Kessy's best friend Scarlet has taken a loan from EVOLVUM – a shady loan company that reprograms you and sells you as an obedient slave for a year if you can't pay back with interest. (And the worst part: All of this is legal, as you sign that when taking the loan!)

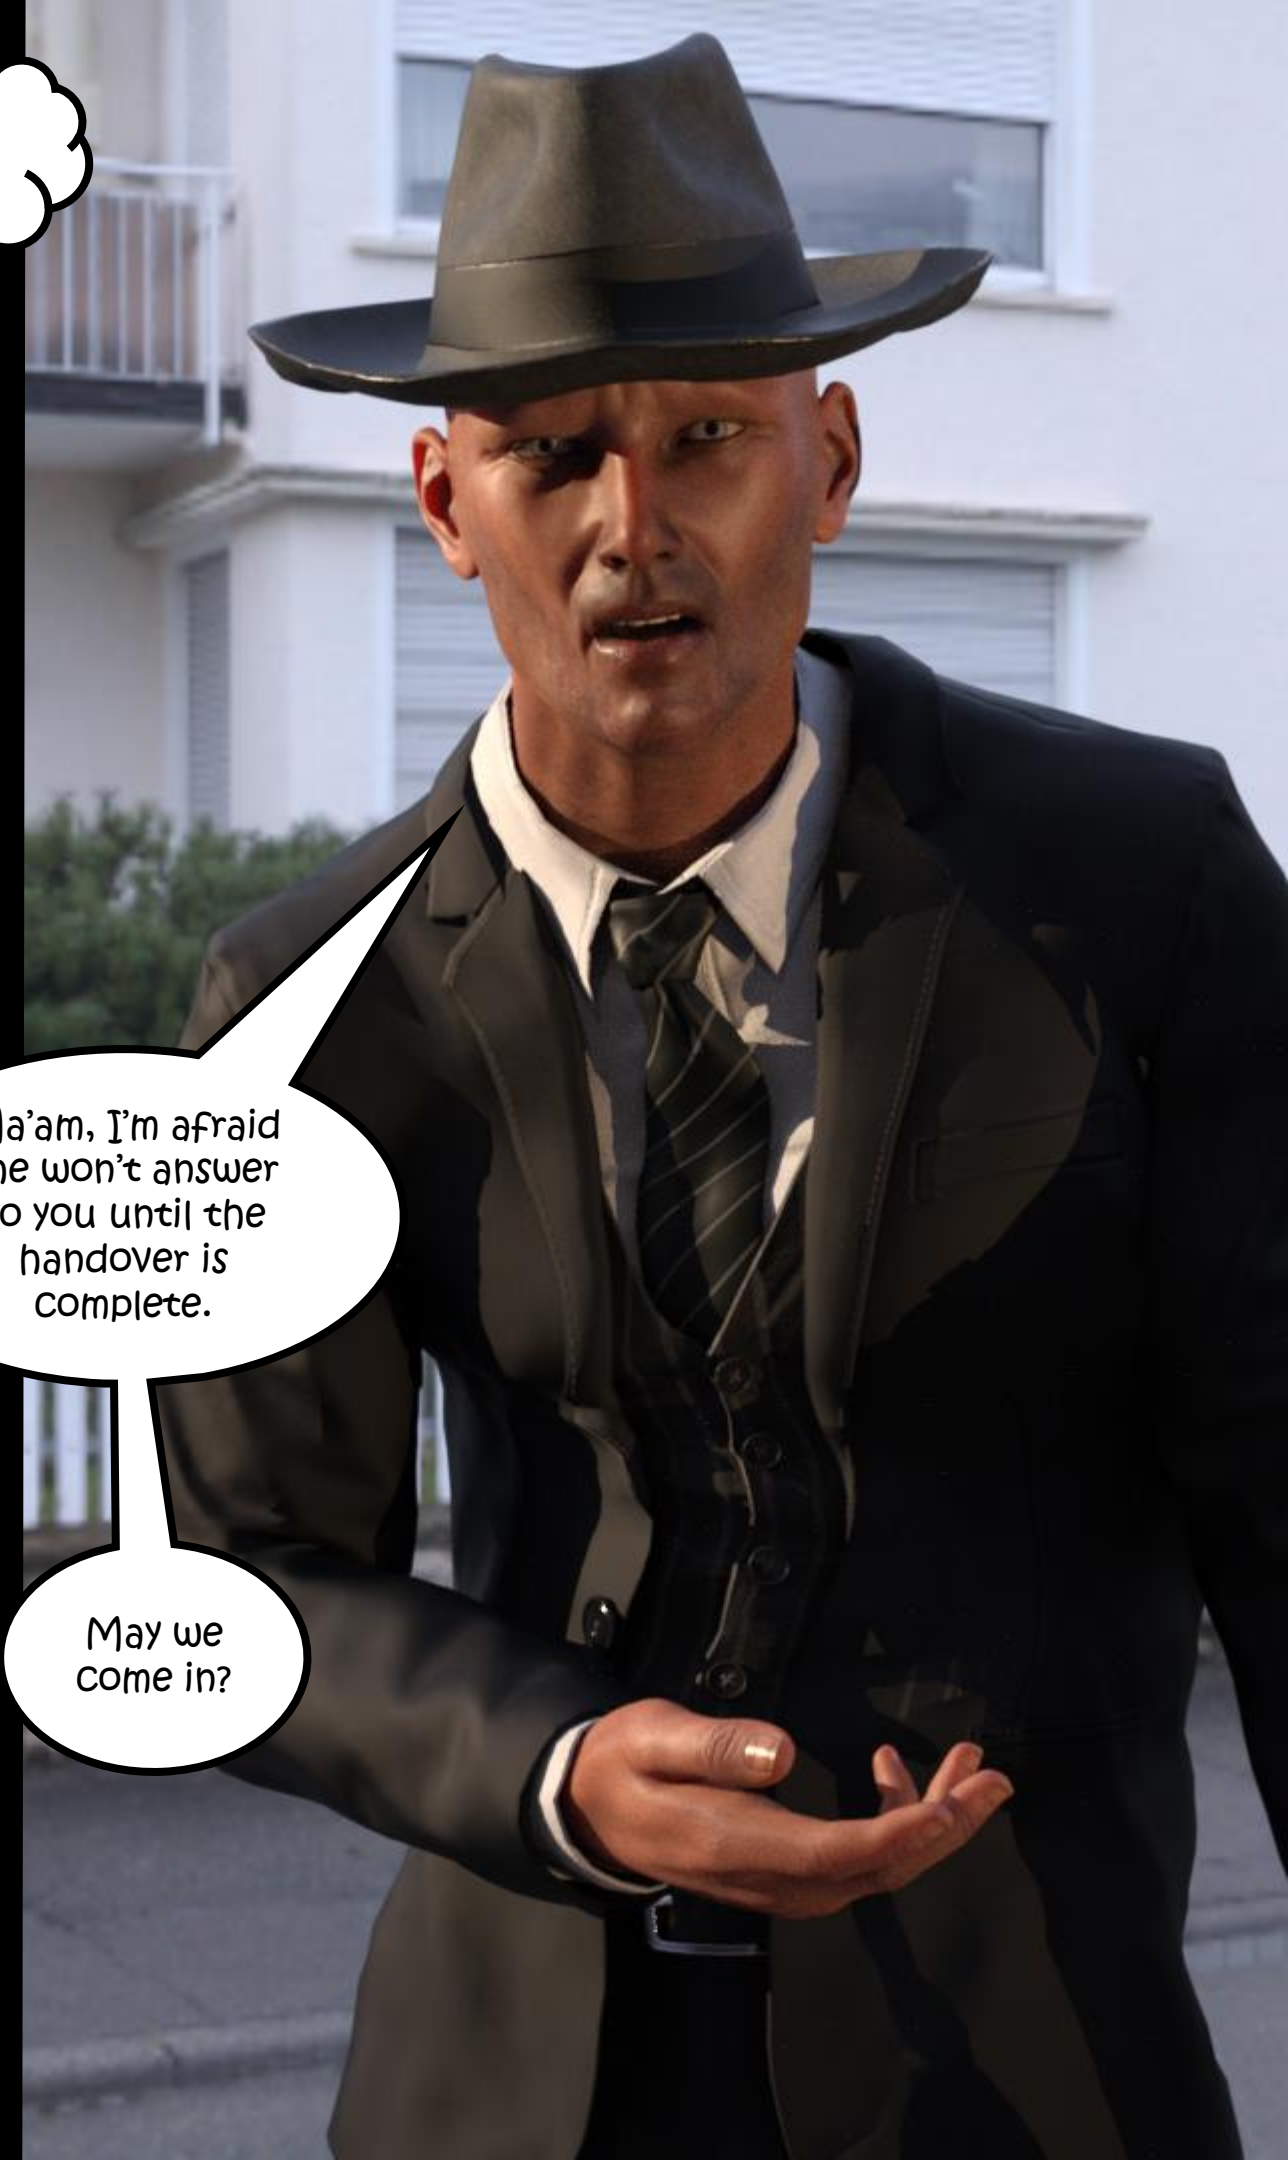

\$carlett!
Are you okay?
Say something!

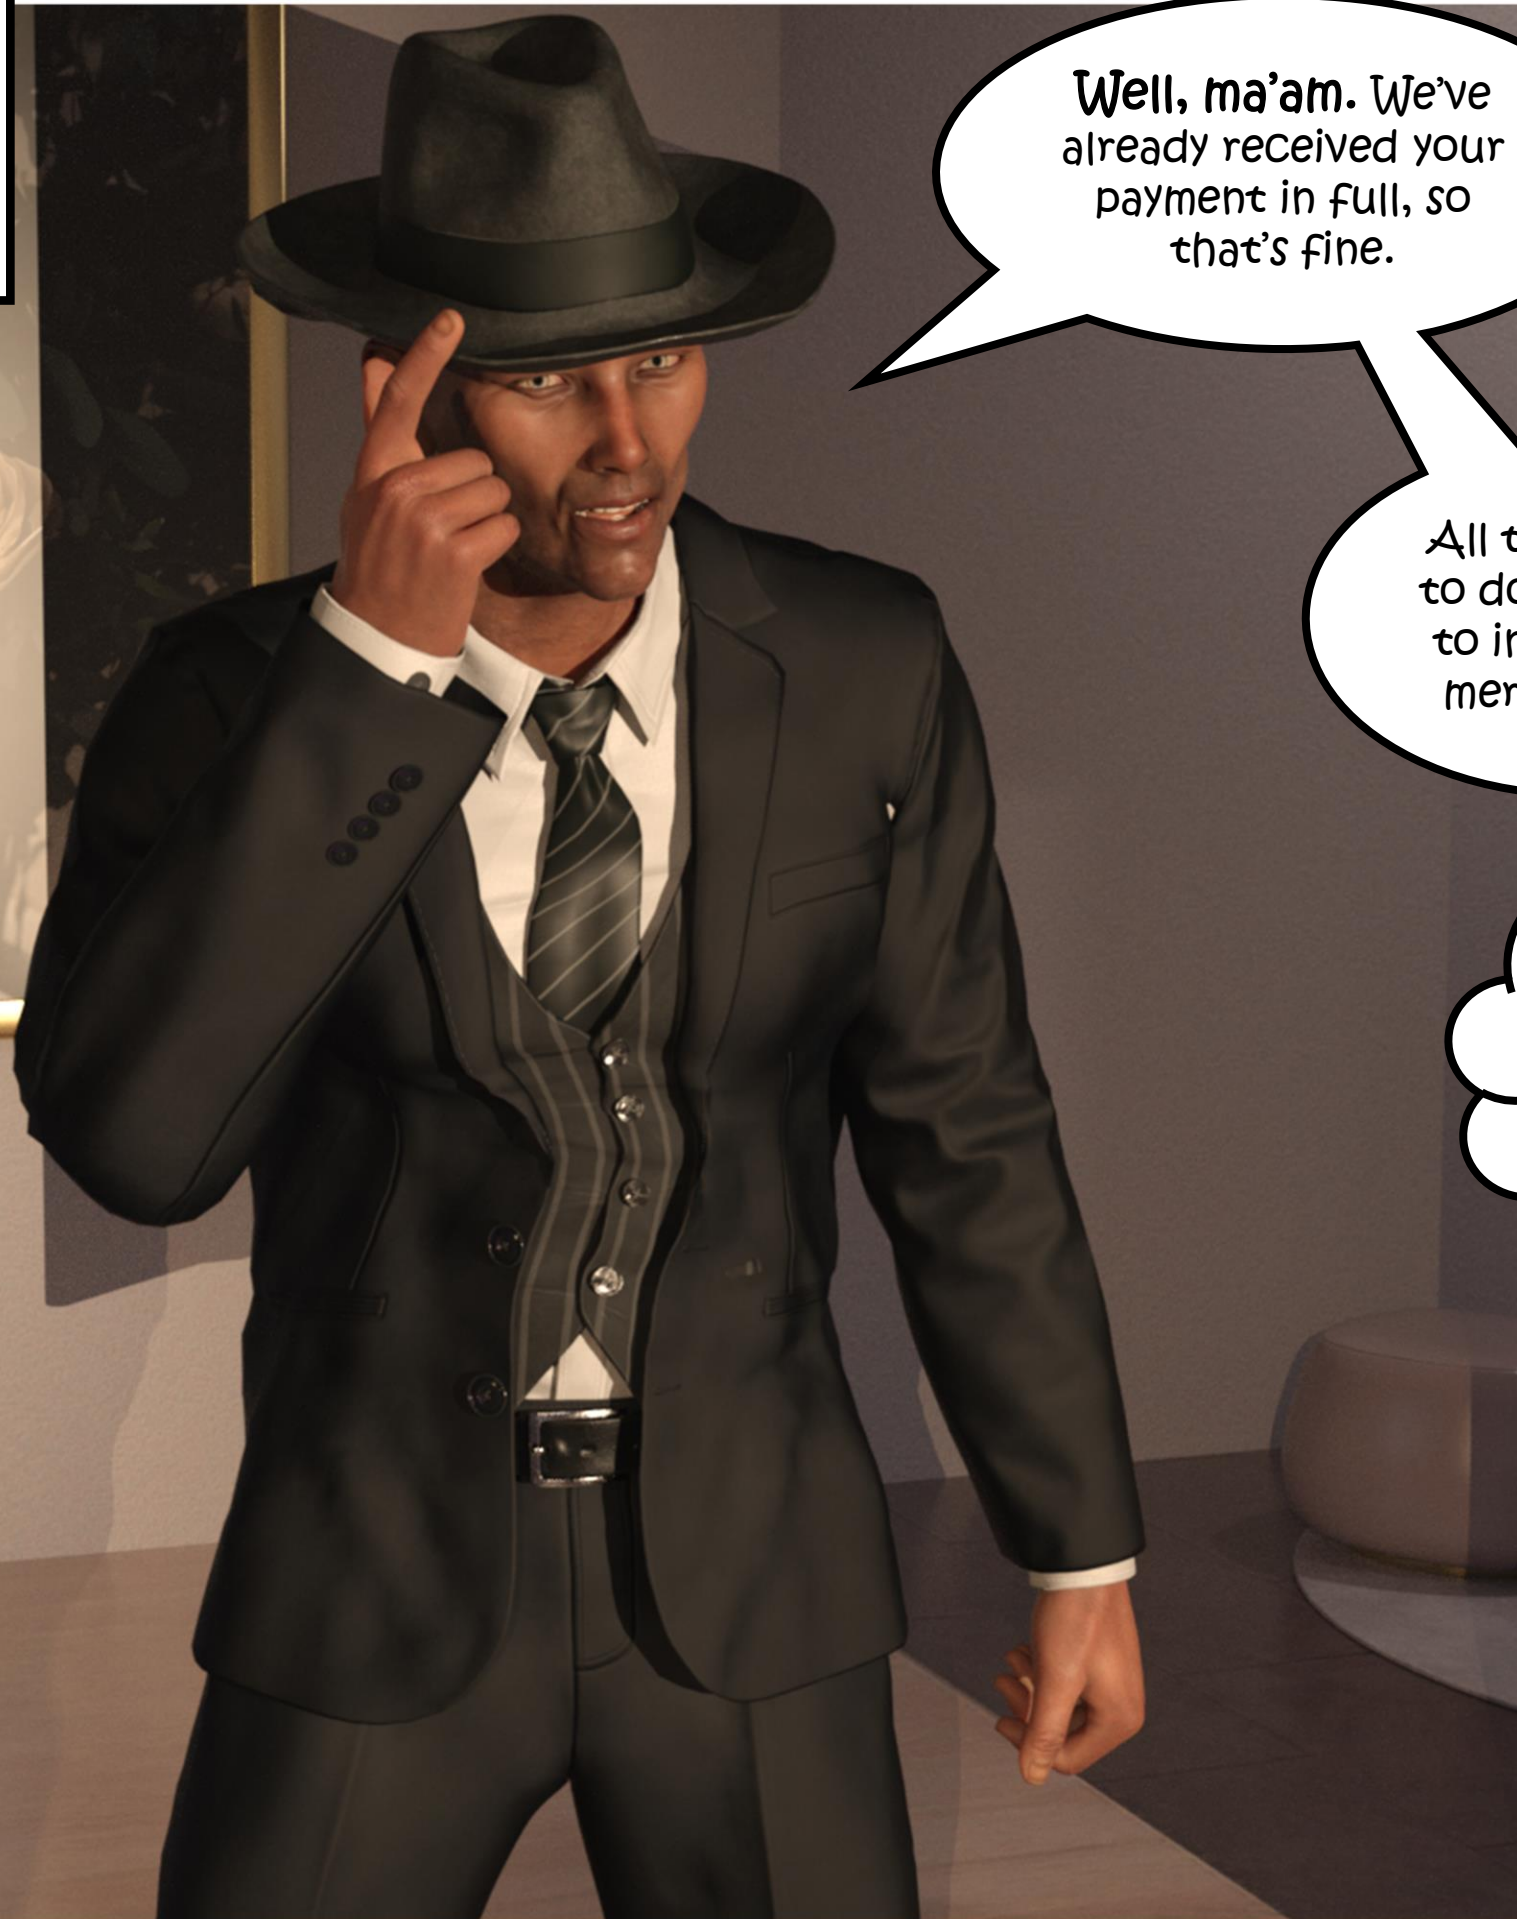

...

Ma'am, I'm afraid
she won't answer
to you until the
handover is
complete.

May we
come in?

Kessy has decided to buy Scarlet in order to protect her from being purchased by some old perv...

How will Kessy deal with her best friend who now sees herself as a sex slave?

Hello, Hexxet here,

How will Kessy deal with the situation at hand? Will she manage to resist her new slave's advances? What about Suki? Will she accept this new woman in Kessy's apartment? Will she use her behind Kessy's back? Who knows what's going to happen. But one thing is certain. Kessy's life will be impacted heavily.

Please note: This comic is designed as a small 4-chapter long series. This first chapter deals with Scarlett's arrival and her first day at the apartment.
