In a small backwater town... Dylan previously witnessed something last night... but of course nobody believed him! Now... it's happening again!

Holy Shit!
And here
they walk
again!

Marco,
Wake up!

WAKE
UP MAN!

Frantically Dylan tries to wake his brother from his slumber.

A woman with long brown hair, wearing a grey long-sleeved shirt and a black apron, is leaning forward and pointing her right index finger towards a window. She has a concerned expression. A man with short brown hair, shirtless and wearing blue jeans, is lying on a bed, looking up at the window with a slightly annoyed or weary expression. The room is dimly lit, with light coming from the window, which shows a dark blue sky. The scene is framed by a black border.

LOOK!

It's
happening
again!

Oh, come on!
Just let me
sleep...

Sleep-drunk Marco slowly gets out of bed and stumbles to the window...

So... what am I looking...

Holy Shit!

Marco can't believe what he's seeing as he sleepily looks out of the window. People all over the place are leaving their houses in nothing but what they went to bed with!

In a hurry, the two boys leave their home and run towards the action...

You sure?
Maybe it's
contagious?

GoGo!
I wanna see
this up close!

Dude!
Almost naked
chicks - right
over there!

In the meantime,
the sleepwalkers
have gathered in
a small flock...

Holy smokes!

What's going on?!

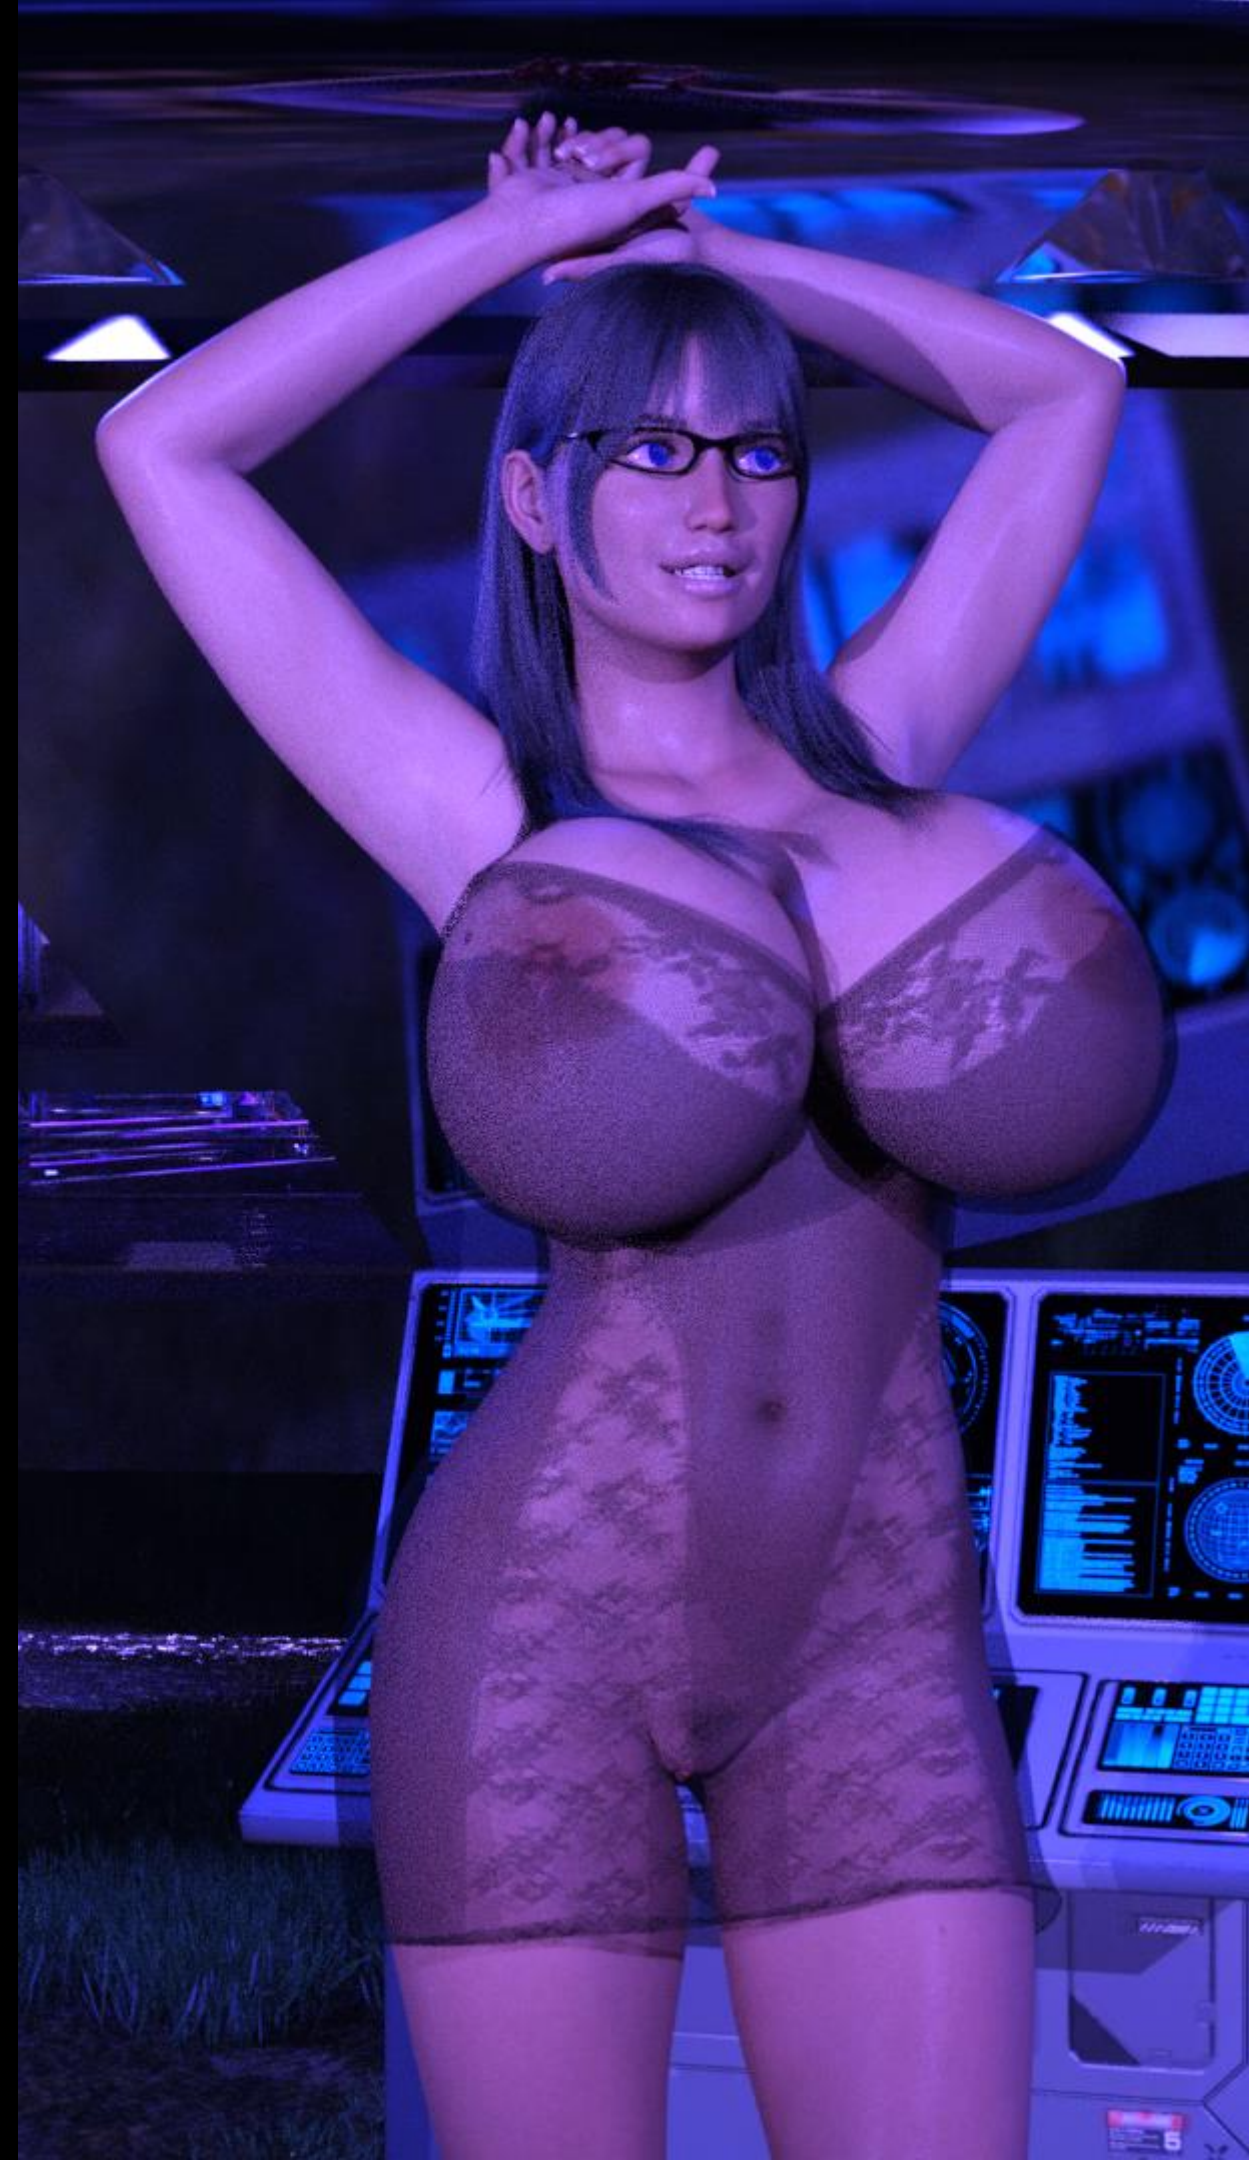

Watch our two horny brothers follow these sleepwalkers into the woods where they discover something unbelievable!

What will these extraterrestrial beings do with the sleepwalkers?

Figures...

End of Teaser

Hello, Hexxet here,

This will be the first part of a 2-chapter-long series. In chapter one we will make first contact with the aliens and watch our sleepwalkers, who are controlled by an alien console, do work around the ship... In chapter 2 (coming out in January) we will witness what happens when our two horny brothers gain control of that alien device!

Chapter 1 is ~80 pages long and comes out on 13.12.2024. It will be available on my Patreon for Connoisseur Tier:
