I had quite some fun these past two days at the resort... First with that cute waitress Tiffany...

What's next, dear?

And then with
my freshly baked
bimbo Izzy...

giggle
This is like
so much
fun.

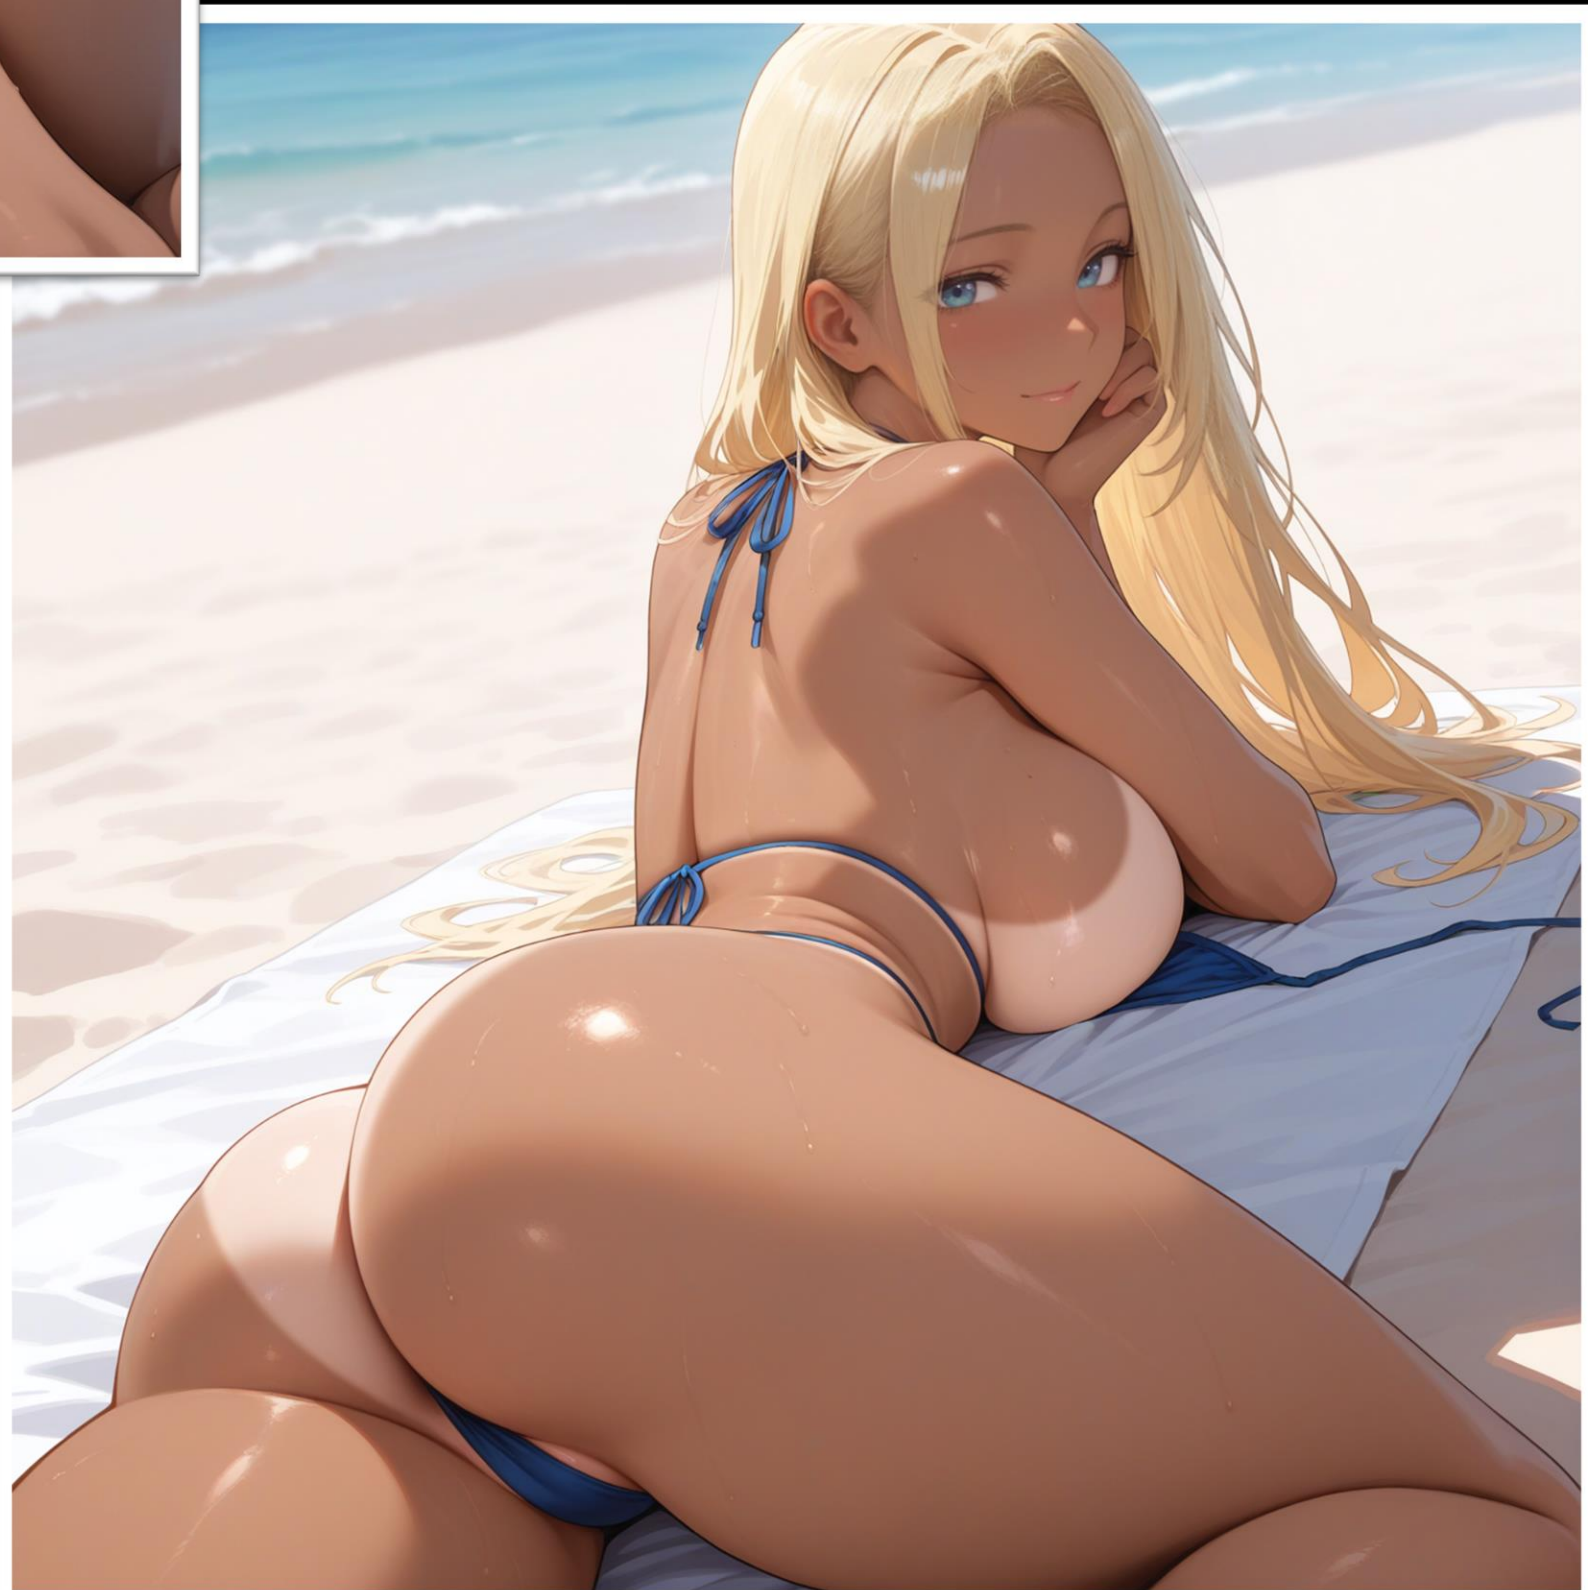

But today I was not up for testing out my flirting skills or some elaborate setup...

Today I was just going to enjoy one of my previously written rules! And all these sexy girls here on the beach of course!

"There are only super sexy people at this resort."

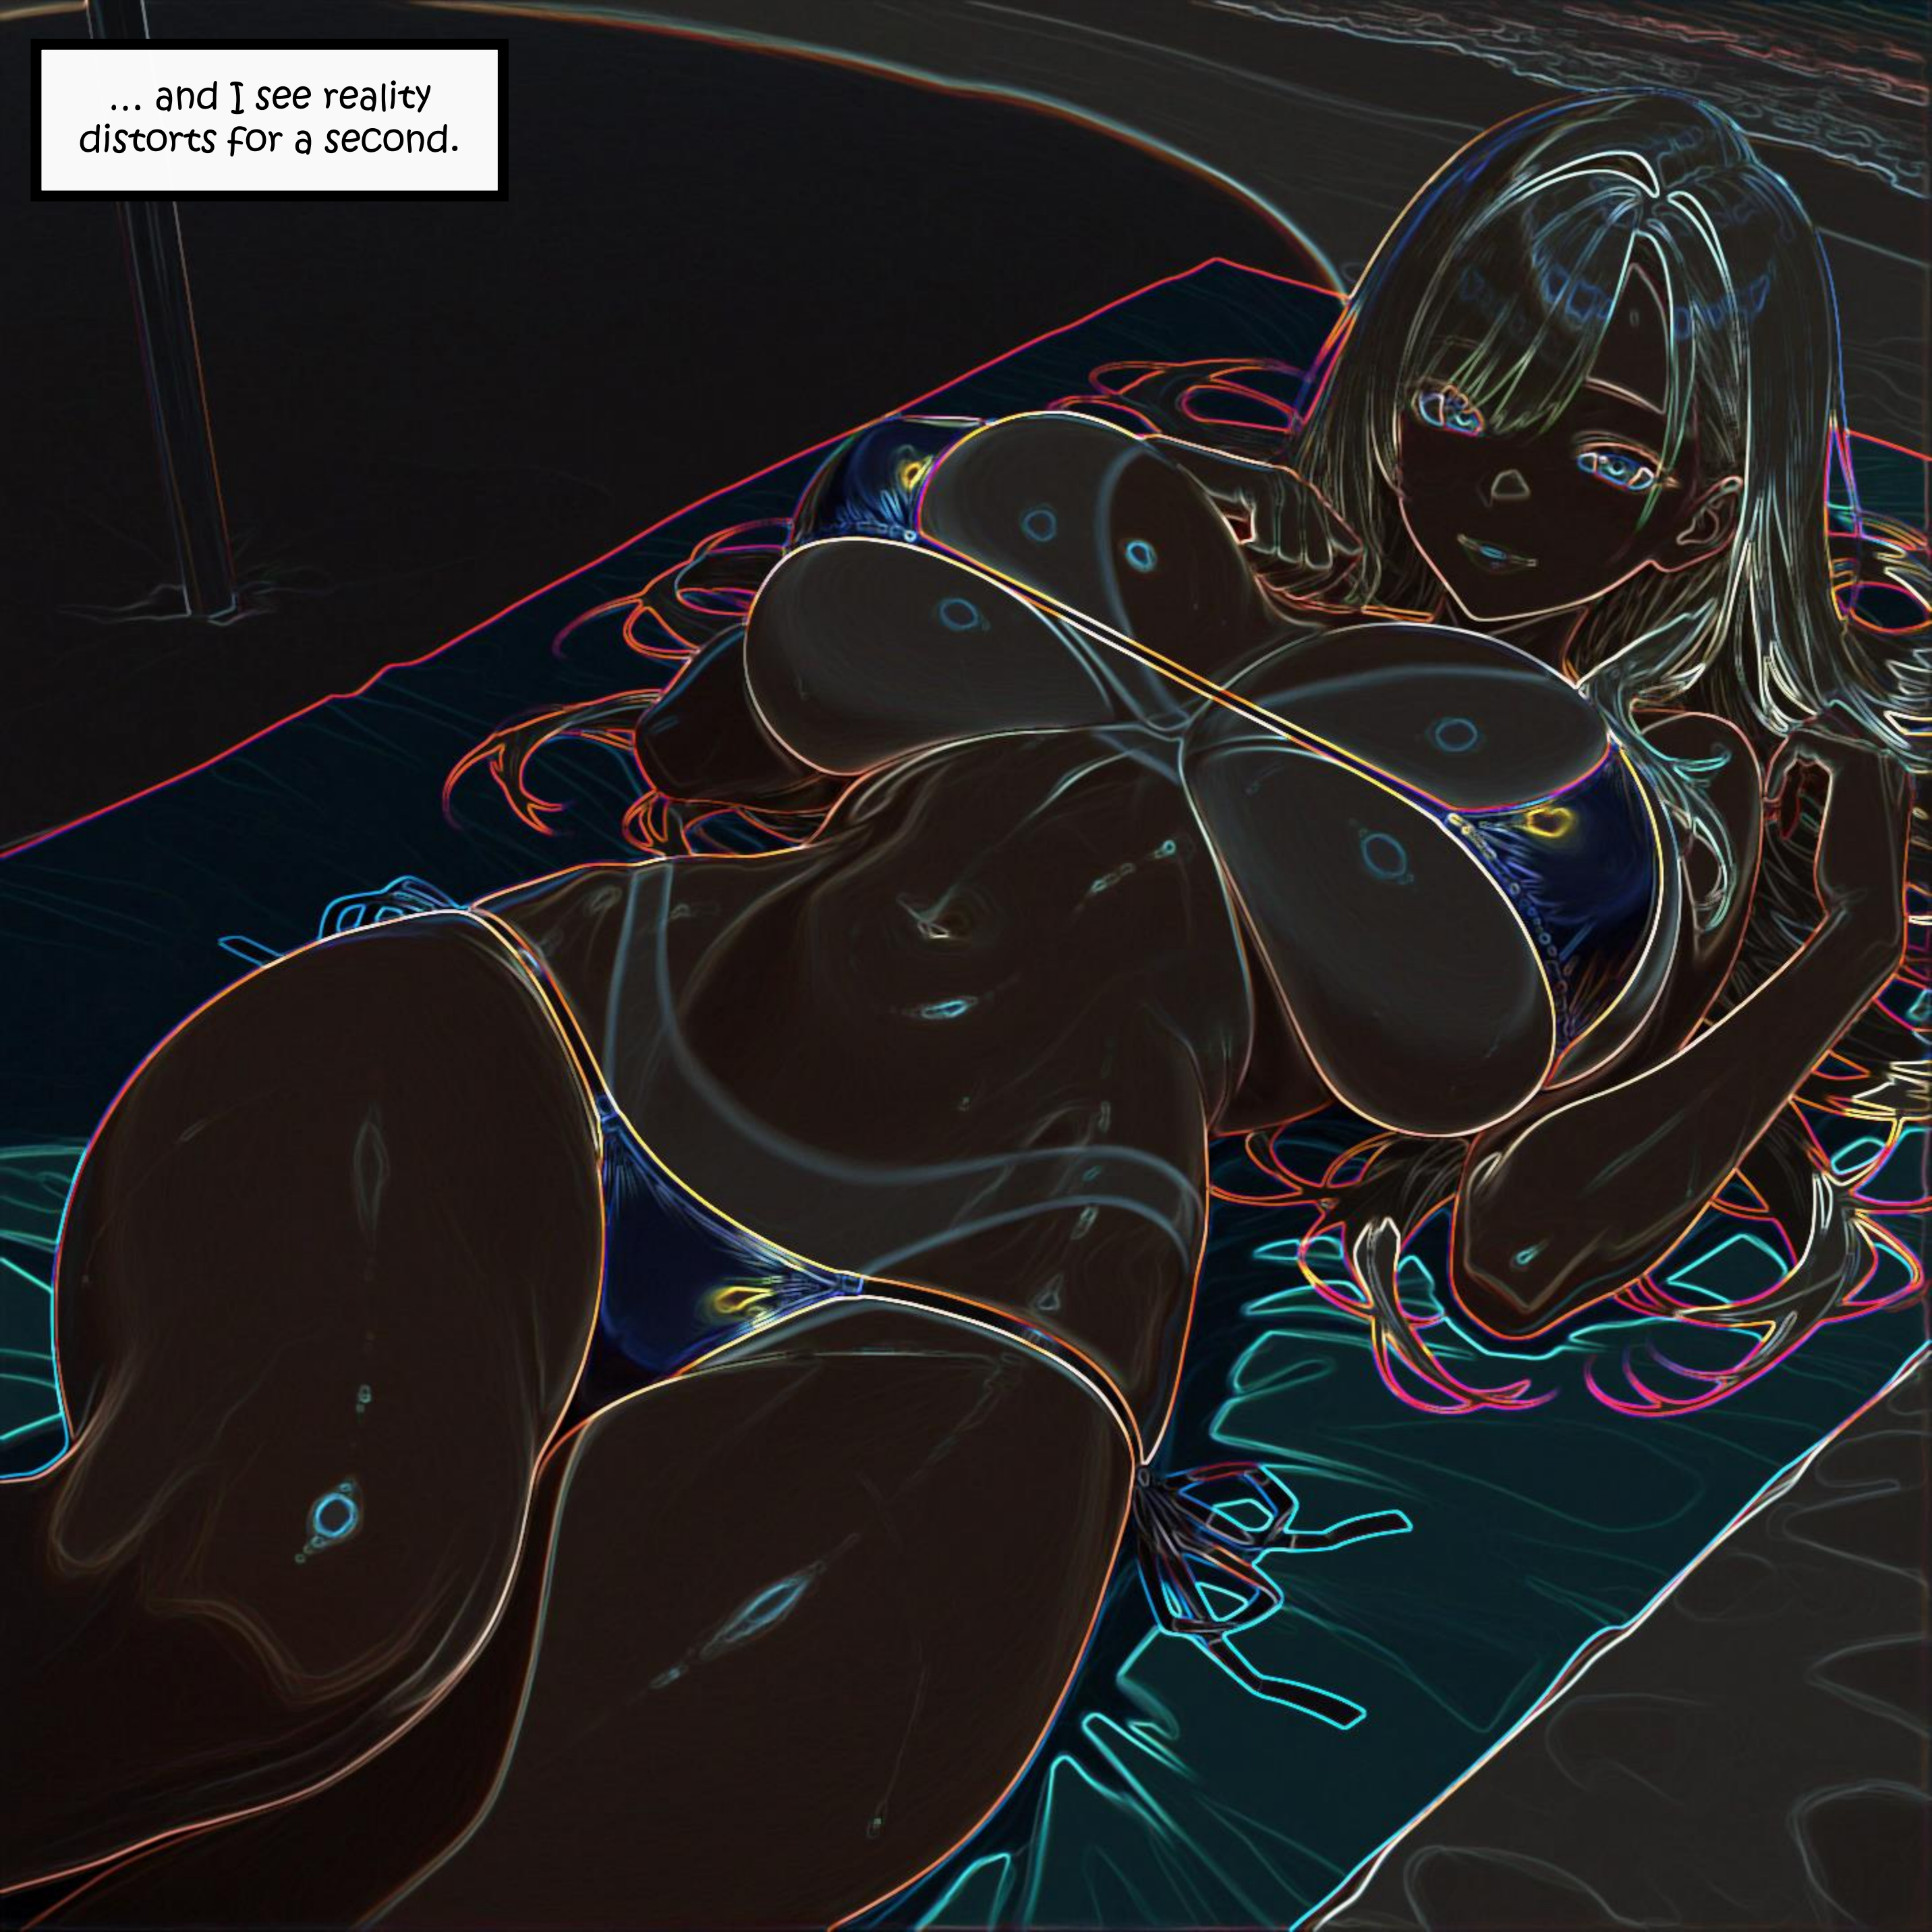

And to start with that, let's
make this a nude beach!

"All beaches are nude beaches.
Also, everybody but me thinks
being naked at the beach is
totally normal."

I look around ...

... and I see reality
distorts for a second.

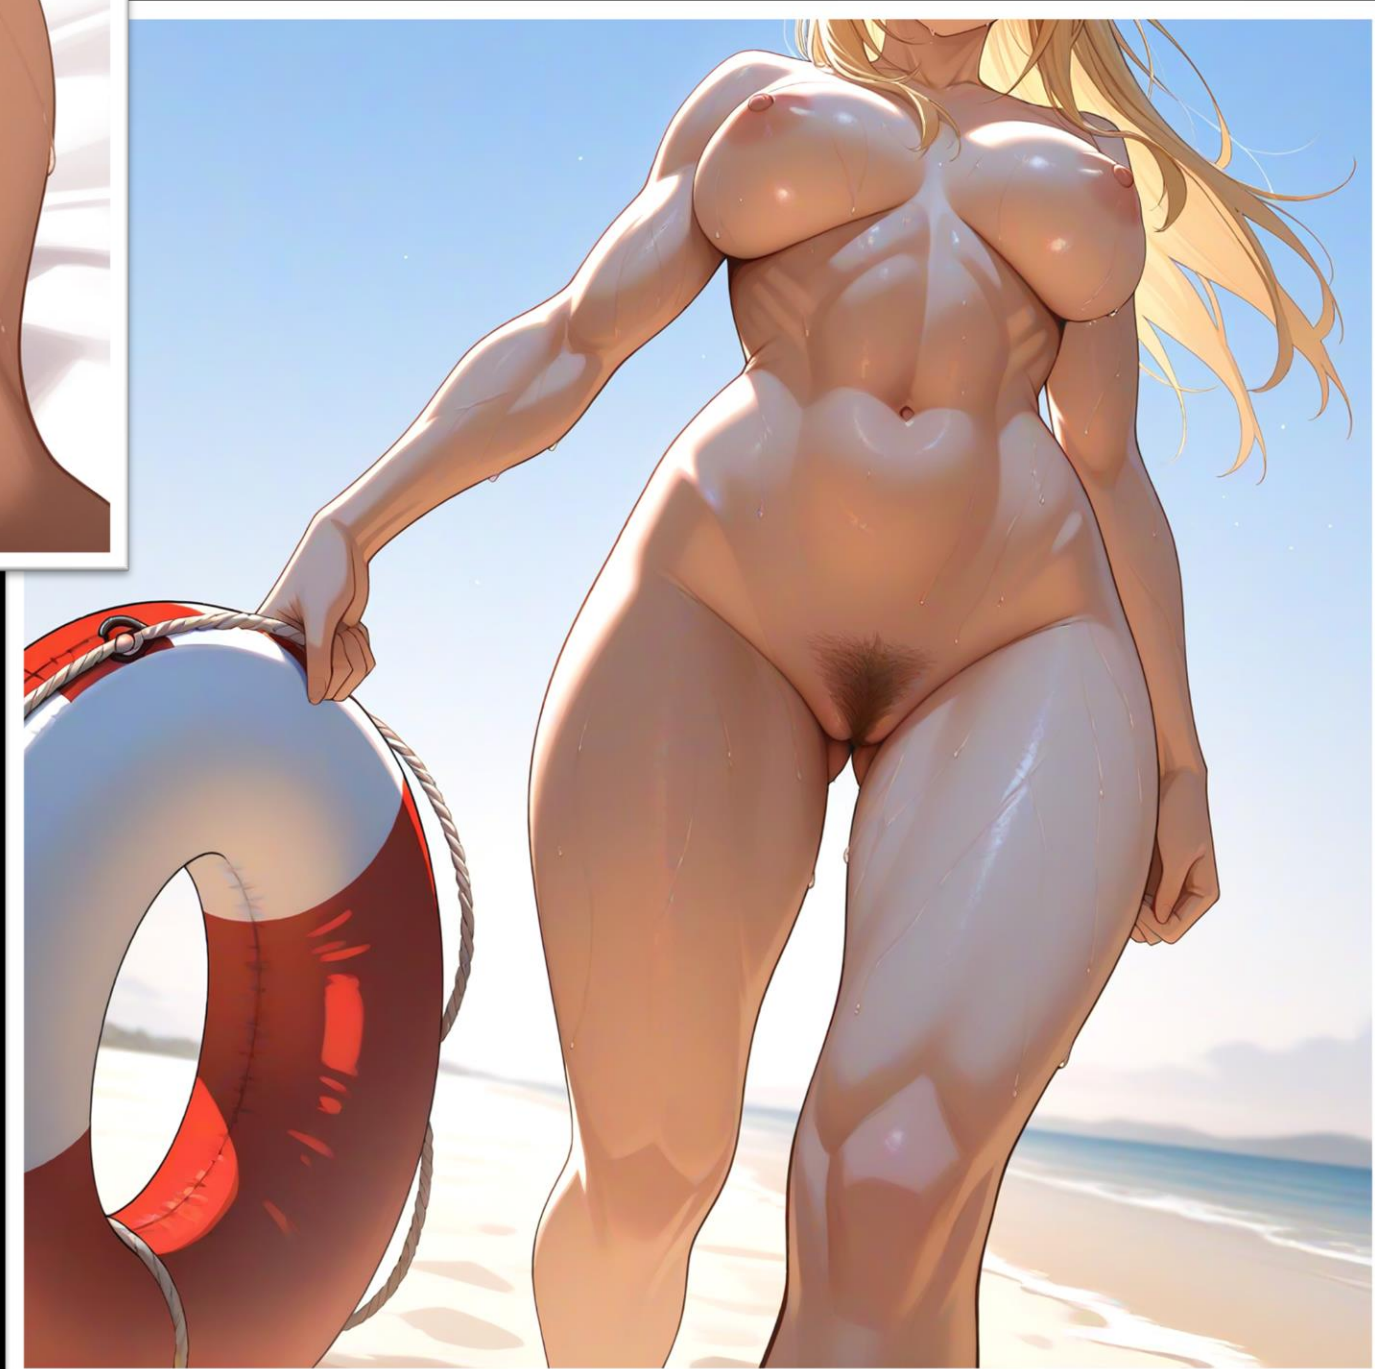

When it settles again...
What a view!

Man, even the girl's tan lines are gone now that being nude at the beach is the new norm!

As I lie there at the beach, trying not to stare too obviously at all those sexy and now butt-naked ladies, I feel somebody approaching from the corner of my eyes.

A full-body illustration of a very muscular blonde woman standing on a beach. She is holding a red and white life preserver with a rope in her right hand. Her body is extremely toned, with prominent muscles on her chest, abdomen, and legs. She has long, flowing blonde hair. The background shows a beach with sand, waves, and beach umbrellas under a clear sky.

Hey,
you!

My eyes slowly look up and I see
a very well-built female body.

The sunlight is stinging in my eyes as I look up, but I think I'm dealing with a lifeguard here?

What do you think you are doing?!

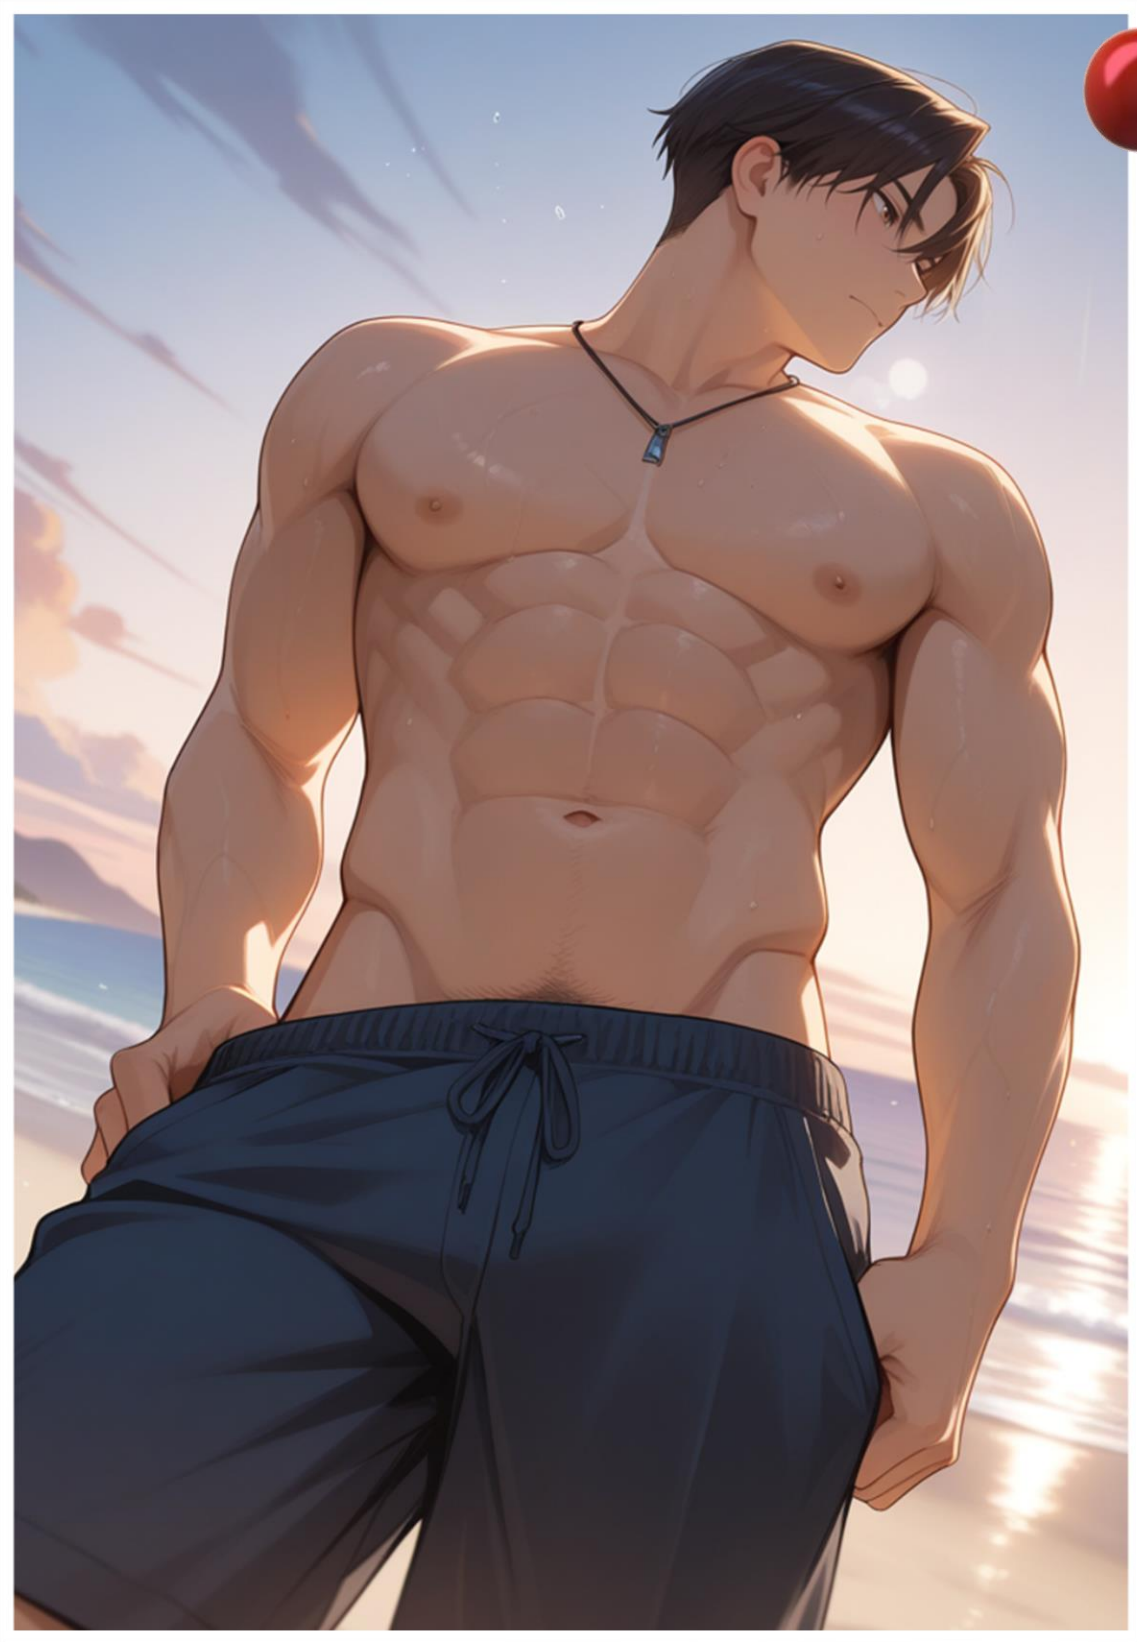

Did she see me leer
at the women here?

You can't be
here like this,
Mister.

If you don't
remove your
trunks I have to
ask you to leave
the beach area!

Oh!! I finally realize what's going on! Right now, I am the only one wearing clothes at the beach!!

I quickly remove my trunks to conform to the new beach rules.

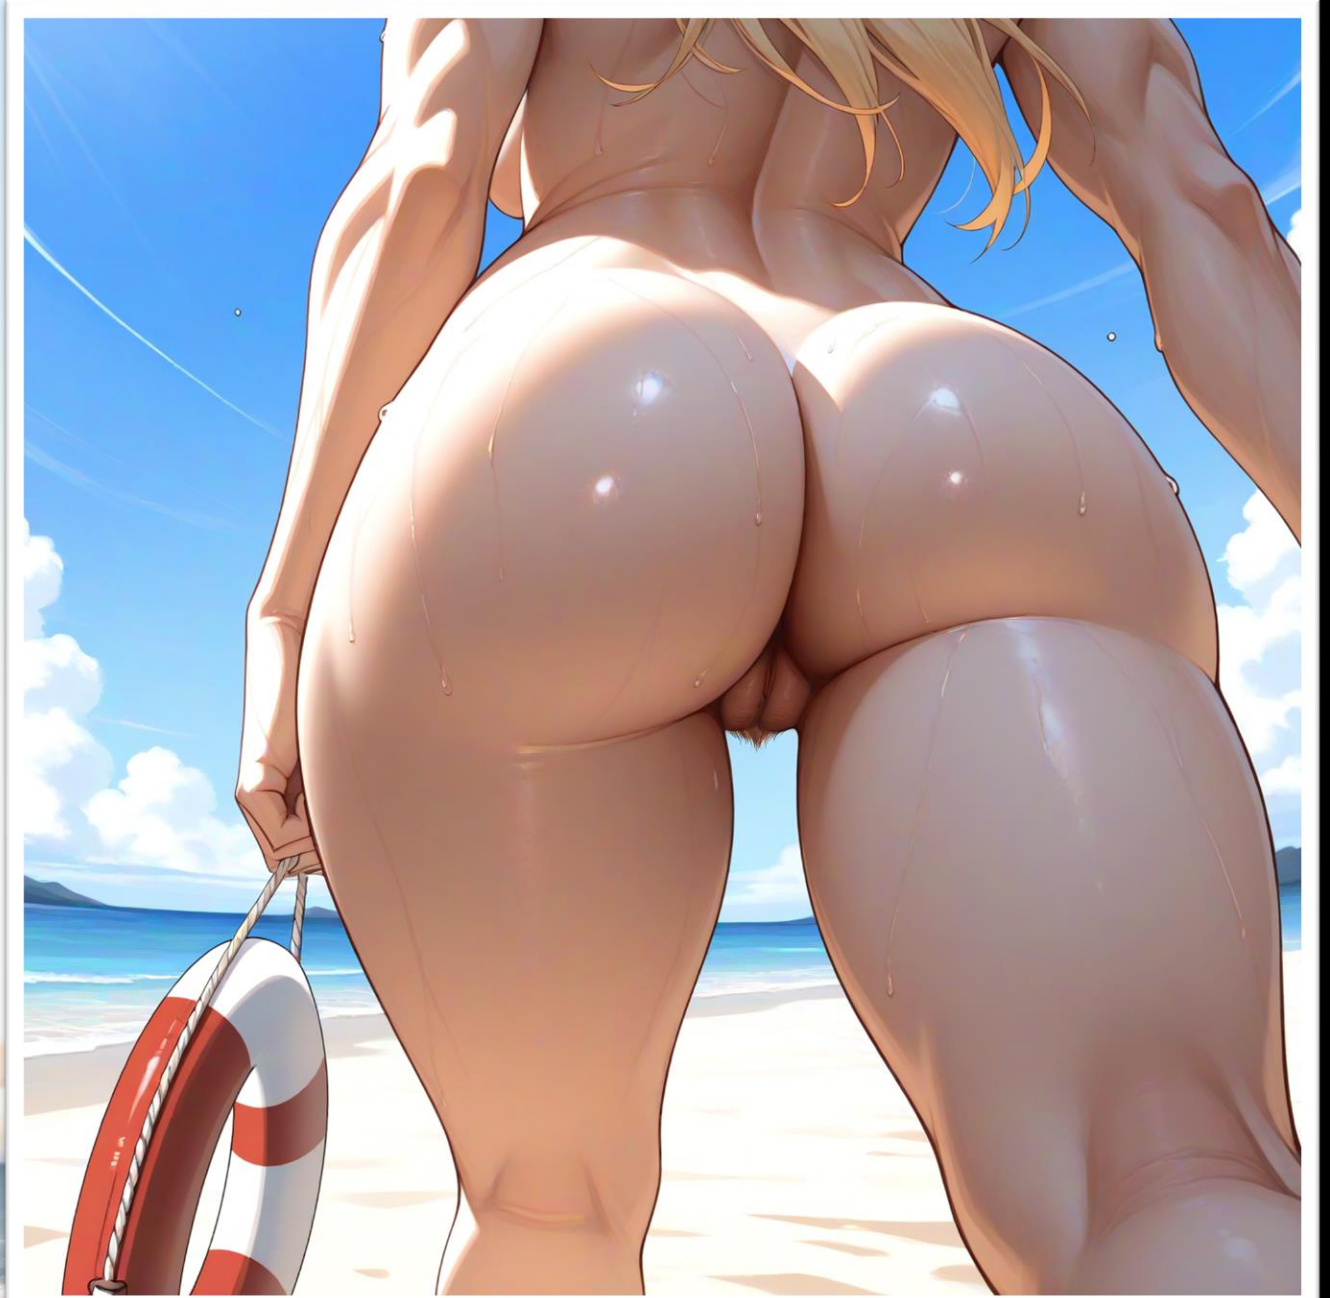

You should have
done that when
you entered the
beach!

I try to apologize the
sincerest way I manage to
muster in this situation, but
she just turns her back on me
and walks off – still seemingly
pissed off...

Tsk!
Stupid
pervert!

Guess I dodged the bullet
here? The girl was buff!

As she walks off, I watch her
toned butt wiggle away...

Getting yelled at for wearing clothes... I chuckle to myself as I once again look around to decide what to do next...

Hm... how about her!

Now let's make this easy...

"All beaches are nude beaches. Also, everybody but me thinks being naked at the beach is totally normal."

It's common courtesy to accept any type of sexual advances and go along with them happily when at the beach.

I walk over to the busty
brunette with the ringlets.
Her eyes are closed and she's
listening to some music...

Hi there!

So, it comes as no
surprise that she
does not react to my
greeting.

As I softly poke her, the girl opens her eyes trying to discern what's going on.

Hm?

poke

Excuse me,
Miss.

I just wanted to
ask if you could
get me off?

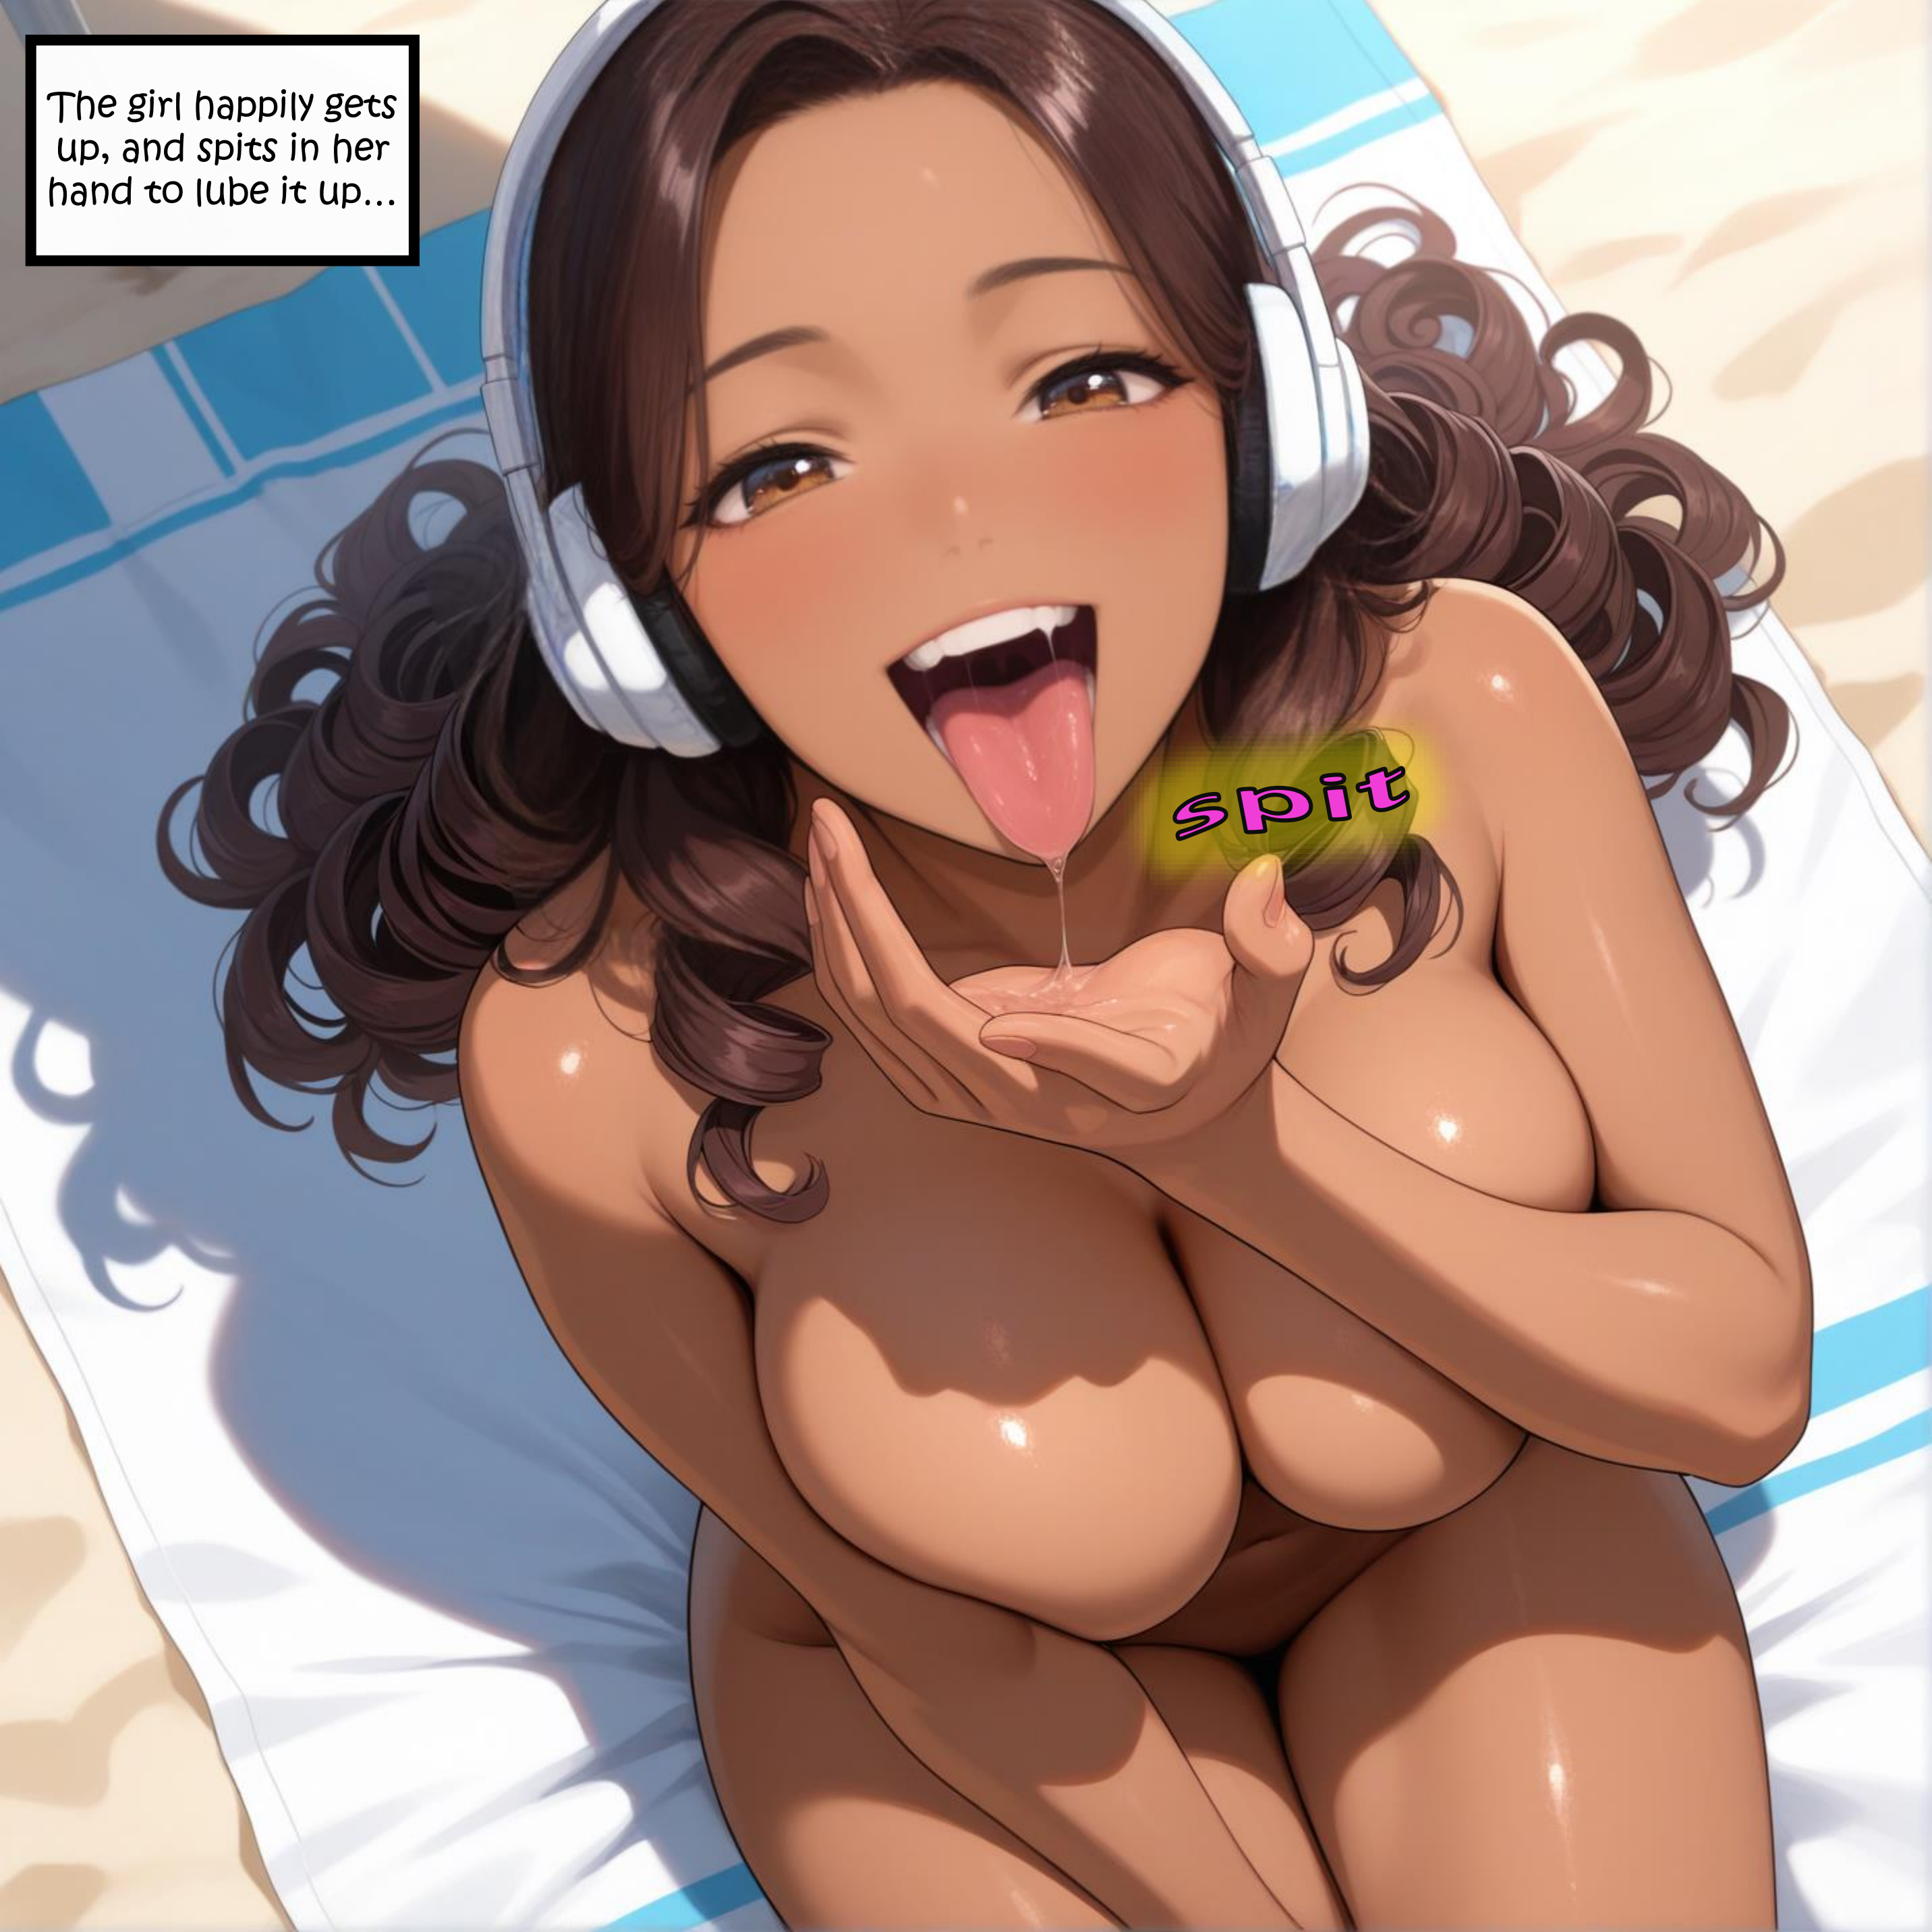

What's up
with this
guy?

Phew
Just a sexual
favor. I thought
he might be a
creep.

Oh!
Sure thing!

The girl happily gets up, and spits in her hand to lube it up...

Before she starts to
wank me...

Her hand feel nice,
and the situation adds
a lot to my arousal. I
mean, I'm being
wanked off at a beach
by a beautiful girl I've
never seen before!!

But there is always room
for improvement...

Could you
use your
mouth?

Now, you want
a blowjob?

Okay!

He's kinda
indecisive...

The woman gives my dick a
long lick along the entirety
of my shaft...

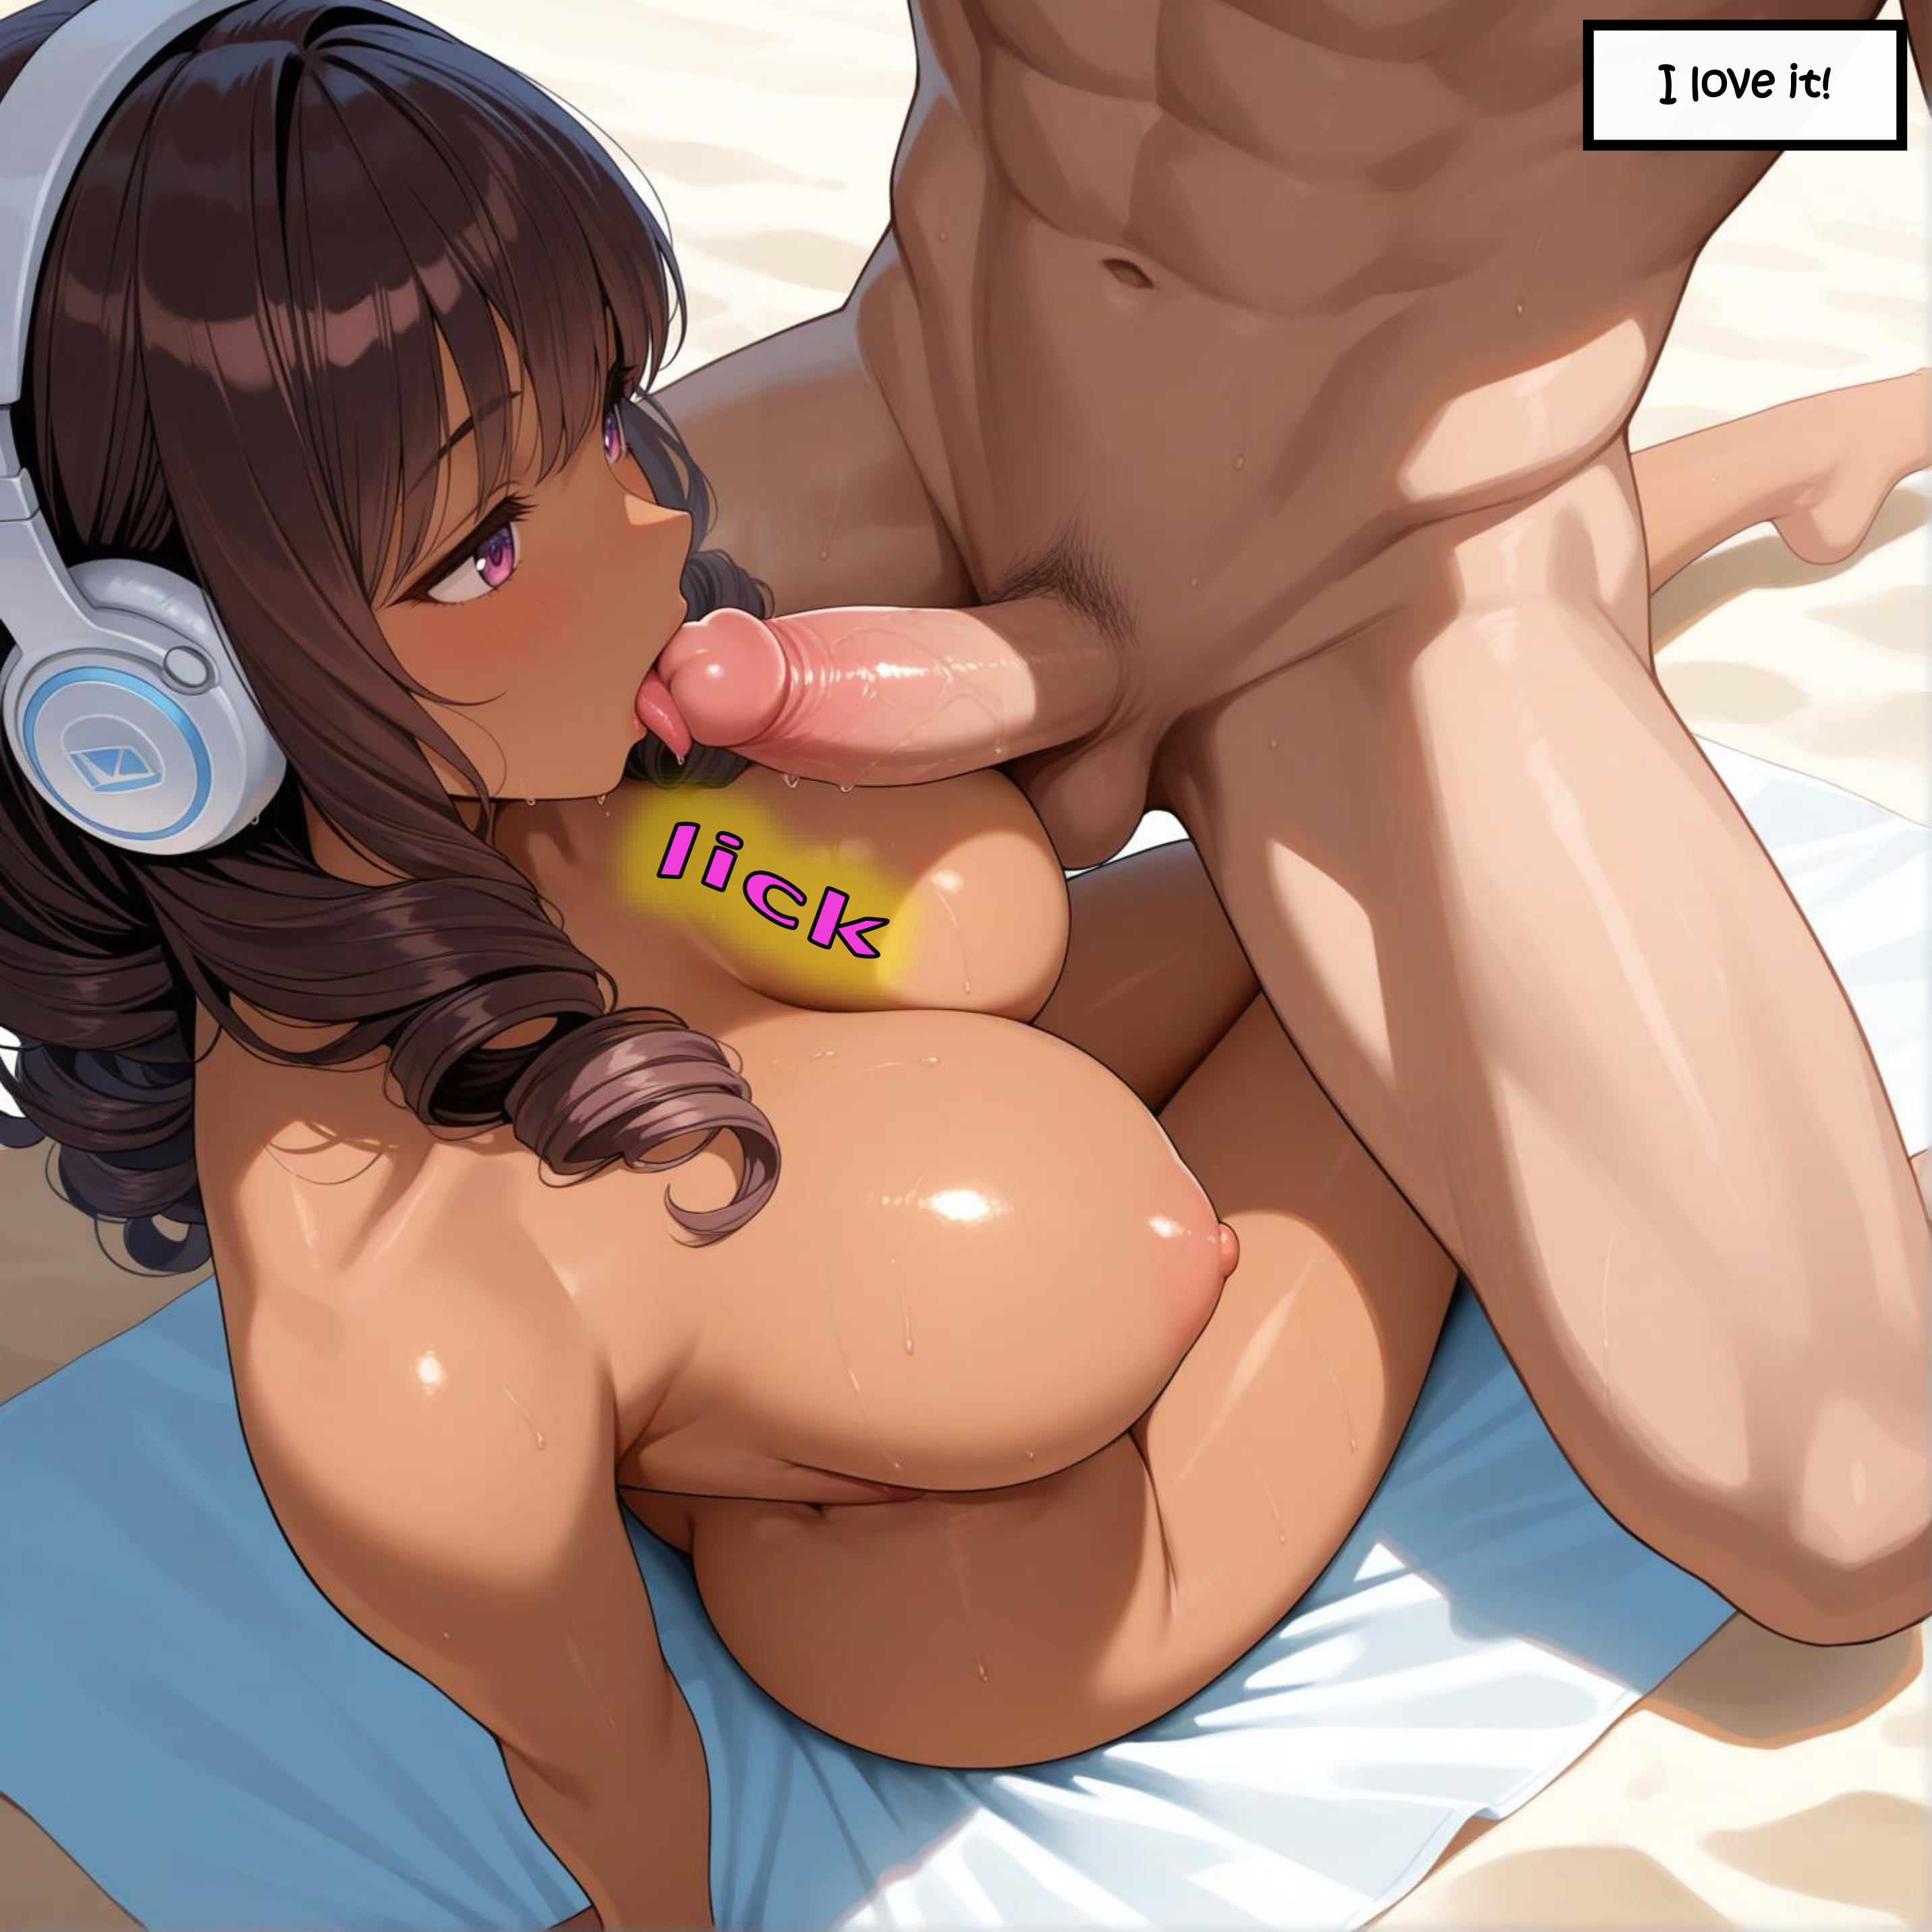

Before teasing my tip
with her tongue...

I love it!

lick

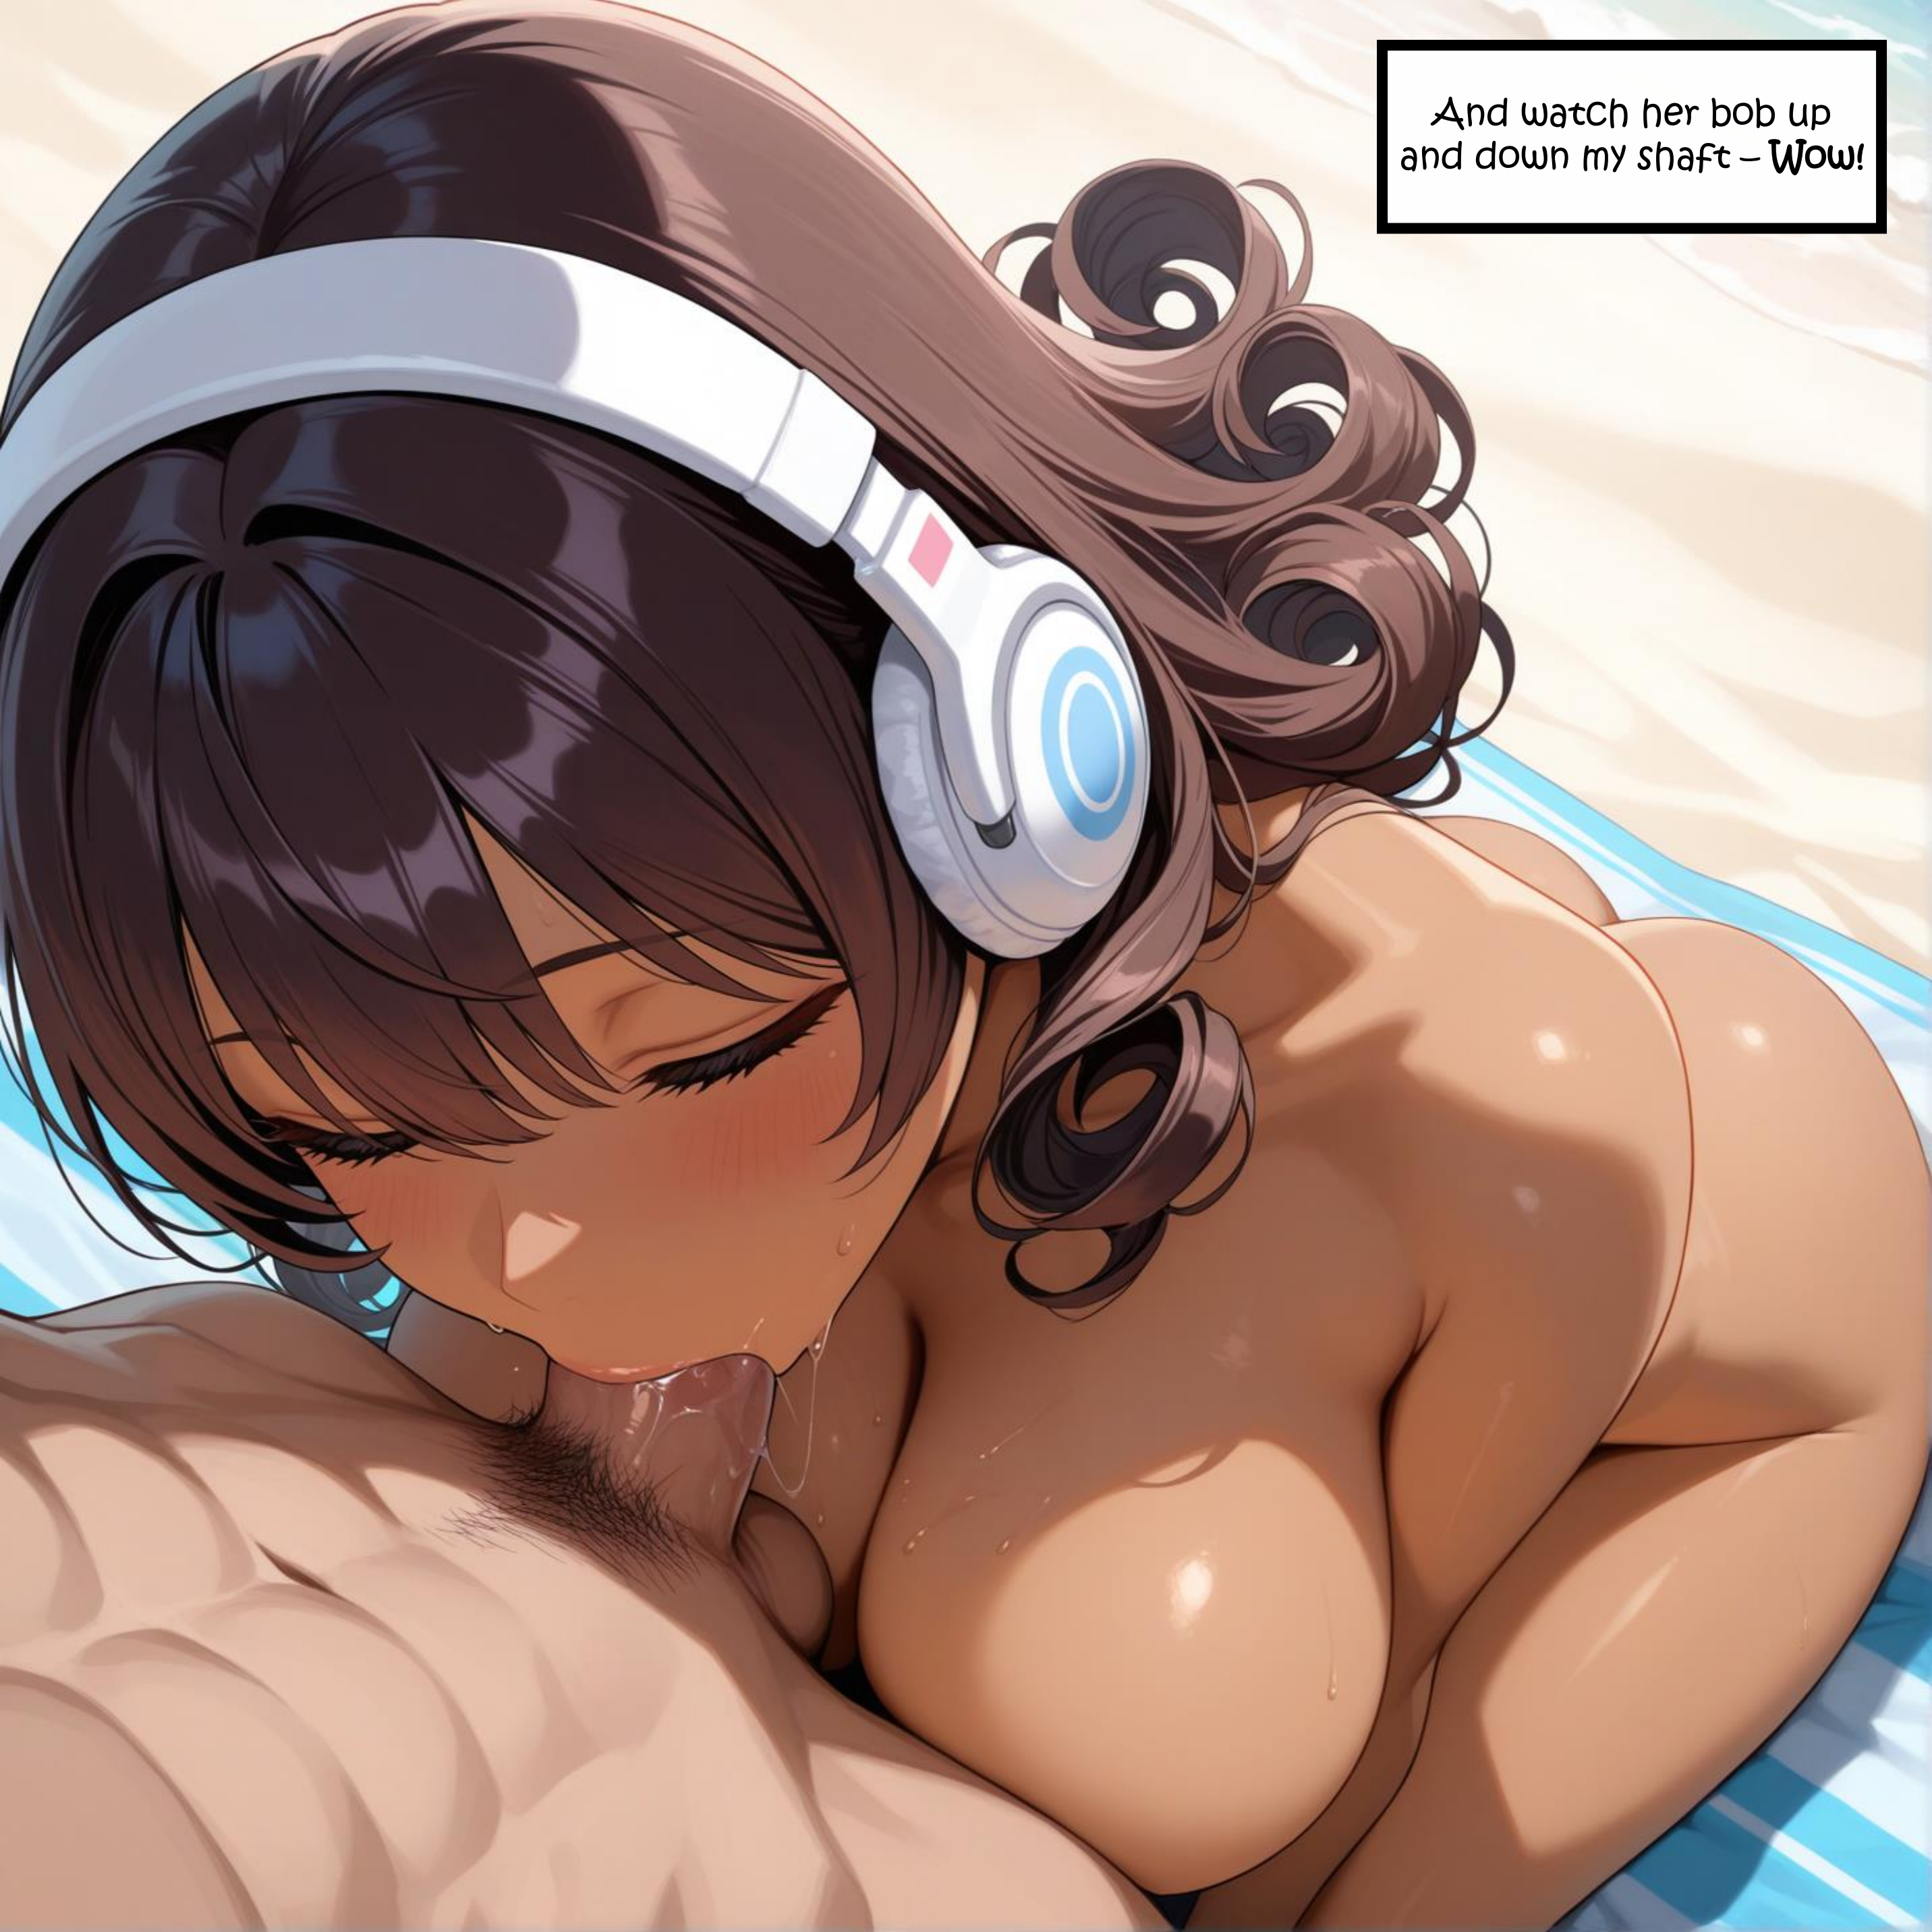

When she finally wraps her
lips around my cock, I'm
extremely aroused.

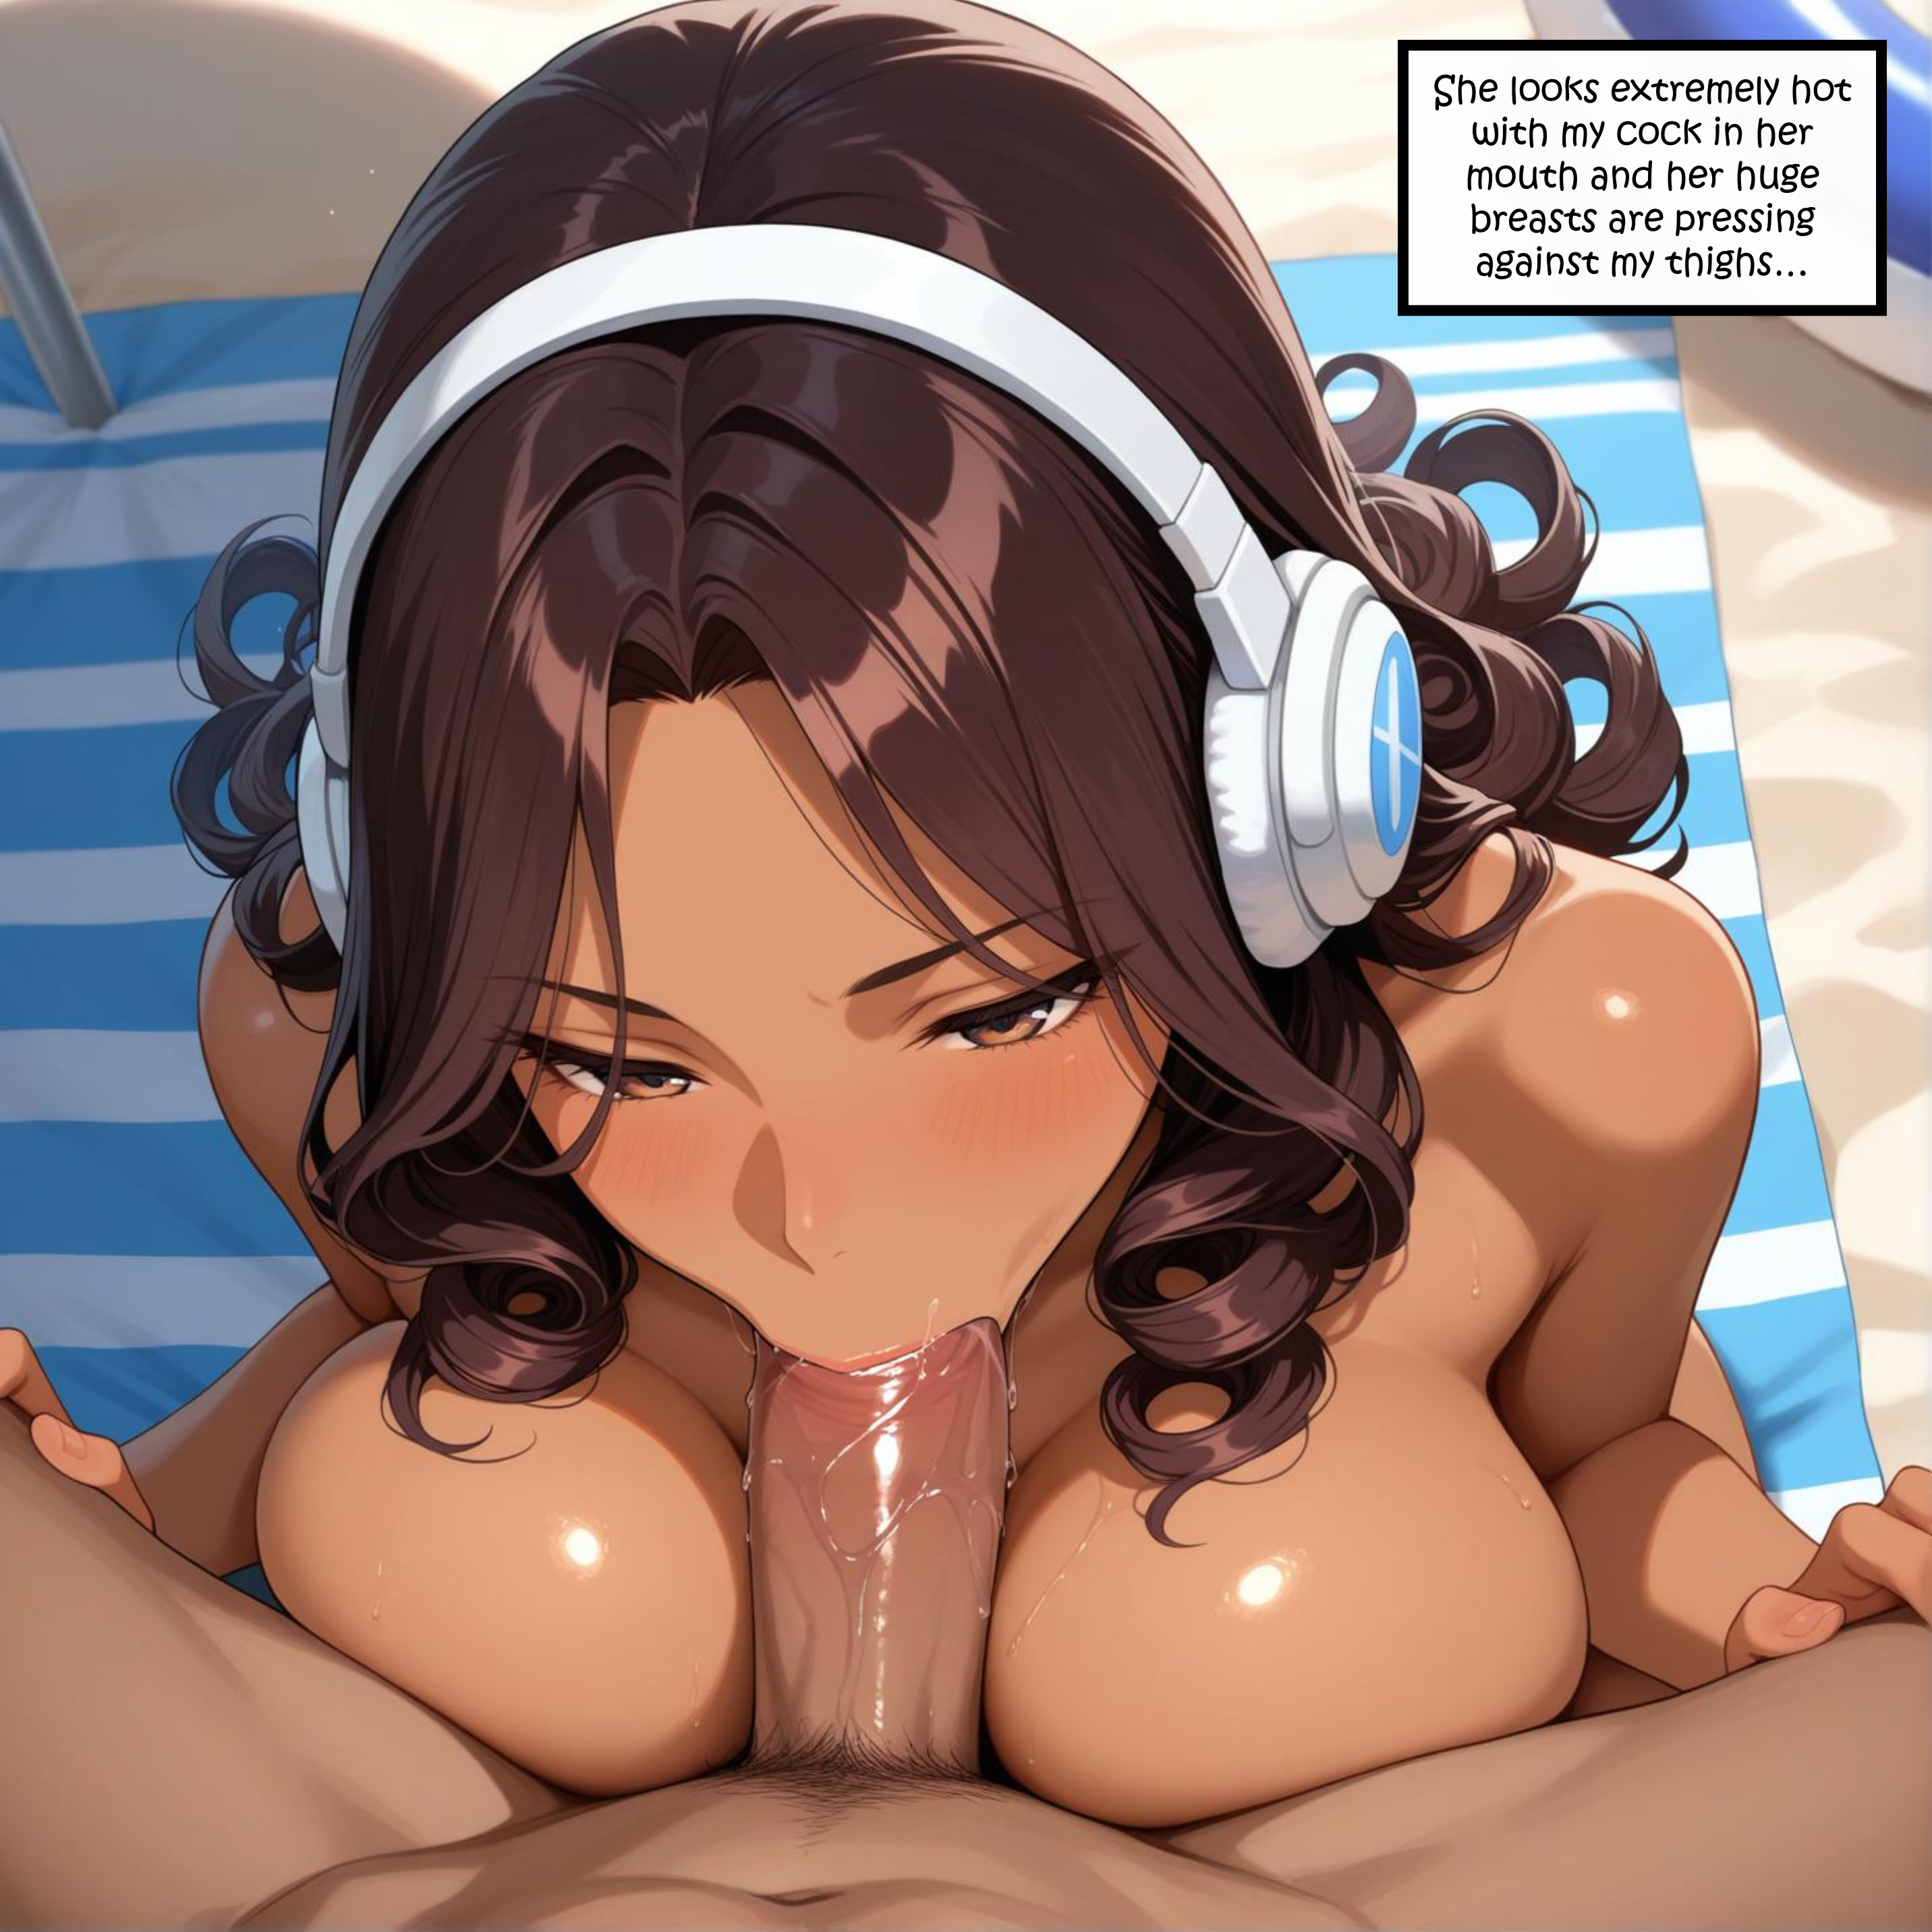

I enjoy her soft wet
mouth for some time...

And watch her bob up
and down my shaft – *Wow!*

She looks extremely hot
with my cock in her
mouth and her huge
breasts are pressing
against my thighs...

But I still notice
something out of the
corner of my eyes -
another beauty
walking by!

Me?

Excuse me.

Yeah, you.
Could you
help us out?

I'd really like to
look at some close-
up pussy when I
shoot my load

Completely understandable.

Sure, I will help out.

A comic book panel featuring a close-up, rear view of a woman's buttocks. The skin is a light, fleshy pink color and is covered in numerous small, glistening droplets of sweat or oil. A small, triangular patch of blonde hair is visible at the top center, just above the anal opening. The woman's legs are spread apart, framing a view of a beach scene in the background, which includes a blue ocean with white-capped waves and a sandy shore. In the top left corner, a portion of the woman's long, flowing blonde hair is visible. Two speech bubbles are present: one in the upper left and another in the lower left.

Look as much
as you want,
Mister.

You've got a
beautiful pussy
ma'am. But could
you spread it for
me?

Does this
work for you?

Perfect!

All the while curly hair
was of course still going
down on me and my
excitement was peeking!

Oh, shit!
I'm getting
close.

Wank me off
over her pussy.

Cheerfully she plops my
cock out of her mouth and
resumes her handwork.

The girl aims my cock at the other woman's pussy and starts to wank me once again.

Got a good look at that pink pussy, Mister?

Shoot your
load all over my
cunt, Mister!

The situation was so surreal
and hot - it did not take long
until I could feel my juices
rising...

Let it
all!

squirt

A detailed illustration of a blonde woman from the waist up, standing on a sandy beach with waves in the background. She is covered in a thick, white, viscous liquid that is dripping down her chest and stomach. The liquid is also visible on her pubic area and thighs. She has a surprised expression on her face.

And I erupted right all
over the cute blonde...
covering her pubic hair
stomach and even her
tits in my sticky load!

Wow!
You came
A LOT!

I stare at the blonde chick
like a museum piece for a
good minute longer. I really
enjoyed watching my cum
slowly drip down her lean
body as I felt the pleasurable
daze of after-orgasmic bliss.

Even all
the way up
to my tits!
giggle

I fucking love this notebook!

You done?
We good?

Yeah.
Thanks a
bunch!

No problem!

Gotta go
wash up
now...

!!

You mean... You want me to walk around with your cum all day?

Could you not do that for the rest of the day?

Yeah!

It was just a spur of the moment but it did sound pretty hot in my head and I expected her to accept my suggestion with glee...

So, I was kinda
confused when I was
met with her revolting
expression...

Now, why
would I do
that?

But I quickly
connected the dots

...

Well, I think it's
pretty hot and I
might get off just
thinking about you
doing that later
on.

... and connected
her walking around
in sticky goo with my
sexual relief – making
it a more obvious
sexual favor.

And once I explained it
the right way...

Oh, so this is
another sexual
favor? **Okay!** I
won't wash it up
until tonight then.

Good girl!
chuckle

Think about my
cum covered body
a lot today,
Mister.

giggle

And with that, the blonde chick said her goodbyes.

See ya! Maybe at
dinner at the
hotel.

And walked off into the sunset.

Wow! That was ...
something else!

We done,
right?

Err, yeah.
Thanks!

Woopsie! I almost
forgot about her!

I was trying to come up with something witty to say to her, but after telling her my sexual favor had concluded she simply laid back down on her towel and resumed what she had been doing before... listening to music while dozing off...

Damn, she was
beautiful...

Maybe I'll pay her another visit later on. But for now, my desires are sated... Also, it's almost lunchtime and the buffet at the hotel is to die for!

End of Chapter

Hello, Hexxet here,

Finally, some straightforward fun at the beach! I hope you enjoyed the action in the tropical sun even though it was just oral. But there was pussy involved anyway, right?

Looking forward to continuing this story from here. That last command should leave room for some more interesting adventures at the beach! 😊

More PAls and of course my regular 3D Comics can be found on my Patreon. Some free PAls can be found on my homepage.

Some pics that did not
make it into the story,
but looked still nice 😊

She looked up at me
with those big
brown eyes as her
breasts squished
into me left and
right next to my
cock - which she
slobbered up with
her tongue. I
fucking loved it!

She took my cock about halfway into
her mouth. Then she started circling
her tongue around. **It felt amazing!**

Can you see
my pussy well
enough like
this, Mister?
