Last time on ToC, we saw how the group invited two new players to the frat room and they started another round of Transform or Command!

Julie got some big melons...

While Gabriel turned pretty buff...

But maybe... just maybe, the couple is enjoying their changes a little bit too much!

Sorry guys, we'll be leaving now. There's something we gotta do. *giggle*

In fact, they are so thrilled about their changes that they just wanna rush home for a roll in the hay!

But it's not even midnight yet!

Thankfully, Amara seems to have an idea to distract them...

We need to keep them here!

Guys, I got this.

KISS

Okay... you are
not listening...

Suit
yourself...

kiss

Amara concentrates, and shortly later her and Juie's chests are flat as boards!

Glad that
got your
attention!

chuckle

You see, your
boyfriend made
a small mistake
there with the
wording.

He made your
tits equal in
size to mine...

And thanks to
previous game
actions...

I can change
these babies
at will!

Can Amara's Boob Magic distract those two long enough for Nicole to make her move? Tune in on the final Chapter of Transform or Command and find out! ☺

Let's get this party started!

End of Series

Hello, Hexxet here,

Thank you for reading. ToC was quite a ride with 23 Chapters in total. Wow! I tried starting out with a ruleset that in my mind should leave room for gradual play and not instant enslavement scenes... but I guess every system will get broken in the end, as we can see with Nicole's application of the game 😊 **I hope you enjoyed the series!** A non-canon TG bonus chapter is still planned for June, but that will be the last ToC-themed chapter.
