**In a parallel world not too different from ours but some
years ahead in the future...**

Slave Loan

In a world where big loan companies get their money's worth when somebody can't pay them back by turning them into temporary slaves and selling them, Scarlett has fucked up... Thankfully her best friend Kessy has a heart... And enough money to buy her, but one thing leads to another...

Featuring

Scarlett...

A woman who could not pay back a loan

Kessy...

Scarlett's best friend

Suki...

Kessy's ex-girlfriend

Jarold...

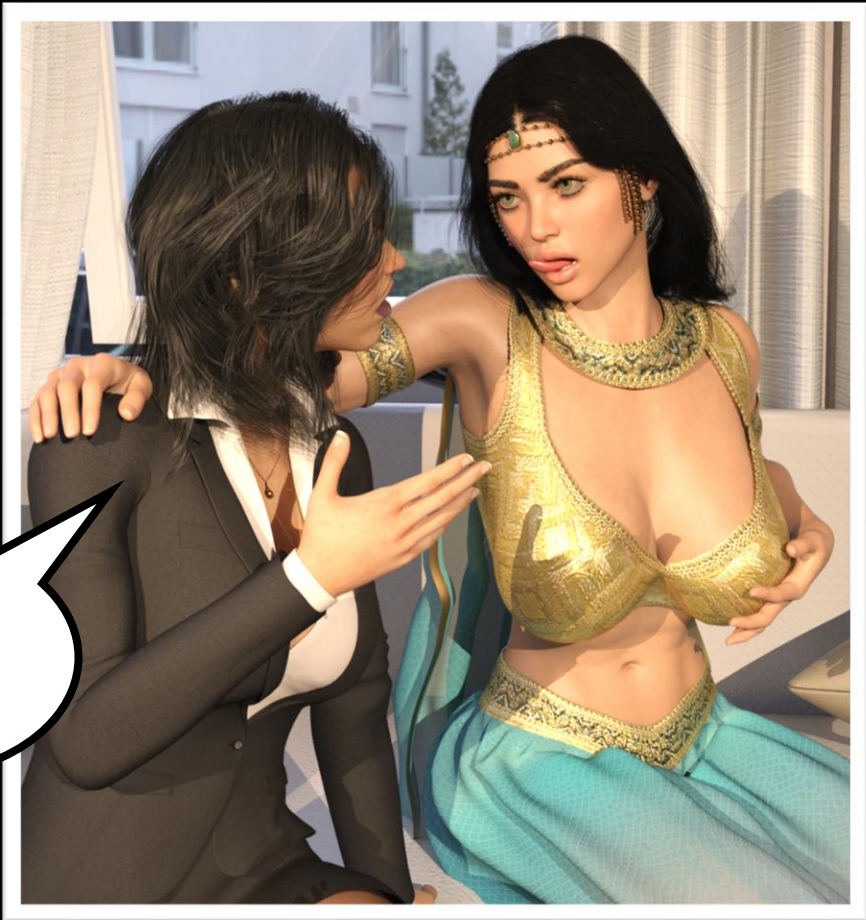

Kessy's boss at work

Last time on Slave Loan...

Kessy's best friend Scarlett could not pay back a loan with a shady company and ended up in a one-year-slave-contract. To save her friend, Kessy bought her.

No thanks...

Kessy was set on getting through this year unscathed – protecting Scarlett from possible perverts...

Never would she have expected...

The things her current girlfriend Suki had her dear friend do while she was out working...

Ahh, this is the life!

We continue from here...

Another three months later...

Aside from that, not much has changed. And right now, it's once again time for Scarlett to wake up her Mistress... err... friend!

Suki is long gone from the apartment, and the two female friends now live alone in the apartment.

Wakey wakey, Kess.

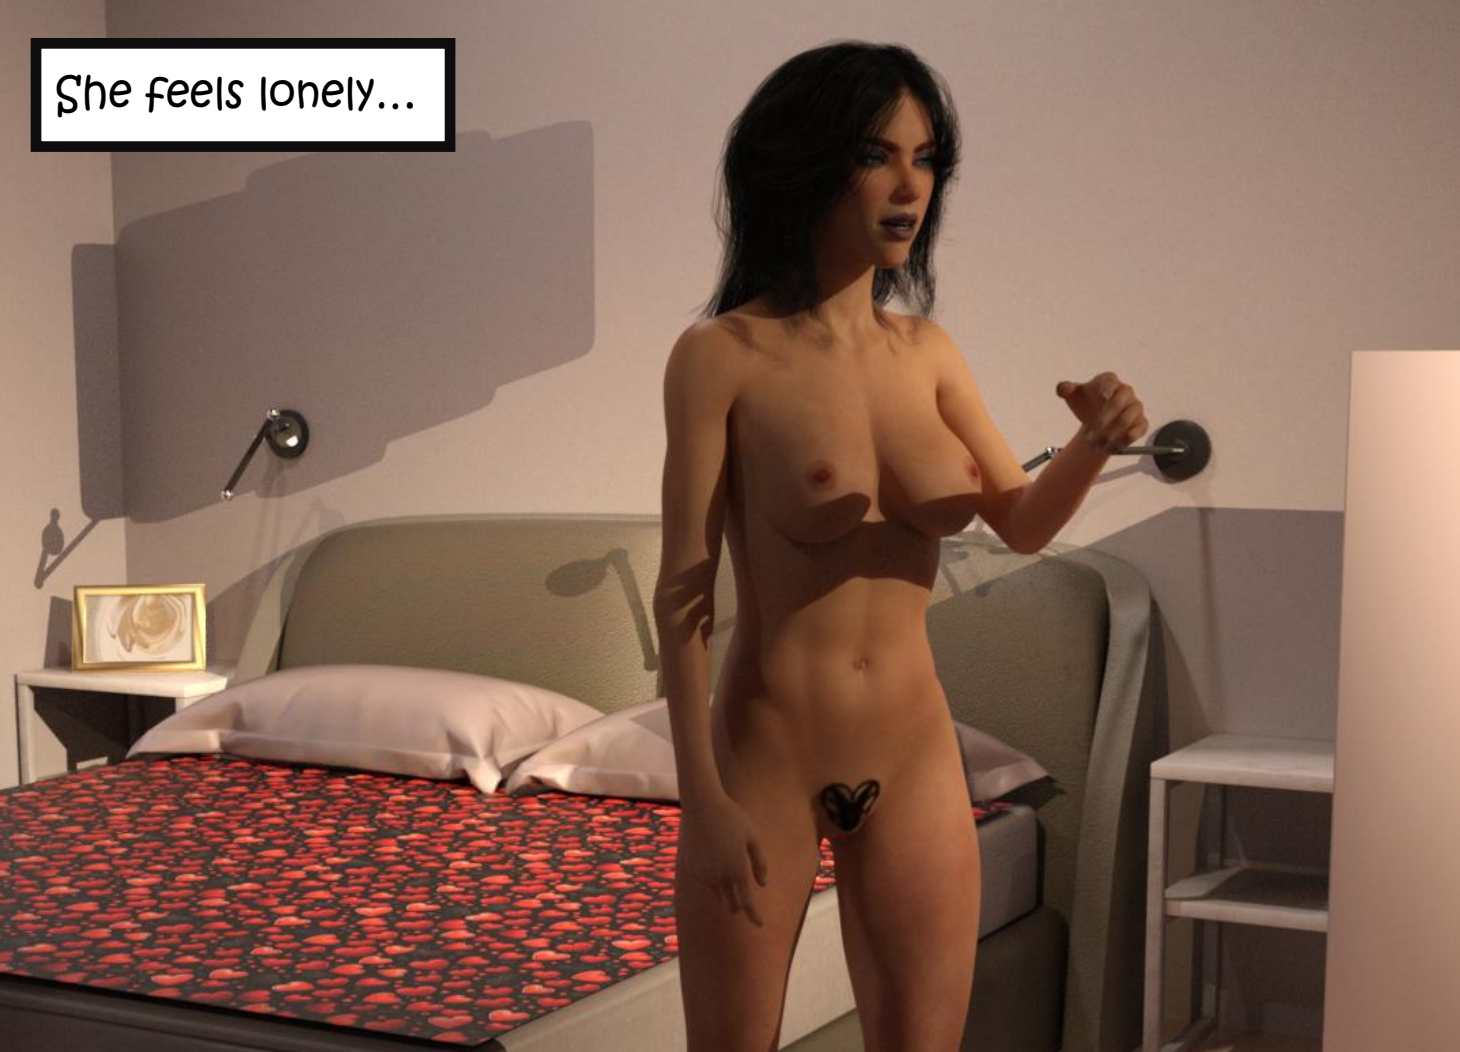

Yawwwn.

Morning,
Scarlett.

Breakfast will
be ready in a
minute, Kess.

That empty space next to Kessy in bed
still hurts her deep inside her heart.

She feels lonely...

Trying to forget Suki and
what she has done...

But she tries to
distract herself
with work.

Dressed for success, she
exits her room...

Let's
do this!

And sits down at the table... her eyes drawn to that spot where Suki used to sit – melancholy once again rising in her heart.

Here comes the breakfast, Kess.

Mmhh!
It smells delicious!

You made
two portions,
right?

Come, will
you sit with
me?

You might have realized, Scarlett isn't calling her Mistress any longer. With time, Kessy finally managed to get her to call her by name again... Though aside from that not much about Scarlett's behavior has changed...

Still, she prefers her enslaved friend's persona's company over eating alone... only 7 more months...

Scarlett's not the best conversation partner... as she would never contradict Kessy in anything...

I'm off to work.

But still... the two friends manage...

This will be a busy day at work.

Oh, Mistress ...

Have a nice day, Kess.

Scarlett has basically replaced the word Mistress with her friend's name in her vocabulary...

Some Time later...

Kessy arrives at her workplace...

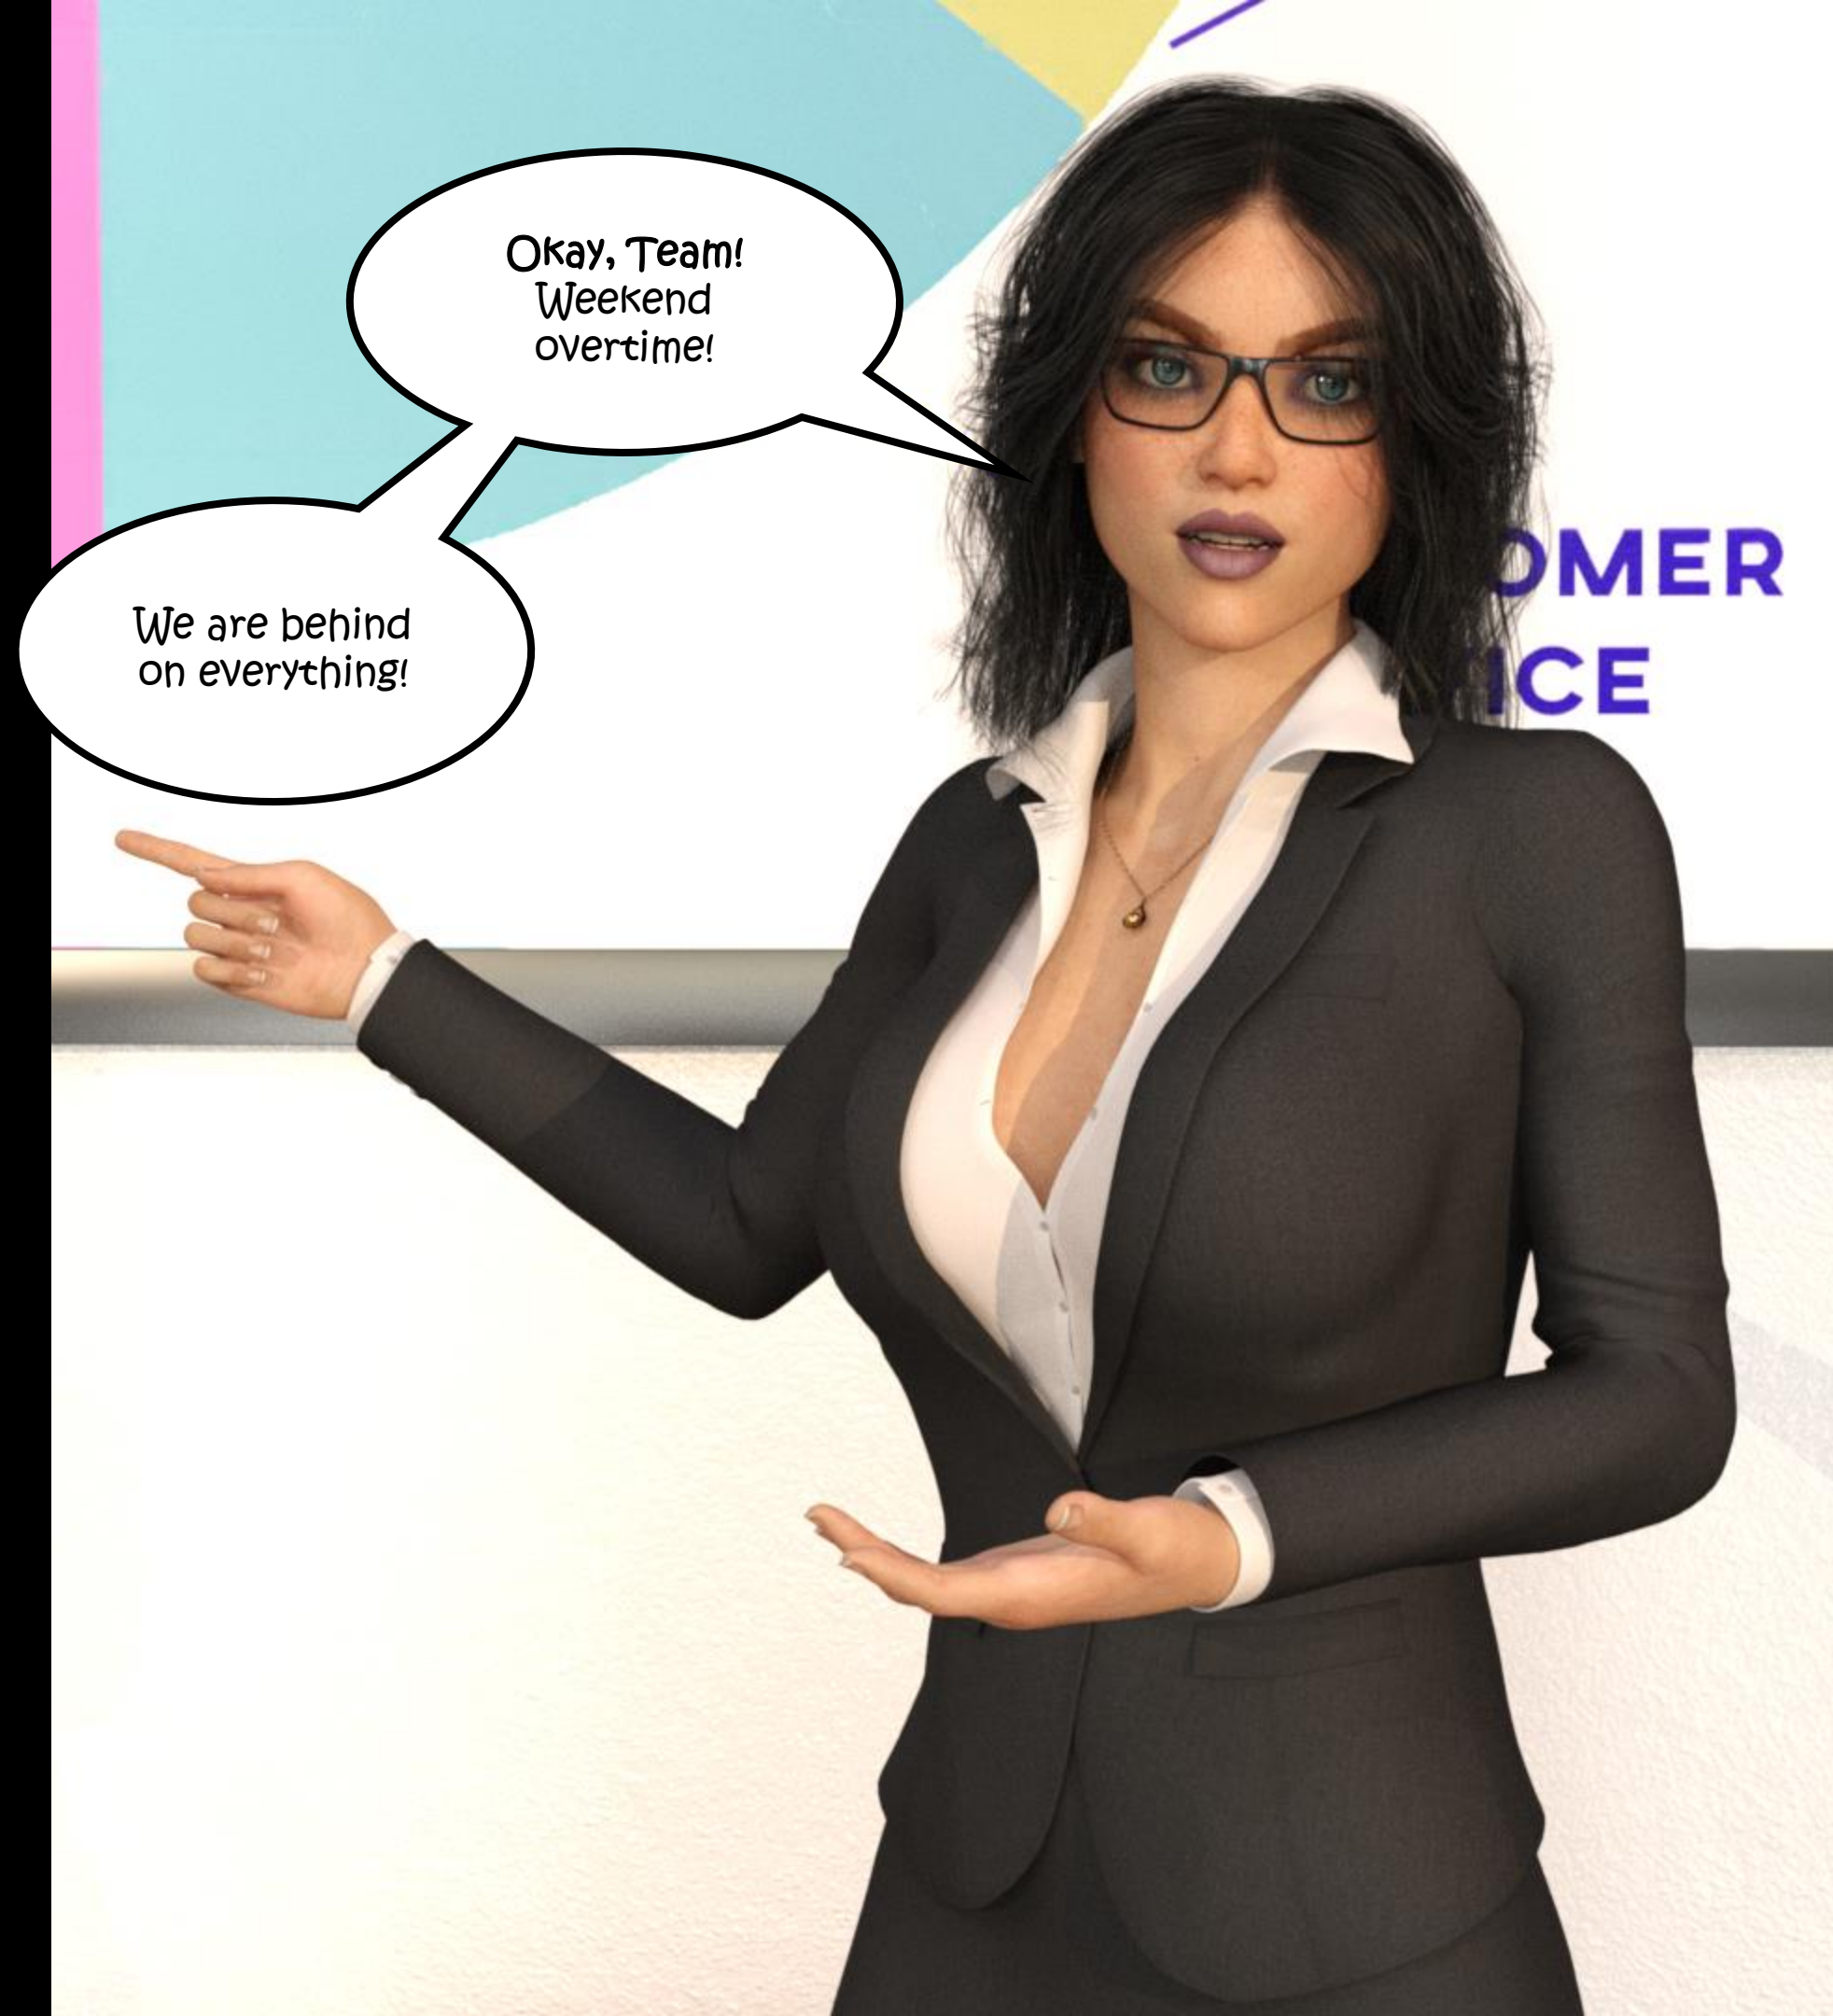

A woman with dark hair and glasses, wearing a black long-sleeved blazer over a white collared shirt and a black mini skirt, stands in a modern hallway. She is wearing black high-heeled shoes and has her right hand on her hip. The hallway has a polished floor that reflects her and the surrounding lights. To her left, on the wall, is a small rectangular panel with two glowing eyes. A thought bubble is positioned above her head, containing the text "Alright! Let's get some work done!".

Alright!
Let's get some
work done!

Kessy's working in a big company in town as a manager. The pay is good, but there's also a lot of responsibility.

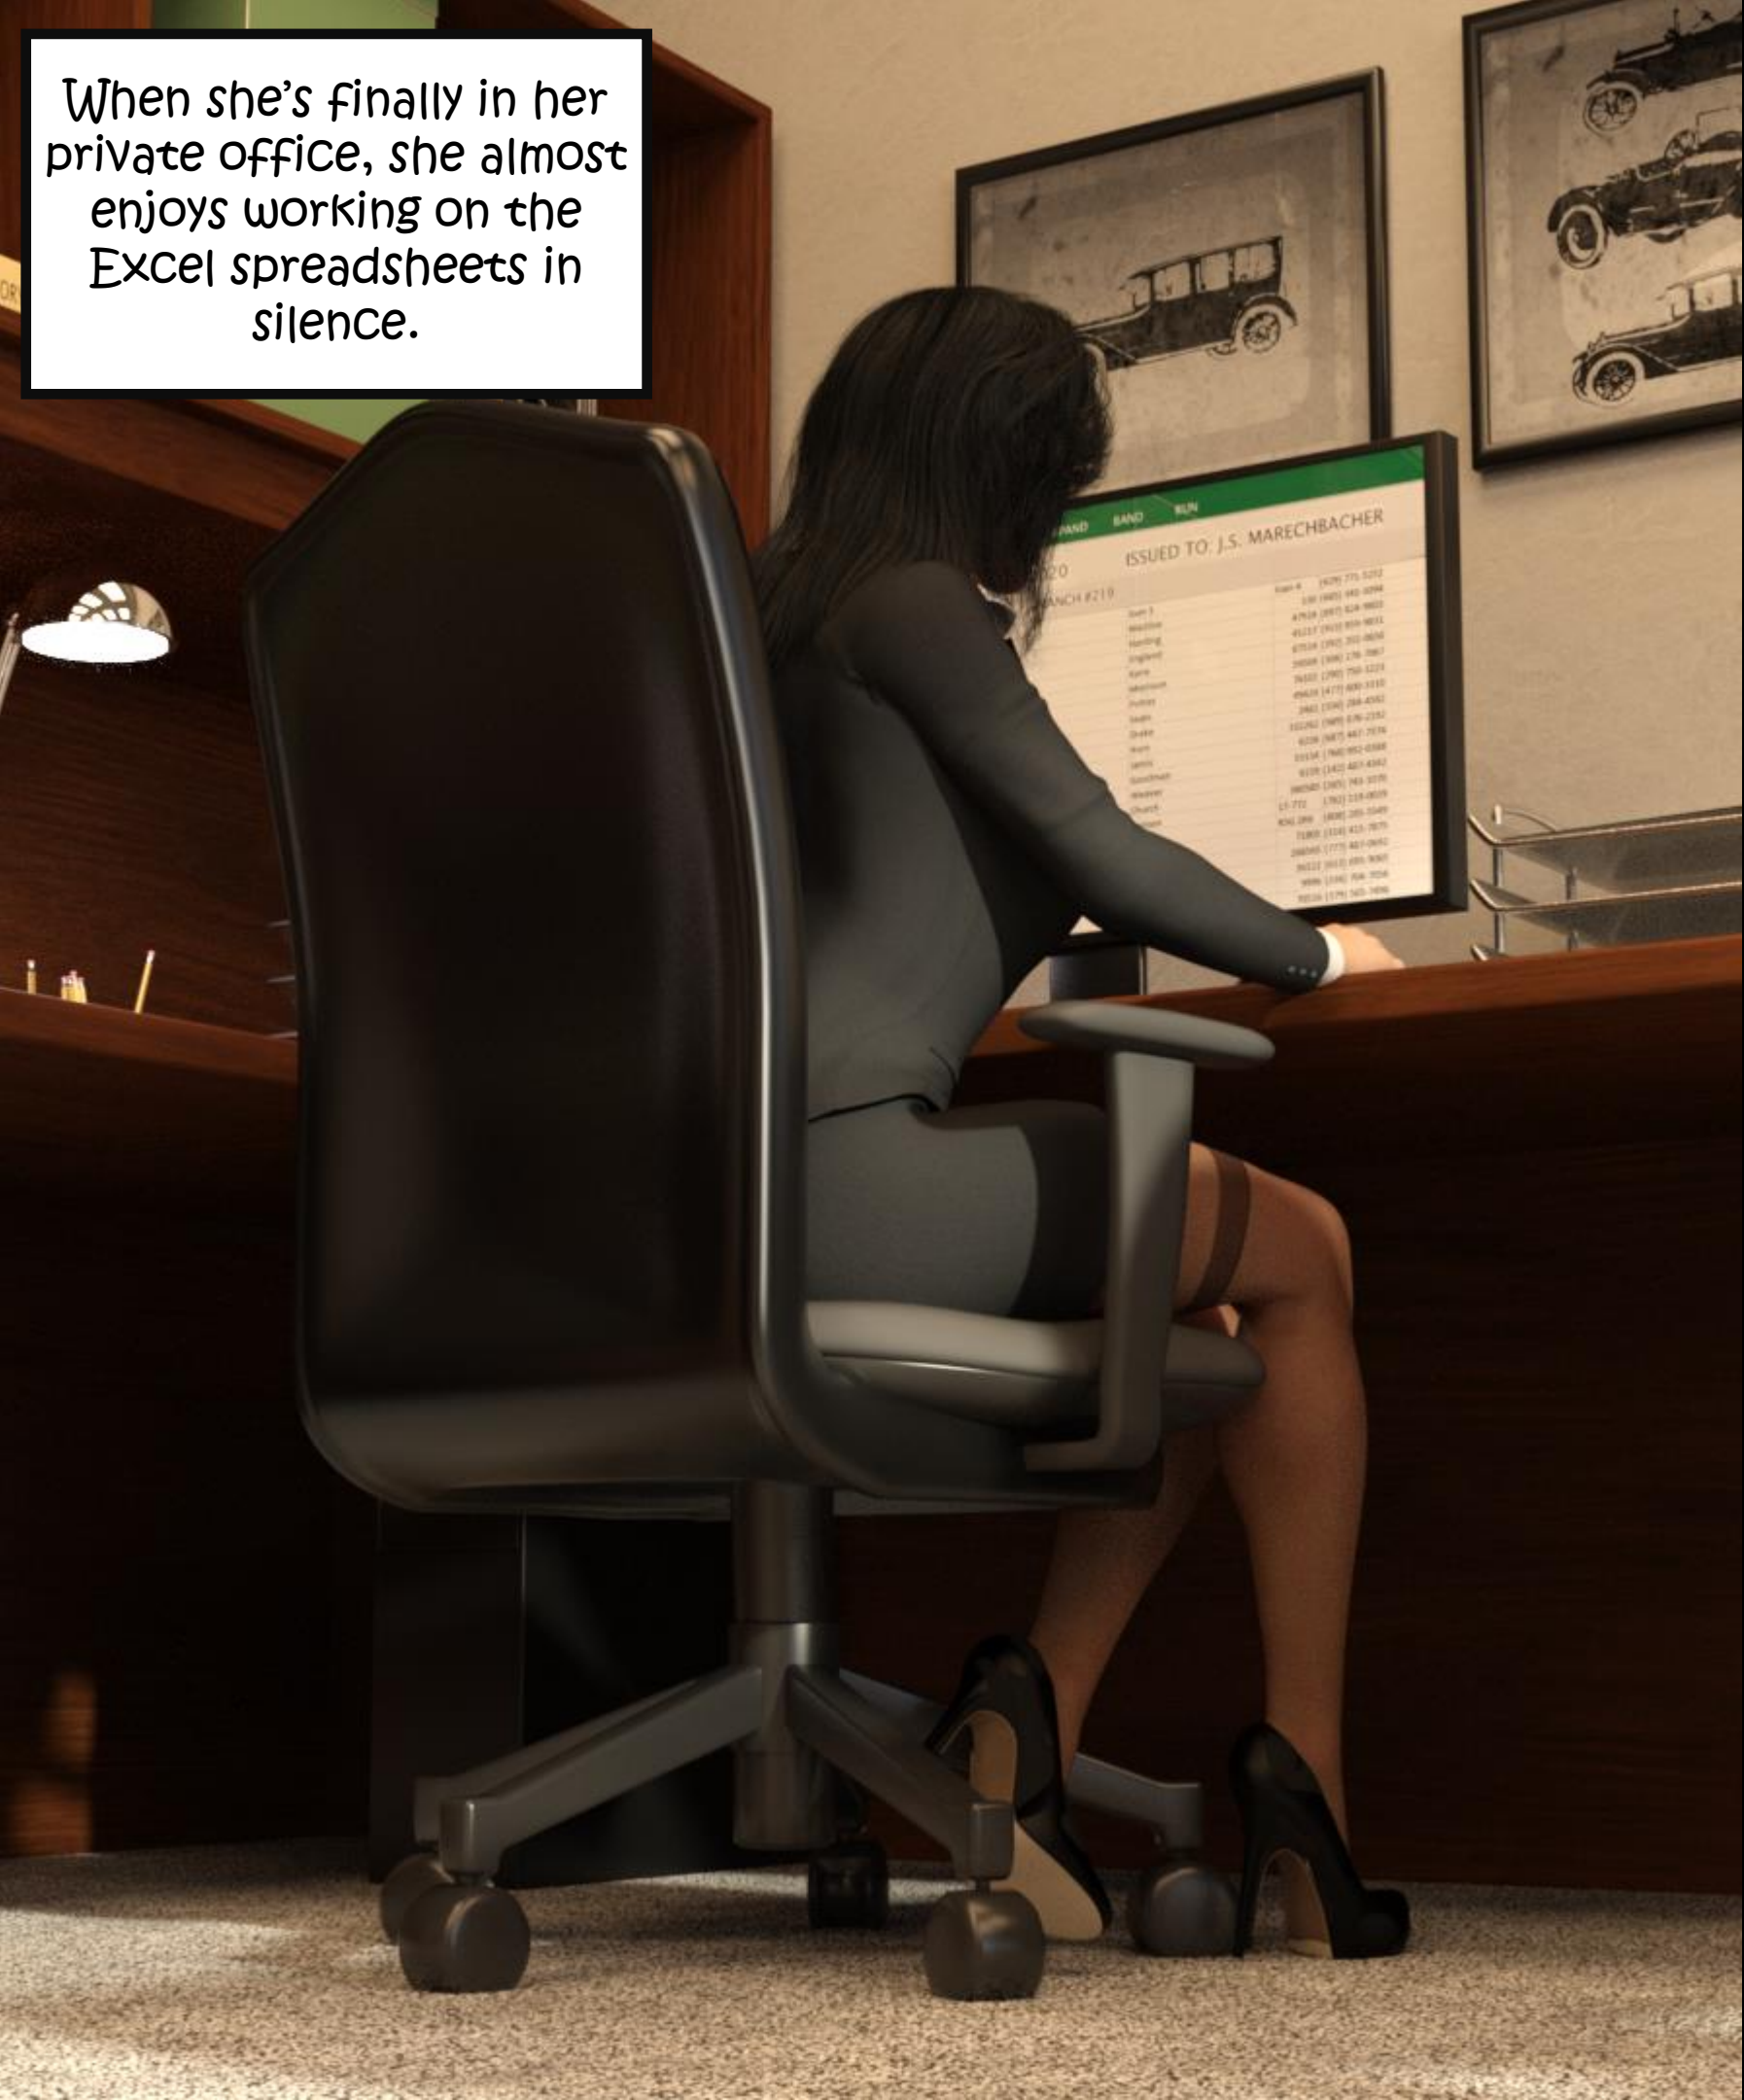

She has to report current project numbers to her superiors, talk to the clients, all the while handling her subordinates.

Her job might mostly be
about talking to people...
but it's a stressful job.

When she's finally in her private office, she almost enjoys working on the Excel spreadsheets in silence.

Looking good!
If these numbers
hold true, the
project is on the
right track.

iiiiikkkkk

This is Jarold, Kessy's (or Kess-Kess as he casually calls her) boss. He finds her quite attractive... though that holds for most non-fat women in a certain age range at the office...

So... was there something I could help you with?

A woman with long dark hair and glasses, wearing a black business suit over a white shirt, is sitting in a black office chair. She has her hands outstretched in a gesture of surprise or emphasis. The background shows a wooden desk with a stapler, a mouse, and a computer monitor. The floor is covered with a grey and white patterned carpet. Two speech bubbles are present: one on the left saying "It will be a blast!" and one in the center saying "Yes, yes, of course!".

It will be
a blast!

Yes, yes, of
course!

Hell,
yeah, it
will!

Best
location
in town!

He's really
hyped about
that party...

Not single
anymore.

Huh?

Met
someone
new...

Her name
is... Anna!
Yes.

Well... good
for you.

FUCK!

Phew!
Dodged
that bullet!

Oh, I've got
an idea,
Kessy.

Why don't
you bring...
Anna?

To the party, I
mean. +1 is totally
within company
policy.

You just have
to! It will be a
blast!

If you don't, I
have to assume
you just made
her up...

clonk

Asshole!

Fuck! Fuck!
Fuck!
This creepy bastard is calling my bluff!
Why can't he just take a „nice no“ for an answer?!

Later, Kessy comes home. She's thought about the situation the whole way back but hasn't come up with a solution yet...

Shit!
What will I
do? Party's
tomorrow!

Maybe... I
should... hire
an Escort
Service?

Urgh... I don't
even know how
that works...

Hey
Scarlett.

Is there
anything else
I can do for
you?

Hm...

She'd be
perfect...

Moments later...

So... erm...
Are you willing
to do this for
me?

Very stupid
question!

Accompany you
to a luxurious
party and pretend
to be your lover?

You'll have to
act cuddly and
such, I think...

And... I guess
instead of my name
you should... call
me "Love"? Or
something...

But of course!
I'd love to help
you out, Kess!

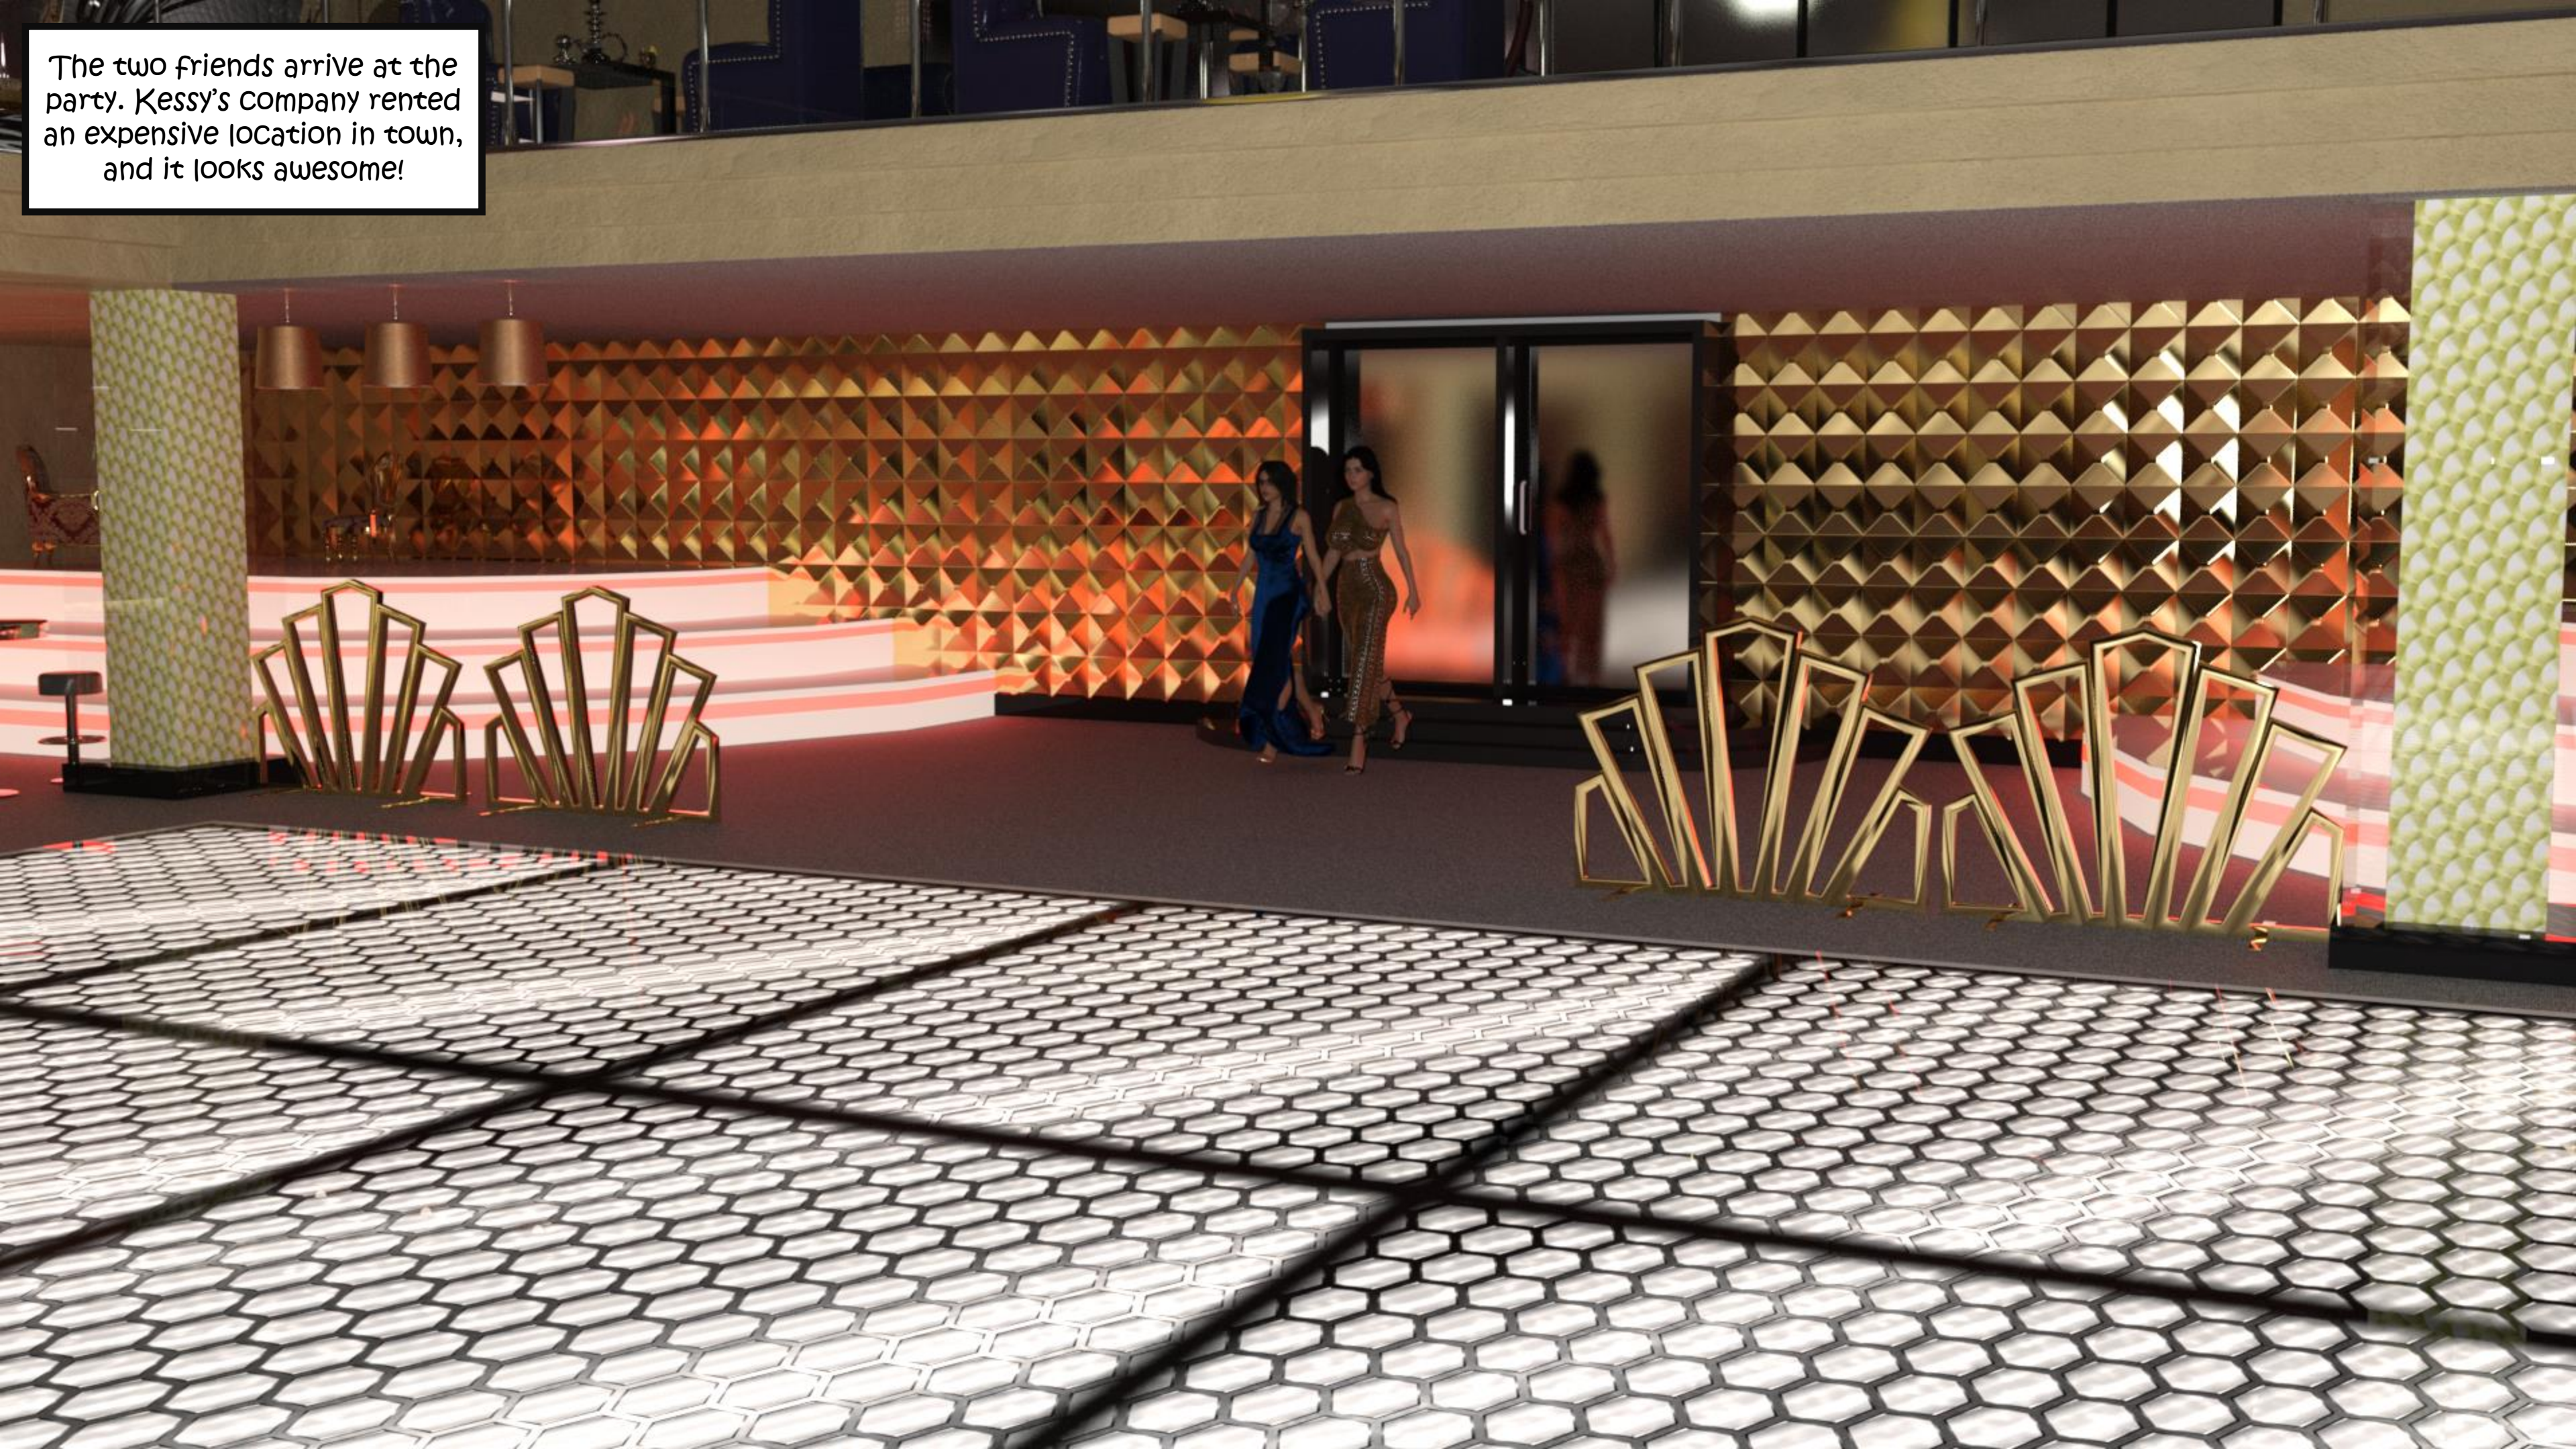

Also, I told
Jerold my new
girlfriend's name
is Anna.

I understand.
I will be Anna...
Love.

The next evening...

The two friends arrive at the party. Kessy's company rented an expensive location in town, and it looks awesome!

I hope this keeps Jarold away!

So that's the kind of party Kessy attends.
Wow!

Don't be nervous. Everything will work out, Love.

Thanks Sc... Anna. I'm already feeling better with you at my side.

At the bar, some of Kessy's work colleagues are talking.

And her new girl!

Oh, there comes Kessy.

The two friends decide to mingle.

How we met?

Shit!
I did not think anybody would ask that...

I... err... Sure!

Don't be shy, Love.

May I tell the tale?

Scarlett comes up with a charming story how she met Kessy during a stroll in the park.

Aww!
That's so romantic!

Wow!
She's really good at this!

It was basically love at first sight.

And that's how it went.

Isn't that
right, Love?

I.. Wha...
yes!

That's how
it went.

Wha...
gulp I told her to
act cuddly...but...
urgh... I gotta play
along...

While Scarlett leans in for a passionate kiss, Kessy barely lets it happen, only slightly puckering her lips... not returning any of the fire her best friend displays...

As the two friends kiss, the others either watch... or look away in embarrassment...

But Kessy's performance is not quite convincing...

Poor Anna!
If my boyfriend
kissed me like
that, I'd break
up with him!

Anyway, her colleagues don't really care and don't pry any further. So, the party continues nicely without troubles...

That is, until...

A drunk Jarold emerges... and finds Kessy standing alone looking down the balustrade.

Hellooo
there.

My sweet
Kess-Kess.

iiikk

Grab

You look
lonely... *hicks*

Shit!
This is exactly the
kind of situation I
wanted to avoid!

Grab

No-no...

Anna is just
getting drinks
for us...

A man with a mullet, wearing a white dress shirt and a blue and red striped tie, is looking at a woman with long dark hair wearing a blue dress. He has his hand near her face in a tense or confrontational manner. The background is a dimly lit room with a window and a chandelier.

Tsk! – Anna?

I've seen the
two of you kiss.
hicks

There is no
hicks spark
there. You don't
love her.

Jarold's alcohol laden breath stings in Kessy's nose as he moves his lips closer to hers...

Urgh!
He's utterly drunk!

Let me show you how a real kiss feels.

Hey,
Sleazebag!

Huh?

Get your
dirty hands
off my girl!

Scarlett!

Anna!

Oh, it's
you.

She does
not love
you.

Any fool
can see
that!

You Dykes just
need a real guy
to show you
some loving!

A real
guy?

Pig!

Anyway...

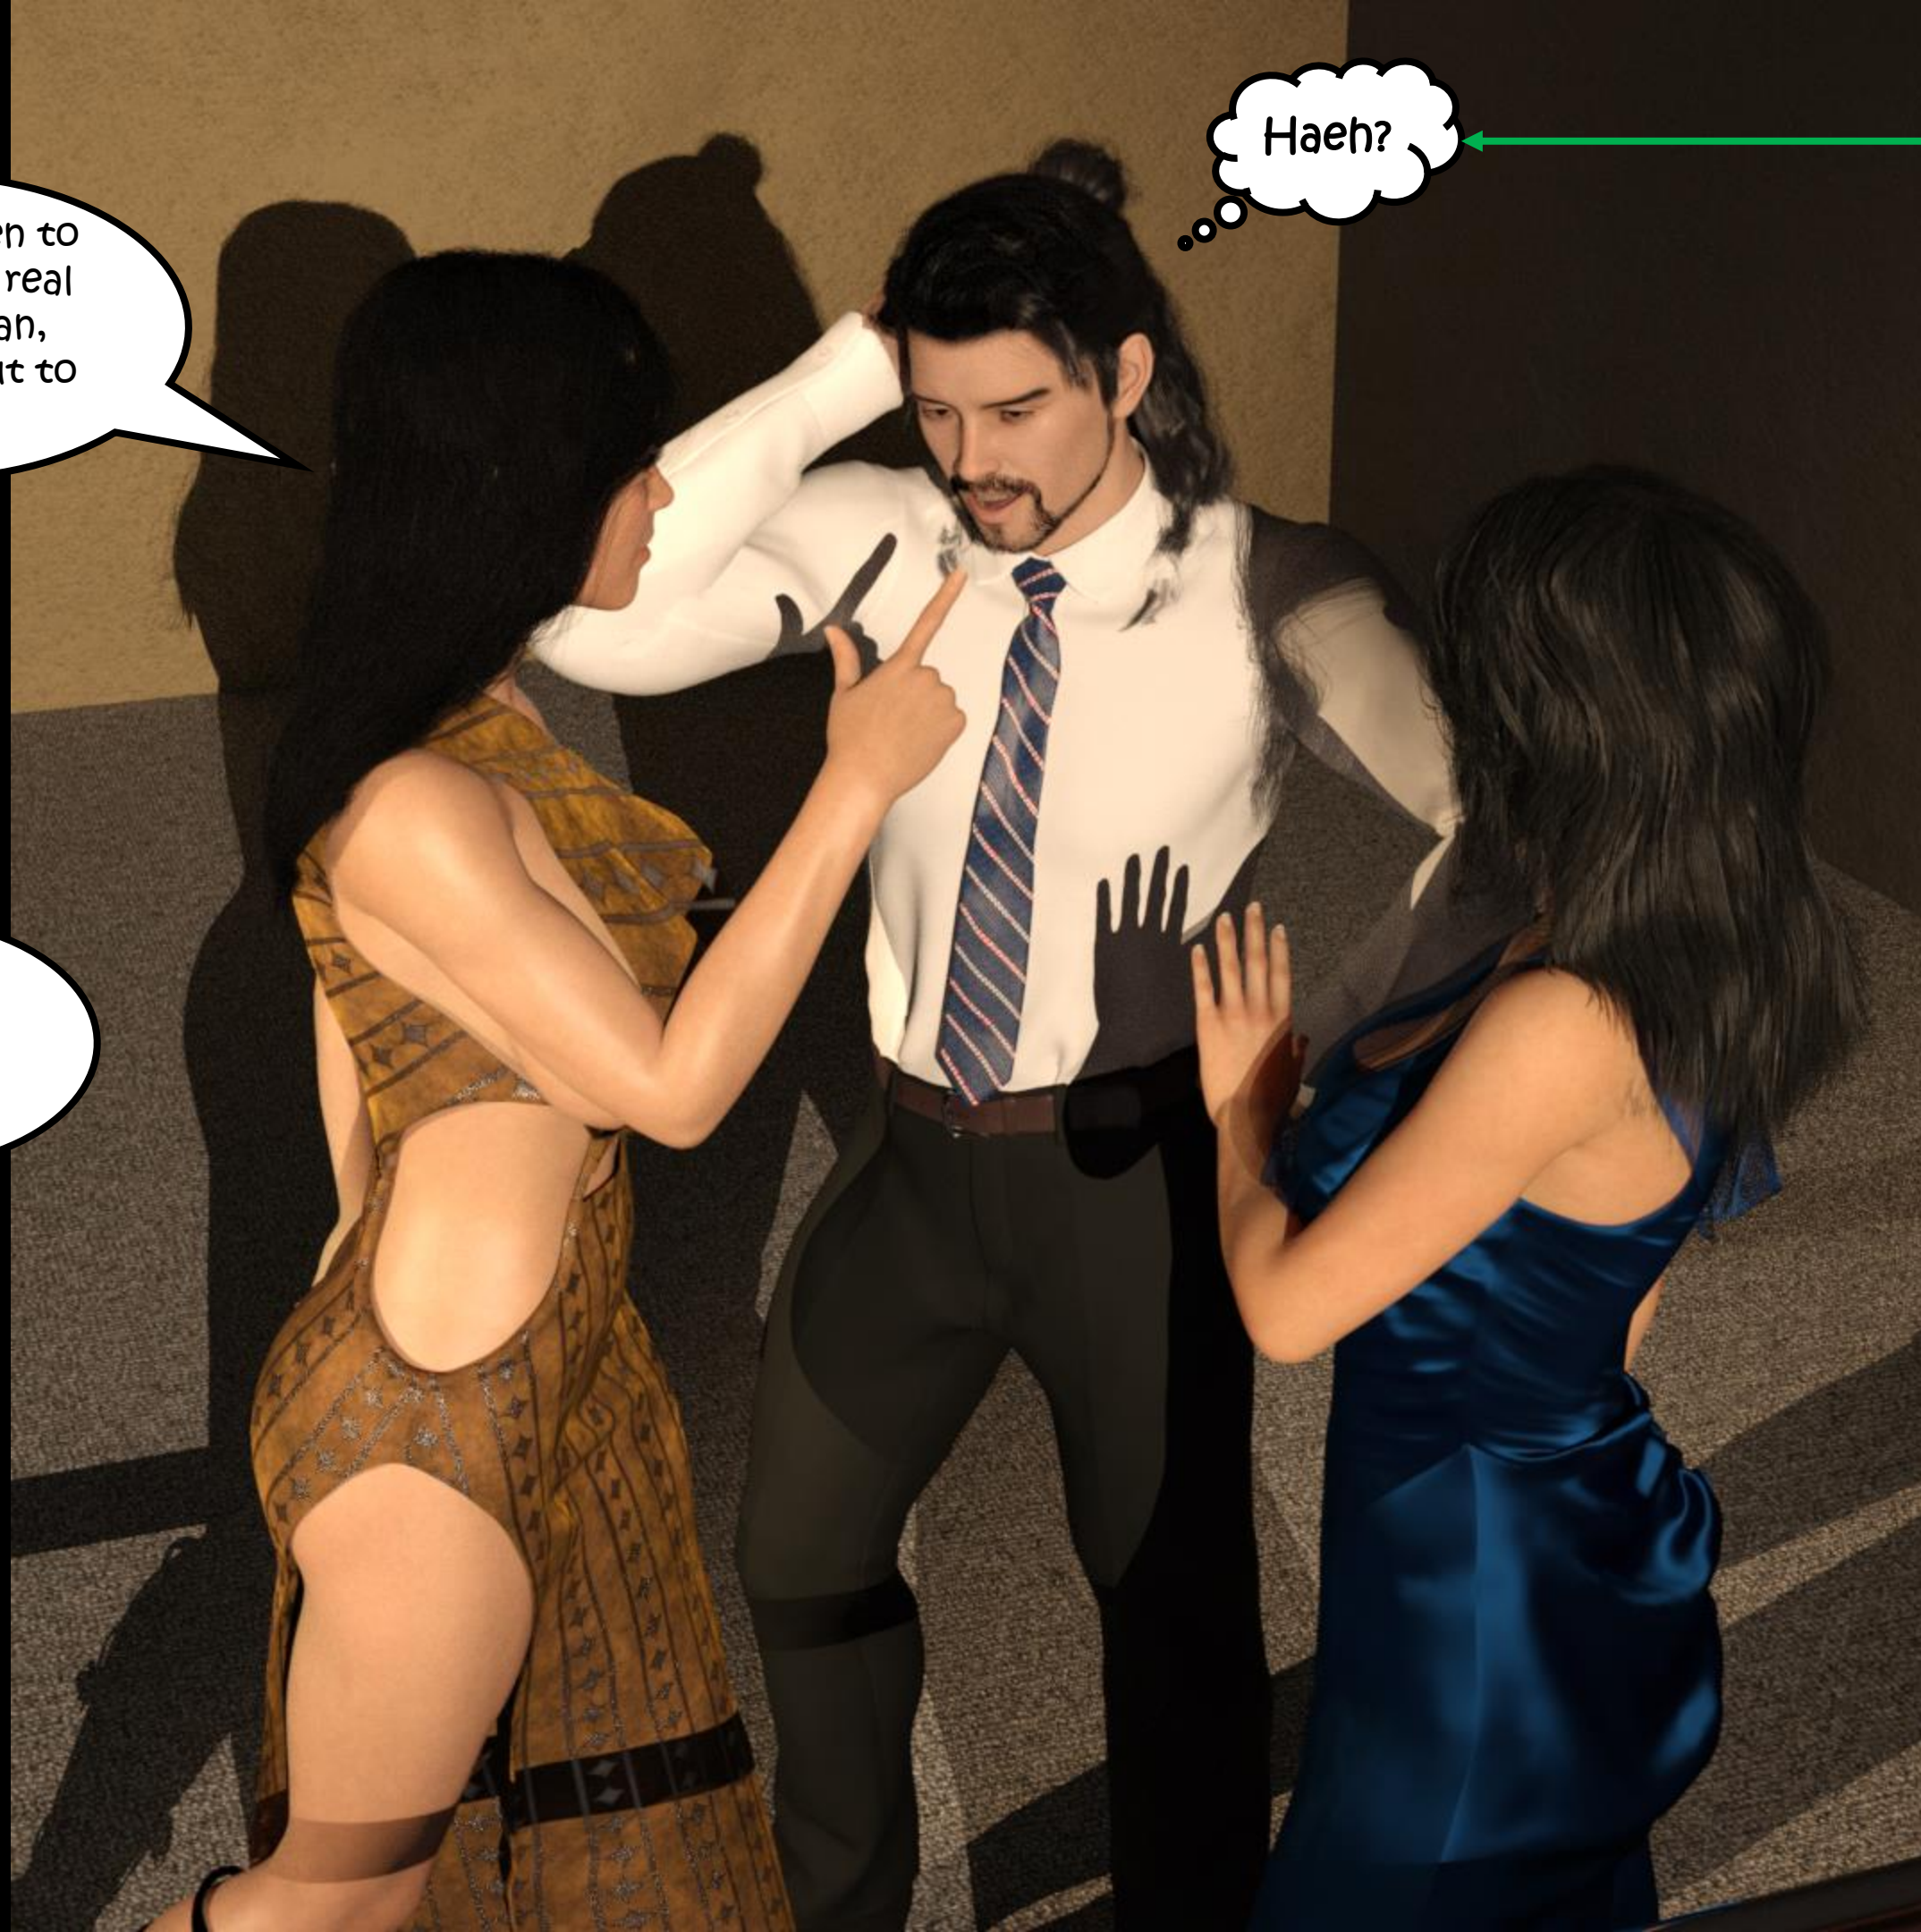

If you happen to see one – “a real man”, I mean, point him out to me.

I'd like to see one for once.

It's a rare species I've heard.

Haeh?

That was too much for his drunk brain to comprehend.

Scarlett walks by Jarold, showing him in a language he's more likely to understand in his current state...

What is she...

Scarlett leans in and whispers into Kessy's ear...

Before approaching her best
friend for a kiss...

gulp
whisper
Okay.

Kessy hugs Scarlett...

I love you,
Kessy.

And in a tight embrace, the two friends lose themselves in a passionate kiss.

I love you too... Anna.

Uhhh...

With a rude comment, Jarold accepts defeat and leaves the scene. Kessy's saved!

At least they gave me a show...

Stupid Dykes!!

makeout

kiss

carass

The two girls keep locked in their kiss for some time longer... just to be on the safe side, of course.

Shortly later, the two friends retreat to a more private area...

Yup.

Oh, trust me, I would have loved to.

But that might have created trouble for you...

Phew!
That was a close call.

I almost thought you'd go and hit him when you screamed "Sleazebag!" *giggle*.

Thanks...
Anna...

A comic book panel showing two women sitting on a dark blue, tufted couch. The woman on the left has dark, wavy hair, wears glasses, and a blue halter-neck dress. She is looking towards the woman on the right. The woman on the right has long, dark hair and is wearing a gold and brown patterned dress. She is looking back at the first woman with her hand near her shoulder. The background is dark and indistinct.

We don't have
to sit this close
anymore... I
think.

Maybe...

But what if
he comes
back.

whisper
What are
you doing...

gulp

You are so
beautiful,
love.

carass

This time, Kessy returns the
kiss all on her own this time...

And soon is lost in her best friend's embrace as she nibbles on her ear...

Oh god, this feels so nice...

Oh, it's been
so long...

As Scarlett's hand caresses
her thigh...

Kessy opens her legs...

And her friend's
hand moves in –
access granted.

Oh,
wow!

Oh, shit!
Someone's
coming!

Quickly, Kessy adjusts her
posture, closing her legs.

Embarrassed, she looks down, hoping nobody saw, while Scarlett confidently looks around. (Which of those two looks more suspicious? ;))

Anyway, the light in the club is dimmed, so they are safe for now, and the person simply walks by.

Phew!
That was
close!

giggle
You were
close!

Playfully, Scarlett moves two
of her fingers up and down –
intention obviously.

Shall we
continue?

O.M.G.!!
Stop it.

What have I
done?

I've just
used you like
Suki did...
didn't I?

I'm so
sorry!

Don't be
stupid,
love!

You did
not use
me.

I love
you.

And you are
pretty cute
when you try
not to make a
noise. *giggle*

You taste
pretty good
too. *lick*

Would
that... really
be... okay?

At least
with her, I'd
be safe.

She'd never go
behind my back
like Suki did...

Kessy thinks about her former girlfriend...

Join me in bed, babe?

Loneliness is bad company...

Join me in
bed, love?

And the desire to be with someone... soon leads her to consider the option at hand...

Join me in bed, love?

Hesitantly... and embarrassed,
Kessy asks Scarlett...

Would... would
that really be
something you
are okay with?

giggle

You... being my ...
GIRLFRIEND, I
mean...

There is
nothing I'd
like more,
Love!

Thumbs up

Now, to understand what's really going on with Scarlett's answer, let's take a short dive back into the past – namely, to that point in time when Kessy made her call her by name again.

And later, one day
before the party, of
course, we had this
situation...

You must act all
cuddly during
the party...

And call
me... "Love".

I
understand,
Love!

Now, Scarlett's brain works
about like this...

Mistress = Kess
Kess = Love
...
Love = Mistress

So... while Kessy does not realize...
Scarlett's answer is actually way less
romantic than it sounded...

Really? Oh, thank
god! I never thought
I could... but I love
you. I love you,
Scarlett. **Like a
woman!**

I'm
all yours,
Love.

End of Chapter

Thank you for reading!

Hello, Hexxet here,

Phew! What a twist! From a purely practical acting to falling in love. Her breakup and the ensuing loneliness really got to Kessy.

I hope you enjoyed the sapphic kissing scenes in this comic. Chapter 04 will be the final chapter of this series. It comes out next month and it will follow up the kissing with more intense sapphic action ;)

If you like my comics, please consider supporting me on Patreon. I need your support to keep creating more Magic-Control comics! 😊
