A lot has happened since Mika returned home...

He was sent to his room...

And he was supposed to stay there...

But the girls did not account for the LEXI unit installed there!

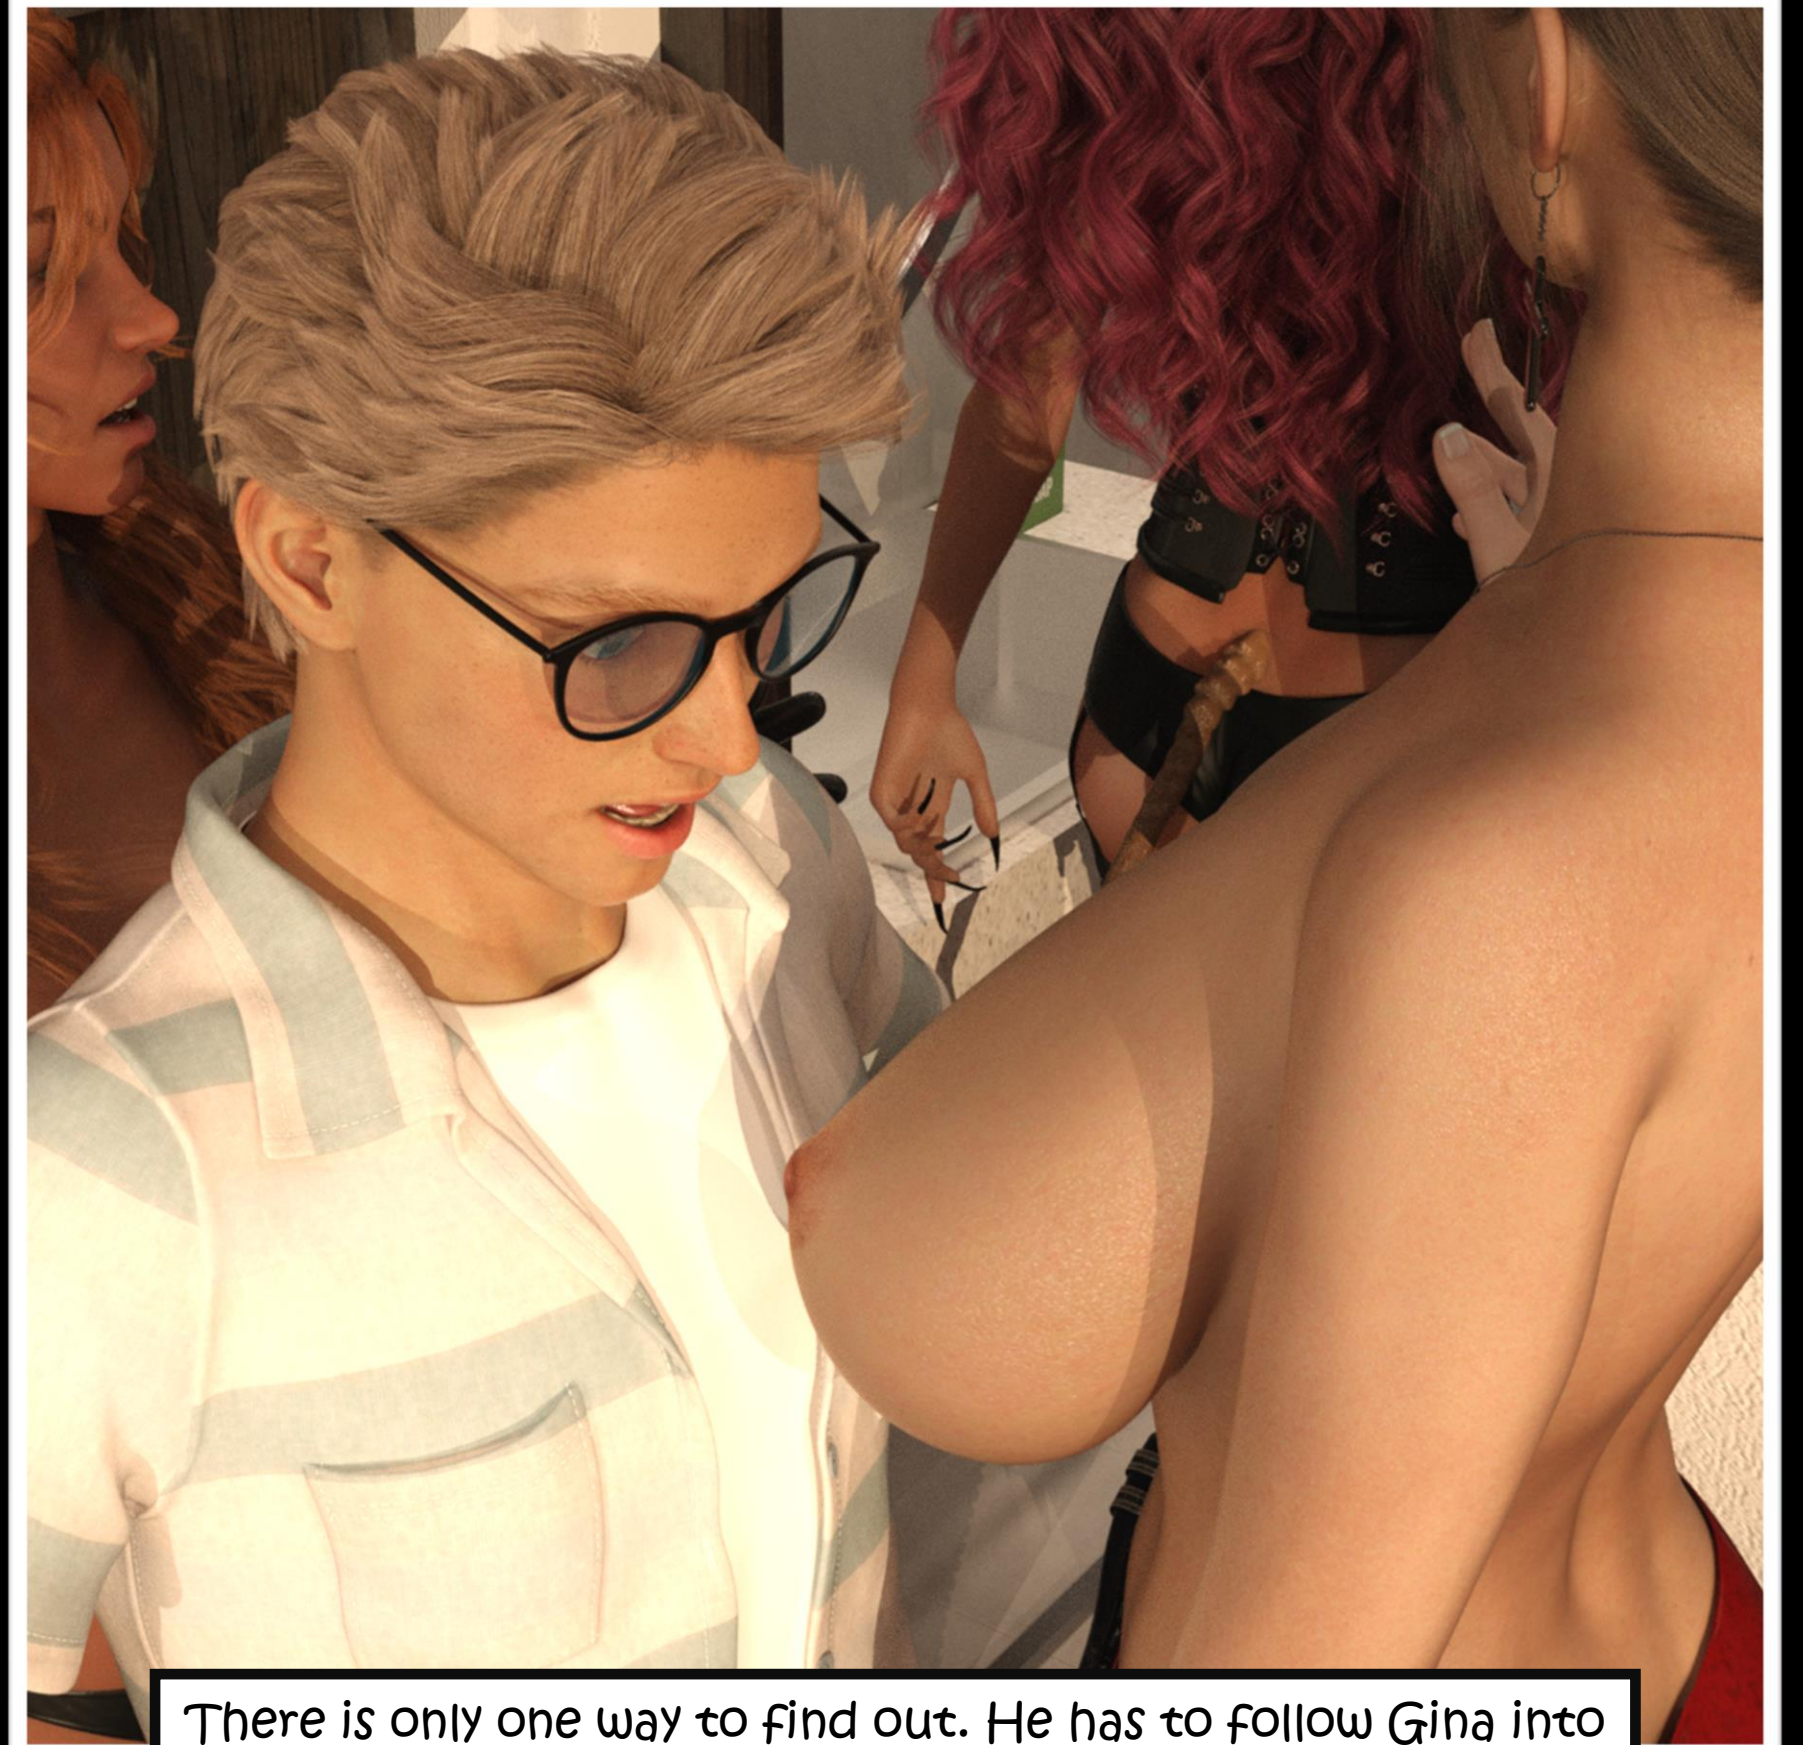

What are they talking about?

Unnoticed, Mika walks down the stairs. The girls are completely unaware of his presence thanks to ignore mode.

Squirting orgasms are the best!

Will Mika find out
what the girls were
doing with his LEXI?

There is only one way to find out. He has to follow Gina into
the bathroom... for science!

Then she
flicks her
panties into
the corner...

flick

My corner!

I'm ready!

What
now?

Nice
view!

Thank you for reading!
