Last time on Slave Loan...

Kessy's best friend Scarlett could not pay back a loan with a shady company and ended up in a one-year-slave-contract. To save her friend, Kessy bought her.

No thanks...

Kessy was set on getting through this year unscathed – protecting Scarlett from possible perverts...

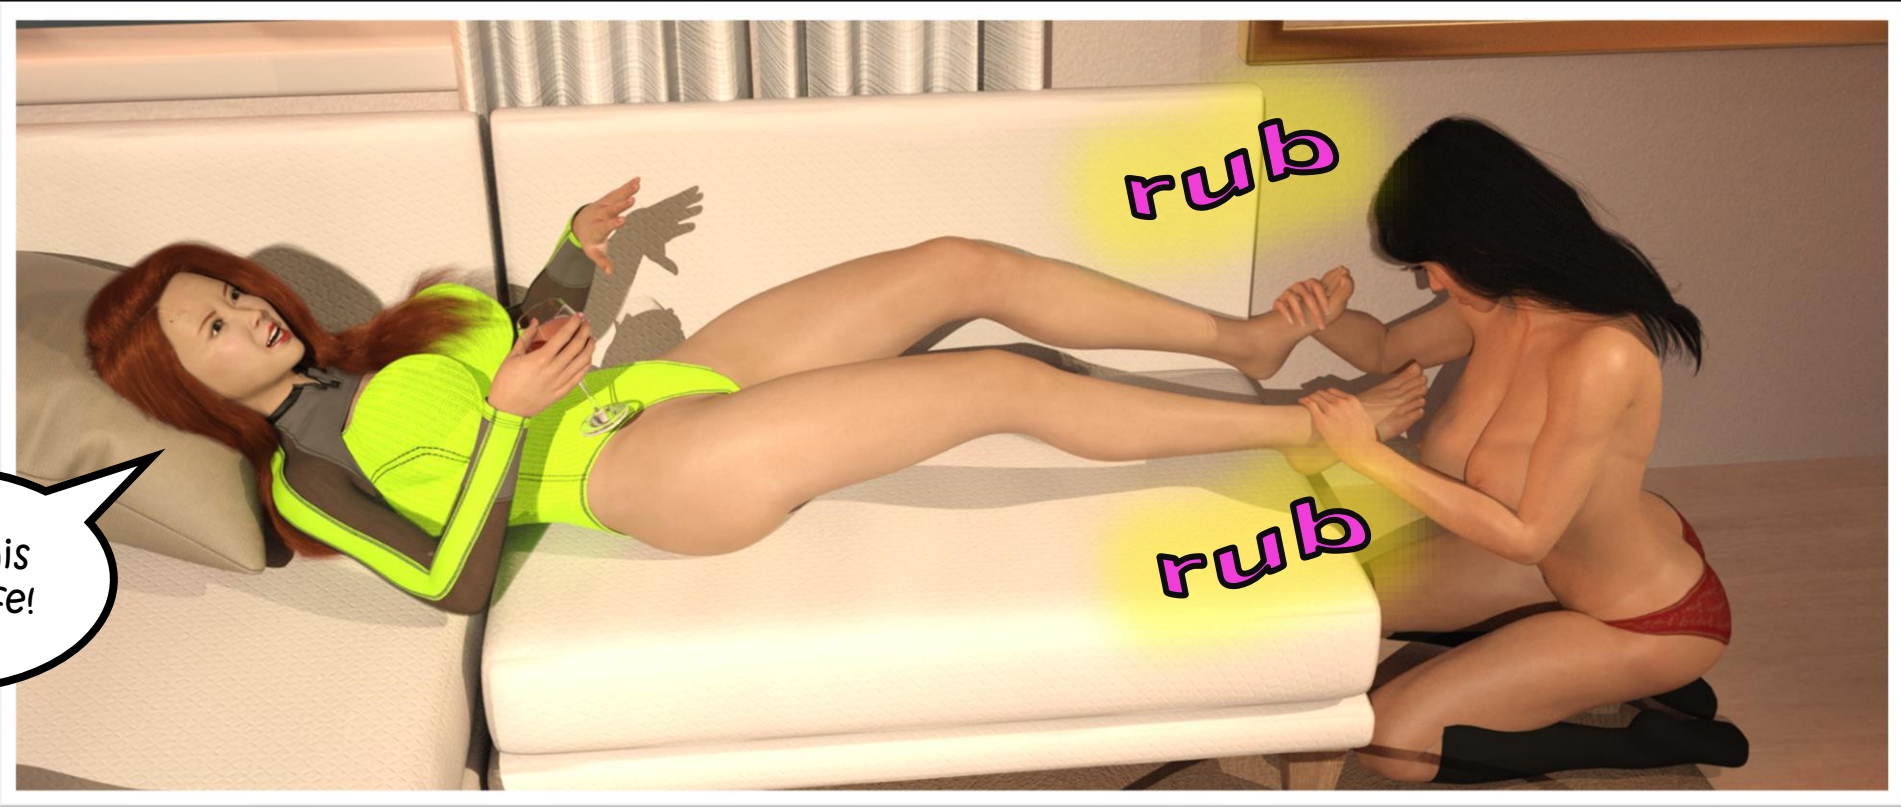

Never would she have expected...

The things her current girlfriend Suki had her dear friend do while she was out working...

Ahh, this is the life!

But when one day she walks
in on them in the bedroom...
She immediately draws the
line and breaks up with
Suki...

Since then, three months have passed and the two female friends continue their life in peace at Kessy's apartment...

Kessy even managed to make her friend call her by name again... instead of Mistress.

But their life is about to take another turn as some trouble arises at Kessy's workplace...

Yo, Kess-
Kess. Heard
you are single
again?

Wanna be my
date to the
party?

Kessy's boss has heard she's
single again and makes some
advances...

Pig!
My eyes are
up here!

Err... no
thanks... Not
single anymore...
I met someone...

Kessy makes something up...

But Jarold calls her bluff and Kessy has to improvise... bringing Scarlett to the party – pretending she is her new girlfriend!

I hope this keeps Jarold away!

Don't be nervous. Everything will work out, Love.

Wha...
gulp I told her to
act cuddly...but...
urgh... I gotta play
along...

As instructed, Scarlett acts all
cuddly during said party...

Will Jarold leave Kessy alone?

Can Scarlett's acting convince
everyone they are in love?

Or will playing pretend come true?!
