Valentines Day... Love
is in the air.

I had meticulously
planned for today.

Anna and I have met about a year ago. We had the same classes... we studied together. Our hobbies aligned. She was just perfect!

I had bought some expensive chocolate. The one I knew she liked.

Everything was perfectly aligned for that special day so I could confess my love to her.

A young man and woman in school uniforms are shown in a close embrace, kissing. The man, on the left, has short brown hair and is wearing a light-colored shirt with a red tie. The woman, on the right, has long, wavy blonde hair and is wearing an orange shirt with a dark blue sailor-style collar. They are both looking down at each other. The background is a bright, out-of-focus outdoor setting with a window and some greenery.

To feel her cute
lips upon mine.

Everything would
have been perfect...

If that guy over there was me!

And if this... hadn't
happened just an hour ago...

Hey Anna!

Hey there!
What's up?

I wanted to
give you
this.

Chocolate?

A young woman with long, wavy blonde hair and bangs is shown from the chest up. She is wearing a school uniform consisting of a white collared shirt, a blue and white plaid bow tie, and a tan-colored jacket. She is holding a small, rectangular red gift box with a yellow ribbon bow. Her expression is one of surprise or confusion, with wide eyes and a slightly open mouth. The background is a blurred indoor setting with a window showing a view of a building.

I mean it's
Valentine's
Day and ...

Err... isn't
this a bit
weird?

I love you,
Anna!

Oh...

We totally click together, Anna!
Don't you like me too?

I... I do like
you...

But as a
friend...

I'm sorry...

And there we have it.
I got friend-zoned!

I took that rejection like a man...
I ran away so she would not see me cry!

Now I'm creeping around – hiding so
Anna won't notice...

And my heart stings as I see her
with Rick... one of our Classmates.

Rick's a cool guy, I'd say. We could be friends, I think... But him and Anna? I never saw that coming!

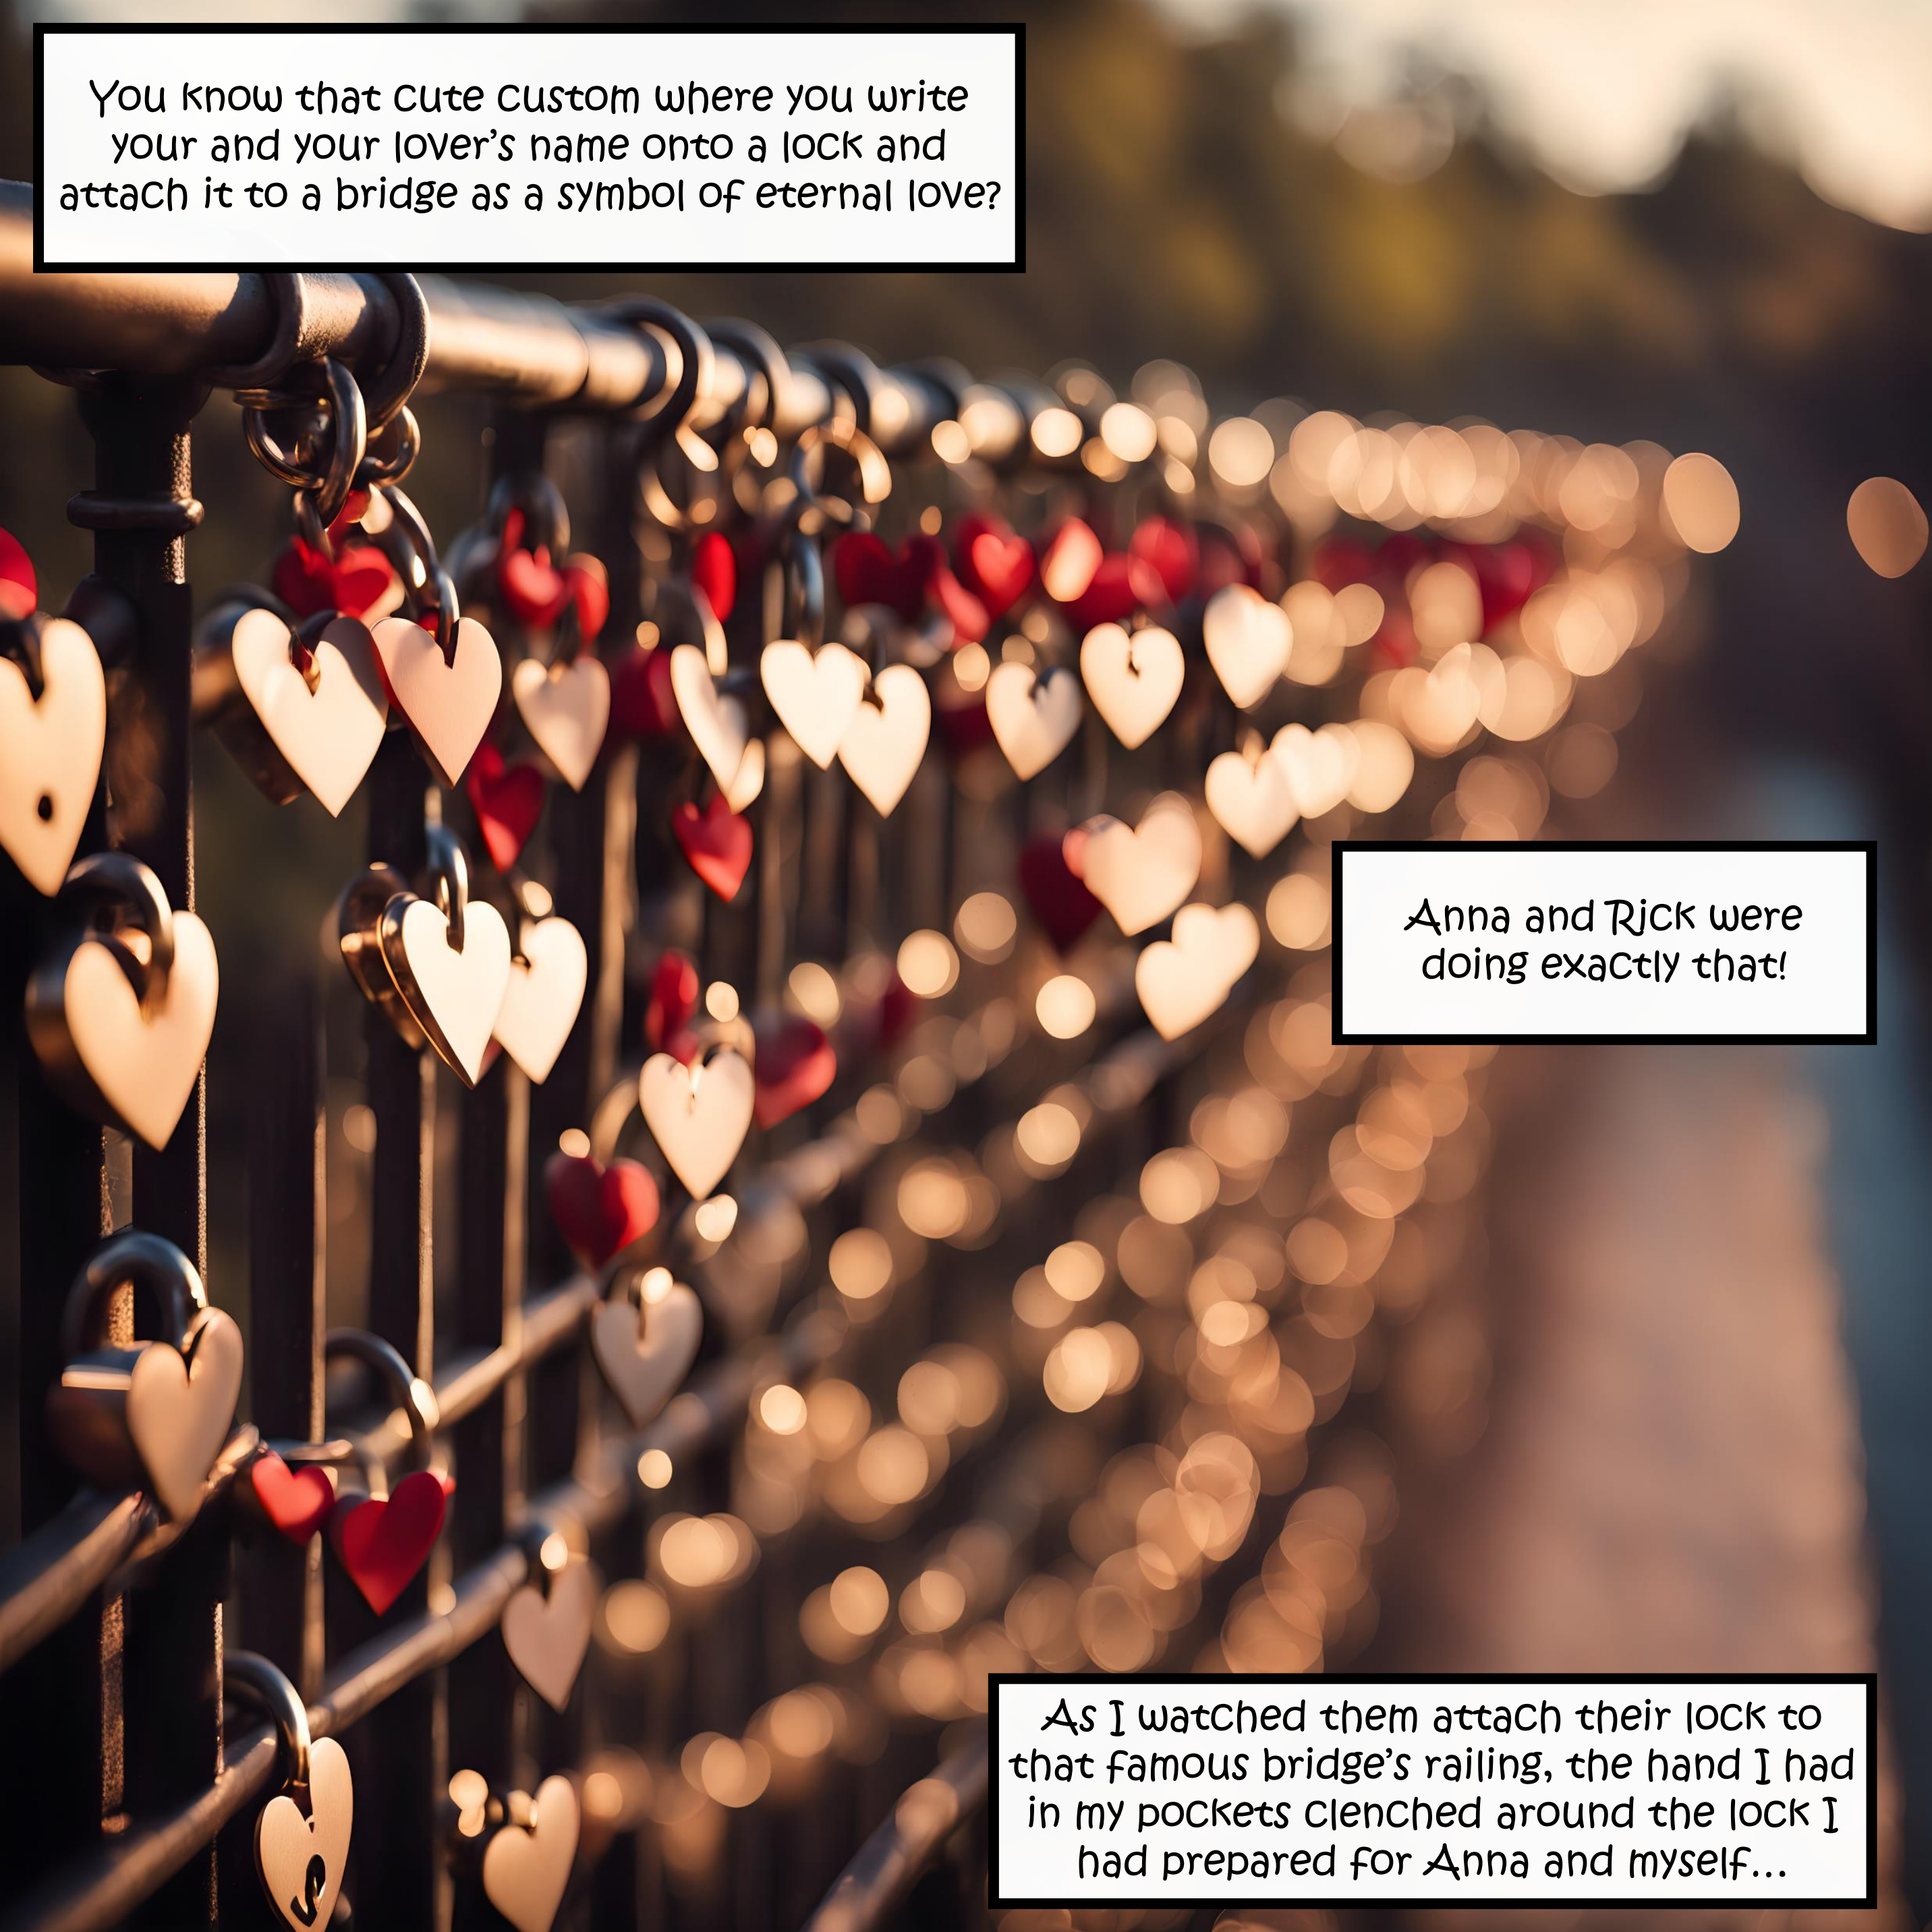

Once classes are over, I follow them downtown...

Why did I do that? I don't know... I was not planning on doing anything to them if that's what you think!

And seeing Anna happy with another guy certainly did not soothe that pain in my heart either...

Maybe... I just wanted to see how Anna would spend her Valentine's Day...

You know that cute custom where you write your and your lover's name onto a lock and attach it to a bridge as a symbol of eternal love?

Anna and Rick were doing exactly that!

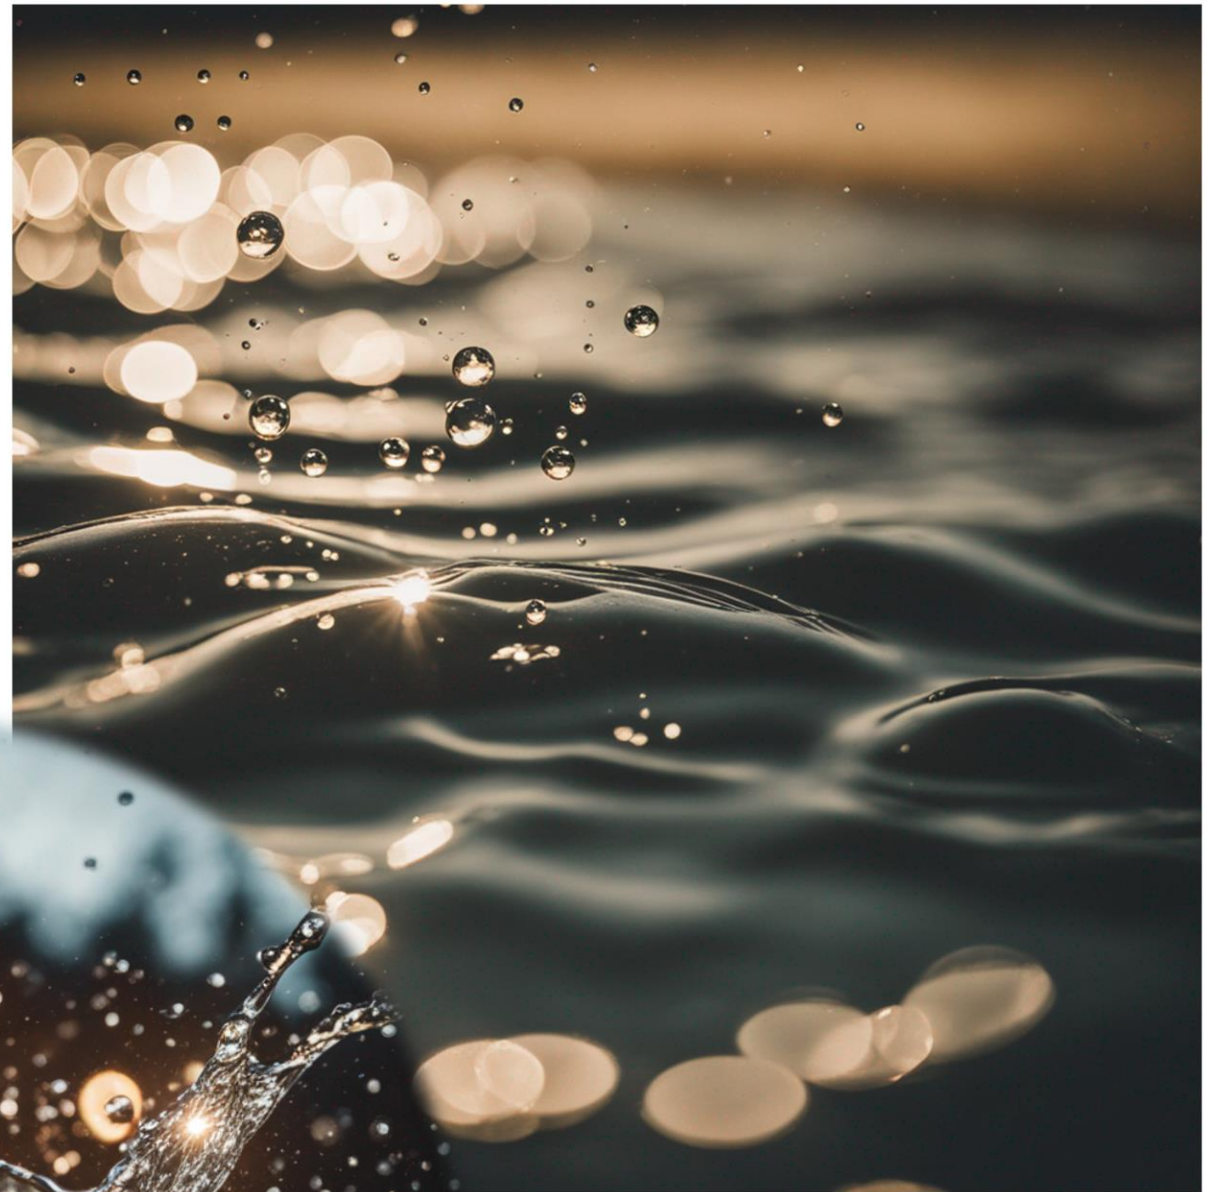

As I watched them attach their lock to that famous bridge's railing, the hand I had in my pockets clenched around the lock I had prepared for Anna and myself...

There's a rumor around that bridge in town. It's said no couple with a lock up there has ever split up...

giggle

With a happy smile on her face, Anna throws the key into the water below...

splish

Then they continue their walk hand in hand.

I throw away my lock...
sob

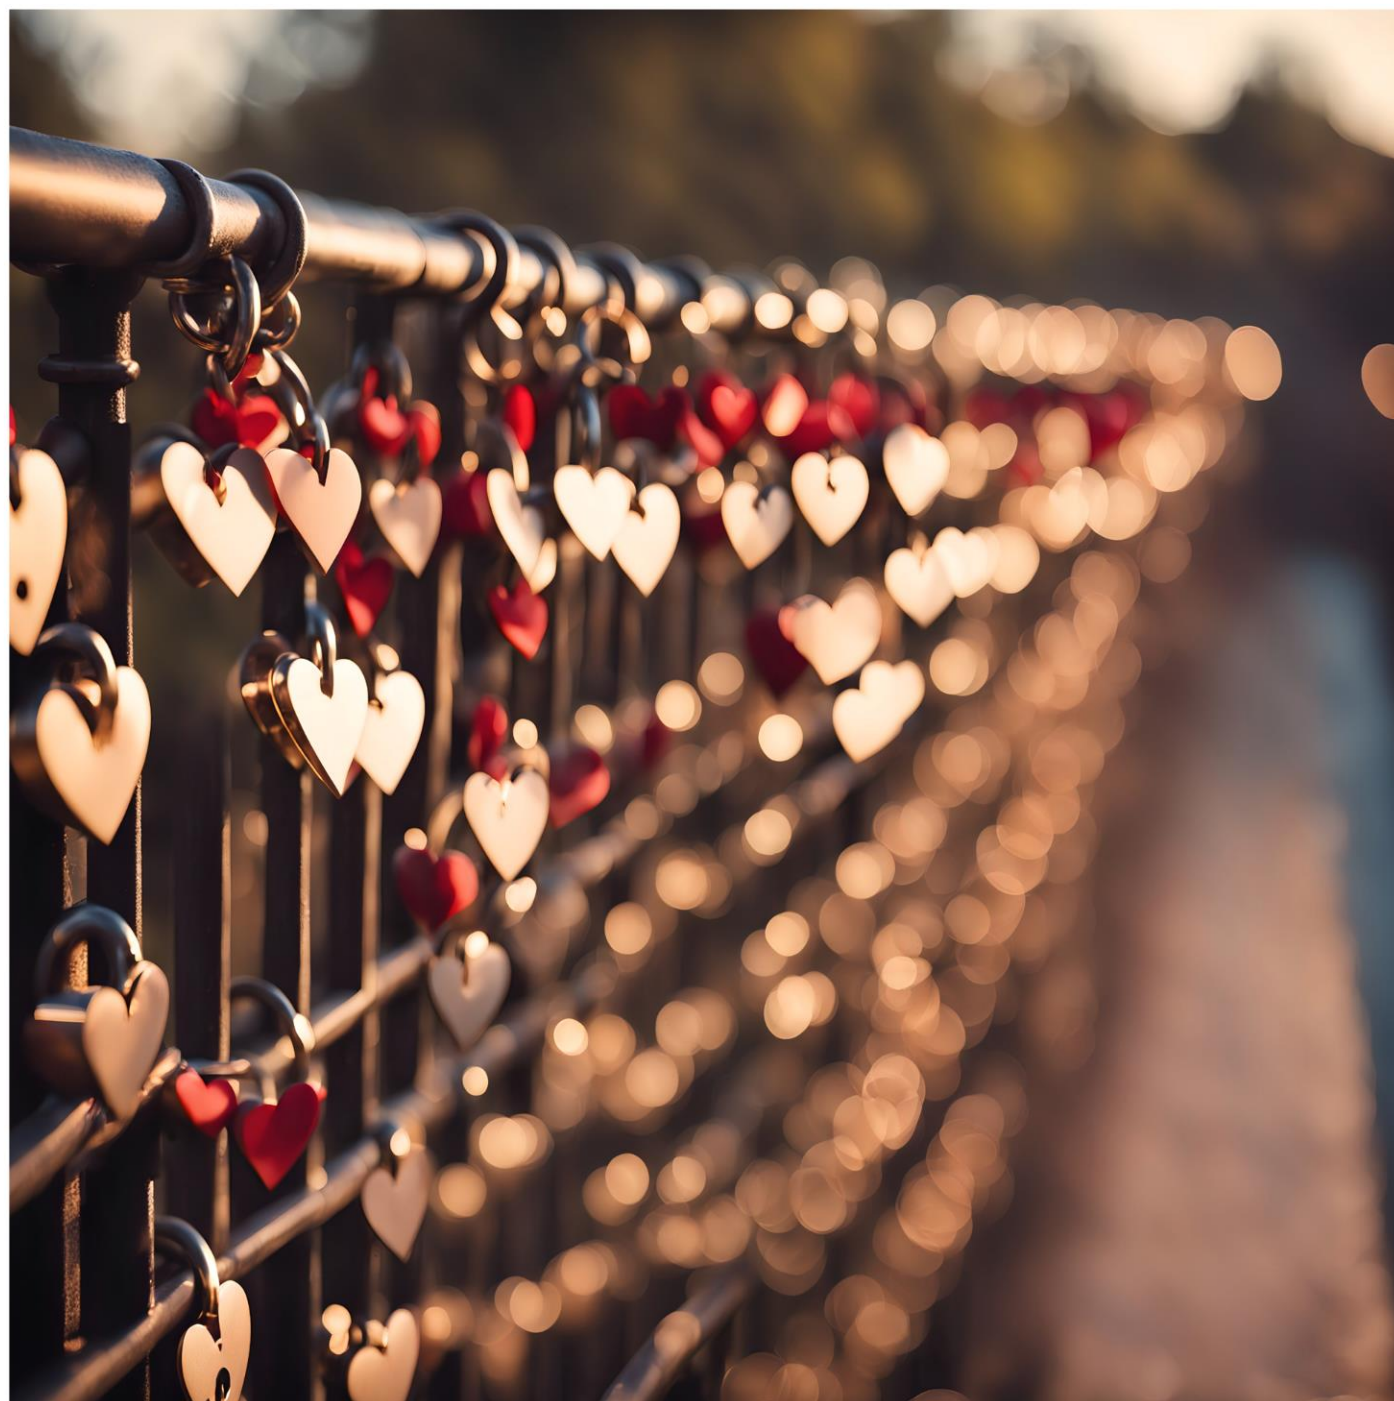

splash

I see them enter a
close by coffee shop
and through the
window I watch
them enjoy each
other's company...
all huggly and
snuggly!

And that's really all I
can take...

I turn my back on the coffee shop and decide to go back home... and sulk into my pillow...

The way home leads me across that “love bridge” once again and my eyes can’t help but focus on Anna’s lock...

Their names written upon a
heart-shaped lock with
permanent marker?

ANNA + RICK

You call that love, Rick?! I had
our names engraved! **sob**

Now... something snapped inside
my brain and I did what I did...

I'm not proud of it...
it was mean...

ANNA + ~~rick~~

But I crossed out Rick's name...
then added mine...

I turn back one last
time and, from this
distance, I only see
Anna's silhouette
flirting with Rick's
shadow...

Slowly my steps
take me back home
– that image of
Anna flirting with
Rick at that café
still engraved in my
mind.

What am I
even doing
here?

Would they make out? Would she follow him to his place, afterward?

I don't love Rick!

Or would they... do
“it” at her place?
sob

I'm sorry,
Rick.

This is not
working out.

I have just arrived home, removed my shoes, and have fallen into bed when the doorbell rings.

ring

ring

“Let it ring”, I think to myself, wishing people would just leave me alone with my sadness...

ring

ring

But it rings again... and it's really annoying... So, I get up ...

I can't believe
my eyes when I
open the door...
It's Anna!

Hey...

This was really
happening!

I... I'm sorry
for before...

I... had... other...
commitments...

But the more
I thought
about us...

A detailed illustration of a young woman with long, wavy blonde hair and bangs. She has large, expressive blue eyes with small red hearts as pupils. She is wearing a light orange short-sleeved sailor-style shirt with a dark blue bow at the collar, over a white long-sleeved shirt, and a dark blue pleated skirt. She is standing in a doorway at night, with a wooden door and a dark blue door visible behind her. The background shows a dark blue sky with a full moon and some distant lights. The lighting is soft, highlighting her face and hair.

She just needed some
time to get her thoughts
in order! I knew we were
made for each other!

You are the
one I love!

If you still
want me, I'll
gladly be your
girlfriend!

Obviously, I let her in, and we went to my room like so many times before...

And also... not. It was very different!

For the first time we were not here to study... but... as... lovers?

I felt a bit insecure as I watched Anna sit down on my bed...

A young woman with long, wavy blonde hair and blue eyes is kneeling on a bed with white linens. She is wearing a school uniform consisting of a light orange long-sleeved shirt with a dark blue sailor collar and a dark blue pleated skirt with a white grid pattern. She has a small red heart on her collar and orange cuffs. She is looking directly at the viewer with a slight smile. The background shows a bedroom with a window, a nightstand with a teddy bear, and a framed picture.

She was
blushing as well,
but she made
the first step.

Come, sit
with me.

And as I sat with her, she
snuggled up to me and we
talked. We talked for a very
long time while holding
hands and being close. I was
so happy!

I did not even think about taking any further actions. I was totally content with taking in her scent and feeling her hand in mine but...

Wanna see my breasts?

Dumbfounded I nod
and I my eyes almost
pop out as Anna
opens her shirt.

giggle

You just going
to look?

Can I... can I
touch them?

Of course
you dummy.
I want you
to! I love
you!

You like
them?

gulp
They are
perfect,
Anna!

I kept fondling Anna's
breast for I don't
know how long.

They were soft...
and squishy...

I loved running my
hands over them... I
was in heaven!

Wanna see
more?

I did not really have
time to respond –
Anna was already
taking off her skirt...

I really do
love you.

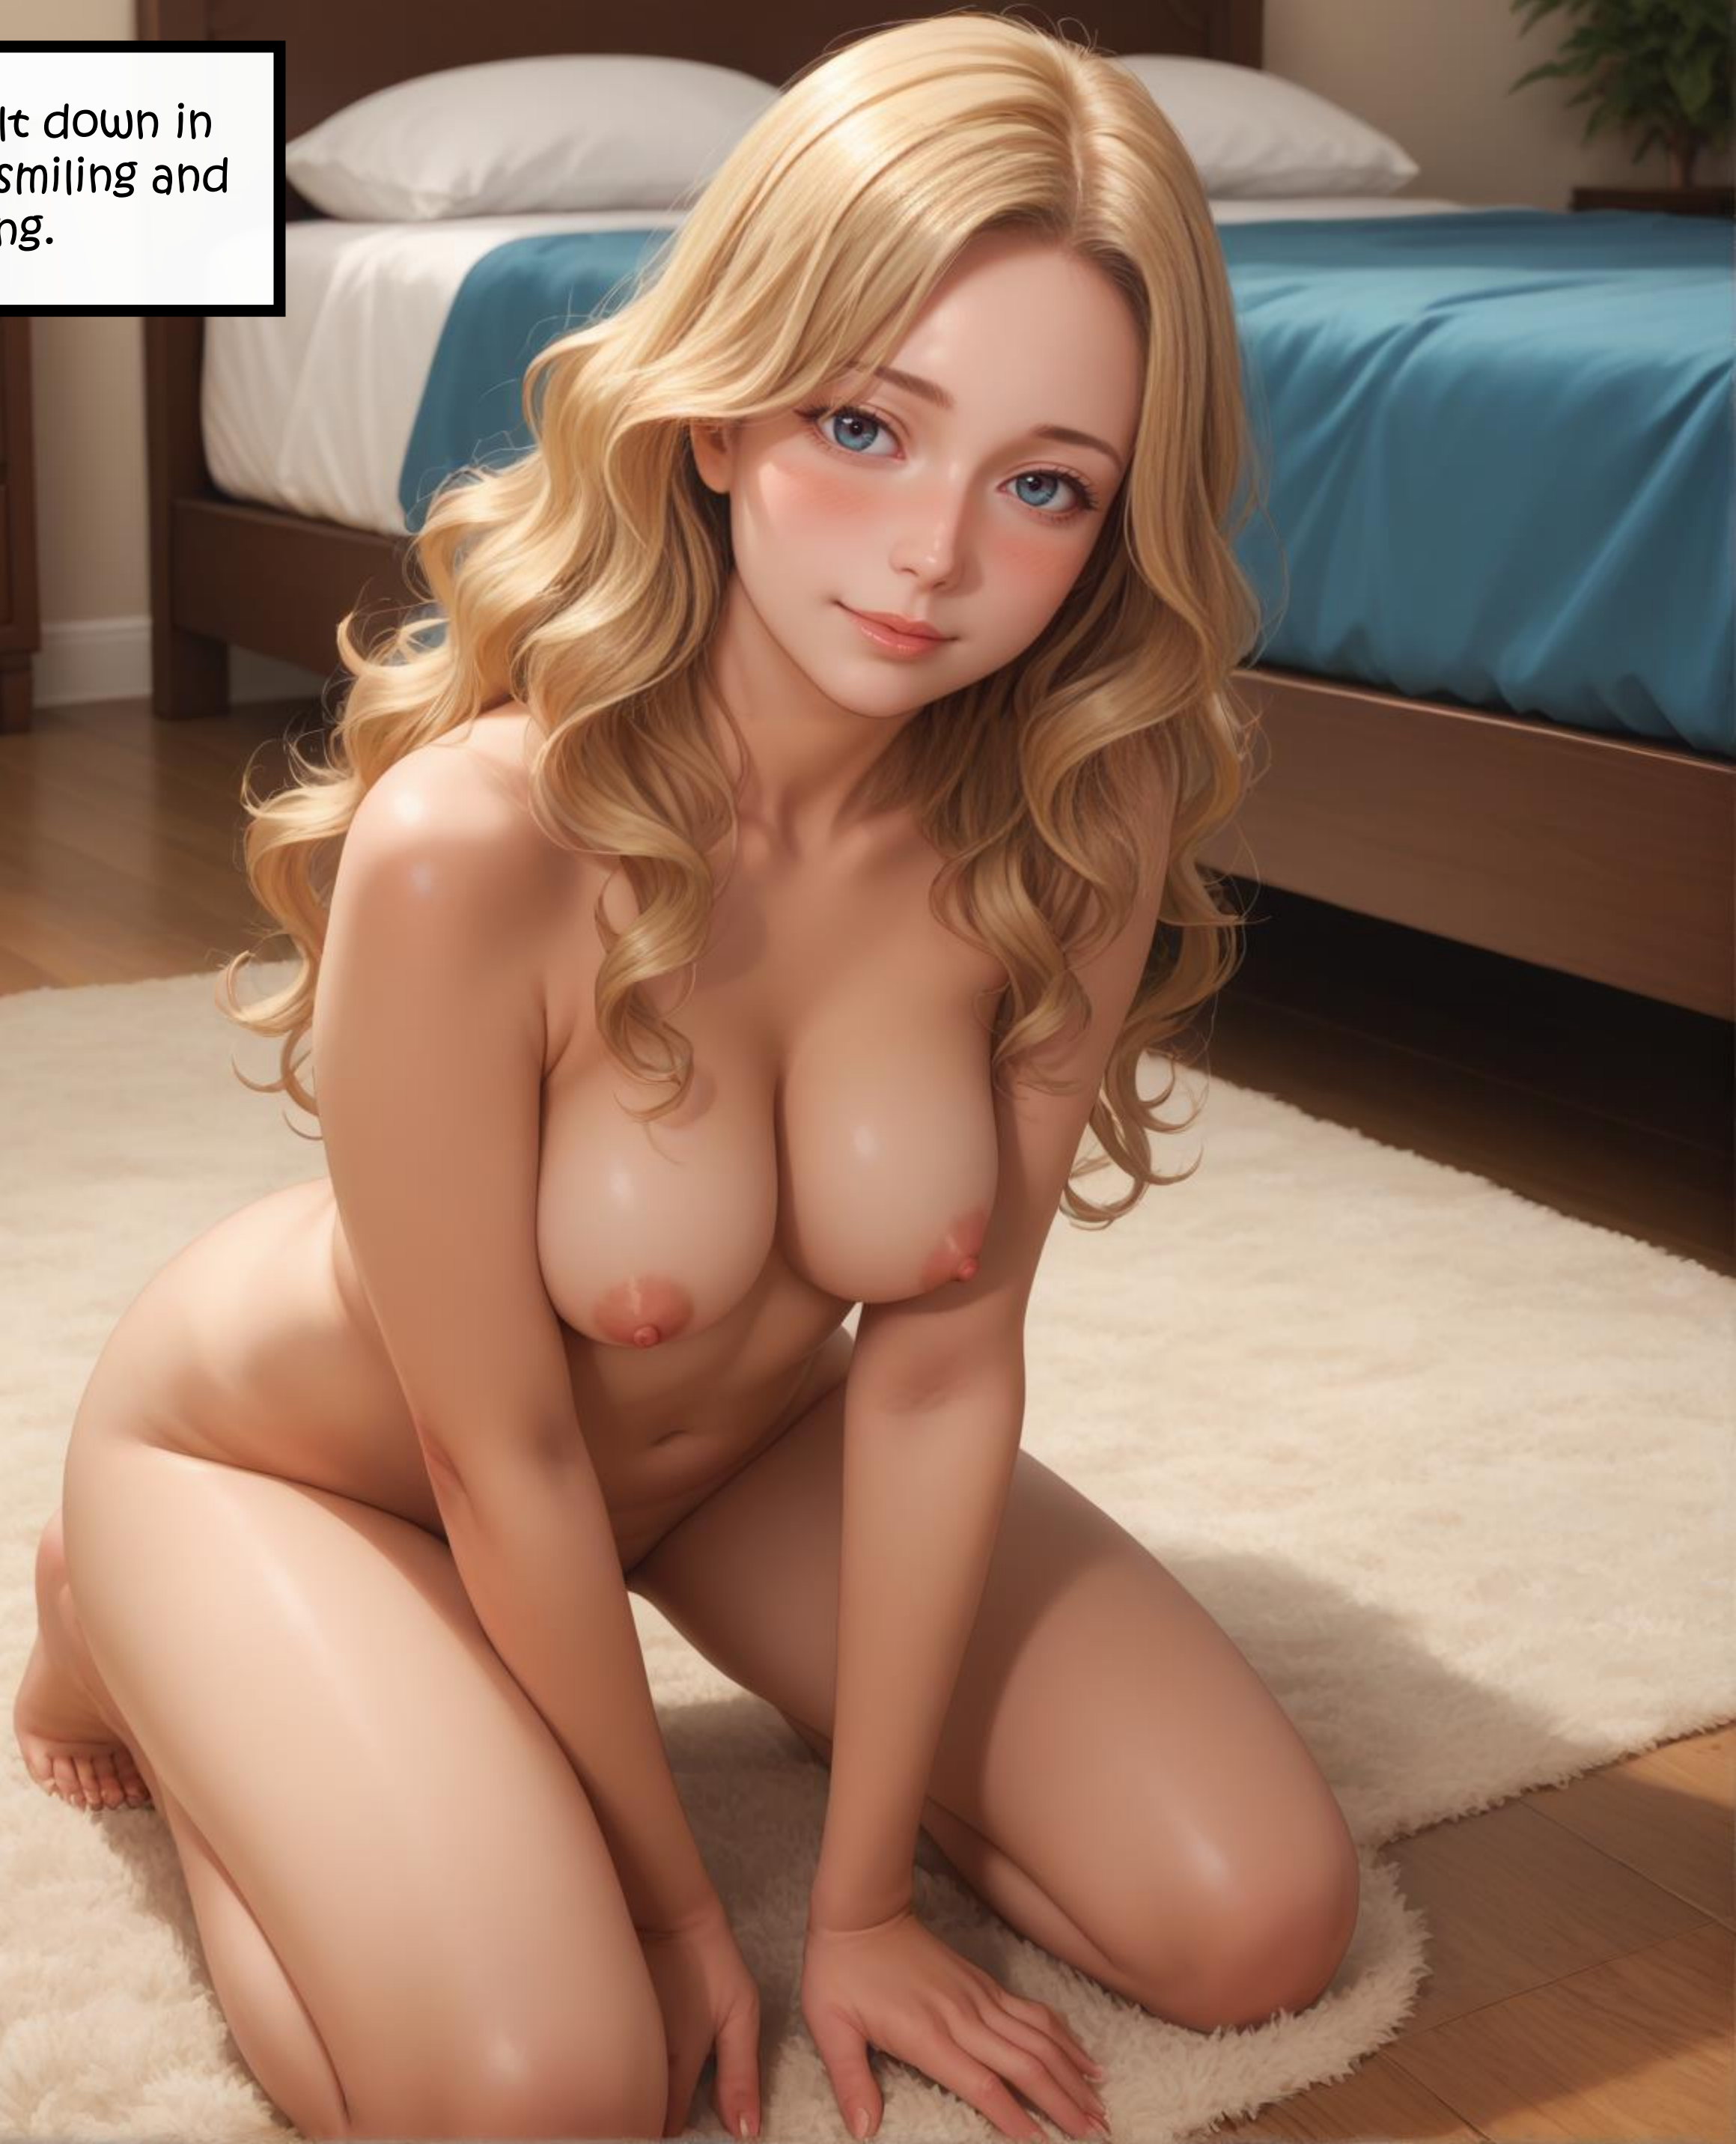

And slowly
started to
remove her
panties.

Her ample breasts
formed an awesome
cleavage as she bent
forward to step out
of her underwear.

gulp

Then she knelt down in
front of me – smiling and
blushing.

This was all going much faster than I had thought of. But of course, I was fine going along with Anna at any speed she wanted...

She was still blushing as she unzipped my trousers and took out my dick.

I hope you
like this...

Tell me if I
do anything
wrong.

lick

Anna's tongue feels
amazing licking my tip...

slurp

And when she slowly wraps her lips around it, I enjoy the sensation with every fiber of my body.

When I feel the
pressure rising...

I stop her from
bobbing up and down
my shaft any further.
I don't want to cum
just yet. Not before I
had time to pleasure
the girl I loved.

But, having only little experience, Anna once again takes the lead... and pins me down on the bed.

My cock is rock
hard and pulsing
as she rubs her
pussy against it.

Then she gets up...

And very slowly...

She lowers herself
upon my cock!

The sensation of entering her love tunnel sends shivers of pleasure down my spine.

Anna and me – united
for the very first time.

The girl I loved is
riding me – and she
loves it! She loves
me as well! Best
Valentine's Day
ever!

moan

We switch positions
and this time I'm on
top.

Kiss me.

I kiss Anna in a tight
embrace – my cock buried
deep in her nether folds.

I pick up the pace, and soon Anna is moaning in pleasure with every thrust I make.

moan

I love her sweet moans
that tell me I'm doing
something right down
there, as my own pleasure
only skyrockets.

I'm
close!

I can feel Anna's pussy
clench around my shaft
and her hips start to
buckle as she screams
in pleasure.

moan

It's a miracle I managed to hold out this long. And as soon as I feel Anna's orgasm subside, I pull out and finally release my pent-up load.

Oh, wow!

That was
incredible!

I love you
so much!

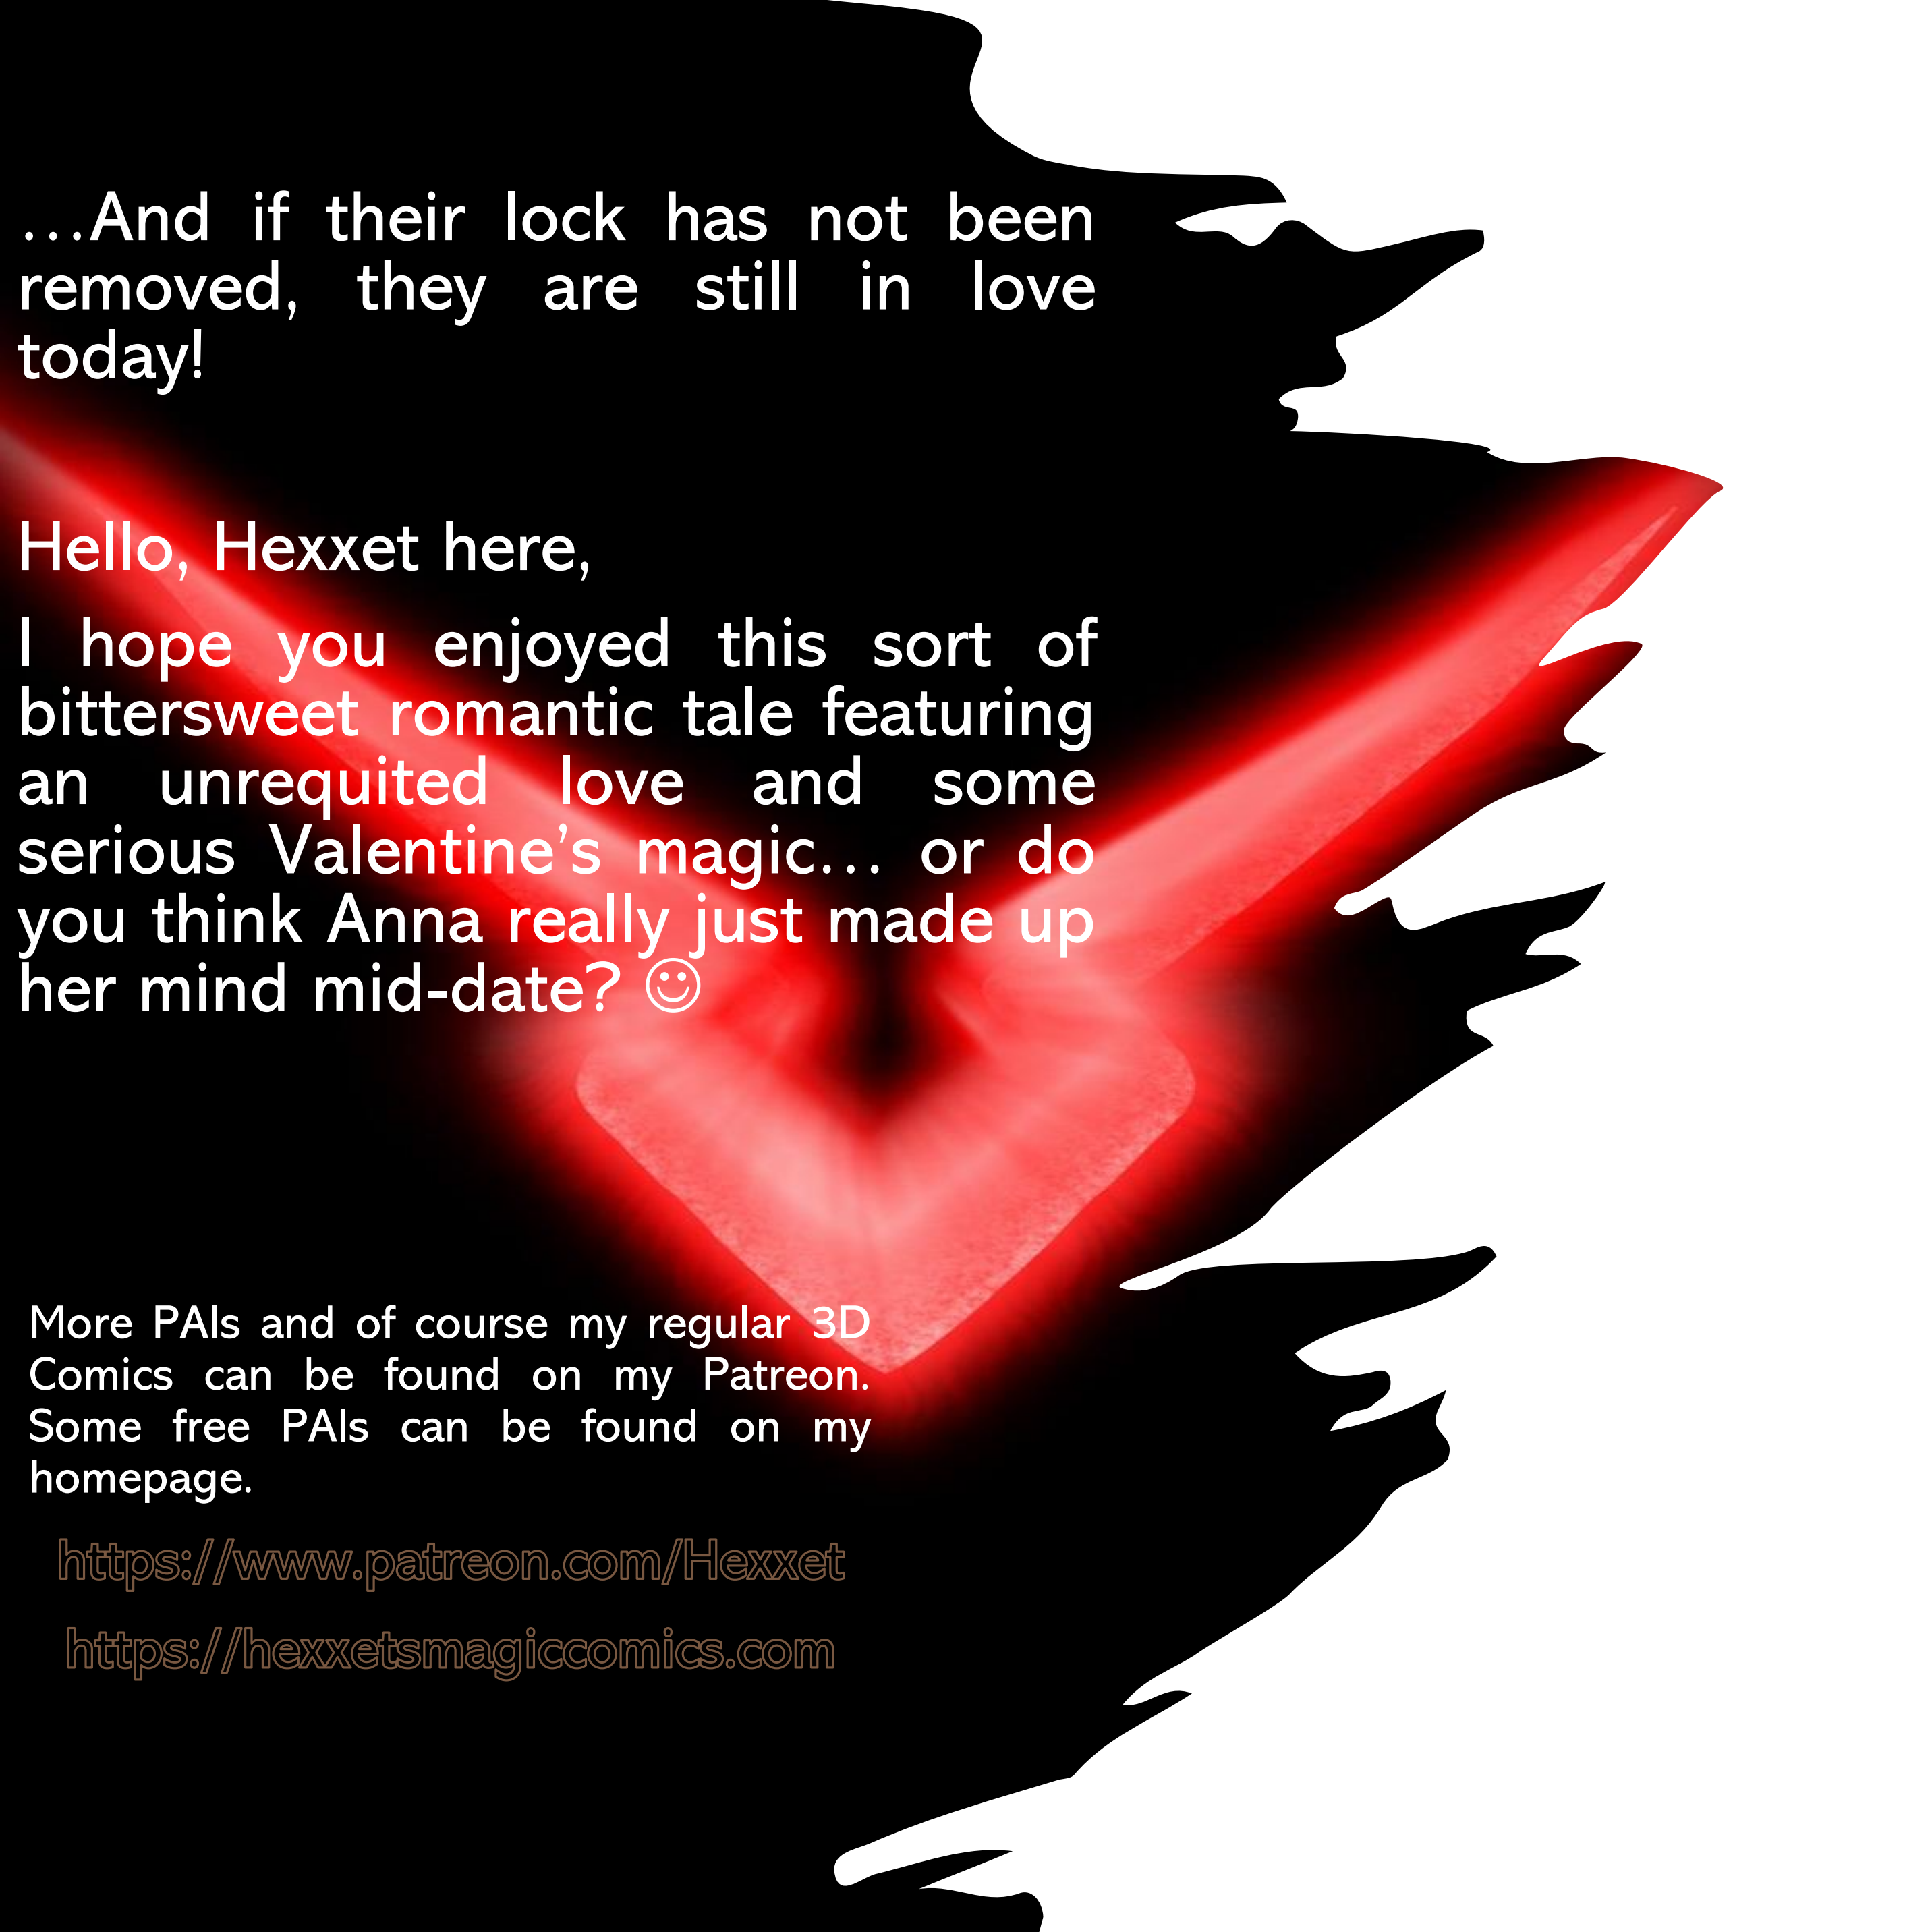

I love you
too, Anna.
Forever and
always!

kiss

The End.

...And if their lock has not been removed, they are still in love today!
