Last time on LEXI...

What are you doing?!

LEXI, make them some big round J Cups!

Sierra increased Jessica's tits to an incredible size.

Sorry!
I thought she was asking about my tits!

Then the girls started to experiment... (well at least Sierra and Gina did)

LEXI, make me a head taller than Gina!

Now I'm the tall one!

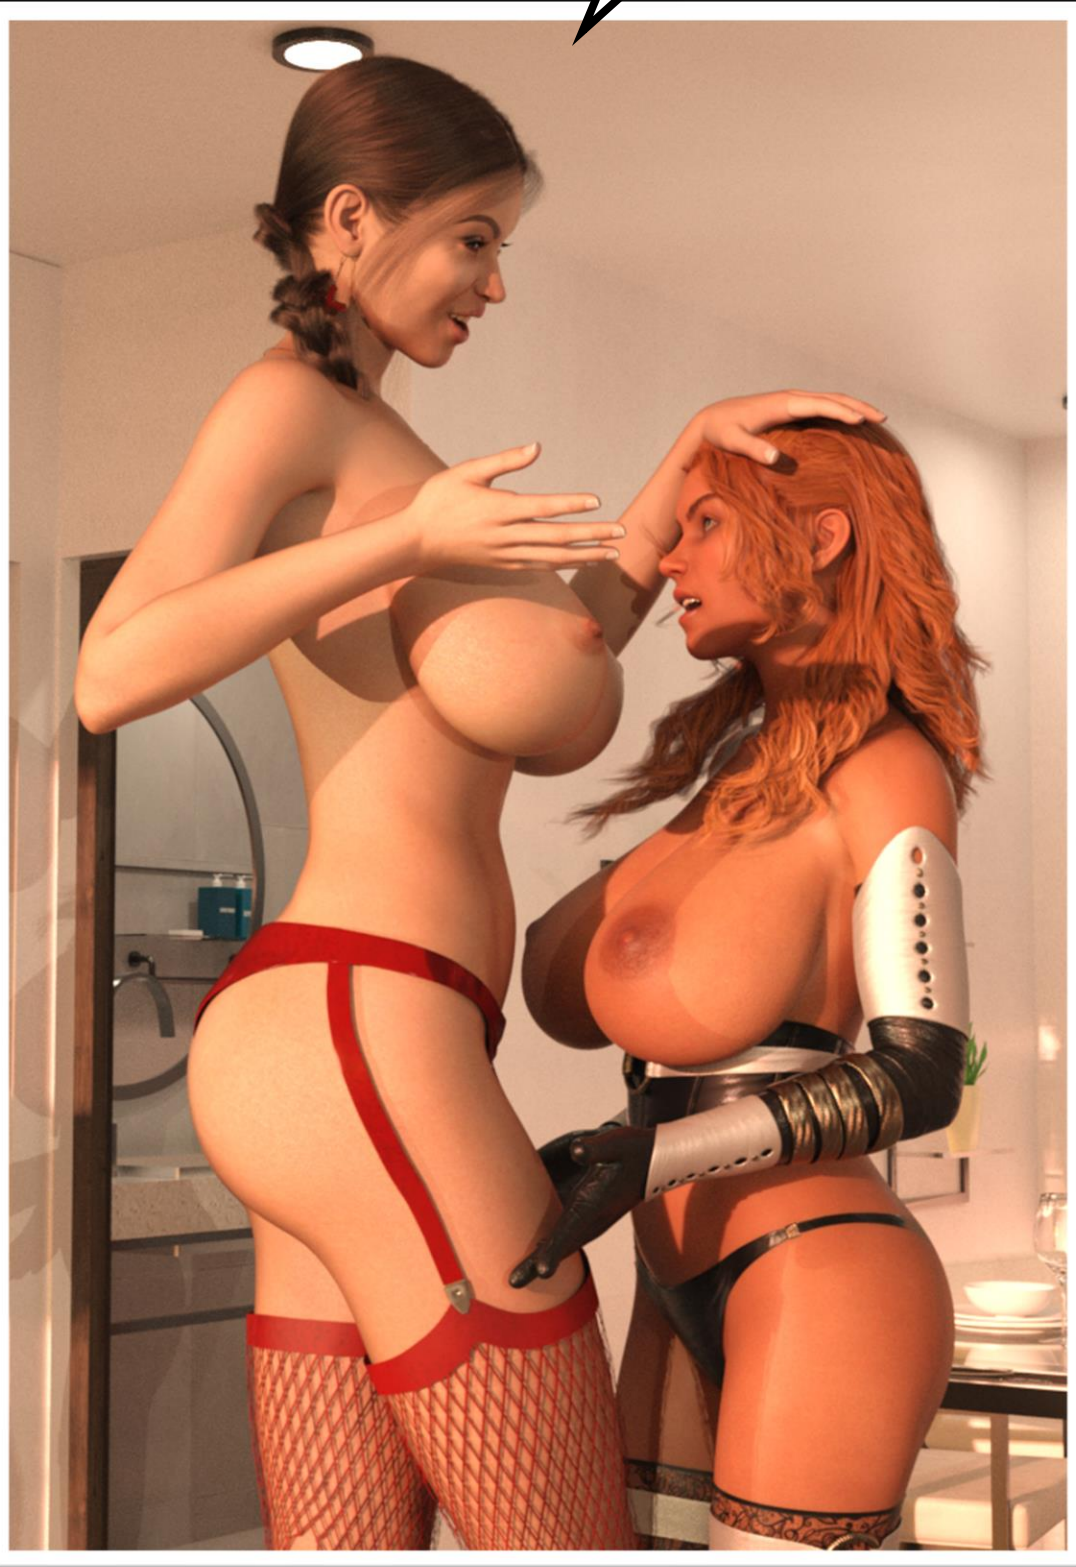

Affirmative. Initiating growth.

Cheater!

Growth process completed.

Aww... Look how cute Jess looks in comparison!

Gina had LEXI
change her hair...

Nice!
How do I
look?

*Hair change
complete.*

And just as Mika returns home from a long hard fuck at school...

I did not expect Bab's to be my sex slave for like forever...

What the...

LEXI, give me a big round bubble butt!

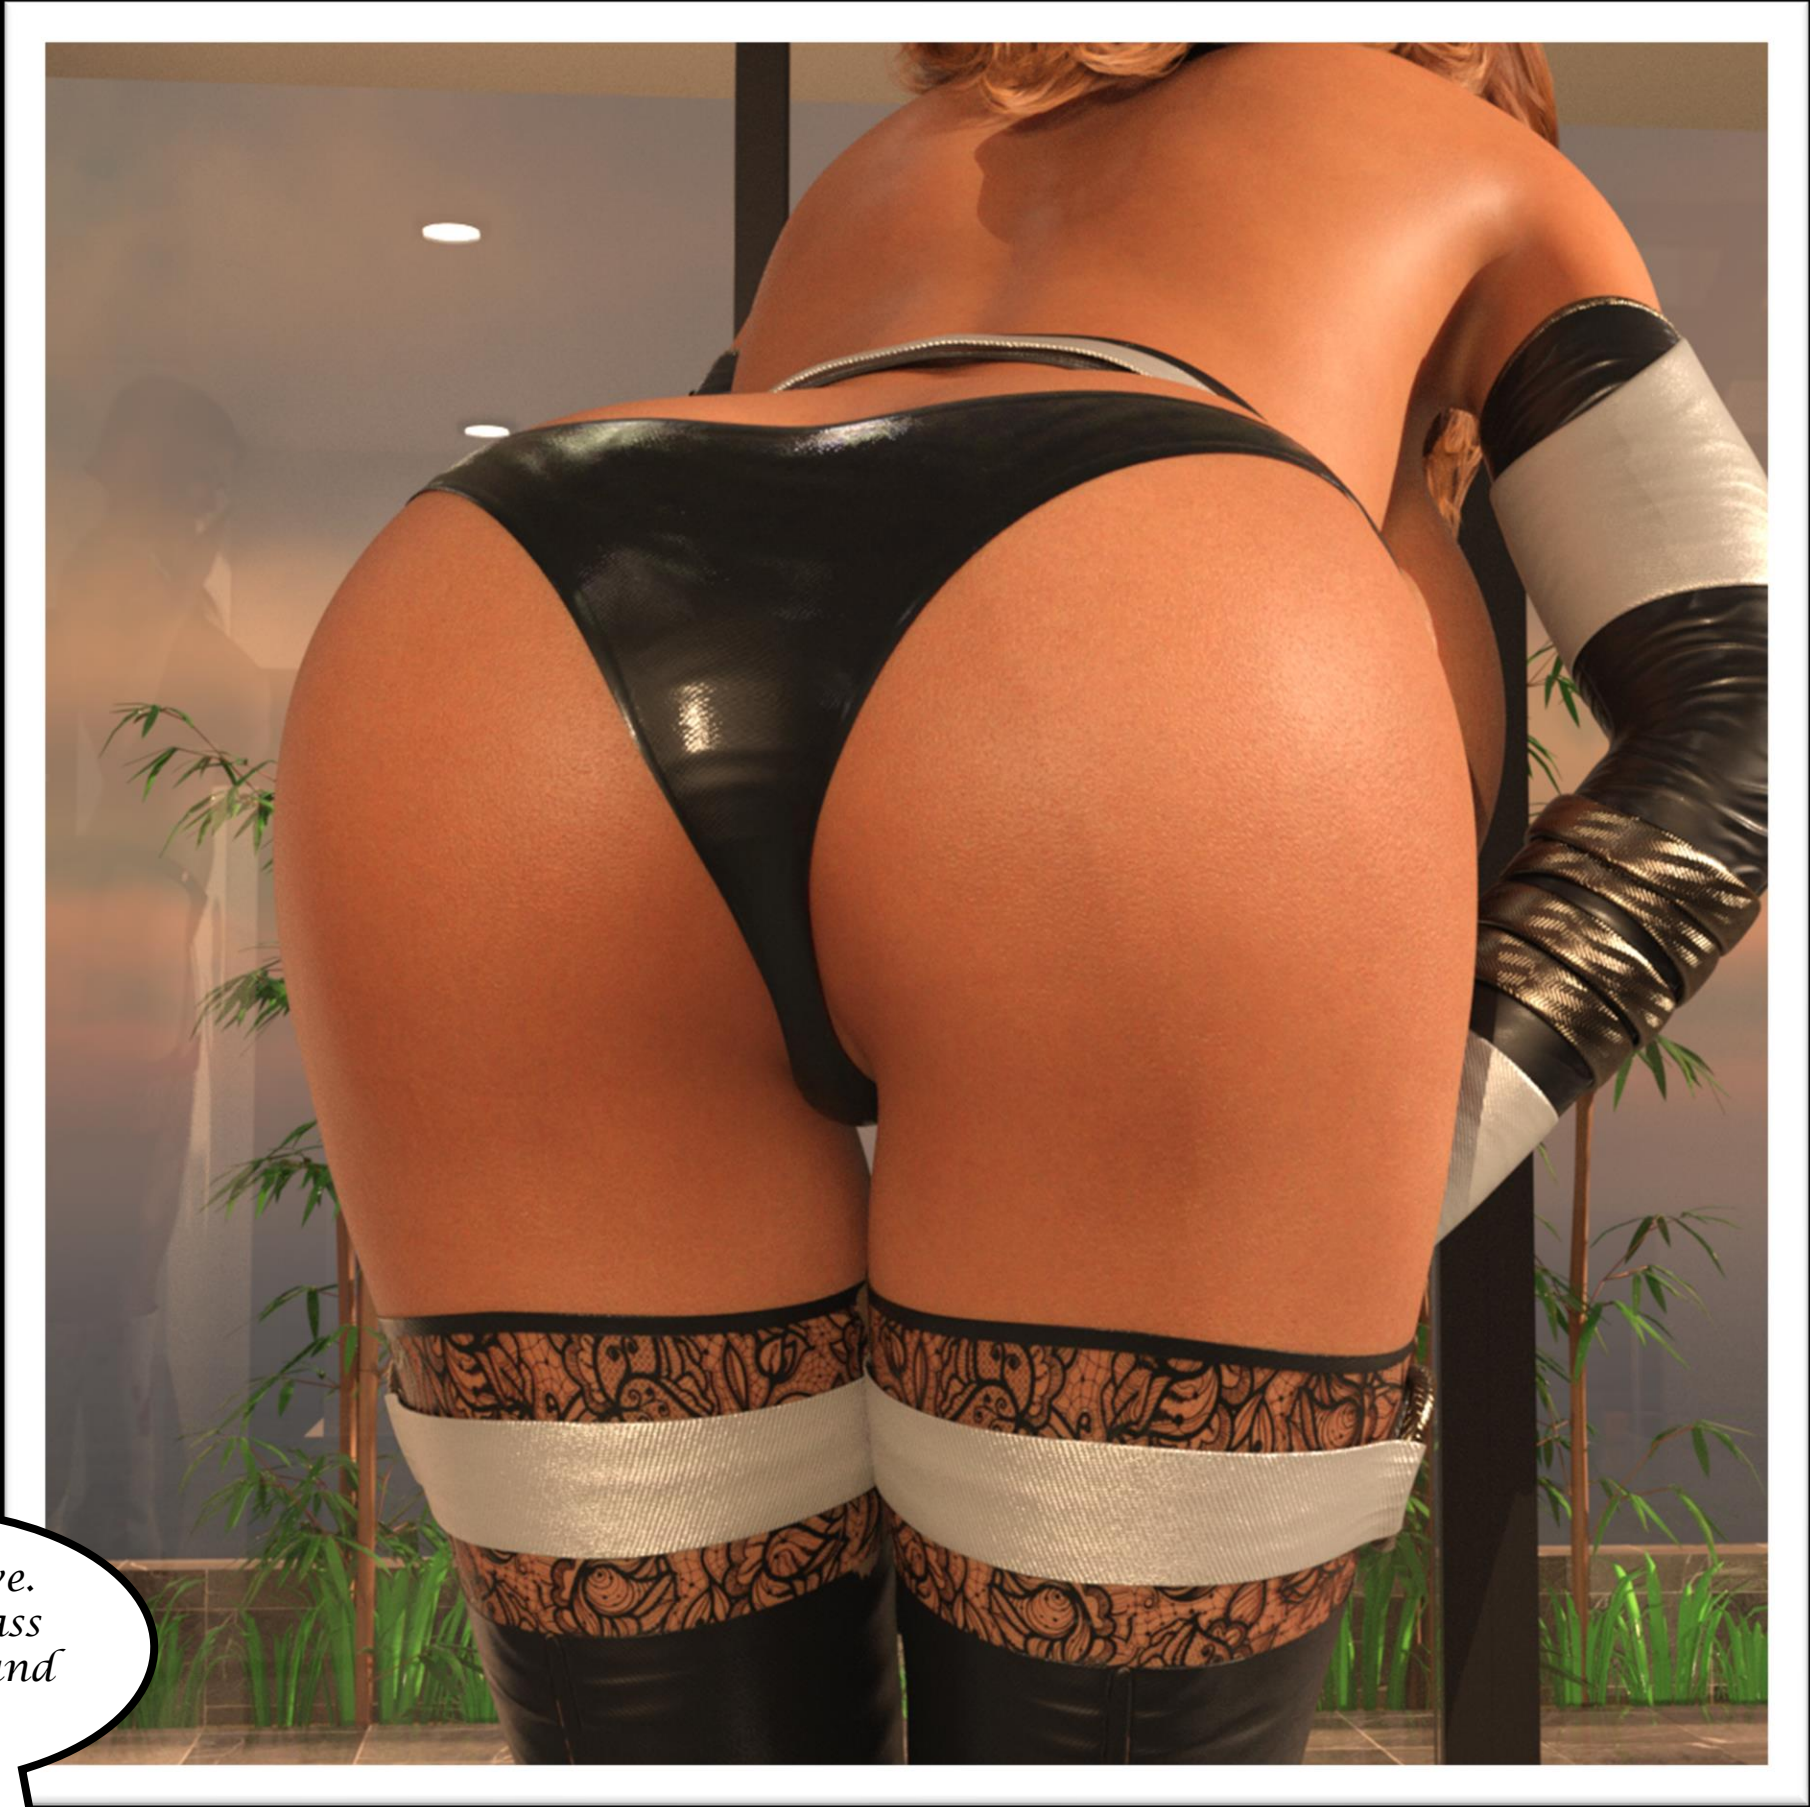

We continue form here...

And so...

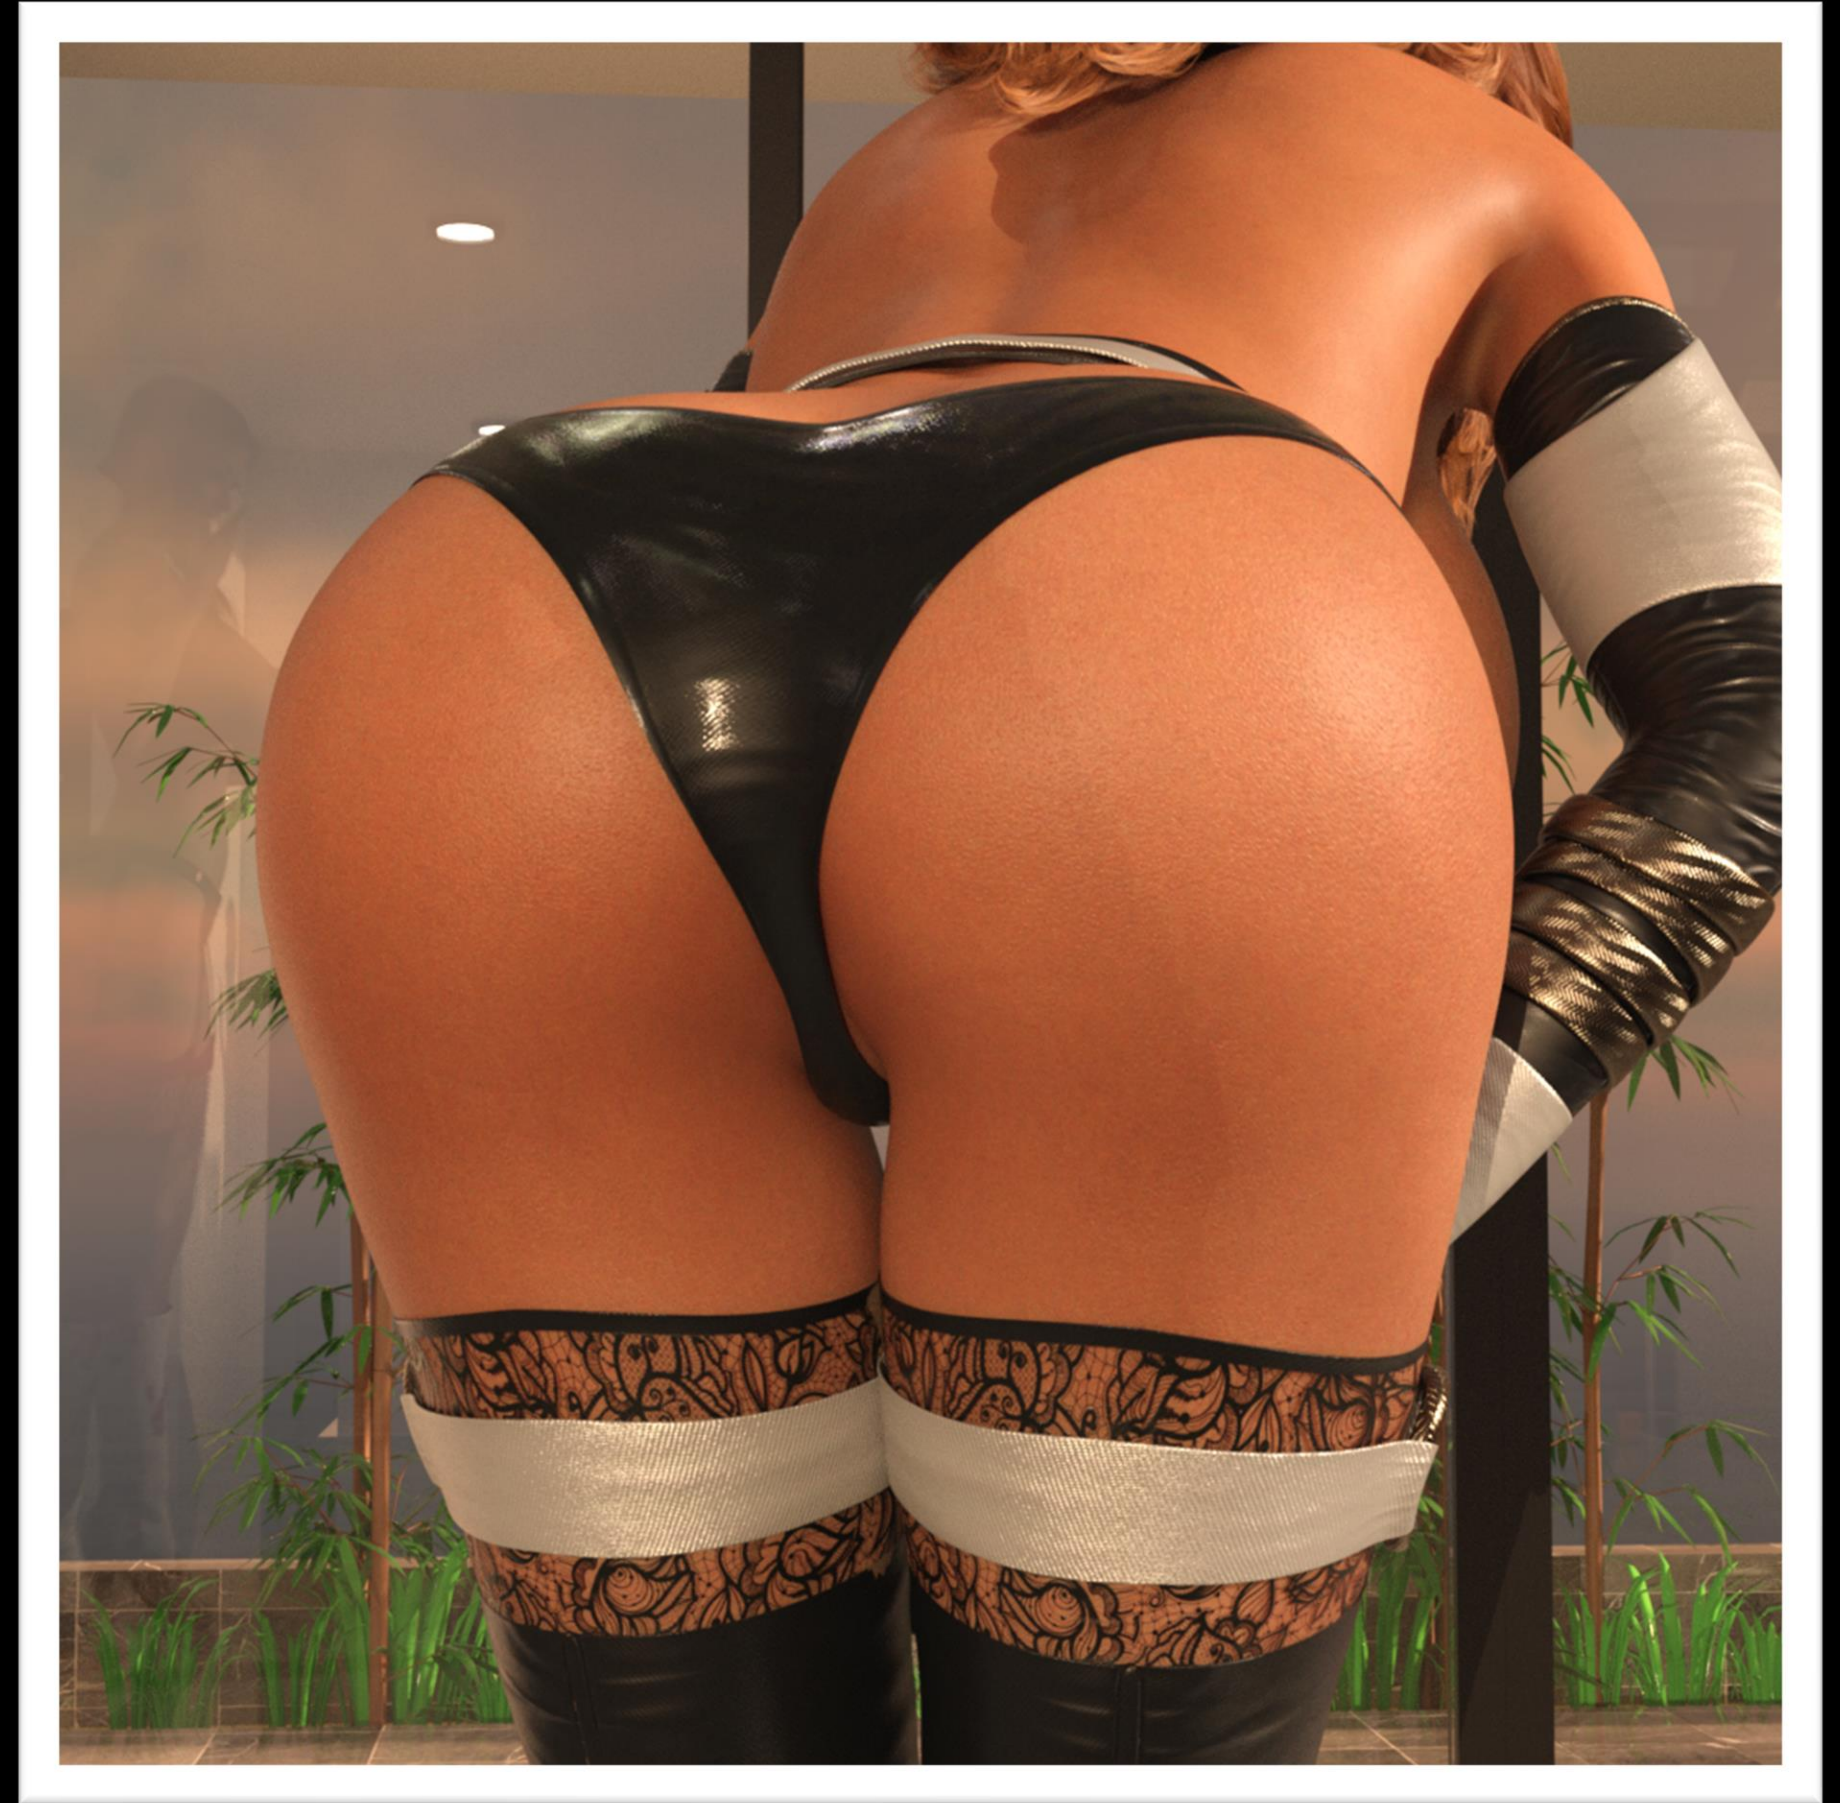

*Affirmative.
Initiating ass
expansion and
shaping.*

Right as Mika returns home...

His step-sister's ass...

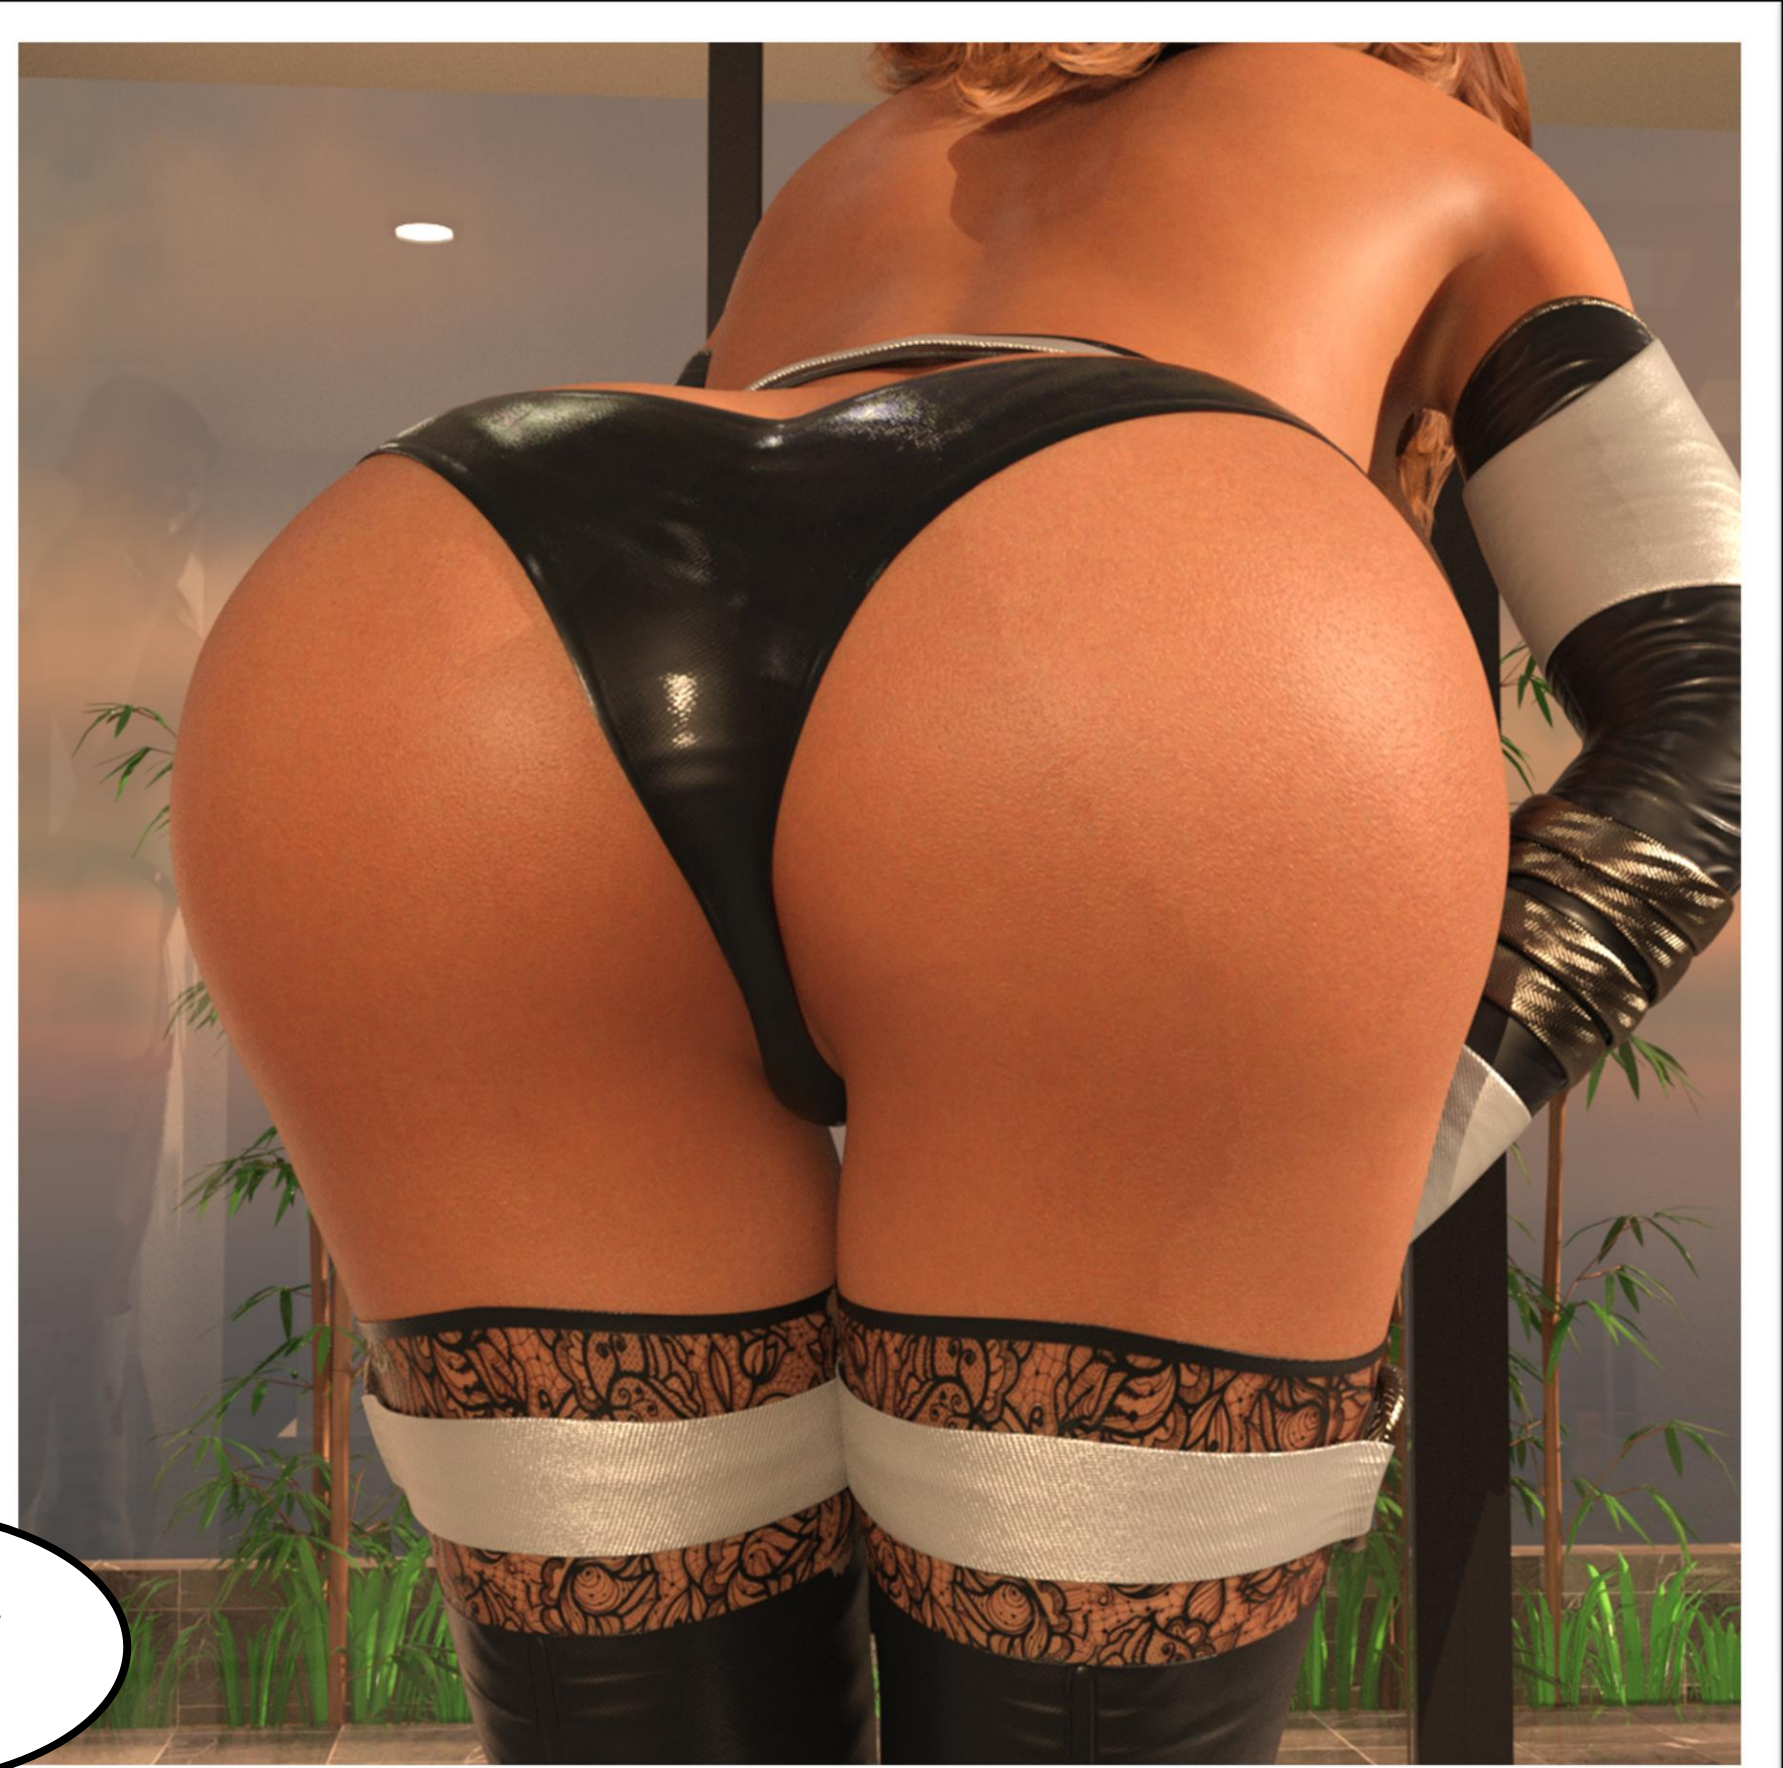

Expands right in front of his eyes...

*Ass shaping
concluded.*

The girls, still oblivious to Mika's presence, inspect Jess's new goods.

Every boy in
school will want
to tap that.
giggle

It's super
round and
toned!

What the
fuck are
you doing?!

Woopsie!

Brother?!

You were using my stuff, sis!

DÜH!
Do you even know what you have there?!

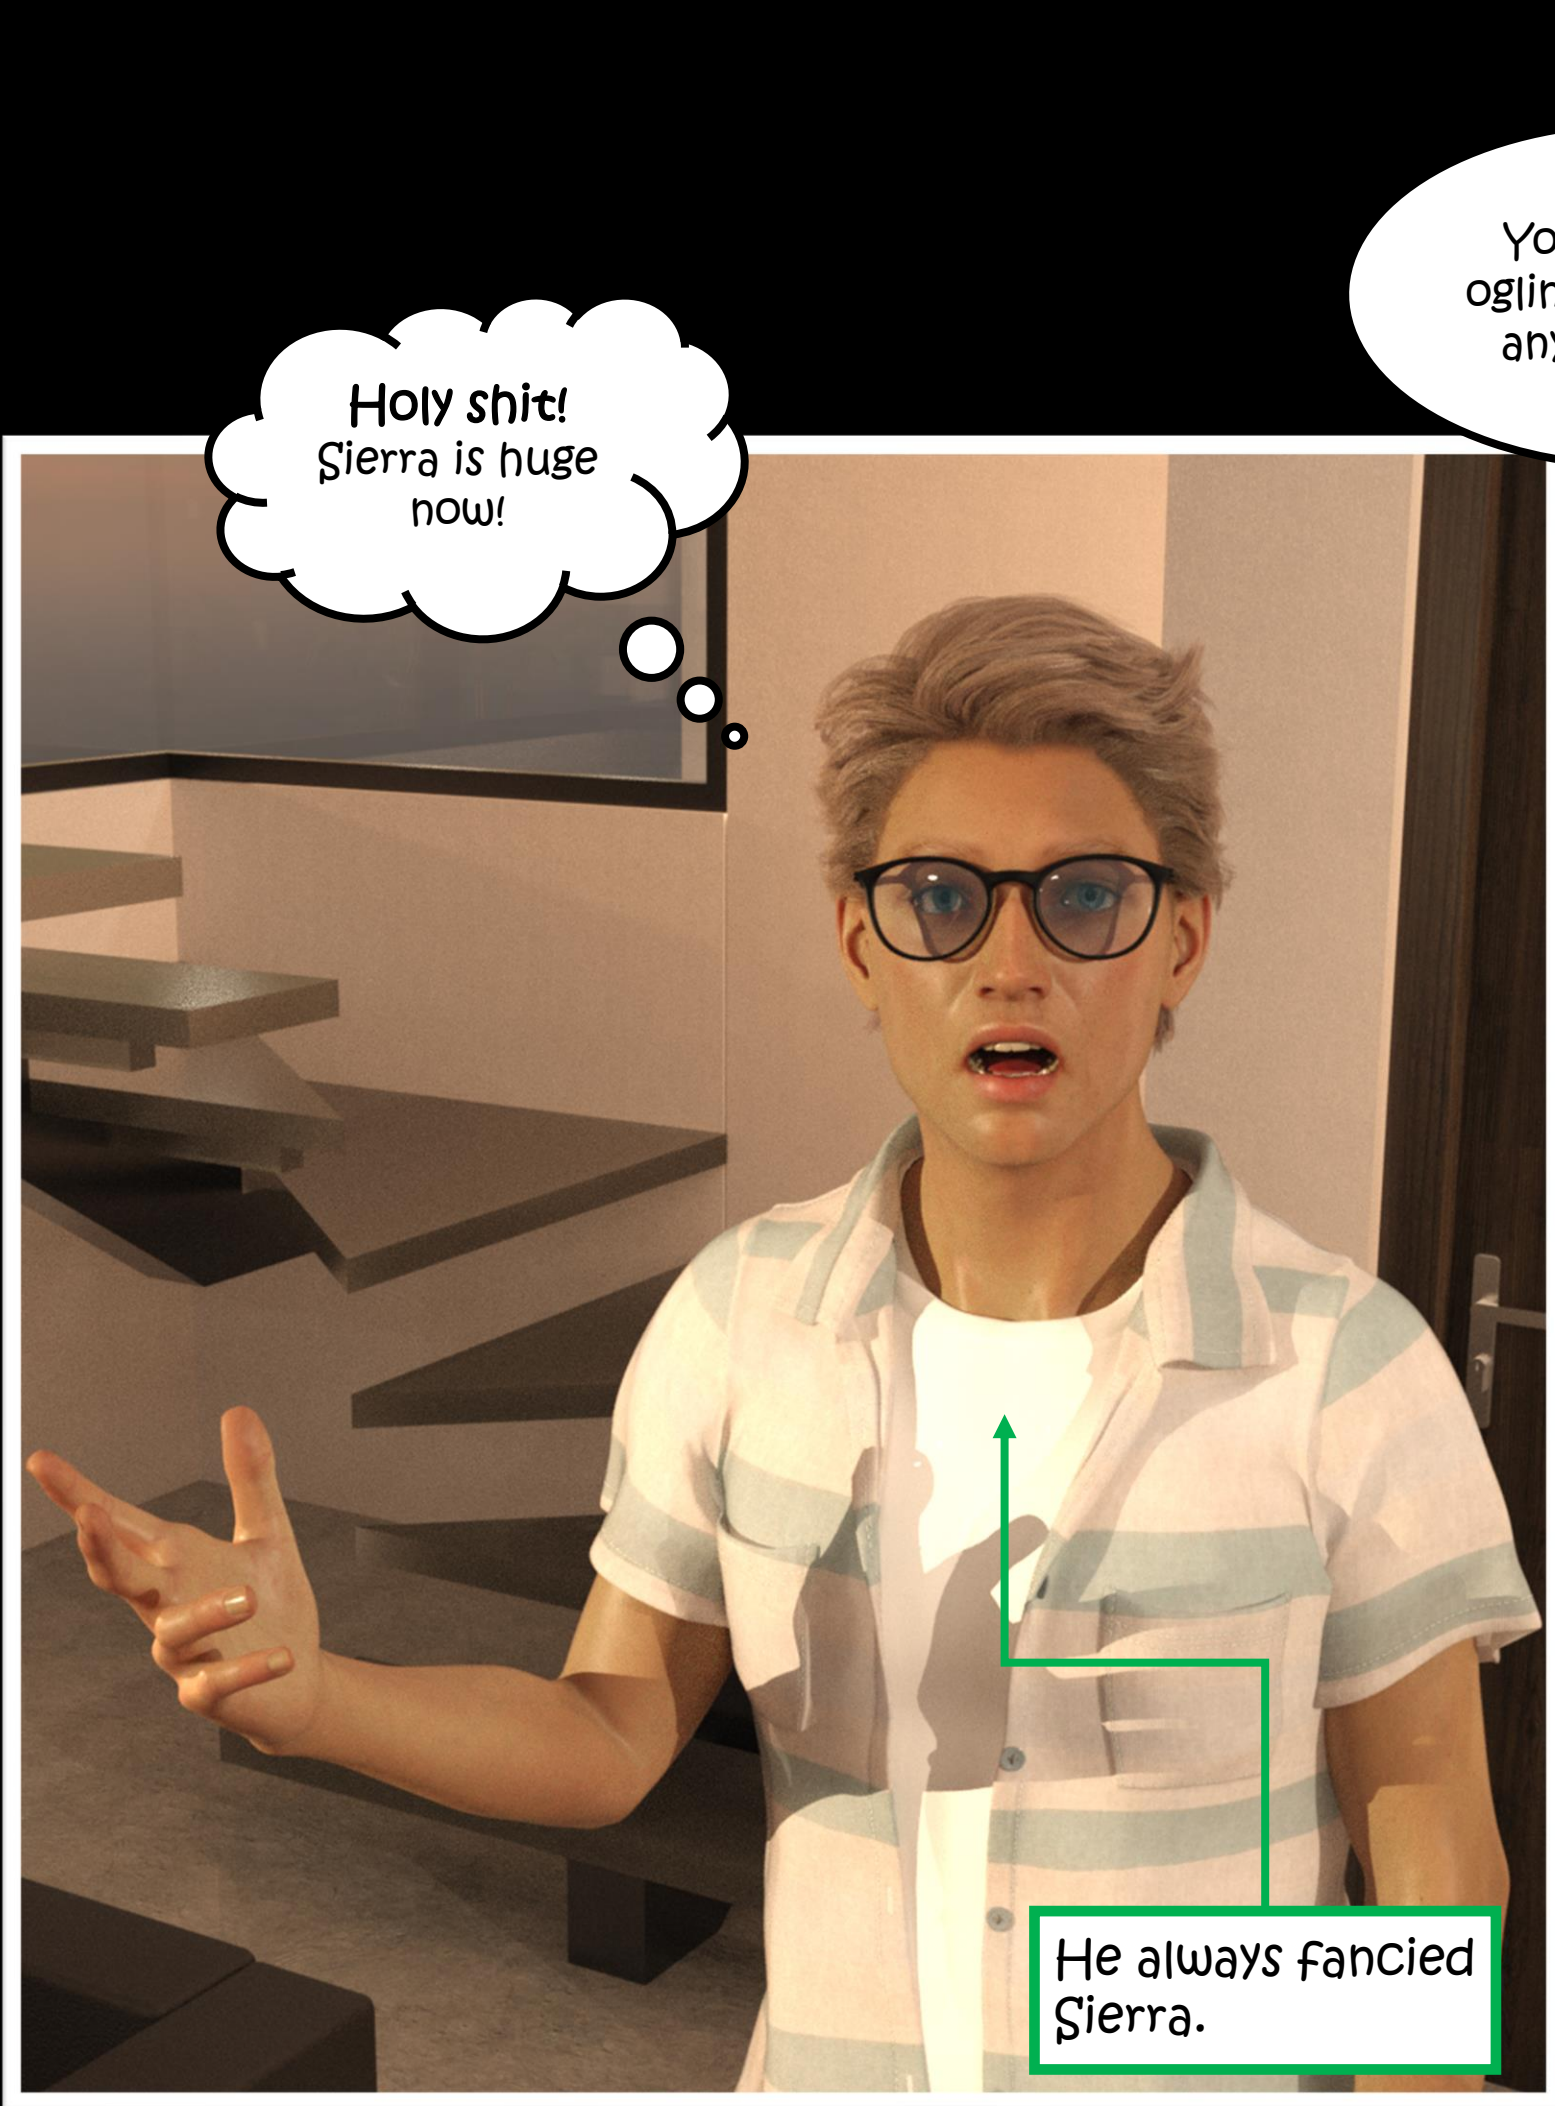

He's not too surprised... Of course, he knows. It's his gadget...

I wonder if LEXI can also...

Why's he
looking at
me now?

This might be the
greatest beauty tool in
the history of humanity
and you were hogging it
for yourself? Not using it
at all, taking a look at
you!

You can stop ogling my breasts any time now!

Who knows how you might fuck it up!

You are not
listening to
me!

You gotta
share this!

Aw, fuck!
There is no
use talking
this out...

What the?

LEXI, make Jess's brother silently go up to his room and make him stay there!

... Gina?

Affirmative

...

You ...

Holy!

What?!

*Making Mikael
Harrison go up to
his room silently ...*

No!
LEXI, it's
me...

It can do
that too?!

...and have
him stay
there...

Pipsqueak?

Control
sequence
initiating...

The girls watch in awe...

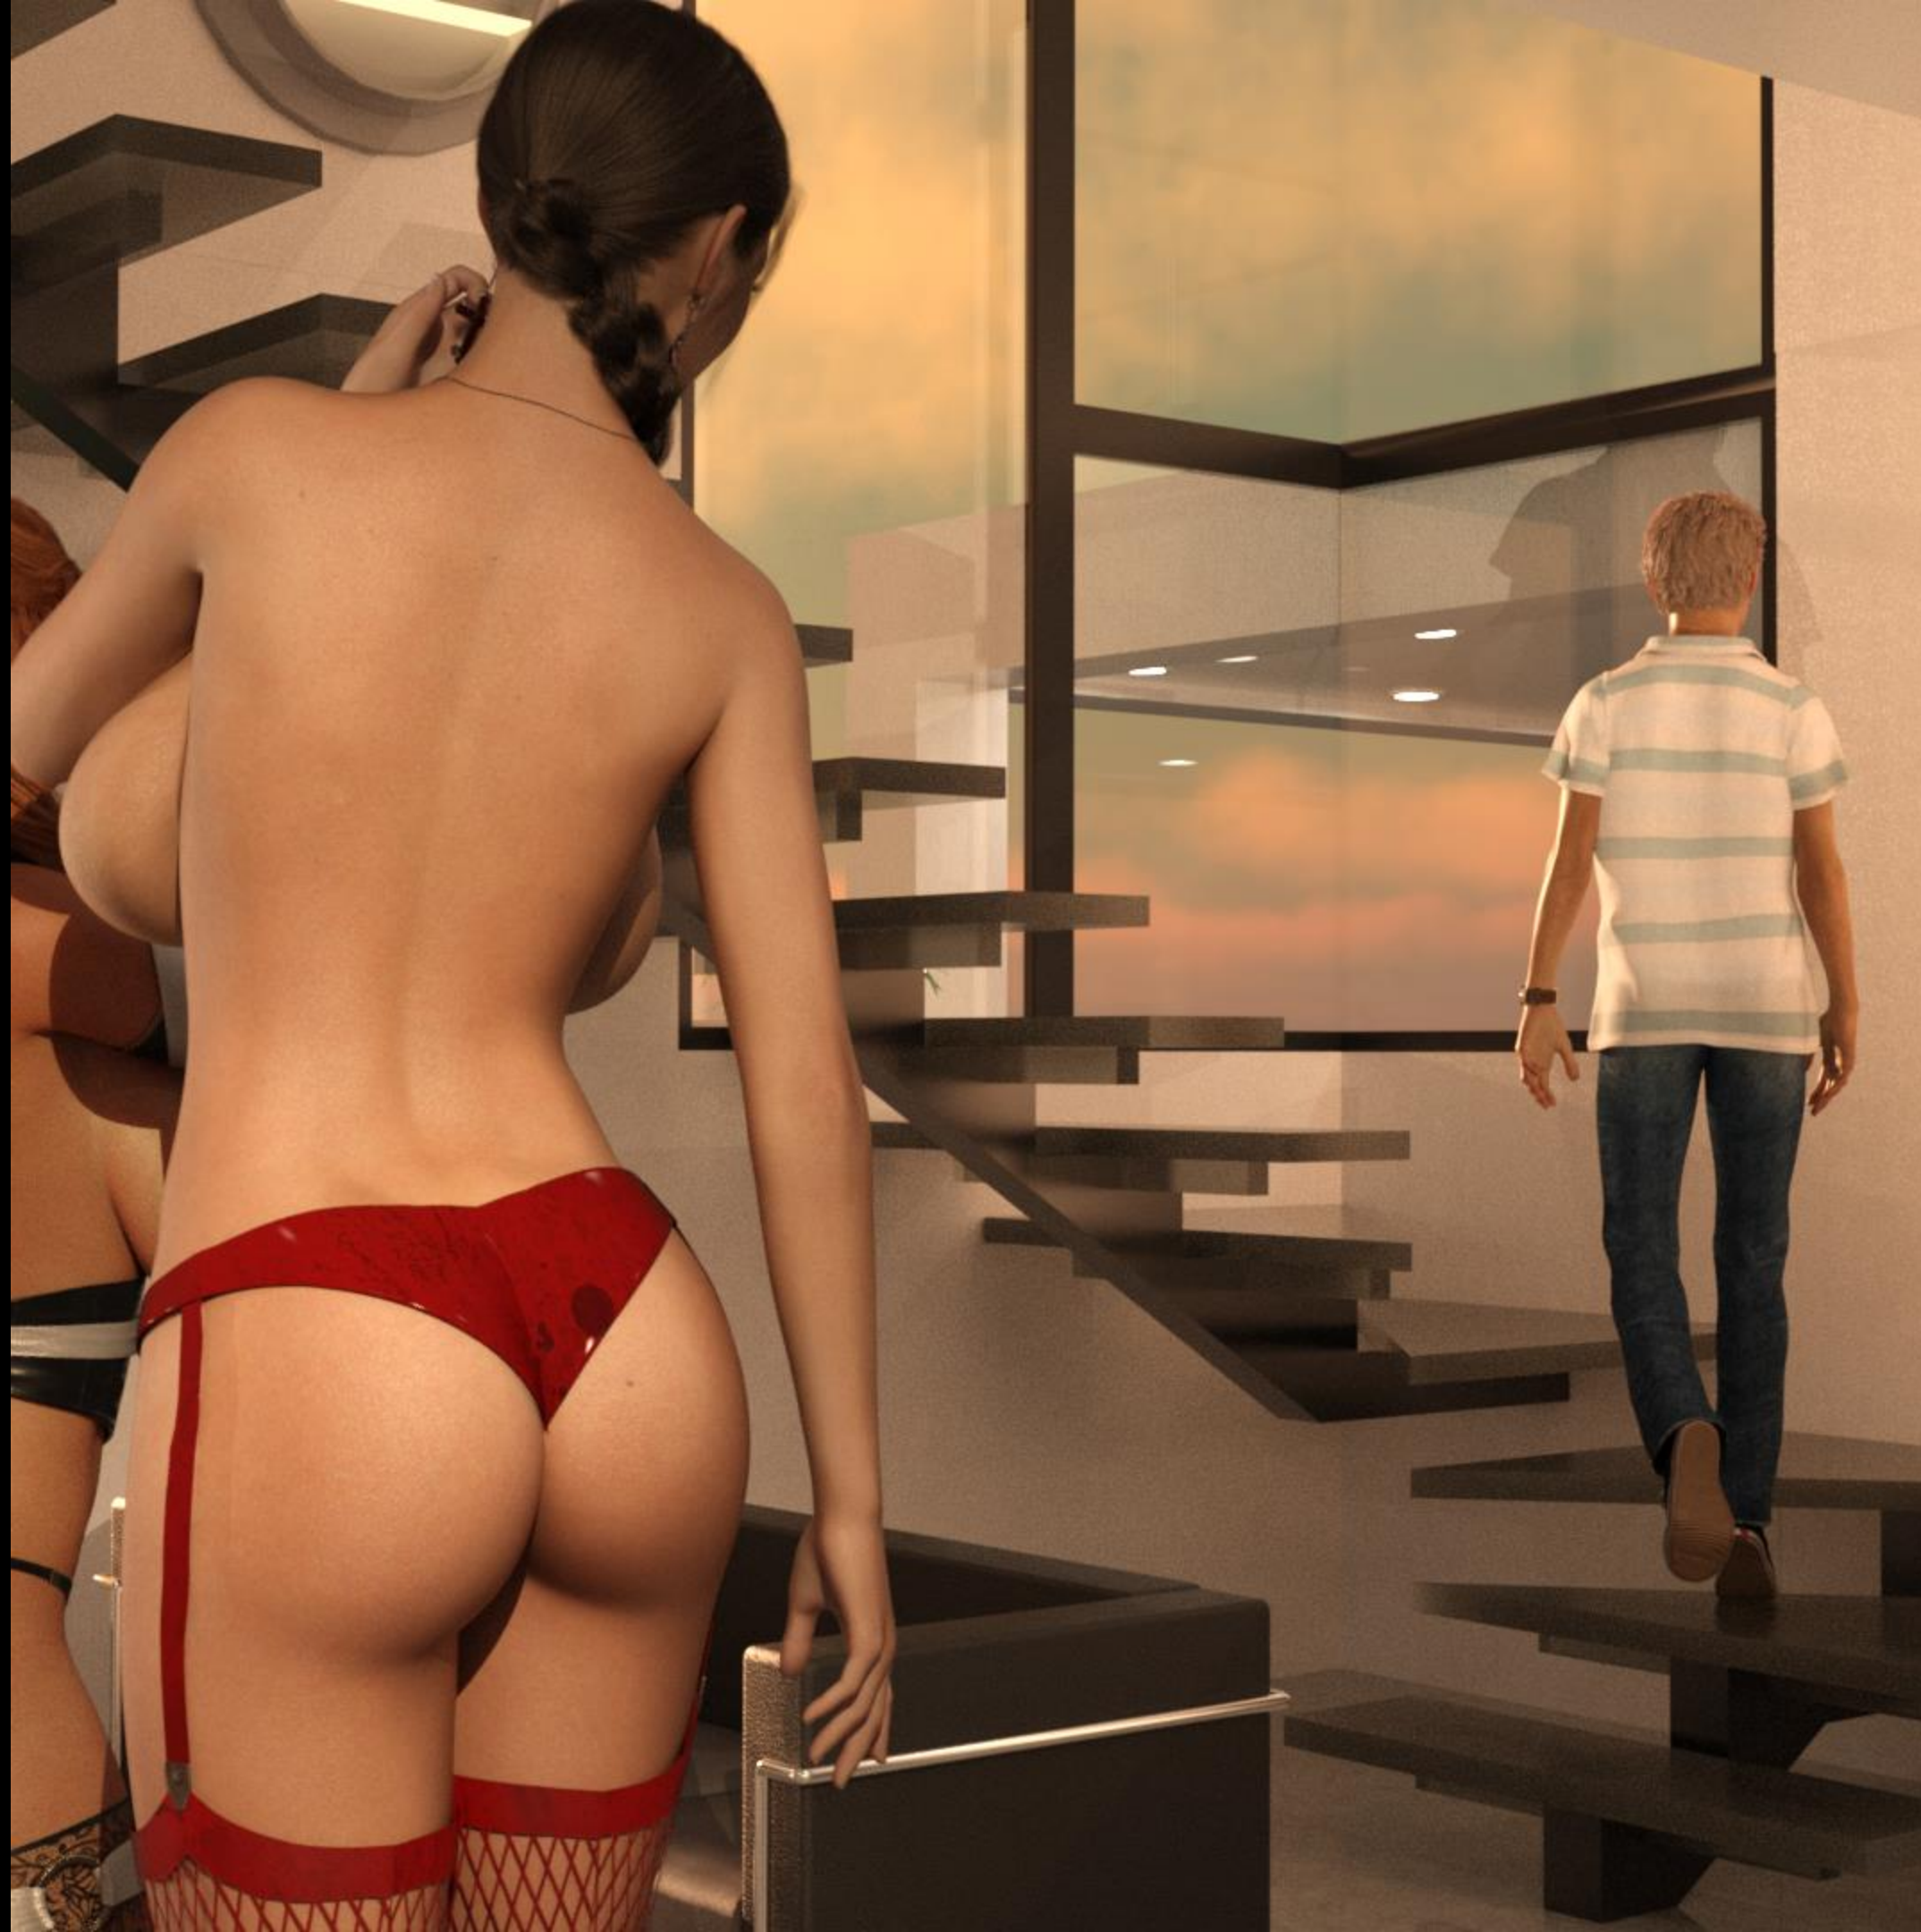

As Mika turns around on the spot...

Holy shit!

And starts walking up the stairs...

Without a word of protest.

Shit!
My body is
moving on it's
own!

Unbelievable!

Incredible!

That was
awsome,
Gina!

How did you
know that would
work?

giggle
I didn't!

A comic book panel featuring three women in a modern apartment. The woman on the left has long, wavy red hair and is wearing a black corset, black lace underwear, and black thigh-high stockings with lace. She is holding a small black device. The woman in the center has long, wavy orange hair and is wearing a black bikini top and bottom with white and black arm guards and thigh-high stockings. She is gesturing with her right hand. The woman on the right has long, straight brown hair and is wearing a red bikini top and bottom with red thigh-high stockings. She is looking at the other two women. In the background, there is a dining table with white plates and glasses, a chandelier, and a large window showing a city skyline at night.

But he did look like he was going to use LEXI on you two.

So I thought: „Well, maybe it can control people too.“

Good thinking!

You saved us!

Not what I was thinking about!

LEXI, make Professor Dugout give all three of us an A+ in Class!

That's not what I was thinking about!

... No target Prof.
Dugout found in
range. Unable to
comply with
instructions.

Maybe we
can take it to
school and
use it from
there?

It did say it
was a range
problem.

That's a good
idea. Let's take
it to school
tomorrow!

But... what
shall we do
until then?

Uh, I know!
There is
something I
want to try!

She is
eager!

Nice!

*Affirmative.
Adapting body
functions to trigger
a squirting orgasm
is feasible.*

Da fuck?

Do you guys
squirt?

I saw that
in a porno!

And it looked
like it was really
pleasurable!

We got who knows
what powers at
our hand and you
just want to use it
to get yourself
off?

Thanks for your
understanding!

I'll go into the
bathroom and
you trigger me,
Gina, okay?

Err...
sure...

Not giving her friends
much time to react, and
with a blushing face, Sierra
quickly rushes into the
bathroom...

clonk

We are really
doing this? ①

Well... if it's
what she
wants... ②

LEXI, make my friend
Sierra experience an
awesome squirting
orgasm right now.

*Affirmative.
Initiating squirting
orgasm in target
Sierra...*

This is stupid.

Hm... is it working?

moan

squirt

Holy...
WOW!

...

huff
huff

Bending her head so she does not
knock it on the door frame!

How
was it?

So...

In the meantime, Mika has gone upstairs and settled in his room...

Darn!
I could do nothing but walk up here. And now I can't leave!

moan

What the fuck was that? What are these girls doing with my LEXI?!

To be continued...

Thank you for reading!

Hello, Hexxet here,

I hope you enjoyed the chapter. There wasn't that much TF in this one, but of course, the girls are still changed and who doesn't like a LEXI-induced orgasm? 😊

Spoiler: In accordance with a recent Patreon poll, the next chapter will deal with Mika regaining control over the situation at hand!

If you like my comics, please consider supporting me on Patreon. I need your support to keep creating more Magic-Control comics! 😊
