“Whatever!” – I think to myself: “Let’s have some fun!” And so, I take my bimbo girlfriend by the hand and walk with her to Class...

Sophia's IQ is so low... she would not even have found the classroom.

Uff!!
So many
doors!

But that's what she has me for. **chuckle**
And so, we enter the classroom. All the other students seem to be there already. Mrs. Martínez thankfully is not there yet.

Oh, my.
Everyone's
staring...

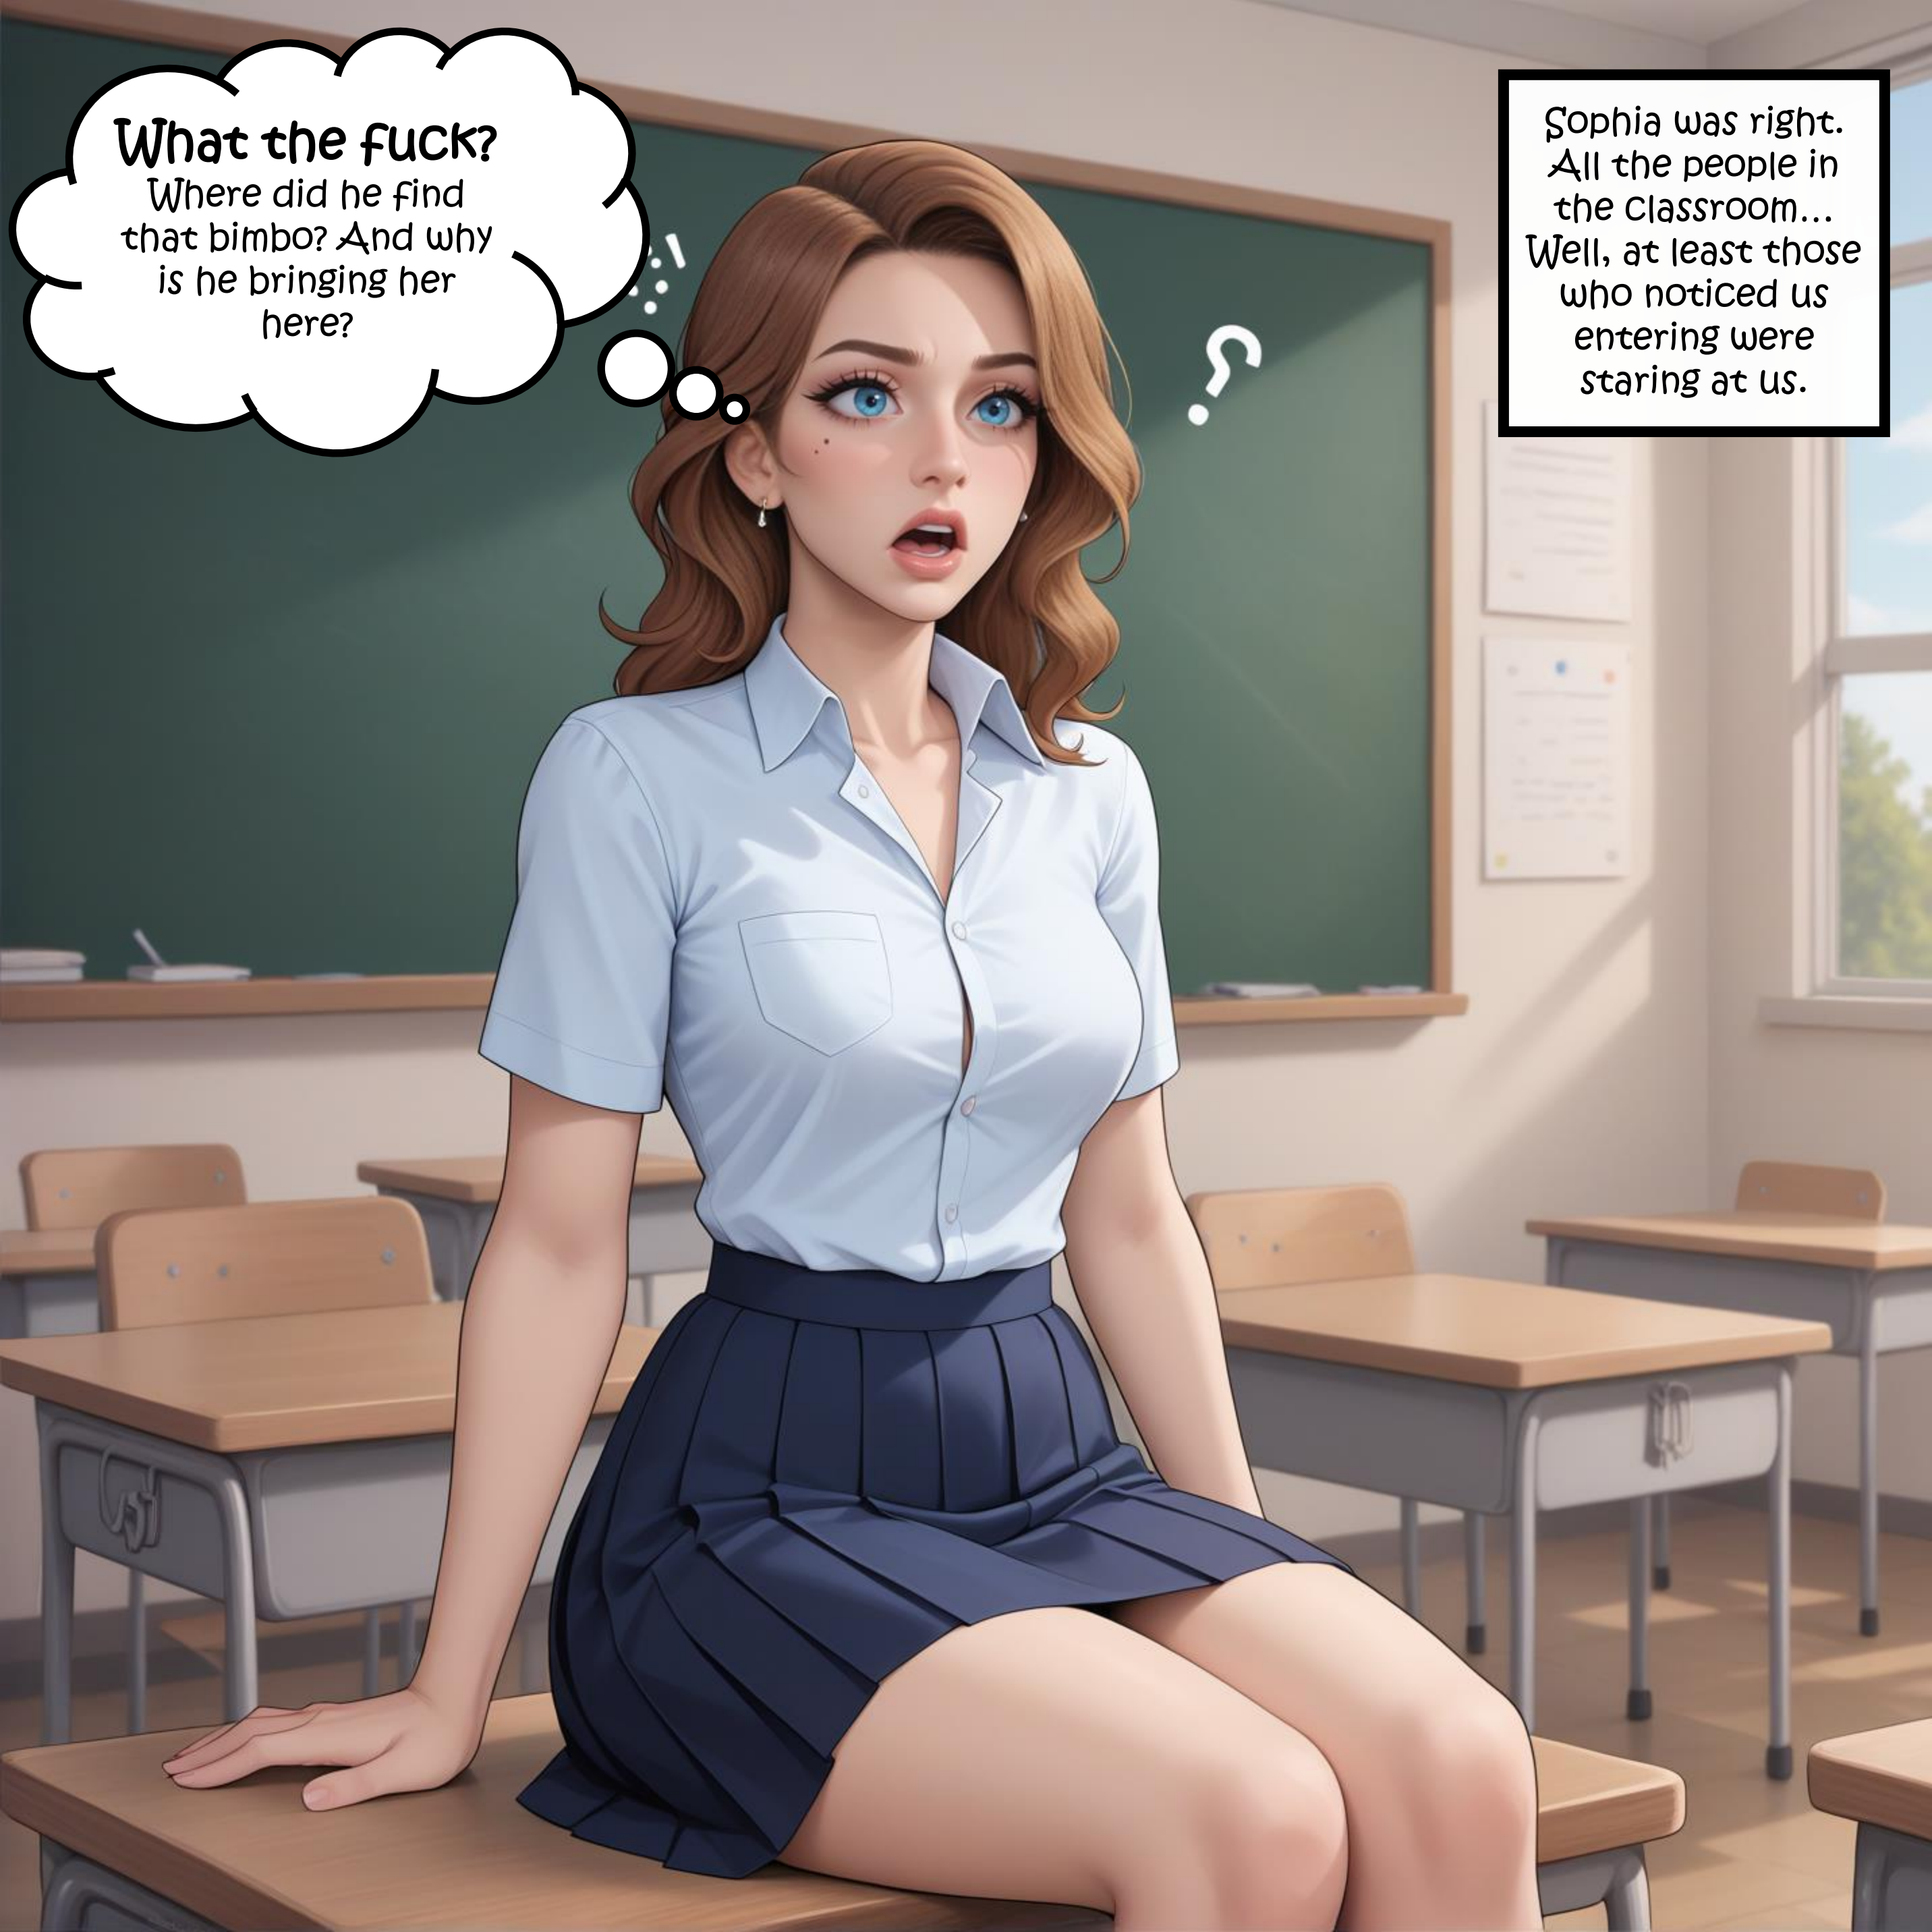

giggle

What the fuck?

Where did he find
that bimbo? And why
is he bringing her
here?

Sophia was right.
All the people in
the Classroom...
Well, at least those
who noticed us
entering were
staring at us.

!?

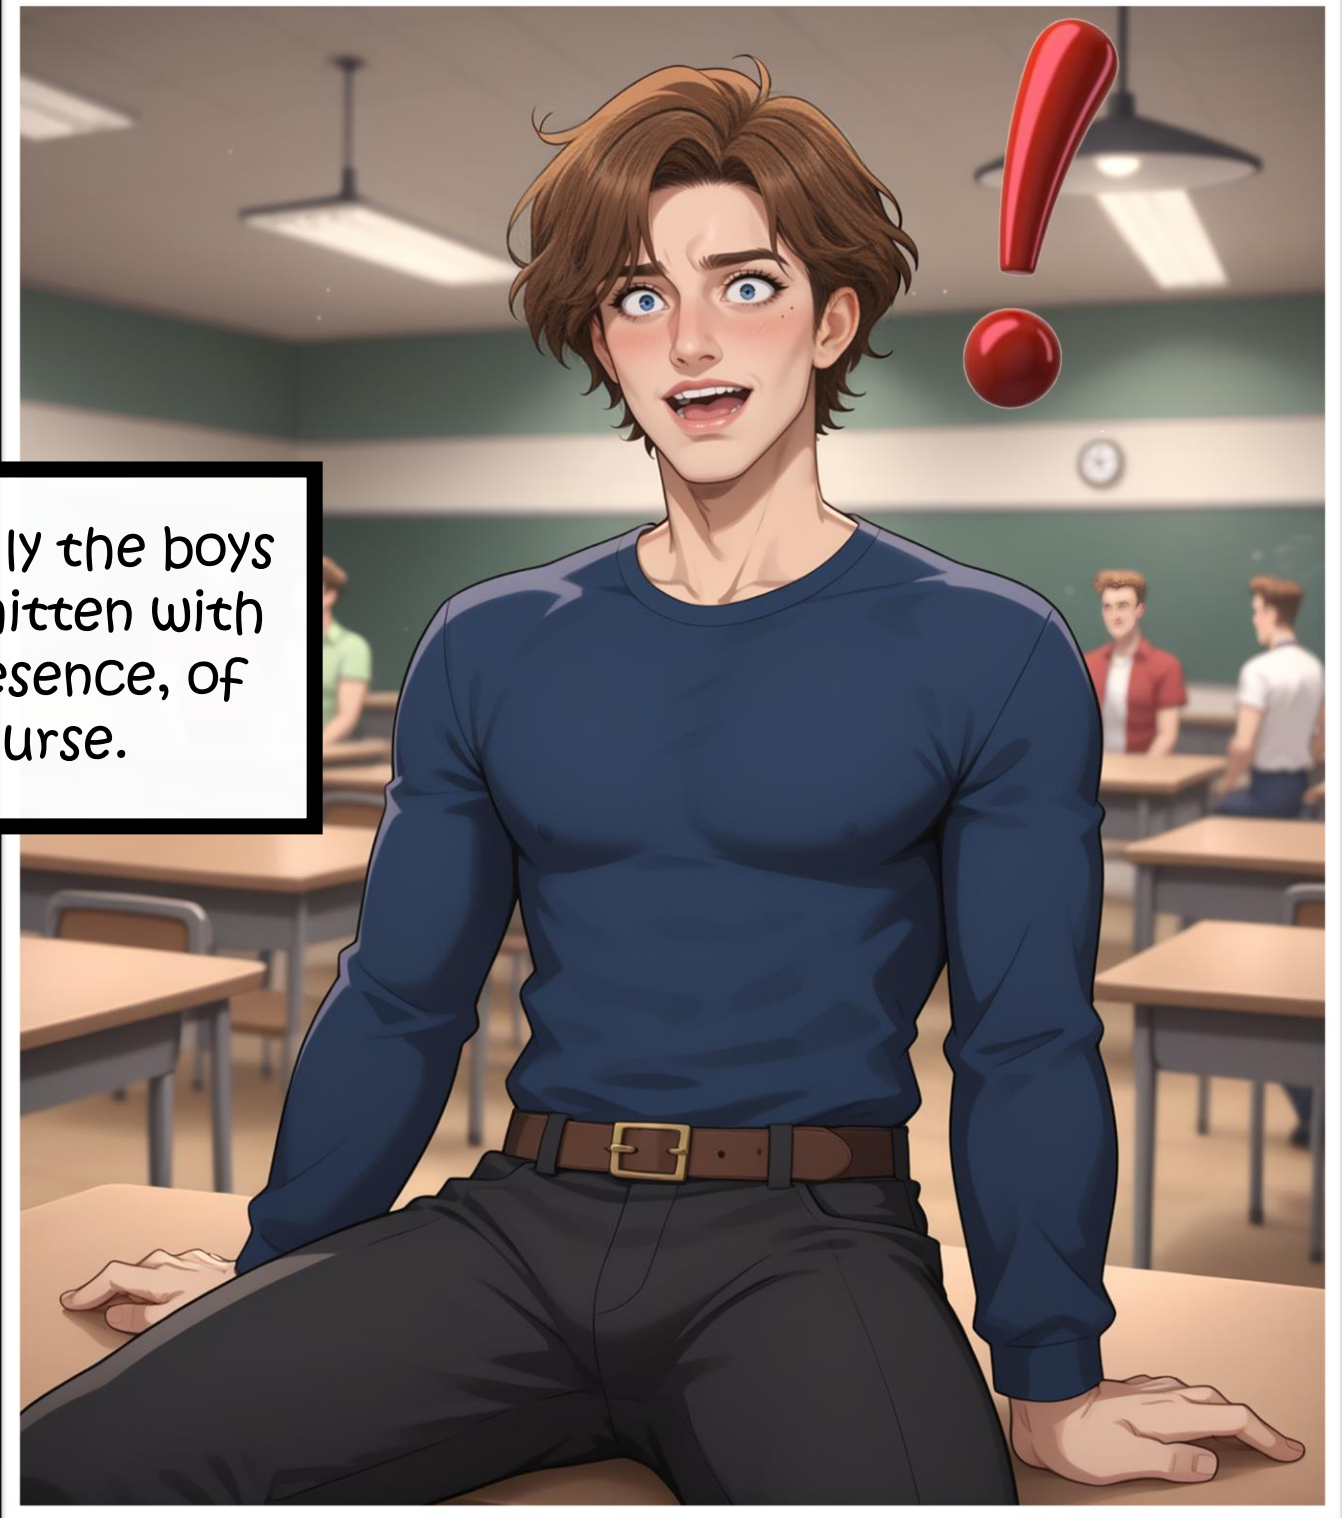

Wait!
Is that...
Sophia?

And justifiably so! I
mean, Sophia was a
ten now! A scratch
that! An eleven!

Especially the boys
were smitten with
her presence, of
course.

Sophia?!

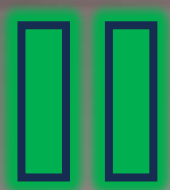

The classroom got quite chaotic with a mix of people trying not to stare and those rushing Sophia, trying to ask her questions. Either way, everybody's attention was elsewhere and not on me...

Pause them all!

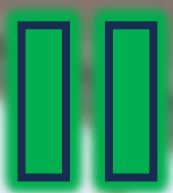

And so, one after another, I aimed the remote at them and paused them.

Some of them as
they sat down...

Some of them
mid-talking.

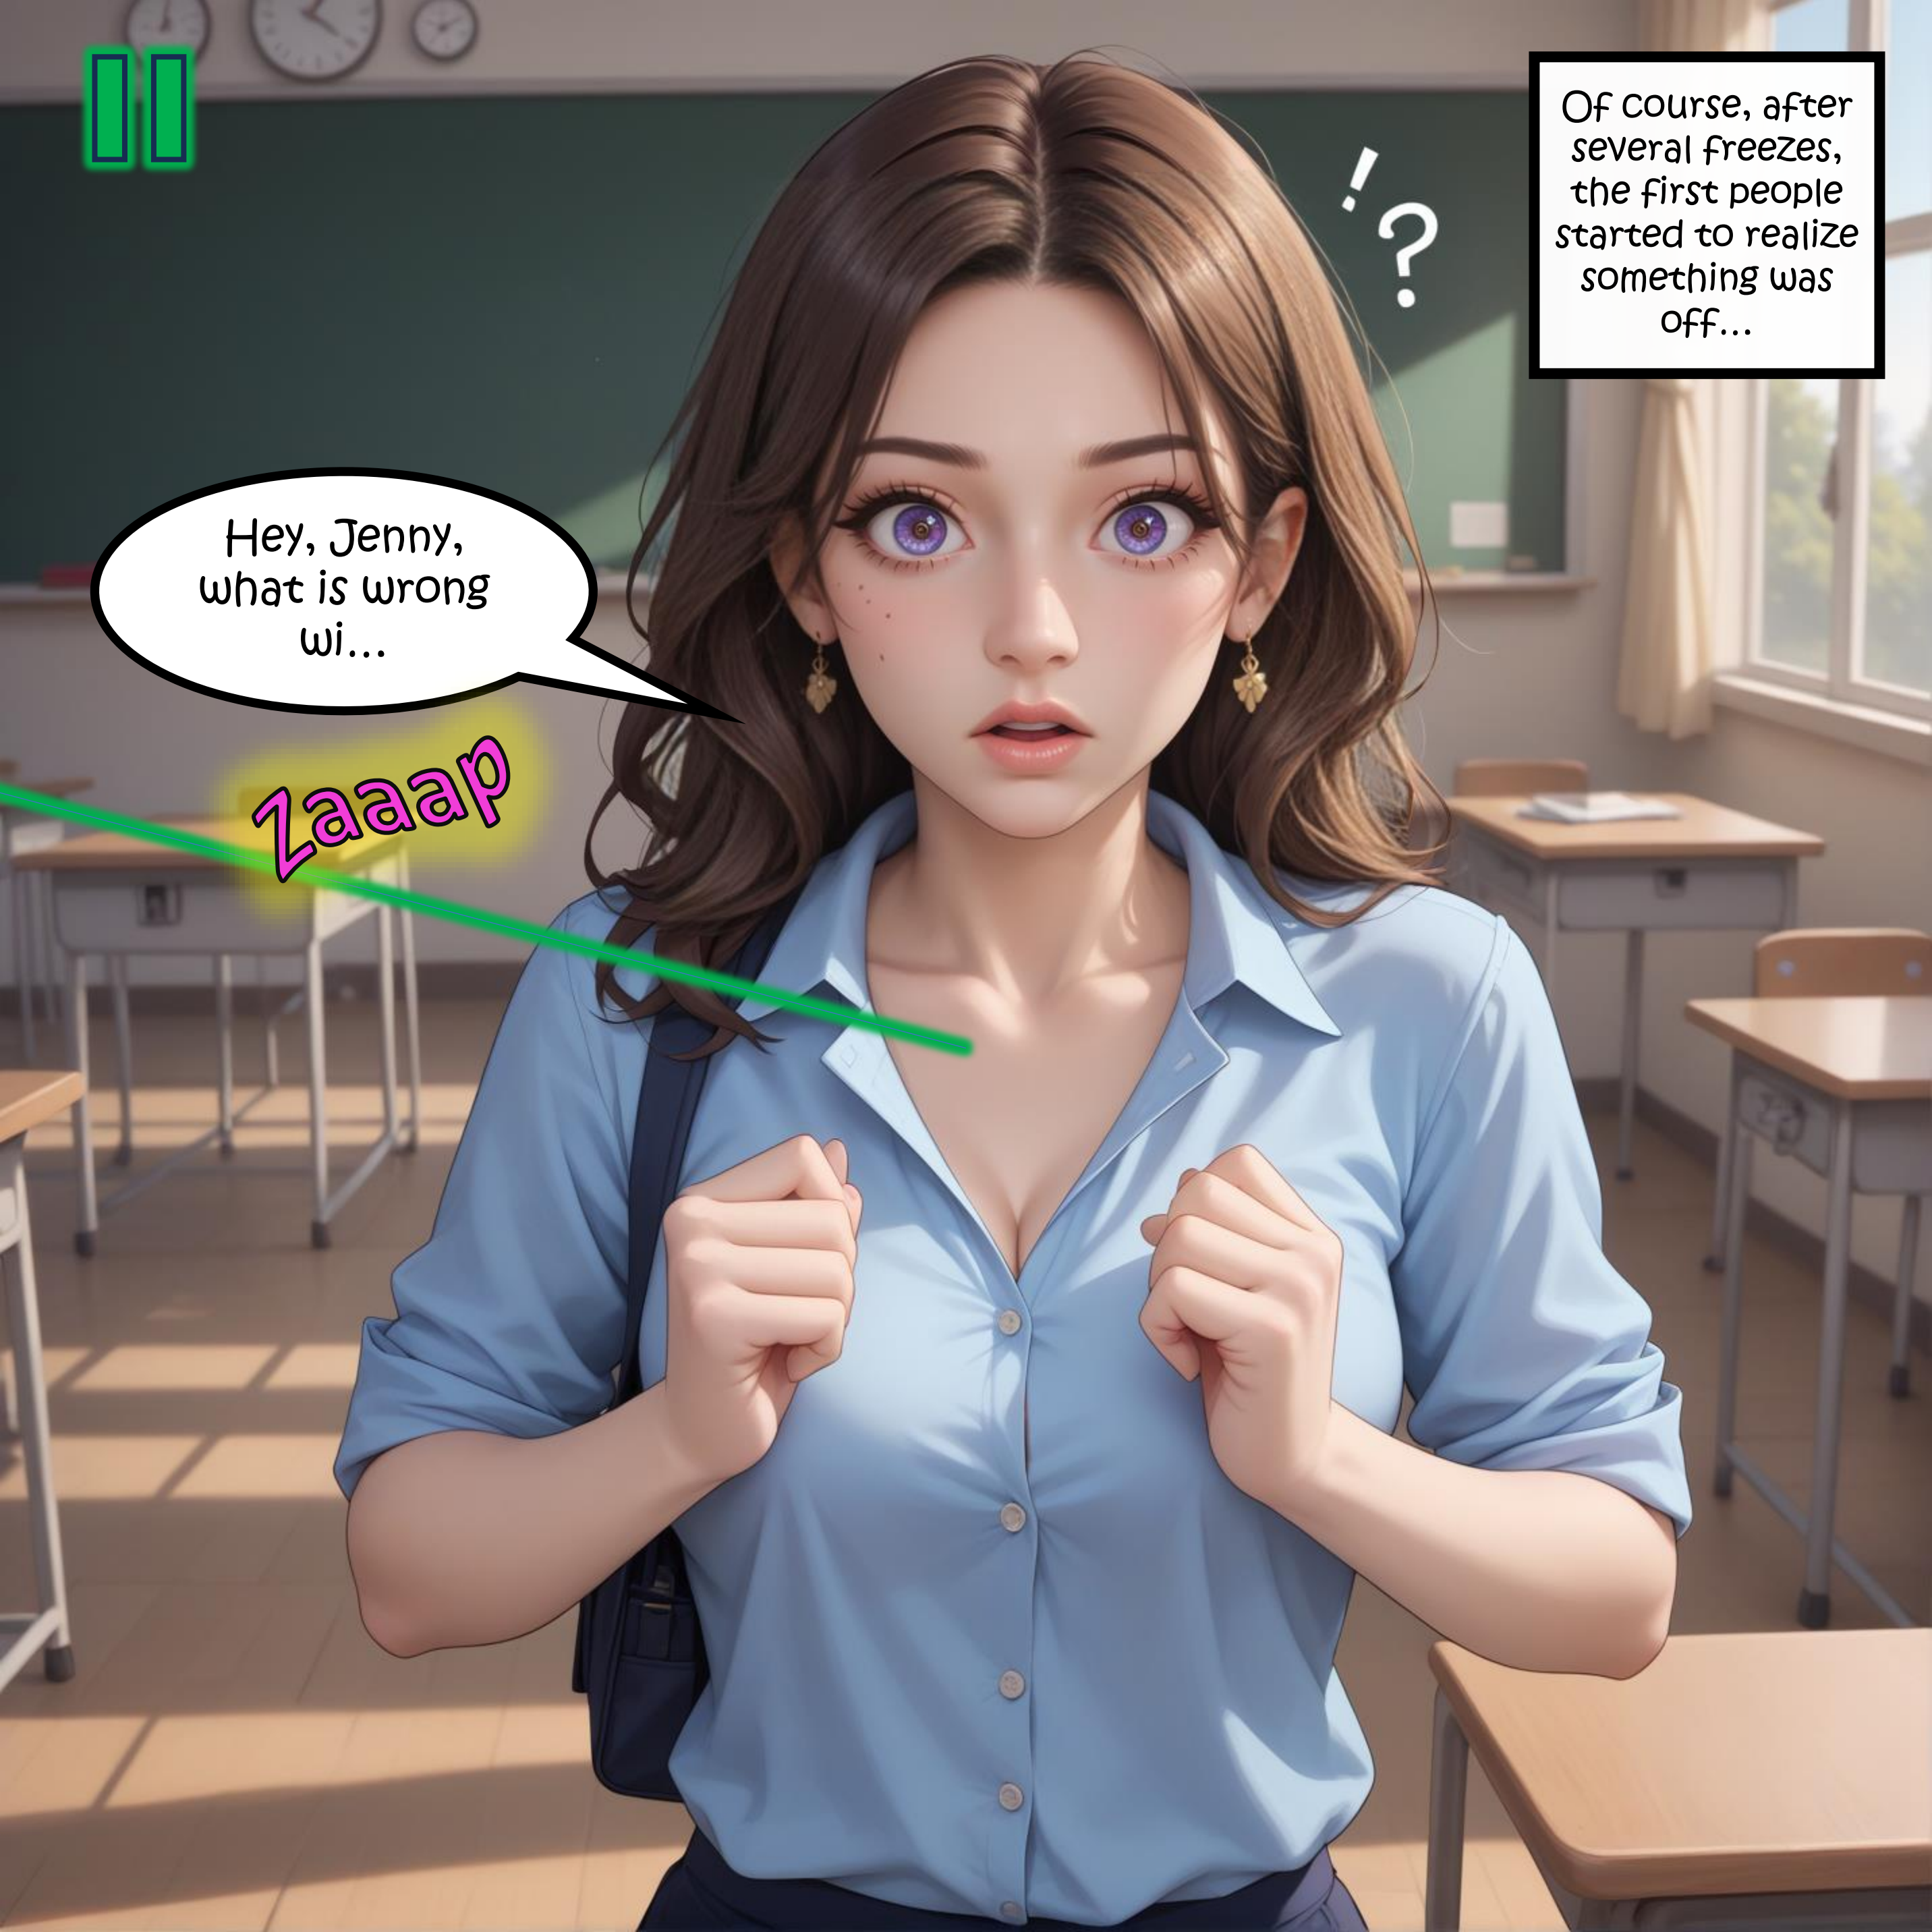

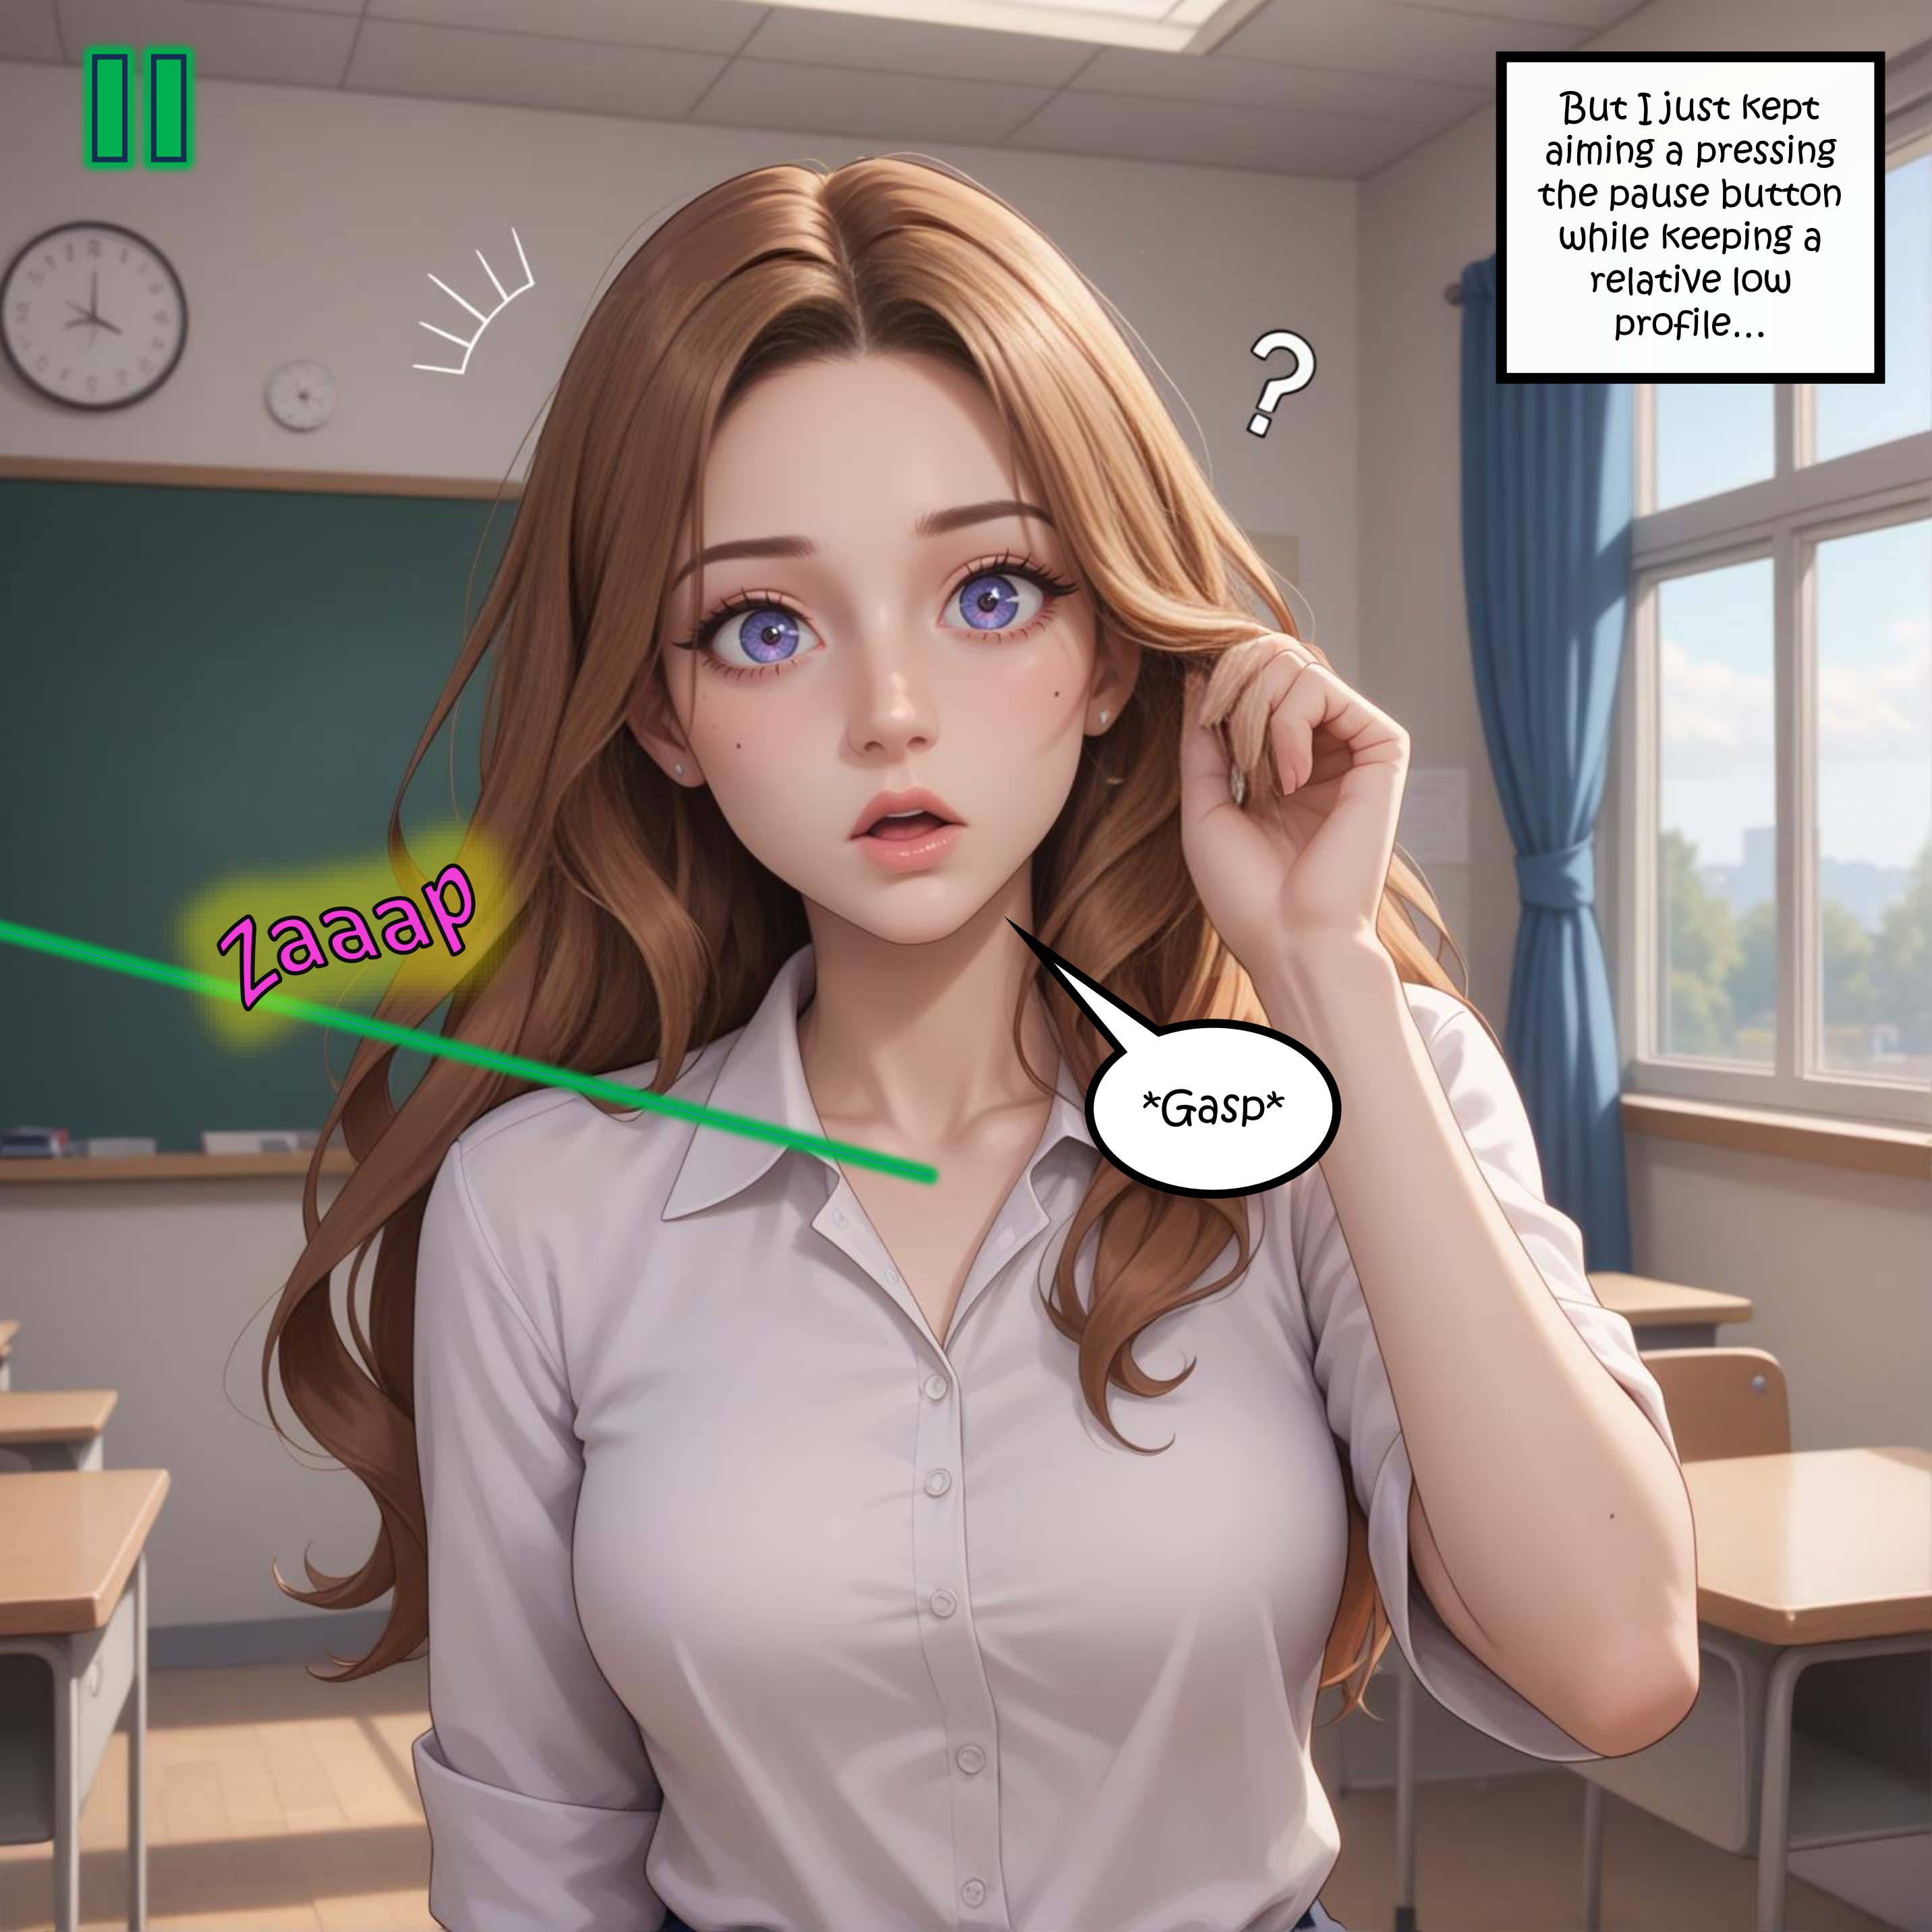

Of course, after several freezes, the first people started to realize something was off...

Hey, Jenny, what is wrong wi...

Zaaap

But I just kept
aiming a pressing
the pause button
while keeping a
relative low
profile...

Zaaap

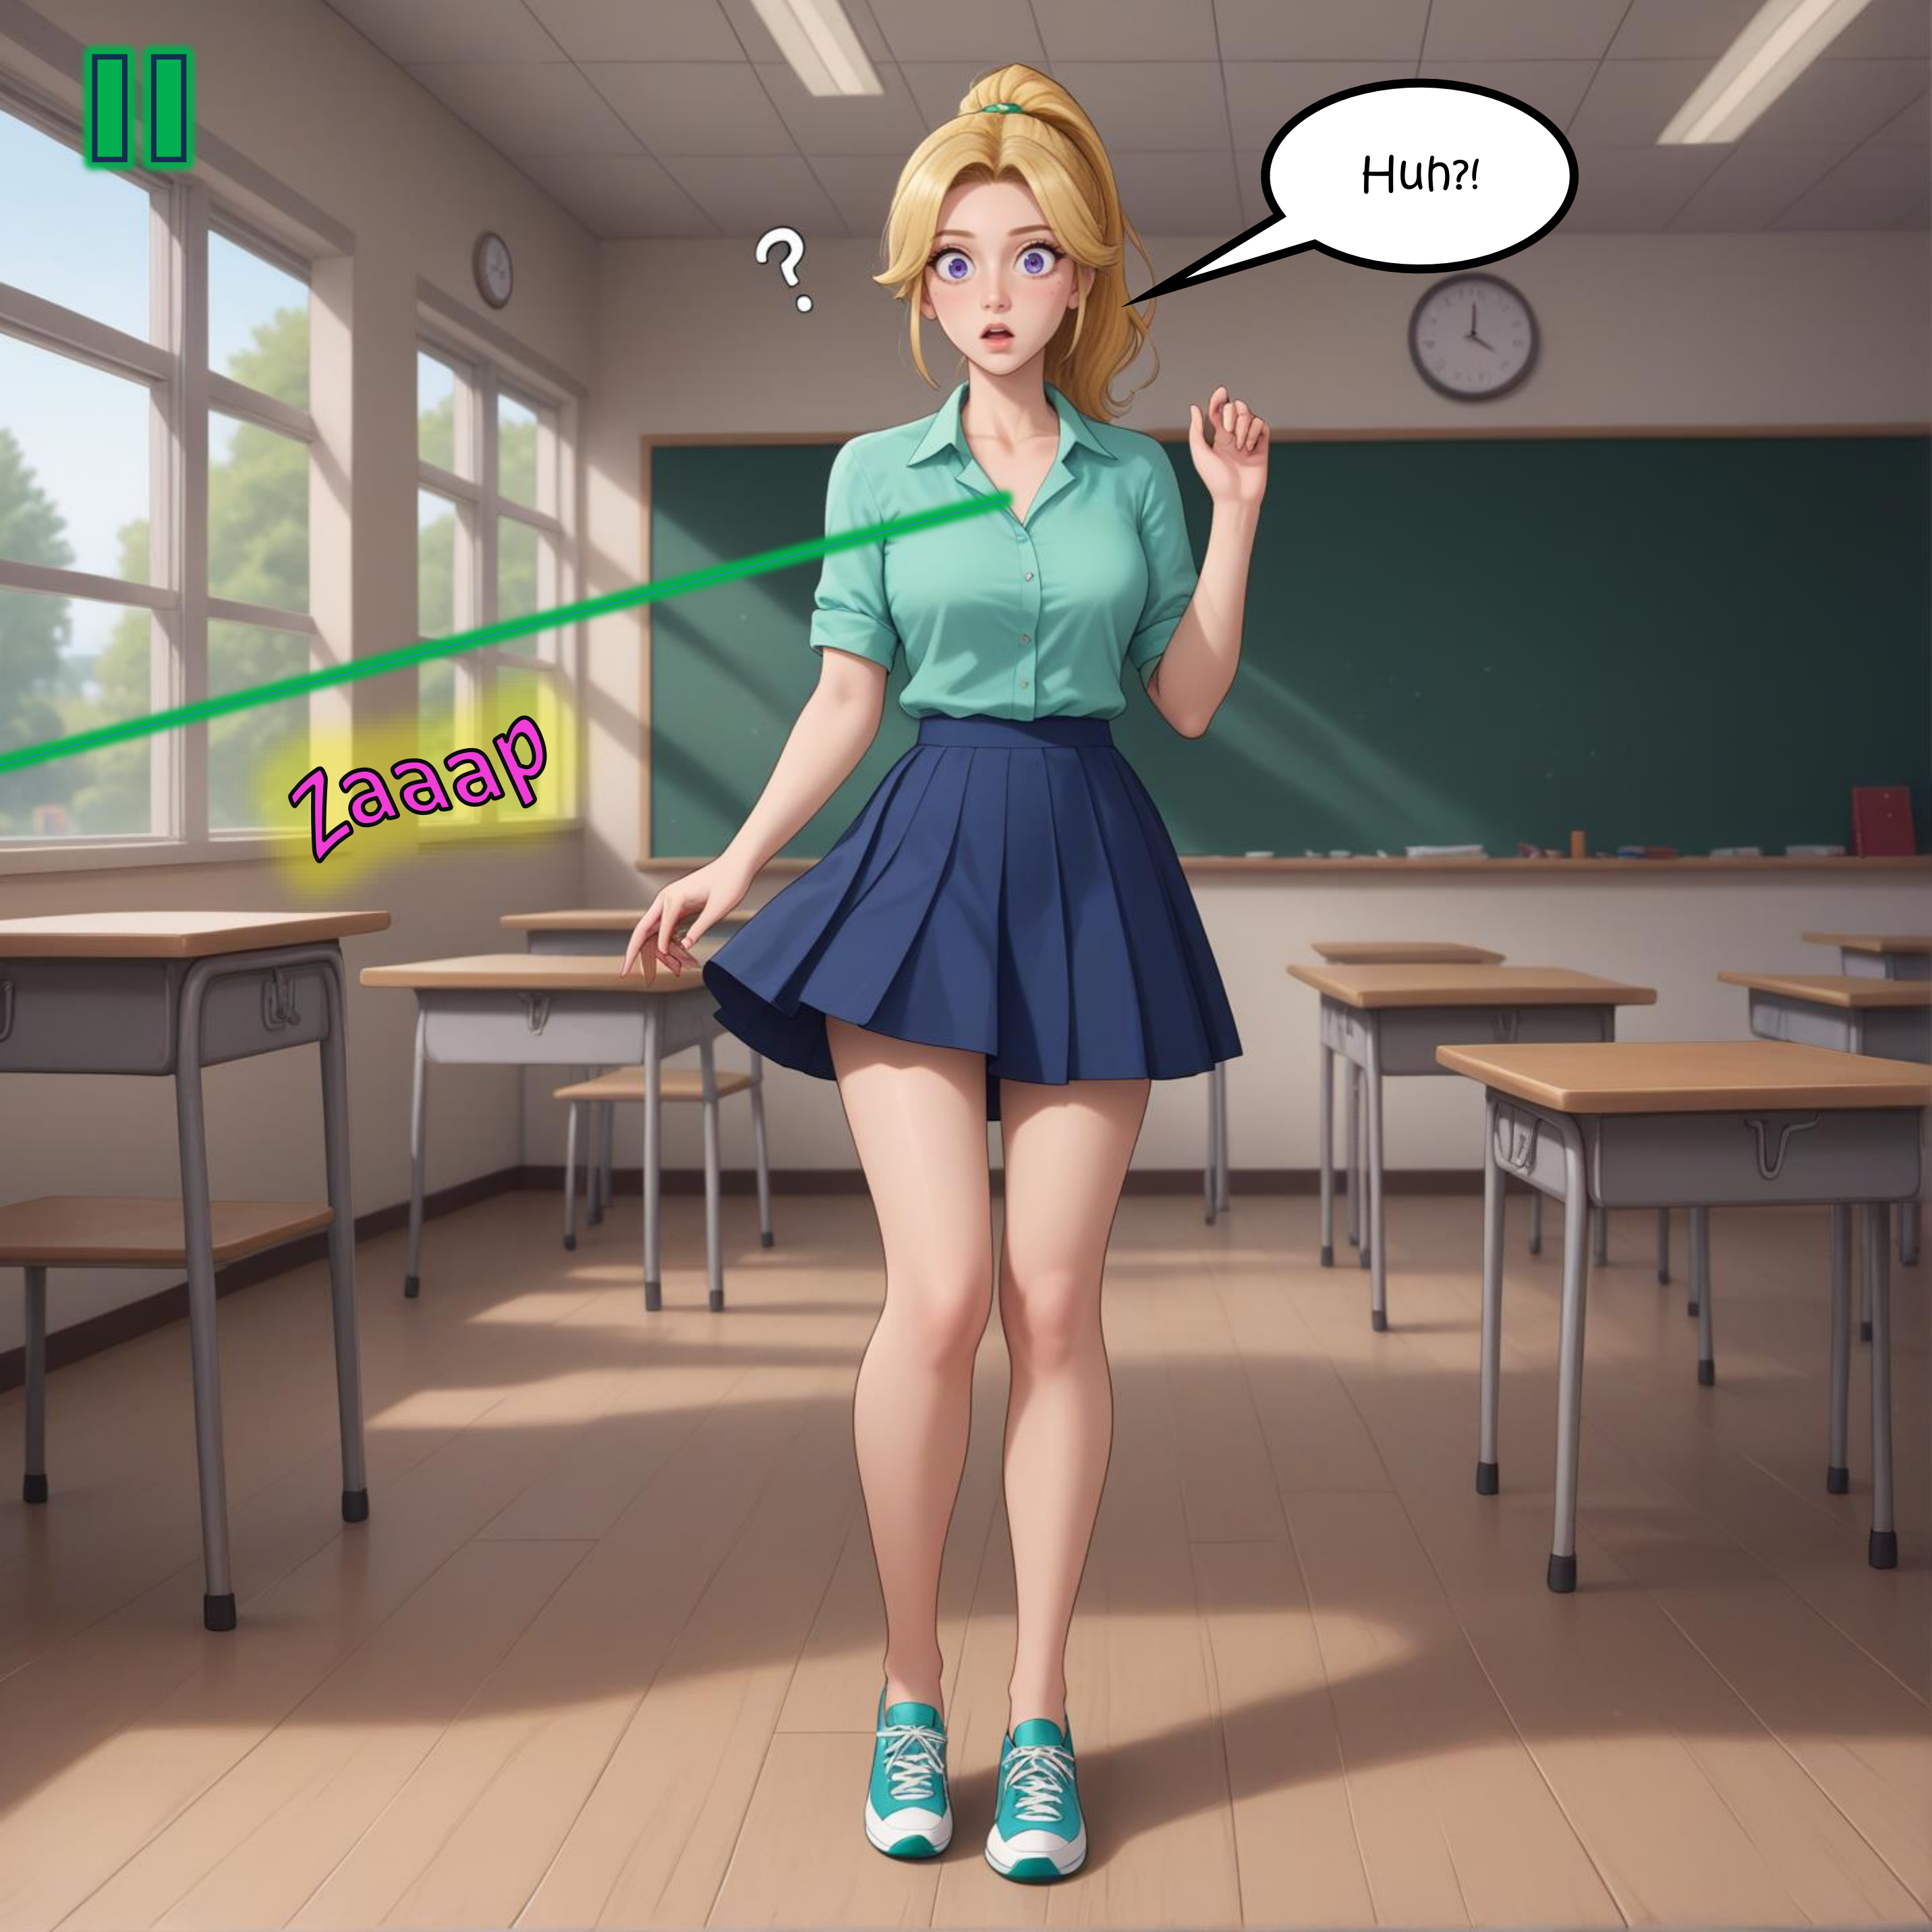

Gasp

?

Huh?!

Zaaap

With everyone but my last target frozen still I get a little bolder and approach her straight on openly aiming the remote at her....

Oh, my god!

This is your doing!

Please,
don't point
that at me.

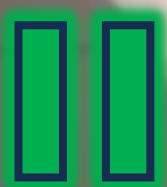

Zaap

Let's talk
about...

Now, I was not necessarily a fan of her knowing about he remote nor of that shocked expression of hers. So, I rewind her until she is back to smiling and talking to her friend over there... who's already frozen. **chuckle**

Beautiful! Paused mid-
turning around with a
big smile on her face.
That's how I like my
frozen beauties.
chuckle

The classroom has gone from chaotic-loud to absolute silence with everybody frozen... well okay not everybody...

O.M.G.!!
Babe, they are all like frozen.

That's so hot!

Can we play with them like dolls?

But before I can answer her, Mrs. Martínez enters the classroom, and I signal Sophia to shut up – thankfully she understands for once.

Morning class!

She does not even register that none of the students is moving as she passes them. Only when she turns around to teach does she start to realize something is different... But of course, that's far too late for her!

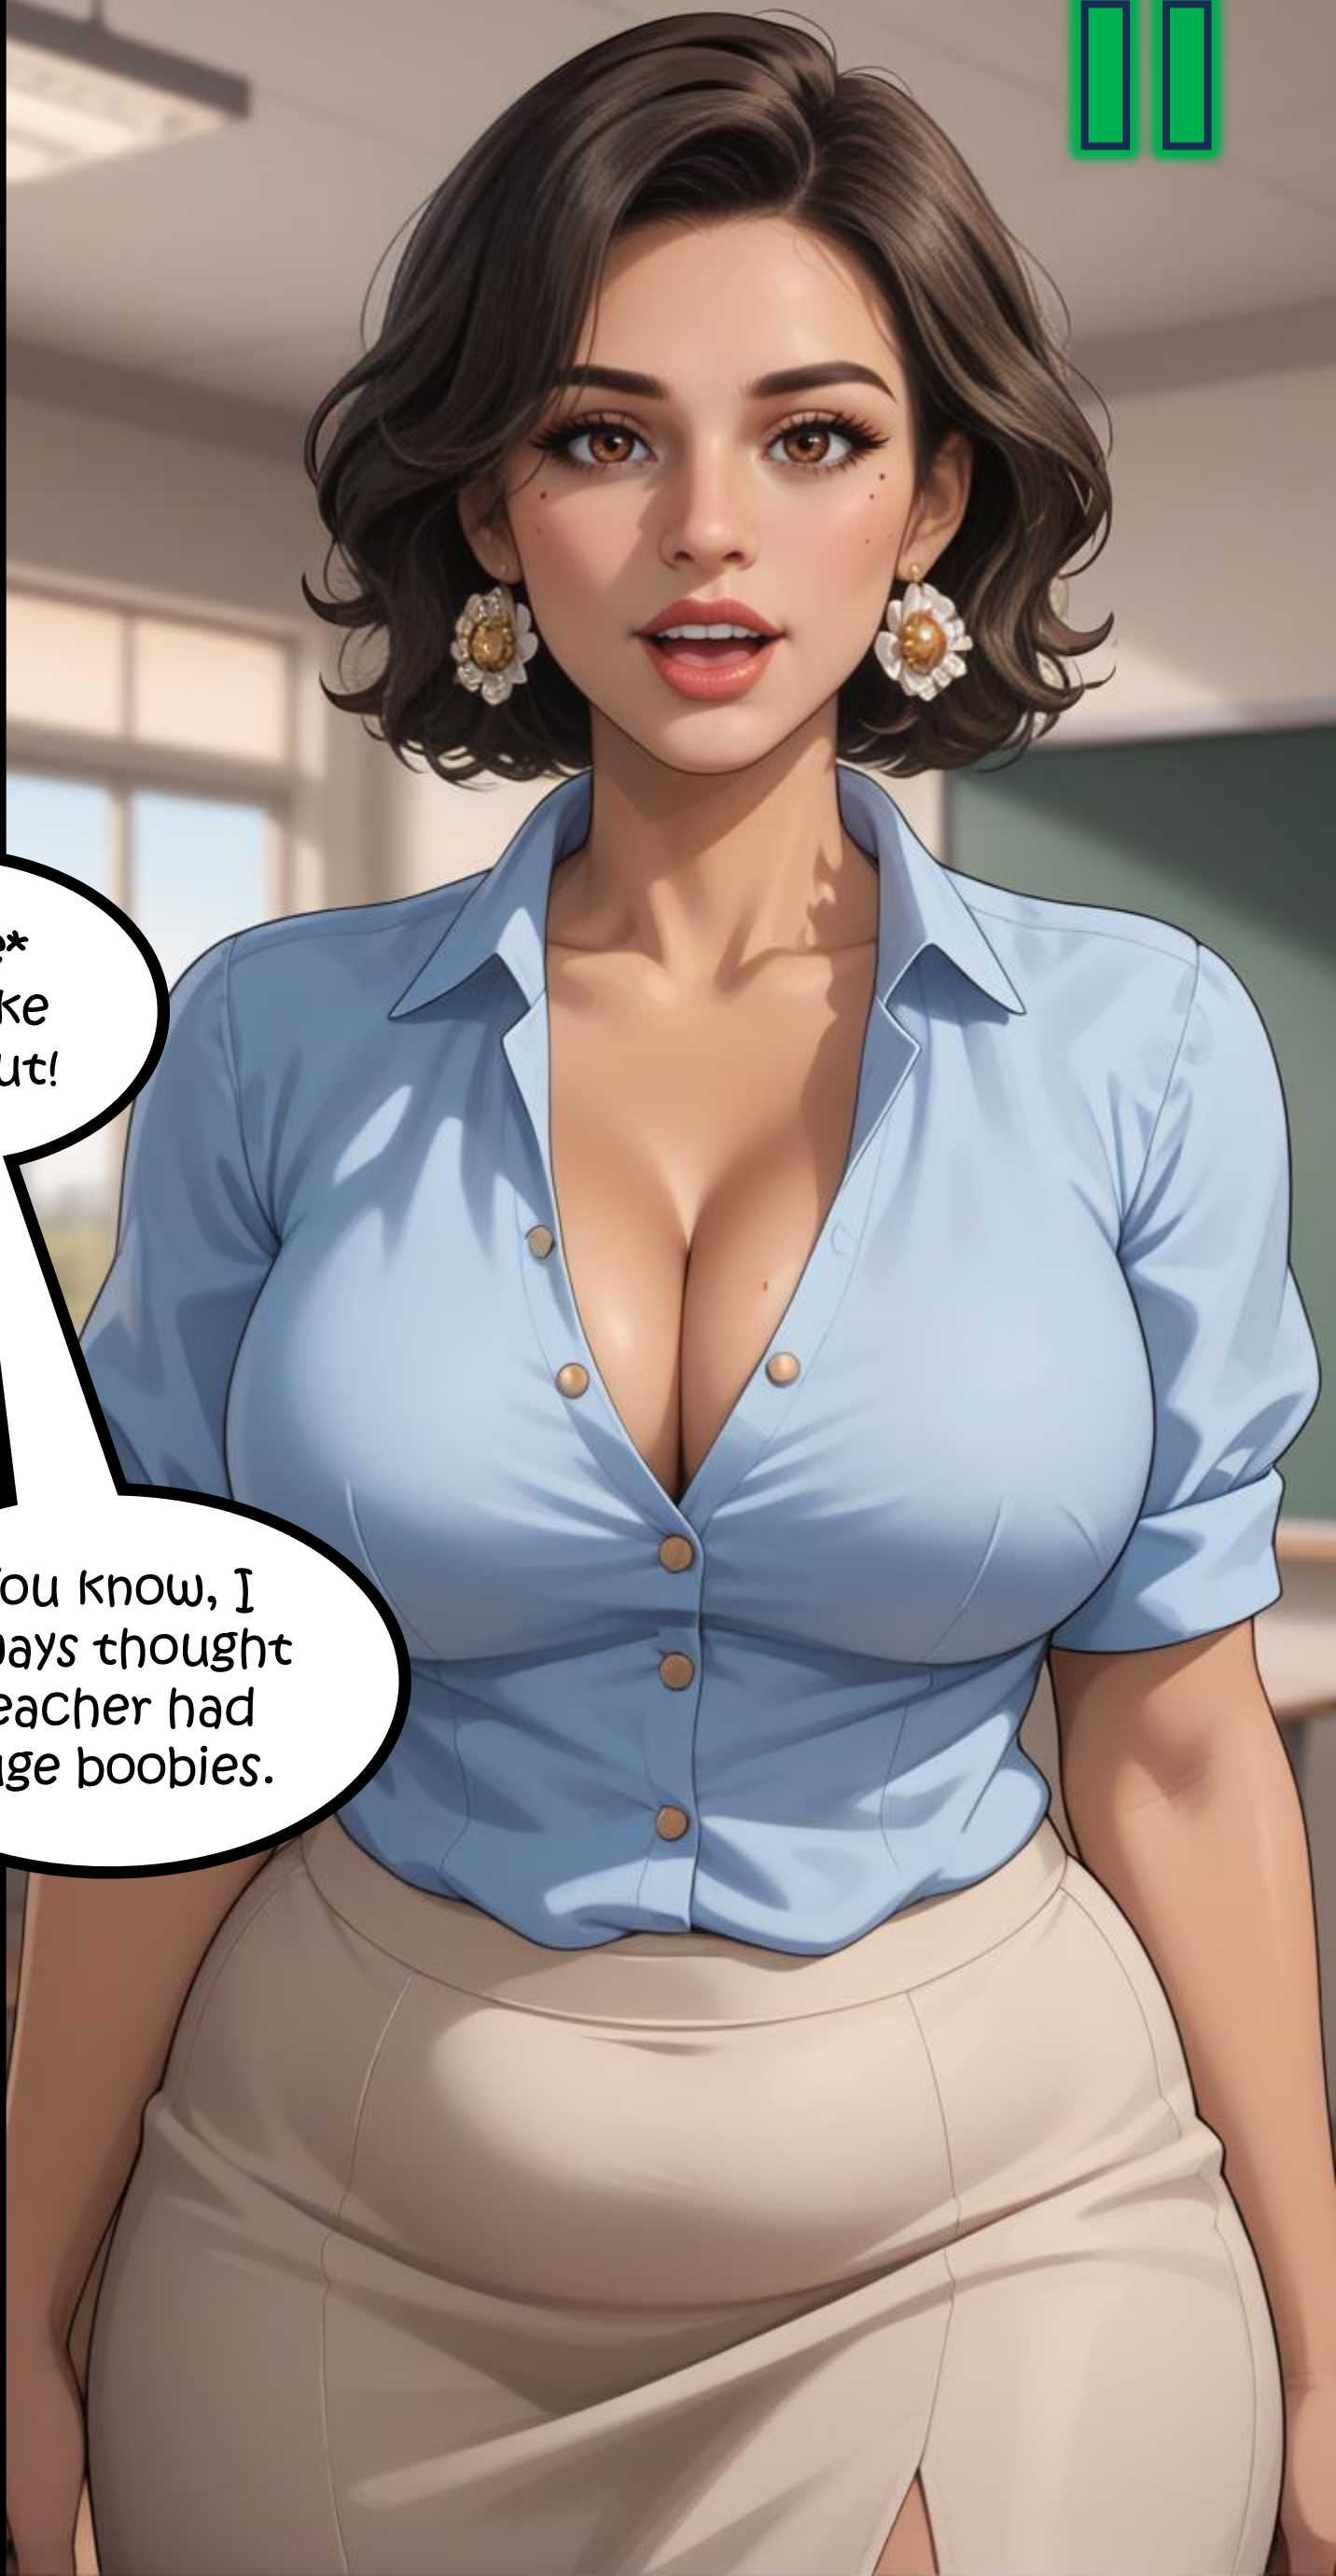

Zaap

Ay caramba, qué pasó? You guys are really quiet tod...

giggle
She's like
totes out!

You know, I
always thought
teacher had
huge boobies.

But mine are
way *huger*!!
giggle

Say, babe...
Sophy hadn't
had your cock
for... like really
long?

It hasn't even
been an hour!

A detailed illustration of a young woman with long, wavy blonde hair styled into two braids, each secured with a small green hair tie. She has large, expressive green eyes and wears black-rimmed glasses. She is topless, with her large, light-skinned breasts prominently displayed. She is wearing a black, strapless skirt and is kneeling on a light-colored tiled floor. The background shows a classroom setting with wooden desks, metal chairs, and a chalkboard. The lighting is soft and warm, coming from the right side of the frame.

Oh, what insatiable
slut have I turned
you into, Sophy... I
chuckle to myself as
I unzip my pants,
gesturing for her to
get down to
business.

Can I like suck
you off while
you play with
your remote
thingy?

I can feel Sophy down there, lowering my pants and fishing out my cock. But my attention is on the frozen Mrs. Martínez... What would I do to her?...

Mrs. Martínez always wore her hair kinda short... And I always thought she would look so much hotter with long hair...

Rapunzel

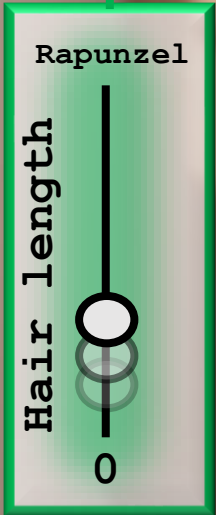

Hair length

0

So, I select Hair length from the menu, aim the remote at her again, and bam – Let your hair down, baby!

And as I see her
black hair flowing
down in long waves
down her shoulders,
I know I have been
right! It fits her
perfectly!

She looks absolutely
stunning! Instant
hard-on beauty!

And I'm not only
saying this because
Sophy is giving her
best down there!

But of course, she is
happily playing with my
boner. **chuckle**

Anyway, back to Mrs. Martínez! I was not done with her yet... and for what I had planned next... I first wanted to ensure a better view of her body...

Zaap

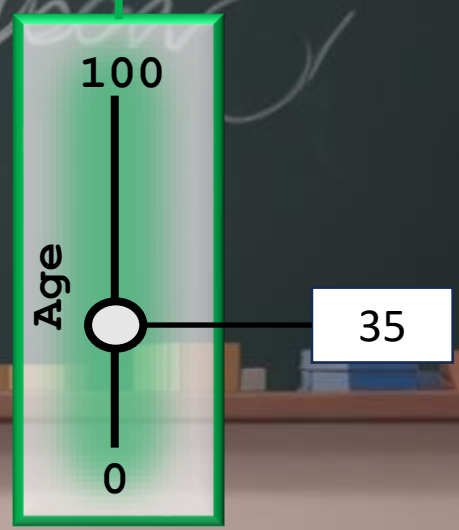

Zaap

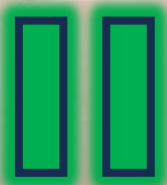

I watch in awe as first her blouse transforms into a halter top, and then her long skirt becomes pleated and rises up to half thigh-height!

She knew how to dress... Now with the new clothing on, one could see time had taken its toll on her body... her belly almost spilling over her skirt... flabby upper arms... all in all... a bit chubby... still not bad but a bit chubby...

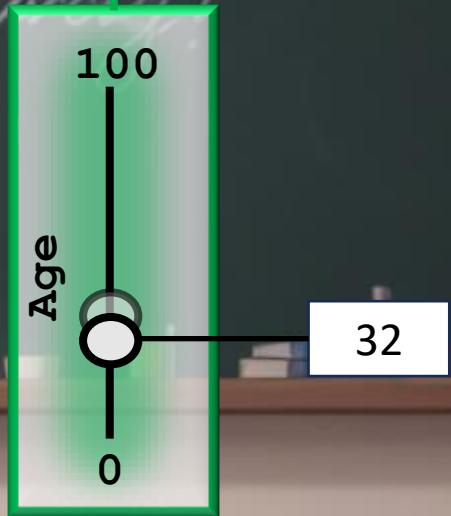

I aim the remote at her again, thinking: "Why not offer her a second lease on life?"
chuckle

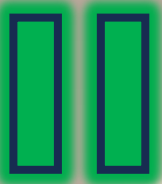

I select age and slowly drag the slider down, reducing her original age of 35...

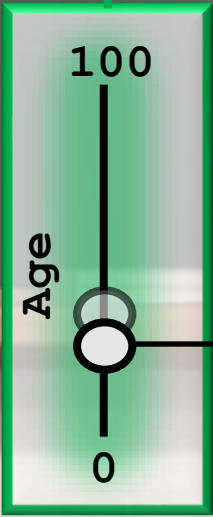

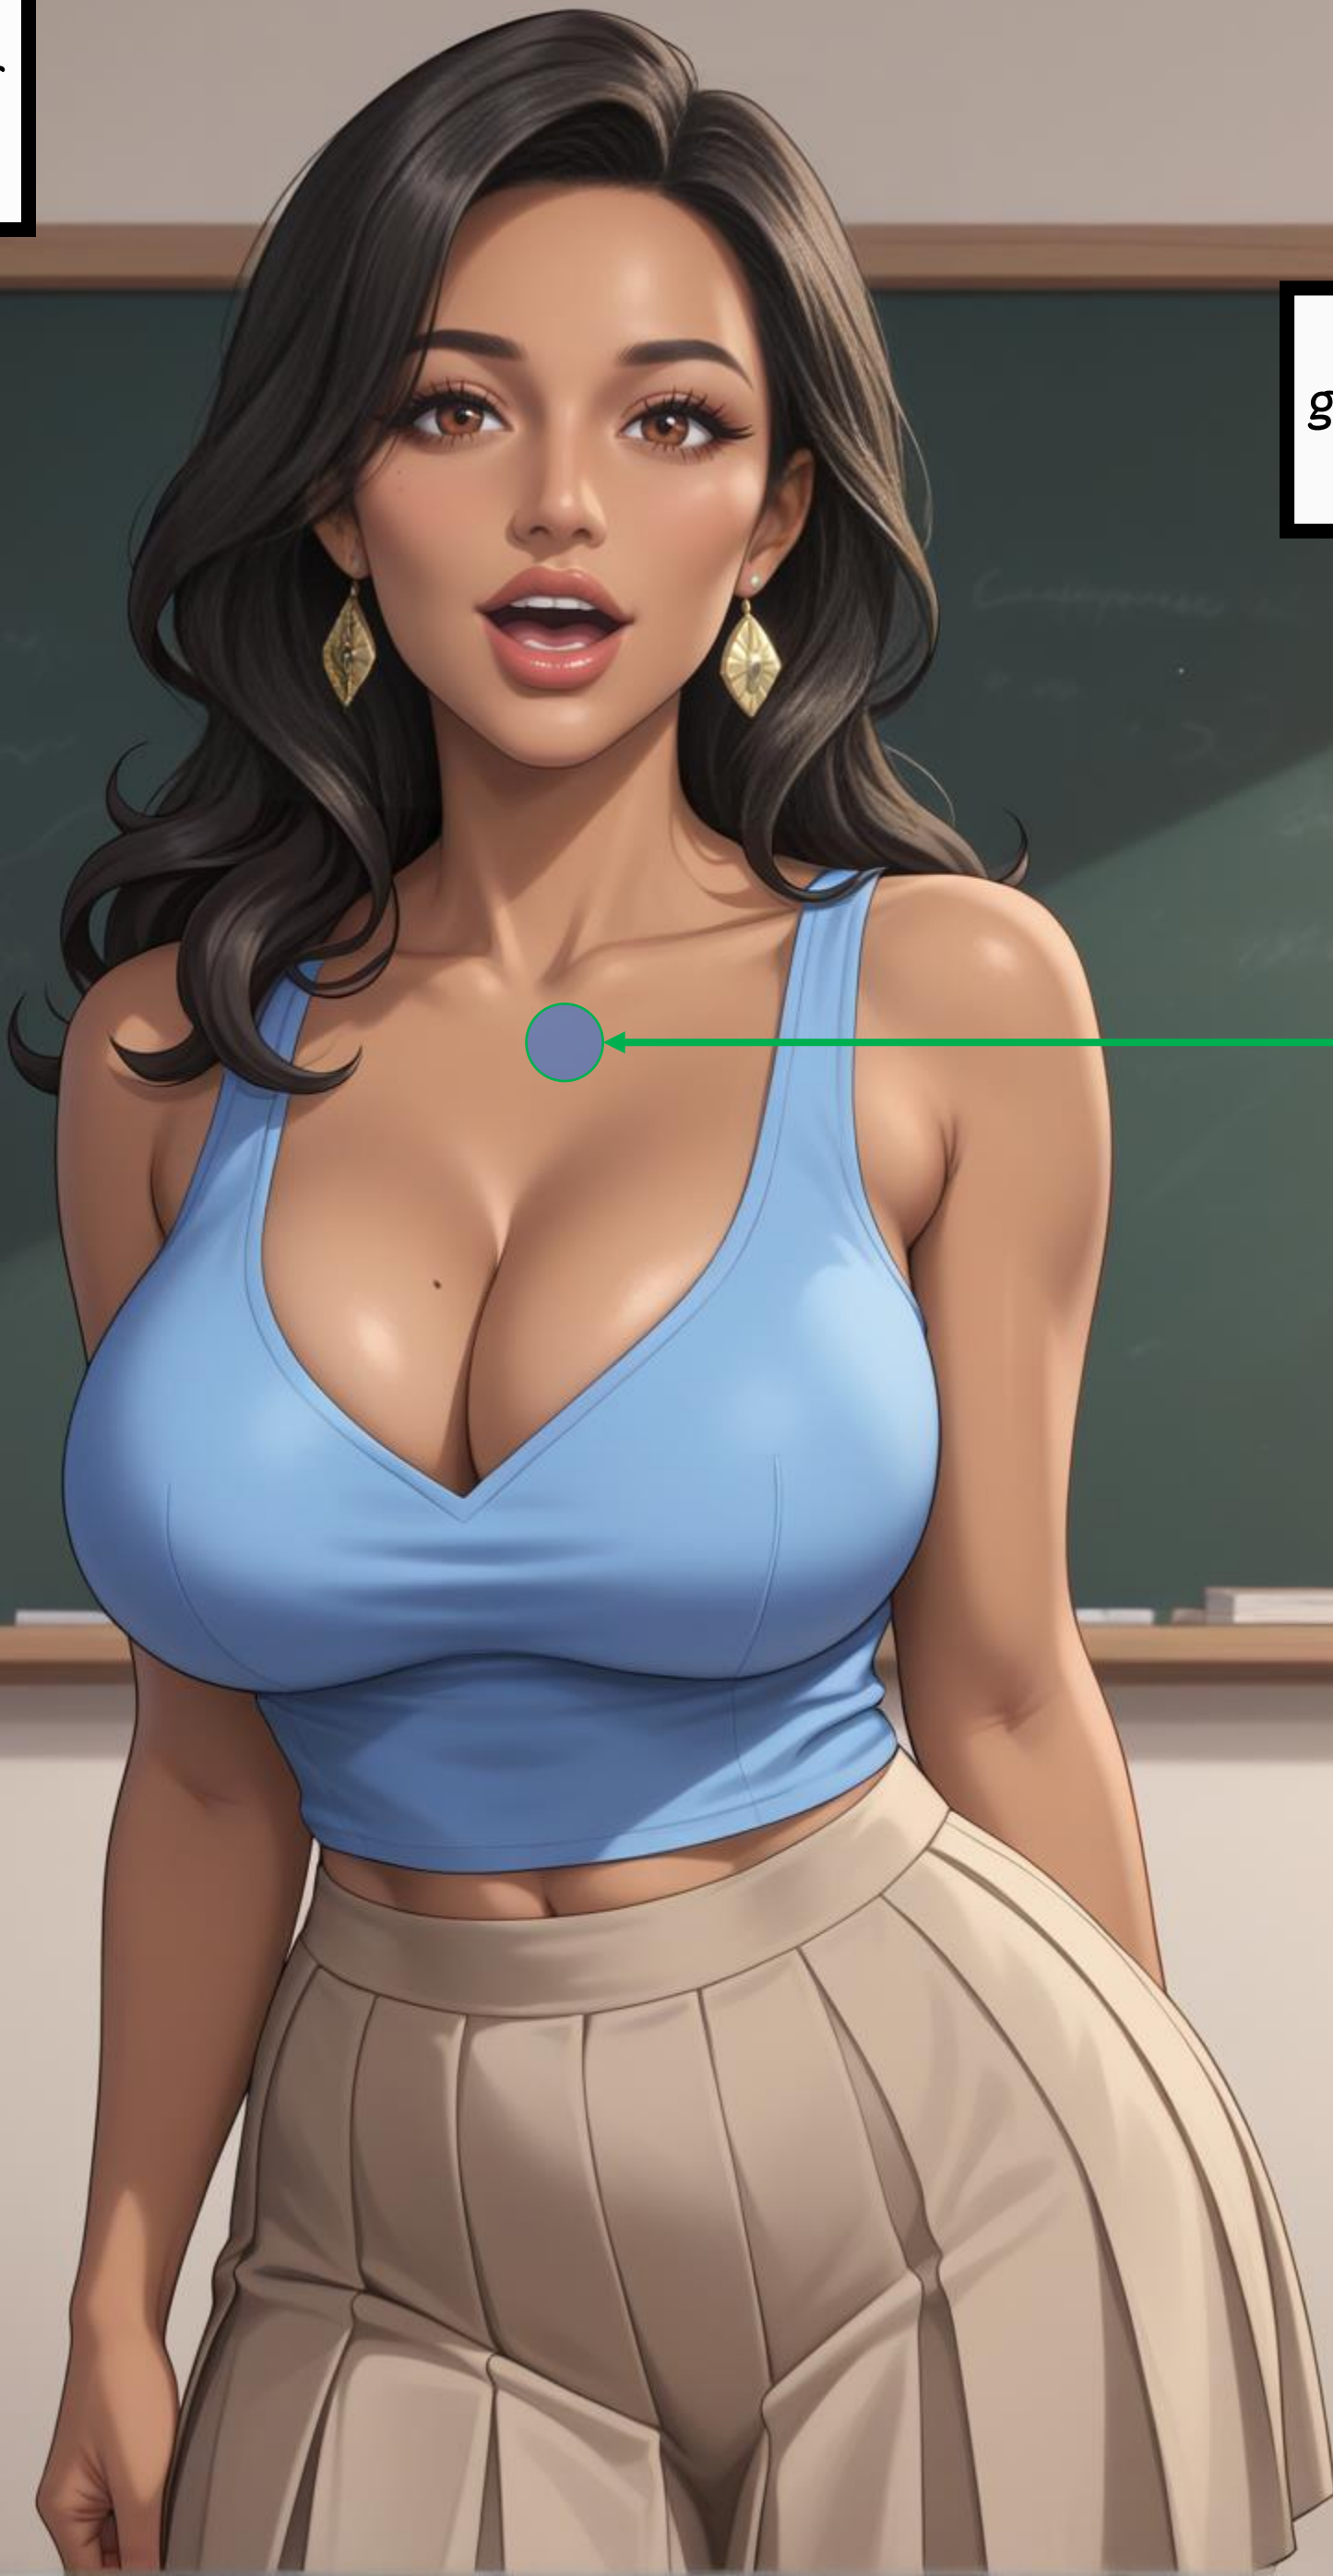

Three years is already enough to see quite the shift in her weight...

But going back another 4 years. Holy smokes!

I can see her breasts get firmer and her body getting more toned!

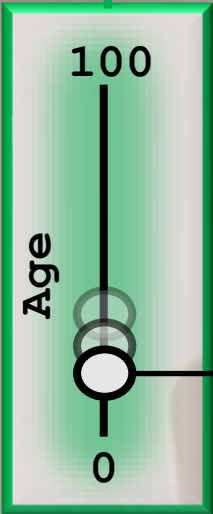

28

I keep sliding down and watch her sprout a six-pack and some serious muscles!

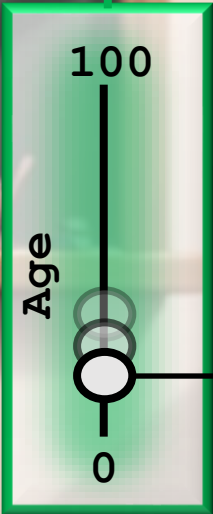

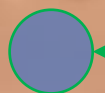

Mrs. Martínez!
Were you a gym bunny in your early days?!

24

I keep pulling down that slider and watch her facial features get younger and younger.

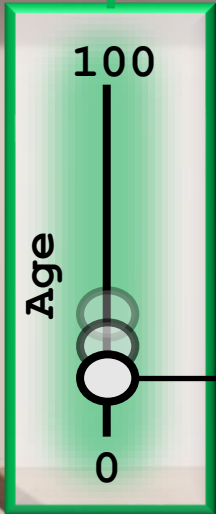

21

Obviously, I halt the slider at exactly eighteen.

Her breasts are a perky peak of perfection. Her flat belly - toned with muscles, and her thighs – still thick, but smooth and firm. **Wow!**

18

Changing Mrs.
Martínez really got me
all hot and bothered...
and Sophia was doing a
damn good job down
there...

**Shoot your load
inside Sophia's
mouth.**

Looking down into Sophia's big green eyes – her huge breasts wobbling up and down with every bob she does – I decide to let go...

And I empty my balls into her waiting mouth without warning.

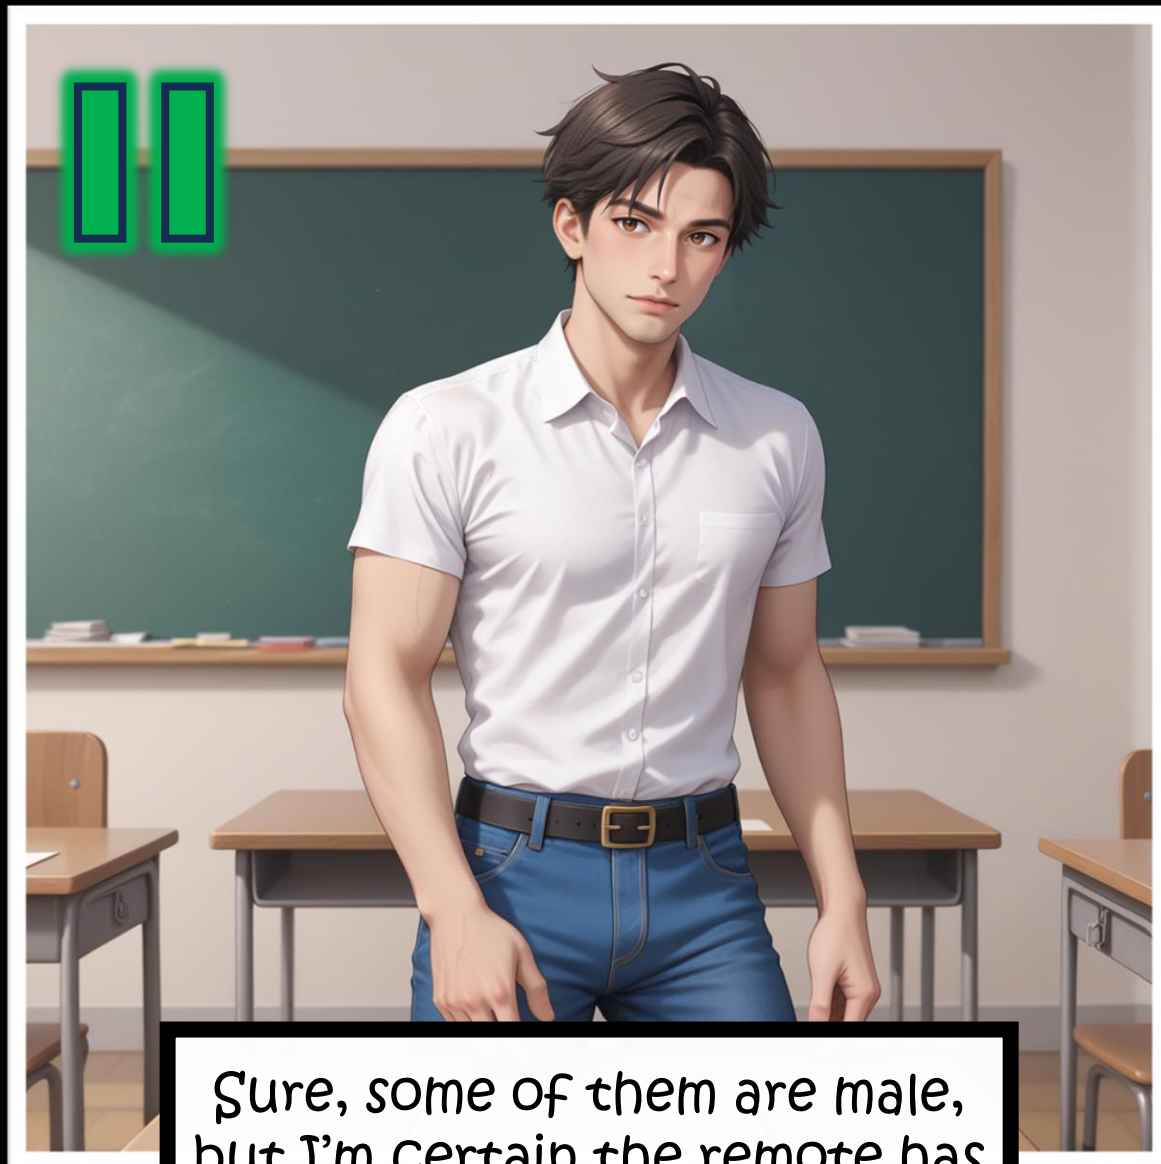

I wuv yurh
cumm,
babehh—

drip

Sophia happily shows me the contents of her mouth as my cum slowly drips down her chin into her enormous cleavage.

But what am I doing?! I can have Sophia anytime now...

Sure, some of them are male, but I'm certain the remote has a fix for that...

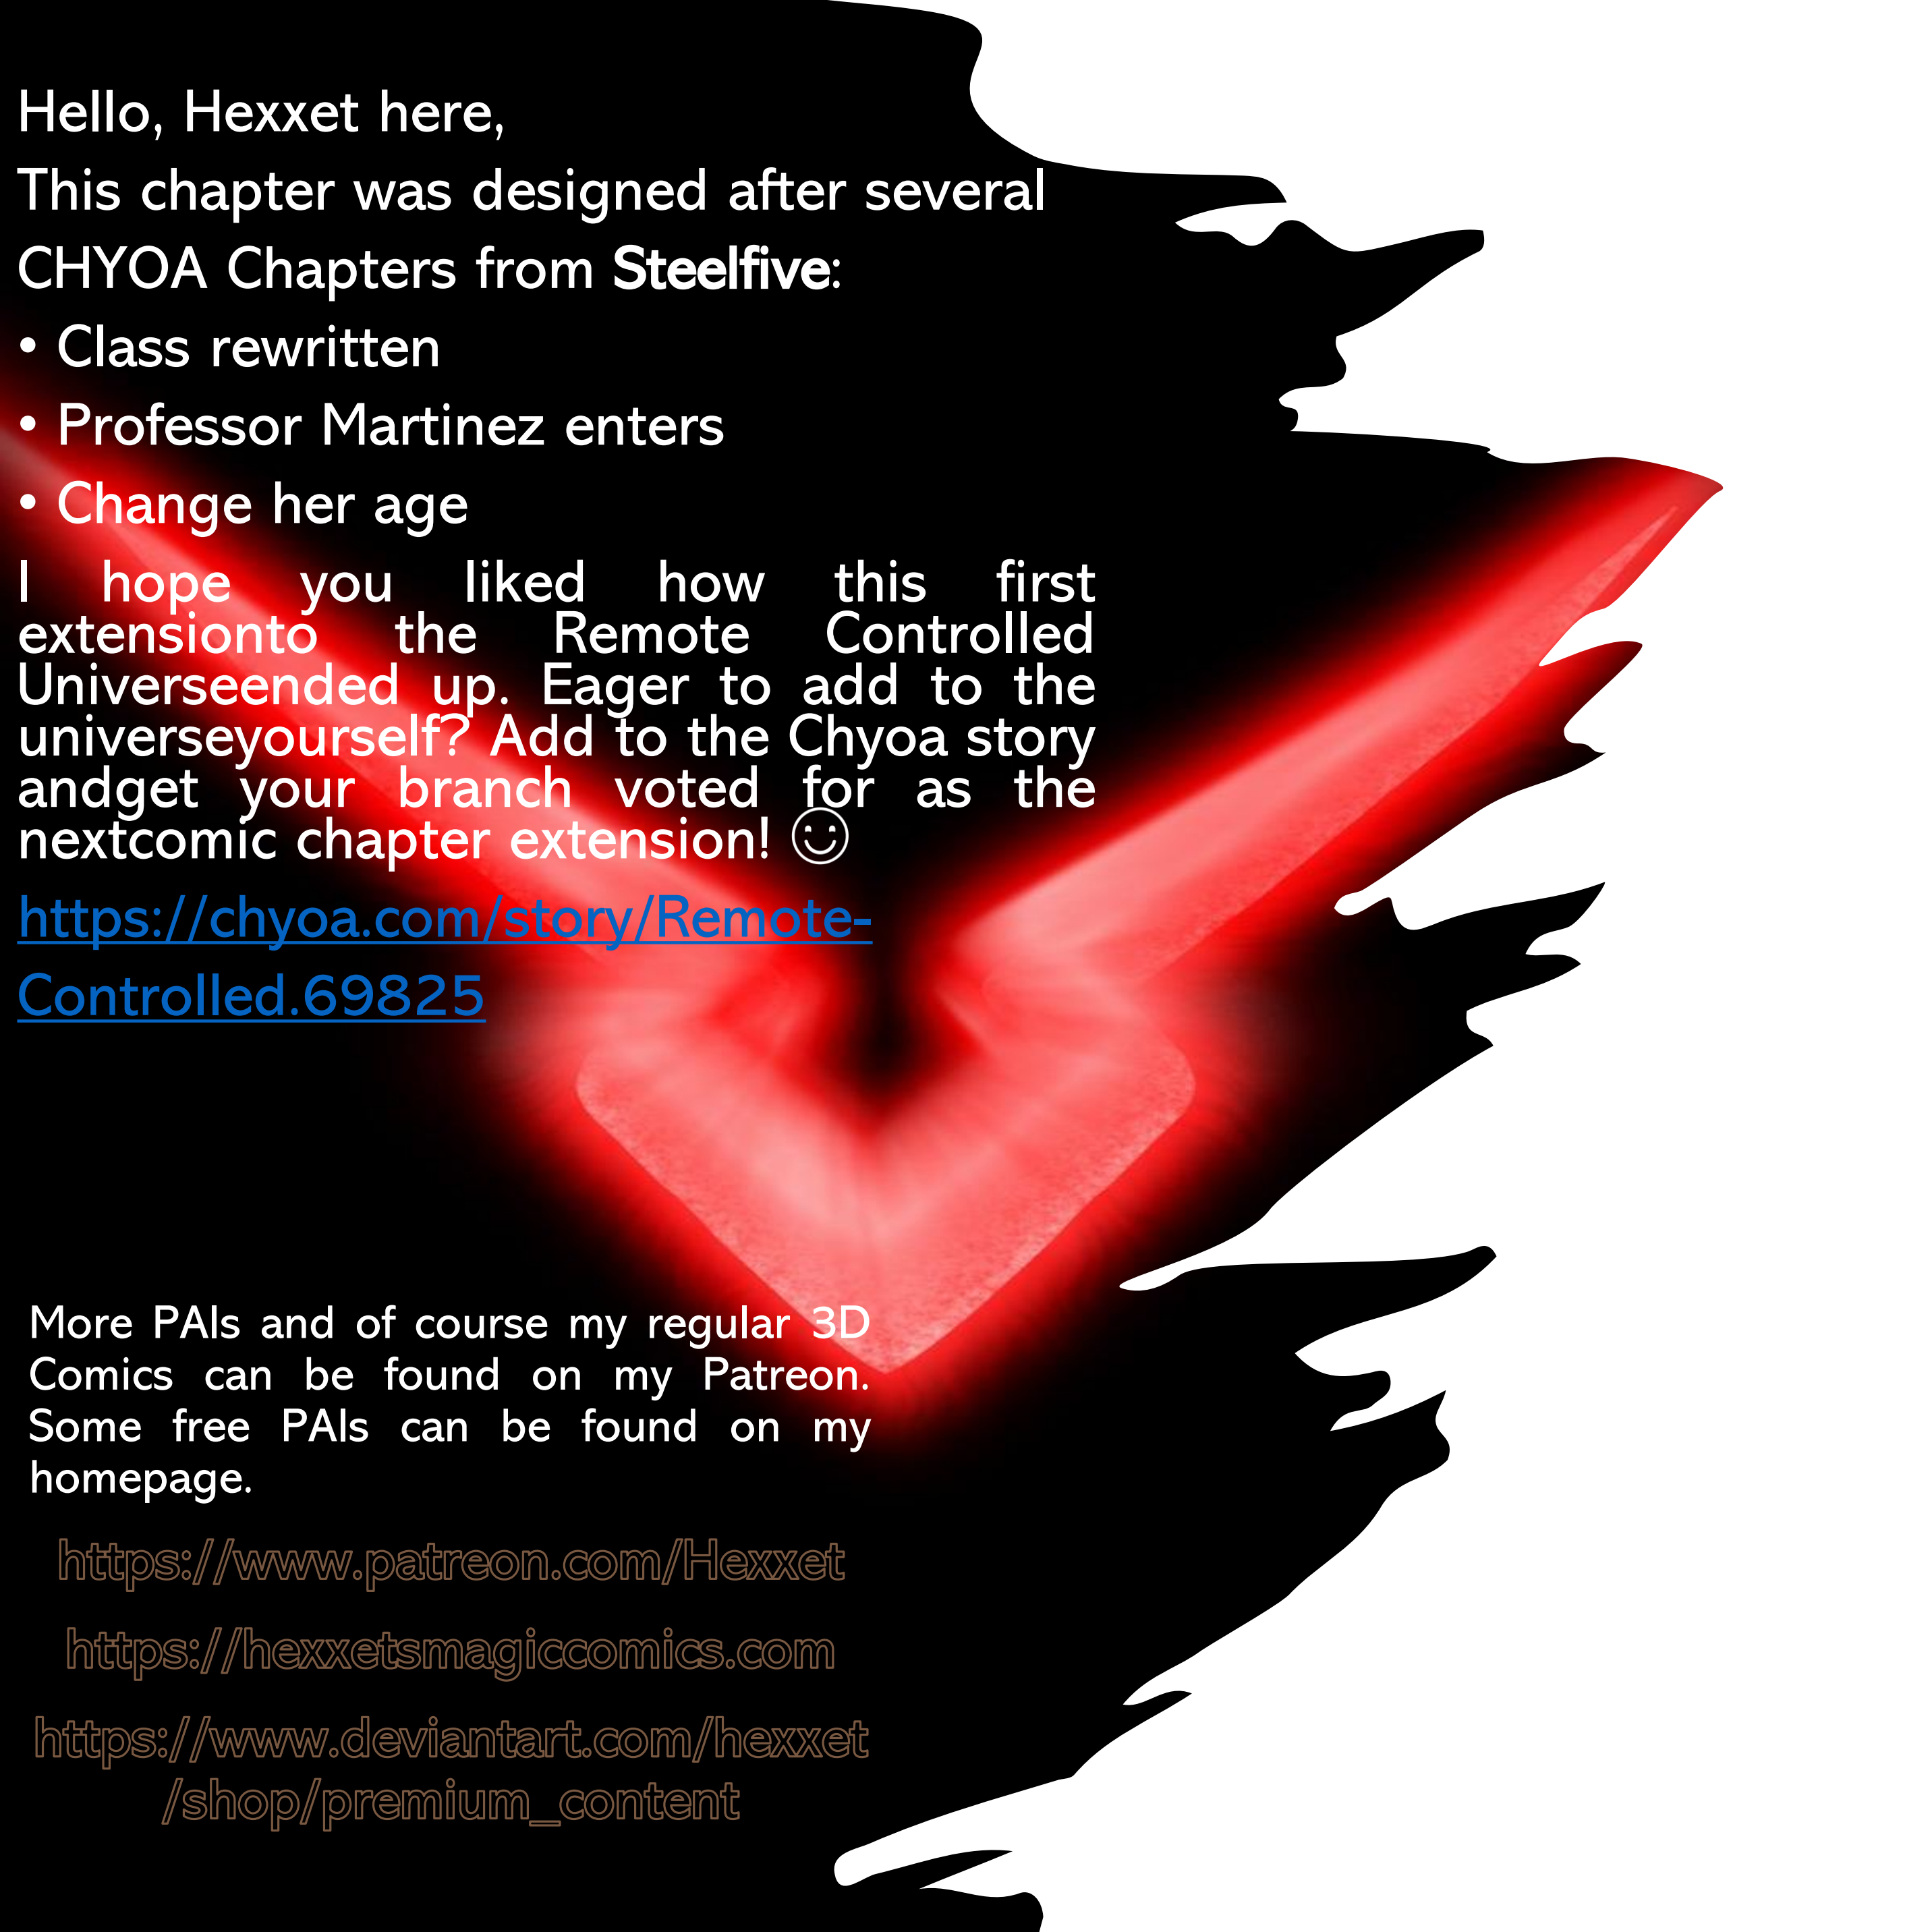

What would I do next?

I'm in a Classroom full of frozen students ...

And I've just turned my teacher into an 18-year version of herself – and she was hot!

Hello, Hexxet here,
This chapter was designed after several
CHYOA Chapters from **Steelfive**:

- Class rewritten
- Professor Martinez enters
- Change her age

I hope you liked how this first
extension to the Remote Controlled
Universe ended up. Eager to add to the
universe yourself? Add to the Chyoa story
and get your branch voted for as the
next comic chapter extension! 😊
