Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic – though he is not very skilled at it. One thing leads to another and he has infiltrated a camp of ether-wielders who are on the hunt for demons... He becomes a member – secretly a spy for Kassandra. In the meantime, he tries to juggle his social and school life with his now secret magic life.

Last time we saw Mika learn how to use the Medeo spell on the human mind to heal mental sicknesses... His demon matron Kessy „helped“ him with that... Anyway, Mika is now ready to use his new knowledge to help Lana by healing her mother... Though before we go there... It's time for a little intermission with Harry and Kim.

Now we've seen Harry do stuff like this with his Girlfriend for quite some time...

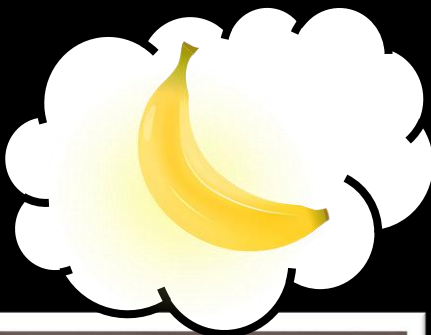

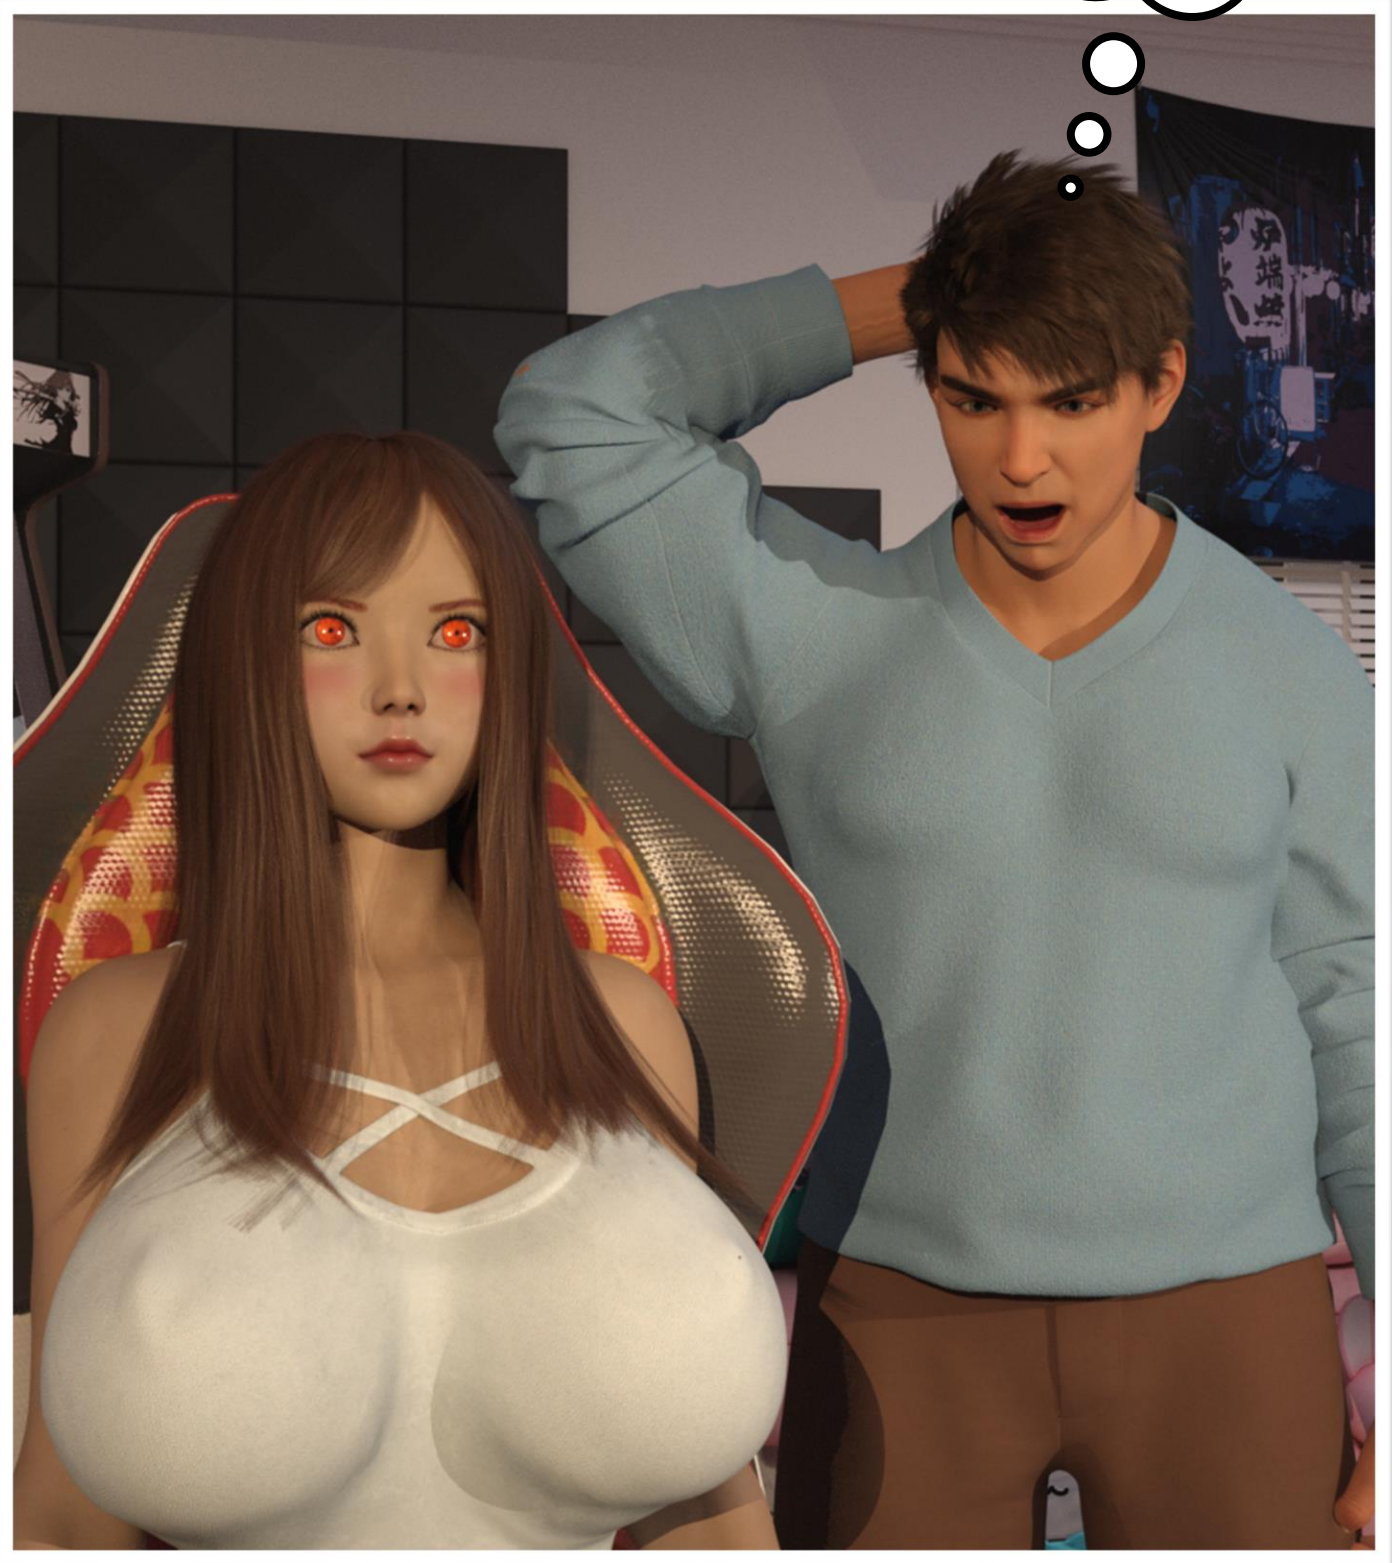

Ocavum!

I hear and I obey.

But without magic... he still hasn't gotten inside of her panties...

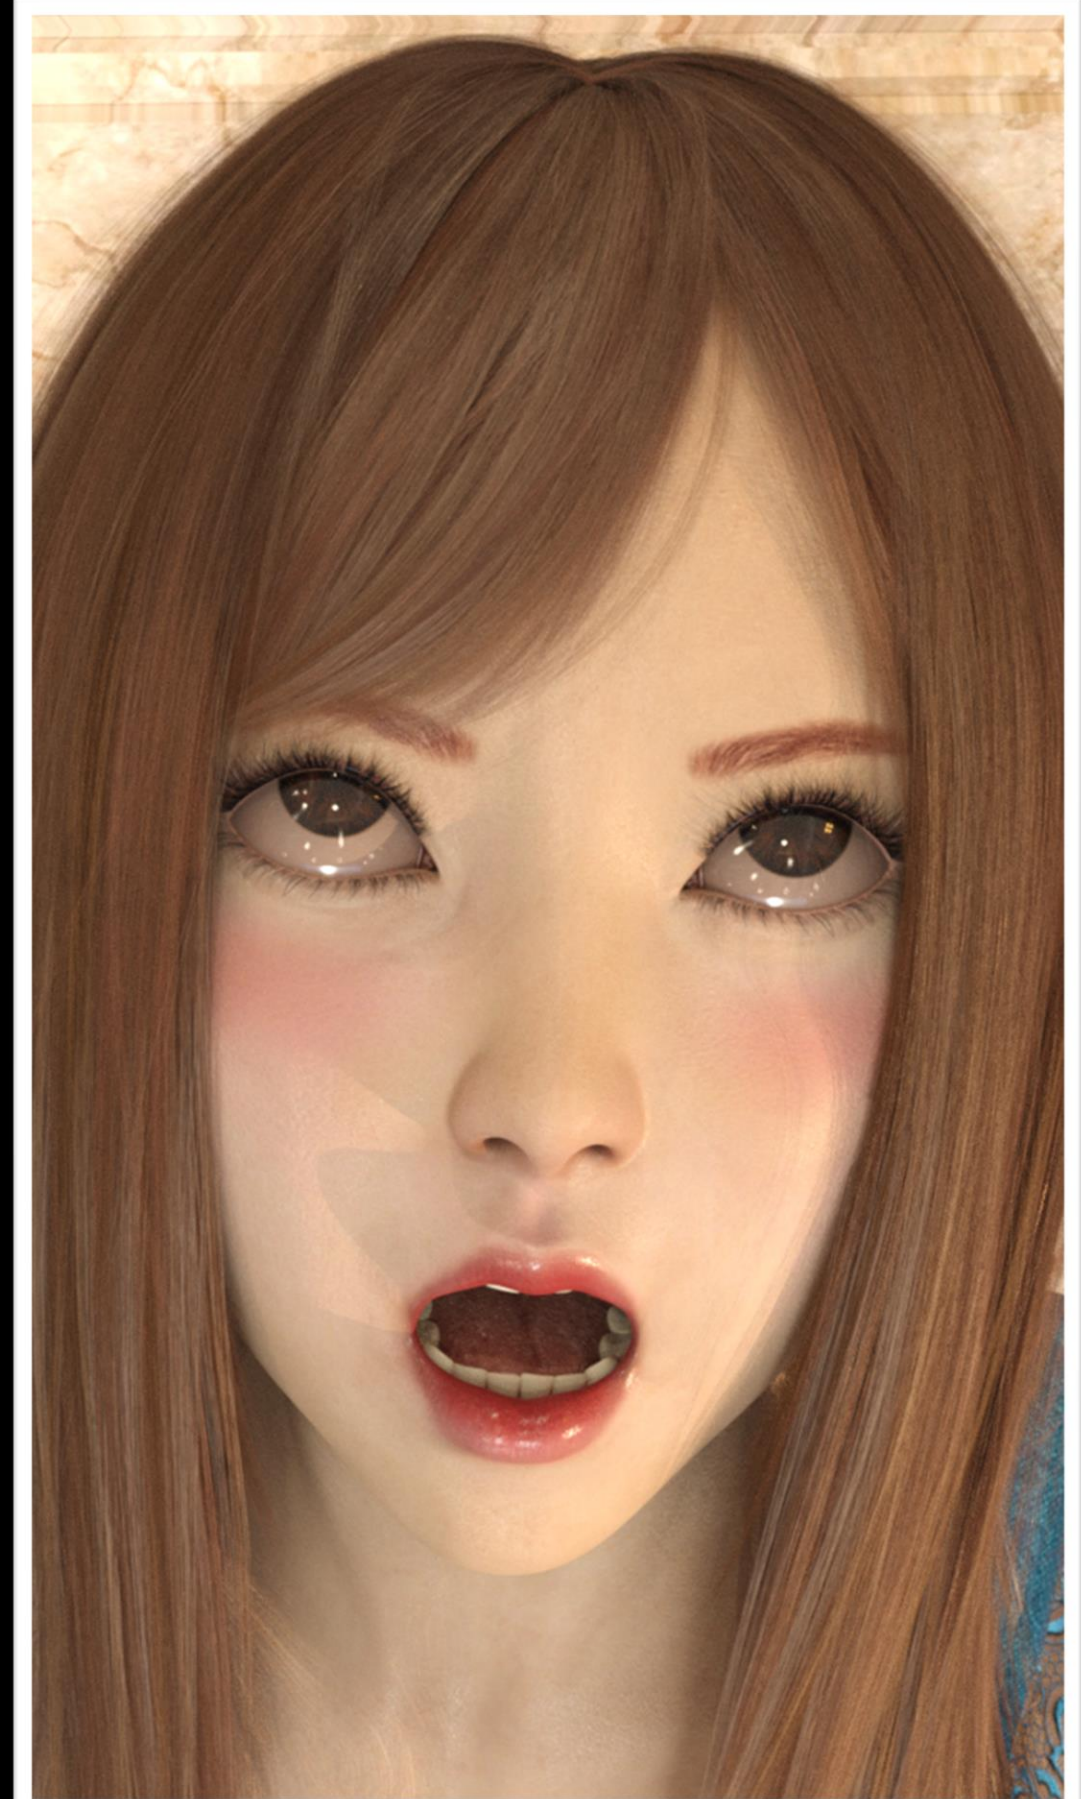

He increased her bust...

He increased her sensitivity...

And while that got her closer to climax... it did not get Harry closer to his girlfriend's pussy!

Last time we saw him “shop” for some muscles...

Scio!

Scio!

And a bigger dick...

Will this be enough to finally get Kim into bed on her own “new” terms?

Excuse me!
Who are
you?

Oh, hey Kim! I
was just looking
for you.

Harry?!

But... how?
You are totally buff!

He's hot!

Yeah. I've been hitting the gym for months now.

That's a lie. He used magic to transform his own body.

So
horny!

I... guess one
did not notice
it in those baggy
clothes I always
wore...

But... I decided it
was time to wear
something different
from now on.

Harry keeps on talking – trying to make his gym story believable, but Kim is not thinking clearly anymore anyway.

Eh,
Kim?

And throws herself into his arms...

Kim's tackle pushes Harry back despite his newly enhanced strength.

I want you!

But he happily embraces his girlfriend as his back is pushed against the entrance door.

A romantic scene on a staircase. A young man and woman are embracing. The woman is wearing a white tank top, a dark plaid skirt, and black high heels. The man is wearing a dark blue long-sleeved shirt and dark pants. They are standing on a staircase with a black wrought-iron railing. The background is a light-colored wall with a doorway. The scene is lit with warm, soft light, creating a romantic atmosphere. Two speech bubbles are present, one from the woman and one from the man, both saying "I love you.".

I love
you.

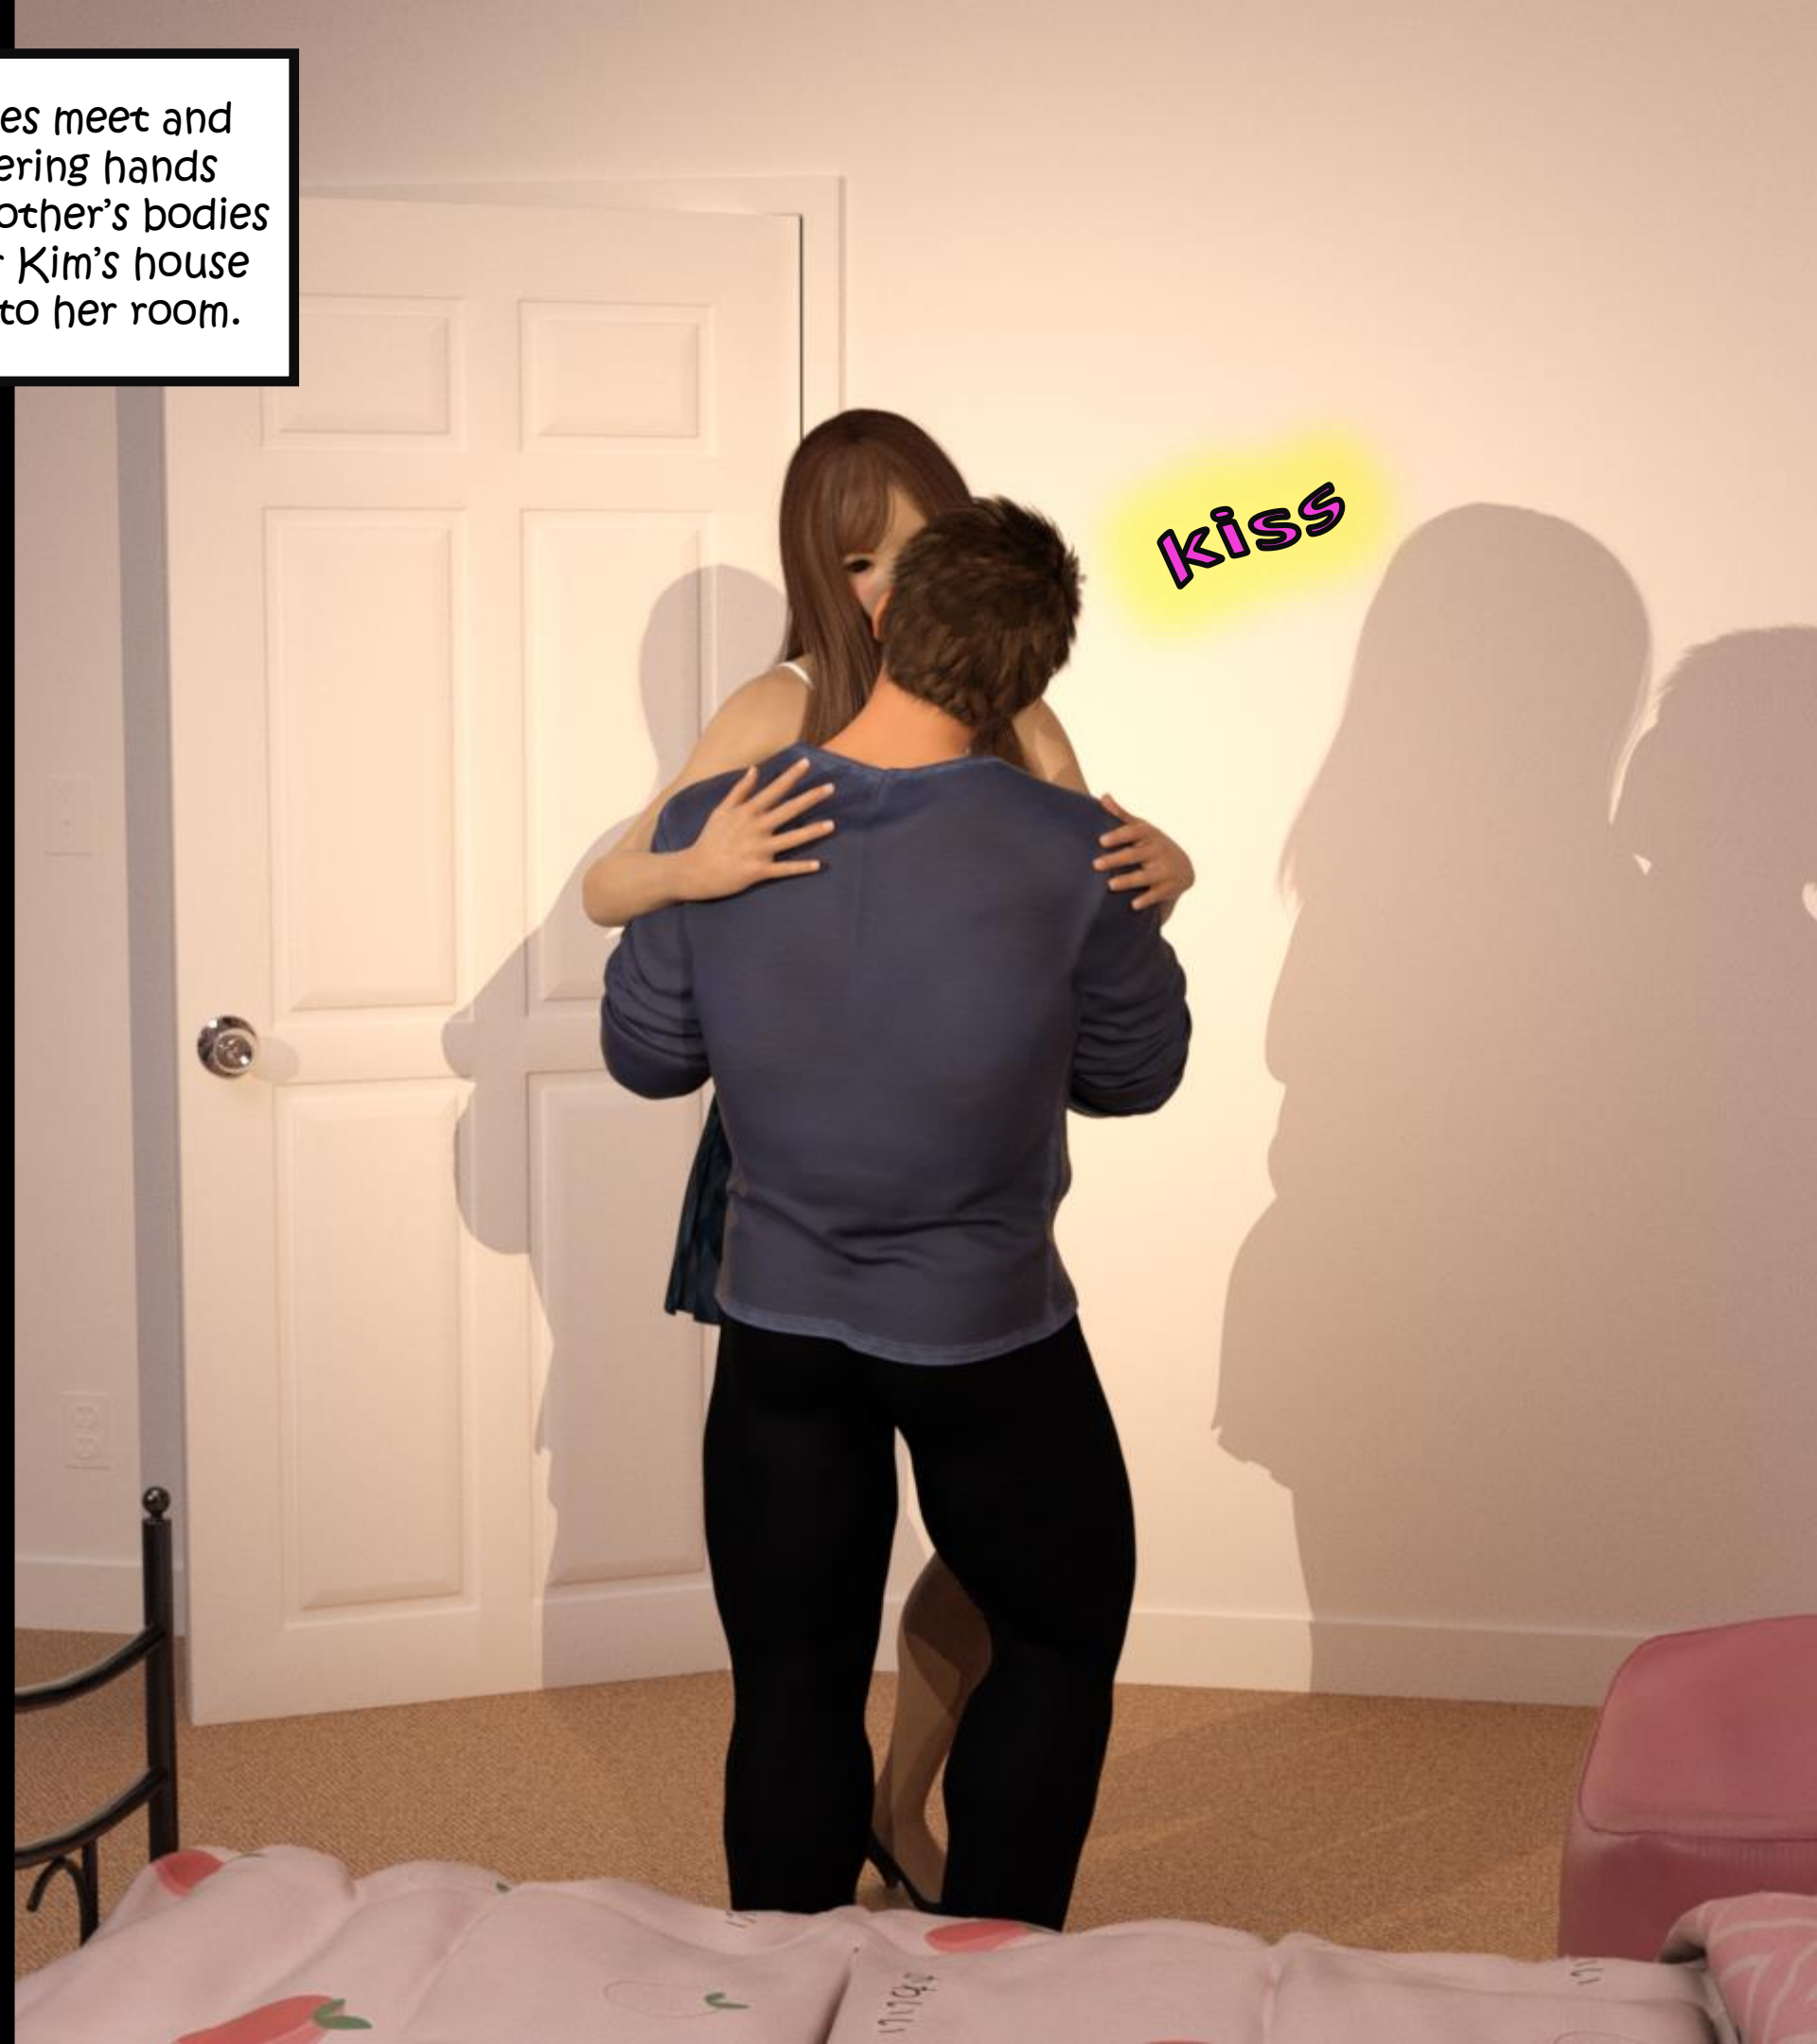

I love
you too,
Kim!

Kim presses her lips upon his and Harry gladly returns the passionate kiss.

Their tongues meet and their wandering hands caress one another's bodies as they enter Kim's house and make it to her room.

Like a predator, Kim pulls Harry's shirt over his head – eager to see her boyfriend's new muscles.

Wow!

Woah,
she's wild!

I'm getting
even wetter
looking at
him!

She's looking
at me like a
piece of
meat...

You
look...

Er, Kim?

Really good!

Woah!

push

I need you
inside of
me!

Finally!

Hastely Kim takes off her top, revealing those huge God-Harry-given breasts.

You sure about this, Kim?

Oh, I
am sure!

lick

slurp

Harry's magically enhanced
cock barely fits into Kim's
mouth...

But that did not stop the
horny girl from gobbling up
that huge rod...

And suck it like a pro!

Oh, yeah!
You like these
tiddies, Harry?

かわいい

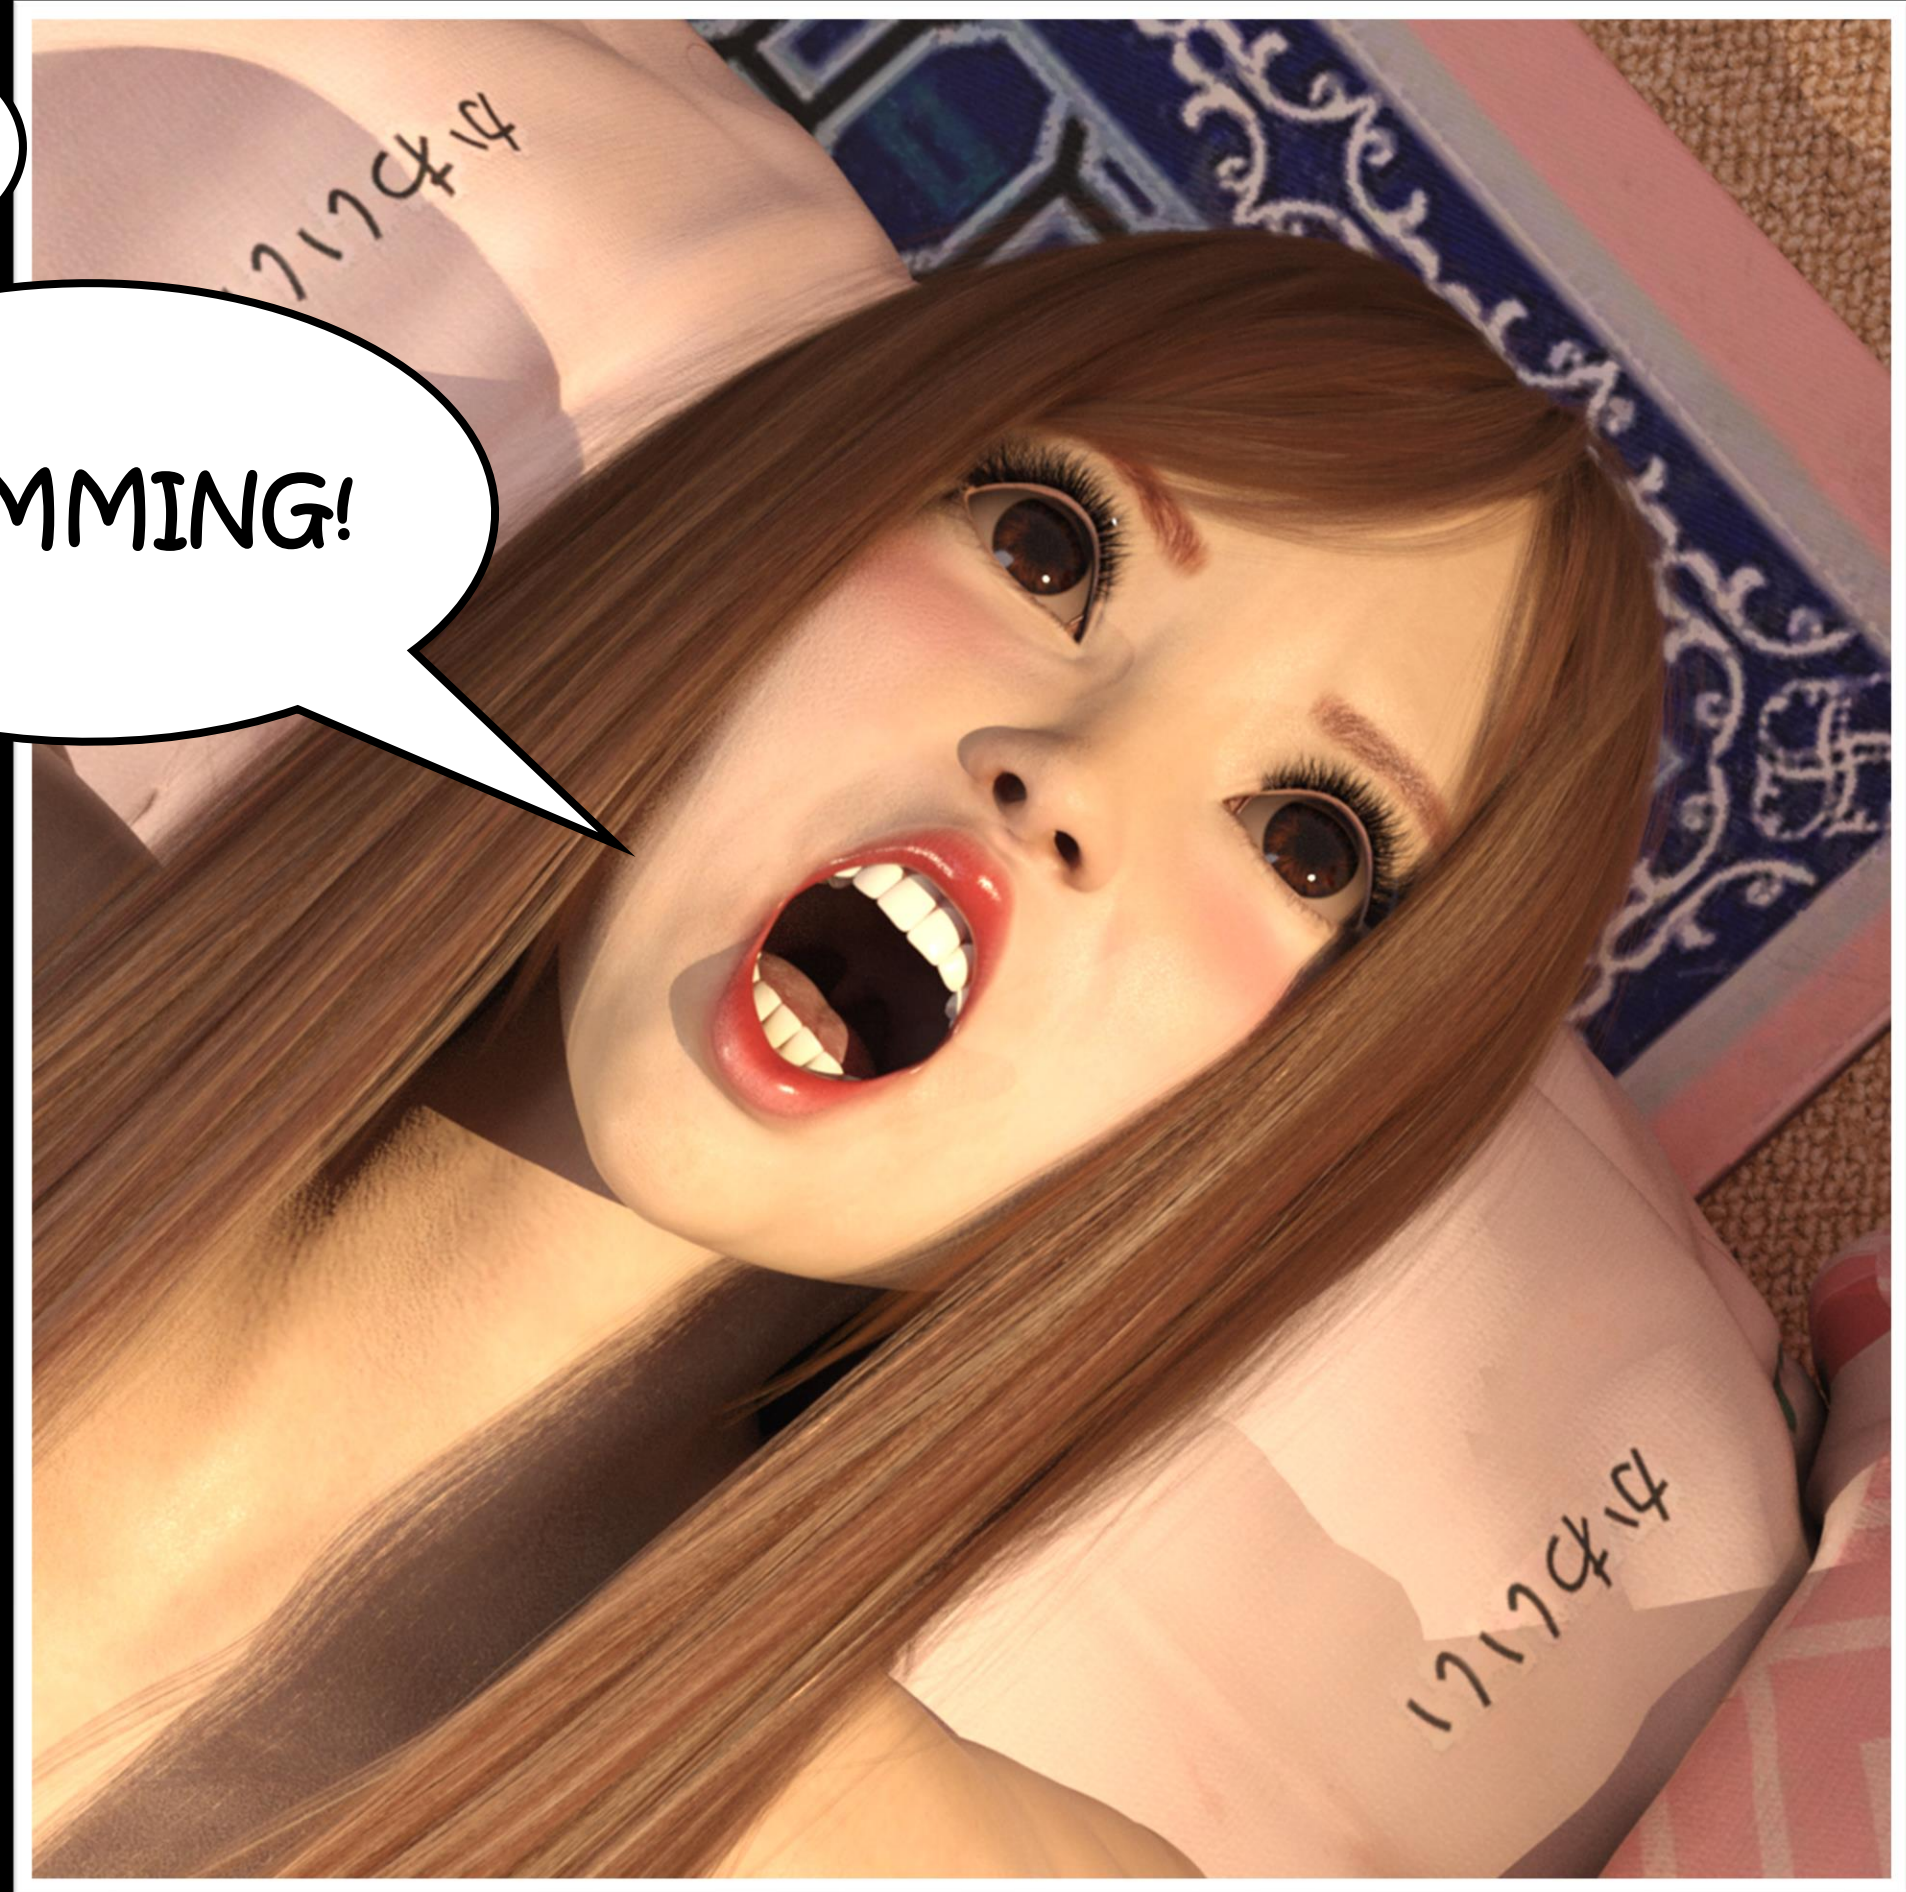

I'm gonna
cum soon!
Don't stop!

rub

Hm... She's
going way too
fast for my
taste...

CUMMING!

Oh, my god!
That was amazing
Harry!

Mhm...

grunt

fap

huff

huff

Groan

squirt

I have a buff
and hung
boyfriend!

I'm gonna
fuck him
every day!

Life is
great!

Phew...

Not really better
than taking her
under the Ocavum
spell...

Was this really
what I've been
working towards
all this time?

Wow!

She does not even like the real me...
She's just into these muscles...

Somewhere else in town
at some other time...

One day after finishing my “studies” on the Medeo Mens spell, I knock on Lana’s door.

After a bit of waiting the door opens and Lana stands before me – without looking she starts talking.

Hello, this is a bad timing...

She seems
very tired and
stressed out.

Huh?

Oh!

Mika, it's
you! Hi!

But when she realizes it's me she gives me her usual smile... I really hope I can help her out this time...

What's up?
How are
you?

I... I came
over to try
again...

You do?...
But... Didn't
you say you
can't do it?

You did?!

I studied
up on...
the matter.

Well... I...
at least I...

And... you
are positive
you can help
her now?

Honey, is that the postman?

Tell him I still haven't gotten my Kittens fluffybag.

Shit!

Mom!

Sure...

Sorry!
One moment
Mika!

Lana does not wait for my answer and rushes into the bathroom, closing the door behind her – obviously.

You did not ask
him about my
fluffy bag!

Mom. It's
not the
postman.

It's Mika. I
told you about
him...

Must be hard if your mom goes crazy... even worse if there's nobody but you to take care of her...

As I'm lost in thought my eyes wander around the cramped place.

Is that... the living room up there?

They really have no money... Even my student flat is nicer than this...

I need to
succeed! I need
to help her!

Lana's such a
sweet girl. She
deserves a better
fate!

Mhm

...

This is
Mika, from
university.

I try to greet Mrs. Hopkins with my hand stretched out... but I'm baffled by what she says...

Hello.
My Lana's a
good girl, please
don't flunk her.

I... err.. Yes.
Ma'am. I assure
you, your daughter
is not in any
trouble...

Can you help her?

I... Yes.
Yes, I can.

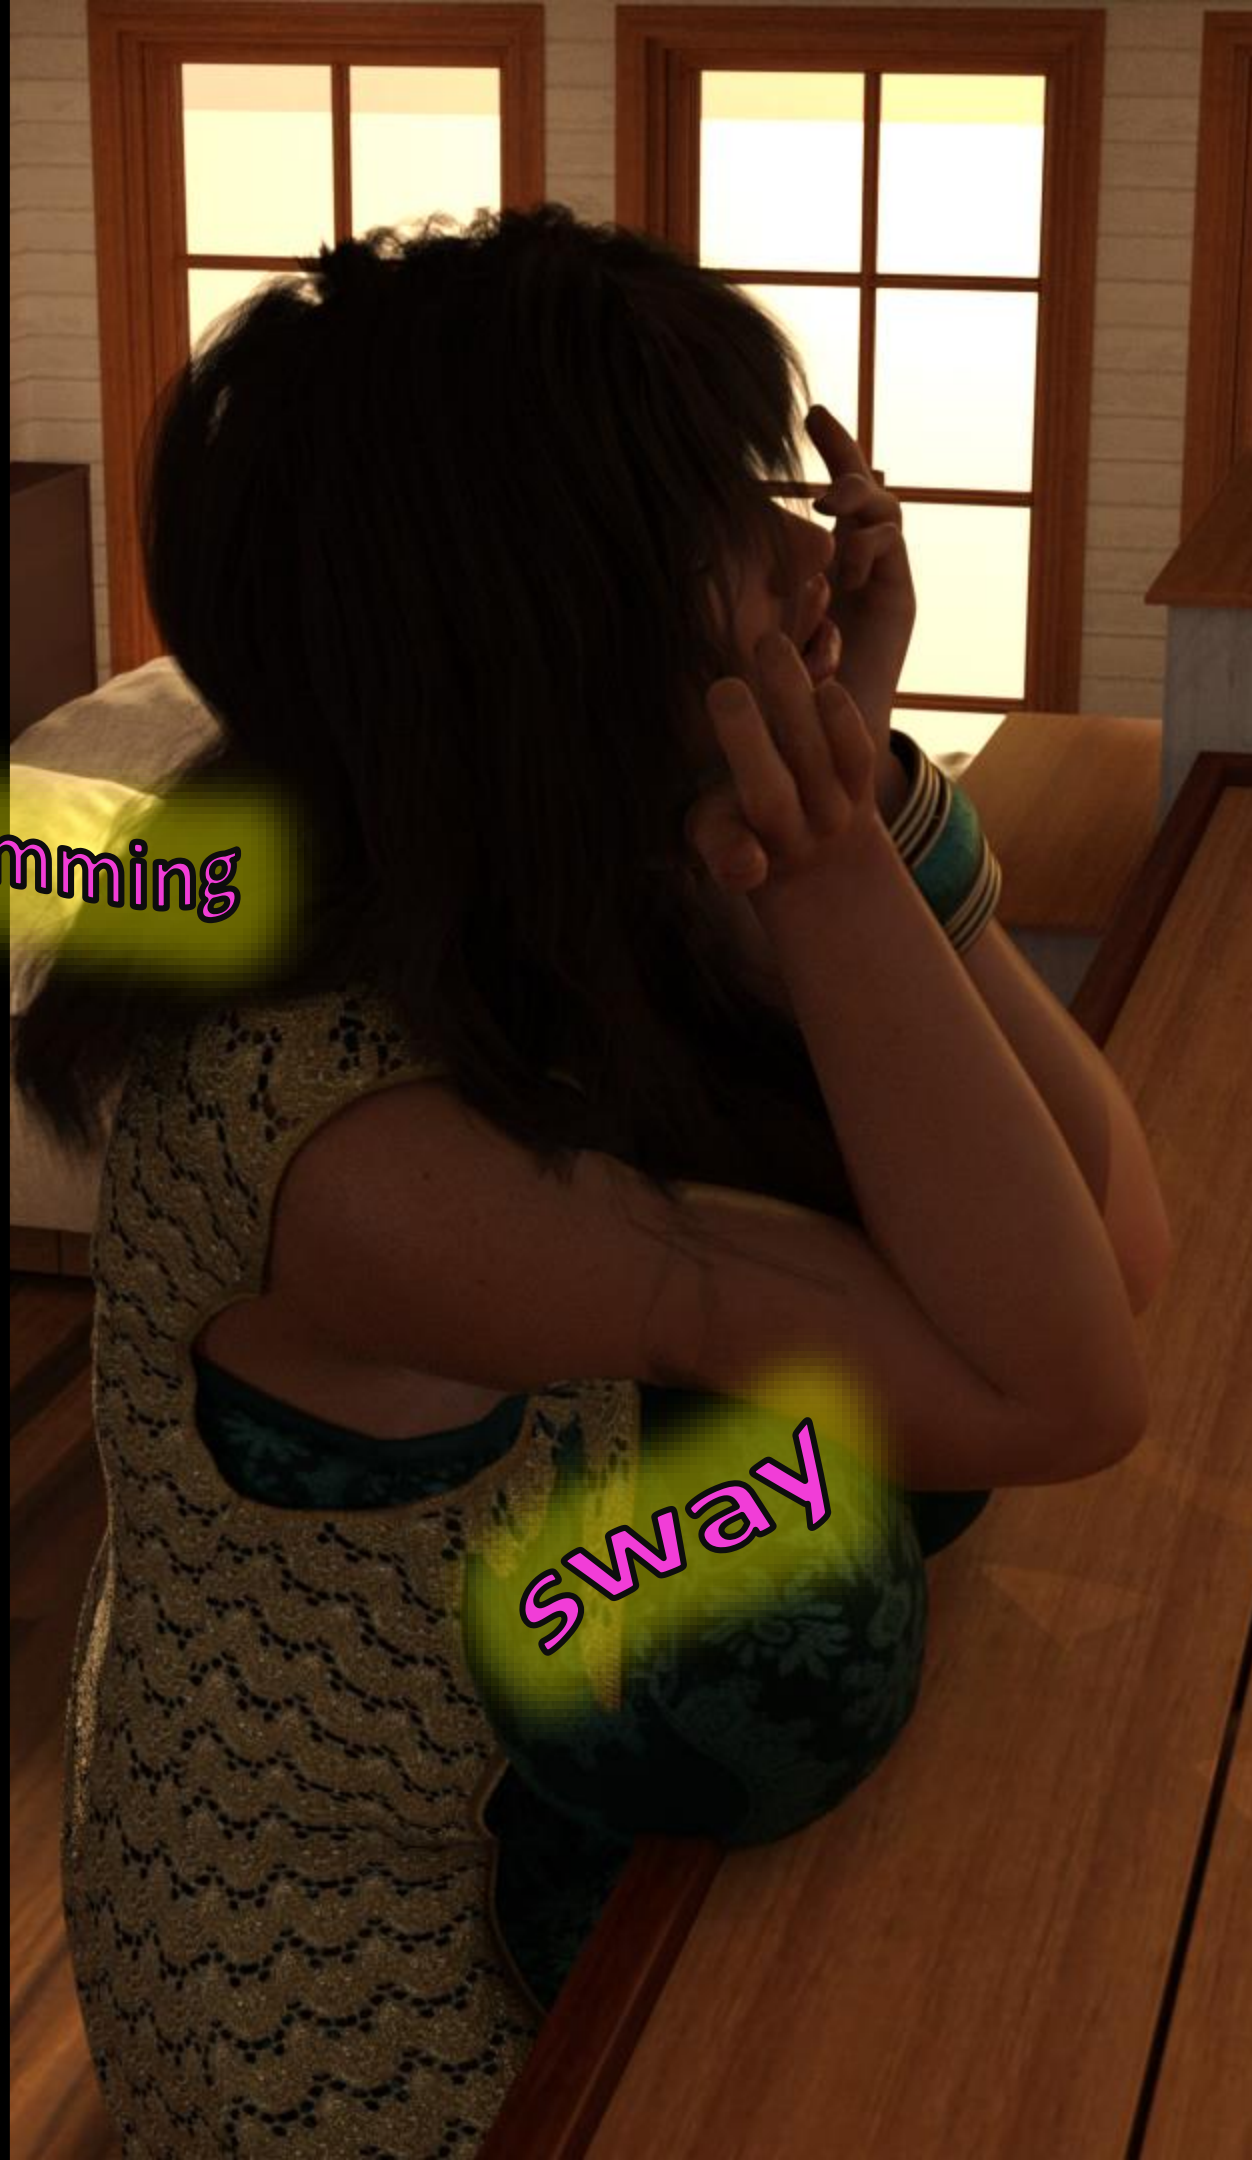

But she needs to hold still when I... cast my magic...

Oh, what a relief. My Lana's a good girl...

humming

One look at Mrs. Hopkins is enough to tell me that she won't hold still as is...

She rarely is awake for longer than a few hours these days...

That sounds... good... I'll wait then.

There is something I need you to do beforehand anyway.

Anything!

Lana leads me up to the "living room" I previously spotted...

So, you... need to read my mind in order to heal my mother?

Since you two are related, structures should be closer, and I can use that knowledge to restore certain parts if necessary.

It's... Not mind reading... but yes... I need to analyze your mind to get a better grasp of what I'm dealing with your mother.

Lana does not seem to understand what I'm talking about... but I can't really blame her. Who could without having magically dived into a mind before...

She's willing to go along anyway for her mother.

Okay...
are you...
ready?

Yes. I
trust you.

Please don't
read me mind.

Okay...
here I go.

I love you!

*Scio
Mens!*

As I cast the Scio spell, I'm flooded with loads of information... Darn... this is way different from Barbra... Probably because Babs was "turned off" when I cast Scio on her mind...

Name: Lana Hopkins
Age: 20
„Job“: Literature Student / Ex-Cheerleader

Thoughts...:
I feel awful that I pressured Mika into healing my mother... after healing my arm! Am I a bad person? But what other option did I have? Will he hate me? I love him! I love Mika so much! I want to be together with him...

Current dominant thought: Please don't read my mind!

Nerve System: ...
Language Center: ...
Long time Memory: ...
...

Maybe this is like a lot like
mind reading after all...

Oh, my...

Is everything
alright? You
look strange!

Err... no... I...
It's all fine. The
magic... is just
taxing... on me...

Please
relax.

Once I blend out her thinking and focus on the structure itself, I'm making good progress and after a bit of time I'm done with the analysis. But my thoughts are still hung up on what I've learned...

But experiencing her genuine feelings like that... woah.

Wow... Lana's totally into me!!

I mean... we did kiss back then...

Are we done?

Did it work?

Yes. Let's wait for your mom to go to bed.

As Lana said, we did not have to wait long. We chatted a bit about classes and friends and maybe half an hour later, her mother got tired, and Lana helped her go to bed.

We wait a little longer to be on the safe side. I did not want Mrs. Hopkins to wake up mid-spellcasting.

zzzzzzzzzz

Then I finally start by casting Scio on her mind to detect what I'm dealing with here. If her mind is completely perforated by her sickness, I can't do anything...

Scio
Mens!

Thankfully, her sickness seems to be limited to smaller parts of three subareas...

Emotions

Long term
Memory

Motoric
System

Next to me, Lana is praying... Is she praying to god or to me? The thought makes me chuckle for a moment before I refocus and start the healing process.

I was only a little concerned with the defect in her long-term memory. The defective area was very little and she'd only lose a few memories that, best case scenario, were irrelevant anyway...

I did not break my head over the motoric system either. Sure, it was important to move your body. But it should work the same for most people... So, replacing Clara's defect parts with what I knew from Barbara and Lana should not impede her at all...

But the area handling Emotions... that... could be bad. Having analyzed Bab's and Lana's minds I knew one thing... people handle emotions very differently...

Well... I don't have many options... And it's thankfully only a small portion anyway... I can only hope that Lana's emotion center works similarly to her mother's – I think to myself as I replace the defective parts with Lana's...

I don't know what to tell Lana, as she stares hopefully and anxious at the same time at me with her big brown eyes.

The spell,
did it work?

Will my
mother be
okay?

So, I tell her it's probably best to wait for her mother to wake up on her own. I'm not sure of it... but it sounds valid... her brain might use the sleep to adapt to the changes... Or am I just looking for excuses to delay a possible bad outcome?

We withdraw back to the “living room” sofa where Lana leans against my shoulder...

Will she be
okay?

No matter
what happens
Mika... Thank
you for trying.

Of course!
I... I like
helping...
you.

Lana's lips were so close now...
even without having read her
mind I'd knew what she
wanted to do right now...

I puckered my lips a little in
anticipation of an impending
Kiss...

Rustle

That never came...

Huh?

Mom!

Clara had awoken and sat in her bed. Obviously, we both rushed over ASAP.

Mom!
How do you
feel?

I... feel
good, Lana.

Like a fog
has been
lifted off
my mind!

Don't worry!

Oh god... Lana.
How long have I
been off work?!

Oh, my
sweet girl.
I'm so sorry.

All that
matters is
that you are
back.

sob

The two women embraced each other – sobbing, but happy.

I should
give them
some space.

sniff

sob

I'm gonna leave
you two now. I'm
sure you've got a
lot of catching
up to do.

Oh,
Mika...

Lana?

Thank you! So much! I don't know how to ever...

Okay. ☺
Thank you!
Let us talk later!

It's fine! Talk to your mother. I'm sure there is much you want to tell her.

Of course!

And so, I left the Hopkins' house smiling – It felt good doing good. Especially for a cute girl like Lana.

Oh, my.
Who was
that boy?

I haven't felt
like this in a
long time...

I think... I
think I'm in
love!

To be Continued

Thank you for reading!

Hello, Hexxet here,

Having learned the Medeo mens spell is a huge step in Mika's character progression and will soon lead to an increase in his power level as I'm certain you already know which spell will get that "Mens" attribute applied to next! 😊

Anyway, the situation around Lana is spicing up as well now that her mother, due to having gotten parts of Lana's emotions, fell in love with our main Character!

And what's up with Harry?! Instead of being happy, he is disappointed by his girlfriend's "performance"? All he did so far was for the goal of bedding her... what path will he set on now that he's free of said goal?!
