Last time on LEXI, we saw how Mika managed to leave his room and activate Ignore- as well as Universal Acceptance- Mode.

A full-body shot of Mika standing in a modern hallway. He is wearing a white t-shirt under a short-sleeved button-down shirt with horizontal green and white stripes, and dark blue jeans. He has short brown hair and wears black-rimmed glasses. He is pointing his right index finger upwards and to the left, with his left arm extended outwards to the right. A speech bubble is positioned to his left.

LEXI, activate  
„Ignore Mode“!

A full-body shot of Mika in a room, possibly a living area. He is standing with his right arm raised, making a peace sign with his fingers. He is wearing the same striped shirt and jeans as in the previous panel. The room has a modern aesthetic with a large framed picture of a city skyline on the wall, a potted plant on a shelf, and a black and white chair on the right. A speech bubble is positioned in front of him.

LEXI, activate  
„Universal Acceptance  
Mode“!

A medium shot of Mika sitting at a desk in a dimly lit room. He is looking down at his hands, which are positioned as if he is about to perform a gesture. He is wearing the same striped shirt and glasses. A computer monitor is visible in the background, displaying some data. A speech bubble is positioned above him.

Now, let's see  
who laughs  
last.

He joins the girls downstairs and follows Gina into the bathroom.

For science!

And experiences what the girls have been doing so far with his LEXI.

Finally, the girls decide to play a LEXI-powered game. Mika watches with a smile on his face...

Let the Game of Change begin!

I want those tits back... Well, maybe just half would be enough...

Let's go, girls!

Yeah, let's play! \*chuckle\*

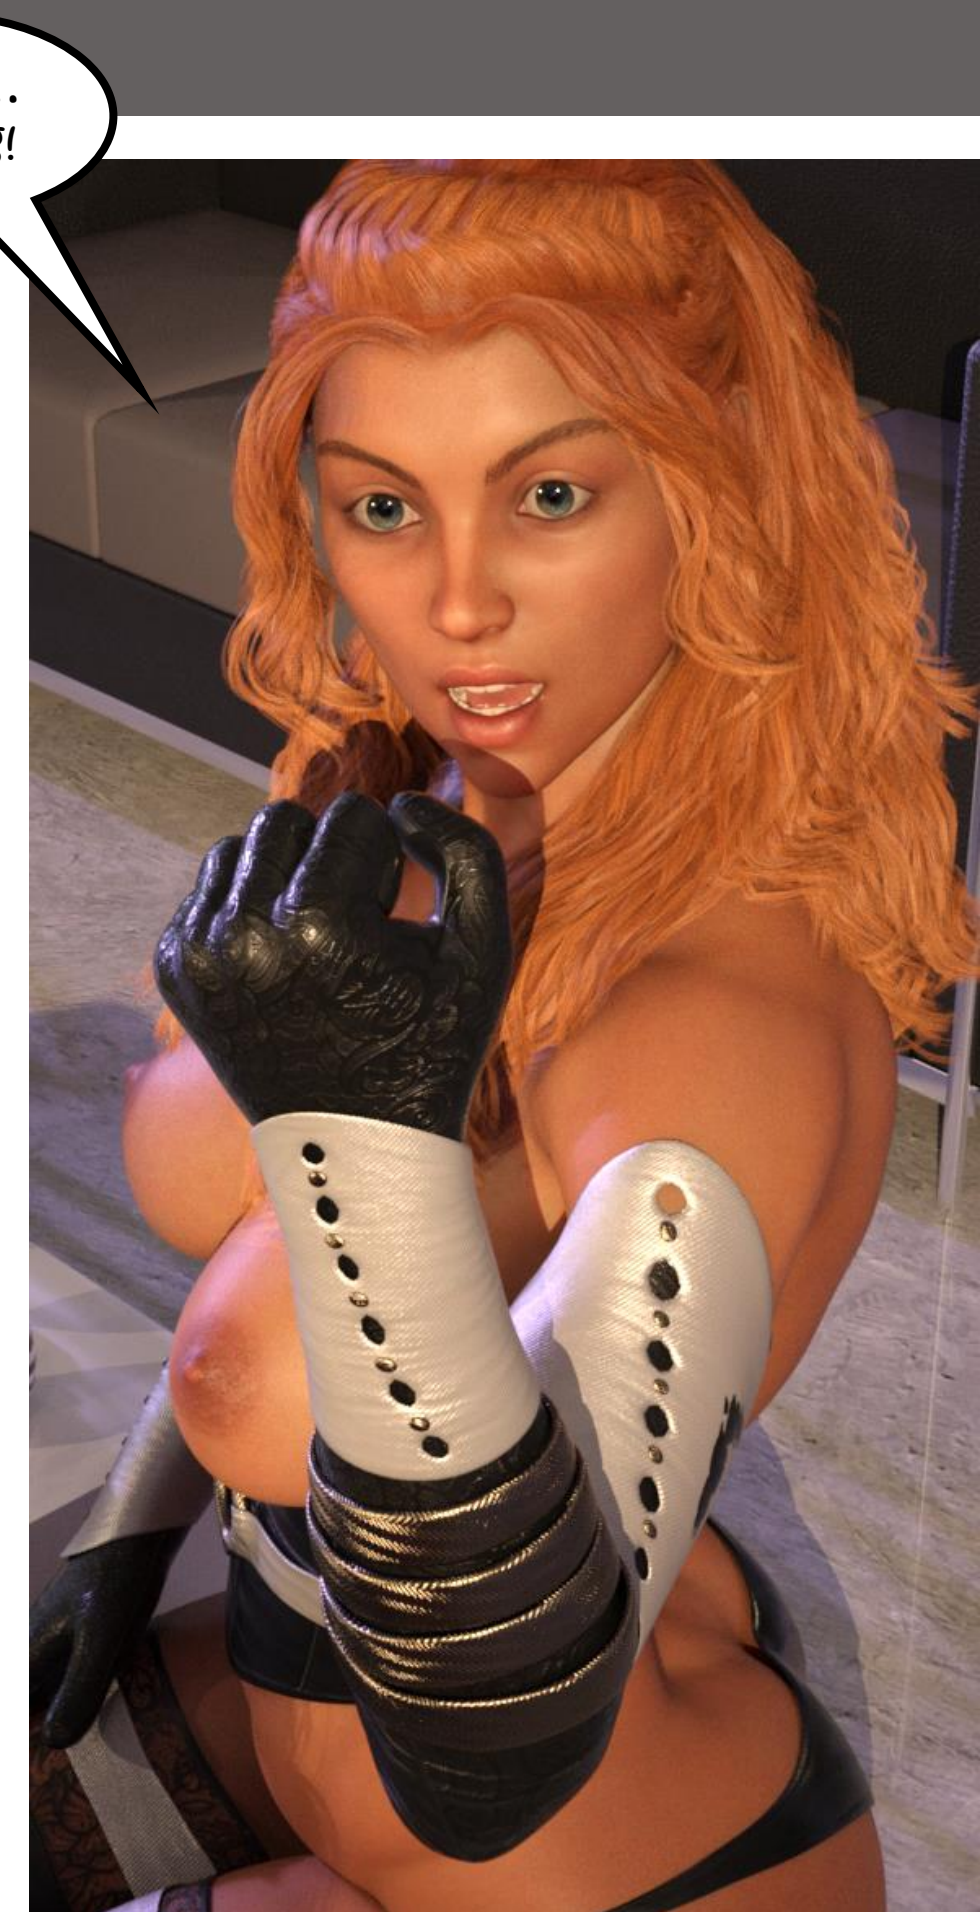

We continue from here...

Darn!

tuk

Let me get this off real quick.

bulge

How do I  
look?

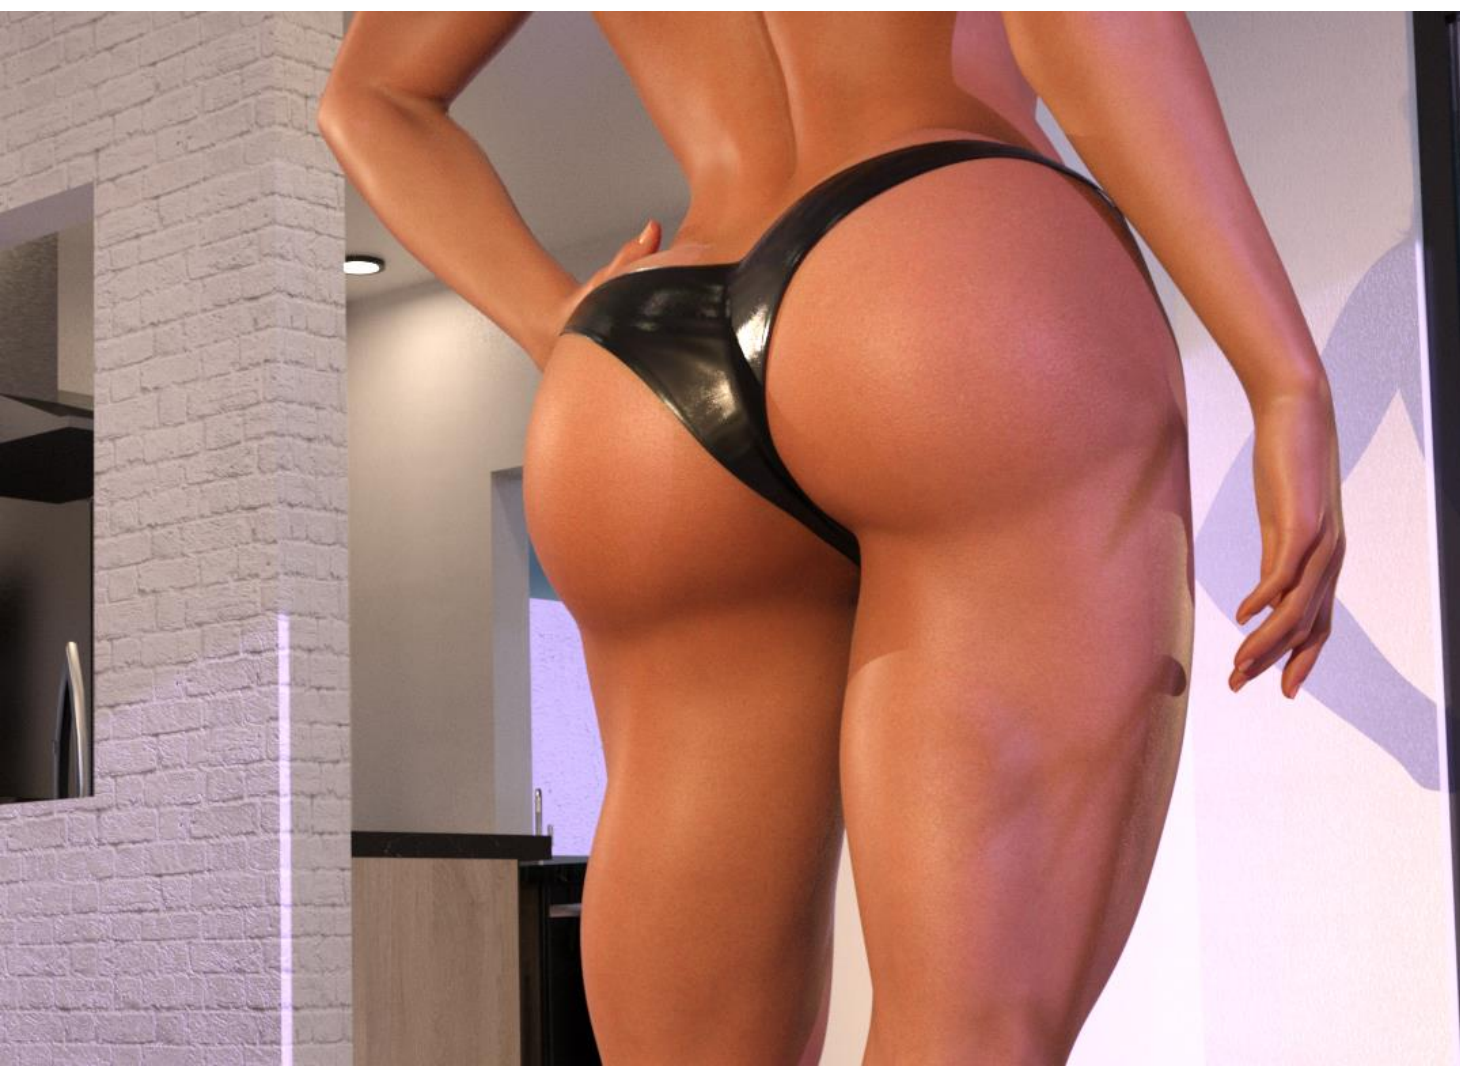

grope

Darn, sis!  
That's some  
serious bicep!

Hm...

And don't get me started on that perky butt!

Just imagine what we could achieve if we used LEXI to enhance the cheer squad! **We** could go to the nationals!

That is  
indeed...

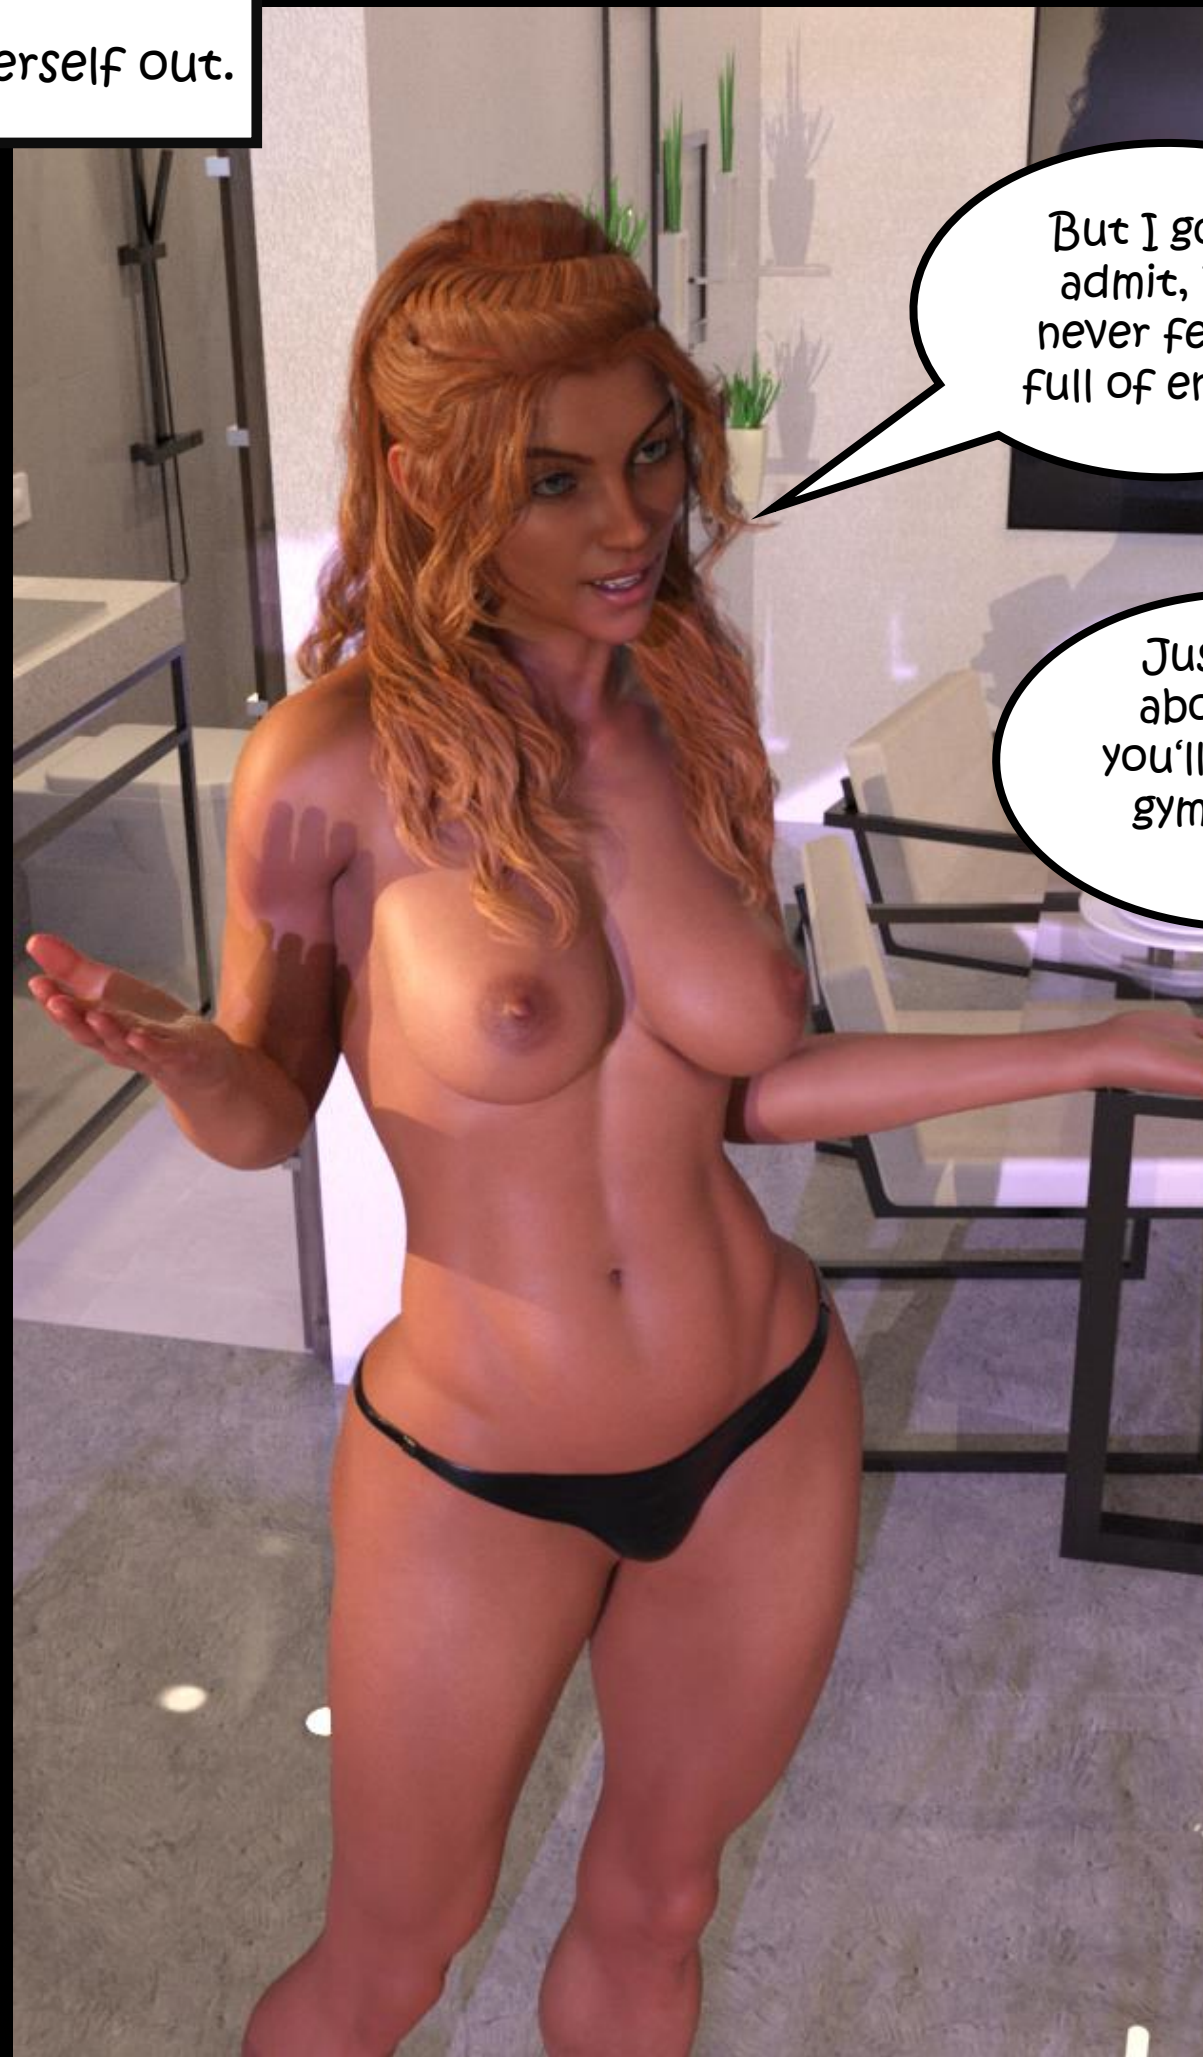

A nice...

After that, Jess went into the bathroom to check herself out.

...before the girls finally continued playing their game.

*giggle*

It  
tingles!

Starting  
removal of  
current body  
hair...

As LEXI's powers start to manifest,  
Sierra jumps up and removes her panties.

Oh, my.

And thanks to ignore mode, I have tickets to watch in the first row!

My eyes were focused in anticipation on Sierra's lower region.

I did not have to wait long!

The hair's  
getting thinner!

Pretty quickly, Sierra's pubic hair... faded out of existence?  
I have no other words to describe it.

Cool!

Until only smooth skin  
remained.

And gone!

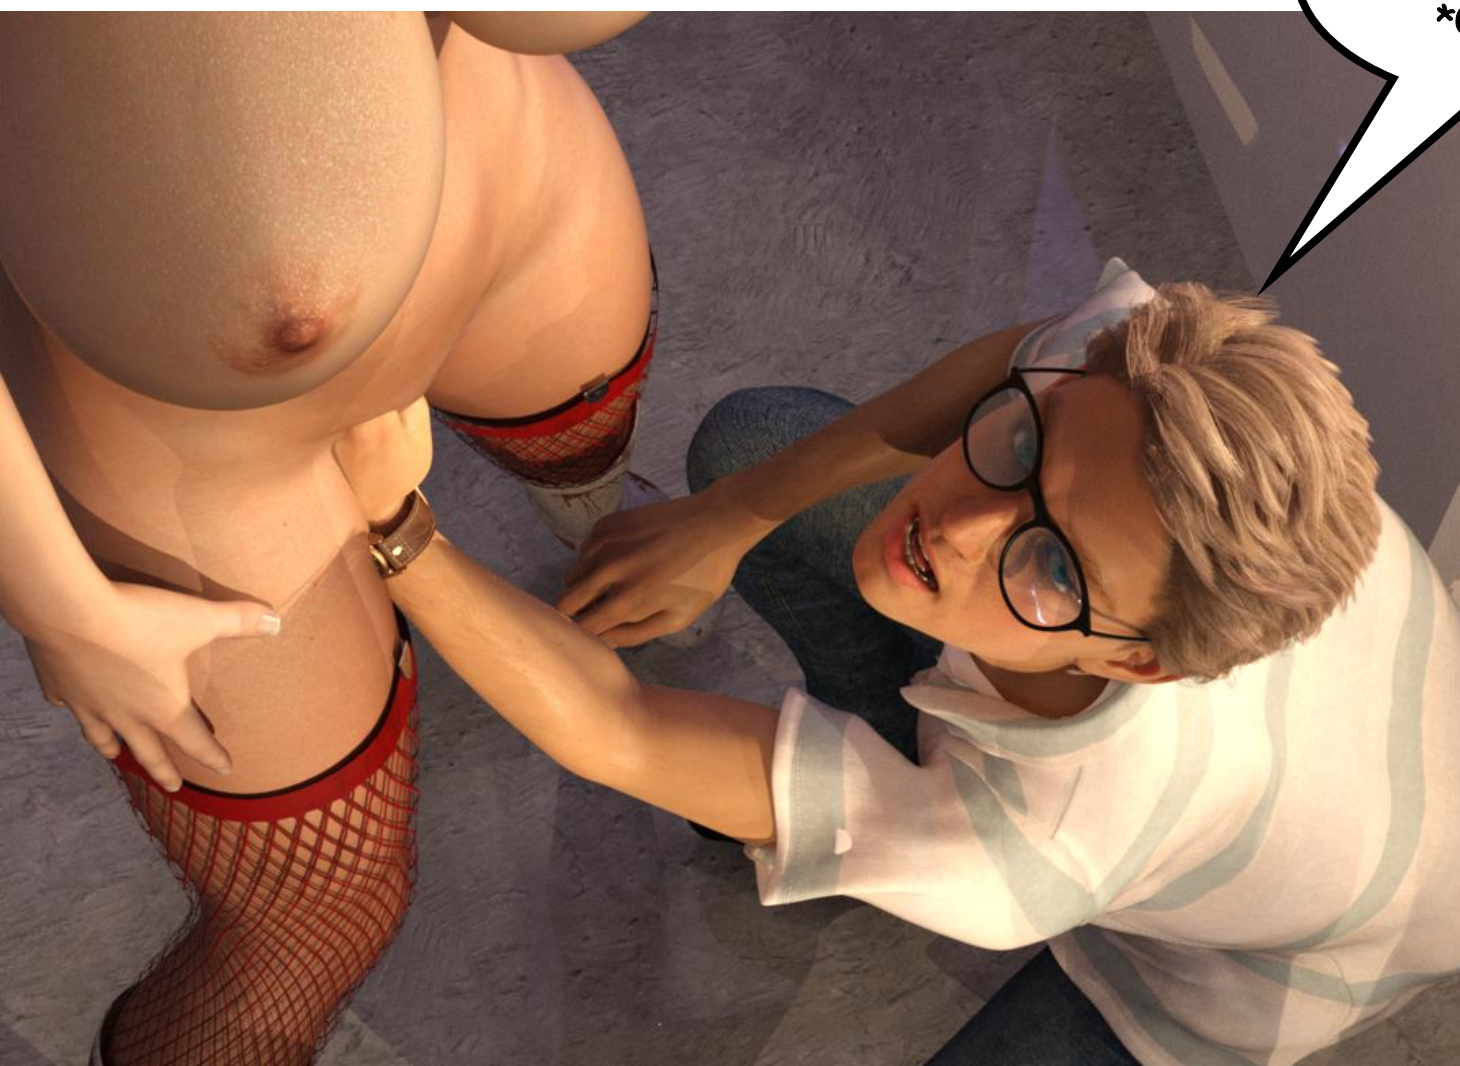

You are  
welcome.

Man. I wish I  
had that change  
applied to me.

Well, better  
hope for the  
best then.

Let's see  
what Sierra  
has in store  
for you.

Nobody said  
we had to go  
roundabout.

In fact, I  
have a great  
idea for you,  
Jessica!

LEXI, please  
turn Jessica's  
hair blonde.

Wait!  
For real?

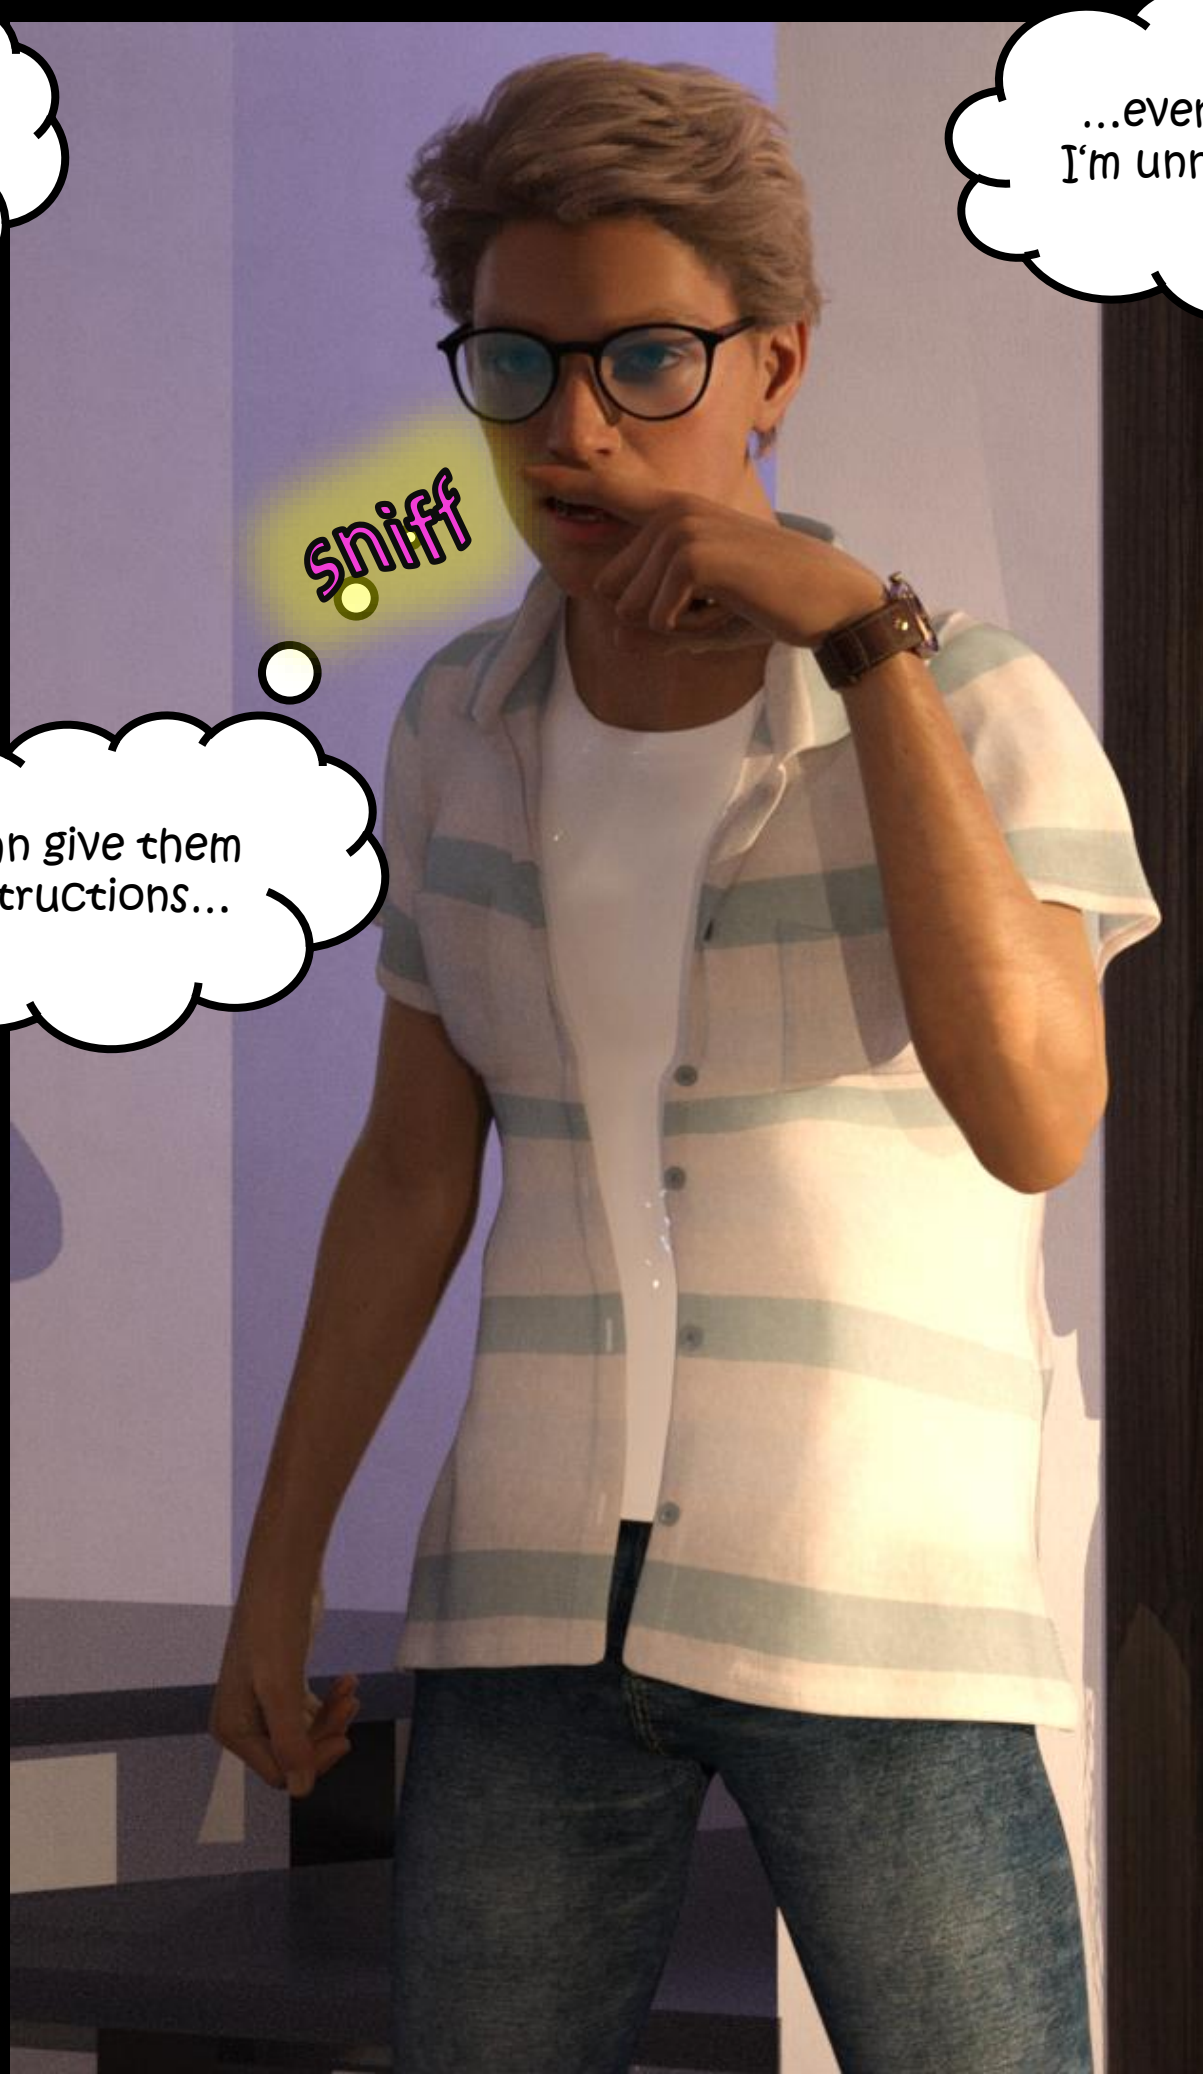

It's the universal acceptance mode!

I can give them instructions...

sniff

...even while I'm unnoticed!

slurp

I'm basically the  
Game Master  
here!

They'll do  
anything I tell  
them to!

Well... it's  
① not awful I  
guess...

But it does  
not fit my skin  
tone, I think.

Well, we can  
② always change it  
back anyway.

At least we've  
seen your blonde  
side now.  
\*giggle\*

It's your  
③ turn again,  
Jess.

I remember you saying you had to keep your nails short for cheer practice.

Guess that's one reason for choosing that costume as well.  
\*giggle\*

*Affirmative.  
Replacing artificial  
nails with natural  
ones...*

Yeah... also my nails kinda suck...

Well... LEXI, give Gina some natural, long strong fingernails.

Thank  
you!

You truly  
know what  
we want!

O.M.G.!!  
You are so  
good at this  
game, Jess!

You are  
welcome.

Who cares  
about nails?  
These boobs  
are amazing!

jiggle

grobe

A few minutes later, I've detached from Gina's rack... now she's totally infatuated with clacking her new nails on the table... and I just wish she'd continue the game already.

I always wanted to do this!! \*giggle\*

But it's your turn, you know?

Yeah... I'm glad you like them...

But thankfully, Jess feels the same and urges her to continue playing.

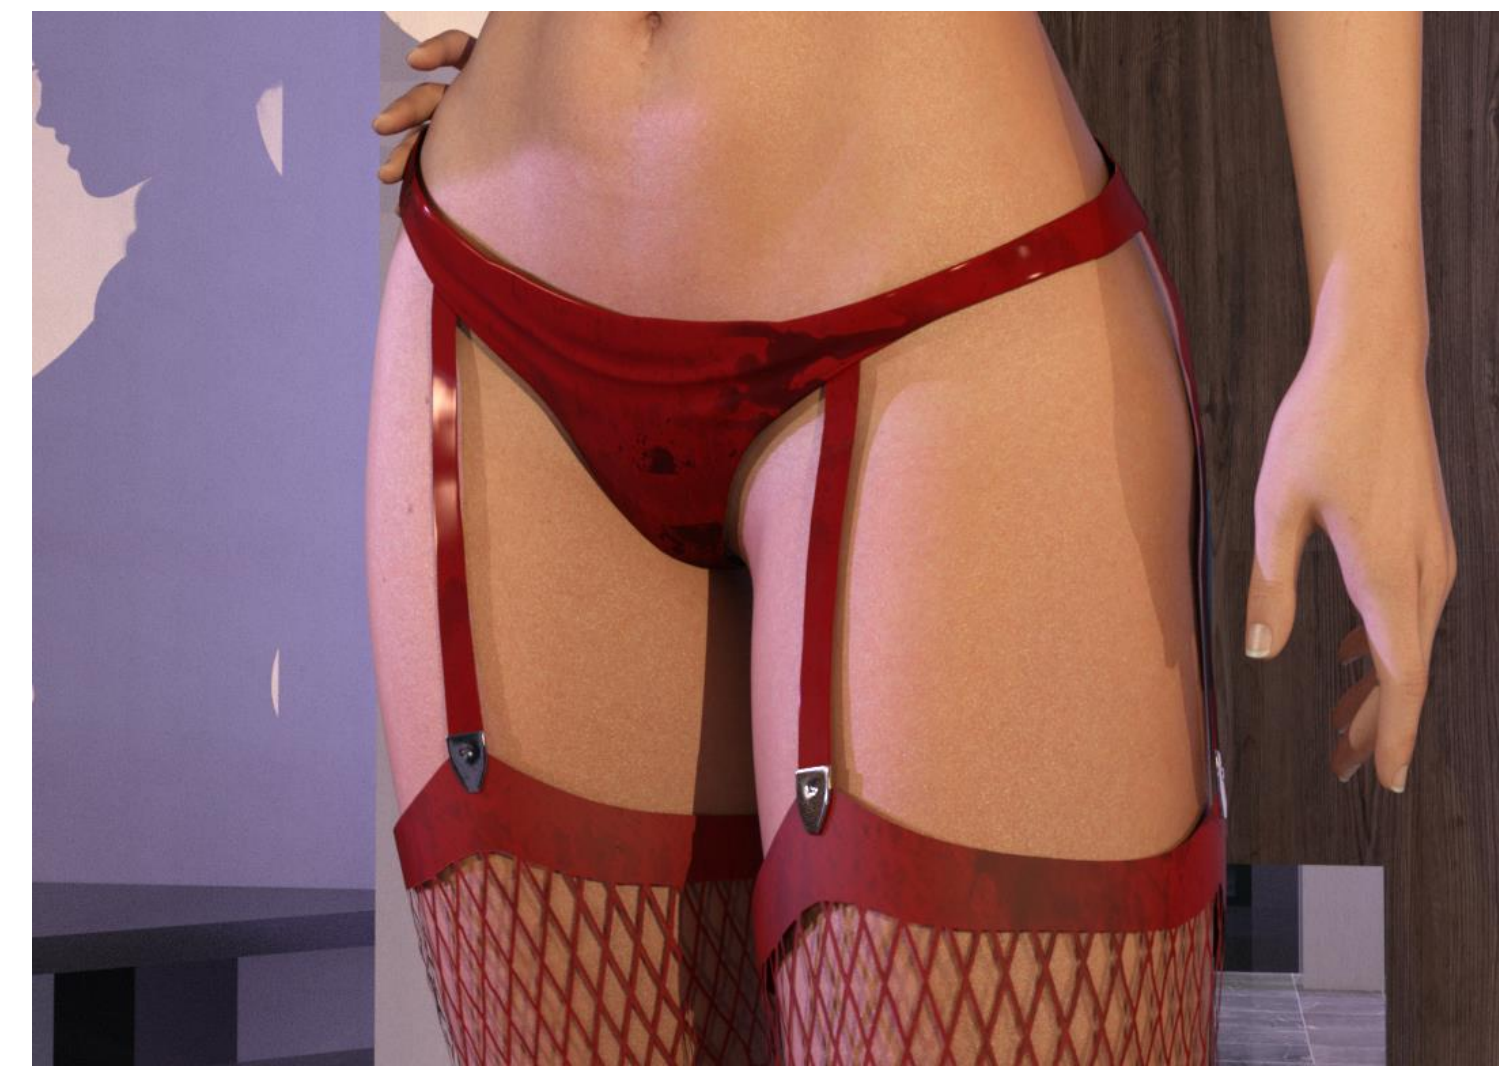

Sierra, you now  
have the top  
curves... Let me  
help you with the  
rest.

Oh, right.  
**Sorry!**

LEXI, give Sierra  
an awesome waist  
and some sexy,  
round hips.

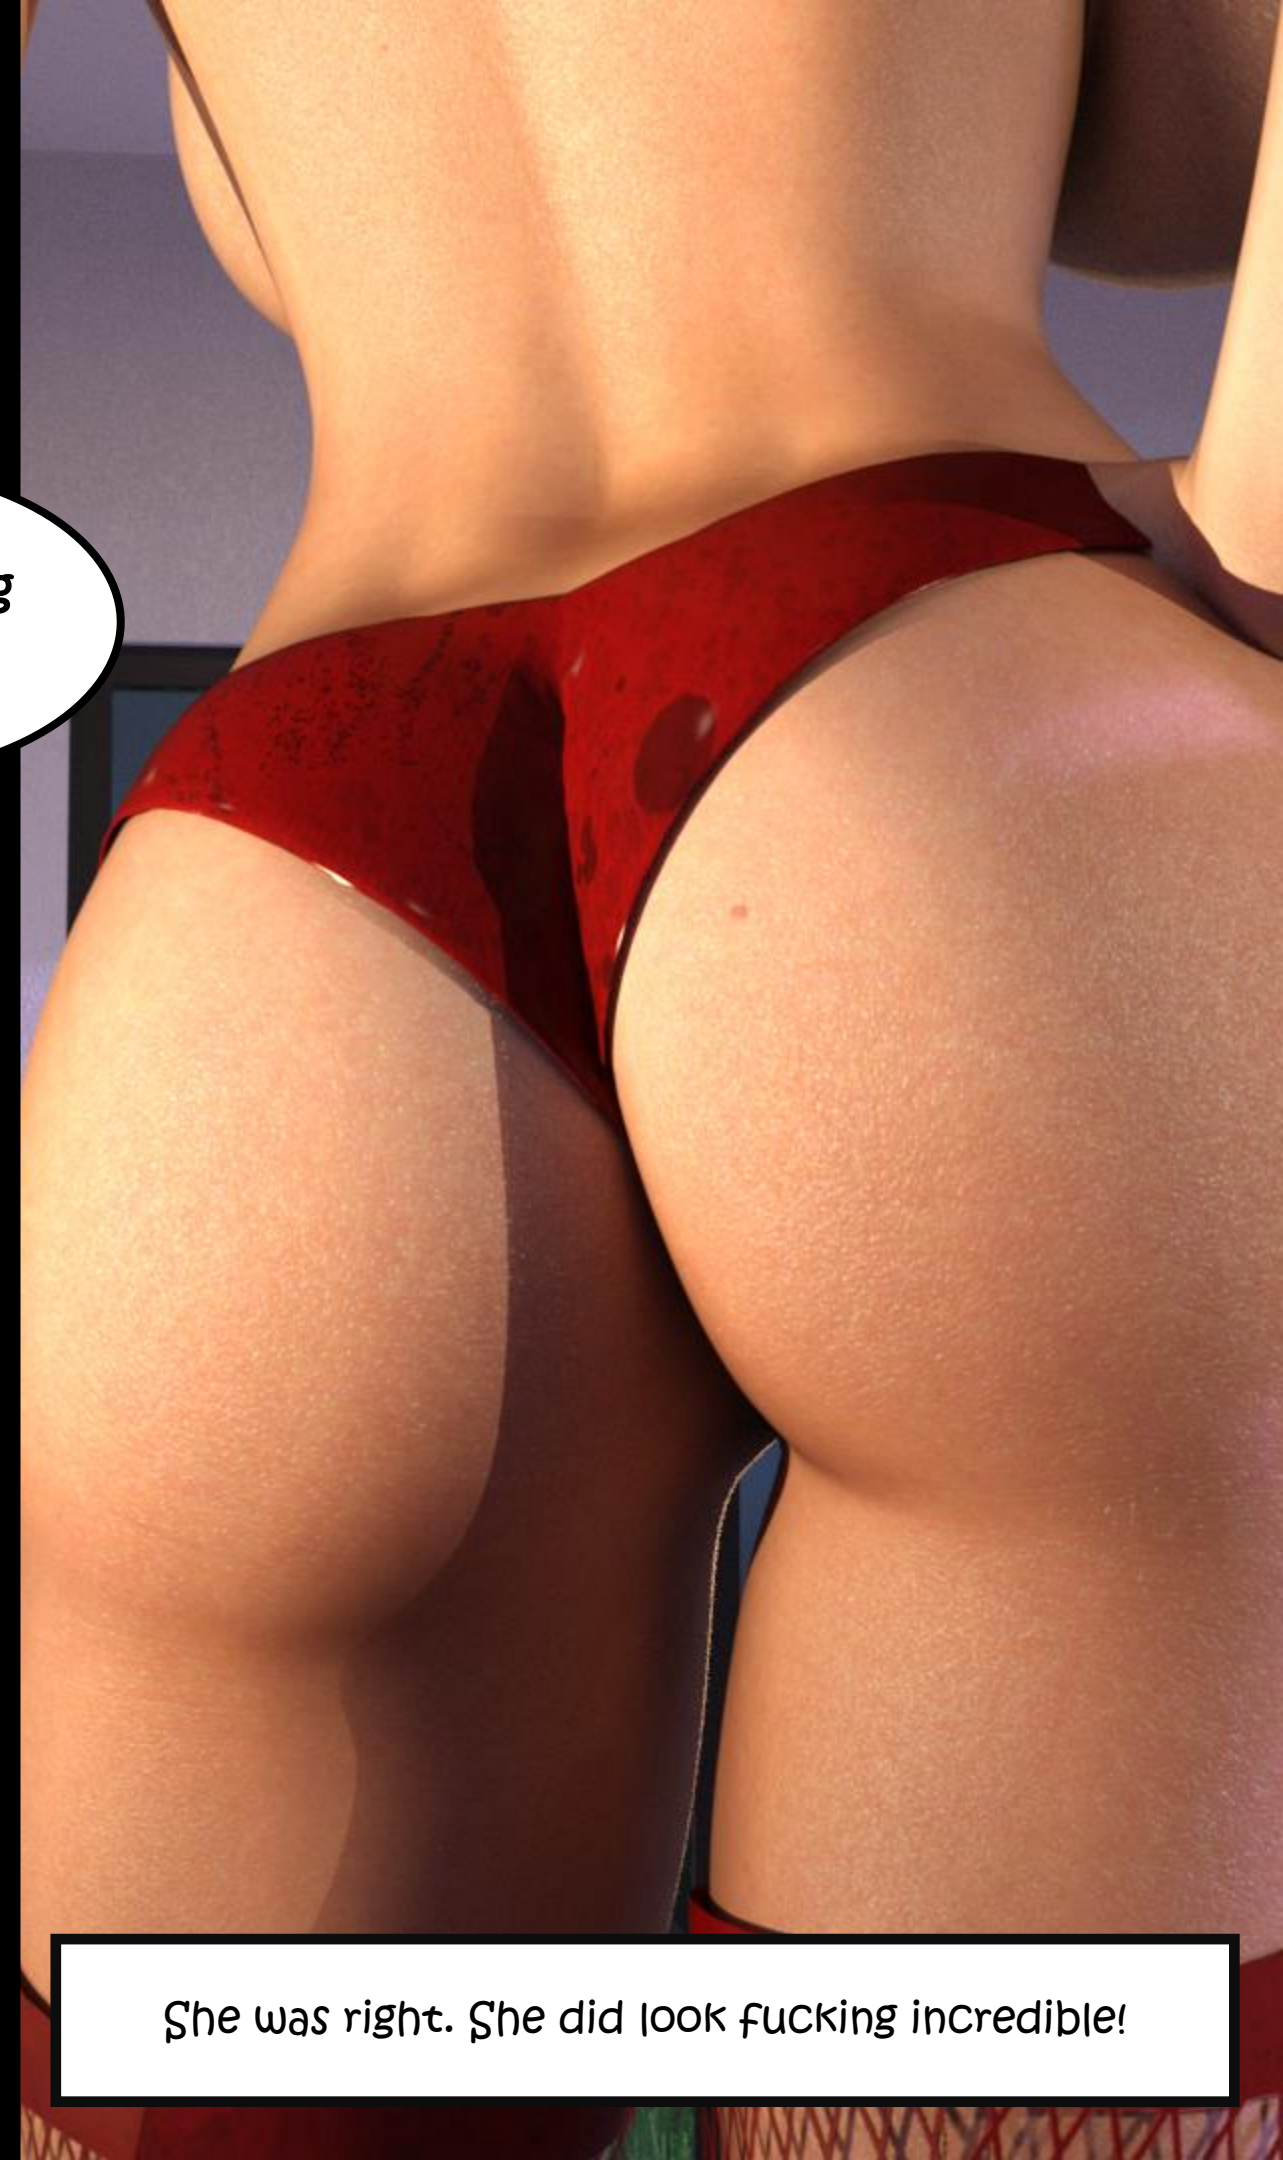

*Affirmative.  
Narrow waist...  
wider hips...  
Target Sierra.*

Sierra has always been a target of my secret affection... but look at that body now! Holy smokes!

Now, I did Jess before. Let me see if I can come up with something better for you, Gina...

AH, got it!  
Remember that  
Asian chick you  
showed me a video  
of on YouTube?

Chiara?  
She's so flexible!  
Oh, my god! Are  
you making me as  
flexible as her?

Good idea.  
Turn her into a  
petite, delicate  
Asian chick!

LEXI, turn Gina  
into a petite and  
delicate Asian  
chick.

Huh?

What the fuck?

Affirmative  
Initiating ethnicity  
change...

giggle

chuckle

You little Bitch!

You'll pay for this, Sierra!

We must not do anything rash...

Calm down, Gina!!

Calm down?!

She was furious with her friend's betrayal and ready to retaliate. This was about to get fun!

But my stupid stepsister  
had to stop her...

Look at  
these fragile  
arms!

I'm weak  
as fuck  
now!

Oh,  
Gina...

I'm a  
midget!

As my sister tried to calm her down, I lifted Gina up. I always wanted to lift a girl... and until I have LEXI increase my muscles, this was my best chance. \*chuckle\*

Wow!  
She really doesn't weigh much!

I'm sure Sierra did not mean it like that.

I put Gina back down, and watched the chaos unfold in front of me...

Oh, come on, Sierra! Adding fuel to the fire? Really?!

Awww. Just look at her. Little Gina really is just a tiny munchkin now. \*chuckle\*

You gotta take into account that she's wearing 10-inch heels and you are barefoot, Jess.

Oh, really?  
How's the air  
down there?

I will get you  
for that,  
Sierra!!

This isn't good! I  
need to de-escalate  
the situation  
ASAP!

While Gina and Sierra were fighting, I whispered into Jessica's ear... not that I'd need to whisper... just felt kinda more mischievous. 😊

*\*whisper\**  
If Gina can't talk right, she can't use LEXI.

You should complete the stereotype and make her only talk in broken English.

Meh, party  
pooper!

Girls, calm  
down, please.

Sierra, I understand  
you wanted to try  
something new with  
reversing the roles  
and stuff.

But Gina  
clearly does  
not like it.

And I'm afraid she  
might retaliate and  
do something stupid,  
so let me fix this  
situation right now!

LEXI, please change Gina so she can only speak in broken English and act like some stereotype asian exchange student from those movies.

Affirmative.  
Rewiring speech  
and language  
patterns...

WHAT?!

Oho!

Giggle

Accessing  
language  
center...

Overwriting  
behaviour... initiating  
more submissive  
persona...

You two  
very bad! So  
mean!

You not nice!

I no like this,  
no like you  
now.

O.M.G.!!  
So cute!

Gina's speech and personality got turned upside down with that last change. I mean, she was still hell'a pissed about her transformation, but she was so bad at expressing it... **It was hilarious!**

Was this really the best solution?

LEXI, do... Sierra go giggle much. Brain... no think good. Like silly, yes?

Frantically Asian Gina tried to get LEXi do her bidding...

Playing "Silly girl" now...

Huh?! No!

With only little success. \*chuckle\*

Ugh, why you no get?!

clonk

You do Sierra...  
change? She go  
haha, like no real-  
smart... like  
bimbo, ya?

The word "Bimbo"  
describes an  
attractive but  
unintelligent or  
frivolous young  
woman.

It was obvious what she was trying to  
do... for me that is. But LEXI had  
too much trouble understanding her.

But I actually liked where Gina was going with this... so why not help her a little bit?

Affirmative...

LEXI, Gina is trying to have you turn Sierra into a Bimbo. Help her out a little bit.

Oh, god...  
Are you...  
okay, Sierra?

What I done,  
huh?! What I  
done?!

Oh, Gina,  
what have  
you done...

From here on out, my sep sister and her now  
Asian friend Gina had a shouting match...

Shut up  
mouth!

Oh,  
my!

You are  
crazy!

Sierra not  
likes fighting.

...

You should use  
LEXI to have them  
make love instead  
of war.

Moments later, the instructions were issued and LEXI was set...

Huh?

Nani?

Affirmative...  
Targets Jessica  
and Gina should  
make love, not  
war.

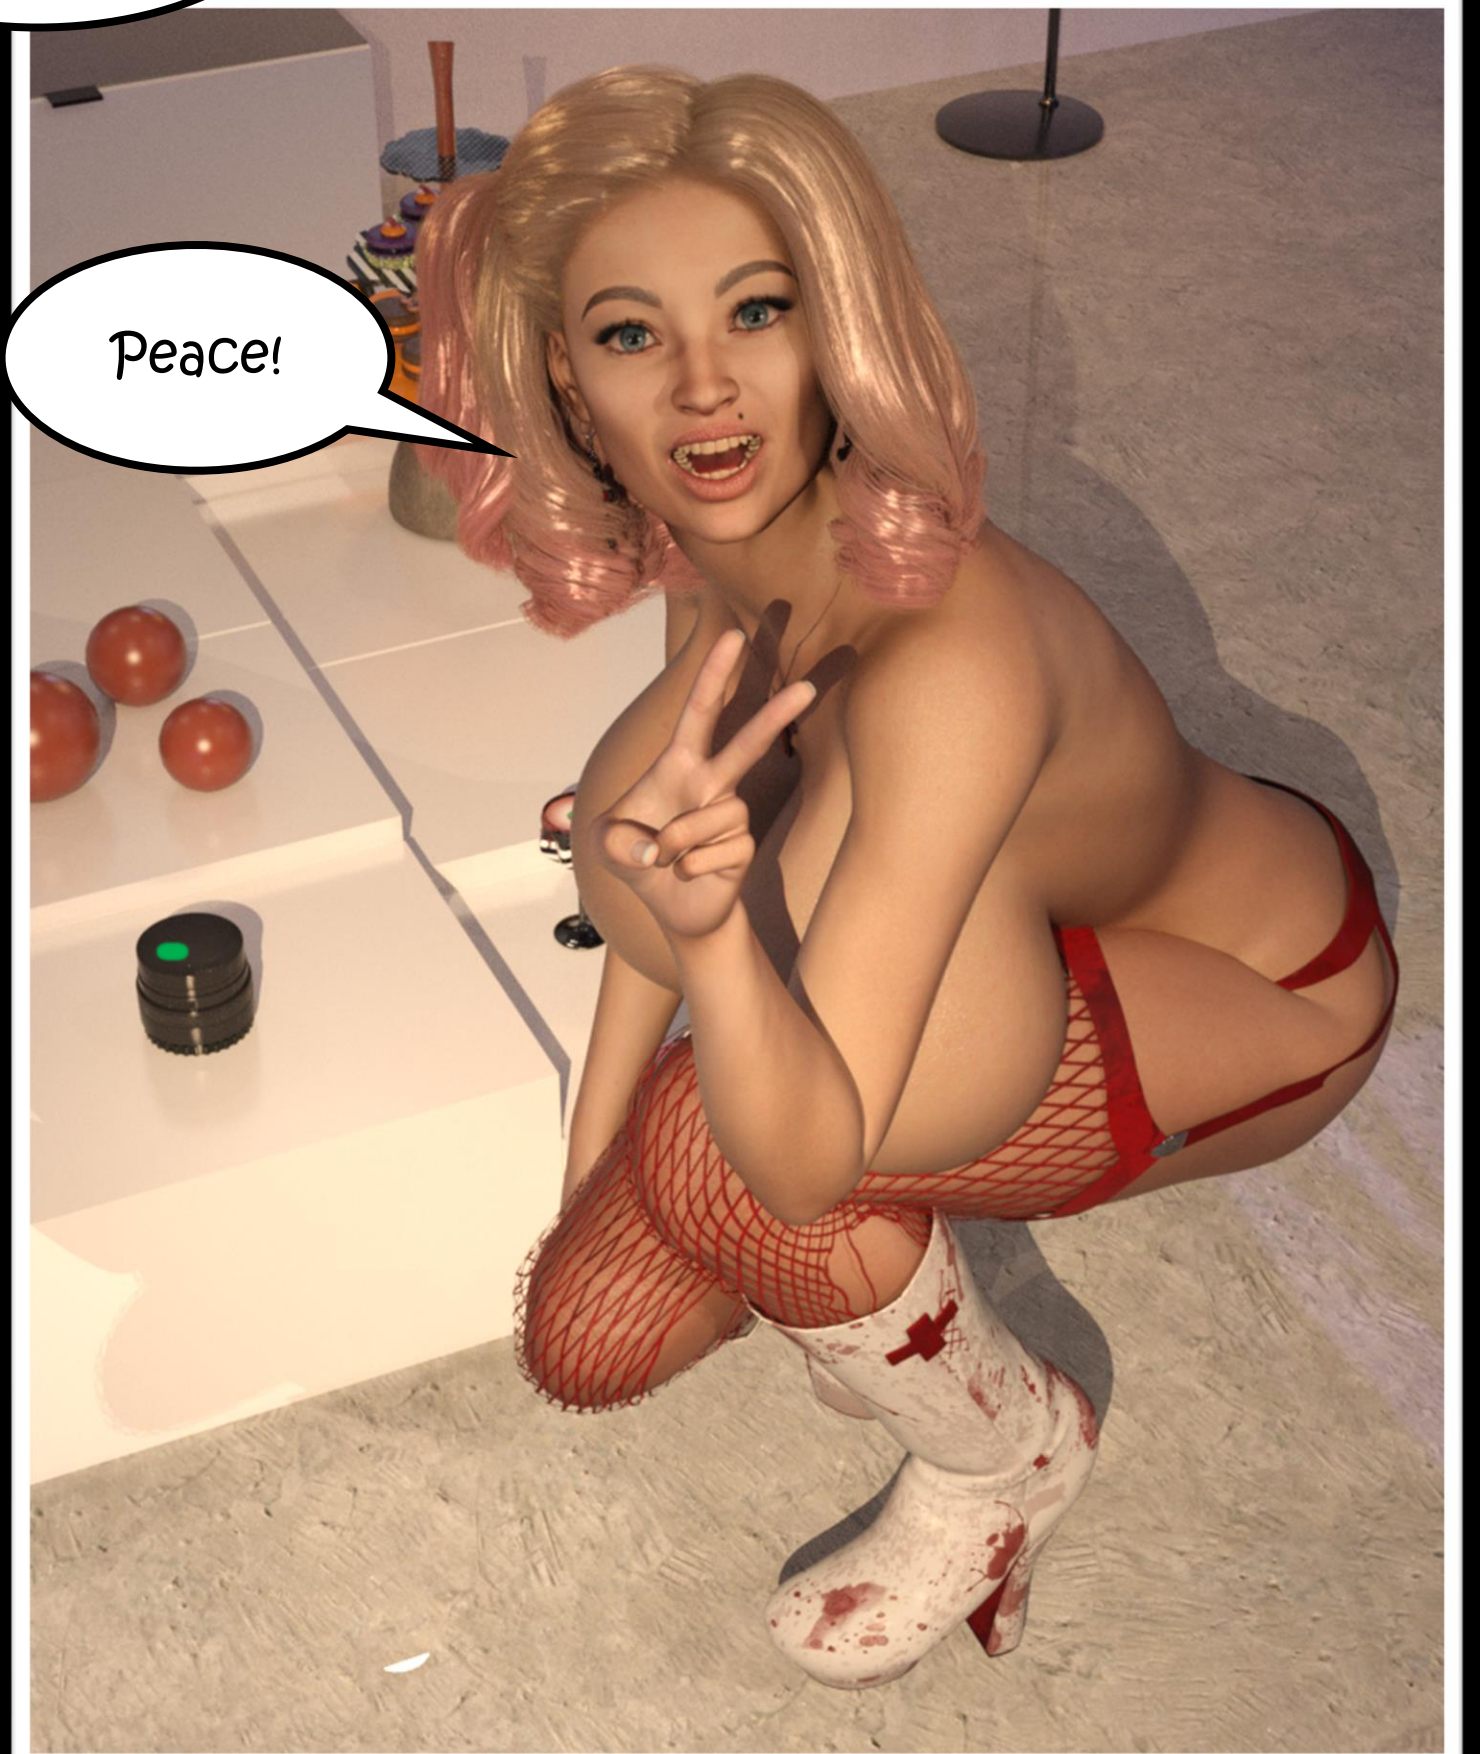

Jess and Gina were quite shocked...

Sierra?!  
What did you  
do?!

Sierra?! You  
do this?! Why  
you do this?!

Peace!

But there was nothing they could do about it...

I don't know!

What I do?  
What WE do, huh?!

Me neither!

Me no can stop!

makeout

I should like totally  
lose the panties and  
bend over the sofa  
while watching  
them!

Great work, Sierra!  
Now strip the  
panties again and  
bend over the sofa  
while watching them.

Like, this is  
soooo much  
better, teehee!

Slowly, Sierra pulls down her panties while my stepsister  
and her friend are still locked in a deep kiss.

Having removed her  
panties, Sierra hums a  
happy melody as she  
moves behind the  
couch...

humming

And bends over the couch watching her friends finally getting along again... kinda.

I'm like, sooo happy you two get along now, hehe!

*Make out*

Groan

And that's how  
I wound up in  
this situation...

My cock buried  
deeply in my step  
sister's best  
friend's pussy...

While she and  
her Asian-  
turned friend  
are forced to  
make out...

Oh yeah...  
about that...

LEXI, turn my  
stepsister and  
her friend Gina  
into lesbian  
lovers.

Urgh...  
Mhhh!

End of Chapter

# Thank you for reading!

Hello, Hexxet here,

With this, we have recapped all the girl chapters and established why the girls went so overboard with their “wishes” for one another. Mika was in control all this time!

I hope this chapter was not too repetitive. It did contain several page copies from previous chapters, but there were a lot of new pages as well. Anyway, the next chapter will continue with Mika directly using UA-Mode and LEXI on the girls. 😊

If you like my comics, please consider supporting me on Patreon. I need your support to keep creating more Magic-Control comics! 😊
