I've not had a good night's sleep in several days now.

I can't go home, cause Becca, Janine or Katy would find me there.

These girls are insatiable and crazy for my COCK and cum now!

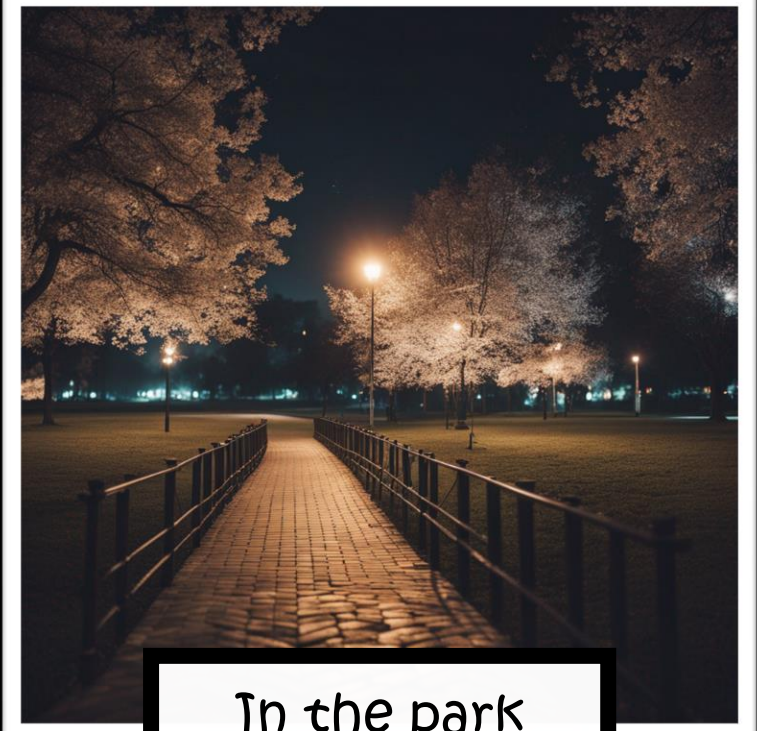

I can't go to my friend's places or relatives either. It's too dangerous now that Officer Tammy is on the prowl as well.

But I don't have that much money to throw around...  
**I really need this situation fixed!**

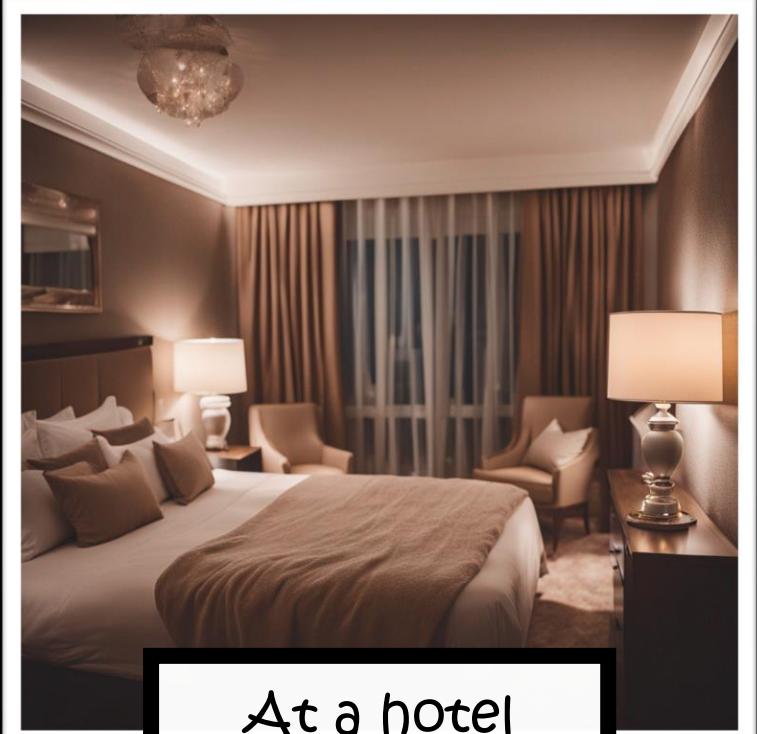

I've spent these past days...

In the park

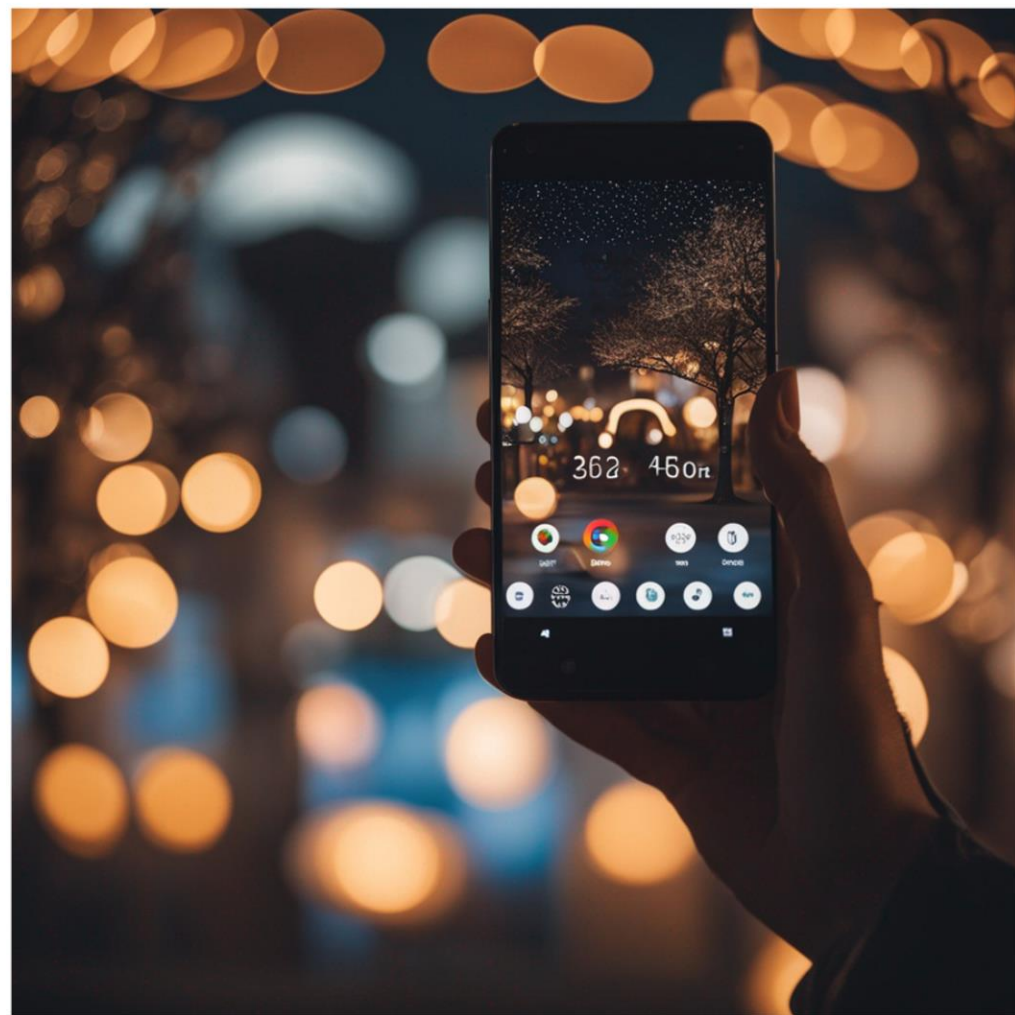

In a pub

At a hotel

Thankfully I was able to find a doctor on the web who had expertise with... **penises**.

Doctor Dominik Dugout. Who if not him could help me with my current condition?

And I managed to get an appointment today!

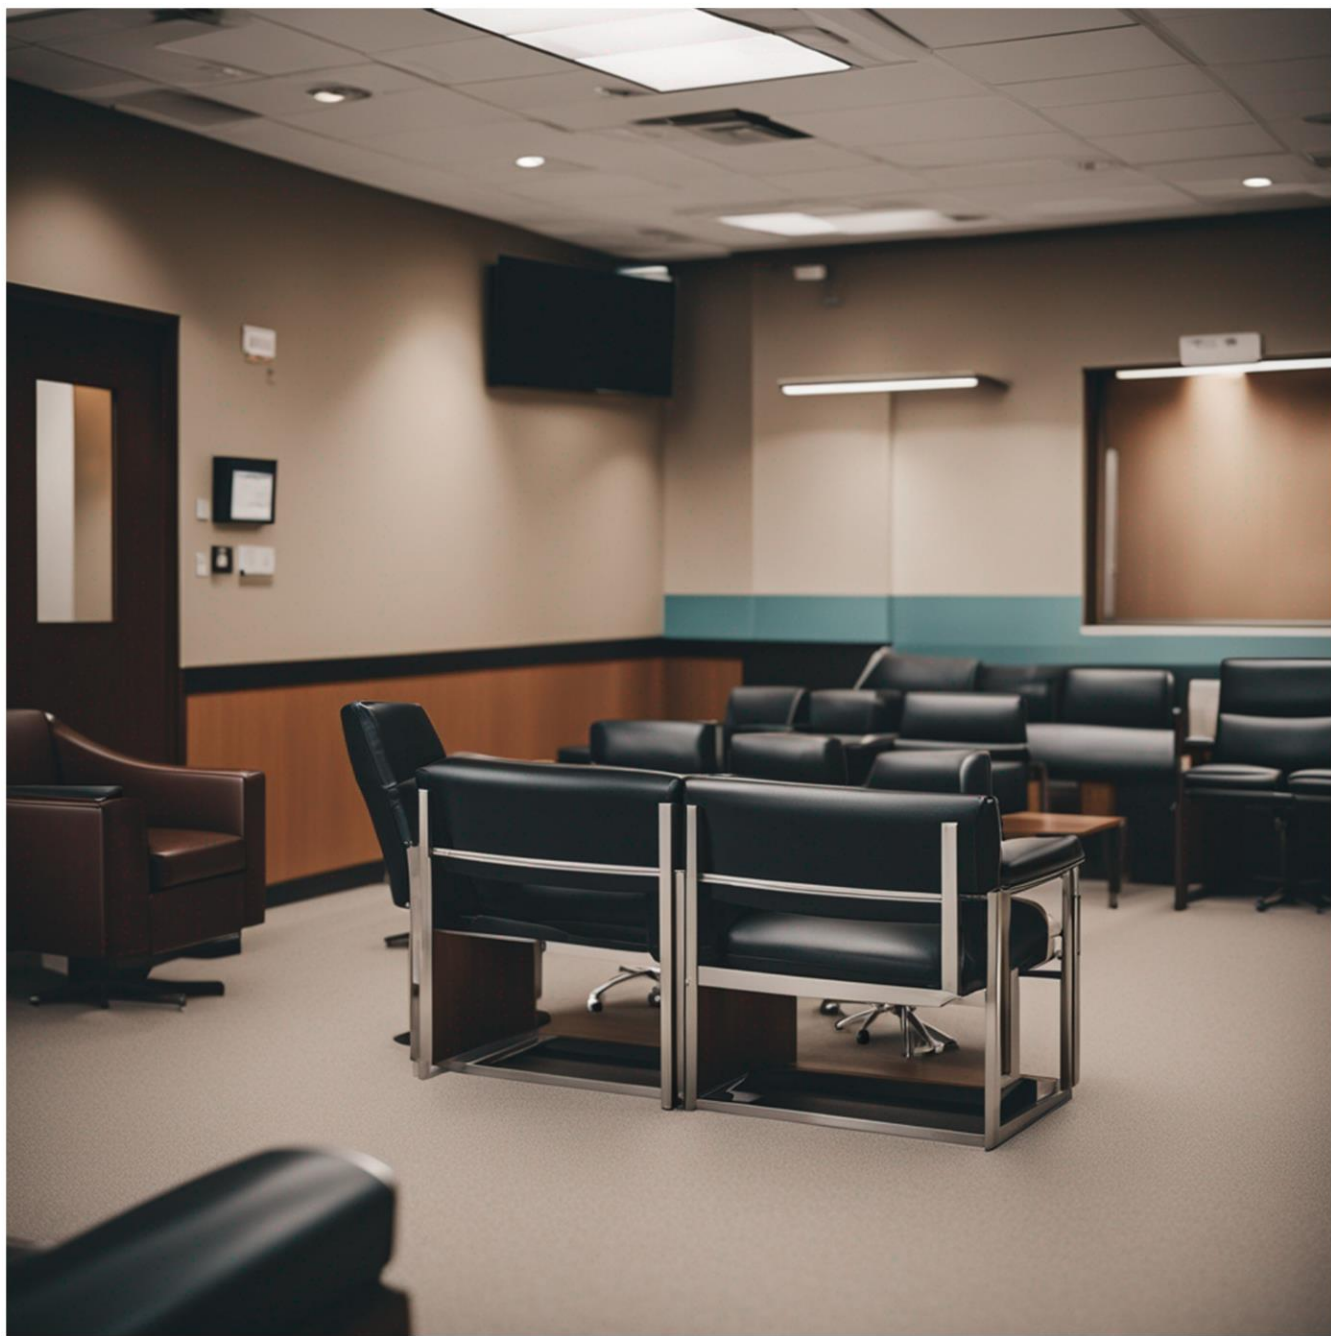

As I enter the spacious office my eyes spot the attractive nurse... secretary... whatever you call those people in the waiting area handling the schedule.

Hello.  
Please take a seat in the waiting area.

We call you when the doctor is ready to see you.

“Ah man, I really hope he can help me!”, I think to myself as I sit down in the waiting area.

As I sit and wait, I start fantasizing about the hot receptionist...

I'm glad there's such an attractive girl available. If Doctor Dugout does not believe me, I can use her as an example!

A woman with long, wavy blonde hair and blue eyes is standing in an office. She is wearing a light blue button-down shirt that is open, revealing her chest, and dark blue pants. She is smiling and looking directly at the camera. The office background includes a desk with a computer monitor, keyboard, and papers, a window with blinds, and a bulletin board.

Oh Mr. XXX.  
Your cock is  
amazing!

Oh, yeah  
baby. Show  
me more.

The doctor is  
ready to see  
you now.

Huh?

A woman with long, wavy blonde hair and bright blue eyes is leaning over a wooden desk in an office. She is wearing a teal blazer over a white shirt with a deep V-neckline, and a dark blue skirt. A name tag is pinned to her blazer. She has a serious expression. The background shows an office environment with a desk, a potted plant, and some papers on the wall.

Mr. XXX?! The doctor will be ready for you shortly.

What?  
Oh... Yes.  
Sorry! I must have dozed off.

Please go to room 2b and undress. The doctor will be with you in a minute.

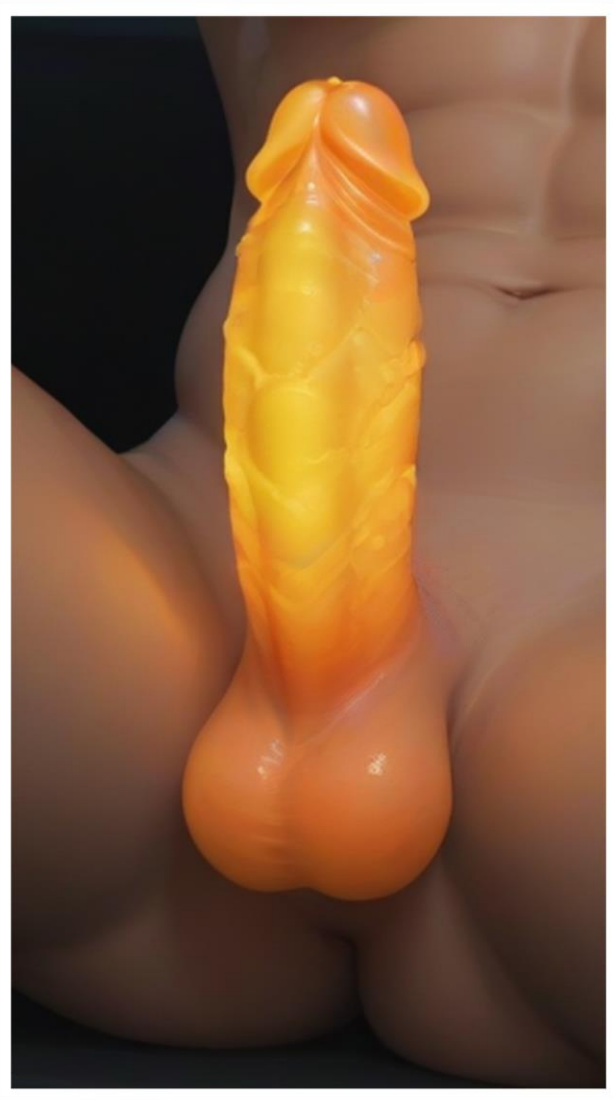

I enter the treatment room  
and unbuckle my belt before  
removing my pants.

I really hope he can  
help me... well first he  
gotta believe me...

As I inspect my cock in the mirror I can't see anything off or special about it.

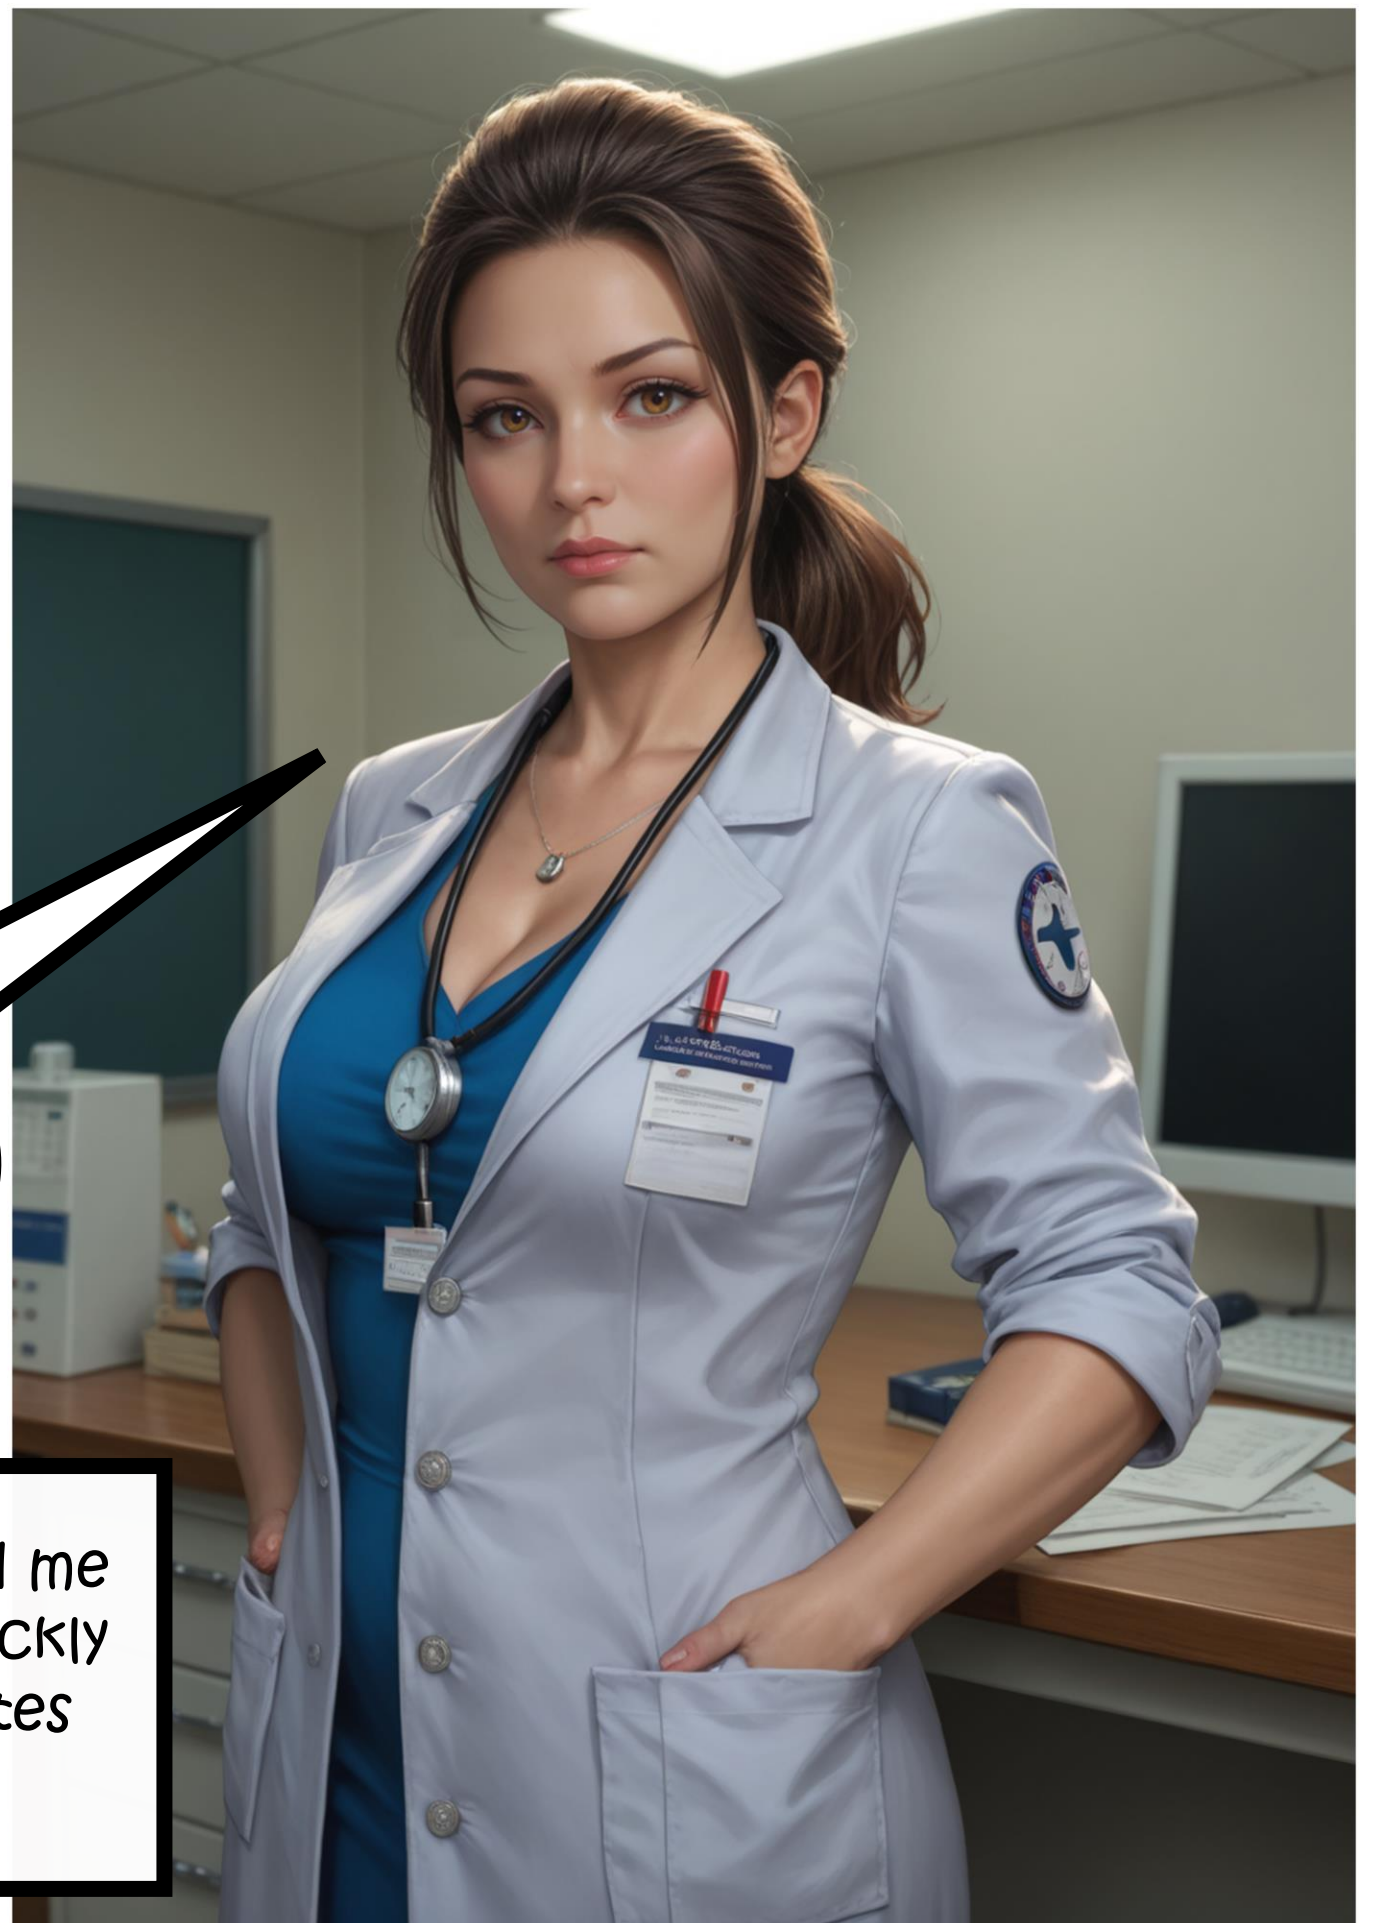

**Author's note:** The glow has been made visible to male readers for presentation reasons. In reality, only women can see this cock's glow. So, our guy, can't see anything special about it.

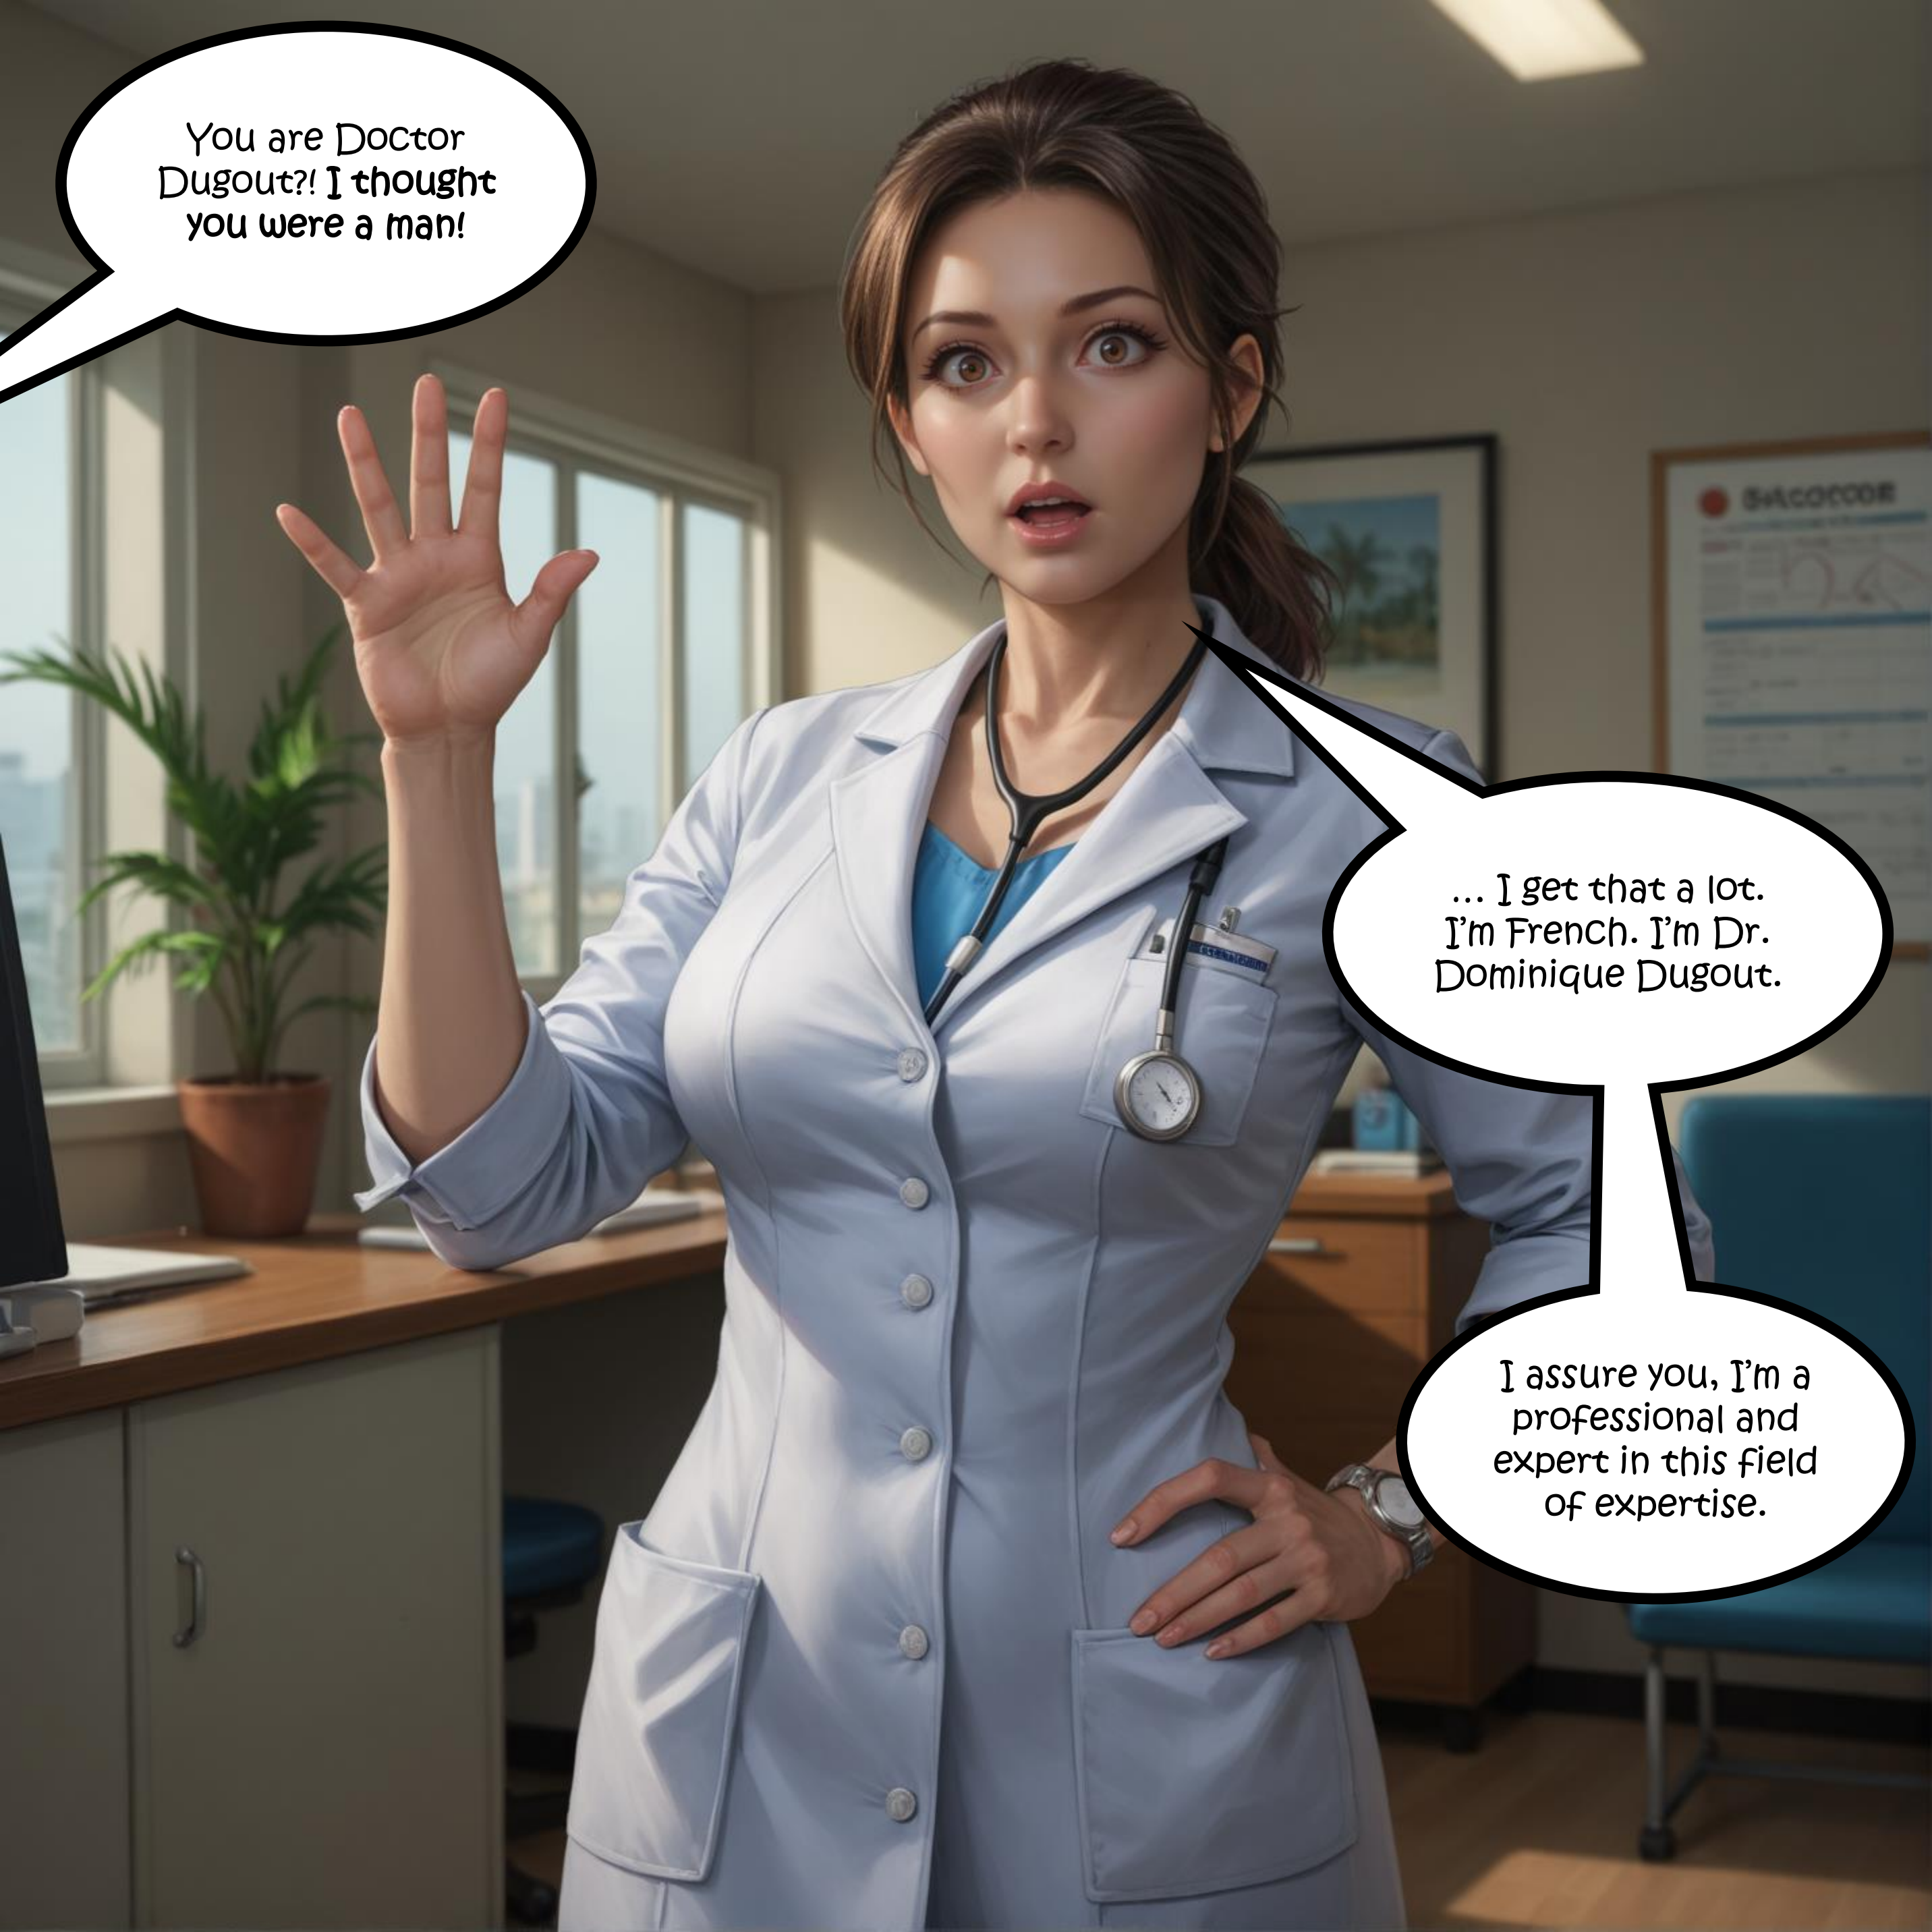

I mean I guess it's a bigger than average... but no reason for women to swoon like that over it...

Ello, I'm Doctor Dugout. What seems to be the problem?

When I hear a woman's voice behind me my body twitches in fright and I quickly hold my hands in front of my privates before turning my head around.

You are Doctor  
Dugout?! I thought  
you were a man!

... I get that a lot.  
I'm French. I'm Dr.  
Dominique Dugout.

I assure you, I'm a  
professional and  
expert in this field  
of expertise.

I... do believe  
you. But it does  
not help the  
problem at  
hand.

I assure you,  
I've seen  
everything.

No!  
Not this...

... How would you  
describe the  
problem? Is there  
any pain? ... or  
growths?

Any woman  
looking at my dick  
becomes obsessed  
by it and wants to  
fuck it!

Mhm...  
I see...

...

Oh, boy.  
Another  
nutjob.

Have you  
considered that  
your problem might  
be of psychological  
nature?

**Definitely not!**  
I have three  
classmates and a  
police officer  
who are after  
this rod!

Huh!

Oh... shit. In my upset state,  
I turned around... and I  
kinda talk with my arms...

Oh my  
god!

A detailed illustration of a female doctor in a light blue medical coat, standing in a hospital office. She has long brown hair tied back and is holding a stethoscope. Her eyes are a striking, glowing orange color. A speech bubble is positioned to her left. The background includes a desk with a computer monitor, a bookshelf, and a window with a view of a city.

I've never  
seen anything  
like it.

I need to  
inspect this  
closer.

It was too late now. What's done is done... I decide to give in to fate for now...

I think direct contact will be best to test this...

You don't mind me exploring it with my tongue, do you?

**\*sigh\***  
... Whatever you think is the right course of action here, doctor.

And there the good doctor was... kneeling in front of me, licking up and down my shaft with glee...

It tastes like ambrosia.

And the  
scent! It's so  
alluring!

Are you  
perhaps an  
angel?

No, Ma'am.  
Just a normal  
teenager who  
drank a magic  
potion.

Fascinating!  
\*slurp\*

She takes me deep again and continues to fuck me with her mouth for some more...

Before she stands up and  
removes her skirt...

I think I need a  
different tool to  
further get a grasp  
on the entirety of  
your dick.

If you could just  
insert it in my  
pussy we can  
continue with the  
examination.

Like this  
doctor?

Yes! *\*moan\**  
Just like tha...  
Oh my, you  
feel big!

Oh, my  
god!

Your cock  
feels amazing!

Moan

I think we are  
onto something  
here.

Take me while  
standing next!

Considering I've been a virgin  
just a few days ago... I've  
racked up quite a trail of  
sexual partners by now...

Go, on. Put  
it in already!

But seeing as this “examination” would not lead to anything... I could at least gather some more experience...

Moan

A pregnant woman with brown hair in a ponytail and glowing orange eyes is shown from the waist up, wearing a white nurse's uniform with a stethoscope. She is smiling and looking towards the camera. Her hands are resting on her large, rounded pregnant belly. In the foreground, a large, glowing orange mechanical arm with a segmented, scaly texture is visible, reaching towards the woman's lower abdomen. The background shows a hospital room with a tiled ceiling and a window with blinds.

Very big...  
\*moan\*...  
indeed!

What?

Let's  
measure it  
with my butt  
next!

Doctor Dugout turns  
around and before I  
can protest she  
impales herself again  
on my cock... this time  
with the other hole!

Being a virgin for most of  
my life until this day... I  
have not been thinking a  
lot about anal sex...

But as Dominique bounces up and down on my cock with her bum hole grasping my cock...

Oh, yeah!

moan

I guess I now know why  
people do it!

Holy shit, that's tight!

But before my cock yields to the tightness of the good doctor's bumhole, she jumps off and kneels down in front of me once again.

I think it's best if you finish in my pussy.

Let me clean  
that up real  
quick before  
though.

Damn it! She was  
crazy! \*groan\*

lick

Lady... you know where  
that cock was just now?!

Having been... cleaned up...  
Doctor Dugout straddles my  
cock and starts to ride me.

I'm gonna  
make this  
dick cum!

She increases the speed...

Yes,  
Yes,  
Yes!

fap  
fap  
fap

Her hips are slapping  
against mine with an  
audible “fap” in rapid  
succession...

And I feel the  
pressure rising in my  
balls...

Yes! Cum  
inside!

Fill me  
up!

And there it went. As Dominique's pussy suddenly starts to spasm and twitch I release my load deep inside her folds.

Moan

I had some great sex these past days... but the doctor really knew what she was doing! Holy cow...

That was amazing, doctor!

Now... I would have been in the mood for some after-sex cuddling...

But Dr. Dugout seems to be very dedicated to her findings and jumps right up from my cock once her orgasm subsides in order to take some notes...

I think we  
made great  
progress  
today.

We should do daily sessions from now on to get to the bottom of your...

But knowing how  
insatiable women  
become after seeing  
my pecker... I used  
the opportunity to  
get out of there!

Mister? Where  
are you?

**Noooo!**  
I need to  
study this  
cock!

**Janice!**

The man who  
was just in  
room 2b.

I need all the  
info we have  
on him. **ASAP!**

Why is she half-naked? And... is that cum dripping down her legs?

Huh?  
Err... Yes,  
Doctor!

The End.

Hello, Hexxet here,

I hope you enjoyed how Dr. Dominique Dugout succumbed to our guy's glowstick like all the other women before her. 😊

But I think the pleasure cruise has been going on for long enough. Not sure if I can do it in one chapter or two, but I'll work on a resolution to the story starting with the next chapter. Will our guy find a way to return his cock to normal? Or will he learn to live with his condition?
