worst! Everybody pretends to be cheery...

...and after the seventh beer they get whiney anyway.

You know I had a late night shift at the bar!

NEXT

We could really use a new dishwasher!

But enough about me. How did it go?

Did you get that raise?

Yes, babe. I got it!

Oh, I got something far better.

That's no way to talk to your lord and master!

No sorry

I'm sorry babe. It... was a bad timing.

Oh, come on! Did you even ask?!

I did!
It's... it's just complicated.

NEXT

Urgh!
I can't believe you always let her get the better of you!

You deserve that raise. Don't be such a wimp and speak up for once!

NEXT

We really could have used a new dishwasher!

Nicole continued her nagging for some more minutes... but it was late, and she was getting tired too.

So, we got into bed and she went to sleep grumpily...

NEXT

And so, I lay next to my beautiful girlfriend, thinking about the nose...
I could have told her about the nose... I... could have used the nose to make her shut up...But that would not feel right. She's my girlfriend after all...
Zzzzz
I don't know If I'll ever tell her about the nose or what I'll do with it in the future... I guess I'm gonna sleep on it.
The End

I talked to Stacey and I got it, babe!

Yes, babe, I got it.

You got it?

YES!

NEXT

Nicole's tired demeanor is blown away all of a sudden.

O.M.G.!!
I'm so proud of you!

NEXT

She hugs me and gives me a huge kiss...

You deserve it!

kiss

NEXT

Before pulling me towards the living room couch and giving me a little push so I fall back onto the soft cushions.

Nicole?

NEXT

Well, I'd say there is something else you deserve. *giggle*
Nicole moves one finger to her lips and gives me her most seductive smile. *gulp*
NEXT

I forget my own fatigue as my girlfriends starts pulling off my pants...

For standing up to your boss, you deserve a reward. *giggle*

NEXT

So yeah... blowjobs are kinda reserved for special occasions in our relationship...

NEXT

Guess this counts as one of them...

NEXT

Well, I sure ain't complaining as feel Nicole's lips wrap around my tip! It's been some time.

NEXT

I enjoy the sensation of her head bobbing up and down my shaft for quite a bit...

NEXT

But Nicole's dedicated and she does not waver...

NEXT

And soon I can feel the pressure rising.

Come in my mouth, babe.

NEXT

Nicole goes down on my cock once again...

NEXT

And she goes deep! Driving me over the edge and I release in her mouth!

squirt

NEXT

I came a lot, and quite a bit drips out of my girlfriend's eager mouth, but she gives her best to slurp it all up! Haven't seen her do that in a long time. **Fucking hot!**

Oh, wow. That was amazing, love!

SLURP

NEXT

You are welcum! *giggle*
NEXT

We talked a bit longer about my achievements and what to do with that extra money in the future before finally going to bed.

NEXT

Sleep tight babe.
Goodnight love.
NEXT

I watch Nicole drift to sleep while my thoughts are focused on the nose for a bit longer...

I did not tell her about what really happened at the office tonight... I did not tell her about the nose either... Why? I'm not sure. Did I want to keep it for myself? Maybe I did not want her to find out how I got that promotion? Or... did I want to keep myself a door open to use it on her? Ah, this situation is so weird! I'll have to sleep on this. **Good night!**

The End

I know she probably had a rough day at the pub... but I don't wanna hear her nagging right now. I don't wanna talk... I'm tired! I want to sleep!

That's no way of speaking to your master!

That's no way of speaking to your master!

What?!

NEXT

Yeah... my girlfriend's a feisty one...

What did you just say to me?

You drunk?!

NEXT

I usually don't say stuff like that to her. *chuckle*

What are you doing now?!

NEXT

But what's said is said, I think to myself as I put on the nose.

Is that... a clown's nose?

You look ridiculous!

NEXT

Wait... is that thing... glow...ing...
NEXT

It does not take long and my girlfriend falls into a deep hypnotic trance, staring blankly ahead! YES! The nose works on everyone! It's not just restricted to the office!

Now you will listen to me, babe.

I will listen to you.

NEXT

I'm your lord and master.

You are my lord and master.

NEXT

You are submissive towards me.

I'm submissive towards you.

NEXT

You love making me happy.

I love making you happy.

NEXT

That should do the trick... I take off the nose and wait for Nicole's eyes to return to normal...

Uhhh...

NEXT

Hello, Master! Welcome home!
NEXT

My now submissive girlfriend... takes out one of her breasts and her offer is enticing...

Are you maybe in the mood for... you know, Master?

NEXT

But I'm way too tired!

Sorry babe, but I gotta sleep.

But tell ya what why don't you wake me with a blowjob and a lovely meal tomorrow and we see where it goes from there?

... don't wake me before 2 PM though! It's super late already.

NEXT

Yes, Master!
I'll give you the best wake up blow job ever!

Yeah... also the first...

NEXT

With that being settled I fall into bed and soon enter a deep slumber.

NEXT

I sleep very well that night. Dreaming of... my achievements and what I could do with them in the coming days...

NEXT

Damn, that feels so nice...

NEXT

Slowly, I realize it's only a dream and I start to wake up...

Oh, yeah. Julie.

Groan

suck

suck

suck

NEXT

As I open my eyes, I can see fiery red hair bobbing up and down...

Nicole!

NEXT

Who's Julie?
Oh... err.. I...
NEXT

Doesn't matter. You may have whoever you want, Master.

Oh! And good morning, Master!

NEXT

And with that, Nicole resumes her duties – taking my cock back in her mouth. **Wow!**

NEXT

I mean... we always had fun in bed. Nicole's a real firecracker if you know what I mean.

NEXT

But having her like this? Completely devoted to making me happy. Looking up to me with those submissive eyes... eyes I haven't seen on her before...

NEXT

All of that quickly drives me over the edge... Or at least it feels that way. I don't actually know how long she's been doing this while I was asleep. *chuckle*

NEXT

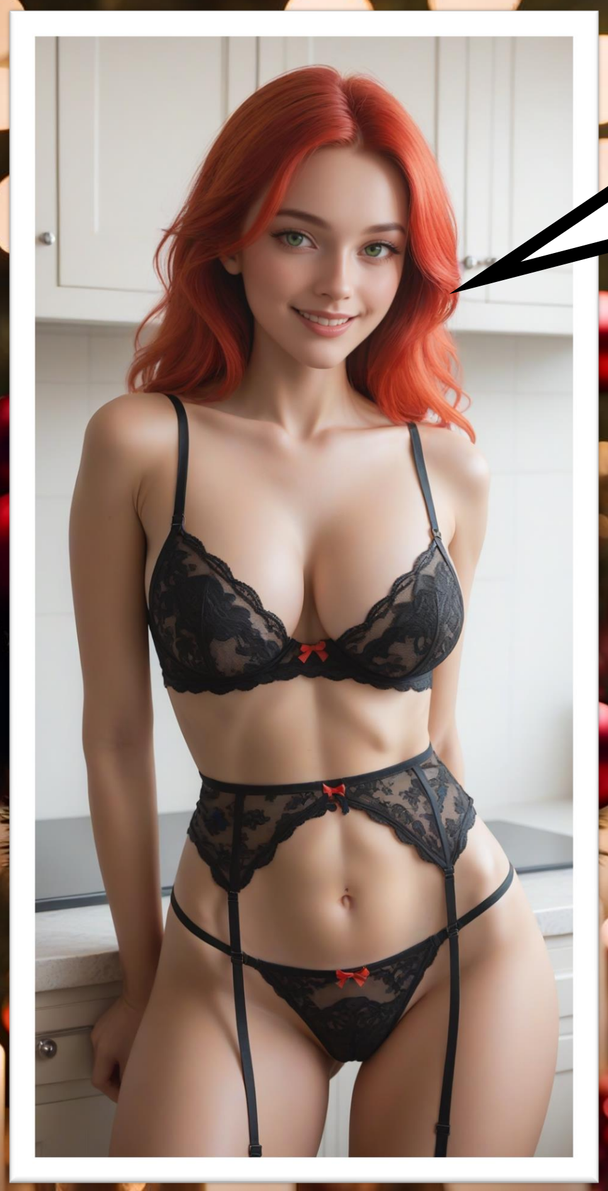

As I erupt in her mouth, she doesn't flinch or show any sign of disgust. Just those beautiful green eyes... maybe with a hint of... happiness?

NEXT

Thank you for cumming in my mouth, Master.
NEXT

It's 2:10 PM now. I hope I was a good BJ alarm clock, Master.
NEXT

Dinner should be ready in 10.
NEXT

I hope everything is to your liking, Master.

Wow! Nicole usually does not cook. I mean real cooking. But she had outdone herself here with a real lavish Christmas dinner.

NEXT

And indeed, everything was to my liking!

After enjoying the best meal I ever enjoyed at home, I approach my girlfriend in the kitchen.

NEXT

Is there something you need?

I'm almost done with the dishes, master,

NEXT

Hell yeah, there was! I embrace her and slowly start to take off the little clothing she has on.

Moan

NEXT

Oh, Master.
NEXT

With Nicole's panties pulled down I move behind her and easily insert my cock.

Mhhh... You feel so big inside of me.

NEXT

Moan
NEXT

Groan

Yes!
You fuck me so well, Master!

NEXT

Obviously taking her there in the kitchen was only the start.

NEXT

Moan

We literally fucked in every room of our flat that day!

NEXT

I bent her over the dining table and took her from behind...

I'm cumming, Master!

Moan

NEXT

I had her ride me ON the dining table.

Oh, Master!

NEXT

And obviously we had amazing sex in the bedroom!

Please, Master. Can I put it in again?

NEXT

Rub it against my clit? Yes, Master!

NEXT

I love making you happy...
NEXT

OH,
Master!
Moan
NEXT

Wow! What a day!

Exhausted but happy I stand in the bedroom.

Nicole already went to sleep, my love juice still trickling out of her... She'll have to change the sheets tomorrow...

NEXT

Having Nicole like this... at my full disposal... it definitely has its advantages... but I wonder... do I miss her feisty attitude... and well... Her true self?

Ah, whatever! I'll leave her like this for the weekend and then decide how to proceed with this relationship. But I really gotta sleep now. There's lots of fucking ahead tomorrow and the days to cum!

The End

I take out the small red rubber nose from my pockets and show it to Nicole in my hand and tell her I've got something way better...

I've got something far better!

Huh?

What do you mean you got something better?

NEXT

I try explaining with words, but Nicole does not believe me...

A clown's nose?

Is this some kind of stupid joke?

Keep the nose but share the power

Hand her the nose to experiment

I tell her I'll prove it to her.

Keep the nose but share the power

Follow me.

Has he gone mad?

NEXT

Reluctantly Nicole follows me out of our flat as I lead her to our neighbor's door.

Knock

Knock

NEXT

This is our neighbor... She's keeping us up lots of nights playing music way to loud... In one sentence: **We don't like her!**

Da fuck do you want?

Guess the feeling is mutual...

NEXT

Seriously?

NEXT

One application of the nose later the situation looks like this...

No way...

NEXT

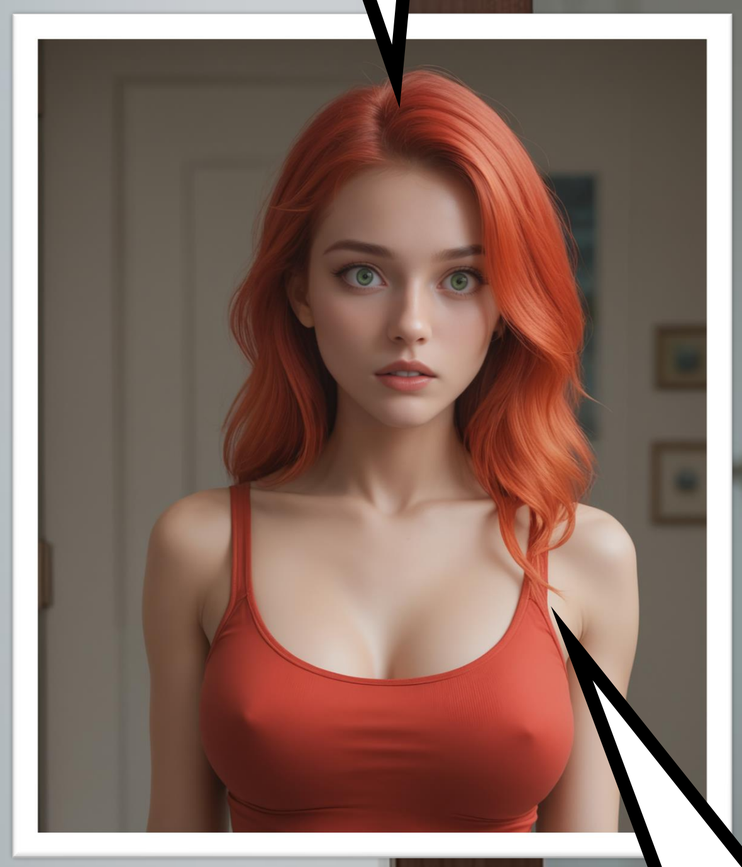

Why don't you invite us inside, Zoey?

Please come inside.

NEXT

We follow Zoey into her flat and I have her kneel.

This can't be real... You paid her off. She's playing along. RIGHT?

... Make her blow you.

chuckle What else should I make her do so you'll believe me?

Wait... **what?** For real?

NEXT

I've never seen that side of her... but my girlfriend was serious... so... I went with her suggestion.

Give me a blowjob.

I'll give you a blowjob.

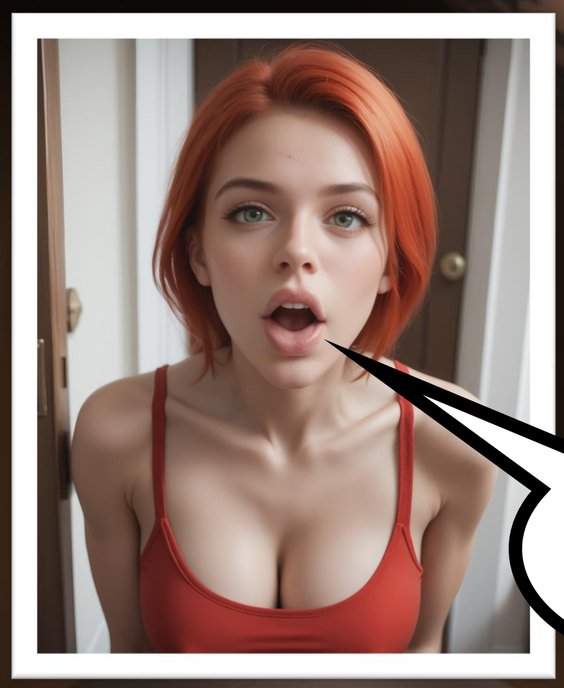

NEXT

No sign of hesitation. Zoey embraces my cock in her mouth and starts sucking.

suck

suck

suck

Holy cow!

And she'll do anything we want?

Yup!

NEXT

Ha-ha-ha! Stupid slut!

Keeping us up all night with your shitty music?

Know your place, bitch!

On your knees! *chuckle*

Wow! I really did not know my girlfriend could be so nasty... But hey, I'm not complaining here.

GAK

NEXT

It does not take me long to reach orgasm due to the strangeness and novelty of this situation. My girlfriend watching me getting a blowjob from the neighbor woman? It's crazy... crazily hot!

squirt

NEXT

I keep my cock a little longer inside Zoey's mouth enjoying the after-orgasm sensation of her tongue on my tip.

slurp

Make her do me next.

NEXT

Seriously?

drip

Duh!
I wanna have some fun here too.

NEXT

Nicole was dead serious...

Go on!
Lick my pussy you stupid cunt.

I'll lick your pussy.

NEXT

And that's how I ended up watching my girlfriend getting eaten out by our noisy neighbor... guess she's a noisy eater as well. *chuckle*

slurp

NEXT

Oh yeah!
Get your tongue deep in there, bitch!

lick
lick
lick

NEXT

Oh fuck!
I'm cumming
on your face,
bitch!

NEXT

A bit later, after Nicole dressed up again.

That was fricking amazing!

Can we keep her?

Uhhh...

NEXT

Days later

NEXT

Well... turns out we did not only keep Zoey as our little neighborhood pet...

This is Ally, a co-worker of Nicole from the bar... She's now our maid...

Welcome home, Master.

NEXT

She cooks, cleans and keeps the flat fresh.

Also, she takes over some of Nicole's shifts at work, so my girlfriend and I now have a lot more free-time at our disposal.

NEXT

Ally's a very dedicated worker, and ever since we have her the flat is spotless.

NEXT

NEXT

Oh yeah, she's also a great fuck!

Mhhh..
You feel so big inside of me, Master.

NEXT

fap
fap
fap
moan
NEXT

Oh, hey babe.
Wanna watch?

She's also a really good pussy licker... at least that's what my girlfriend says.

lick
lick

NEXT

All in all, life has taken a turn for the better.

moan

NEXT

And it's all thanks to this red little gimmick I got at that Christmas party. *chuckle*

moan

NEXT

Who would have thought such a small gizmo could hold so much power over people...

lick

NEXT

Coming to bed babe?
NEXT

I'm sure Nicole and I are set for an interesting road of adventure!

Sleep tight. Tomorrow, I'd like you to meet Jessica. She'd make for a great addition! *wink*

The End

I hand Nicole the nose so she can inspect it.

Hand her the nose to experiment

I know it sounds crazy. I did not want to believe it first either.

But it's the real deal. I swear!

NEXT

Where is he going with this nonsense?

I first did not realize what it could do when Sayo fell under at the party.

But she went totally crazy cause I told her to be funnier.

NEXT

And then there was Julie...

Mhm...
So, what? You just put it on and anybody looking at your face falls into a trance?

NEXT

Jup! Just like that.

I was thinking we might pay our neighbor a visit...

NEXT

Make her shut up with that loud music she's always playing...

Oh... you are putting it on right now...

NEXT

I was not expecting Nicole to put it on just like that... I mean... It's not gonna work on... me, right?... It's my nose after all... right?

So... How do I look, babe? *giggle*

I love... I don't ... I mean... can you...

NEXT

What's wrong, babe?

Are you falling into a deep hypnotic trance? *giggle*

I... wai...

NEXT

I'm falling into a deep hypnotic trance...

NEXT

Err... Babe?
Are you okay?
Should I
be okay?
NEXT

I know what this is! Aww! That's so cute!

It's roleplay!

Is this an early Christmas present?

NEXT

Awesome!
Oh. Right!
Staying in role!
Sorry!
NEXT

Erm Erm... Okay... From now on you'll call me Mistress.

Do you understand?

I understand, Mistress.

NEXT

Fuck that's hot!

He could have come up with something better than a clown's nose though...

You will do anything I say from now on. **Without hesitation!**

And you'll love pleasing me.

You are my slave now.

I am your slave, Mistress.

NEXT

Mistress takes off the nose and I feel the fog lifting off my mind.

NEXT

What just happened? Did she use the nose on me?

Alright.
Follow me to the sofa, slave boy.
giggle

Yes, Mistress.

NEXT

It doesn't matter. If Mistress wants to use the nose on me it's her right to do so after all.

I thought he did not like my dom fetish.

This roleplay is really a great present, babe!

So, I sit down on the sofa and wait for Mistress who's looking at me mischievously.

NEXT

Now...
You will go
down on me.

NEXT

I patiently wait for Mistress to remove her pants...

Yes, Mistress. I will go down on you.

NEXT

Lick away,
slave boy.
NEXT

Mistress does not need to tell me twice. I dig in with pleasure and soon can taste her sweet nectar on my tongue.

Damn! This feels good!

lick

lick

lick

NEXT

A bit higher.

lick

lick

lick

NEXT

Yes!
That's the spot.
Keep doing that, slave boy!
moan
lick
lick
lick
NEXT

I can feel Mistress' pussy twitching and juicing up...

moan

Oh, yes.
I'm... I'm...

NEXT

I'm... I'm cumming!

moan

Before she explodes in a huge orgasm – squirting all over my face! I don't think Mistress ever squirted this much before...

NEXT

A little later...

That was awesome, babe.

Best present ever!!

What do you mean, Mistress?

NEXT

No way!
NEXT

Do I get the whole weekend?
You can have whatever you want, Mistress.
NEXT

Oh my god, this is awesome!

NEXT

Alright. Let's see how far you are willing to go with this.

giggle

NEXT

It's already late...
Why don't you do the dishes real quick before we go to bed.
And tomorrow I'm gonna make you clean the rest of the flat. NAKED!
As you wish, Mistress.
NEXT

I stand up and go into the kitchen to do my duty. Mistress chuckles somewhere behind me... I'm glad she's having so much fun. I love bringing her pleasure", I think to myself as I savour the remainder of her love juice in my mouth.

NEXT

Some time and lots of cleaned dishes later...

After my work in the kitchen is done, I join Mistress in the bedroom.

It is done, mistress.

giggle
Good boy!

NEXT

Why don't you eat me out one more time before we go to bed?
Yes, Mistress.
NEXT

Immediately I drop between her legs and start caressing her pussy with my tongue.

Oh, wow.
You are getting good at this.

lick

lick

NEXT

Yes!
That's the spot!

My tongue feels a bit sore and numb from before, but bringing my Mistress pleasure is the most important task and I can feel her twitching.

lick

lick

lick

NEXT

moan

CUMMING!

Soon my work is reworded as my mouth is flooded with a familiar taste – and I know I've done a good job.

NEXT

pant
pant

NEXT

That was amazing!
Come, lie next to me.
NEXT

That was the best thing ever!
Almost makes me wanna reward you.
NEXT

But gotta stay in role!

But it's late and I'm tired, slave boy.

NEXT

So, sleep for me now.

You'll need your strength.

You're mine for the whole weekend after all. *giggle*

NEXT

giggle

I try to answer Mistress. Telling her I'm at her service forever...

NEXT

Oh, my... You took that as a literal command?

But a sudden sleepiness washes over me. Never have I felt this tired!

NEXT

I can hear Mistress say a few words but they don't reach me anymore...

... Despite my best efforts, I can't help but drift off into a deep slumber.

I never knew you were so good at improv!

giggle

I wonder what mistress' plans for tomorrow are...

Zzzz

The End

I walk out of Stacey's office with a smile. I see my co-workers enjoy the Christmas party...

Back outside Power path.

Only moments ago, I had just been one of them... but now... with the nose in my pocket... I look at them differently...

NEXT

Whom would I go after next?

Sayo

Julie

Lucine

Just go home

I approach Julie who is standing in a corner of the room.

Julie

She looks quite sad...

NEXT

Oh, hey Rudy.

Don't mind me.

It's nothing. *sniff*

NEXT

I don't really care what's up with her. There is only one thing I want right now!

I tried flirting with Marco but...

NEXT

So, I put on the nose...

sniff *giggle*
Are you trying to cheer me up, Rudy?

NEXT

I don't answer her. I just keep eye contact and watch her eyes slowly turn vacant.

Uhhh... is it...

Glow...ing...

NEXT

Until Julie has fallen into a trance.

Dry your tears and follow me to my office, Julie.

I will follow you to your office.

NEXT

I lead Julie into my office where she stands at attention, staring blankly ahead... Waiting for further instructions.
Nice!

Strip naked for me, Julie.

NEXT

I will strip naked for you.

NEXT

No hesitation, no shame. Except for her Christmas hat, Julie quickly takes all her clothes off... and waits for me to command her further.

NEXT

Now how did I want her?

Blowjob!

Hop on the table!

Blowjob

Suck my cock!

Yes, I will suck your cock.

Julie drops to her knees in front of me as I unzip my pants – She's looking up to me with a vapid expression.

NEXT

As I sit down on a chair, Julie takes my cock in her hand and wraps her lip around my tip.

NEXT

Now, I have to admit. I had more enthusiastic blowjobs in my life.

NEXT

But the monotone way Julie bobbed her head up and down on my cock was actually very easy to sync with.

NEXT

It felt really good! And those empty eyes... Man, I could watch her do this for hours! *Chuckle*

NEXT

But my cock won't last that long. In fact, I'm about to shoot!

How to cum?

In her mouth

On her tongue

On her face

I “decide” to not do anything and just let it happen.

Inside mouth

And so, after a few more bobs of Julie’s head, I explode inside her mouth.

NEXT

My cum drips down my shaft as Julie continues to suck me off...

Like a robot, she continues... I guess... she'll keep sucking until I tell her to stop...

NEXT

That's enough Julie.
Stop sucking and lick me clean.
NEXT

Julie does as instructed and soon I can put my pants back on while Julie keeps kneeling empty-minded before me.

Good girl!

Show me the cum.

NEXT

Following my instructions my cute coworker opens her mouth and shows me its contents. *chuckle*

Ahhhh

Very good, Julie.

Now gulp it down.

NEXT

I watch Julie intensely as she throws back her head and clearly downs my load with an audible “gulp”.

GULP

Next

I tell Julie the plan and plop my cock out of her mouth.

On her tongue

Yes, please cum on my tongue.

NEXT

Obediently she opens her mouth – tongue out.

Ahhhh

With a few final strokes, I get myself over the edge and aim at Julie's mouth.

NEXT

And I paste her tongue in creamy white.

squirt

NEXT

I savour the view as I look down on Julie. Empty eyes staring back at me, mouth open - cum dripping off her tongue. **Beautiful!**

Alright. Now gulp it down.

drip

NEXT

Good girl.

You can stand up again, Julie.

GULP

Next

I tell Julie the plan and plop my cock out of her mouth at the last moment.

On her face

Yes, please cum on my face.

NEXT

I cover my cute coworker in my love juice...

NEXT

Those beautiful empty eyes staring up to me as my cum drips down her chin. **Marvellous!**

NEXT

I enjoy the view a little longer before telling her to clean it off and stand up again.

Yes, I'll stand up.

Next

sex

Okay. On the desk.

Wet and ready.

Position yourself close to the edge.

NEXT

Now get on your back.
Okay.
NEXT

Good girl!
Are you ready for my cock?
I am ready.
NEXT

Carefully I insert my cock into Julie's pussy, and it goes in without resistance. Julie's wet as fuck!

inseert

NEXT

I start moving my hips as Julie just rests there staring blankly ahead.

NEXT

Now that was a bit one-sided...

Move your hips, Julie!

Fuck me back.

Okay.

I'll fuck you back.

NEXT

And with that, Julie starts to move accordingly...

NEXT

Well... I guess I could have told her to fuck me more passionately...

Talk dirty to me, Julie!

Okay.

NEXT

Oh, yes...
You fuck me sooo well...
NEXT

Your cock is so big.
NEXT

Fuck me harder.
NEXT

Oh... I'm so close...
NEXT

Okay... she still was more like an automaton sex doll with her monotone voice and empty eyes...

I love your dick...

NEXT

But... that too had some sort of appeal... and I was approaching my limit...

Where to cum?

Inside

Outside

I'm sure the slut was on birth control... and I didn't care about possible consequences at that moment... so I released my heavy load deep inside Julie's love tunnel.
And it felt amazing!

inside

Oh, yes.

Fill me up.

NEXT

You came so much...
NEXT

I enjoyed the after-orgasmic feeling a bit longer before removing my cock from Julie's tight folds...

What a load...

NEXT

But Julie was still going on... I guess she'd go on indefinitely talking "dirty" like this...

I love your sticky cum...

Julie... shut up!

NEXT

I instruct Julie to deal with the mess while I put my pants back on.

...

Now, clean up and stand up again.

Next

I pull out and shoot my load over all over Julie's stomach.

outside

What a load...

squirt

NEXT

You came soo much...
NEXT

I enjoy the view of Julie's used appearance a bit longer as the girl keeps going on in her most monotonous voice.

I love your cum on my skin...

NEXT

I guess she'd go on talking "dirty" indefinitely if left to her own devices...
Sooo sticky...
Julie... shut up!
NEXT

Now clean up this mess and await further instructions.
Okay.
Next

Stand up

Now, get dressed, Julie.

I'll get dressed.

NEXT

You'll forget what just happened.

But you'll always be available to me for a quick office fling.

Forget...

I'll be your office fling...

With that, I leave Julie behind and go back to the decorated meeting room. Julie soon follows with a confused expression. She clearly has no clue why she was back in my office. ***chuckle***

Next

Lucine

Hey, Lucine.

Hey, Rudy. Enjoying the party?

Actually... Yes. Yes I am!

NEXT

That's good to hear. I feared Stacey's stupid nose joke might bring you down.

Oh, about that nose...

NEXT

It's actually not that bad after all.

chuckle You are really putting it on?

NEXT

Uhh... I mean... err...

Is it... glow...

NEXT

Why don't you follow me to your office, Lucine? I've got something to tell you in private.

I will follow you to my office.

NEXT

Lucine follows me to her office and stands before me in that damn sexy Christmas outfit... staring blankly ahead... waiting for my next command...

NEXT

Darn... she's hot!
I gotta admit I've spent some thoughts on her in the past... I mean... look at that cleavage!
But of course, it was always only a fantasy... but now... the real thing was in reach!

What to do with Lucine?

Boobjob

Take her up the butt!

Lucine takes off her dress, revealing her humongous natural tiddies to my viewing pleasure.

boobjob

Strip naked... Okay.

Damn! Just look at those giant stress relief balls!

NEXT

She drops to her knees and starts to unzip my pants. **This is really happening!** I'm already hard in anticipation!

Pleasure you... with my tits... Okay.

NEXT

Lucine takes my cock between her breasts and squishes them together. So soft!
NEXT

Lucine starts to move her breasts as instructed... but it soon starts to feel uncomfortable...

NEXT

Lube up my dick... and your tits. Spit on them!

Okay...

NEXT

Lucine starts to drool and I can feel her wet saliva drip on my tip and run down my shaft.

NEXT

Lucine emptily looking into nothingness while drooling on my cock is a sight to behold!

NEXT

And there we go!
As Lucine's breasts are generously lubed up with her own saliva she resumes the breast job.

NEXT

And it feels heavenly!

NEXT

Soon I can feel the pressure in my balls rising...

NEXT

And I just let loose, spraying my load all over those magnificent pleasure hills!

squirt

NEXT

Wow!
I came a lot! I almost turned those pleasure hills into glaciers!
chuckle

Stand up.

Okay.

NEXT

I inspect my work a bit longer as I enjoy the after-orgasmic bliss.

Phew!
That was awesome Lucine!

NEXT

I put my pants back on, telling Lucine to clean herself up.

Now clean up.

Okay.

Next

Lucine takes off her dress, revealing her humongous natural tiddies and that big ass to my viewing pleasure.

anal

Strip naked... Okay.

Damn! Just look at that big bubbly booty!

NEXT

Lucine does as commanded and bends over the office table, giving me free access to her delicious round curves.

Bend over.

Okay.

NEXT

Damn... that butt... that delicious ass! Fuck, Lucine really got it all!

NEXT

I place my hands on Lucine's ass cheeks and give them a good squeeze.

grope

squeeze

NEXT

Darn, that feels nice! I know what I want from her!

Kneel down!

NEXT

Lucine does as commanded, looking up to me with her empty eyes.

NEXT

I unzip my pants, place my cock in front of her face and tell her to suck it.

Okay.

NEXT

Make it really sloppy!

Lube it up really well!

slurp

NEXT

Cause for what comes next we need extra slippery!

That's it! Okay, stand back up and bend over again!

NEXT

And here we go!

I'm gonna fuck you in the ass now.

NEXT

Carefully I guide my cock into Lucine's brown hole.

Fuck me in the ass? Okay.

It's really tight! But she did a good job lubing up my cock and soon I've nicely wiggled it into her bum!

NEXT

Slowly I start moving my hips and command Lucine to moan in pleasure.

Mhhh...

NEXT

Lucine's voice still is kind of monotone... But hey. I'm fucking my bootylicious busty MILF of a coworker in the ass! **This is Awesome!**

Oh, yes...

NEXT

I reach for a nearby chair, pilling it closer and carefully sit down while commanding Lucine to take over.

Ride you with my bum? Okay.

NEXT

Lucine does an amazing job, slamming those cheeks against my hips.

moan

tap tap tap

NEXT

I fully enjoy Lucine's tight hole as my busty coworker bounces up and down in my lap.

moan

NEXT

This is insane!
moan
fap
fap
fap
NEXT

A fantasy come true!

NEXT

Speaking of cum, I'm close to my breaking point.

Beg me to cum in your ass!

NEXT

Oh, fuck yeah!
Please cum in my ass, Rudolf.
NEXT

That's it! I release my load deep inside Lucine's bum hole!

moan

NEXT

Holy shit!
"I just fuck my co-worker in the ass. All thanks to a tiny red nose!", I think to myself as I watch my cum ooze out of Lucine's behind.

Okay.
You can stand up again, Lucine.
Slowly!

NEXT

Yes. I'll slowly stand up.

NEXT

Lucine slowly stands up – sliding off my cock in the process – my cum dripping out of her brown hole.

NEXT

Alright.
Clean yourself up, Lucine, we are done here.
Clean myself up. Okay.
Next

Finish up

Get dressed.

You will forget about what we just did.

I'll get dressed...

Forget...

NEXT

I wasn't completely sure whether I'd go through with it, but it's always good to keep open a... back door. *chuckle*

Very attracted to you...

Start an affair with you.

But you'll be very attracted to me

And when I ask, you'll eagerly start an affair with me.

With that, I take off the nose, leave Lucine behind in her office and go back to the party. Lucine comes out a minute later, with a confused look on her face – not knowing why she's been back in her office. *chuckle*

Next

Sayo

I approach Sayo, who greets me with a joke...

Oh, hey Rudy!

I sold my vacuum the other day.

Get it?! *hihihihihi*

All it was doing was collecting dust!

NEXT

Without answering her I put on the nose and look Sayo in the eyes.

Oh, that nose is so funny, Rudy!

Maybe I should get one myself!

Oh... is... it...

NEXT

I wait for her to fall into a deep hypnotic trance...

Glowing?

NEXT

Don't try so hard to be funny anymore. When you wake up again you'll be back to your old self.

Not funny... Old self..

NEXT

But for now, follow me to the bathroom!

Follow you to the bathroom.

NEXT

Sayo follows me obediently and I check whether the bathroom is empty. It indeed is, and I lock up behind us.

NEXT

Strip!
But leave the wings and halo on.

Strip... okay.

NEXT

Robotically Sayo takes off her dress and underwear until she stands before me in her birthday suit... plus add-ons. *Chuckle*

Sayo is very beautiful... how do I want to enjoy her lean body?

Handjob

Let's fuck!

Handjob

Sayo has such delicate hands. I want to feel them on my cock!...

Use your hands to get me off.

NEXT

Sayo complies with my demand, drops to her knees before me on the bathroom floor, and takes my already rock-hard cock in her hand.

Okay.

stroke

NEXT

The rhythmic, almost robotic, motion Sayo displays feels amazing.
NEXT

And Sayo looks incredibly hot with her wings and halo on...

NEXT

While wanking me off!

NEXT

I can feel the pressure in my balls rising.

Just cum!

Blowjob!

I decide it's time to cum and tell Sayo to aim my cock at her face for the grand finale.

cum

Wank you off on my face. Okay.

NEXT

"Robot" Sayo increases her speed...

Please cum on my face.

NEXT

And it does not take long! I shoot my load all over her pretty face!

squirt

NEXT

Most of my load has made it to her face, but some landed on her tits as well... and more was joining it – dripping down her chin.

NEXT

What a beautiful sight to behold.

Alright. Clean yourself up Sayo.

NEXT

Clean myself... okay.

And get dressed again.

Next

Now while I could definitely cum to Sayo's hand administration, I decided I wanted more!

blowjob

Take me in your mouth. Suck me off!

Suck you off. Okay.

NEXT

Slowly, Sayo wraps her lips around my cock. **Oh, the anticipation!**

NEXT

And soon her warm and moist mouth welcomes my cock!

suckle

NEXT

It feels amazing as Sayo's delicate head glides up and down my shaft.
NEXT

And I know, I won't hold out much longer.

drool

NEXT

Make me cum on your face, Sayo!
Cum on my face? Okay.
slurp
NEXT

Sayo plops my cock out of her mouth and strokes me off aiming my cock at her face.

Please cum on my face.

Next

I wasn't sure whether this would work, but it was worth a try.

sex

Sayo, I want your pussy to get really wet.

Wet pussy. Okay.

NEXT

And holy shit, did it work. Sayo lubricated down there almost instantly. So much in fact that her pussy juice started dripping down her thighs!

I'll lay down on the floor and you'll ride my cock.

Ride your cock. Okay.

NEXT

I get down, and Sayo moves above me ready to lower herself on my cock.

NEXT

Oh, wow!
insert
NEXT

With Sayo's costume's wings flopping up and down with every movement of her hips...

NEXT

It looked like an angel was riding me!
NEXT

A rather absent-minded angel...

NEXT

But still damn hot!
As I feel the point of no return approaching I contemplate how I want to cum...

Inside!

On her face!

On her face.

Make you cum on my face? Okay.

NEXT

Sayo detaches from my cock and gets down on her knees while I rise – my cock close to bursting as Sayo starts to wank my cock.

Please cum on my face.

Next

inside
I'm on birth control. 2
Note: She will tell you anything if you ask her like that while in a trance!
1 Please tell me you are on birth control.
NEXT

You'll cum inside now? Okay.

NEXT

Twitching, my cock starts spurting its load... It feels heavenly!

NEXT

Sayo does not react at all to my intense orgasm and just keeps staring blankly ahead as I empty my balls inside of her.

NEXT

Once the post-orgasmic daze leaves my mind, I tell Sayo to get up.

Okay. I will stand up.

NEXT

She slides off my cock and gets up obediently – giving me a great view of my done work – a pussy overflowing with my juices – cum dripping down her legs.

NEXT

I get up as well and look for my trousers while giving Sayo some final instructions...

Clean yourself up and dress up again.

Clean up. Get dressed. Okay.

Next

finish

Alright.
I'll leave first.
Once I'm gone
you'll forget what
we just did in
here.

Forget...

NEXT

And with that, I leave Sayo behind in the bathroom and join the others back in the party room.

Sayo leaves the bathroom about a minute later with a confused expression on her face – most likely asking herself what she had been doing in the bathroom.

Next

Tomorrow is another day and after the weekend comes a new week. There will be enough time to try out the various dirty fantasies piling up in my mind. But right now, I'm tired and I need to regenerate. So, I decide to leave the party and head home...

Just go home

The first rays of sunlight can already be seen as the night gave way to day... I guess the party turned out better than thought. *chuckle*

NEXT

I enter my flat and I feel really tired. All I wanna do is fall into my bed... but that's when a voice addresses.

Ah, you are home!

Oh, you are still up?

NEXT

It's Nicole. My girlfriend for a year now.

She's an incredibly beautiful redhead and she can be very nice...

But she also has a temper...

Nicole

Urgh. Christmas shifts are the worst! Everybody pretends to be cheery...

...and after the seventh beer they get whiney anyway.

You know I had a late night shift at the bar!

NEXT

We could really use a new dishwasher!

But enough about me. How did it go?

Did you get that raise?

Yes, babe. I got it!

Oh, I got something far better.

That's no way to talk to your lord and master!

I take out the small red rubber nose from my pockets and show it to Nicole in my hand. With a smile on my face and tell her I've got something way better...

I've got something far better!

Huh?

What do you mean you got something better?

NEXT

I try explaining with words, but Nicole does not believe me... (Obviously, I leave out my sexcapades at the office!)

A clown's nose?

Is this some kind of stupid joke?

Obviously, I was not gonna let go of the object that gave me all this power over people... But I was willing to share with my girlfriend... If she's not up to the task I'll just use it on her and make her forget...

Keep the nose but share the power

I find myself outside of Stacey's office.
As I walk back into he decorated meeting room where the party is still going strong I think about the nose...

Back outside Responsibility path.

No one should have that kinda power over another person... I played with the thought of throwing it away... **But then somebody else might find it!** It's better off in my hands...or on my nose? - right? God, forbid it falling into the wrong hands!

NEXT

But... just maybe... there was a reason behind me getting my hands on the nose? Maybe some power in the universe wanted me to use it? To... help the people around me? **That must be it!** From now on, I swear I'll not use the nose for personal gain! I will only use it to help others!

As I'm almost lost in thought I can see Julie walk by and into a corner of the room...

NEXT

She has tears in her eyes
and clearly, she is sad.
Maybe I can cheer her up?
Maybe **The Nose** is needed?

NEXT

I approach the sobbing girl...

Hey, Julie.
What happened?

It's fine. But you look like you could use somebody to talk.

Oh, Rudy...
sob

Sorry... I'm ruining the party... I did not want to cry...

NEXT

sniff It's... It's just Marco. I...

I tried flirting with him... *sob*

But he did not even realize...

It's like he does not even see me as a woman! *cry**sob*

NEXT

Yeah... Marco does not date at work. Which is a good thing!

You know how many women he goes through in a month...

sob

sob

sniff

NEXT

Many women...
And I'm not even one of them!
sob
You sure you are interested in a guy like that?
I mean, I like to work with him. But he's not really boyfriend material.
NEXT

Okay... she's crazy... Guess that's what love does to us...

But I love him! sob

How can I help the poor girl?

Nose: Make her forget those feelings

Nose: Make Marco love her

Advice: Directly ask him for a fuck then ignore him.

Just listen to her and console her

Console Julie

Okay... I get it. We can't decide whom we fall in love with...

I faced unrequited love myself a few times...

NEXT

And... *sniff*...
how...

How did you
deal with it?

NEXT

Well... you will not want to hear it...

But... **time.** Time makes the pain go away.

And someday you'll find somebody who loves you back.

NEXT

You think so? *sob*

I'm certain of it!

Someday you'll find that special someone.

NEXT

Julie dries her tears. It seems my harsh words were exactly what she needed to hear.

Thank you, Rudy.

For listening to me. And for the advice.

Anytime Julie. Now enjoy the party. You did such great work. It would be a pity if you missed all the fun.

NEXT

Oh, a compliment can go a long way. Me valuing her work for the party even puts a smile back on Julie's face.

giggle
Thanks!

With the good feeling of having cheered up Julie, I look around the room and mingle back into the crowd.

Next

Tell her to fuck Marco

You really wanna impress him that badly?

Yes!

NEXT

To leave a mark on a guy like him...

Nah... it's too stupid.

Tell me!
sob

NEXT

Well... a guy like Marco only understands one language... sex.

Not love-making, but raw physical action.

If you told him to just fuck, I doubt he could resist.

And afterward you drop him like he's nothing...

I think that's the only way to make him feel something...

NEXT

But that's not what I want!
NEXT

Yeah... sorry. I said it was a stupid idea.

I thought it could get you over him...

Sorry. Please forget I said anything.

NEXT

No... I guess it would. But that's just not me...

I wish I could just do something like that though. *chuckle*

You do?!?

NEXT

Yeah. It really would show him! *giggle*

It was a bit weird...

But, thanks for cheering me up.

NEXT

So... Julie's feeling too insecure to deal with her problem... but she'd really like to resolve it...

Nose: Help her go through with the plan

Leave it at that

I content myself with having cheered up Julie at least a little. Her problem's not solved, but time will heal her wounds. It's just the natural way. These kinds of love things have to work themselves out.

Leave it at that

I tell Julie to try and enjoy the party she worked so much for and mingle back with the others.

Next

This is it!
She needs help!
She needs: **The Nose!**

Make her fuck Marco

giggle
That stupid thing?

It's fine Rudy. I promise I won't cry anymore.

NEXT

Hey...
Rudy... Is it
just... me...

NEXT

Or is... your nose...

NEXT

glow...ing...
NEXT

The nose works without a hitch and Julie falls into a trance before me. Time to help her get over Marco.

Julie. Listen closely. You are going through with the plan.

I'll listen closely...

NEXT

I will offer Marco sex without attachment.

And then ignore him for good and move on.

NEXT

I take off the nose again and wait for Julie to regain focus.

Uhh...

Are you okay Julie?

NEXT

Oh, yes. All is fine, Rudy. Thanks.

Now... if you'll excuse me.

There is something I need to do.

NEXT

Holding my breath in excitement I watch Julie walk away towards Marco...

I don't hear what they are saying but Julie seductively leans into him...

And only a little later she walks to the bathroom...

And Marco follows a minute later! Oh, you sneaky fuck birds! *chuckle*

NEXT

Now of course I can only speculate what is happening back there in the bathroom right now...

suck

suck

suck

NEXT

But I've got a pretty good imagination...

moan

NEXT

I'm sure both of them are having a pretty good time right now...

moar

Oh, fuck, Julie!

You are so tight.

NEXT

Okay I got a bit lost in thought there. Anyway, I'm just about to do something else when I see Julie walk back out of the bathroom... **Hm... that was fast.**

Everything alright Julie?

NEXT

Oh, yeah!
I am.

I'm so over
that loser!

He did not
even last three
minutes!

NEXT

Thanks for the advice, Rudy!

I don't know what I ever saw in that guy!

NEXT

And with that, Julie mingles back into the party. I just fixed her problem. She's happy again! **The nose is incredible!**

Let's party! Wooohoo!

I figuratively pat myself on the shoulder and continue to enjoy the party now after the nose's first good deed.

Next

Surely a steady girlfriend would do Marco good... And Julie is a nice girl not that much younger than him... **It's the perfect solution to make them both happy!**

Make Marco Love her.

Okay! I've made up my mind. I'll talk to him.

WHAT?! Noooo!

NEXT

Don't worry. All will be fine.

What will you tell him?

Trust me. Just trust me, Julie.

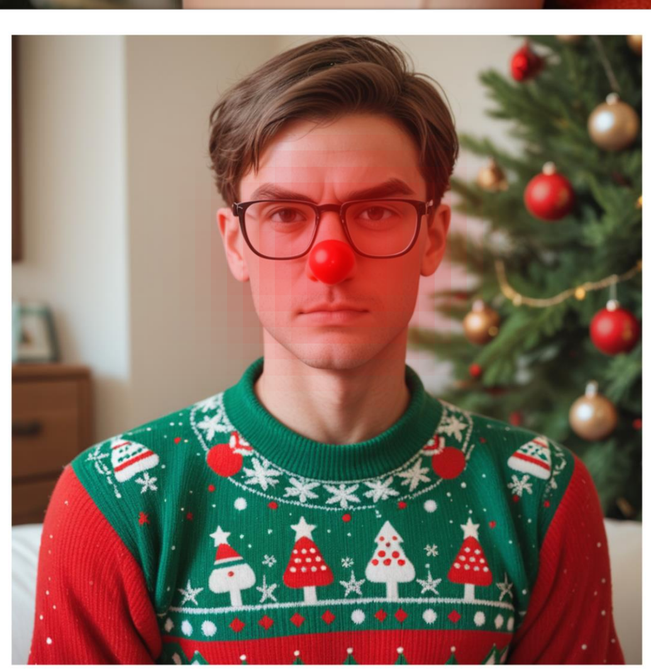

And with that I turn my back on the panicking girl and look for the target of her affection...

NEXT

And there he is... Marco.

Yo, Rudy what's up?

And why are you wearing that stupid nose?

NEXT

I don't say anything to him and just wait for Marco's eyes to glaze over.

Uhh... is that thing... glowing...

NEXT

You've had enough of being single.

You want to get a steady girlfriend.

And you are very infatuated with Julie.

Yes, with Julie. She's a nice girl! You always fancied her.

No more single...

Steady girlfriend...

With... Julie?

Julie's a nice girl. I've always fancied Julie.

NEXT

Having said what had to be said I remove the nose again and wait for Marco to return to normal.

Good talk, Rudy.

But I gotta go do something long overdue.

NEXT

I can see how anxious Julie is as she sees Marco approaching her...

And I can see how happy she is after only a few words. She's literally jumping out of joy. *chuckle*

Then they hug and kiss!

NEXT

A few minutes pass and Marco seems to be getting Julie a drink when she comes over to me.

O.M.G.!! I don't know what you told him, but thank you!

Thank you! Thank you! Thank you!

Without you, neither of us would have realized we've been into one another for so long!

You are welcome. *chuckle*

NEXT

The nose was incredible!

I felt a bit bad for tempering with Marco's feelings...

But I'm sure it's for the best and that the two of them have a happy life ahead of them.

Knowing I did something good I mingle back among the others.

Next

I know these feelings too well. Loves makes blind...
But there is no hope for Julie. Not with Marco.
And I know how hard it is to forget a crush...
But I'm sure **The Nose** can help!

Make her forget her feelings for Marco

giggle
That stupid thing?

It's fine Rudy. I promise I won't cry anymore.

NEXT

Hey...
Rudy... Is it
just... me...

NEXT

Or is... your nose...

NEXT

glow...ing...
NEXT

The nose works without a hitch and Julie falls into a trance before me. Time to help her forget.

Julie. Listen closely. You do not love Marco.

I... do not love Marco?

NEXT

No, Julie. You do not love him.
You never had feelings for him nor will you ever.
He is just a coworker.
I do not love Marco...
I never loved Marco...
Just a co-worker.
NEXT

I take off the nose again and wait for Julie to regain focus.

Uhh...

Are you okay Julie?

NEXT

Oh, yes. Sorry, what were we talking about?

And... why was I crying?

It's just your nerves. You did so much to make this party happen.

But it's a great party, Julie. You did an amazing job. **You should enjoy it too!**

NEXT

Mission successful!

Thanks!

And you are right!

Let's party!

Julie is happy and that's what counts! The nose can mess with people's minds but on my face, I can use it to help people!
And with that thought, I get back to partying.

Next

As I get myself something to drink I can hear Lucine and her husband James argue...

Continue: Lucine

Where were you really two nights ago?

This again, honey?

I was bowling with... Erik.

Last time you said you were playing Billard with Jake!

NEXT

When James leaves his wife behind fleeing somewhere else I approach Lucine.

Hey Lucine.

Oh... hey Rudy.

You... heard that?

NEXT

... Some...

What's going on with you two?

If it's okay for me to ask...

Well... I... don't really know...

NEXT

He's been out a few times, not telling me where he's been...

And when directly asking about it...

I just caught him lying about it.

I have to assume he's having an affair...

Oh no!

NEXT

You guys always were showcase marriage material...

Well... I guess... everything changes...

NEXT

What will you do now?

What can I do?

I still love him... but if it's like this...

Maybe I should start having an affair myself!

NEXT

Nah... that's not me... *sob*. I don't have the guts to go through with something like that...

Argh! At this point, I really just wanna show him how much it hurts! *sob*

What to do?

Nose: You should have your own affair!

Try to help: I'll talk to James, okay?

Advice: You need to confront him!

Talk it out

You need to confront him!

I just did... didn't I?

NEXT

No, no. You are speculating. You did not confront him with an affair.

What else can it be?!

I... I don't know, Lucine. But... jumping to conclusions is unfair as well.

NEXT

Dry your tears and tell him you suspect an affair and that you are this close to leaving him if he does not fess up.

If he still doesn't budge you know for sure.

NEXT

Sigh
You are right Rudy. I'm afraid of what I'll learn...
But I'll do it. Thanks Rudy!
NEXT

Lucine puts herself together and moves straight to confronting her husband. I stand a bit further away so I can't hear a lot... but it's quite the scene...

James Kalington!

James really looks frightened!

NEXT

A bit later Lucine returns to me.

Thank you, Rudy! All's good.

It was just a misunderstanding. *giggle*

Phew! It would have been a pity for those two to break up. They always were the perfect couple after all. I'm glad I could help. And I did not even need to use the nose here!

Next

Talk to James.

I'm gonna talk to James. Maybe he'll talk to me.

... If you think so... Please do.

NEXT

I make my way over to James.

Oh, hey Rudy. What's up?

NEXT

I tell James that his wife's worried and ask him what's up... but he's not very cooperative.

Stay out of it, Rudy.

What to do?

Nose: Make him tell you the truth.

Leave it at that.

Sometimes people can't be talked to. Sometimes they can't talk for reasons. But this was important to Lucine. This situation called for "**The Nose**"!

Make him tell you

What are you doing?!

NEXT

I wait for James' eyes to glaze over. Once he's in a trance I start asking for the truth.

Now, James. The truth. Where were you really 2 nights ago?

I was in Holsten – the neighbor town.

Why?

NEXT

To prepare a surprise party for Lucine for our 20-year anniversary in January.

NEXT

Holy... So that's why he's so secretive about it. It's a surprise... But still man... this could have gone way wrong!

I was asking her parents what locations she'd prefer...

NEXT

Knowing the truth, I take off the nose and return to Lucine.

And?

It's all good. He's not seeing another woman.

NEXT

You are sure?
Positive!
I'm not gonna tell you what it is.
But I promise it's nothing bad and he will tell you in time.
NEXT

Ah, it feels good helping people. Even if it's their own fault for miscommunication. Another good deed for **The Nose**!

OH, Thank you. Thank you, Rudy!

You are welcome!

Next

Whatever he is hiding, James clearly wants to keep it secret... suspicious... but it seems important to him... so I back off and return to Lucine.

Leave it at that

And?

I don't know... he's... very suspicious.

Nose: You should have your own affair!

You need to confront him yourself!

Affair

I think you are onto something with the affair. You should have one yourself.

But you'd like to show him, right? Show him how much it hurts

Oh... I... that was just a phrase... I'm not that kind of person...

I guess...

NEXT

Lucine knows what's the right action here, she's just too shy and bound by etiquette to follow her heart. This is a case for "**The Nose**"!

Rudy... what are you...

Hush, Lucine. Just look at the nose. Let it guide you.

NEXT

I don't under...

NEXT

Uhh...
Is that nose...
glowing?

NEXT

I wait for Lucine to fall into a deep hypnotic trance as she stares at the red nose on my face. Then I begin the work that has to be done here...

I know James is cheating on me.

I want to retaliate the same way.

Lucine, you know James is cheating on you.

You want to retaliate the same way.

NEXT

I'll find myself a nice guy and have an affair.

Only reasonable thing...

You'll find yourself a nice guy and have an affair.

It's the only reasonable thing to do here.

NEXT

Having said what had to be said, I take off the nose and wait for Lucine to wake up again.

Uhhh...

Are you okay, Lucine?

NEXT

Yes... Thank you, Rudy.

It feels like a veil has been lifted off my eyes.

I finally know what I have to do!

Nice! The nose really helped Lucine refocus here! Mission accomplished!

NEXT

So... what do you say, Rudy...

Wanna hit the bathroom with me?

Wait...
WHAT?!

NEXT

Why so surprised?

You are a nice guy and don't think I haven't noticed how you've stared at these here.

Lucine! I have a girlfriend!

NEXT

And I've got a husband. So, what?
I'm not asking you to marry me. Just some casual office sex.
What do you say?
Well, what do you say?
Decline her offer, you have a girlfriend!
Well... you helped start this...

Decline her offer

I thank Lucine for considering me, but I decline. I won't betray my girlfriend Nicole like that.

Your girlfriend is a lucky woman.

NEXT

I fear that the mood might get awkward, but Lucine's eyes wander off to her next target – Jeff - and she leaves me behind without another word...

I guess Jeff's a nice guy... But... wouldn't it be better for her to look for somebody outside of the workplace? Isn't she a bit to over-eager with this affair thing now? Have I done the right thing?... Well, she does look happier now... kinda...

Hey Jeff.
Jeff, wait up!

What do you say... us two... bathroom.

Next

Accept her offer

Well... in for a penny in for a pound. Lucine is right... I have ogled her giant tiddies at various occasions... and... I'm not really betraying my girlfriend here... I'm... I'm just helping a friend... **Yes, that's what this is!**

Great!
Let's go!

NEXT

And that's how only a short moment later I find myself in the company bathroom with my hot busty co-worker.

Let's get on with this affaif!

NEXT

Lucine undresses before me without a second thought. Damn, she looks nice!

What are you waiting for?

Off with those clothes!

NEXT

As I undress Lucine watches me intensely ... like a piece of meat...

Mhh.. Now that's a cock I can work with.

NEXT

But first, why don't you...
NEXT

Lucine's intentions are clear and I get on my knees in front of her and start licking.

lick

lick

lick

NEXT

I appreciate the compliment, but I wish she'd keep Nicole out of the equation... I don't really want to think about her right now...

I'm ready... and you look like you are too.

She's right. I'm rock hard and so I follow my busty co-worker into the shower.

insert

Lucine grabs my cock and guides it into her pussy. **It feels amazing!**

NEXT

I take her in various positions as we keep the shower running to overtune our moans...

moan

NEXT

Not sure if it's working...

moan

NEXT

I don't really know how I felt about her constant comparing me to James... but of one thing I was sure. Fucking an eager woman like that in the company bathroom while a party was going on outside... **Exhilarating!**

You are so much bigger than my husband.

NEXT

Oh, god yes.
Just like
that.
NEXT

moan
I'm cumming!
NEXT

I don't know how I did it but I managed to hold on without cumming before Lucine reached her orgasm!

Oh, wow. That was AMAZING!

I haven't cum this hard in a very long time.

NEXT

Lucine slides off my cock and kneels before me...

Now I want you to cum on my face!

NEXT

Lucine kisses the tip...
NEXT

Before grabbing my cock and wrapping her luscious lips around it!
NEXT

Then she starts sucking like a pro.
slurp
NEXT

And I mean it! Holy cow that woman can suck dick!

suck

suck

suck

NEXT

Aroused from an awesome fuck-session it only takes Lucine moments to drive me over the edge and I soon erupt in a huge load all over her beautiful face and tits.

squirt

NEXT

Oh, wow!
What a load!
NEXT

James never
came this much.
chuckle

NEXT

Thanks for helping me out.

Err. Yeah. Of course. Ehh... Thank you!

NEXT

I feel so much better already.
Knowing I gave that cheating bastard some of his own medicine. *chuckle*
NEXT

You should head out first.
I'll enjoy my revenge and your sticky cum on me a little longer.
NEXT

I take Lucine up on the offer, get dressed and leave the bathroom.

Had I done the right thing? Did I really use the nose for something good here?

I mean... It felt good... and I think Lucine feels better now...

But...with mixed feelings, I get back to the party.

Next

I enjoy the party for a little bit longer when I suddenly hear another bad joke behind me...

Continue Sayo

Why did the invisible man turn down the job offer?

He couldn't see himself doing it!

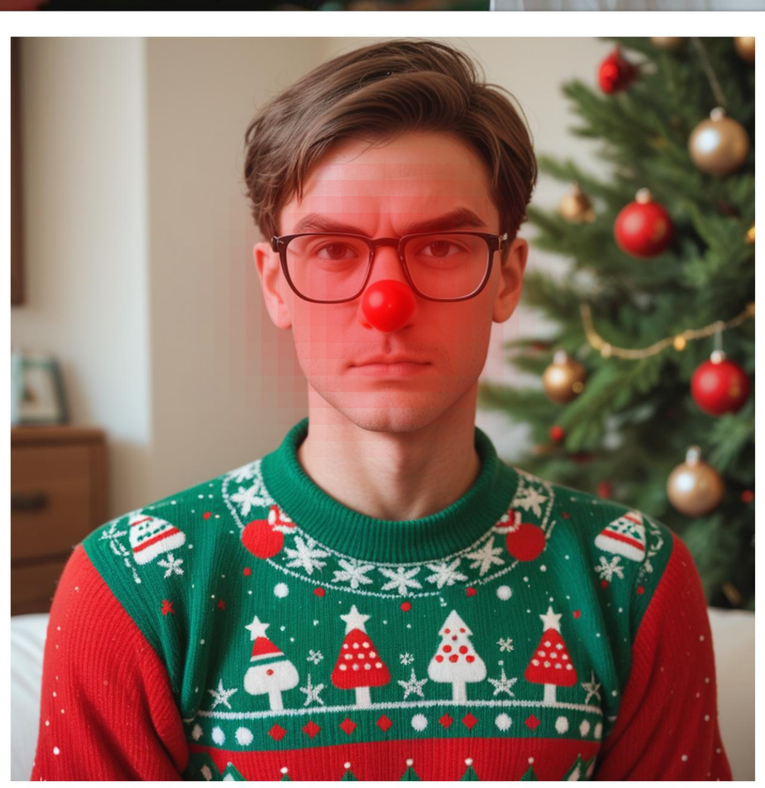

Oh, shit! I totally forgot about Sayo!

NEXT

Oh, boy. She's still telling bad jokes all over the place trying to be funny! Shit! Poor girl.

Oh, hey Rudy. Have you heard this one?

What do you call a person in a tree with a briefcase?

NEXT

Thankfully people seem to avoid Sayo right now due to her telling jokes like a machine gun... So, there is no problem with me putting on the nose.

A branch... manager...

NEXT

I wait for the nose to take effect, and soon Sayo's eyes go blank.

I feel... strange...

NEXT

Sayo, you don't need to be funny at all costs.

Be just like you were before the party started. Okay?

Okay...

NEXT

I hope this works. I take off the nose and wait for Sayo's eyes to return to normal.

Uuhhh...

Are you okay, Sayo?

NEXT

Hm?

Oh, yeah. Sorry!

I think I spaced out for a second.

Any more bad jokes to tell?

NEXT

Wha... Nrg... They really were bad, right?

I don't know what came over me!

It must be because I'm so nervous!

Why are you nervous? It's Christmas!

NEXT

Yeah... but work's not done...

I still got to do the shareholder's meeting for the Watson Project.

But everything's fine with the Watson project and you know everything about it...

NEXT

I know!

But I hate talking in front of so many people I don't know!

It makes me anxious!

God! I wish I was more outgoing... and confident...

Hmm...

Nose: Make Sayo more confident.

Offer to hold the meeting for her.

Encouragement: You can do it Sayo!

You can do it Sayo!

You can do it, Sayo!

You know the facts of this project better than anyone.

And you might not believe it yourself, but you are a charming talker!

Just be yourself and don't worry too much about it.

NEXT

You really think I'm good at talking, Rudy?

Duh! Of course, I do!

Your team presentations are always spot on.

NEXT

Thanks, Rudy!

Feeling better?

Still a bit anxious. But much better!

I can do this!

NEXT

Sometimes a few kind words can go a long way. I'm positive Sayo will have no problem at that meeting, and I think she can enjoy the party for real now.

And so do I!

Let's party!

Next

I've been involved in the Watson project a lot... so this should be a piece of cake... It's Christmas after all!

Hold the meeting for her

I... could hold the meeting for you...

You'd do that for me?!

NEXT

Sure!
My Christmas present to you.
chuckle

You are a lifesaver, Rudy!

Thank you!
Thank you!
Thank You!

NEXT

kiss

Sayo is so happy, she gives me a peck on the cheek. Weird. She usually avoids physical contact with me... Anyway, it feels good to help people I like, and I did not even need the nose to make this happen!

NEXT

I will have to spend a little time during the weekend on that presentation, but it should be no problem.

dance

Sayo is a lot more relaxed now and so we enjoy the rest of the party by talking and a bit of dancing.

Next

I thought Sayo had solved her self-confidence issues a long time ago. She never has trouble speaking in front of the teams... but I guess talking in front of strangers is different for her... This is a job for "**The Nose**"!

Make Sayo more confident

giggle
Are you trying to cheer me up, Rudy?

Is it working?

NEXT

Well, sorry,
but it looks so
ridiculous...

NEXT

I wait for Sayo's eyes to glaze over – a sign of her entering that nose-induced-trance.

I can't help... but ... uhhh... lau...

NEXT

Sayo! You are not anxious!

No! You are not anxious.

I... I'm not anxious?

I am not anxious.

NEXT

You are a very self-confident woman who knows what she wants.

Self-confident... know what I want...

NEXT

If you set your mind to something you know you'll succeed.

...know I'll succeed...

NEXT

I take the nose off again and wait for Sayo to return to normal...

Uhhh...

Are you feeling okay, Sayo?

NEXT

Never felt better in my life.

You know... Talking to you makes me... feel really good!

NEXT

As Sayo fiddles with her dress she reveals one of her breasts to me!

Woah!
Sayo... what are you...

I'm fed up with waiting.

I know what I want...

And that is you.

NEXT

It's always been you, Rudy.

But I never dared to speak up.

NEXT

But I'm tired of waiting!

Sayo! I have a girlfriend.

NEXT

I know!

But I don't care anymore.

Of course, I'd like you for myself...

But if I have to share you with another woman... that is okay.

NEXT

I'll be your **work wife!** What do you say Rudy?

What the... I never knew Sayo had such feelings for me. And now... the nose brought them up in the open... making her confident enough to speak them out loud...

Man... what do I do?

Nose: Make Sayo forget her feelings for you.

Decline her offer. You have a girlfriend!

Accept Sayo's proposal.

I'm sorry Sayo. I can not return your love.

It's best for you to forget those feelings.

Make Sayo forget.

What... what are you doing Rudy?

NEXT

The nose takes effect pretty fast. It feels bad changing a person's feelings... but it's for the best. I can not return Sayo's love for me and this will spare her the pain of rejection.

Sayo... You do not love me.

You do not love me.

No. You do not love me, Sayo.

I do n..nn.... No... I love you!

I... I... I... do not... love you?

I do not love you.

NEXT

We are just friends and colleagues. Nothing more.

You will forget confessing your love to me.

Just friends... Nothing more...

Forget.

NEXT

I take off the nose and once again wait for Sayo's trance to fade...

Uhh...

NEXT

Sorry. I seem to be spacing out a lot right now.

What were we talking about Rudy?

About your shareholder meeting next week.

NEXT

Right! That pesky thing.

No worries. I'm totally gonna ace it.

But now, let's party!

NEXT

I watch Sayo dance and enjoy the party... I might have helped her with her core problem... But erasing her feelings... even with the best intentions.. Leaves an ugly after taste...

Next

Sayo breaks into tears with my declaration...

Decline her offer

I'm sorry Sayo, but I can not return your feelings.

NEXT

Love can hurt so much. I feel bad but there is nothing I can do...

This can't be happening!

No... no. no. no...

I have a girlfriend. I'm sure you'll find somebody el...

NEXT

I'm sure she'll get over it and find some nice guy...

If I set my mind to something I know I'll succeed!

Rudy! You will be mine!

I'll take my leave now...

Suddenly Sayo dries her tears and leaves the party... I guess it's for the best

NEXT

It leaves a bitter taste that I had to make her cry... and that she is missing out on the remainder of the party... But I guess it's better if she cools off in private rather than making a scene here...

Next

I have to admit... I always fancied Sayo... I can see a lustful smile appear on Sayo's face as I accept her work-wife arrangement...

Accept her offer

Brilliant!
Follow me.

Let's have some fun!

NEXT

Sayo leads me into her office. Since everybody is at the party it's vacant...

I've dreamed about this for so long!

NEXT

Have you thought about us like this as well, Rudy?

I'd be lying if I said I hadn't got some fantasies.

You are a very attractive woman, Sayo.

NEXT

Sayo unties the halters of her dress and reveals her breasts to me. **Beautiful!**

I love you.

NEXT

Then she slowly undresses me and gets on her knees before me – my cock already hard by then soon engulfed by her lips.
NEXT

Eagerly Sayo goes down on me. Who would have thought she harboured such feelings for me? **She was totally into me!**

suck

suck

suck

NEXT

I try not to think about my girlfriend and the future and just enjoy the moment as Sayo caresses my cock with her lips, tongue and mouth in a way only somebody freshly in love does.

After an amazing oral time, Sayo looks up to me seductively...

NEXT

Sayo felt incredibly...
NEXT

I just hunched back in the chait and she was doing all the work.

Groan

NEXT

With the essential parts of her costume still on, it looked like an angel was riding me.

NEXT

And it **felt** like an angel was riding me! Sayo's rhythmic hip movement...

NEXT

And the way she squeezed my cock with her pussy...

mmhhhhii

And the cute sounds she made with every slap of our hips against one another...

fap

fap

fap

NEXT

I loved every second of it!

moan
I'm getting close.

NEXT

I'm... I'm...
moan
NEXT

And with Sayo grinding herself to a major orgasm on top of me.

I'm cumming!

moan

NEXT

I guess it's only natural that I came with her... inside... Really, I had no time... or rather the capacity to think at that moment. **It just felt so good!**

Don't worry. It's fine.

It's a safe day.

And yes, we'll keep this affair a secret from the others.

It's like she was reading my mind! But I'm glad we have the same perspective here...

NEXT

We return to the party room separately so as not to stir any suspicions and try not to show any suspicious affection for each other throughout the remainder of the party...

Next

I enjoyed the party to its end and I was one of the last people to leave the office building.

Continue

The first rays of sunlight could already be seen as the night gave way to day when I arrive at my apartment complex. **What a party!**

NEXT

I enter my flat and I feel really tired. All I wanna do is fall into my bed... but that's when a voice addresses.

Ah, you are home!

Oh, you are still up?

NEXT

It's Nicole. My girlfriend for a year now.

She's an incredibly beautiful redhead and she can be very nice...

But she also has a temper...

What do you mean "still up"!?

Nicole

Urgh. Christmas shifts are the worst! Everybody pretends to be cheery...

...and after the seventh beer, they get whiney anyway.

You know I had a late night shift at the bar!

NEXT

We could really use a new dishwasher!

But enough about me. How did it go?

Did you get that raise?

No... I couldn't convince her.

Yes, babe. I got it!

Oh, I got something far better.

I take out the small red rubber nose from my pockets and show it to Nicole in my hand and tell her I've got something way better...

I've got something far better!

Huh?

What do you mean you got something better?

NEXT

I try explaining with words, but Nicole does not believe me...

A clown's nose?

Is this some kind of stupid joke?

Hand her the nose to experiment

Hello, Hexxet here,

This story was actually planned as a lighthearted 200-page-long Christmas Calendar Story... But it turned into this Moloch of over 800 pages with an actual serious plot... well as serious as it can get with a protagonist wearing a red nose...

Anyway, very long comic here. I hope it turned out well and you enjoyed reading. ☺

More PAIs and of course my 3D Comics can be found on my Patreon. Some free PAIs can be found on my homepage.

PINUPS

What follows are a few bonus pictures that did not make it into the story but turned out kinda nice in my opinion. And some “sequences”. Enjoy ☺

PS: There are no more next buttons cause it would disturb the pinup nature imo. Just scroll down from here on out ☺.
