Bad omen foretell the demon lord
Malgerath's rise in the west...

It was prophesied that nothing would be
able to stop his onslaught...

Nothing ... but a princess
devoid of fleshly sin...

Princess Aurelia van Lorenthar
answers the prophecy's call...

And the quickest way to set said prophecy in motion...
leads her party through „his“ domain...

It's a stormy night...

A beautiful woman urges her white horse to haste...

Heya!

Her entourage – several men and women armed to the teeth... The mood is tense.

Even the weather
wants us to leave!

Darn! I'm wet
to the bone.

What do you expect?
It's the dark mage's
realm!

You mean it's always
like this here?

We shouldn't
have come...

Princess, we can still
turn around...

Pull yourself
together!

We can't turn
back now.

Heya!

The woman shuts her companions' nagging down and gallops toward the dark castle on the horizon.

It takes almost another hour through heavy rain and muddy terrain, but finally the group reaches the grim-looking stronghold.

Finally... Duskmoore Castle...

Maybe you should sheath that sword, Roman...

Says the one clutching her bow so tight?

If they turn on us, we are trapped in here...

FUCK!

Let's hope it does not come to that...

These horned Valkyries are
watching our every step.

I don't like
this at all...

Shut up and don't
give them a reason
to turn on you!

Meanwhile, deep inside a demon
girl's cu... I mean deep inside the
dark castle...

Oh, master! Your magnificent cock
feels so big in my slick, throbbing
demon cunt!

Guests have
arrived!

Who is it?

City Dwellers, my
lord. They seem to
be of noble lineage,
and they want to
talk. It seems they
have brought...
gifts.

Well...Prepare the
Throne room...

Half an hour later, the
heroes are led into the
throne room...

Is that a tail?

Shhht! She is a
dragonfolk. They
have sensitive ears!

So that's the
dark mage...

How ruthless does one
have to be to unite all
these demons and
monsters under one
roof...

Leave the talking to
me, you guys -
Hopefully, he takes
the gold.

City dwellers...

What brings a whole group
of you into my domain?

Kaelen, the dark mage - A powerful but perverted man, who cares about nothing but his own gains... Or so people say. Desperate individuals sometimes travel to his castle with sexual offerings to gain favors...

Noble lord, we seek passage
through the trembling peaks.

We've prepared gold...

Ha-ha-ha...

Do I look like I'm
in need of more
gold, sorcerer?

My lord! Our mission is
of utmost importance.
A new demon lord
rises in the west...

I don't care for your struggles.
If you want something, you've
gotta offer something I want!

Milord, we've also brought something that might be more to... your tastes...

Why are we bringing those!? I don't like this!

Cause he's known for his deals in... this type of currency... I don't like it either, but think of the greater good...

Milord.

We are ...
gulp

Here to
serve you...

These are all prime
individuals, brought to you
from the southern shore...

Now that's what I call
entertainment. A priest
offering up slave girls.

But it seems you have
nothing of interest to me.
I've plenty of those already.

From the ranks of adventurers, Aurelia rises...

And walks towards the
dark throne...

Milord, I'm sorry for
our disrespect.

With dignity,
she kneels down
in front of the
throne...

I am Aurelia
Van Lorenthar,
the leader of
this band of
adventures.

Woah!

As my fellow in red mentioned, our mission is of utmost importance. And safe passage through the shivering peaks will hasten our progress a lot.

So please, tell us your wants and we will give our best to meet your expectations.

It seems you have
something I want
after all...

Your body!

Huh?

Before her followers' shock turns to disrespect, Princess Aurelia sets her deep blue eyes on the dark mage and speaks in a steady voice.

Milord, I'm flattered by your interest in my form.

But to fulfill the ancient prophecy that has been bestowed upon us, this flesh of mine has to stay pure until these hands of mine have vanquished the demon lord.

What the hell
is wrong with
this guy?

... Then pay up later.

I'll grant you passage,
and we fuck when your
quest is done.

Then we
have a deal,
oh great
mage.

Preposterous!

WHAT?!

And so, a deal
was struck...

I took their
slaves as well...

As collateral...

The slavers of the
southern coast have
decent tools to make
them obedient...

But I have my own
magic to make them
eager!

How may I serve
you, Master?

And so, tonight, I enjoyed these new additions to my harem.

I'm wet and ready, Master.

Moan

Oh lord, you feel so big!

For tomorrow, I'll lead the
princess Party through
the shivering peaks.

End of Chapter

Hello, Hexxet here,
I hope you liked this introduction
chapter of this new series of mine.
This will be a story-heavy series that
will have romantic elements in it. But
with our protagonist's personality
and powers, there will always be
room for some MC action. 😊

Anyway, the adventure starts from
here on out. The series is planned to
be around 6 chapters. But no
promises :P.
