

PANTY FUN AT THE OFFICE

EXTRA – IMAGE
SET WITH A HINT
OF STORY

A woman with long blonde hair, wearing a black blazer over a white button-down shirt, stands in an office. The shirt is open at the collar, revealing a black bra. She is looking towards the camera with a slight smile. In the background, there is a large window showing a city skyline at night with blurred lights. To her left is a wooden desk with a black leather office chair, a desk lamp, and some papers. To her right is another desk with a similar lamp.

Good evening
Stephany.

Mhm...
Boss' computer's
not working.

Must be nice having a secretary like Stephany at your back and call... I think to myself as I start fixing her boss's computer.

Heck, it would already be nice if a woman like Stephany smiled at me for a change. I know I'm just the IT guy, but a little bit of friendliness would be appreciated.

All done, it
was just...

Finally!

So rude... I know it's late and we all wanna go home, but it's not my fault her boss does not know how to reboot a computer...

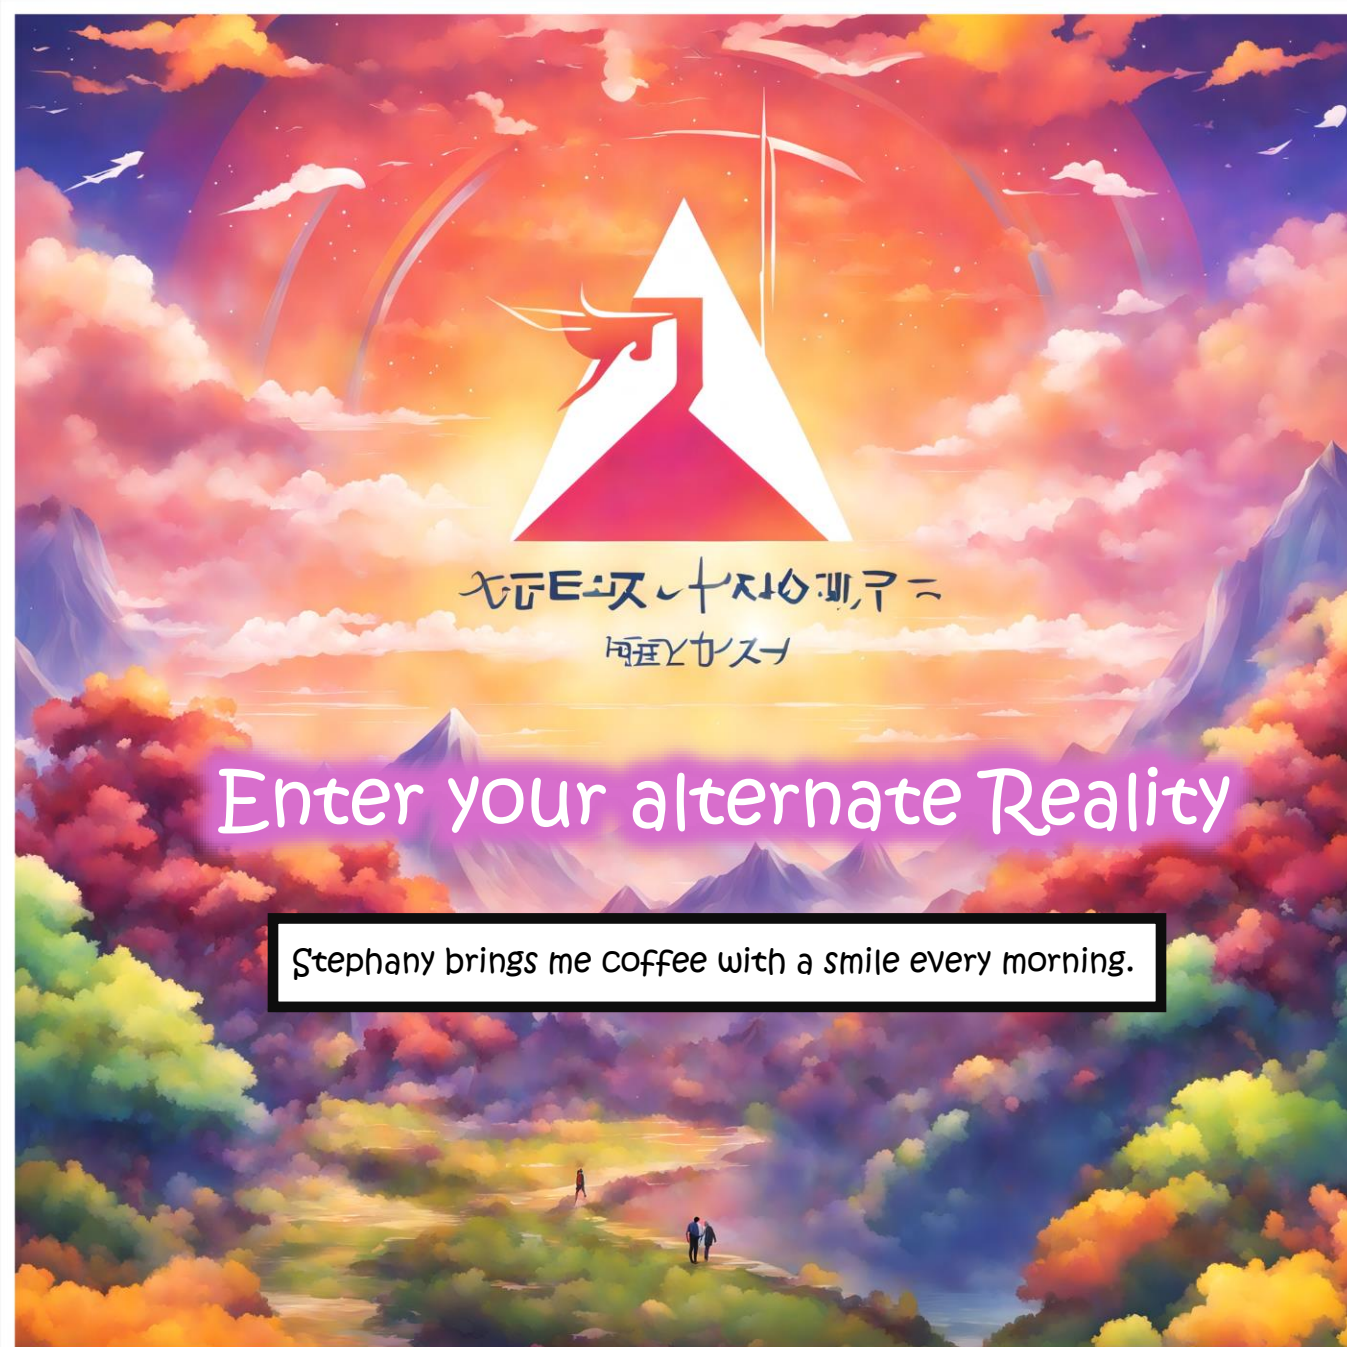

I try to ignore my frustration, pack my things and leave, when suddenly I see an unfamiliar icon flash on my screen...

This a prank from my colleague who went on vacation?

I write "Stephany brings me coffee with a smile every morning." out of fun, leave the office and fall into bed when I arrive at home.

The next morning, I enter the office
not knowing what would await me!

Good morning!

Here's your coffee. I hope you have a nice day.

Stephany brings me a coffee to my desk and is friendly before walking back to her office?! What is goin... NO WAY!

The whole day I try to make sense of this change of events and finally before I go home I add another line into that strange application... No way this is going to...

Every woman at the office has the uncontrollable urge to let me know what she's wearing under her skirt._

Going around the office fixing computers got so much nicer thanks to the app.

Hey, sorry.
Bluescreen
again.

Today I'm
wearing semi
transparent
panties with
white dots.

A woman with long, wavy red hair and blue eyes is smiling at the camera. She is wearing a dark blue, long-sleeved button-down shirt and a grey, high-waisted skirt. She is standing in an office environment with a desk, a black office chair, and a computer monitor visible in the background. A speech bubble is positioned to her left, containing two lines of text.

I don't know what's
wrong with the
computer. It's just
not working.

But today I'm
wearing a black
slip. Does that
help?

Oh, hi there.
I'm going white
today!

I'm wearing transparent black lace today. Doesn't it look cute? I'm heading to my boyfriend after work.

All the women at the office have big breasts and love showing them off and talking about them with me.

A woman with blonde hair is standing in an office, smiling at the camera. She is wearing a white button-down shirt that is open at the collar, revealing her large breasts. She is also wearing a grey high-waisted skirt and black lace garter stockings. Her hands are on her hips, and she is holding the bottom of her skirt. In the background, there is a desk with a computer monitor, a lamp, and a clock on the wall.

Wearing black
panties today with
some thigh highs...

But have I ever
told you about
my breasts?

My breasts are double
F but I'm usually
wearing one bra size
smaller so the pop out
sometimes.

Tada – here are the twins. They are E-Cups. But I'm playing with the thought of going bigger soon.

Holy wow.
Stephany! You
look incredible!

Thanks! I'm wearing
pink panties today and
I'm carrying 1200 CC
around in these babies.

Nah! No hair standing down there. Just shaved it this morning.

I'm completely
smooth down
there. It feels
so nice!

Hello, Hexxet here,

This was only meant as a little image set – showing off some of the new graphics/model I stumbled upon. But I ended up adding some text making this somewhat of a story-like thing. Anyway, I don't consider it a full comic; it's just an extra. But I hope you like it 😊

More PAls and of course my regular 3D Comics can be found on my Patreon. Some free PAls can be found on my homepage.
