Valentines Day... Love
is in the air.

I had meticulously
planned for today.

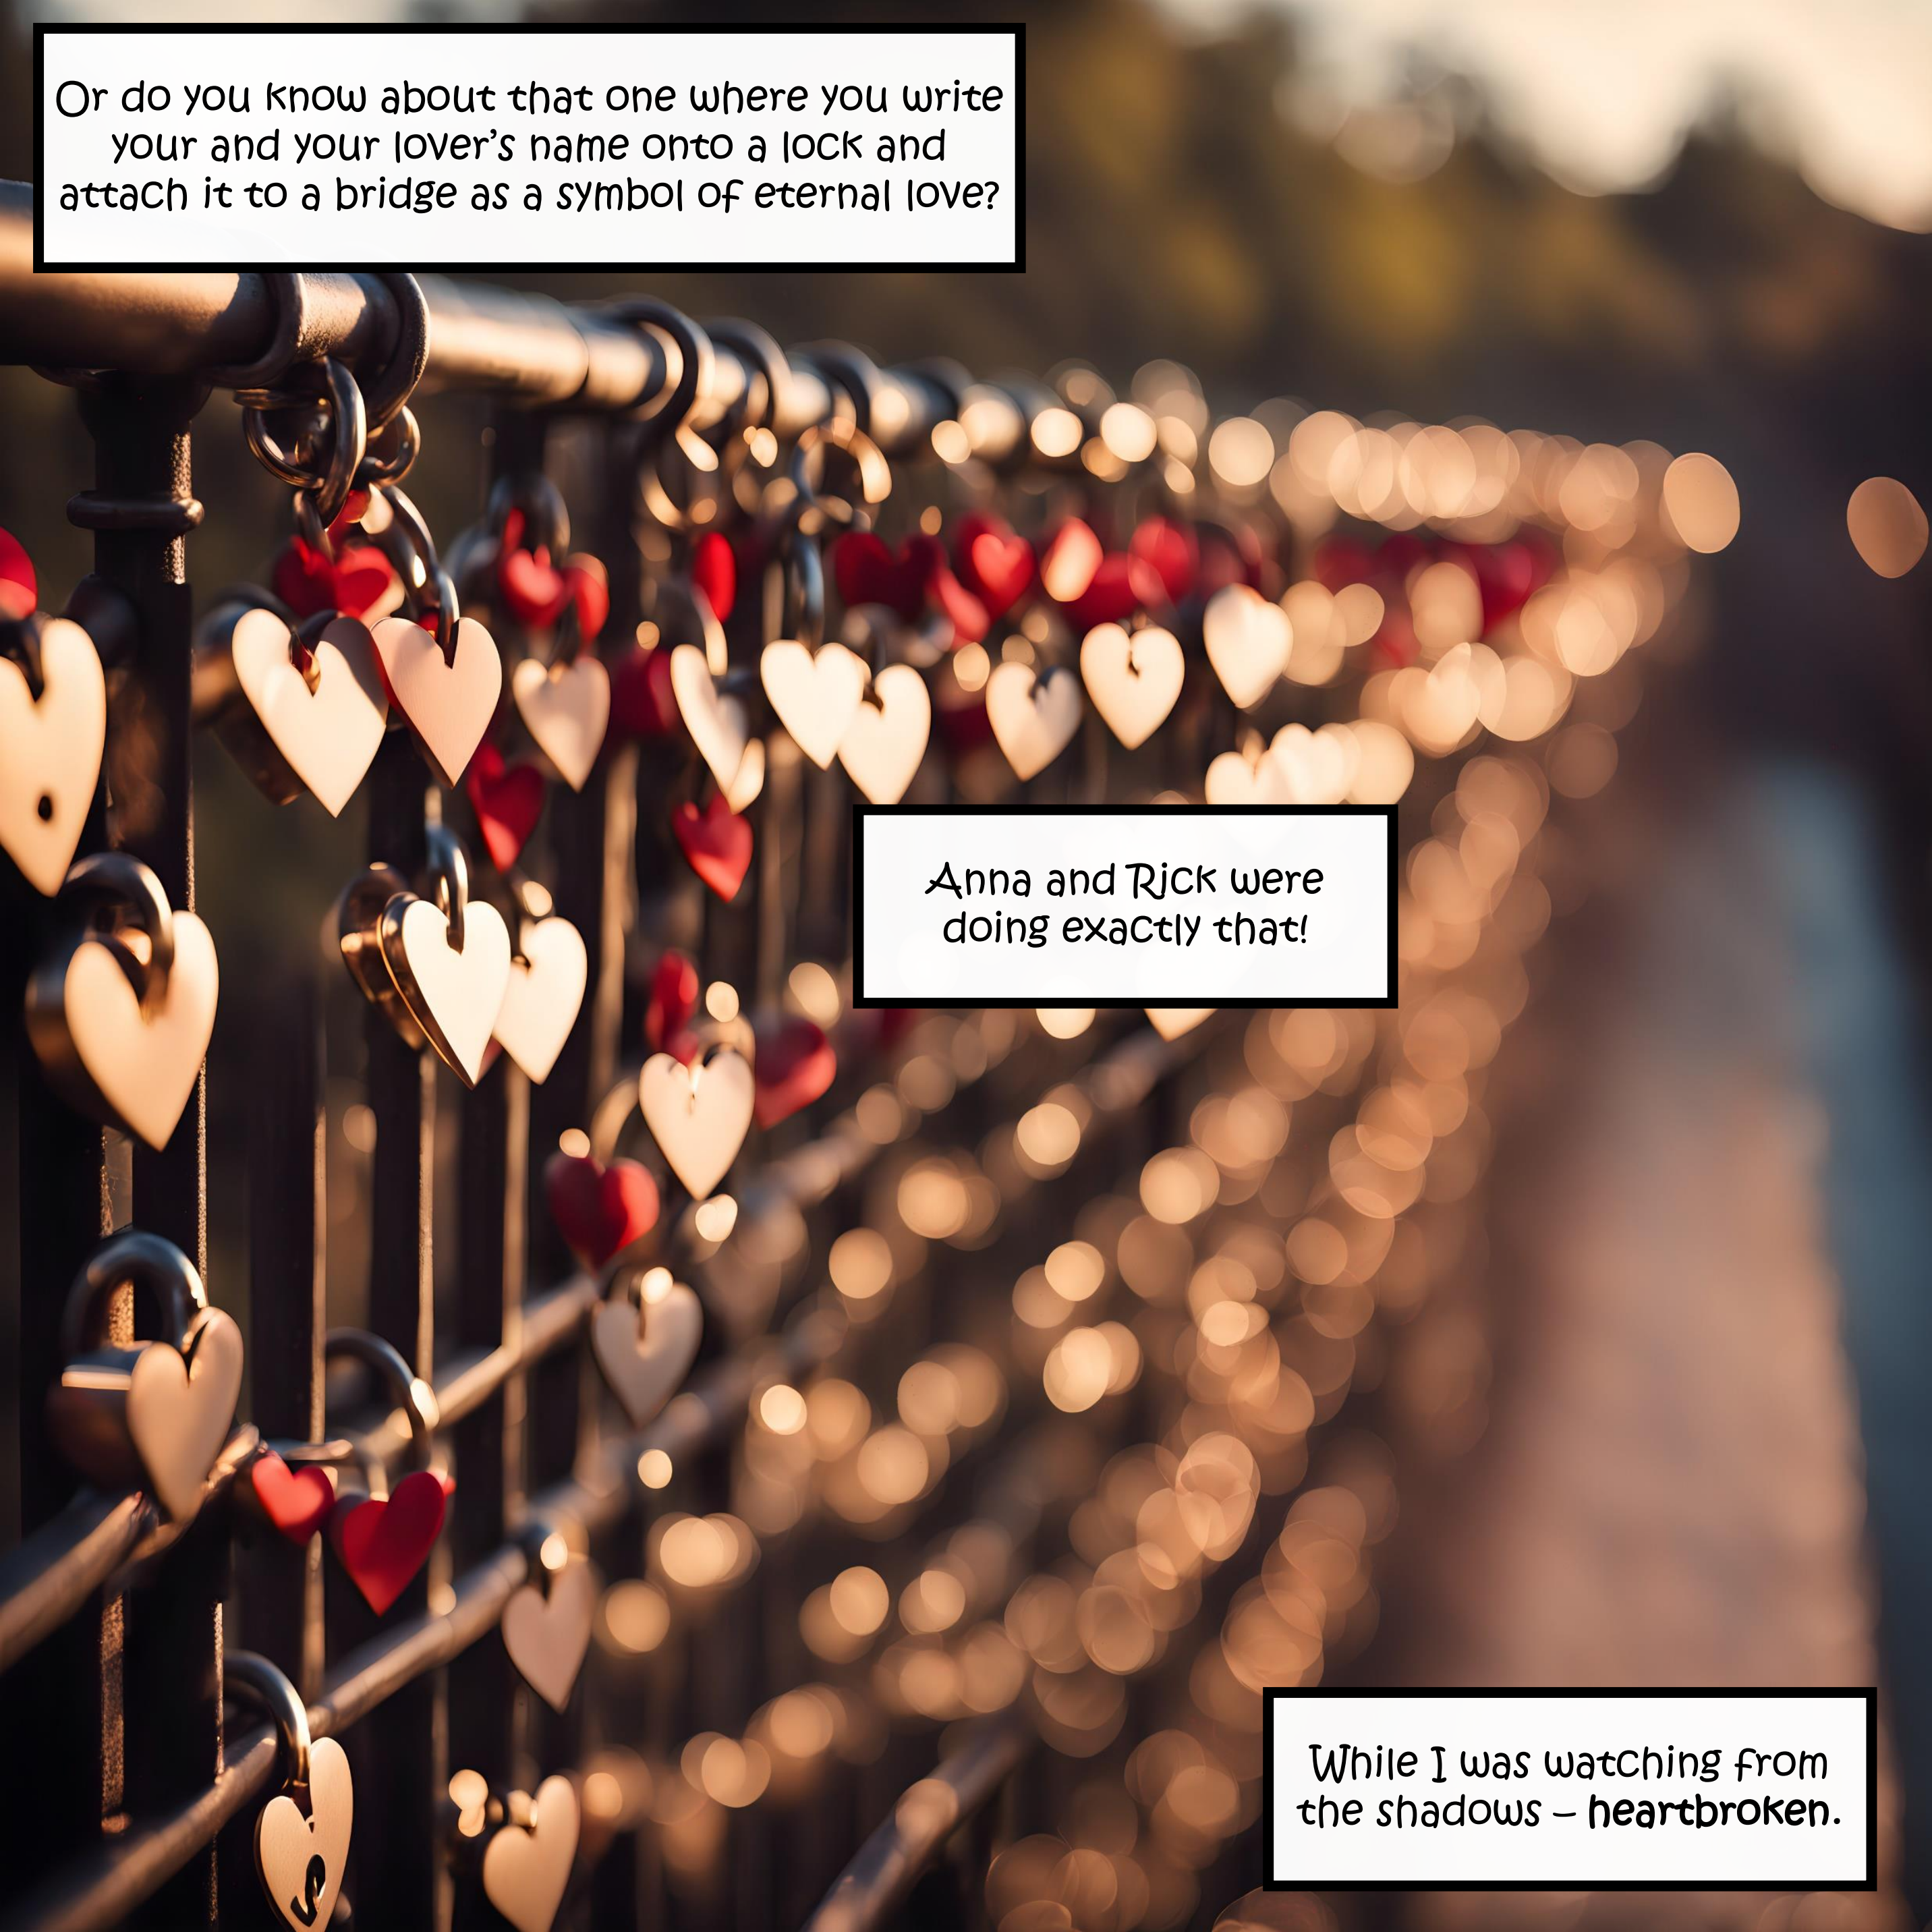

A young woman with long, wavy blonde hair and large brown eyes is shown from the chest up. She is wearing a school uniform consisting of a white collared shirt, a blue and white plaid bow tie, and a tan blazer with blue trim. She is holding a small, rectangular red gift box with a gold ribbon tied around it. The background is a soft-focus indoor setting with a window. Three speech bubbles are overlaid on the image, containing text related to Valentine's Day and chocolate.

There are many
customs on this
special day... like
giving your loved
one chocolate.

On
Valentine's
Day...

Oh...
Chocolate
...

I love you,
Anna!

Or do you know about that one where you write your and your lover's name onto a lock and attach it to a bridge as a symbol of eternal love?

Anna and Rick were doing exactly that!

While I was watching from the shadows – heartbroken.

I know it was childish...

But once they were gone...

~~ANNA~~ + ~~RICK~~

I crossed out Rick's name... then added mine...

I love you, Rick.

He's kinda boring...

I don't love Rick!

A little while later –
I had just gotten
home and started
sulking into my pillow
– the door rang.
I could not believe
my eyes when I
opened!

You are the
one I love!

If you still
want me, I'll
gladly be your
girlfriend!

For the first time, Anna and I entered my room not as study partners... but as boy and girlfriend!

Come, sit with me.

Are you just going to look?

End of Teaser

Tune in on “Love Locked” a bitter-sweet romantic tale of unrequited love and some Valentine’s Day magic... 😊
