Last time you saw me research the potion...

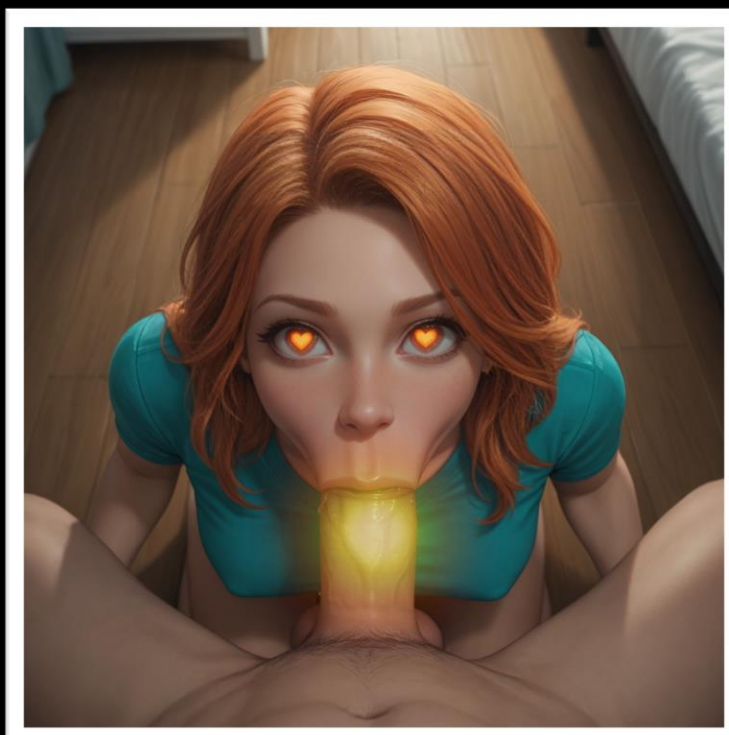

06.06.2024: I don't know what all these guys are ranting about. I've a harem of three now and as long as I keep them well-dicked they do anything I say. I mean what the fuck guys? You've got "The Dick" – you've got the power! - Elliot

I can't wait for next Monday!

And then I paid Katy a visit at her home...

Yes, master!
I will be Monday!

And established control...

Now it is time to get a hold of my other
four previous conquests...

Janine was an easy mark.
She was living in a dorm.
All I had to do was to
show up and the
previously sulking girl
become the happiest
cocksucker in the
world...

Oh, god,
I've missed
this cock so
much!

Of course, I told her about
the same I told Katy ...

Yes,
Master!

I will be
Tuesday!

Anything for
your magnificent
cock!

I gave Janine the full
pounding... and she enjoyed
every minute of it.

Your dick is
amazing!

moan

I love it so
much!

Once I doused her in my cum, I got ready to leave...

Of course, she made me the same offer as Katy...

If you wanna fuck me earlier than Tuesday I'm up for it... Master.

I just ignored her and left.

Becca was living in the same
dorm just a few doors
further...

O.M.G.!!
You are
back!

Thank you!
Thank you!
Thank you!

She was basically bringing
the deal up herself.
chuckle

Please, I'll do
anything you
want. Just don't
leave me without
that cock!

I face fucked her while
explaining some more
details to her...

GAK

Before I laid down and
let her ride me.

Yes, Master!
I'm Wednesday!

Cumming!

A woman with long brown hair and glowing orange eyes is sitting on a bed. She is wearing a shiny, pink, strapless dress. She is smiling and looking towards the camera. A speech bubble is coming from her mouth. The background shows a bedroom with a window, a dresser, and some framed pictures on the wall. There is a small puddle of liquid on the bed near her legs.

If you'd like a blowy
or a fuck before
Wednesday...

Yada, yada! Bye!

Dr. Dominique Dugout was not working anymore. She had closed her office ever since I met with her, and she was feeling miserable in the confinement of her home...

sob

Obviously, her sadness was blown away instantaneously once she saw me.... And had my dick inside of her wet folds!

Oh, god, yes!

Yes!
Yes!

Anything
you want!

fap

I fucked her all around her
spacious house. It was fun!

Yes. I am
Thursday!

Anytime
you want,
Master.

I'm yours!

Cya next
Thursday.

Thursday's my
new favorite
weekday!

If you
want to do
it sooner...

Now there was only one missing...
But she was a problem. I did not
know her private address and she
was the only one who had not yet
given up searching for my cock...

So, I sent her a message to
the police office...

“Central park 22.15. Come alone
or you’ll never see “The Cock”
again!”

And that’s what I’m currently doing. I’m laying
in wait in Central park for “Friday”. *chuckle*

And there she is.

You
came...

Who's
there!?

Don't
move!

Woah! I did not
expect that!

Turns out she thought that
message was from a
kidnapper... not me...

It's
YOU!

Oh, my god!
I could have
shot you!

Well, after explaining the situation to her, she eagerly gets on her knees and accepts my terms.

Yes, Sir!

I'm
Friday!

After getting the first
misunderstanding out
of the way she's
actually the most
obedient of them all!

SLURP

Maybe she's just good at taking orders from her Police career? I don't know and I don't care as I feel amazing suction on my COCK!

SUCK

It was a clear night, and
we had amazing sex out
there in the open.

Officer Talia was a great fuck!

And she took my
load like a pro...

She was also the only one not bothering me by asking for any extra freebie cock time!

I will report back in on Friday, Master.

I need to get
somebody at the
prescient to take
over my Friday
Shift.

My schedule was impacted quite a bit by my new... lifestyle.

At least I had the
weekends to myself...

Though from time to time I
used the weekend to have
some of the girls come over
at the same time...

Or take a trip with the whole crew.

Or just staying in grooming the
harem... **This was the life!**

The End.

Hello, Hexxet here,

I hope you liked my take on this wrap-up. Last chapter I started out with Katy... and that took up lots of pages... so the other girls got a bit less screen time to get them all into one chapter.
