You still remember my original problem? Becca and Janine being pregnant? Well.. That's done now...

And, while I, as a caring harem daddy, solved the problem of a babysitter, the problems still won't end! You wouldn't believe how much stuff these little buggers eat up... and the girls want stuff as well! **It's horrible!**

So, that's why we are here
today at the Laron Estate...

Knock

Knock

It takes some time, but
then a busty girl in a maid
outfit answers the door.

Ohhh!
La Police? IZ
something
wrong?

Don't worry,
nothing serious.

But we'd like
to speak to
Mrs. Laron.
Is she in?

I've brought Tammy
with me for an
introduction...
Otherwise, I would
probably never get to
speak to the lady of
the house...

Yes.
Madame is
residing in the
parlor.

Please
follow me.

We follow the maid inside.

The mansion is huge!

This should work out nicely.

Madame, c'est
la police...

It's fine,
Michelle. I'll
handle this.
You can go.

The maid leads us into a lavish room
where a woman dressed in a red
dress resides on a vintage sofa.

A woman with long, wavy brown hair and striking blue eyes is seated on a plush, dark brown leather tufted sofa. She is wearing a vibrant red, low-cut, form-fitting dress with a halter-style neckline. Her accessories include large, ornate gold earrings, a matching gold necklace with a central pendant, and several gold bangles on both wrists. She is looking directly at the viewer with a slight, enigmatic smile. The background is a dimly lit, elegant interior. To the left, a wooden side table holds a lit candle in a brass holder and a vase of red roses. A framed painting hangs on the wall. To the right, a large green plant is visible near a dark wooden door. The overall atmosphere is sophisticated and intimate.

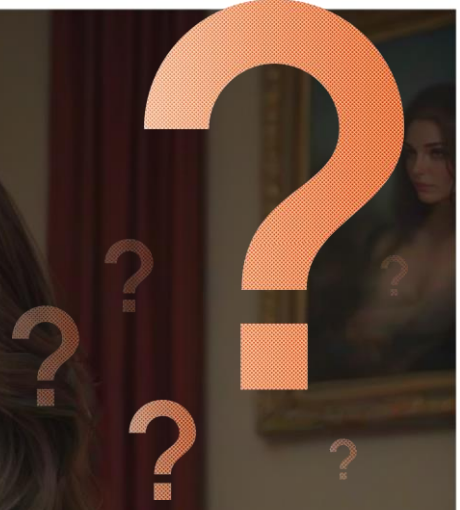

Well, what
can I do for
you, officers?

She looked just like in the pictures Tammy
had shown me. She was the perfect MILF!!

Also, she was loaded and recently widowed!!

Oh, no worries.
It's more about
what we can do
for you today.

This young gentleman
here has an offer for
you that you simply
won't be able to turn
down, Mrs. Laron.

I highly
doubt that.
chuckle

But since you
are already here,
I will hear you
out.

So, what do
you have to
say, boy?

Now, did I like Mrs. Laron
talking down to me like that?

No, I did not! And I guess if I had to pitch some product to her, I would totally fuck up any speech I had to give in this Lion's Den like situation.

Did he lose his voice?
Annoying!!

Speak up,
boy, I don't
have all day.

But thankfully, what I
had to offer would
speak for itself...

What are
you doing?!

Kiiippp

Don't you dare
pull down those
pants, young
man!

Mrs. Laron first starts shouting as I pull down my pants...

How dare you!!

But I'm used to that by now, and it does not take long, and I can see her expression soften – her eyes glued to my pecker.

Oh, my god!
It's beautiful!

Gasp

A woman with long, wavy brown hair is sitting on a light-colored leather sofa. She is wearing a red, off-the-shoulder, form-fitting dress. Her eyes are glowing with a golden light and contain small red hearts. She is wearing a gold necklace with a heart-shaped pendant, gold earrings, and a gold bracelet. The room is dimly lit, with a warm glow from a lamp on a side table to the left. The background shows dark wood paneling and a framed picture on the wall.

I mean...
How dare you keep
that magnificent
piece of man wood
hidden from me
for so long...

And there we go.
That's more the tone I
like to hear.

Her attitude toward
me took a 180 turn
basically in an instant.

So... you were
talking about a
deal, yes?

A woman with long, wavy brown hair and striking orange eyes is seated on a dark brown leather sofa. She is wearing a vibrant red, form-fitting, one-shoulder dress that is open at the bust, revealing her breasts. Her accessories include large, ornate gold earrings, a matching gold necklace with a heart-shaped pendant, and several gold bangles on both wrists. She is looking directly at the viewer with a slight, enigmatic smile. The background features a dimly lit room with a dark wooden door, framed artwork on the walls, and a lamp on a side table to the left. A speech bubble originates from the upper left, containing the text:

How about
we go "tit
for that"?

I don't know Mrs. Laron. This is premium dick we are talking about here.

Eagerly, she kneels down before me, trying to persuade me with her charms...

Please, call me Jessica.

I'm sure we can... cum to some sort of arrangement.

A woman with long brown hair and glowing heart-shaped eyes is sitting on a wooden floor. She is wearing a red, off-the-shoulder, low-cut dress. She is holding a glowing yellow vibrator in her right hand. She has a gold necklace with a heart pendant and gold earrings. The background shows a dimly lit room with a wooden cabinet and a lamp.

I have money!

I'll write you a check for 1000\$ right away if you let me just touch it!

Money's a
great start
Mrs... Jessica.

But I was
thinking way
bigger...

How
much?

How about this:
You can have a
free sample first,
and we talk about
pricing later?

Sounds
great!

touch

You may use
your mouth to
pleasure it, if
you want.

Don't mind
if I do.

It's
divine!

Jessica was using her
tongue on my tip –
adoration in her eyes
as she tried to gauge
my reaction to her
administration...

lick

But I was used to this
sort of service and
played it cool – though
I have to admit, she
was quite skilled.

lick
lick
lick

Finally, she wraps her
lips around my rod...

SLURP

And started to bob up
and down my shaft.

suck
suck
suck

She was doing a great job, and I was soon ready for more.

If you take off your clothes, I can show you how it feels in your other holes.

Never have I seen a woman undress this fast. Consider me impressed!

Ready!

I let her tease my cock a bit more while taking in her now naked body...

Please, I want to feel you inside.

SLURP

Before initiating
the main course...

Get on all
fours. I'm gonna
take you from
behind.

Please, take
me...

I... What
should I call
you?

Call me
Master.

giggle

I think she
thought of
it as a fun
name game
at first...

Okay. Please
put it in now,
Master.

But soon she was calling me Master at the top of her lungs as I was pounding in and out of her sopping wet cunt.

Oh, fuck yes!
You feel so
good inside of
me, Master!

I'm close!

Moan

CUMMING!

pant *pant*
That was...
AMAZING!

Yes,
Master!

Get over here, I'm
gonna cum over
your boobs.

Exhausted from sexual tension and sweaty, she kneels in front of me.

Please give me you cum, Master.

A few more strokes
vorgasm – aiming at
Jessica's chest – but some
spurts hitting her in the
mouth as well.

Wow...
Your cum...
it tastes
amazing!

Thanks... So,
about the price
for regular access
to my cock...

ANYTHING!

Brilliant.
That's exactly
what I had in
mind.

You are
Sunday.

I'm
Sunday.

I explain the details of our deal to Jessica, and she's fine with all of it – obviously.

Of course, Master, you and the other girls can move in here. There is no problem.

Finally, all my problems were solved. I had housing, funding and even a nurse. Now, all I had to do was tend to the needs of my girls and live a happy life...

Knock

Knock

Madame?
IZ everything
alright?

We heard
moaning...

Oh, my!!

Oh, hey girls.
Sorry, but we are
kinda busy in here.

Can we
join?

Pritty
pleaze!

End of Series.

Hello, Hexxet here,

Originally, I wanted to just end the series with the final Sunday girl... but the French maids were just too much of a bait to use for a twisted Ending. 😊

I hope you enjoyed the Irresistible Potent Penis Potion at the Pool Series. This was the final chapter!

More PAls and of course my regular 3D Comics can be found on my Patreon. Some free PAls can be found on my homepage.

A few pics that did not
make it into the story...

Oh, my god!!
That's the most
beautiful dick I
have ever seen!

A detailed digital illustration of a woman with long, wavy brown hair and glowing red eyes. She is wearing a red, low-cut, spaghetti-strap dress and is sitting on a dark brown leather tufted sofa. She is adorned with a gold necklace featuring a green emerald, large gold earrings with red stones, and multiple gold bangles on both wrists. The background shows a dimly lit room with a wooden floor, a brass lamp, and a red patterned rug. A speech bubble is positioned to her left.

Anything you
want. Just please,
let me worship
your cock.

Thank you
for my weekly
dose of cock,
Master.
