A lot has happened these past hours of LEXI...

The girls hi-jacked the LEXI unit in the living room while trying on Halloween costumes and soon discovered it can do so much more than play music...

Like expanding boobs...

Making them taller...

Or let them experience squirting orgasms!

Anyway, the girls started playing a LEXI-enhanced game... to improve one another... but it kinda turned mean...

And that's how I find myself in
this particular situation...

I've always fancied Sierra. She's one of my stepsister's more decent friends, and I think she looked really cute...

And she grew fucking tall!

But holy cow, her boobs are gigantonomormous now!

Groan

...

Fuck!
My feet are getting
a bit tired, but this
feels fucking
amazing!

A man with short, light brown hair and black-rimmed glasses is leaning over a person who is lying face down on a dark, reflective surface. The man is wearing a white short-sleeved button-down shirt with light blue horizontal stripes. He has a watch on his left wrist. The background shows a modern interior with large windows and a balcony railing. A speech bubble is positioned to the left of the man, containing text.

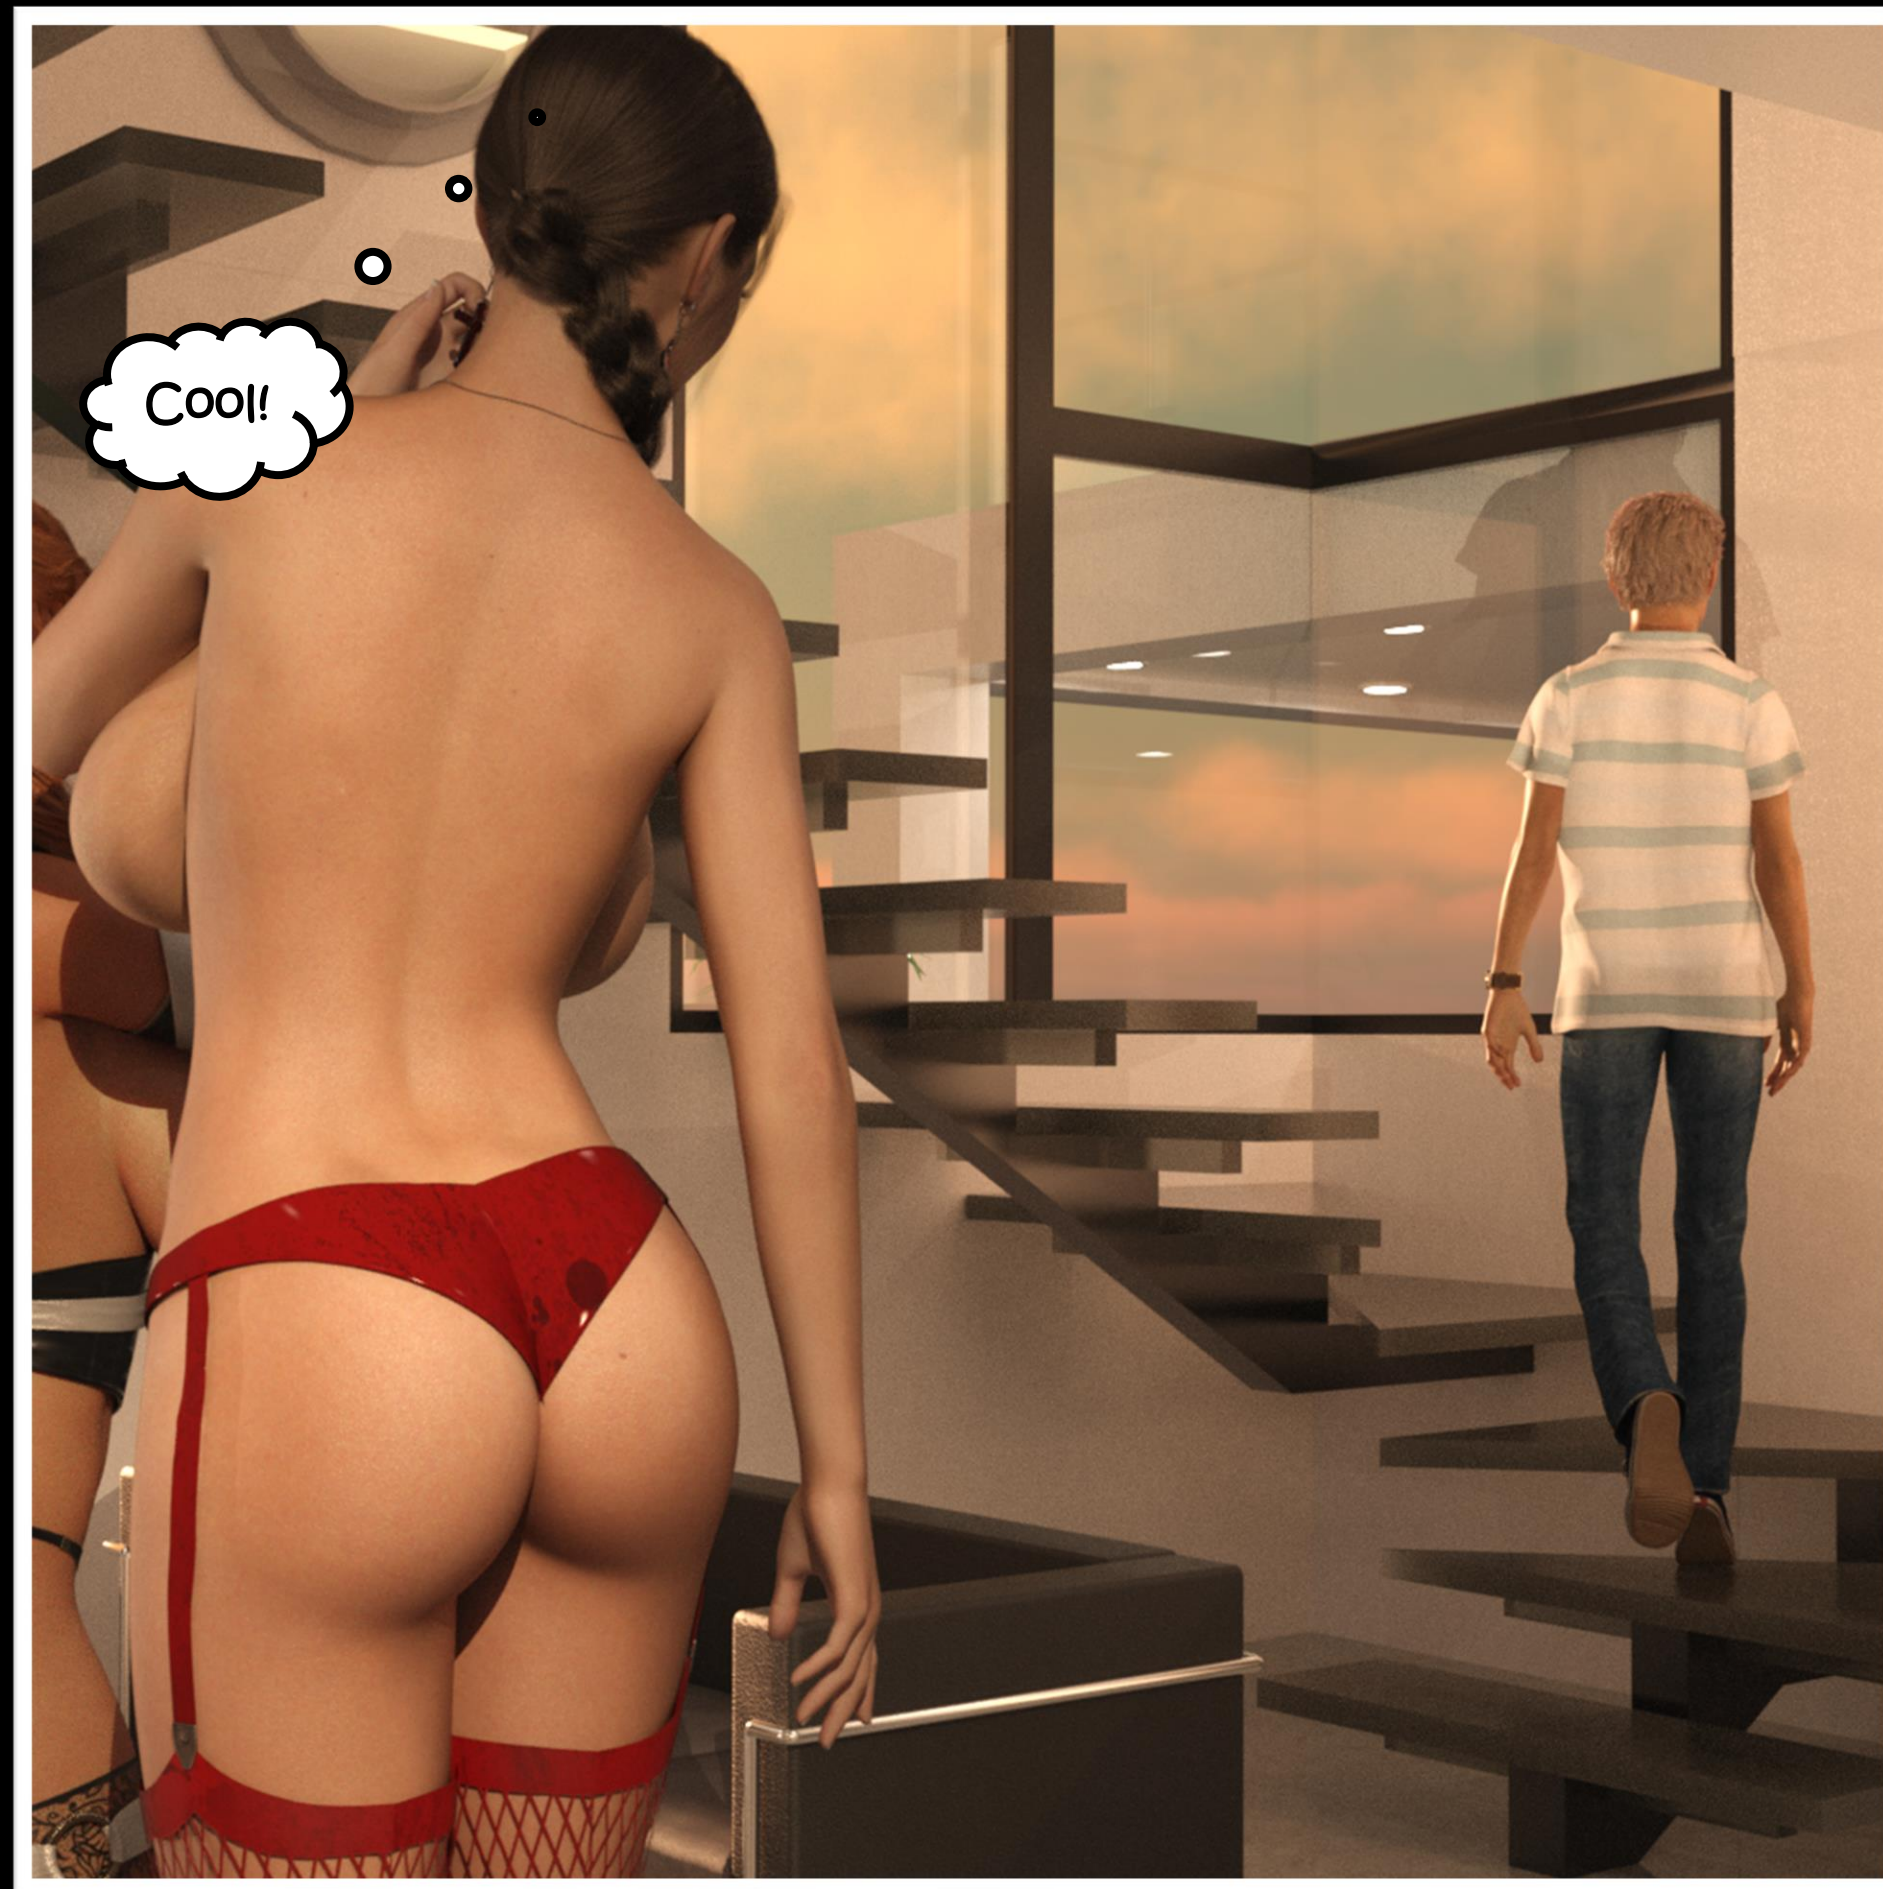

Anyway, you
probably are
wondering, what
the fuck is going
on here?

Well surely you can remember me coming home and trying to reason with the girls...

LEXI, make Jess's brother silently go up to his room and make him stay there!

That did not work out so well...

And moments later, I find myself
confined to my own room...

Looked like game over!

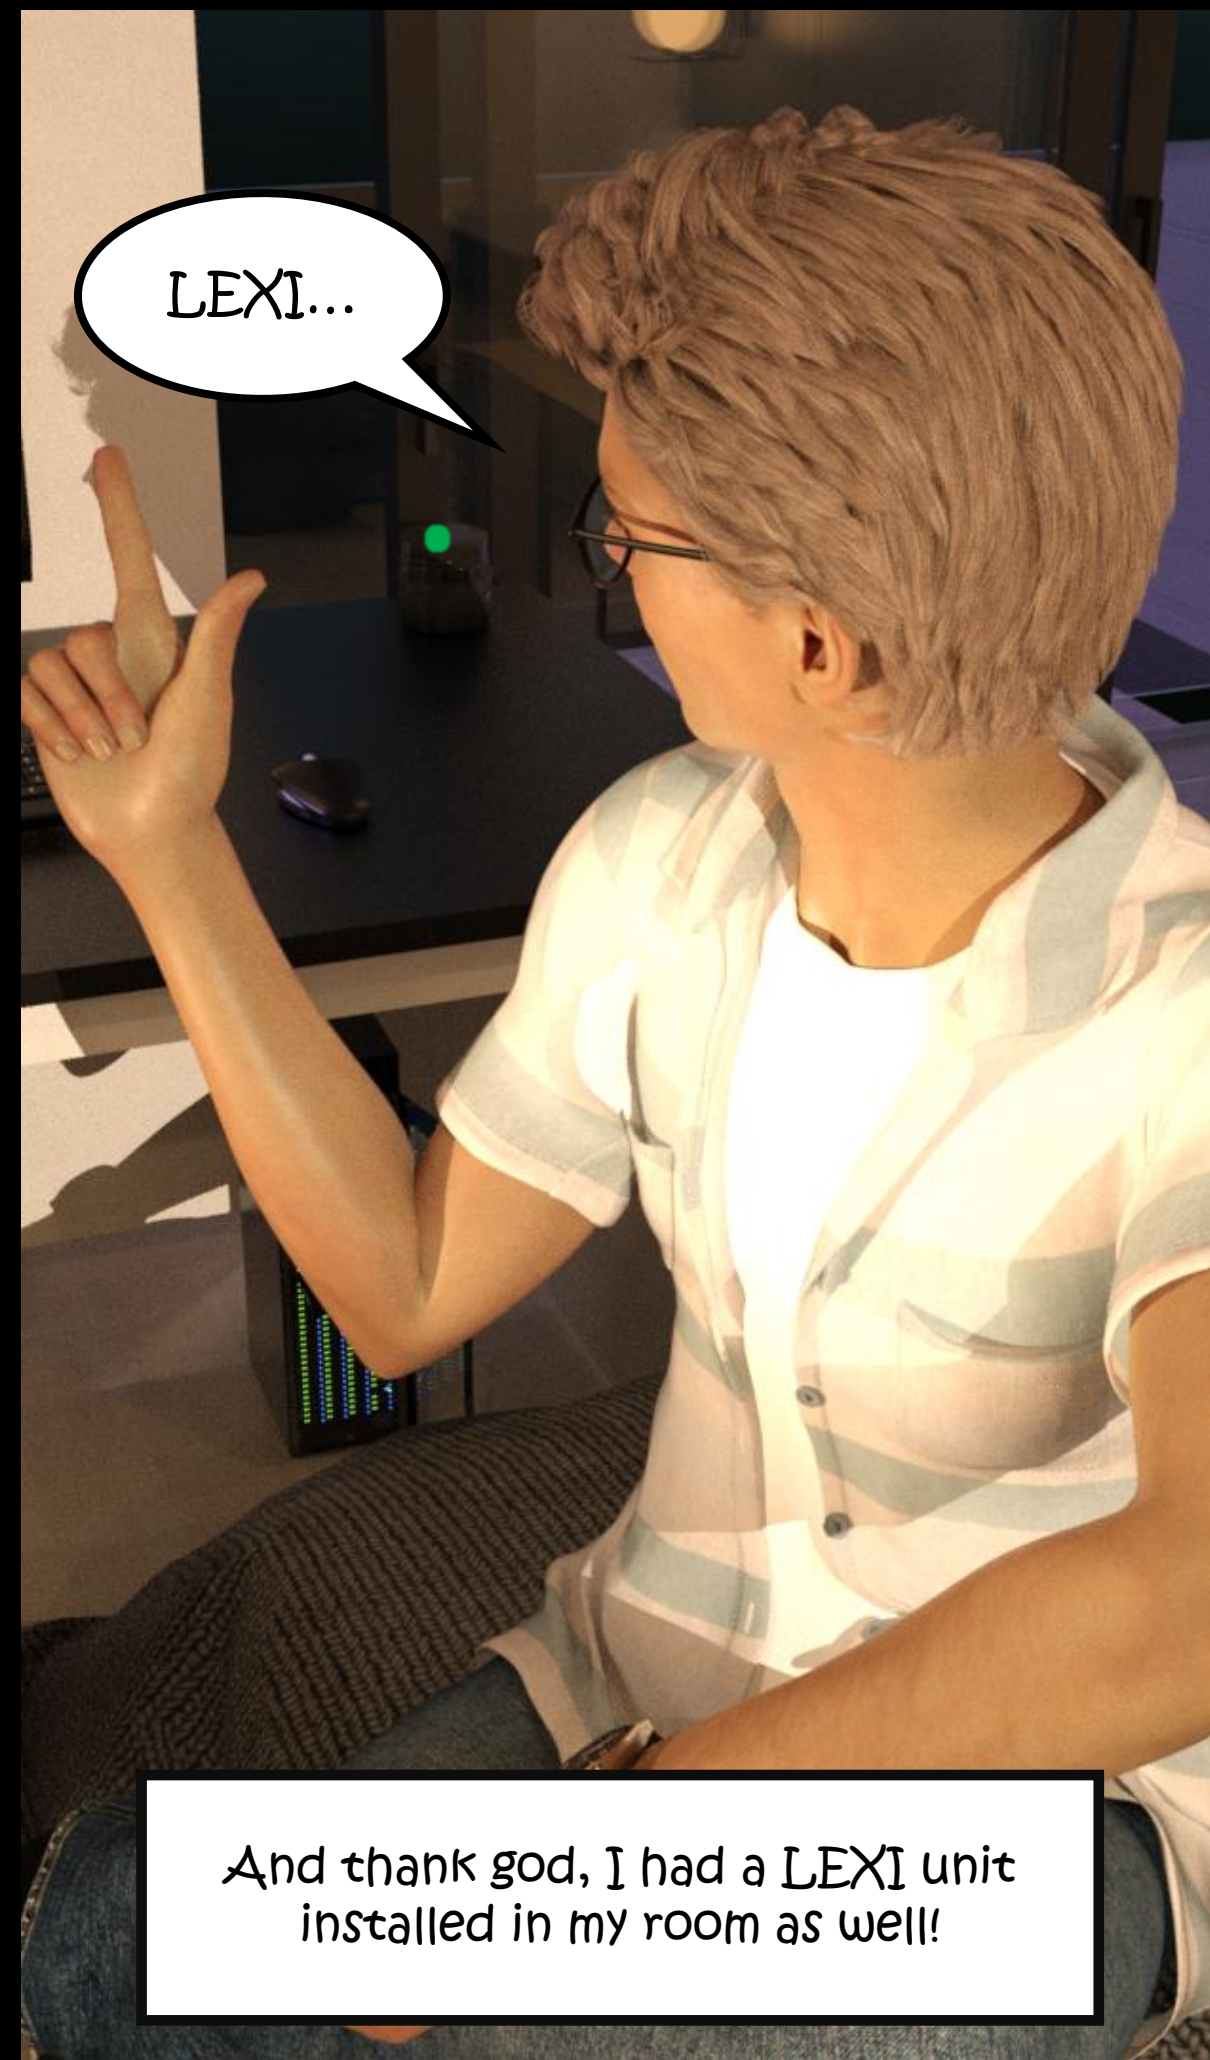

And I thought about what my stupid stepsister would do now that she had discovered LEXI's powers...

Wait!
I can talk
again?

Thank god for Gina's wording, I found myself able to talk again once I sat down in my room!

LEXI...

And thank god, I had a LEXI unit installed in my room as well!

Obviously, I was not just going to walk down as is...

LEXI, activate
„Ignore Mode“!

LEXI, activate
„Universal Acceptance
Mode“!

Now, let's see
who laughs
last.

The invisible barrier that previously rendered me unable to leave my room was gone.

To explore the source of that loud screaming I just heard before...

And with mischief in my heart, I opened the room and headed downstairs...

Let's play!

Now, what are these sluts up to...

As I walk down the stairs, I see my sis exit the bathroom...

That felt incredible!

She's a bit flushed and clearly excited as she talks to Sierra...

Told ya!
giggle

But I was too far away to hear what they were talking about.

Anyway, it seemed interesting and so I snuck closer... not that I needed to be sneaky with ignore mode on... but I guess it came naturally...

Suddenly, Gina shouts...

And walks into the bathroom...

What's this about? What are they using my LEXI for?

Okay, okay!

Hey!

I had to investigate!

And there was only one way to do so!

I had to follow Gina into that bathroom... for science!

As I brush past the two girls in front, my eyes fall upon Sierra's big breasts. Until today, I did not even know LEXI could do physical Transformations. Now the evidence was direct in front of my face in the form of two big bouncy... FOCUS MIKA! The bathroom!!

I manage to sneak in just before Gina locks the door and take position in the corner of the shower.

Without further delay, she starts to unzip and pull down her costume's panties.

zip

rustle

Woah!

Then she flicks her panties into the corner...

flick

My corner!

I'm ready!

What
now?

I can hear my sis giggle outside
and Sierra command LEXI, but
I don't understand the wording
through the door.

I wonder
how it will
feel...

Gina spreads her legs...

Any second
now...

Nice
view!

My eyes were focused on Gina's snatch – expecting her to rub one out any minute now...

But instead... there was no physical stimulation needed...

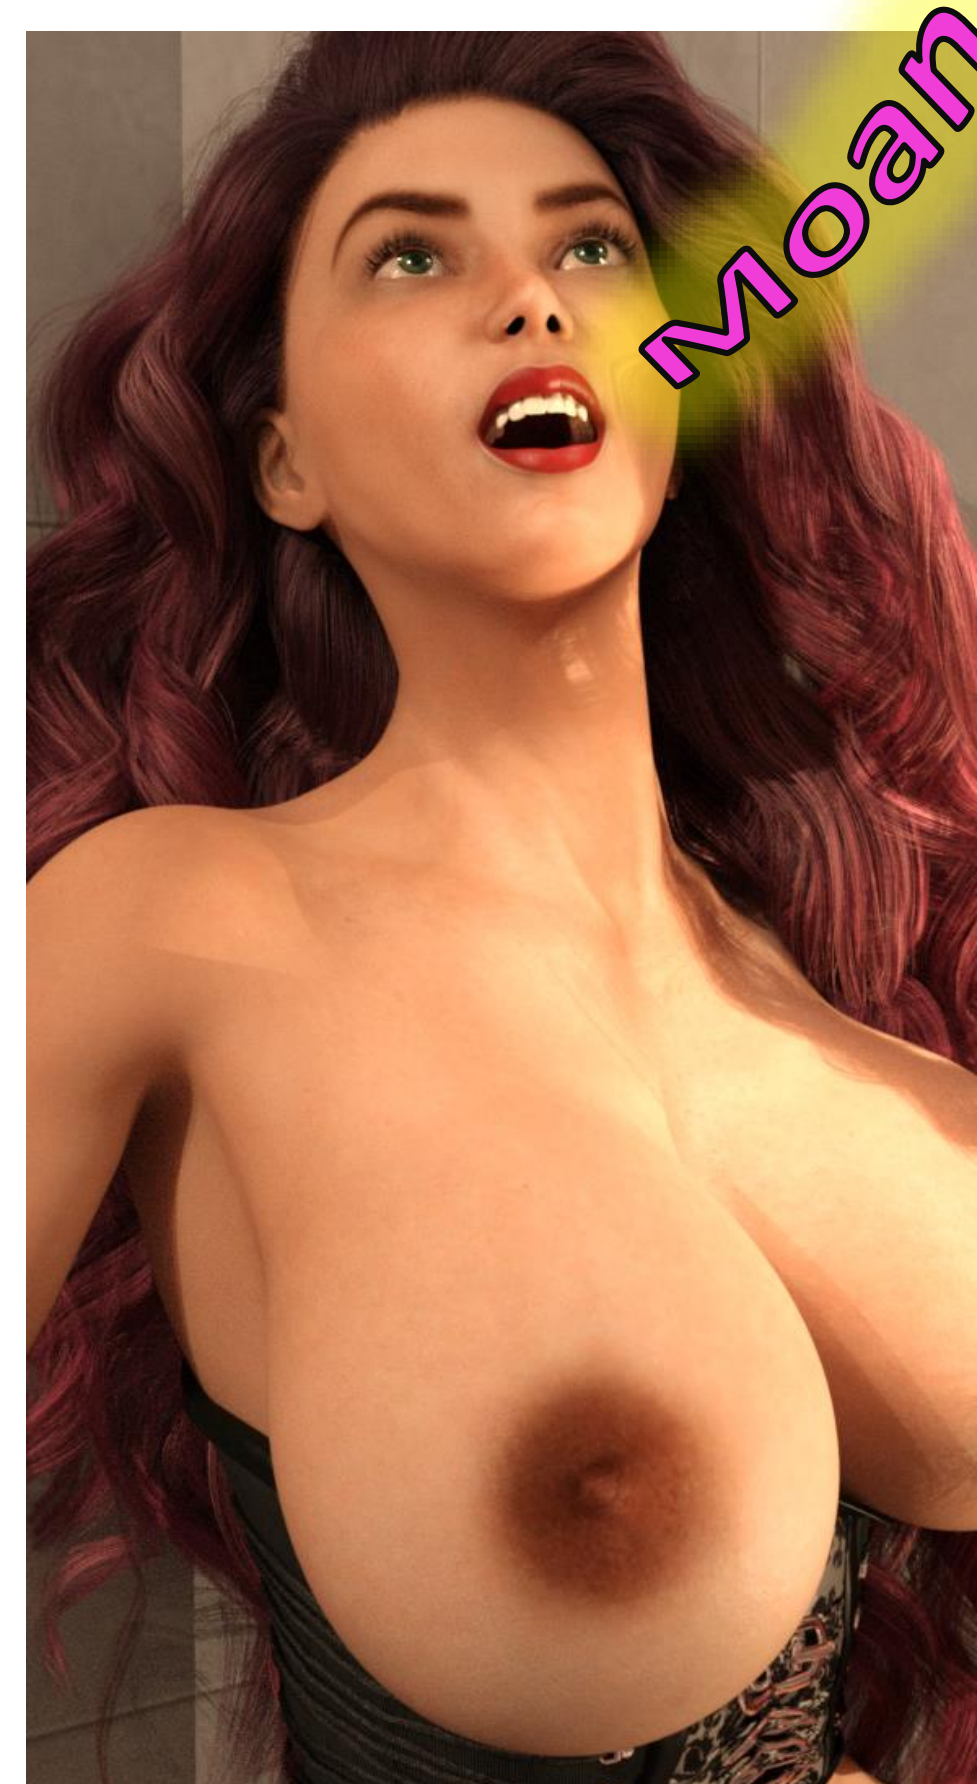

wahhh

Gina's pussy exploded in a huge fountain... right into my face...

Let's have another look at
this scene from the side
view! 😊

I was drenched!
But I guess with Ignore Mode on, it
must have seemed to Gina as if her...
fluids had vanished....

But at least I knew what they had been up to...

Or should we
go for another
squirt-round?

Anyway,
what shall
we do next?

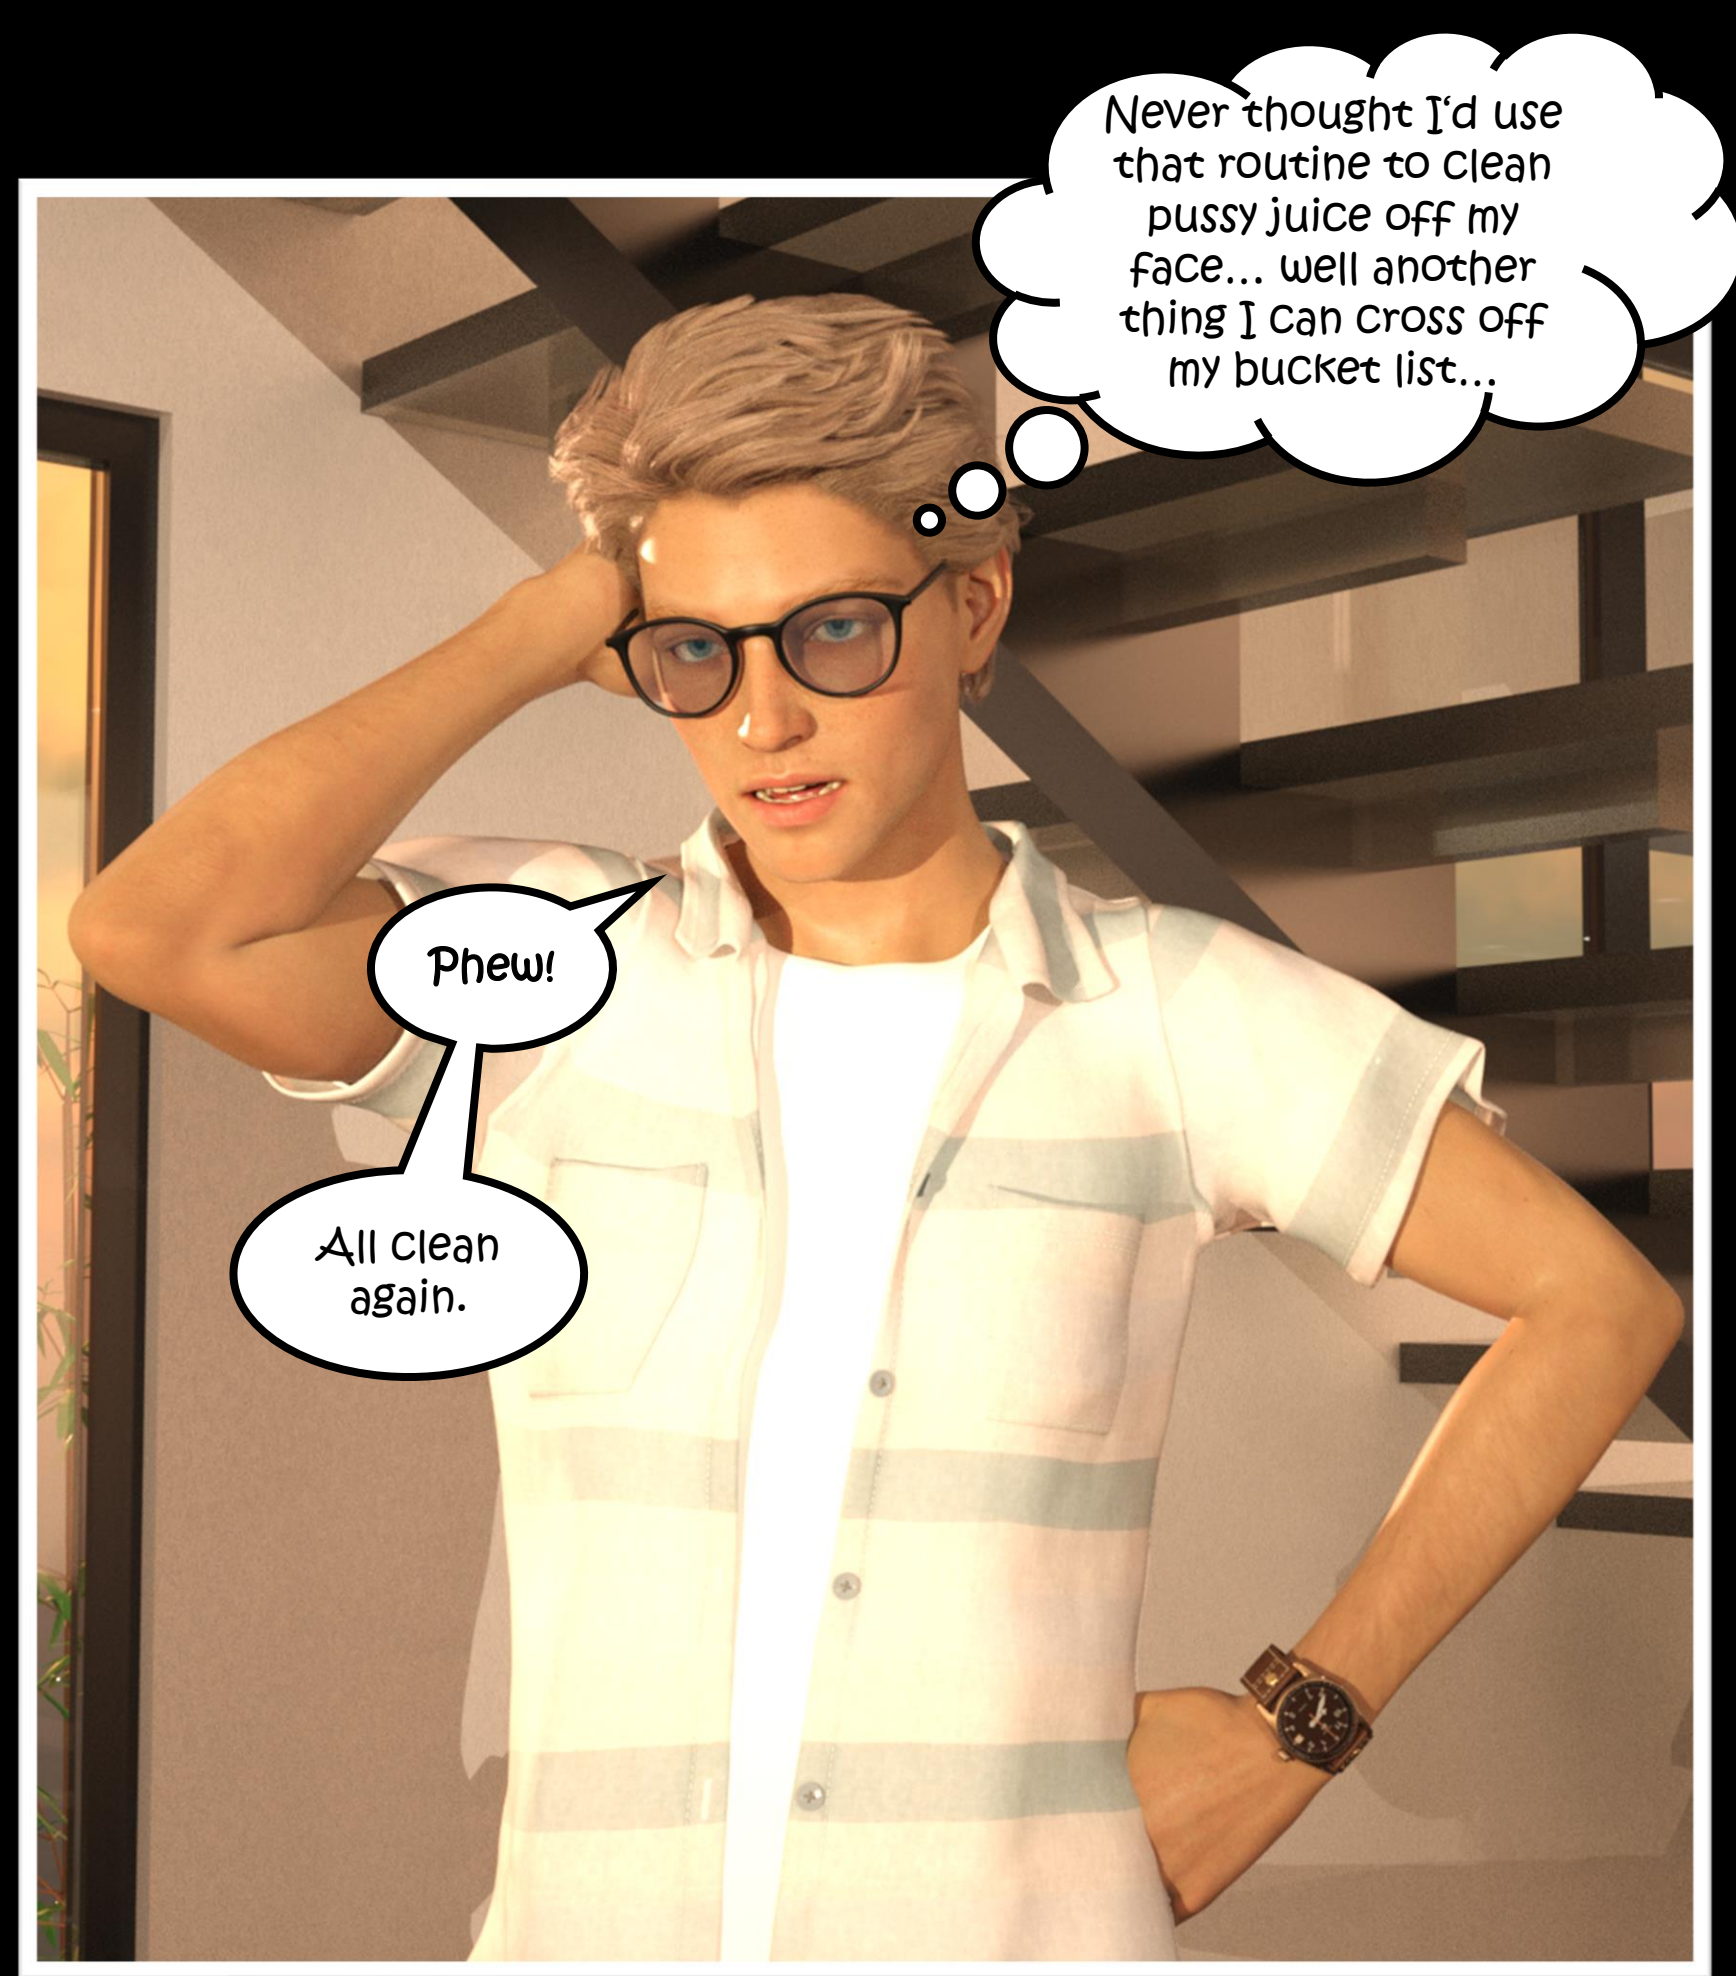

LEXI, run
procedure
„dry cleaning“.

No... I'd say
that's enough
fountains for
one bathroom...

I've got an
idea!

Affirmative...
Running procedure
„dry cleaning“ on
subject Mikael
Harrison...

Changing
each other!

We could
play a little
game.

Let's just stick to
stuff we think
would look good
on the others.

Aw, don't be a
scaredy-cat, Jess.
We are all friends
here.

I don't know.
That sounds
kinda scary...

A scene from an anime or manga featuring three women in a modern, minimalist interior. The woman on the left has long, wavy red hair and is wearing a black and white outfit with a long, thin tail. She is sitting on the floor, looking towards the other two women. The woman in the center has long, wavy orange hair and is wearing a black and white outfit with a long, thin tail. She is sitting on the floor, looking towards the other two women. The woman on the right has long, wavy brown hair and is wearing a red and white outfit with a long, thin tail. She is sitting on the floor, looking towards the other two women. In the background, there is a dining table with white plates and glasses, and a white brick wall.

But what if we
end up with shit
we don't like?

We don't
know if that's
possible!

Then we just
change it back
afterward.

Hm...
Interesting!

LEXI, shrink
Jessica's tits
back to the size
they were three
hours ago.

Hey, Gina!
What gives?!

*Breast reduction
process starting...*

Well, you wanted
to know if stuff
can be reverted.

Fascinating!

And you did
complain when
Sierra gave you
those torpedoes...

LEXI can really
change physical
attributes!

...

So, I thought,
like if we made
them shrink
back...

Two birds
with one
stone!

This body of mine could use some upgrades...

Still, not cool to change me out of nowhere!

I don't get why you are so upset about this...

But... Err... Sorry?

Gina's
right!

This is perfect!
Now we know
we can revert
stuff!

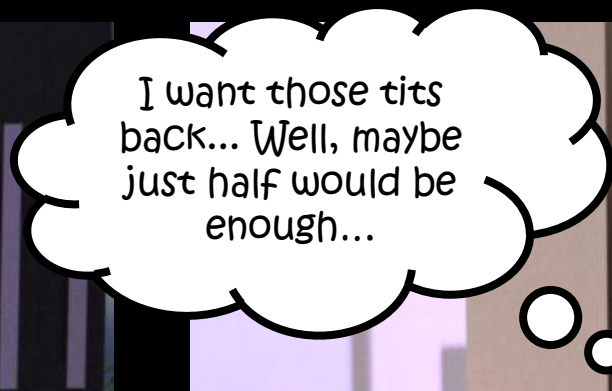

He-he...
I'm gonna
enjoy this!

Fine!

I'm in!

So what do
you say? Ready
to play?

End of Chapter

A stylized illustration of a hand holding a glowing red hexagonal object. The hand is black with white outlines, and the hexagon is bright red with a glowing effect. The background is black.

Thank you for reading!

Hello, Hexxet here,

So... I really like what I'm doing here. This revisiting of former events but from a different perspective. I think it adds something cool to perception-altering powers like Ignore Mode, and it surprises the reader. I mean... there were hints in the previous issues, but I still hope this development (of Mika being there already) surprised you a bit... and hopefully you liked it... 😊

If you like my comics, please consider supporting me on Patreon. I need your support to keep creating more Magic-Control comics! 😊
