Previously on „The lost Temple“:

Mikael, a young archeology student, has learned how to use magic. Among his repertoire of spells: The Vasta Spell. A simple spell to open things at first glance, but when combined with other techniques, it is able to open the mind and influence another person!

Let's join Mika as he and Liz, one of his girlfriends, go and visit the local public pool...

It's a nice sunny day and the public pool at the outskirts of town looks inviting...

Looks like a nice and calm day.

Today I've invited Liz to the pool. These past days I've been pretty busy with missions and magic training – It's nice to relax for once.

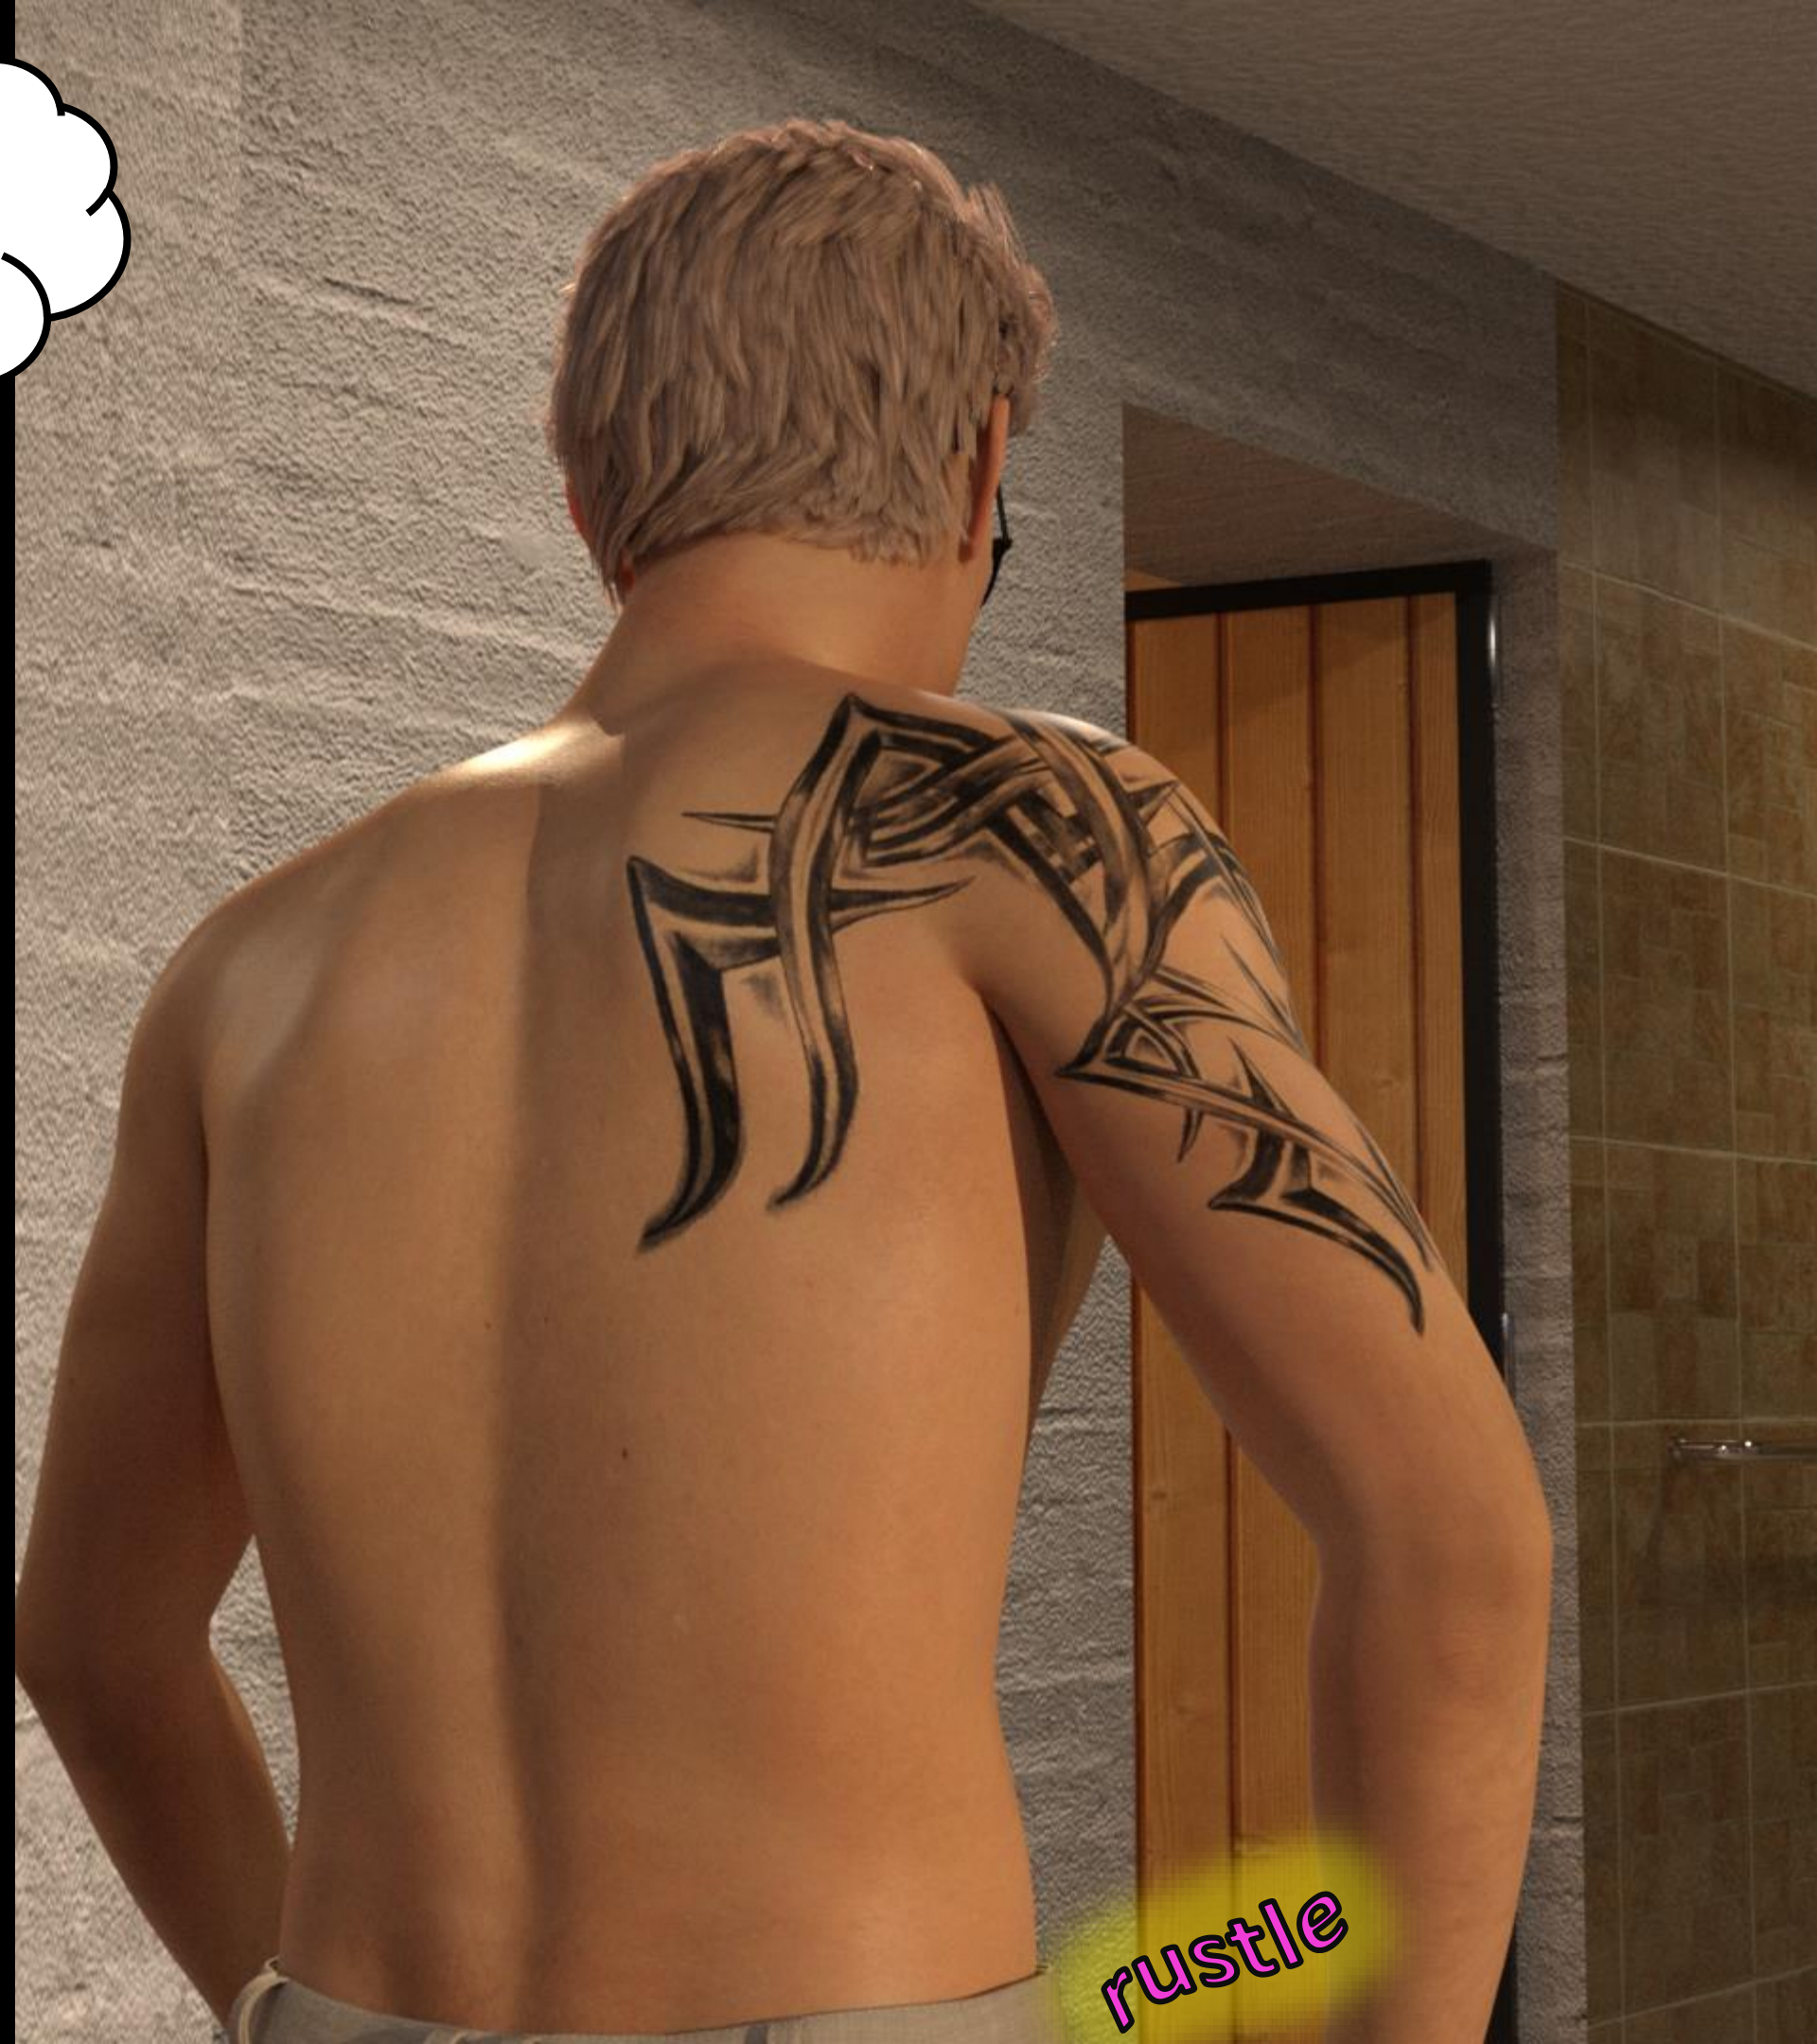

I start to change right there, as there is nobody besides us in the locker.

But Liz just sits there. I don't know what she was waiting for.

1 No need to lock up. I'm out here anyway.

2 Yeah, sure. *chuckle*

Today was about more than just relaxing at the pool... Liz was great... as a person... and in bed. But... she was kinda reserved... Heck, she would not even do it on the living room sofa to days ago, even though her mom would not return for the whole night!

Anyway, so Liz enters the cabin...

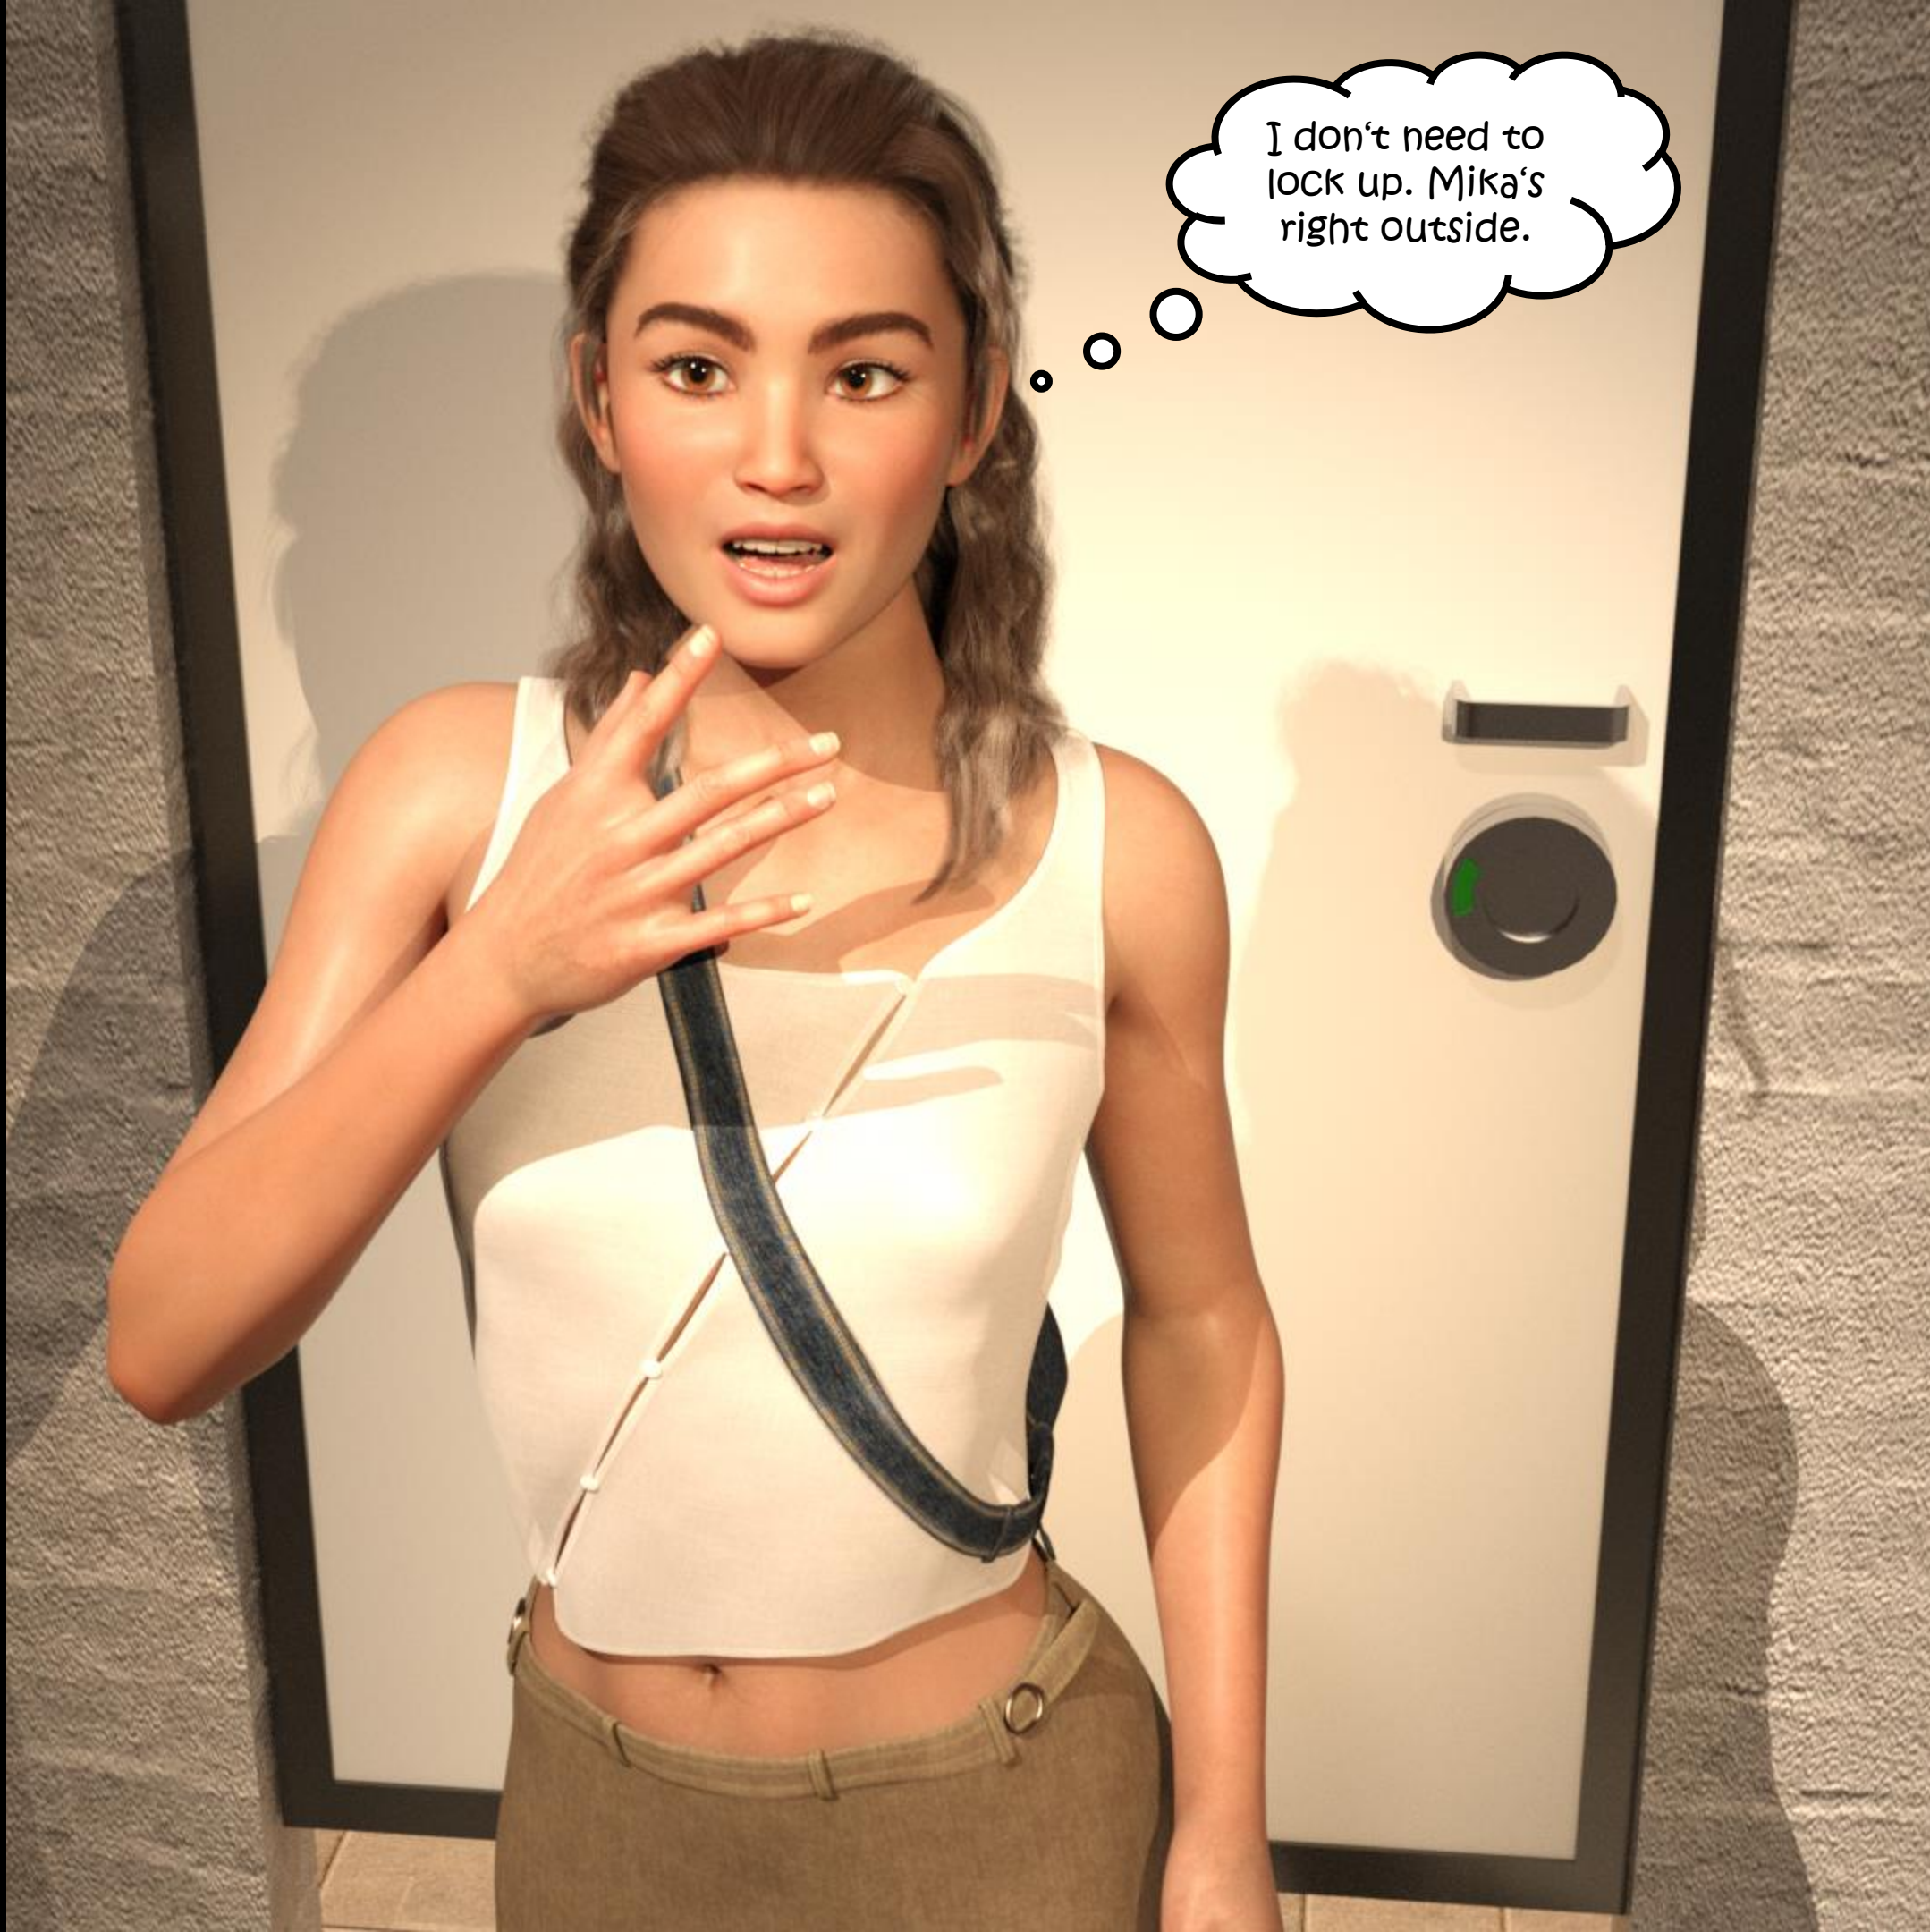

While I wait outside...

Already thinking
about my secondary
objective of getting
Liz to loosen up "a
little"...

Hm...
nah...

I don't need to
lock up. Mika's
right outside.

Huh?

What
the...

liiiikkkk

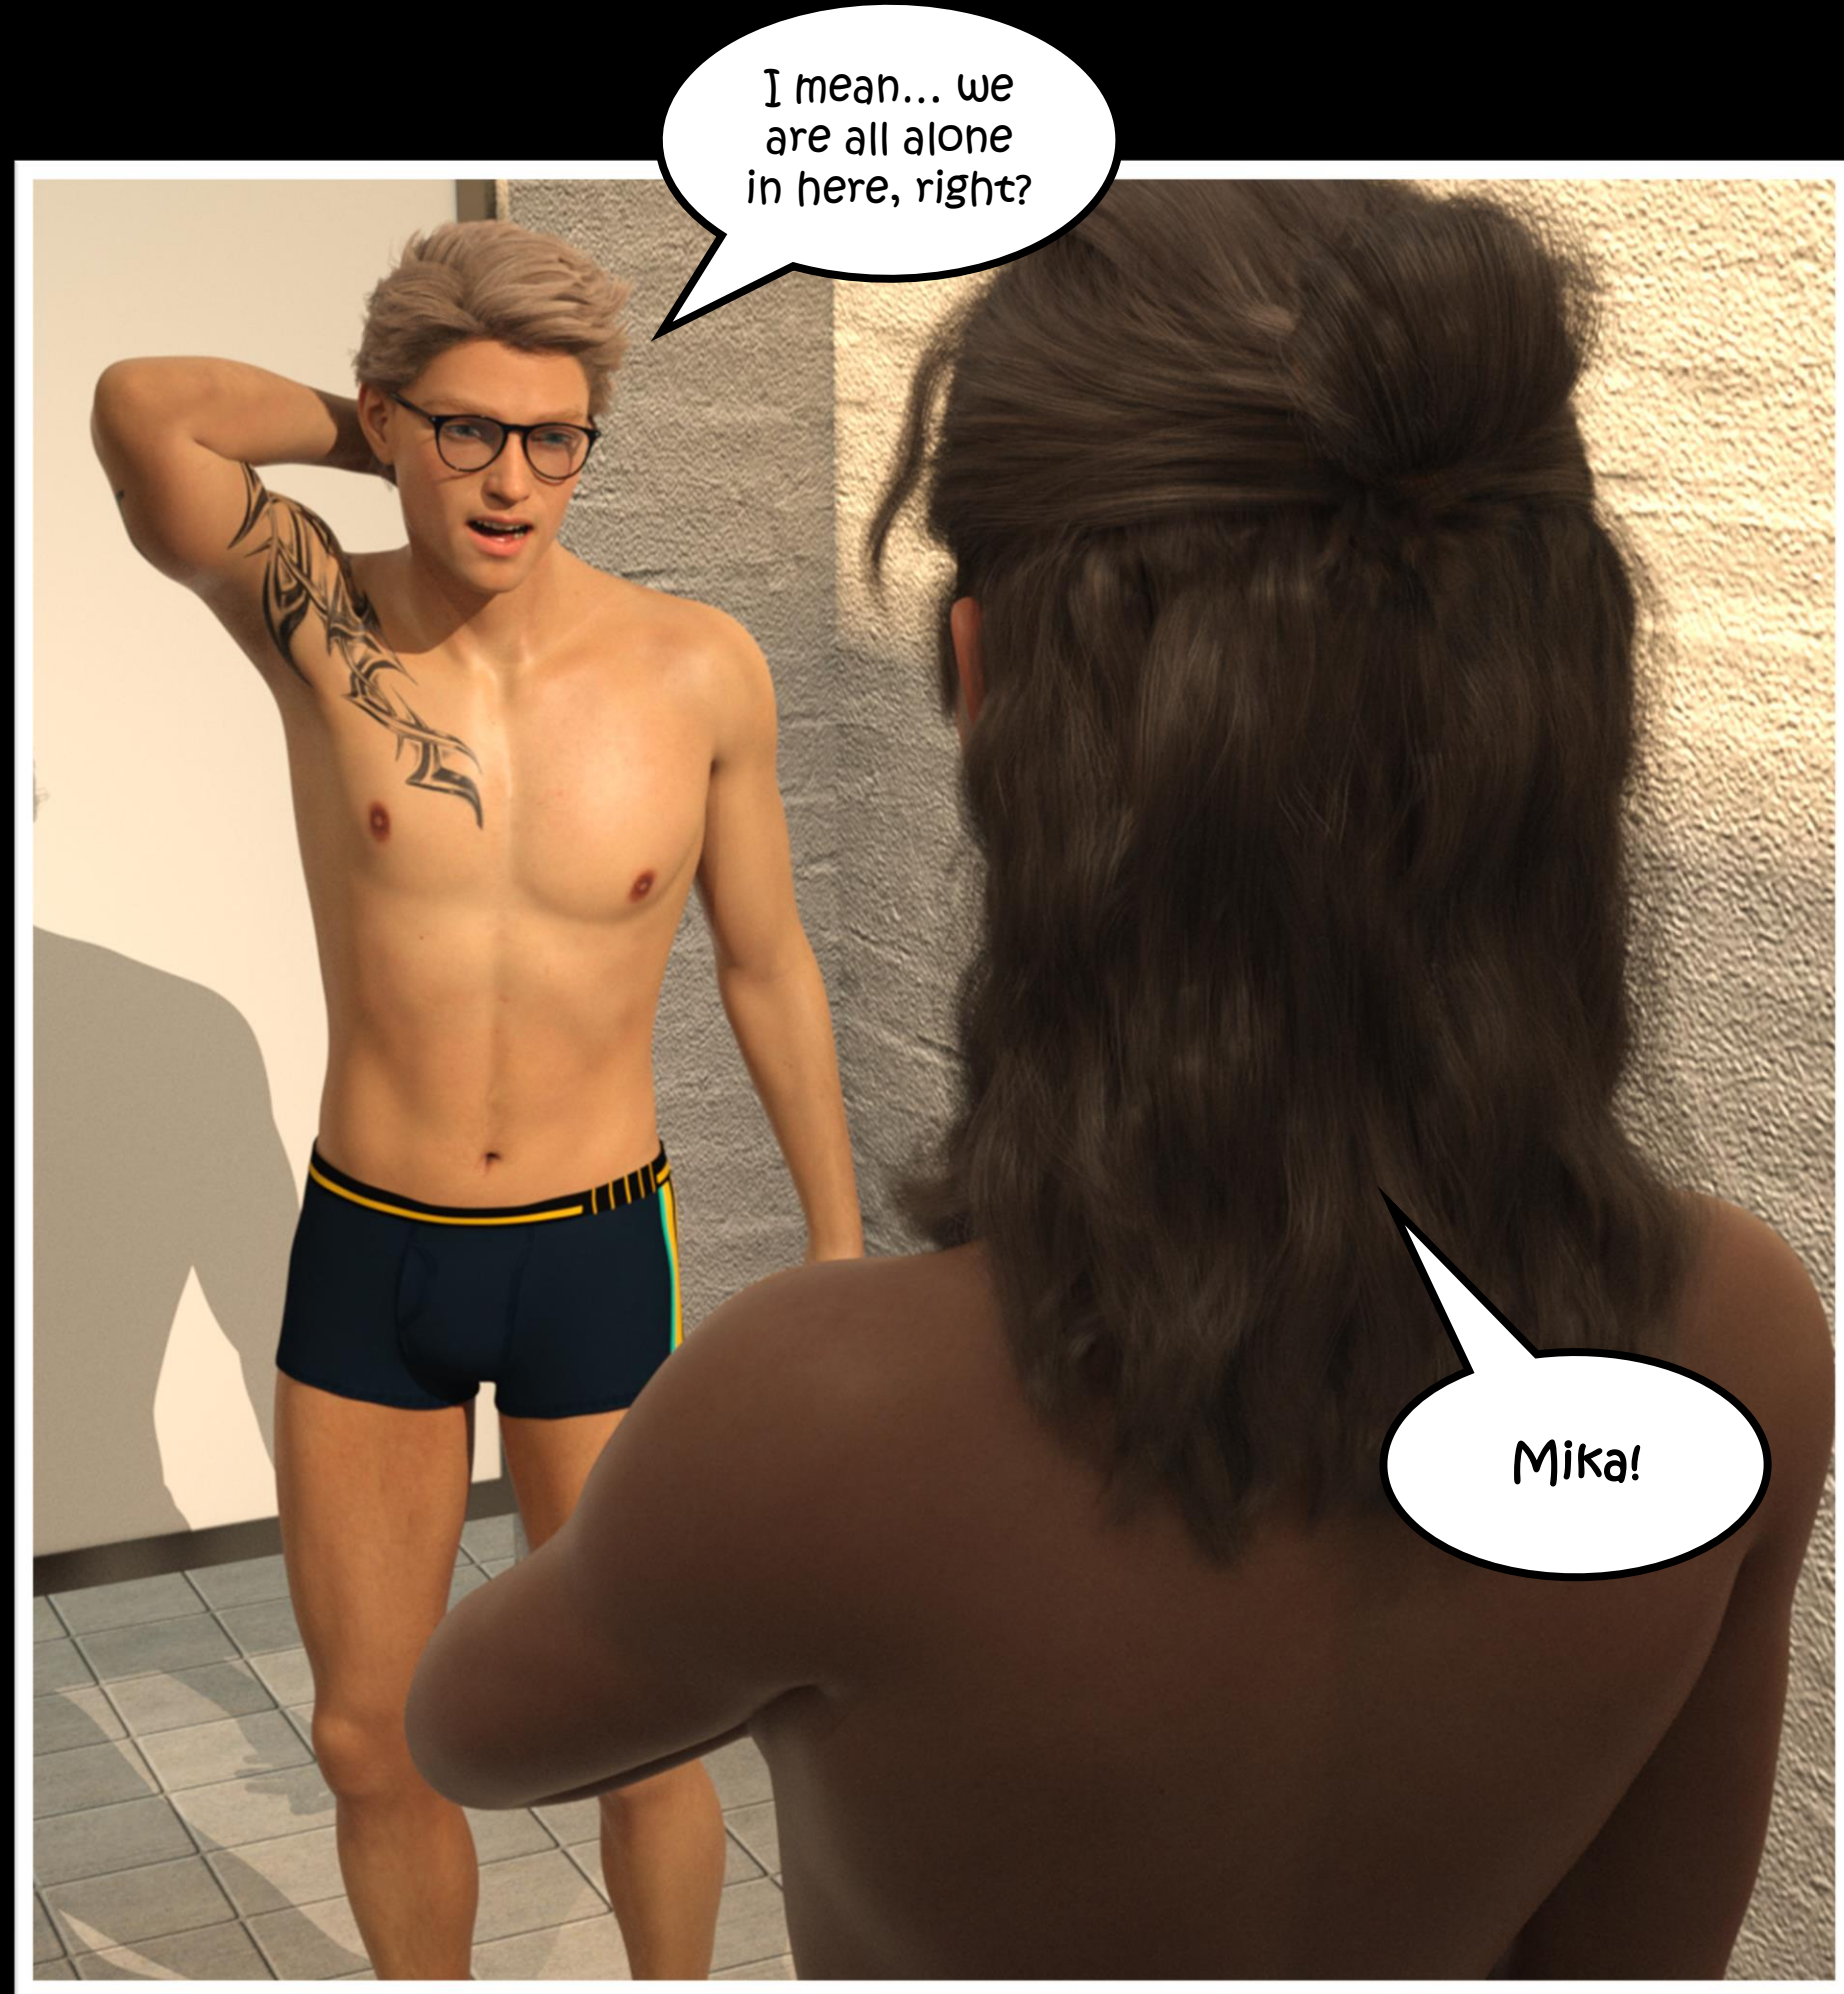

Huff!

You
startled me!

Sorry, babe.
I couldn't wait any
longer. I missed
you too much
already.

Ha-ha.
Very funny,
smooth talker!

Not here,
Mika!

We can do
it at home.

Don't
you think
it's hot?

Vasta
Mens!

Silently, I activate the Vasta
Mens spell as my hand caresses
her temple...

What?!

No, I don't!

The two of us in
here. People outside
not knowing what
we might be doing...

This get's you
really riled up,
doesn't it?

Urgh!
No! I'm not
interested in
that!

A woman with long, wavy brown hair and a surprised expression is shown from the chest up. She is standing in front of a textured grey wall with a white cylindrical object behind her. Two speech bubbles are present: one on the left with a green outline and one on the right with a black outline.

Nobody's gonna
know. Just us
two, in here,
enjoying ourselves.

Also, way too
dangerous! What
if somebody
caught us?!

Just us two...
enjoying ourselves...

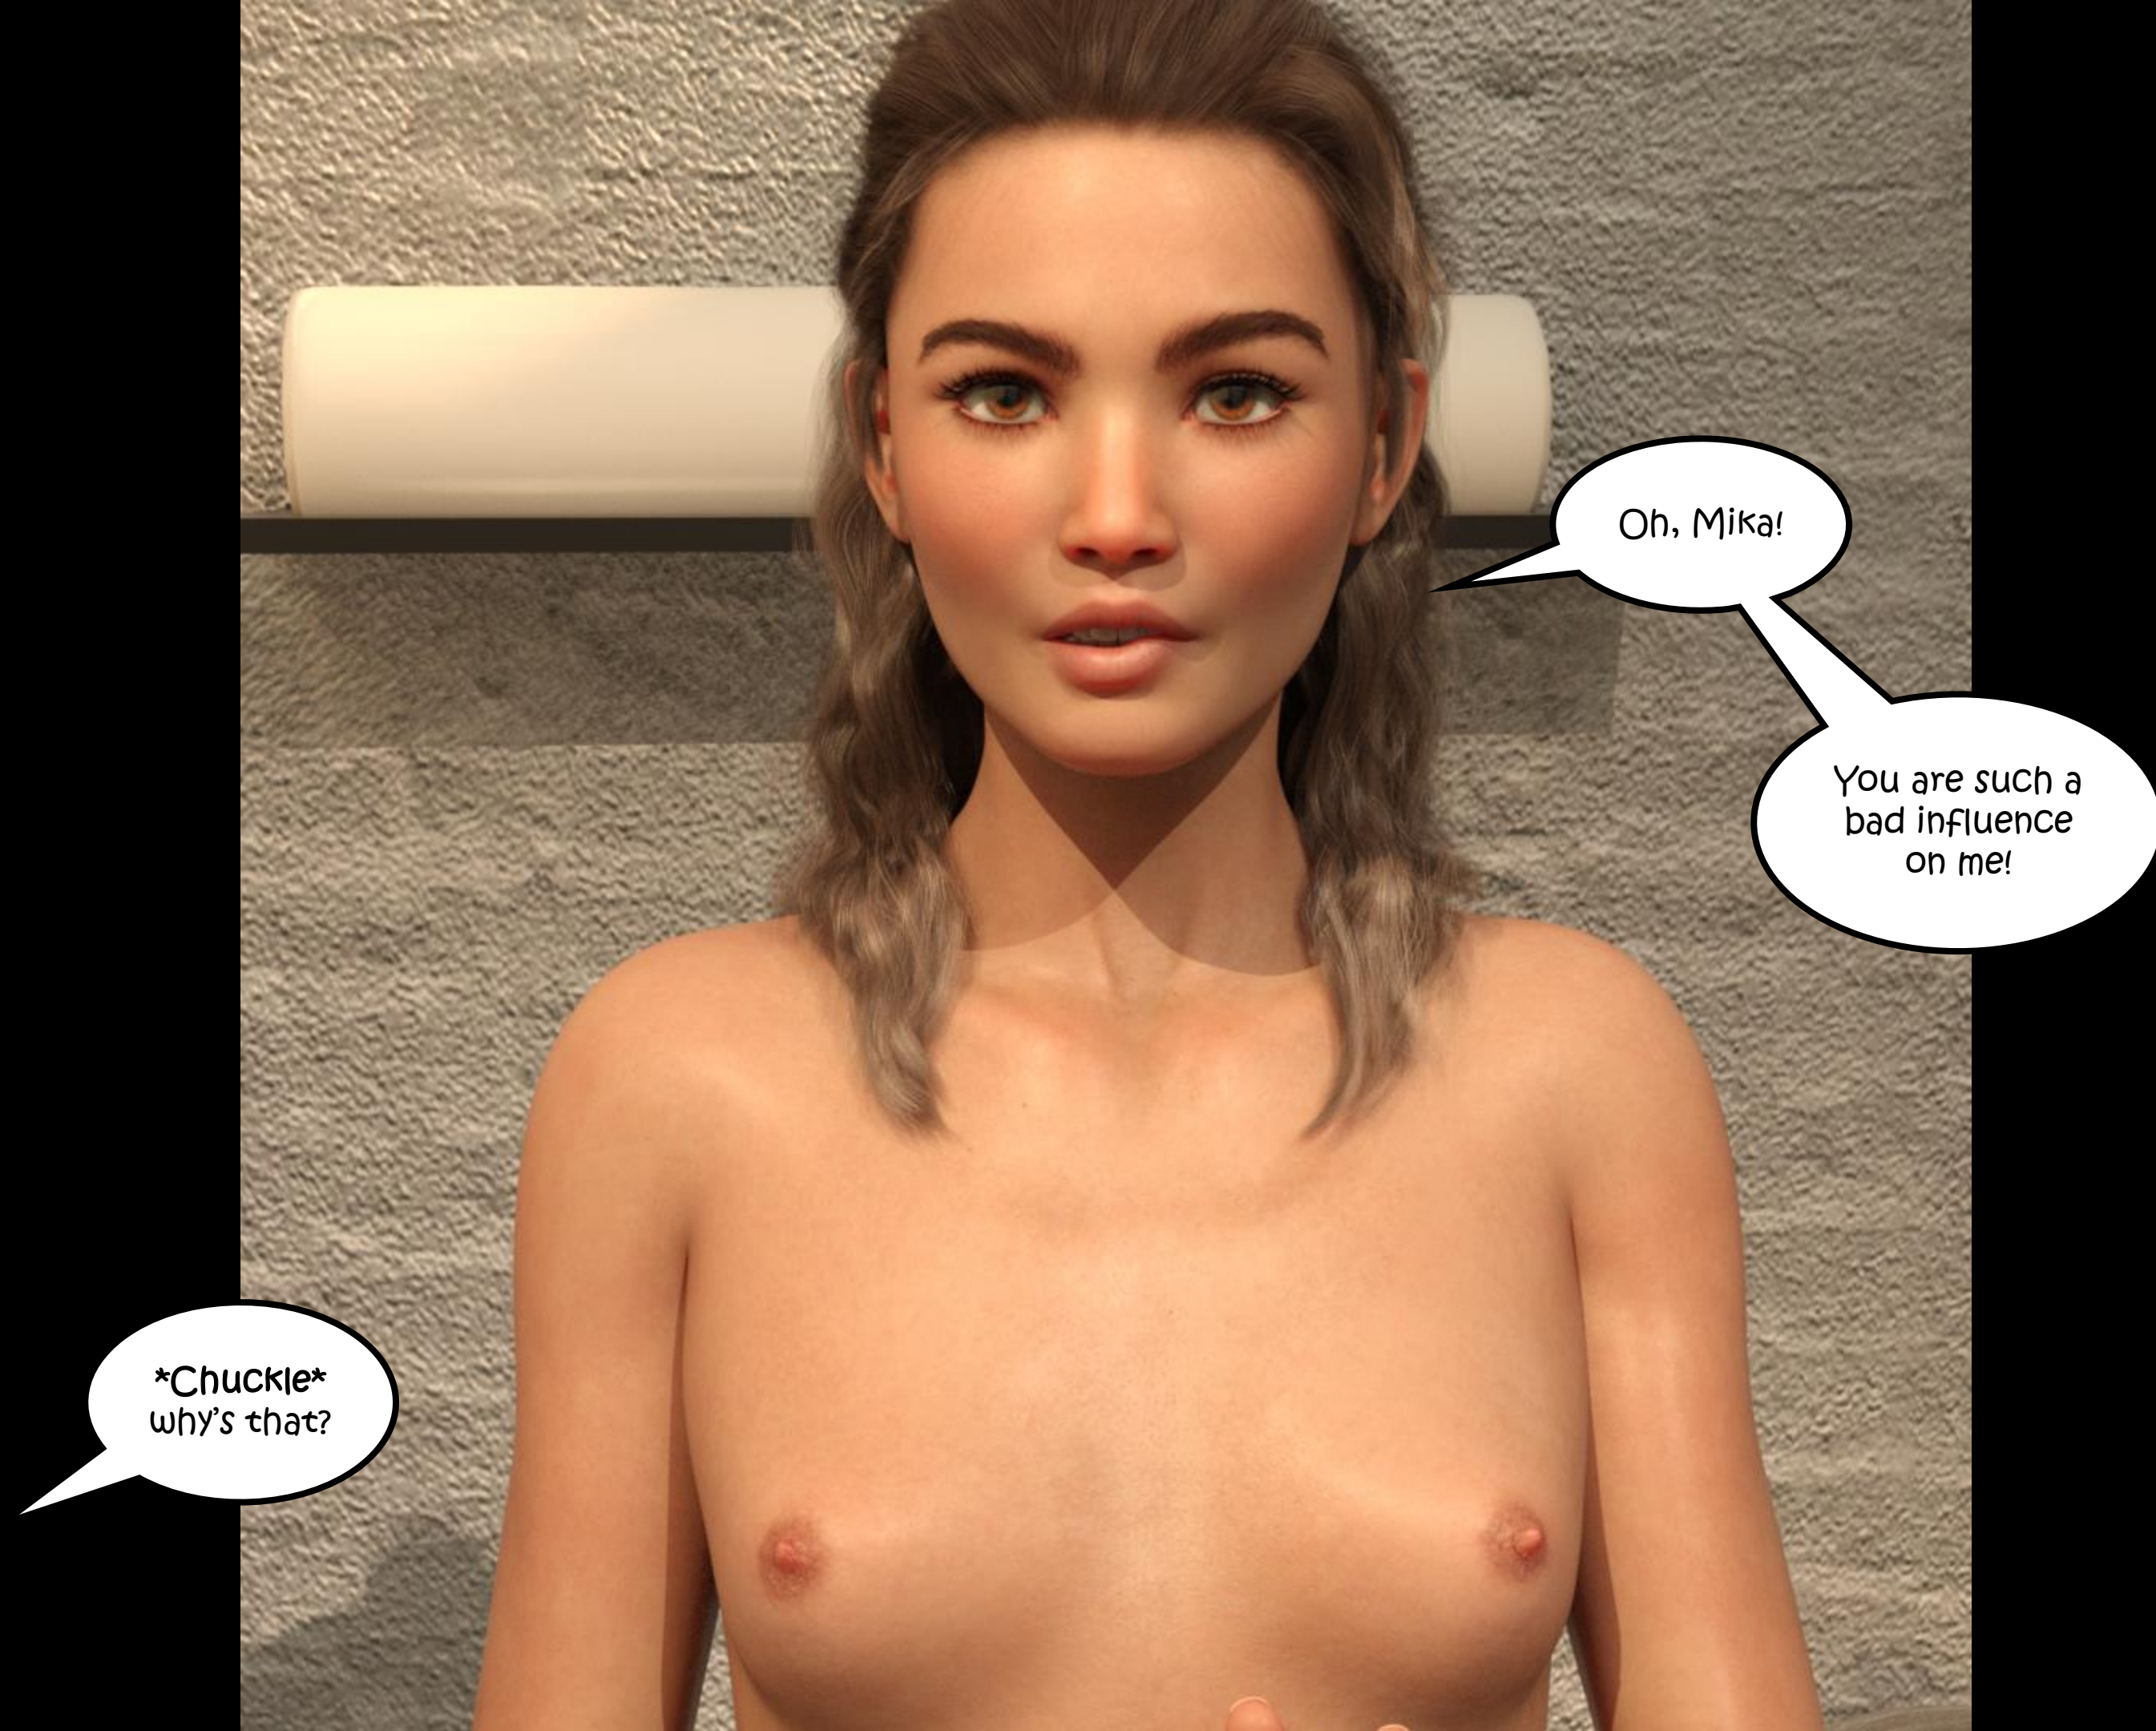

A 3D rendered woman with long, wavy brown hair and glowing green eyes. She has a surprised or shocked expression on her face, with her mouth slightly open. She is topless. The background is a textured, light-colored wall, possibly a public restroom stall, with a white cylindrical object (like a paper towel dispenser) visible behind her. Two speech bubbles are overlaid on the image.

The thought of
doing it in public
places gets you
really horny.

Yes... doing it in
public places...
so hot...

I... ehh...

Chuckle
why's that?

Oh, Mika!

You are such a
bad influence
on me!

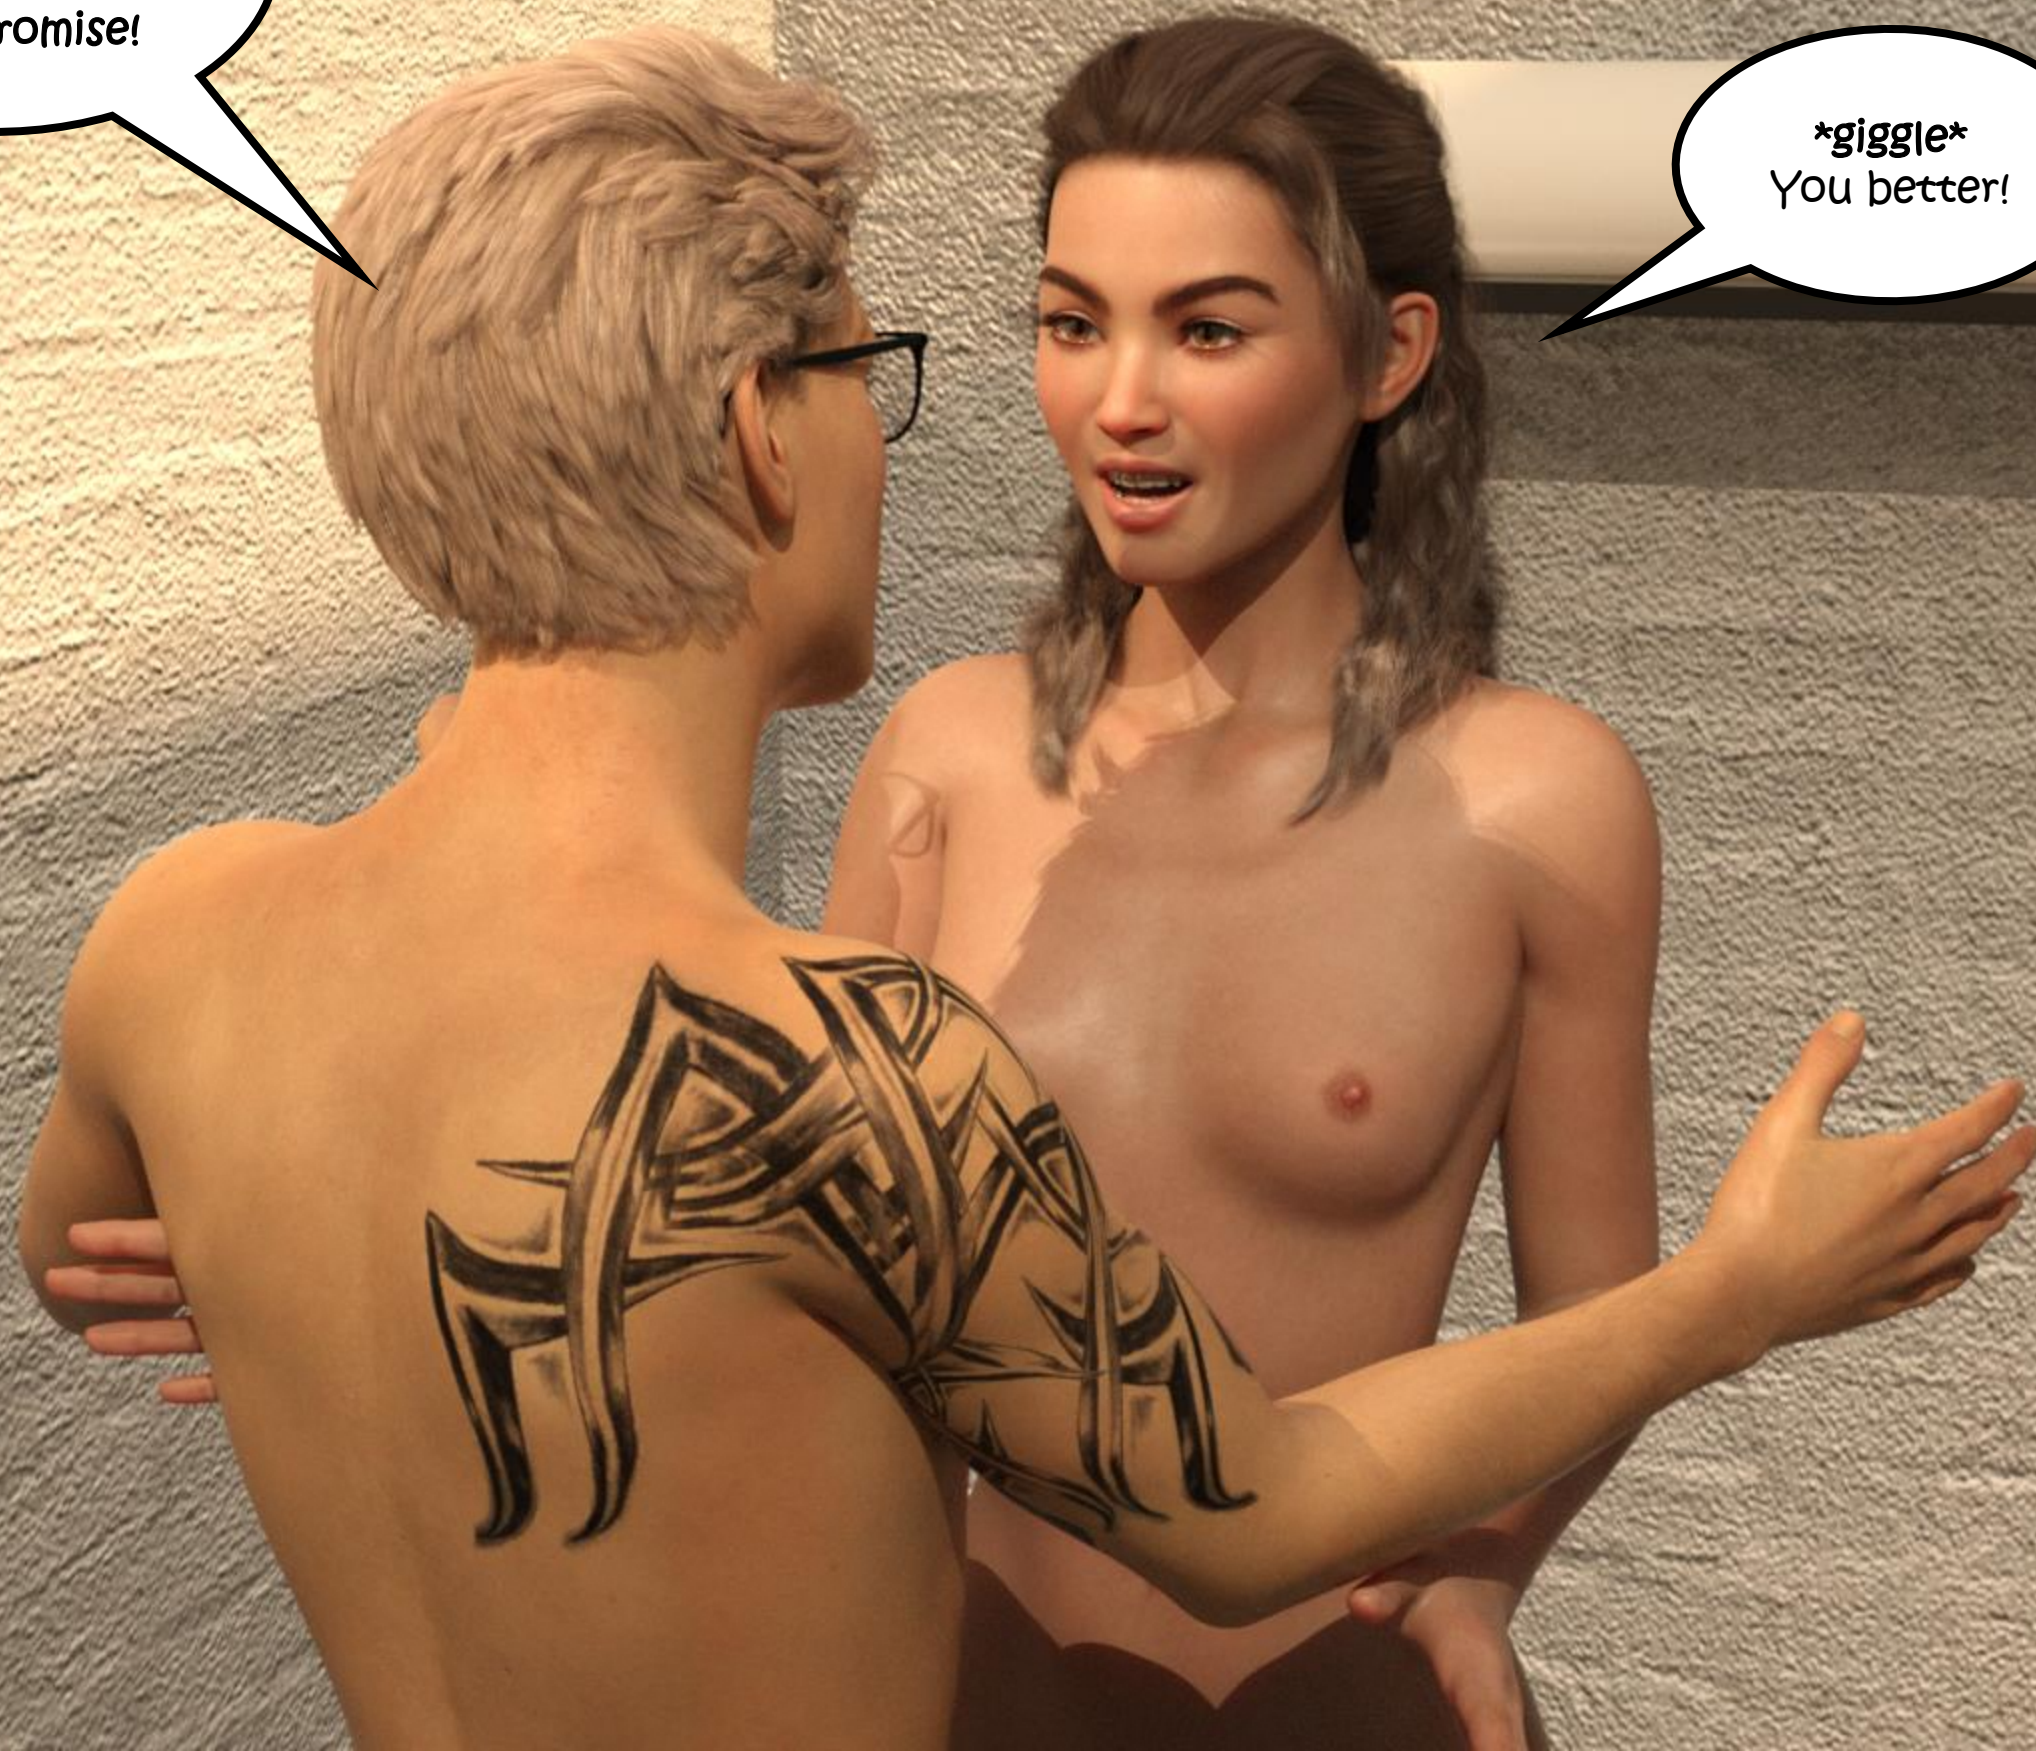

All this talking
about doing it... in
here... with people
outside...

You got me
really turned
on!

Oh... no...
I'll take full
responsibility for
that. Promise!

You better!

Time to get
you out of
those swim

Before I can approve in a witty way, Liz is already down on her knees and removing my trunks.

You are already

Slowly, Liz wraps her lips
around my tip...

Before picking up the pace...

And bobbing down...

And up on my shaft.

It feels great!

After a few repeats, she
circles her tongue one last
time around my crown...

And looks me into the eyes...

I wanna feel
that inside of
me now.

Liz positions herself against the wall and wiggles her cute butt at me.

Obviously, I will take her on, on that invitation, but first I kneel down behind her and, as the good boyfriend I am, ensure she is ready for penetration.

A moan way too loud escapes Liz's lips as I push my dick into her wet folds...

Oh yes!

But from there on, she gives her best to keep it down as I grind my hips against hers from behind.

With the lack of a bed or couch... we tried some different positions than usual in that little changing cabin...

Mhhh!
There we
go. It's in.

What can I say... We had a heck lot of fun in that changing room!

Huh?
Did I just hear
something from in
there? But it's not
even locked...

Liz and I have just settled for
the floor, as standing became
a bit uncomfortable...

And I could see myself
approaching an orgasm in
the near future...

When suddenly Liz gets
distracted and loses her
rhythmic pelvic movement...

Oh, shit... in hindsight... maybe I
should not have forgotten to
lock up behind us...

What the fuck
do you think
you are doing?!

The End?

Thank you for reading!

Hello, Hexxet here,

This chapter turned kinda intimate with Mika and Liz. Despite Mika using magic to convince Liz to do “it” in the stall, her love for him is genuine, and I hope this sexy scene turned out kinda fun and romantic to read. Though of course it leaves the question “What happens next?”. Will that lifeguard call the police on them, or can Mika convince her to just ignore them? Or... will she join in?
