So far on Sticker Box: I managed to pimp up this lame-ass Halloween party to an all-out sex party by turning my ex into a busty bimbo nurse, Nadja into a Catgirl in heat and Tammy into an obedient French maid happy to serve the guests in any way...

However, just as my friends were enjoying the girls all over the house, Jake's folks returned from wherever!

What in the lord's name?!

Jake's stepsister Monica

Jake's stepmother Isabel

They were not amused with the erotic spectacle unfolding in front of their eyes at their very own home...

Quick action was of
the essence!

Huh?

Party Girl

smack

Did you
just smack
my back?

I was not sure what I
had to expect from
the sticker I had
chosen in a rush...

A woman with long, wavy brown hair and a surprised expression stands in a bedroom. She is wearing a shimmering, floor-length blue dress with a deep V-neckline and a high slit revealing her leg. She is also wearing blue high-heeled shoes. She is holding the hem of her dress with her right hand and has her left hand on a white door handle. The room is dimly lit with a lamp on a bedside table in the background. A potted plant is visible on the left.

I feel strange!

But it does not take long and I can see my friend's step mother's skin clear up... wrinkles vanish and I think she's also getting slimmer...

Jup! She's
getting younger!

What did
you do?!

And her dress
adapts to her new
designation by
getting shorter and
more revealing!

Let's
party?

Soon her floor long dress is cut above the knee as her age slowly stops at an estimated 18 years!

No, no!
That's not
me! I'm...

As thigh-high fishnets form on her legs, Isabel's attitude changes as well.

Hi there!
I'm Izzy!

I heard
there's a
party?

I was pretty satisfied
with the result of the
sticker until...

Monica starts
screaming... **Darn!**
Isabel's transformation
was way too Captivating...
I forgot about Monica for
a moment!

Oh, my
god!

What have
you done to
my mother!?

Chillax, Mony!
Let's have
some fun!

This can't be happening!

Thankfully the conversation with her age-regressed mother, who's now probably even a year or two younger than herself, has her distracted.

And I manage to slap
the “Robot” sticker
on her right upper
arm.

smack

Robot

Huh?!

?

?

No...
What did
you do?

Robot?!

??

Robot

You can't be serious! What's it gonna do?

Not sure, sweet Monica. I haven't tried that one yet. **chuckle**

I will not
turn into a
machine...

Robot

Despite Monica's
protest, I notice
her voice getting
more monotone
by the second!

Her eyes lose
focus and look
empty on further
inspection...

Robot

And... are those
joints forming
around her
elbows?!

Holy shit!
Yes, they are!

As the joints
become more
defined, Antennas
materialize from
Monica's ears!

Holy shit!
I just turned my
best friend's sister
into a robot!

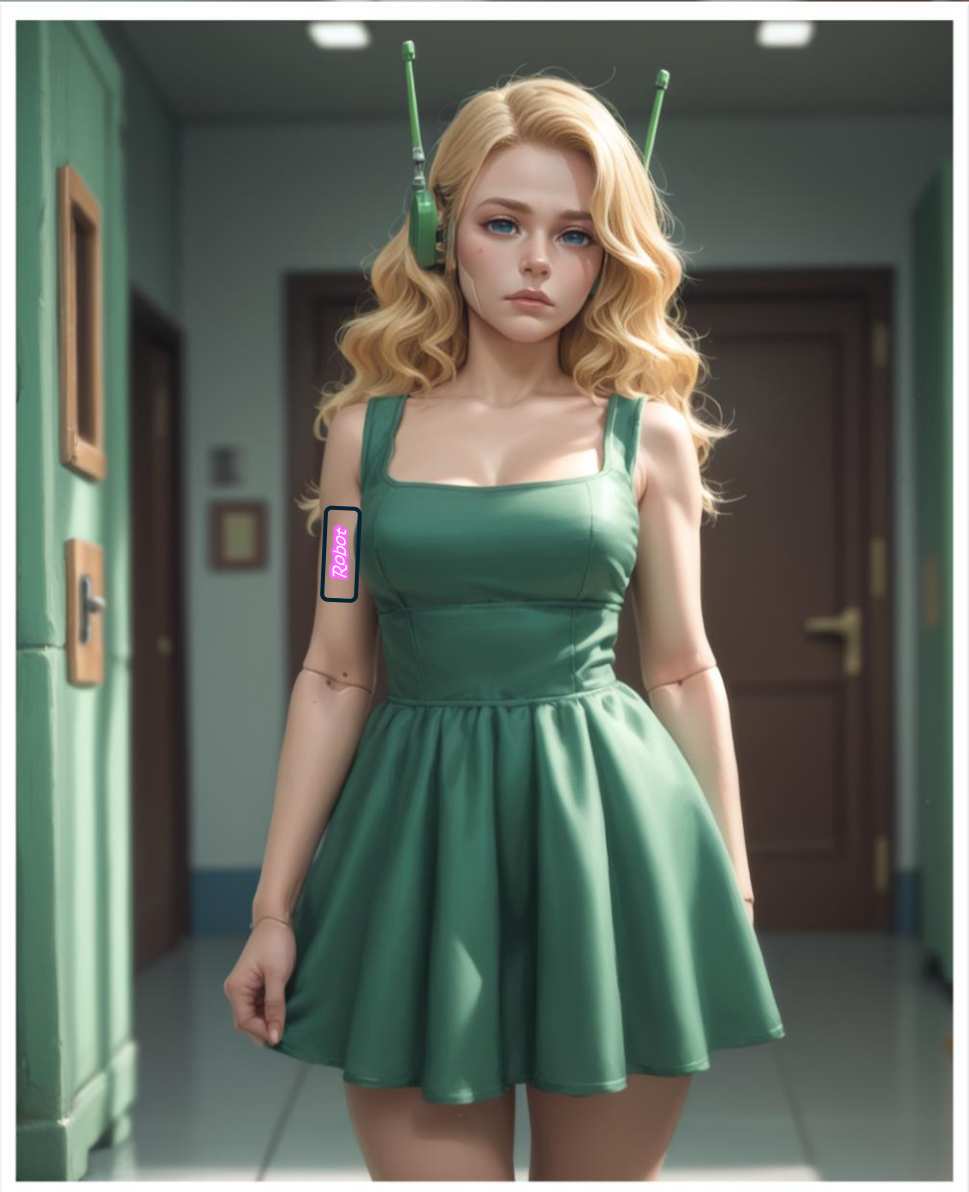

Monica Bot
online. Awaiting
instructions.

Of course, right
at that moment,
Jake had to walk
in on us.

Yo man, I heard
screaming! Everything
alright?

Woah! More girls?
Dude! Where do
you come up with
all these hot
chicks?

Uhhh... that
one looks kinda
like my sister!
WTF...

I... err... You are
just drunk! That's
not your sister.
It's a robot!

Newest
development of
the geek lab. I just
brought it here...
for testing...

When Jake's eyes fall
upon his sister turned
robot I try my best to
bullshit-talk myself out
of the situation...

Huh... I did not know
they were working on
something like...

Unit awaiting
instructions.

Thankfully Isabel, whom Jake does not recognize, comes to my aid and distracts him...

Hey there,
stud.

Err..
Me?

Sure! What
you wanna
see?

Course baby!
You the host?
Care to show
me around?

Bedroom!
giggle

Waoh. Babe.
You kinda know
your way around
my house pretty
well...

giggle

Party Girl

Dumbfounded I
watch as Isabel leads
Jake upstairs... Well...
whatever... it's just his
stepmother after all,
right? I can't fix
everything!

After all I've a robot
to reprogram!

Robot

Lead me
upstairs to
your bedroom.

Monica Bot
awaiting
instructions.

Affirmative.
Leading you to
this unit's
sleeping
quarters.

Soon I find myself
in Monica's room...
Monica standing at
attention in front
of me...

I always had the
hots for her...

But she was Jake's sister... so I did not make a move on her... also I don't think she had any interest in me... but now...

Robot

Monica bot awaiting further instructions.

Monica-Bot...
hike up your
skirt.

Affirmative.
This unit will
comply.

As instructed, the
now mechanical girl in
front of me, lifts her
skirt...

... giving me a
great view of her
Camel toe.

Robot

This unit
will keep
lifting its
skirt until
instructed
otherwise.

Monica-Bot,
remove your
panties.

Affirmative.

I was aware of the possibility that she might be totally smooth between the legs... or had a mechanical hole there...

Robot

Process of pantie removal completed successfully.

But that was
not the case!

Between Monica-Bot's legs, I could see a perfectly human-looking pussy!

Get out of that dress, Monika bot.

Robot

Affirmative.
Unit will
remove dress.

gulp
Ditch the
bra as well.

Affirmative.
Removing bra
now...

And there she was in
nothing but her
birthday suit... well
with added joints, I
guess. *chuckle*

I inspect her more closely. Her skin – aside from the obvious areas, feels normal and warm... and soo smooth. **I love it!**

Darn. How long have I
been dreaming about
this?... Well maybe not
exactly this situation...
but you know...

Robot

A highly detailed, realistic-style illustration of a blonde robot woman with long, wavy hair and blue eyes. She is standing in a bedroom, leaning against the edge of a bed with a green blanket. She has a green antenna-like device on her head with a small light. On her upper left arm, there is a small rectangular label with the word "Robot" in pink. She is nude. Two speech bubbles are present: one on the left containing the text "Get on the bed and spread your legs for me." and one on the right containing the text "Affirmative.".

Get on the bed
and spread your
legs for me.

Affirmative.

Spreading legs
complete. Unit will
remain in this pose
until further
instructions are
given.

Holy... this was perfect... well almost...
I wanted the real experience... and that mechanical voice was a bit of a turndown...

Monica-Bot, is there a way for you to speak and act more human-like?

This unit can be programmed to your wishes. Do you want further instructions on reprogramming Monica-Bot?

Yes!

The process was easy to understand for a nerd like me and I started the programming ASAP once the tutorial finished.

Monica-Bot,
create new
routine « Loving
Girlfriend ».

During « Loving Girlfriend » you will act like a human female in love with the user.

You want to please the user in any way he desires. You will portray feelings of affection and pleasure and speak with a human-emulated voice. Do you understand?

Save routine « Loving Girlfriend ».

Affirmative.

Routine « Loving Girlfriend » saved.

Monica-Bot...
activate routine
« Loving Girlfriend »
now!

Affirmative.
Activating
routine « Loving
Girlfriend »...

Hey there,
love!

It was a huge change!
Her blank facial
expression made way
for a smile, and she
was talking in her
usual voice... well...
rather in her bedroom
voice I hadn't heard
so far. **Sweet!**

Why don't
you join me
in bed?

She did not have
to tell me twice!

Robot

And soon we were
united as boyfriend
and girlbotfriend...

Wow! That... does not
feel like a normal pussy...
are those... rolls brushing
against my cock?

Oh, my!
You feel so
big inside of
me, love.

Robot

Ah, whatever it is! **It**
feels amazing!

I keep fucking
Monica for a while
as I enjoy that
artificial feeling
surrounding my
cock and, of
course, Monica's
sweet voice.

I love you
so much!

We switched positions and I had Monica-Bot ride me...

Does this
feel good,
love?

Robot

Darn!

She is able to keep up the
perfect rhythm –
bouncing up and down my
shaft like a metronome!

This is incredible... and
does not take long until
I feel the pressure in my
balls rising...

Make me
cum on your
face!

Robot

You want to
come on my
face?

Of course, love!
I'd love to feel
your sticky fluids
on my skin!

Monica-Bot got off my
cock and soon was
giving me the most
amazing blowjob.

Like a human her mouth
was wet... so she did
produce something like
saliva... but it felt far
more slippery!!

And her tongue... it
seemed to have a
vibrate mode! **groan**

Are you
getting
close, love?

Robot

Before I could
answer she takes
me deep again, and,
like her pussy, her
throat is literally
made for pleasure!

Here vibrating throat
is massaging my cock
non-stop and I know
there is no holding it
in any longer!

Just as my load starts to rise, Monica bot pops my cock out of her mouth and aims it at her face.

Give me that juicy load, love!

And that's
exactly what I
do – erupting all
over Monica's
beautiful face!
**Fuck that
feels good!**

What a
load!

Robot

Ring
Ring

Dah! Fucking
doorbell again!

I love the
way you

End of Chapter

Hello, Hexxet here,

Phew, that was a close call! Jake's folks almost crashed the party! But thanks to them returning our guy had a great time with his long-time crush and now turned pleasure bot Monica! 😊 But one question remains. Who's at the door now?!

I hope you enjoyed this chapter and the series so far. There will most likely be two more chapters to this "Halloween Arc" in the future.

Please use
this unit's
pussy for your
pleasure.

Monica-Bot's artificially
vibrating throat felt so
amazing – I could not help
but let louse inside...

Robot

Monica-Bot was the
pinnacle of ~~modern~~
future technology.
There was nothing I
could do to stop
myself from cumming
in that artificial
mouth of her.

Monica-Bot
loves your
delicious cum,
Sir.
