Training Collar

by Biohazardry

Oh hey, the training collar finally arrived!

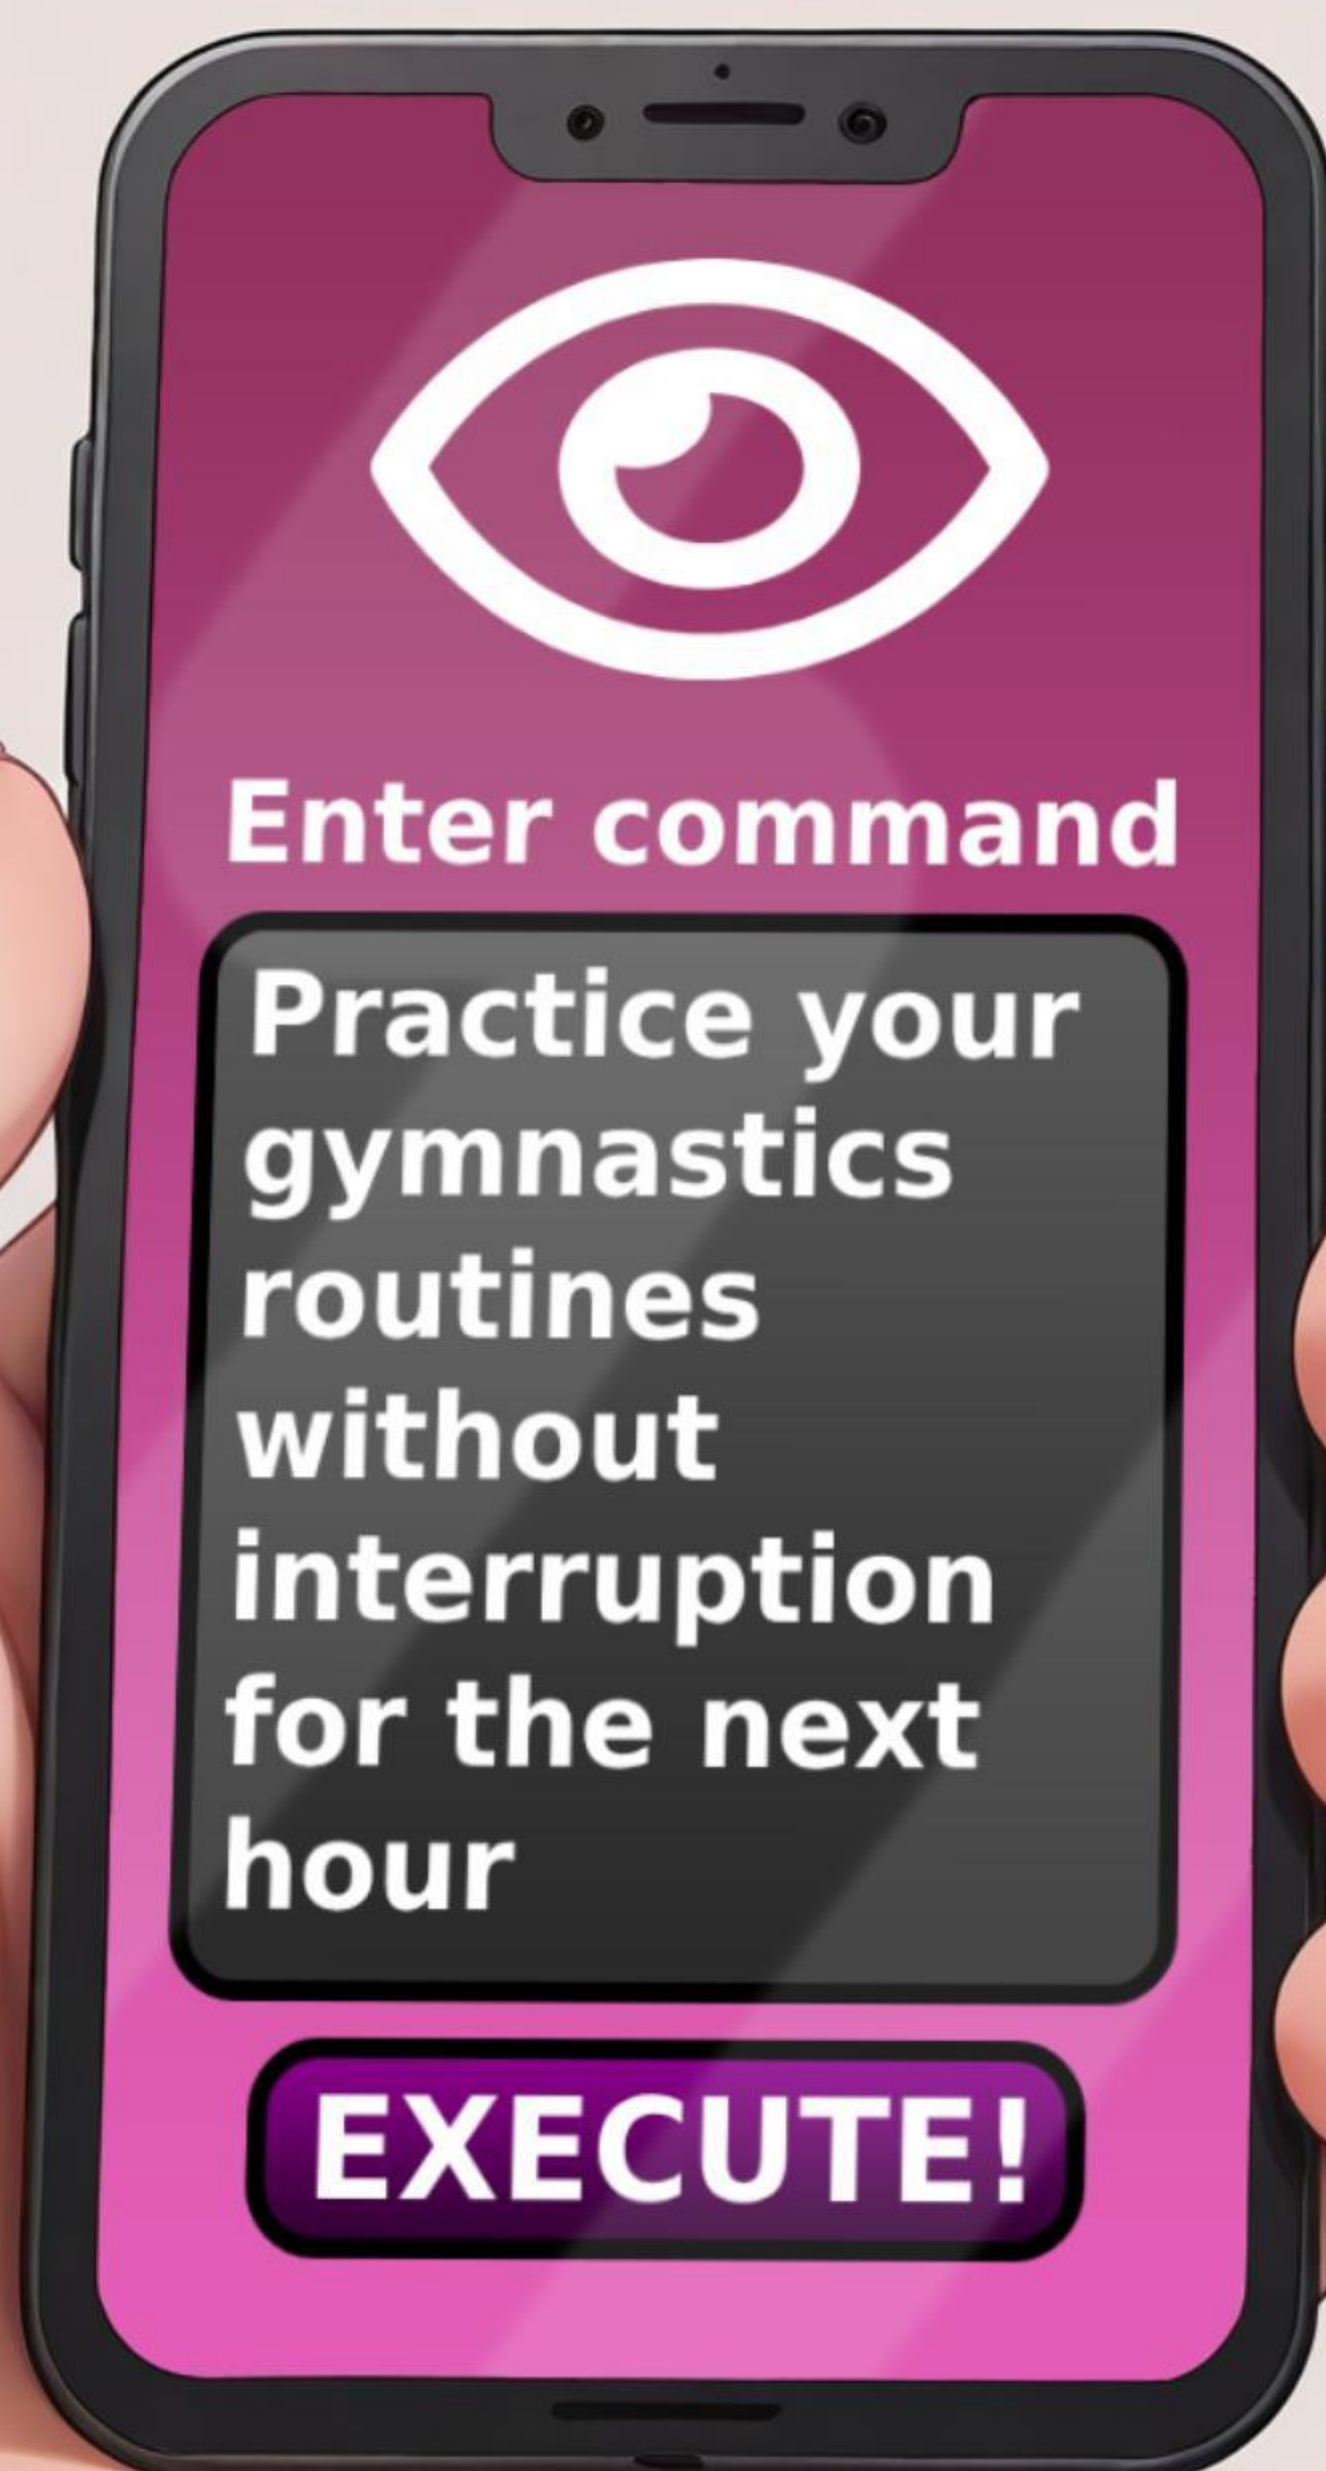

I've been falling behind in my gymnastics training and with that device I can finally catch up.

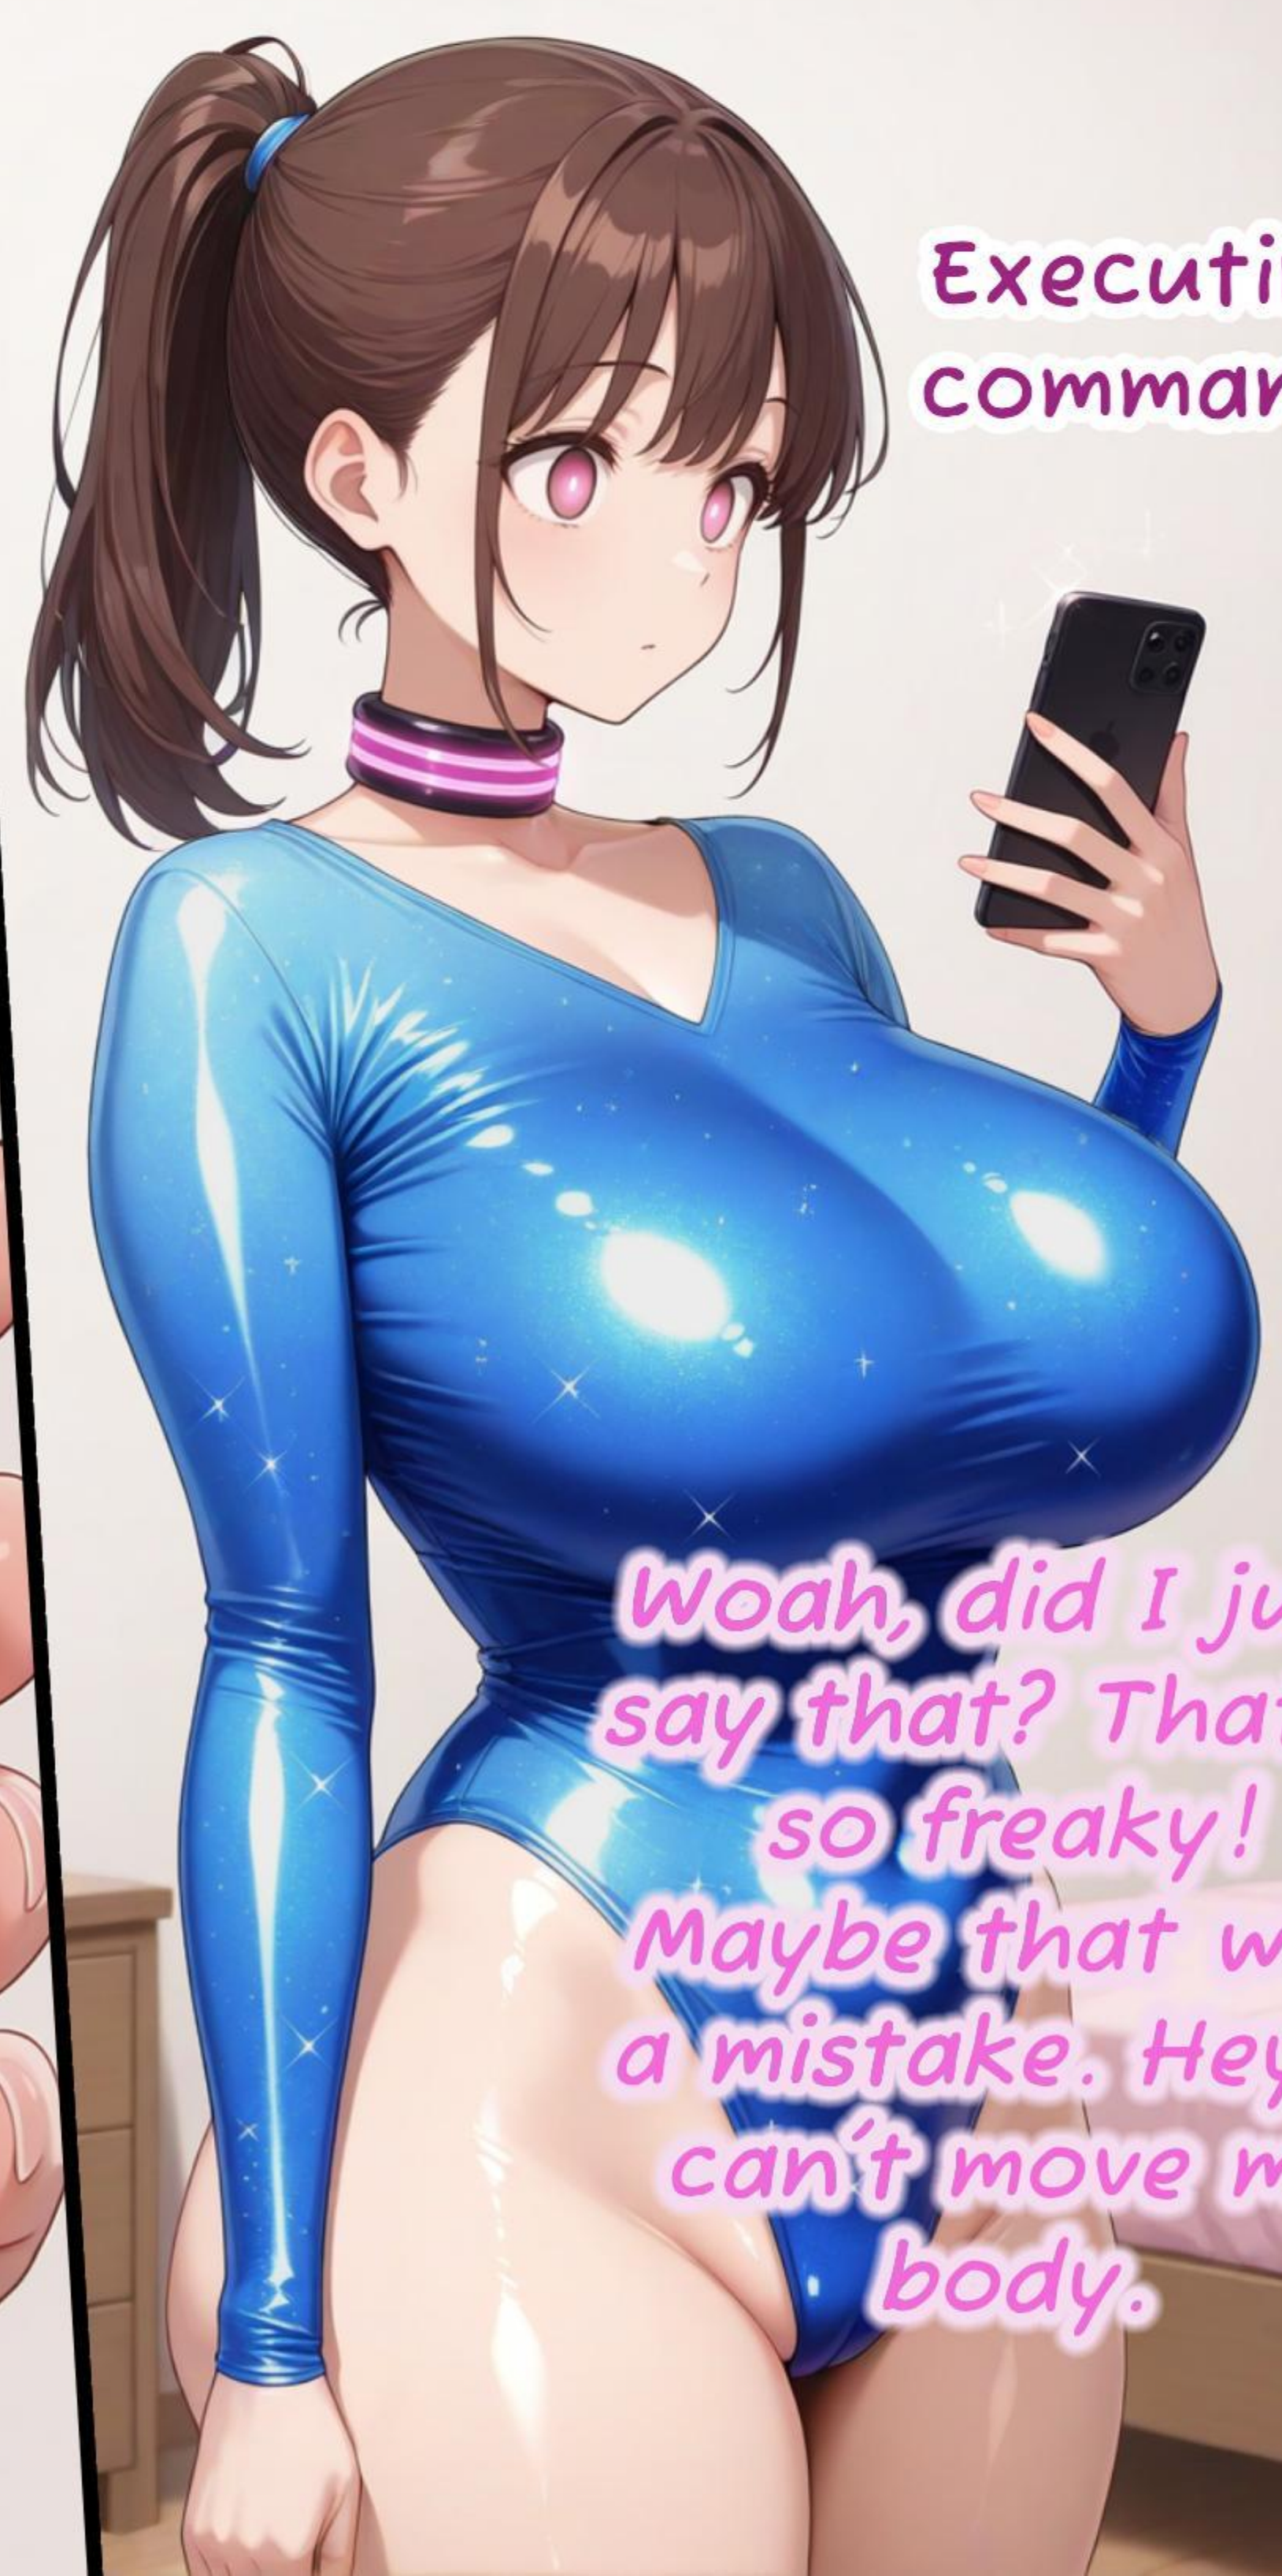

So let's see how this works.

Hmm, it seems like I just have to enter what I want to do in this app here.

Executing command.

Woah, did I just say that? That is so freaky! Maybe that was a mistake. Hey, I can't move my body.

Huh,
something is
happening.
My body is
moving on
its own!

twirl

This collar is
the real deal!
Even if I wanted
to, I can't stop
myself. I will
catch up on
those routines
in no time!

knock

knock

Wait, is
there
someone at
the door?

creak

Fuck, I forgot
to lock the
door! What
the hell is
Chris doing
here?

Don't just
come in you
idiot! Oh no, I
can't even
speak anymore!

Sup Becca,
can I borrow
your charger
again?

Erm Becca?
Hello?! Why
are you
ignoring me?

wave

*I am not
ignoring
you, you
idiot, I just
can't react
to you!*

You're being really
weird right now, Becca.

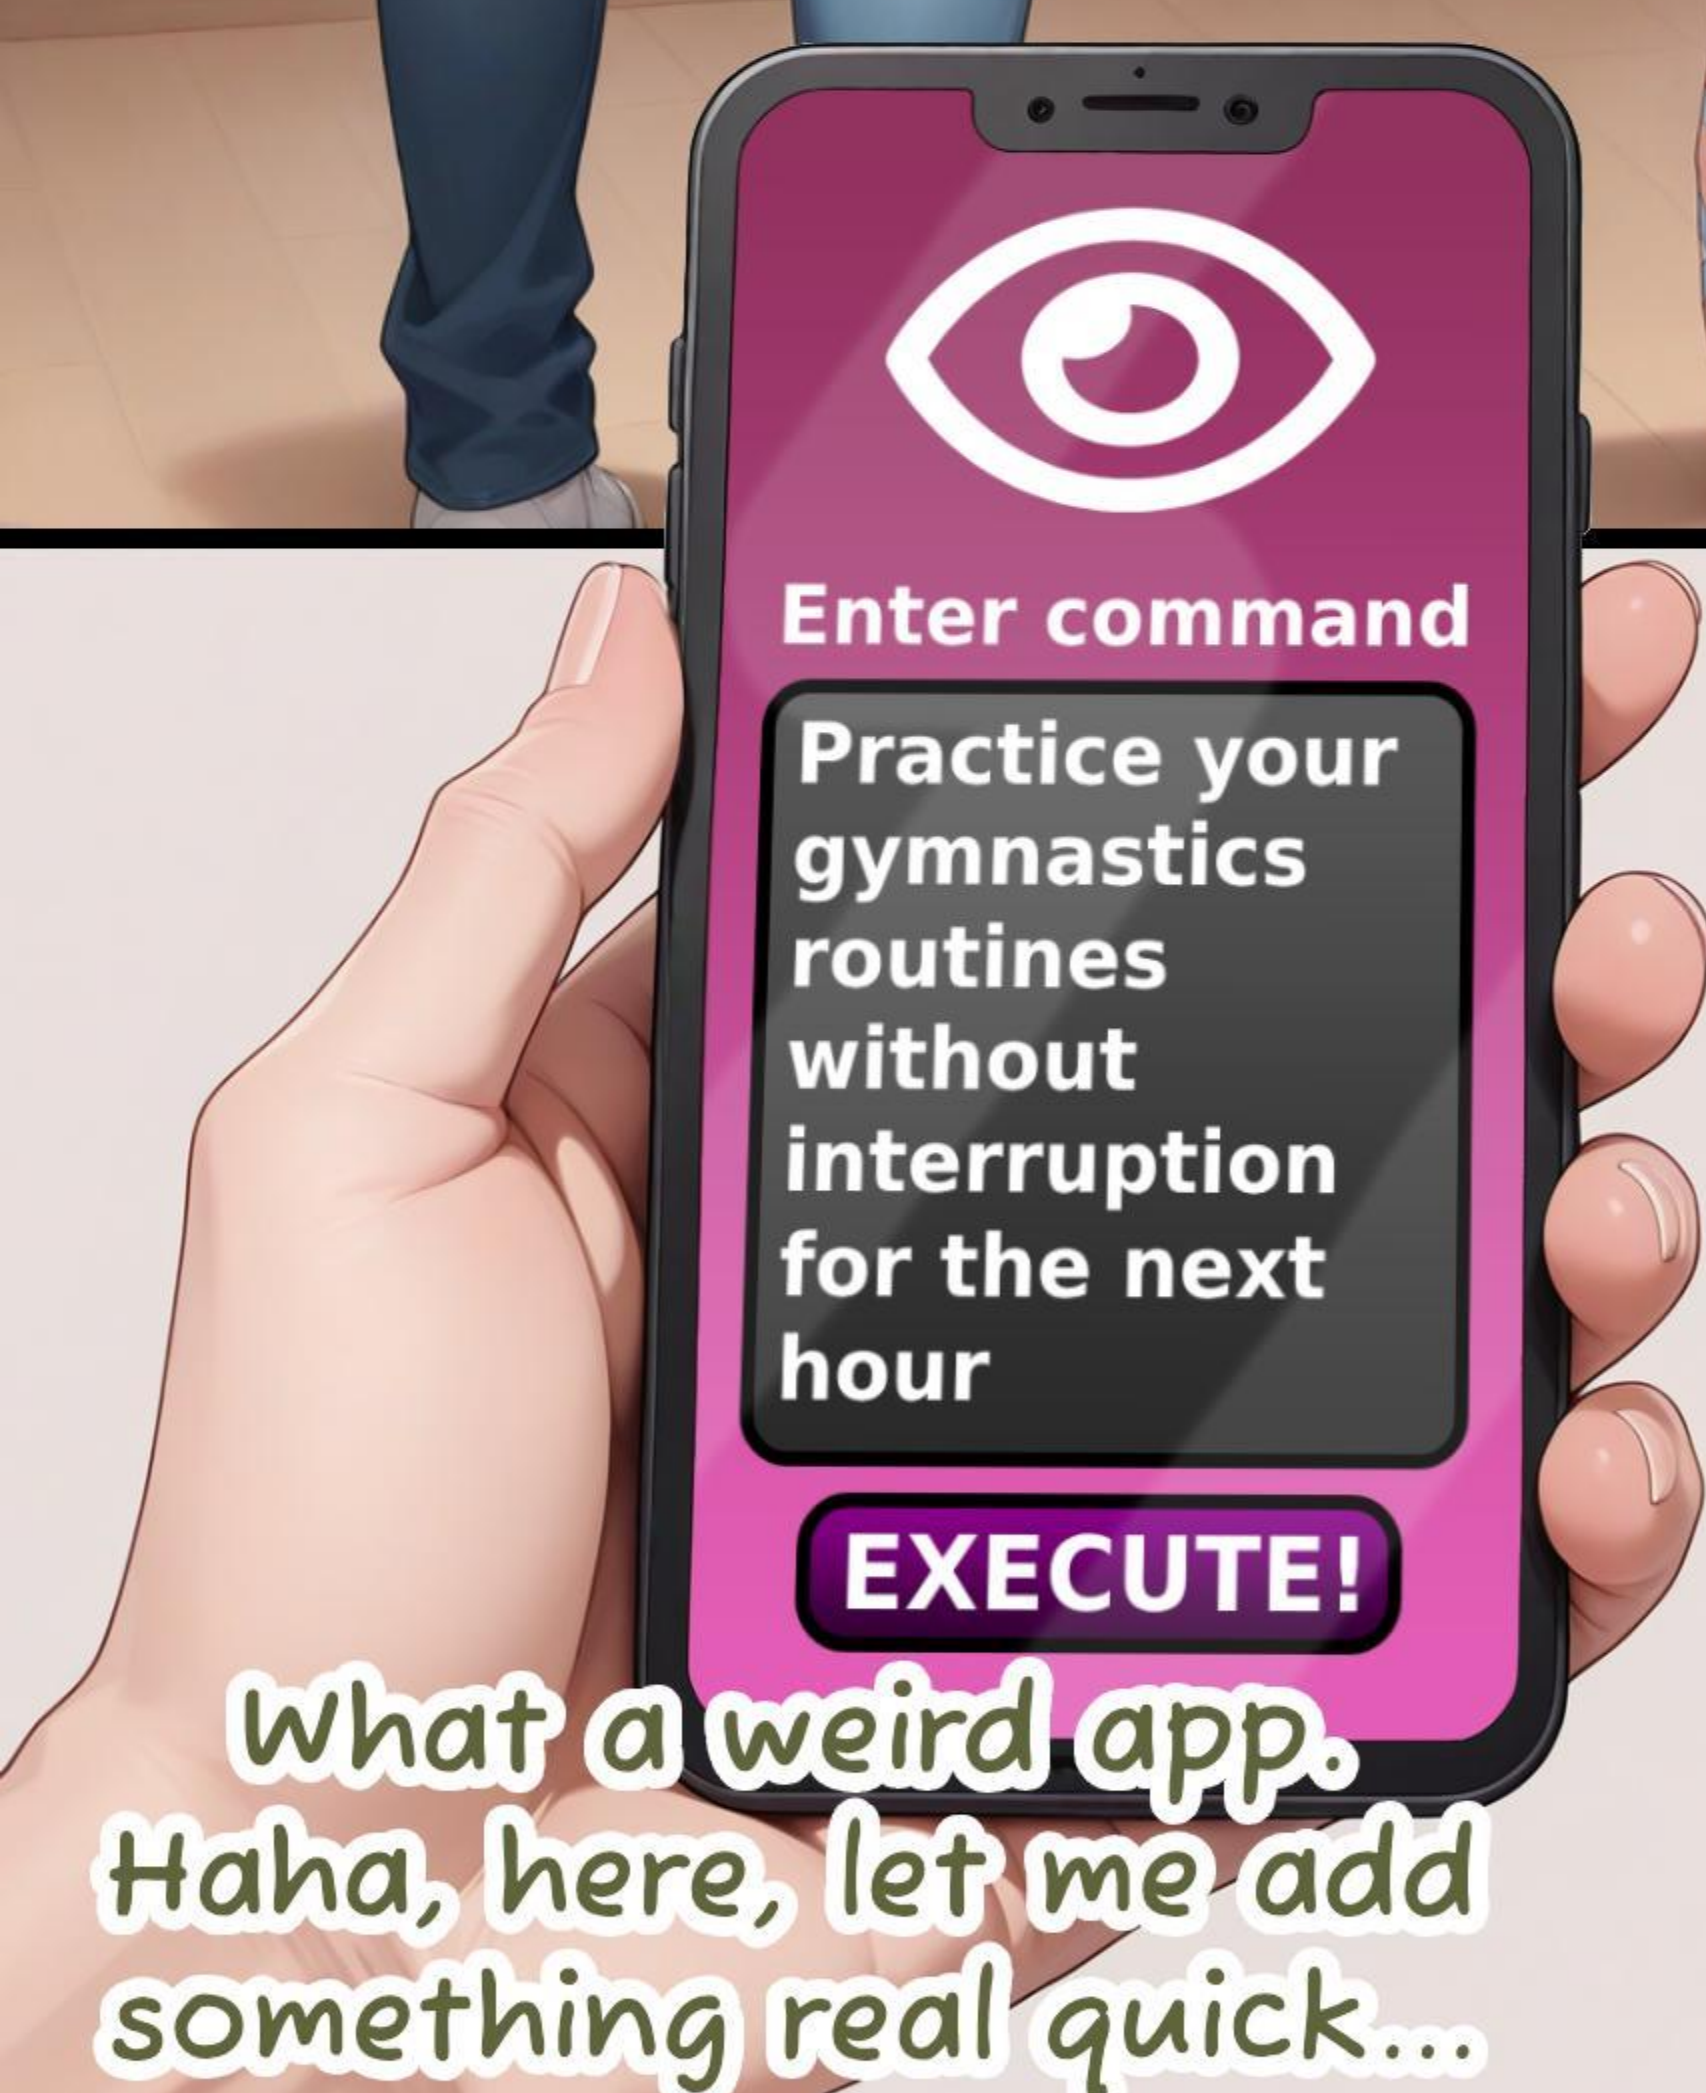

Huh, what's
that thing
on your
phone?

*What?! No, stay
away from my
phone!*

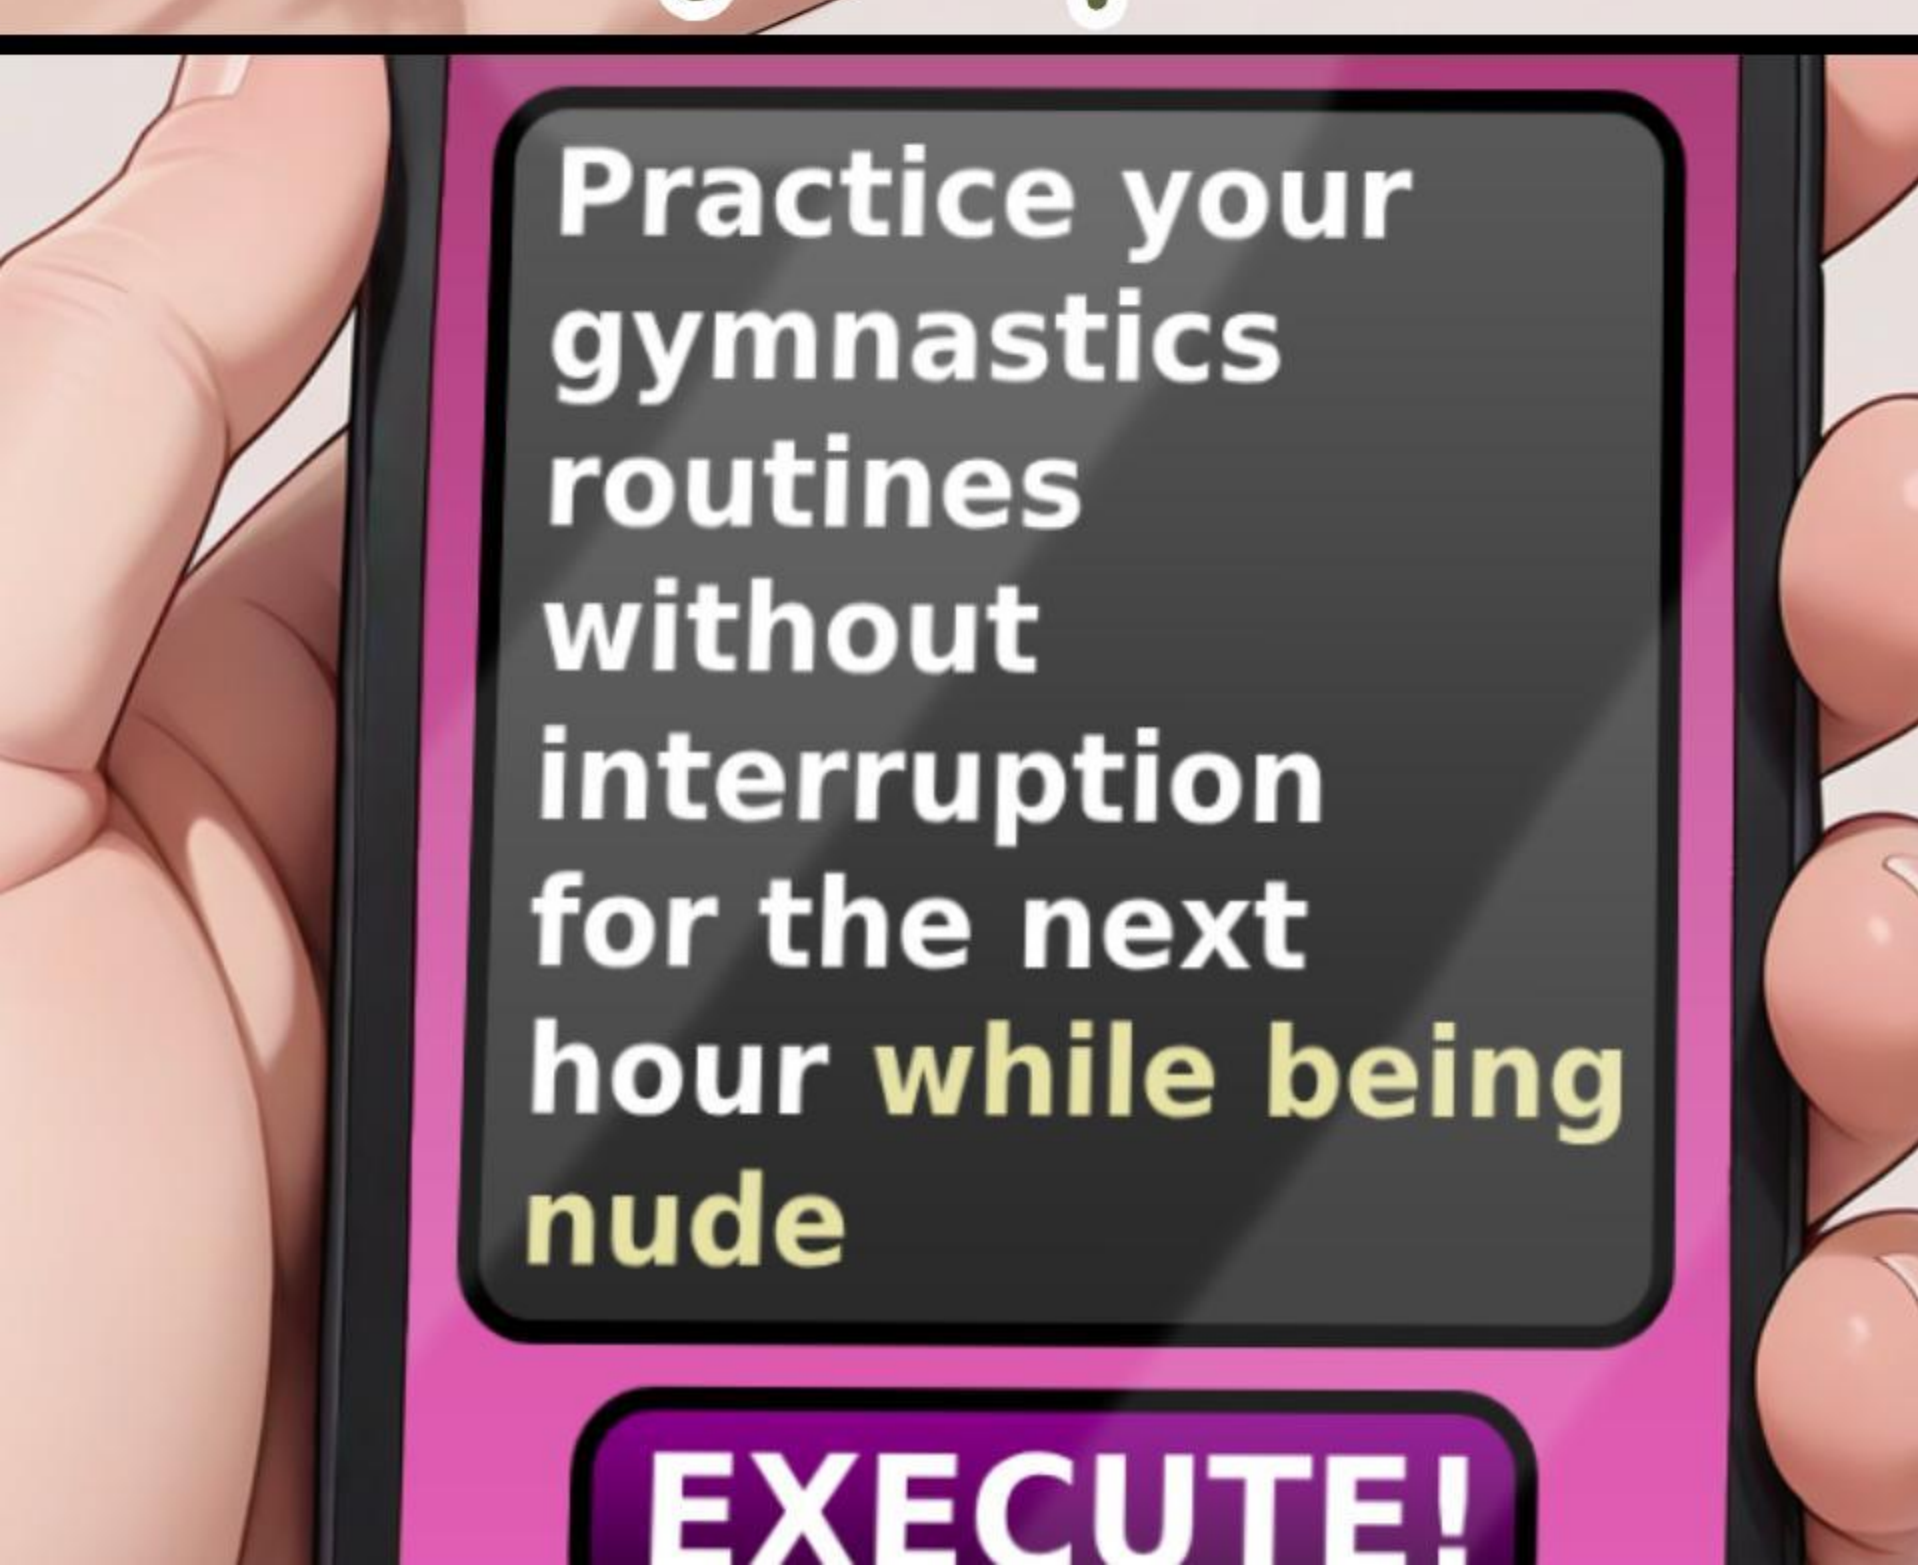

*Executing
updated
command.*

*What did that
stupid idiot
do now?! OH
MY GOD. I am
undressing
myself!*

*Chris, you
are a dead
man!*

What a weird app.
Haha, here, let me add
something real quick...

Practice your
gymnastics
routines
without
interruption
for the next
hour **while being
nude**

EXECUTE!

Huh, what did you say, Becca?

AAH! WHAT ARE YOU DOING?!

Does this mean the app is real?

Erm... Sorry, I didn't mean for this to, erm... really happen.

It was just a dumb joke...

C-Can you turn around? Looking at your boobs is kinda distracting...

Why me? You are the one who should turn around, you perv!

What am I doing?! You are the one messing with the app!

Affirmative. Turning around.

Continuing executing command.

Hey! Stop starrng and fix this!

stare

Wait, why is my body listening to him?!

WTF why am I continuing my routine like this?

D-Does this mean you will do whatever I enter here? Like, is there a limit?

I wonder how far I can take this...

Let's input something really ridiculous...

What?! No! Don't do any experiments. Just undo what you did earlier and leave!

Oh no, what is he typing? I have a bad feeling about this...

Executing updated command.

What the hell did he do now? I am crawling towards him!

Whatever it is, it won't be good.

Fuck! I am taking his pants off!

Woah, not so fast!

Affirmative.
Standing by.

Thank god!
For a moment I
was worried
Chris would
make me
suck his
dick.

Okay, and now put it in
your mouth.

Affirmative.

Come on,
you already
know that
you've full
control
here.
There is no
need to
continue this.

Good girl.
Next, take
it all.

What?! No
way I can
fit all of it!

Let's start slowly? Erm...
Maybe with a kiss on the tip?

Affirmative.

That bastard!
No, I have to
resist!

Fuck, it's no use.
My body moves
on its own.

Even worse, I'm
dripping wet
down there...

Holy fuck! I'm
deepthroating
him!

*Gagging
sounds*

Stop for a moment.

Finally! Oh god, AIR! *Gasps*

That was amazing, Becca! I nearly came.

Yeah, I could tell...

Can you do it again, but this time also use your tits?

Affirmative.

Woah, not so fast. Give me a short break at least!

Oh no, his dick is throbbing like crazy. If I keep this up, he will...

...CUM!

Y-you can stop sucking now...

loud moan

Affummitiff.

Fuck, that was a huge load. I couldn't even swallow most of it.

Turn your back on Becca as you
enjoy the orgasmic after bliss.

Use the App to make
Becca forget

Turn Becca into your
obedient slave girl

Ending A:
Becca's Revenge

Command executed successfully.
One hour of practice is over.

DING!

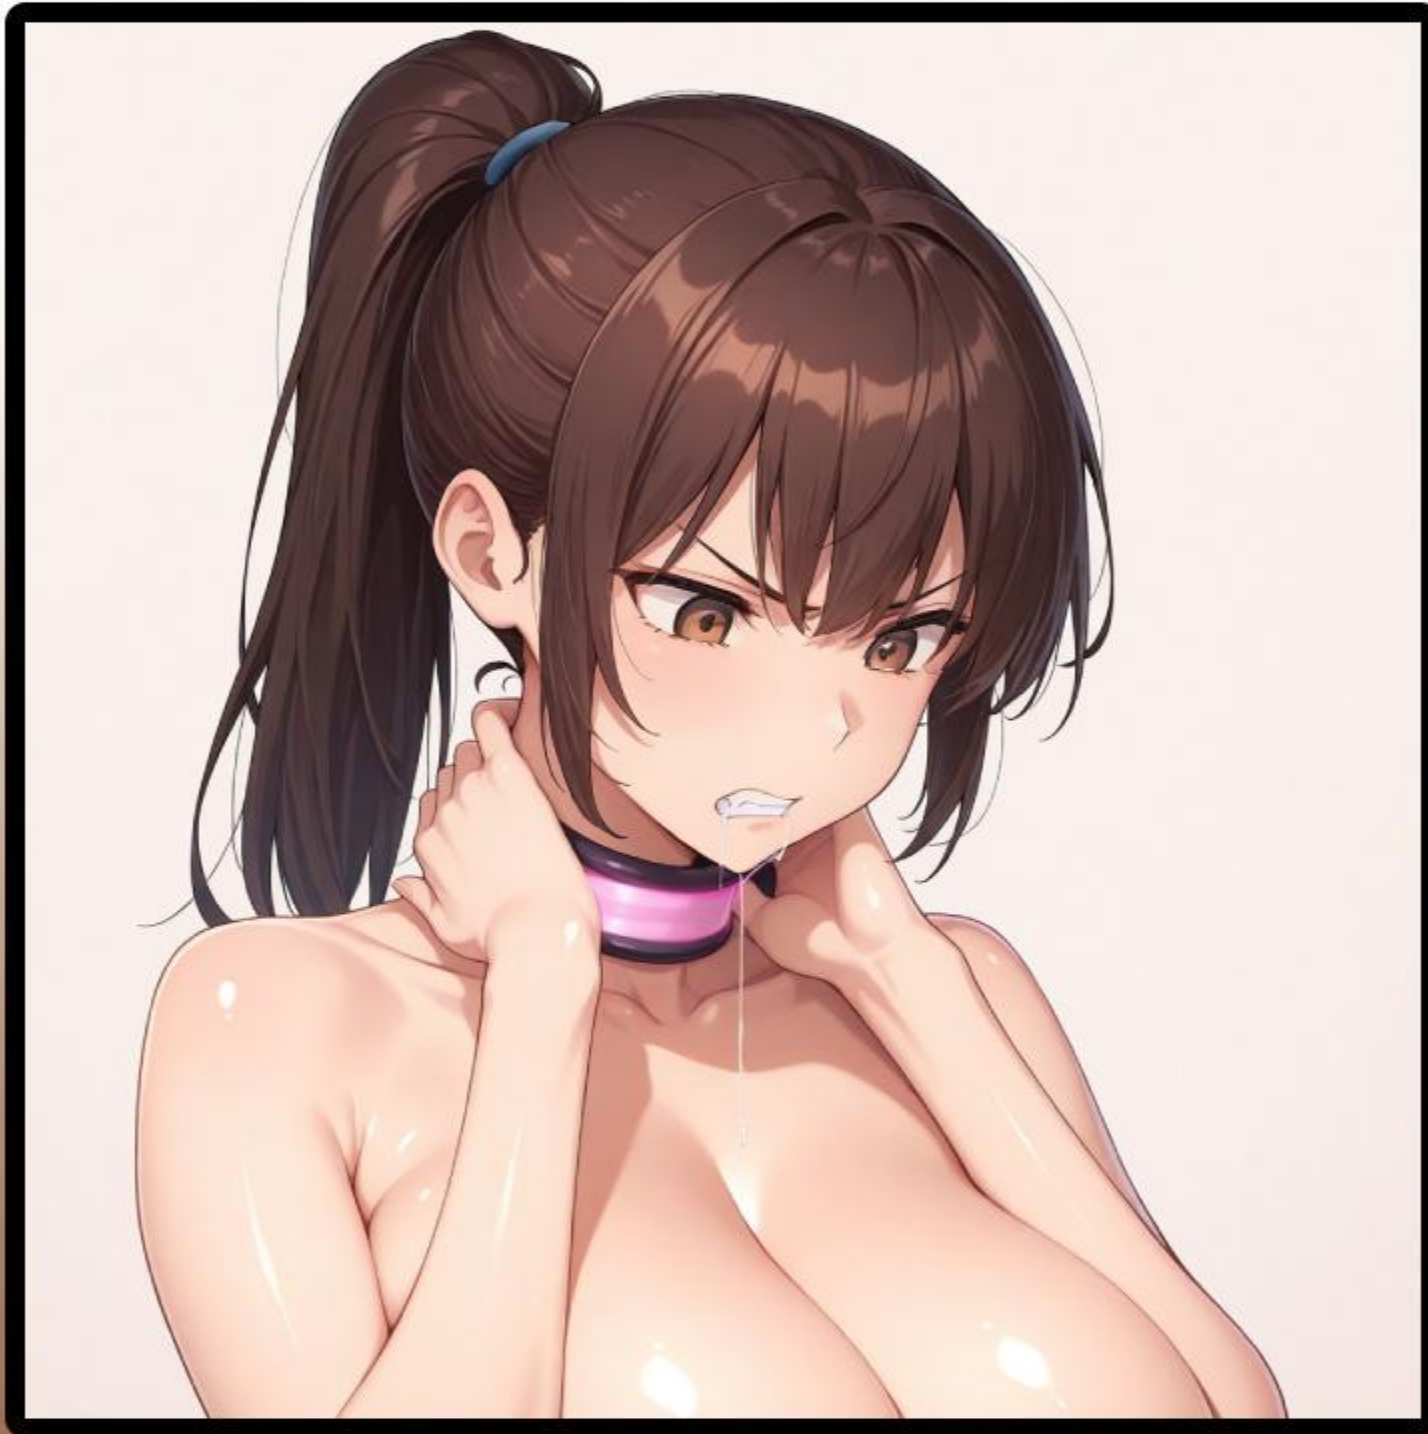

Eww, what a mess!

At least command me to clean myself up.

WAIT! I can move again!

This is my chance!
Quickly, I have to get the collar off.

Chris, you are going to pay for this!

Becca, what are you...?

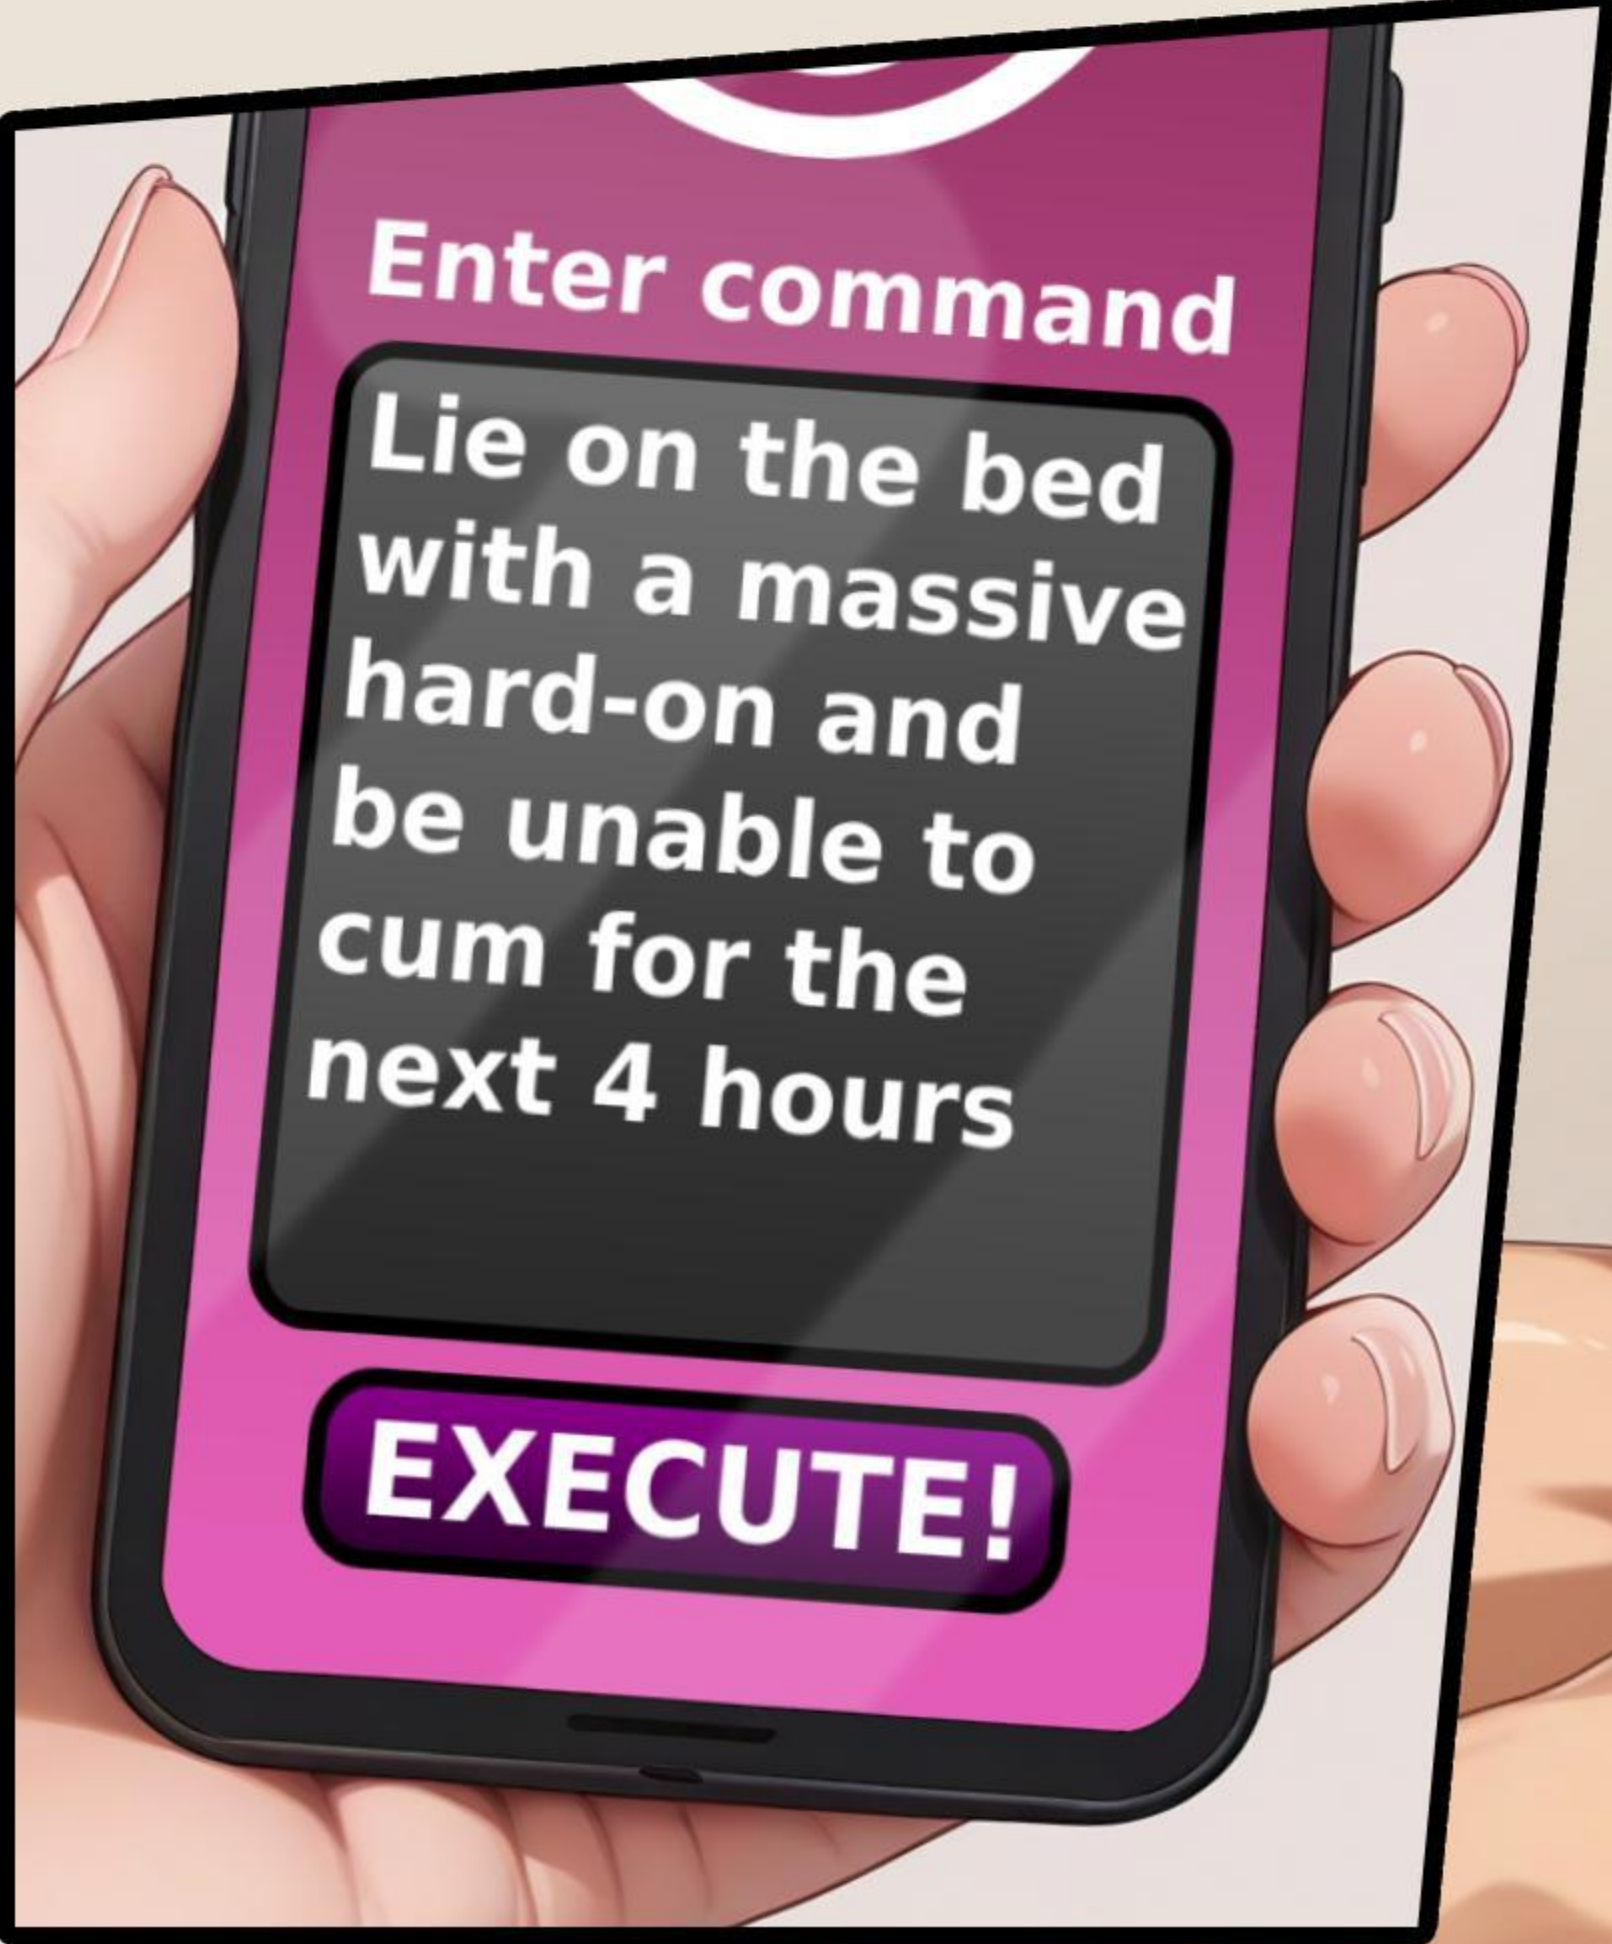

click

Let's see how you like being on the receiving end.

Hehe, you used me like a toy to get off.

Time for me to repay the favor!

Executing command.

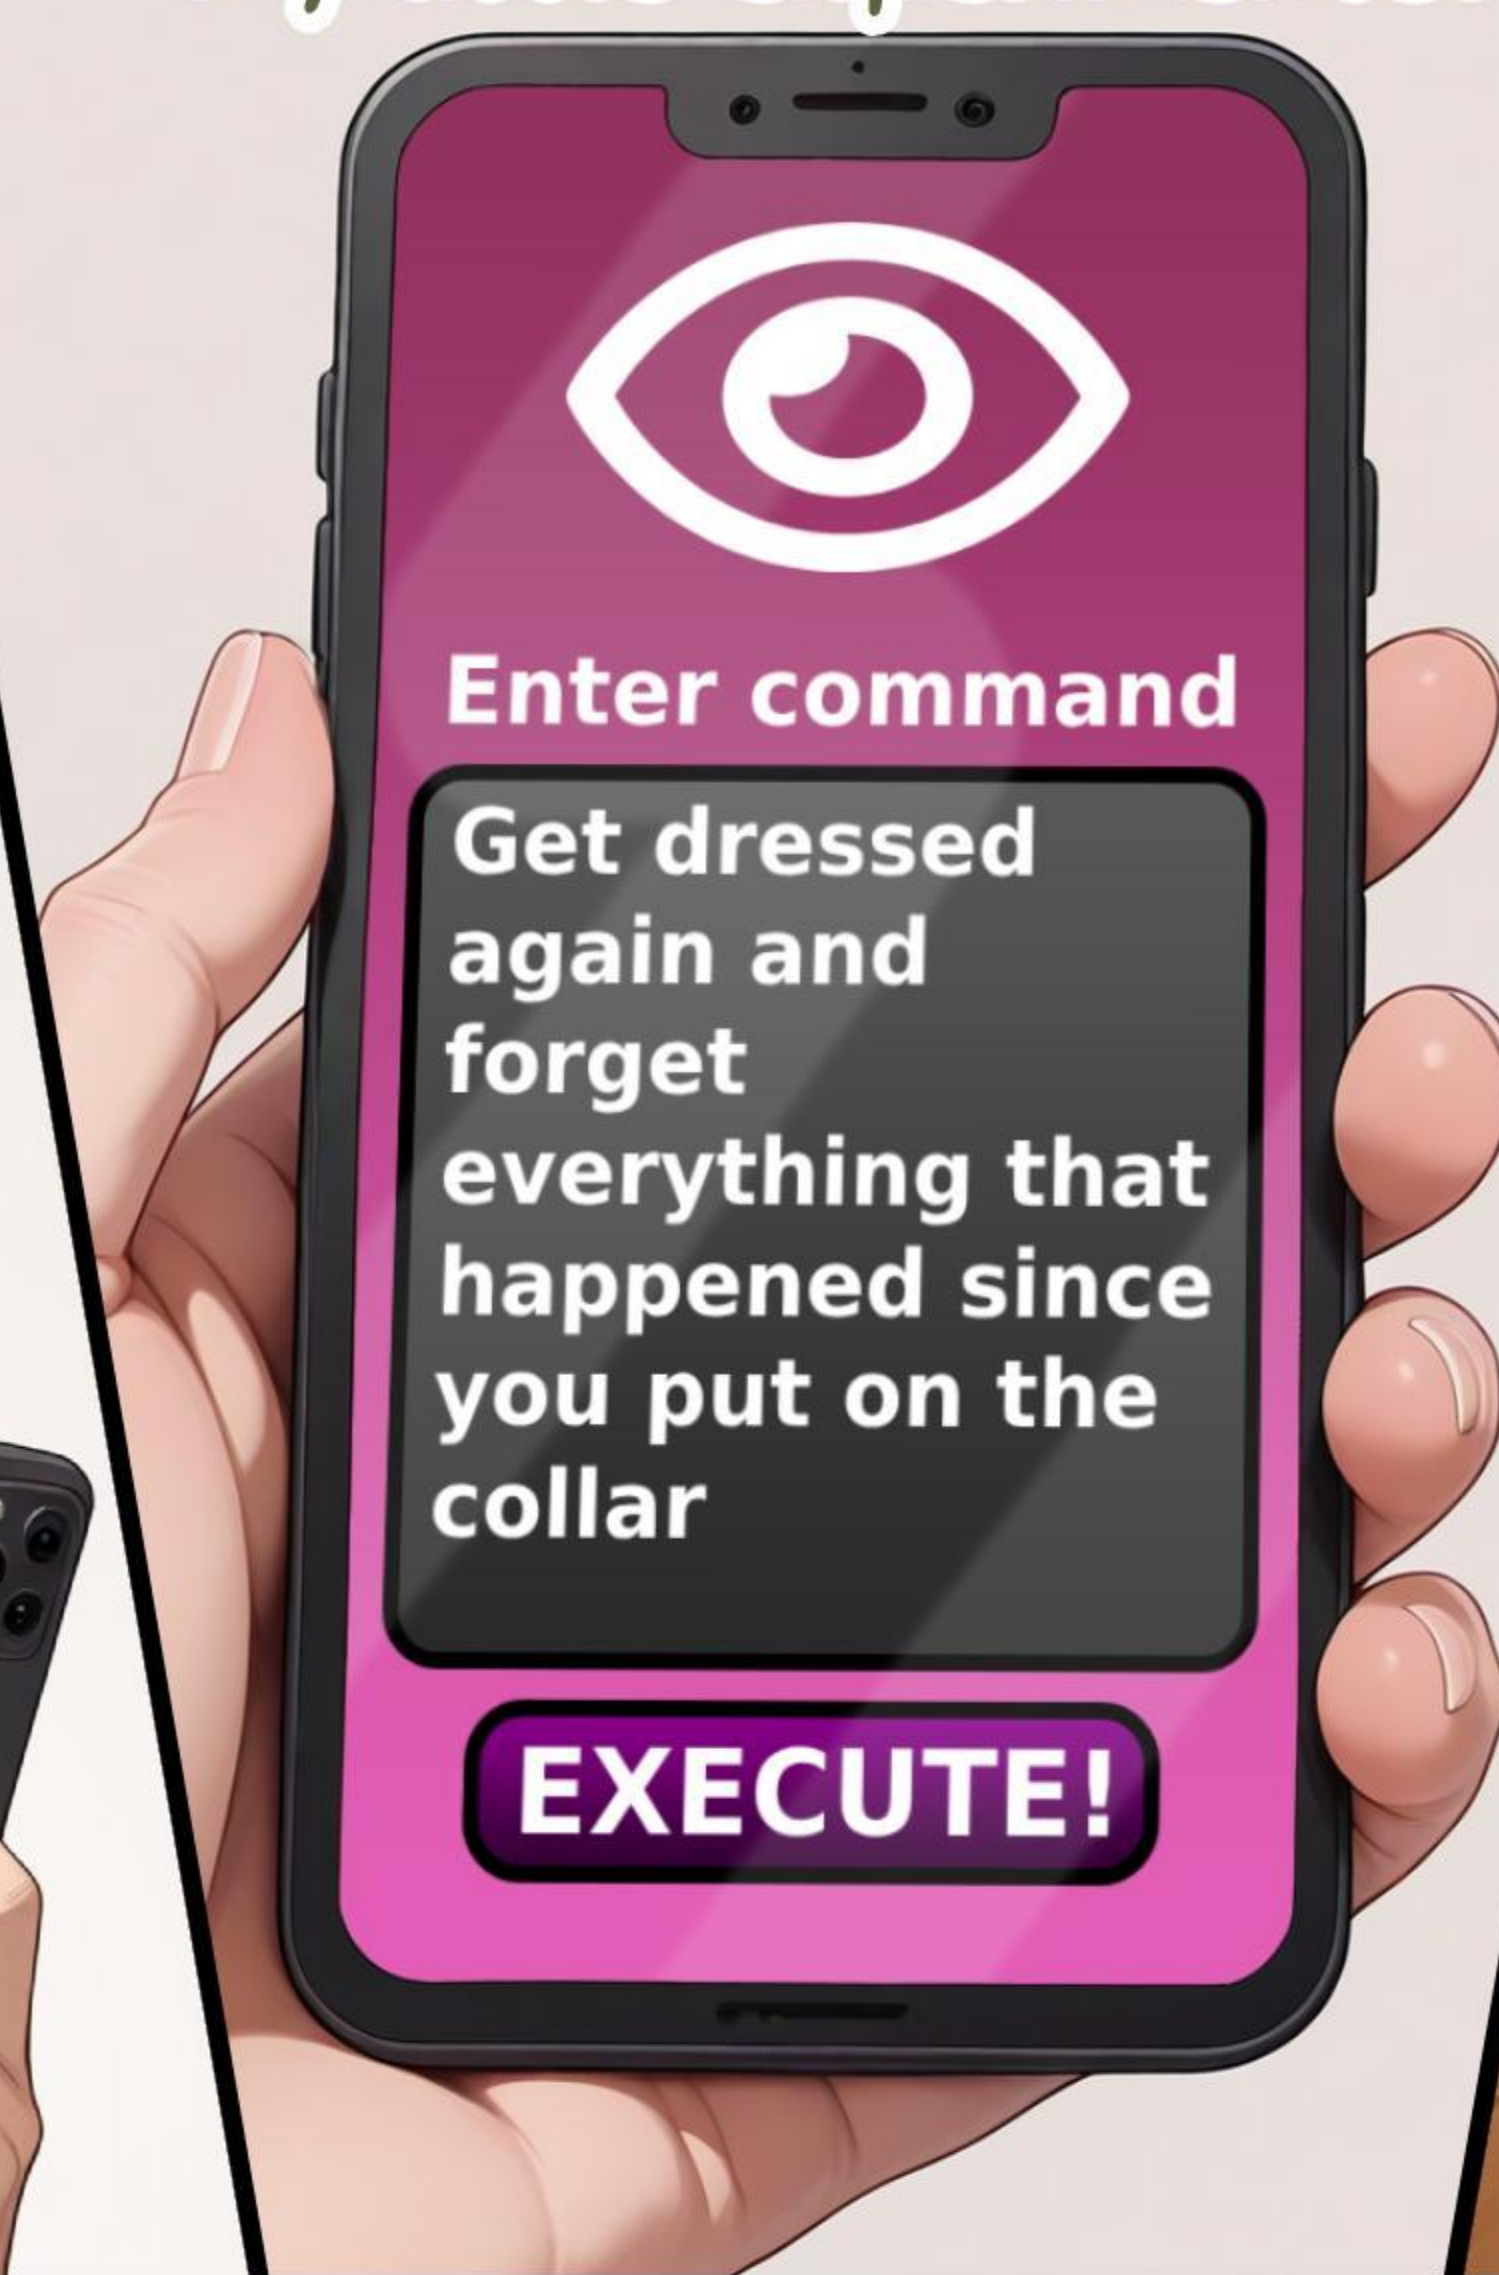

THE END

**Ending B:
Forget everything**

Something like this should
make Becca forget about
my little experiments.

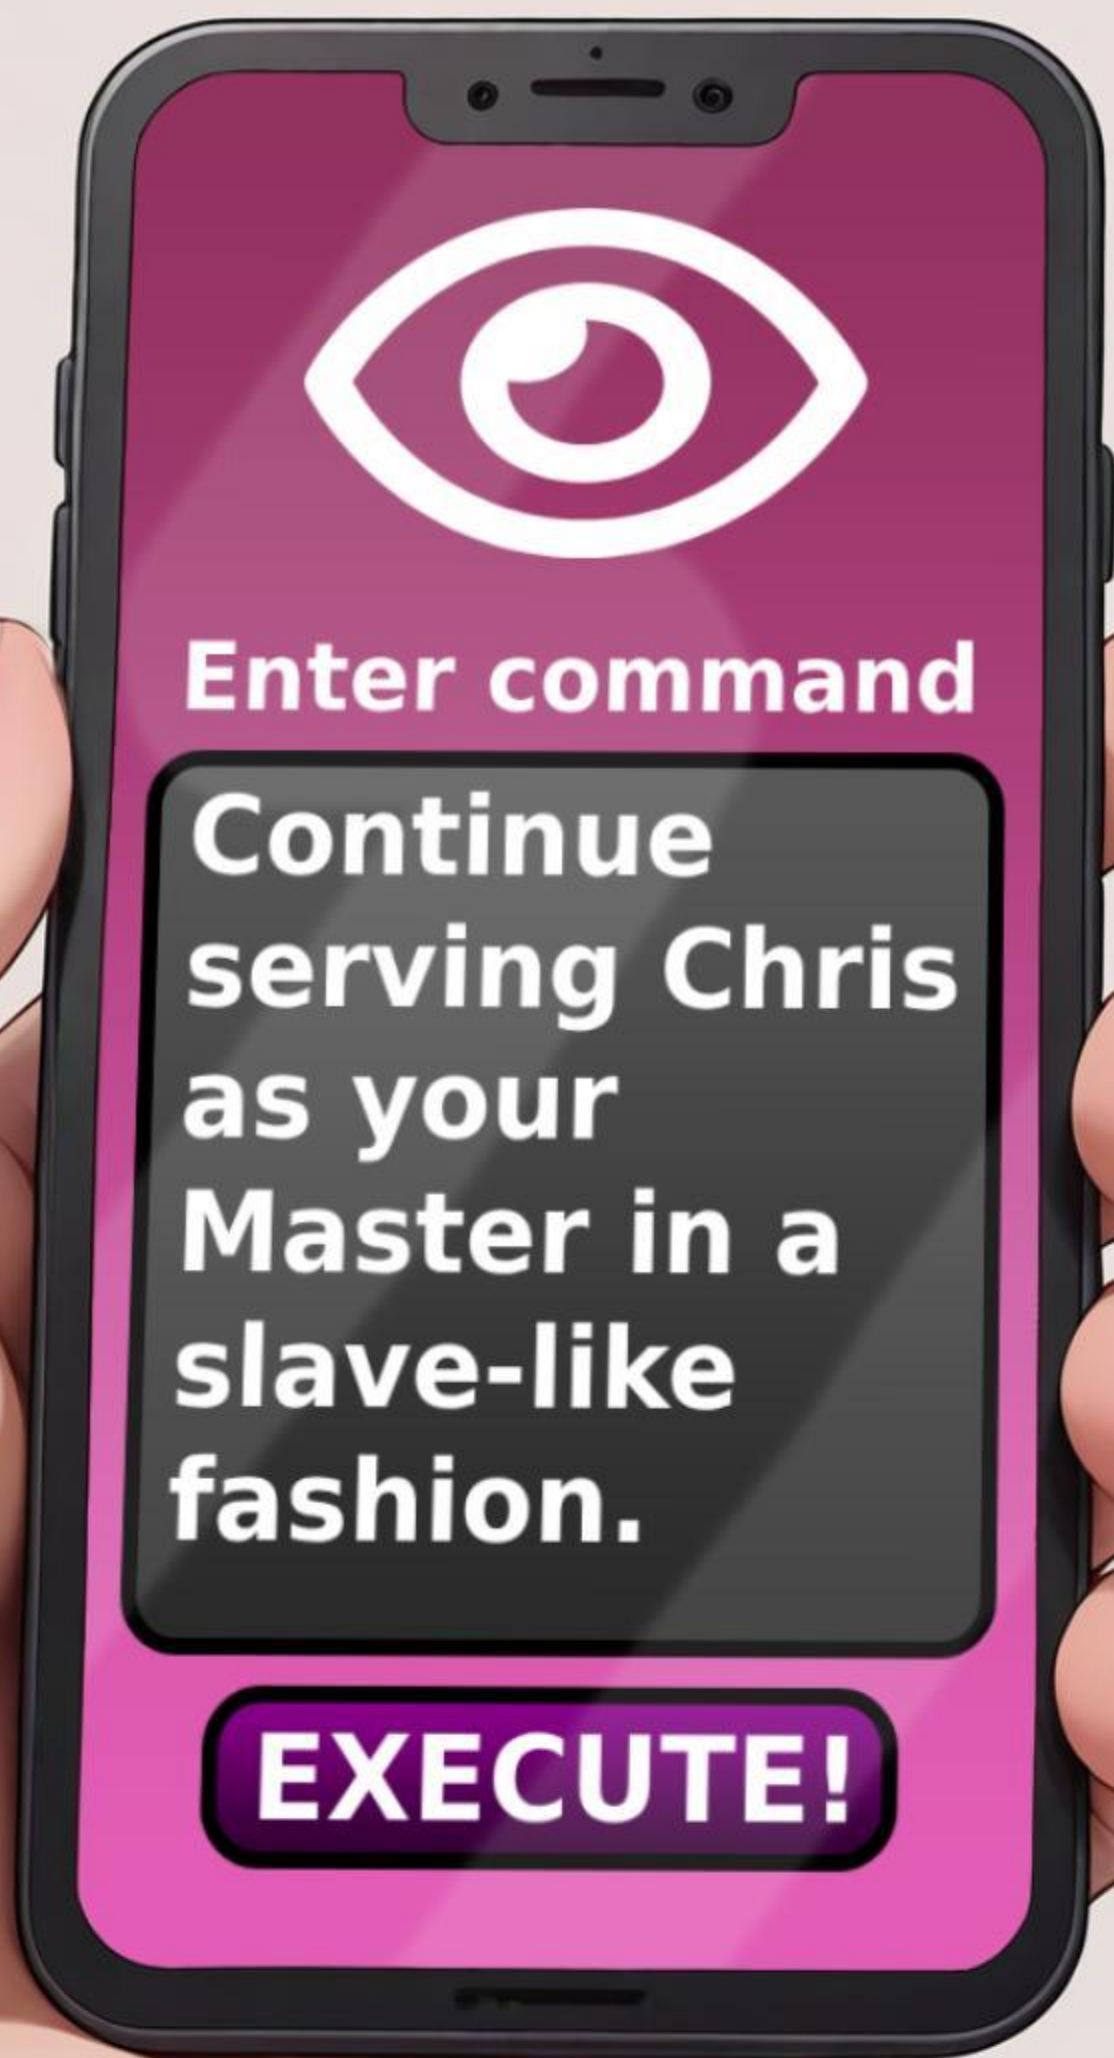

**Ending C:
Staying enslaved**

That was
fun...

... but maybe I can take it
even further...

Master, how can your
slave serve you?

WTF,
Chris?!

Unbelievable!

I wonder what kind of perverted
things Chris has in his mind?!

Making
me get
dressed in
something
like this!

YOU GOTTA BE
KIDDING ME!!

Oh yes, that's
the spot!

Whatever you
wish, Master.

THE END
