Last time at my father's office, I enjoyed the benefits of the program as I issued a new dress code "Lingerie Monday"...

And holy cow, that did turn out pretty sexy!

In addition, masturbation breaks
are now encouraged...

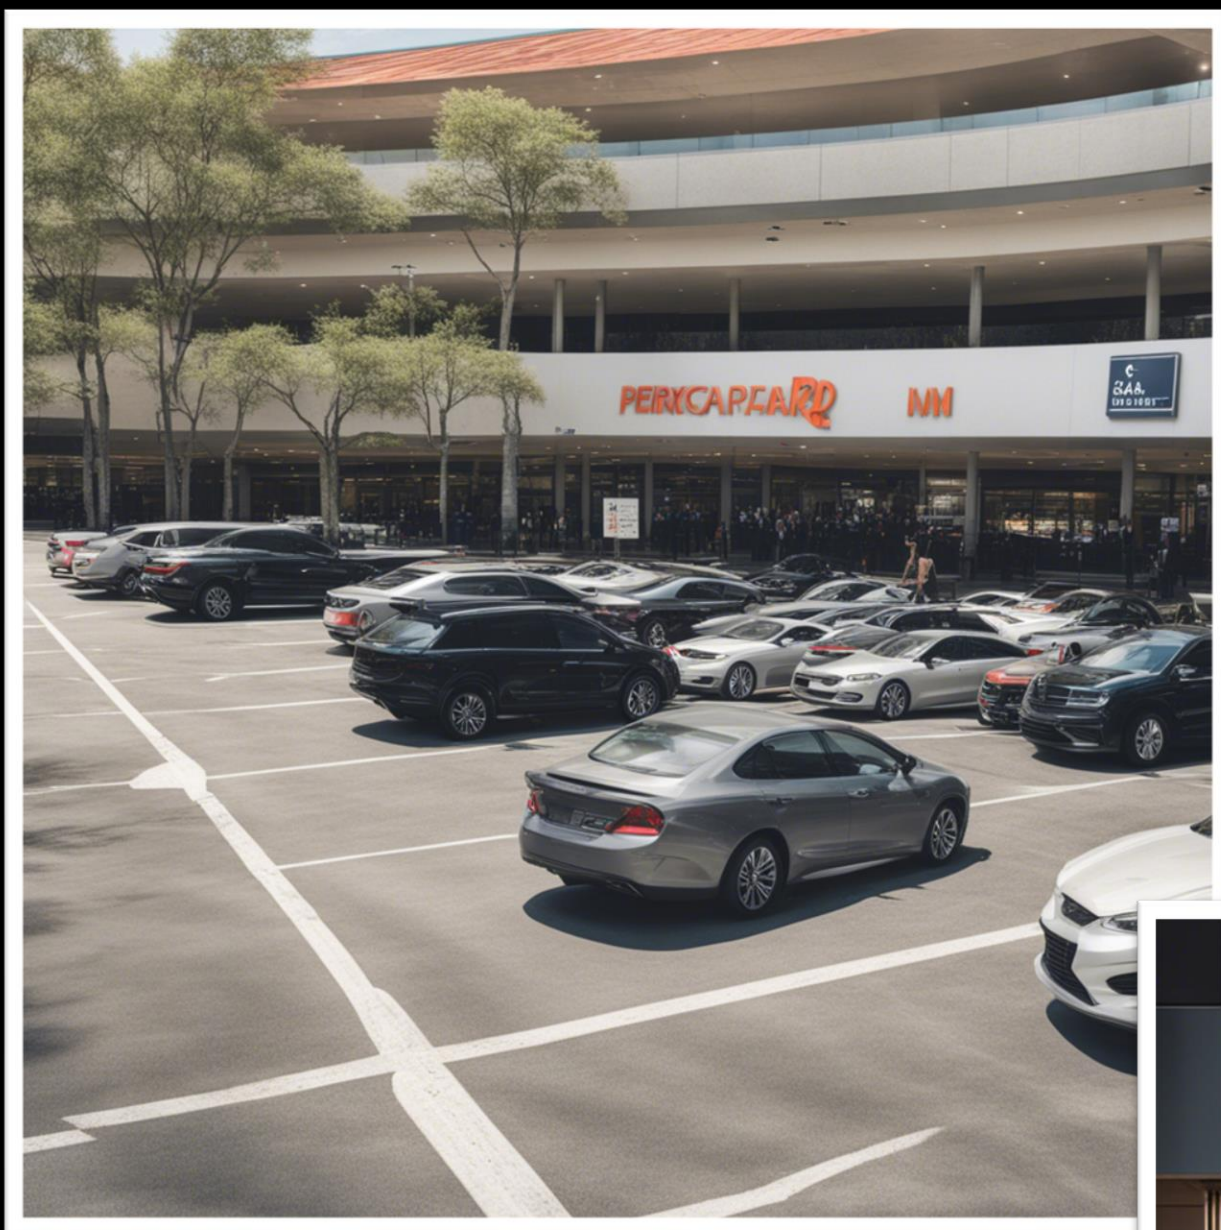

Oh, and I'm now the Office's
official Pussy inspector!

Can we speed
this up? As I
said, I got a job
to do.

But that was yesterday, I think to myself
as I enter the company's parking lot.

Today's a different day! Today is...

Schoolgirl Tuesday!

What are
you looking
at?

Lin catches me staring at her
new uniform, and I quickly move
on with a smile on my face.

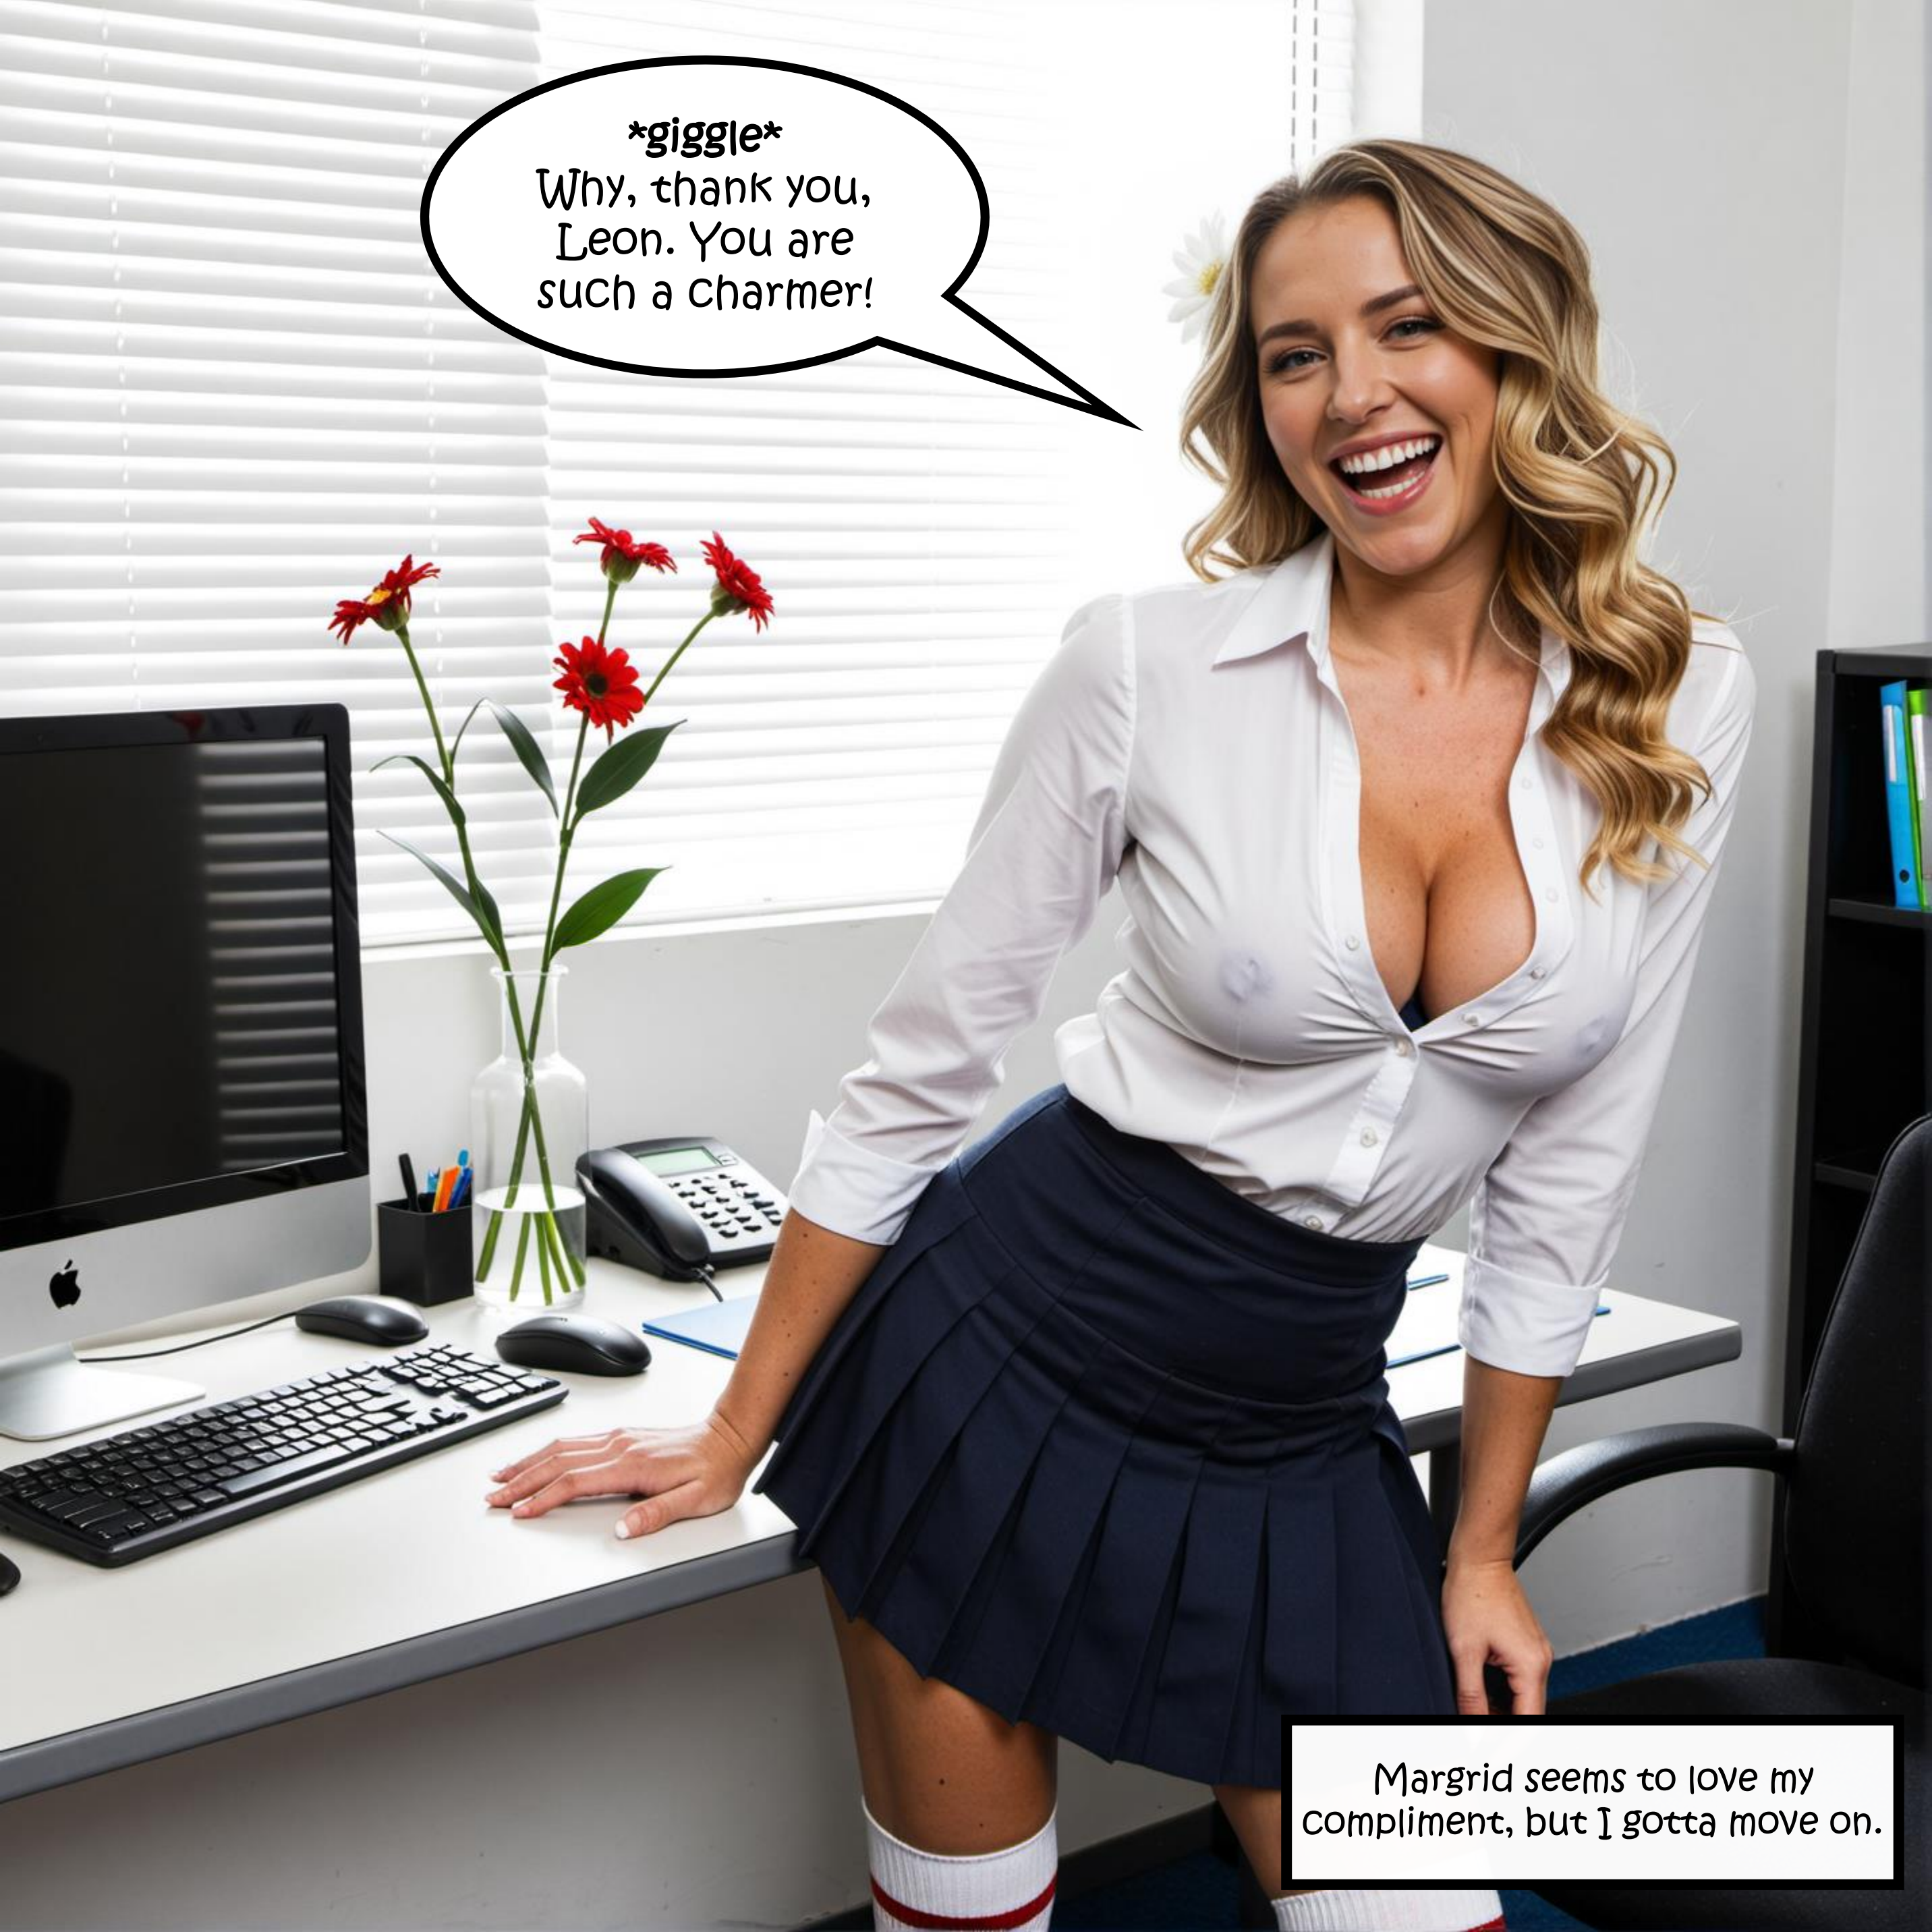

It had worked! All the women at the office are wearing skimpy schoolgirl uniforms to work! I know I probably shouldn't be surprised by this any longer... but it still is a blast!

Good morning, Leon!

Good morning Margrid!

If I may, that outfit makes you look absolutely stunning!

giggle
Why, thank you,
Leon. You are
such a charmer!

Margrid seems to love my
compliment, but I gotta move on.

I enter HR, my workplace, and am greeted by a marvellous view.

Good morning, Leon!

Mrs. Hallaway, or Gina, is wearing a school uniform far too tight for her immense cleavage!

Oh, yeah, Emma is there as well, picking something up or whatever...

Morning!
Ready for your second day working in HR, Leon?

Absolutely!

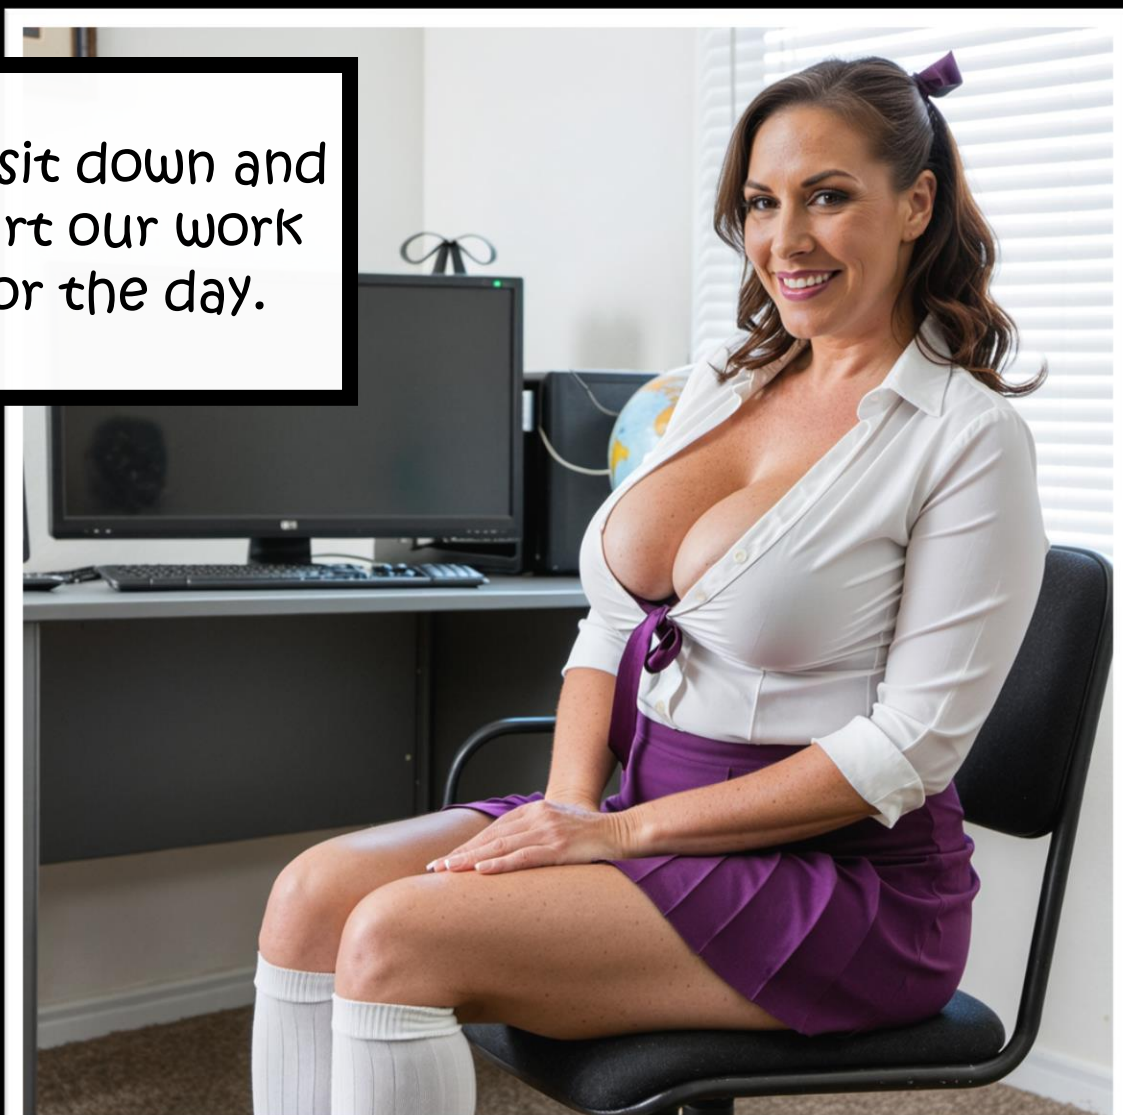

After a short conversation with Gina, who is a bit insecure about her top being inappropriate... Of course, I reassure her it's totally fine on Schoolgirl Tuesday! - And that her clothes make her appear a good 5 years younger...

Thanks, Leon!

We sit down and start our work for the day.

Those two start working on whatever HR stuff they were about to do before I came in, and I... start up the program...

Name: Gina Hallaway
Age: 44
Height: 175 cm
Weight: 68 kg
...
Job: Chef of HR

Job Description:
Gina Hallaway is the chef of HR, overseeing all HR related matters, including the Hiring process, salary payouts, Personal data management, and everyday inter-personnel work.

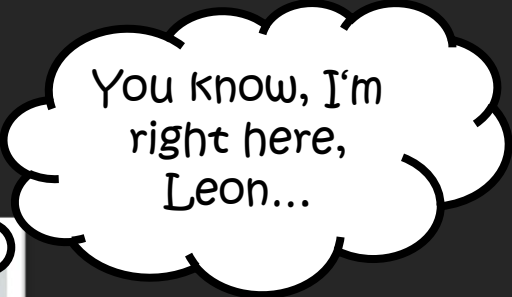

The statement I made before stuck in my head, I open Gina’s profile... “You look 5 years younger in that outfit”...

Now, while I really do appreciate a mature lady in a fetish schoolgirl outfit... I wanted to see how it would look on a woman closer to an actual senior year schoolgirl...

Emma Bonnet: 19 years old...

And so, I click the “Physical Attribute” Button under Gina’s picture.

A new window pops up, still displaying Gina as she sits on her chair, but with a ton of attributes – some displayed in combo boxes, some as sliders.

I home in on the **age attribute**... and click the minus button next to it.

The feed of her changes... but did she just switch position in her seat, or does she look younger?

I keep holding down the
“Minus”-Button and look at
Gina in the real world...

Age: 38

Holy!...
Yup... it is working!

Age: 31

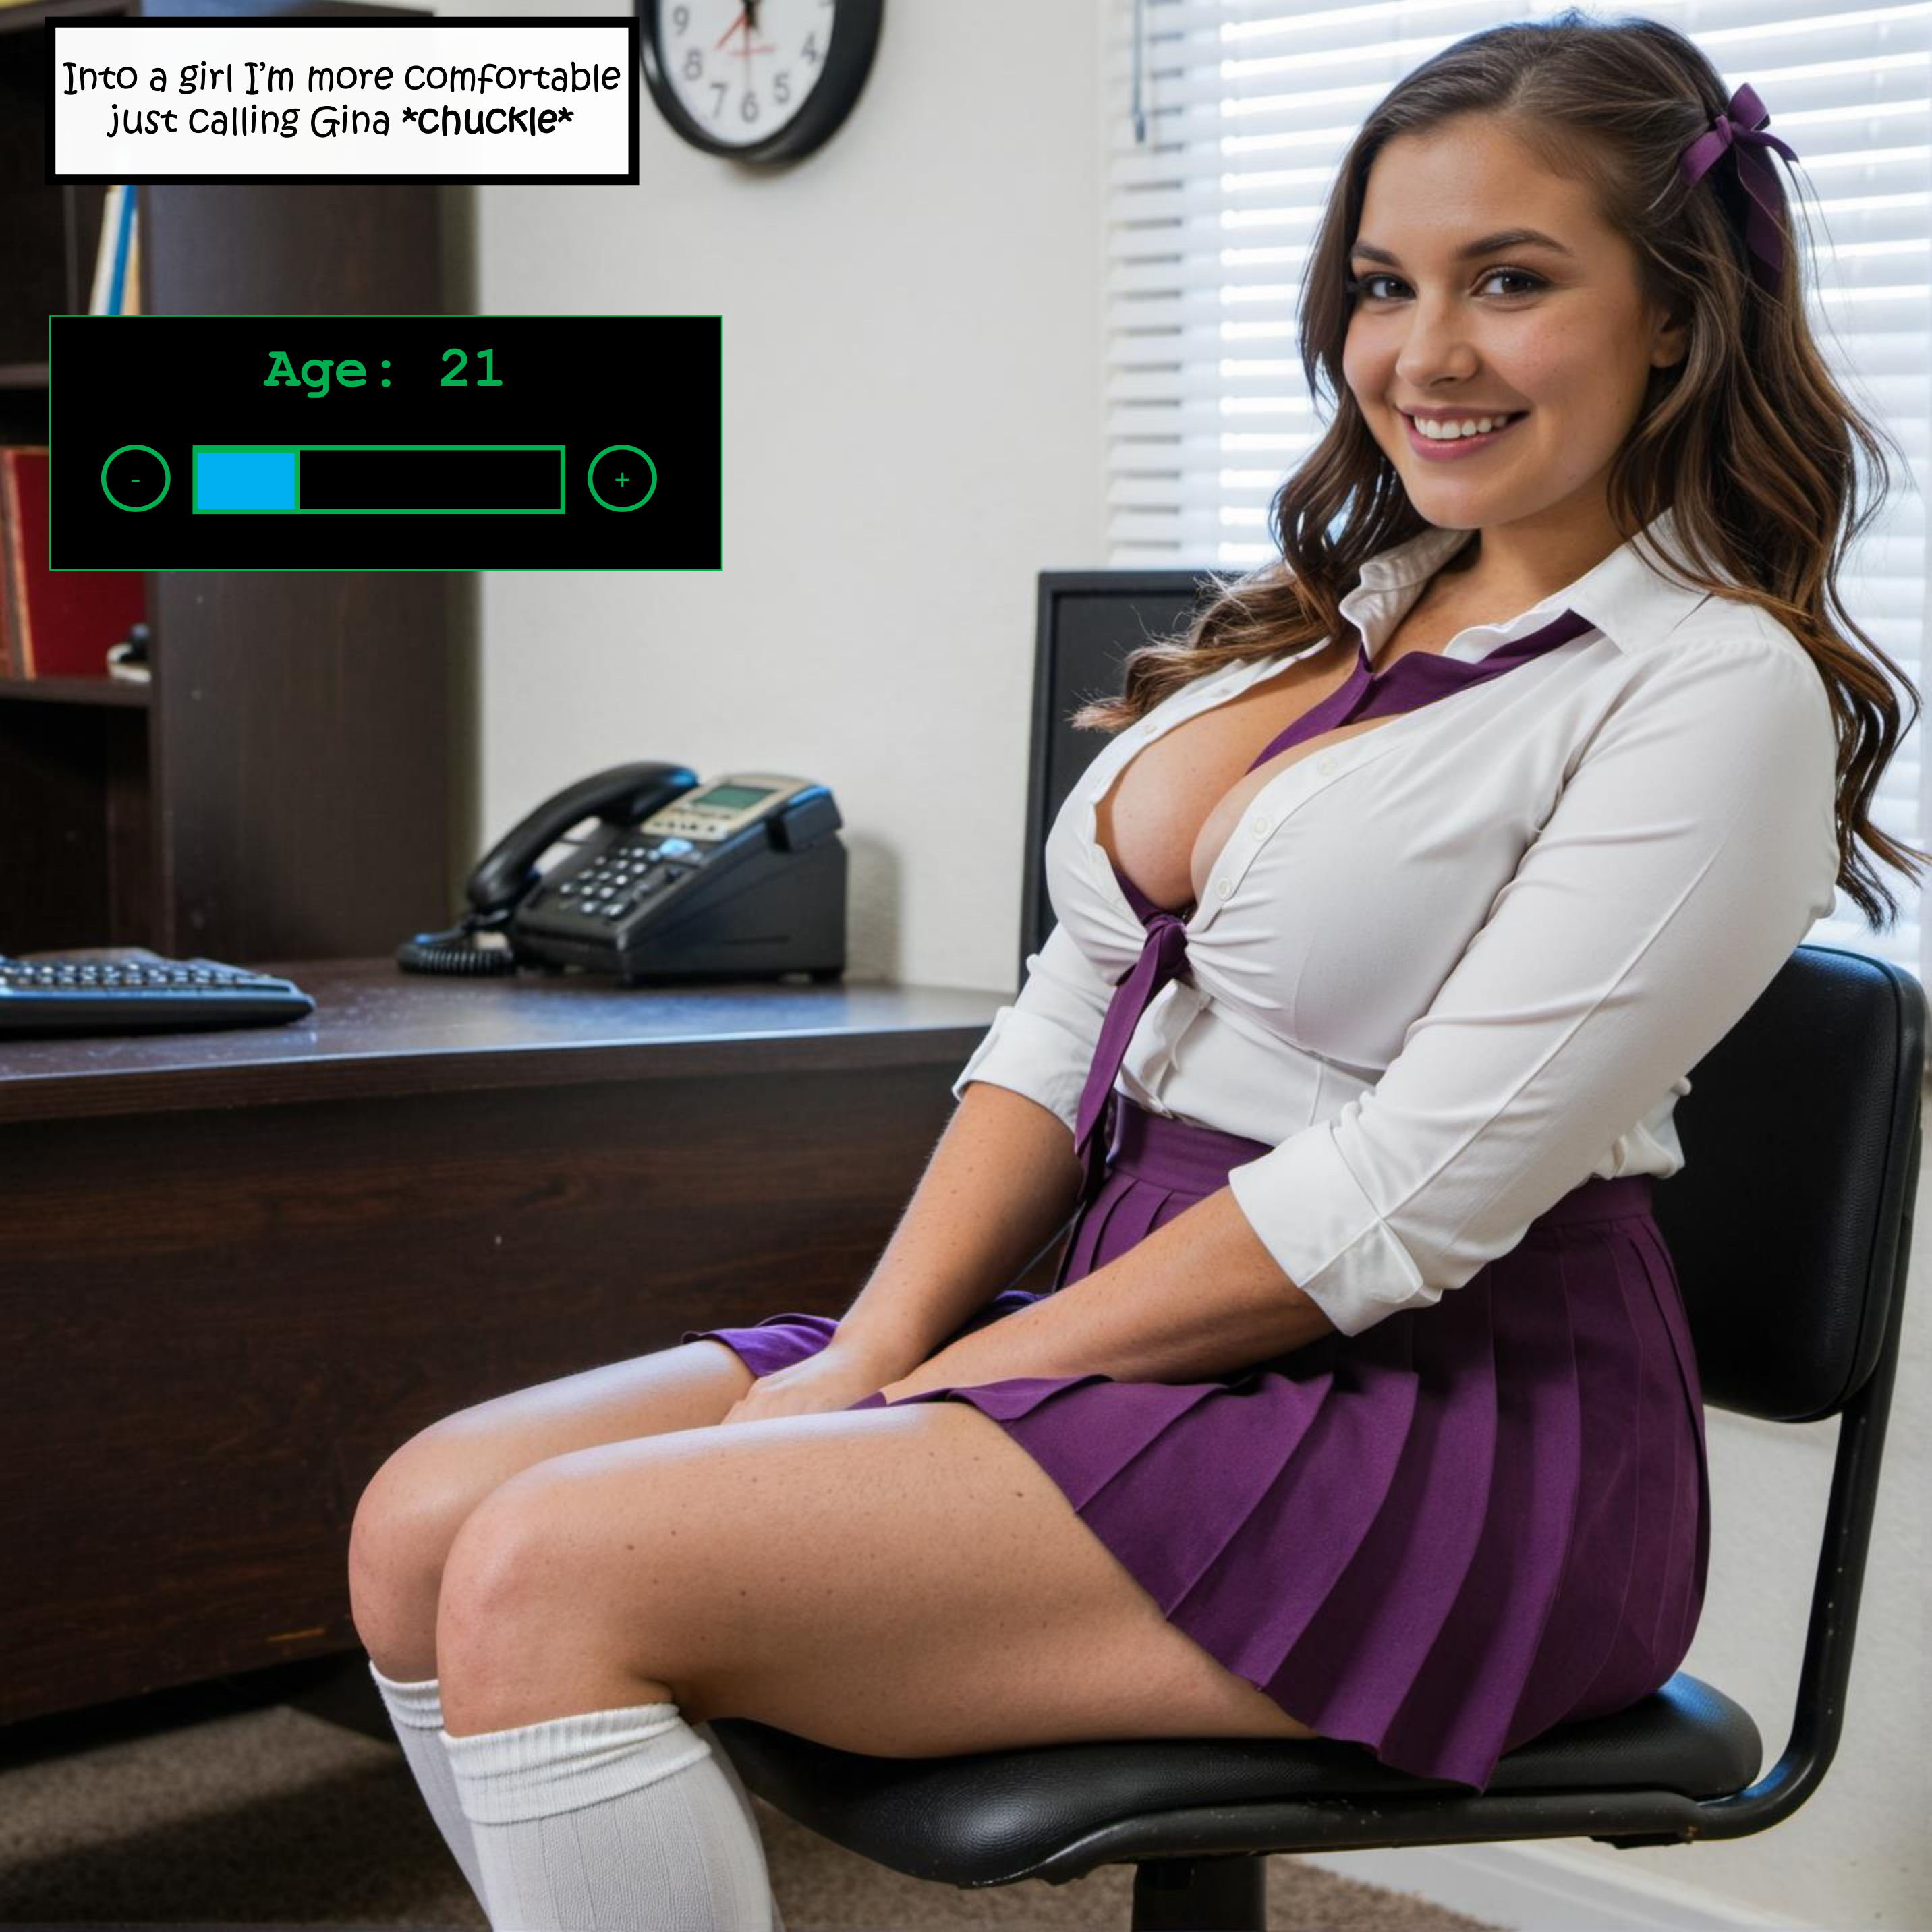

Before my eyes, Mrs.
Hallaway... regresses...

Age: 25

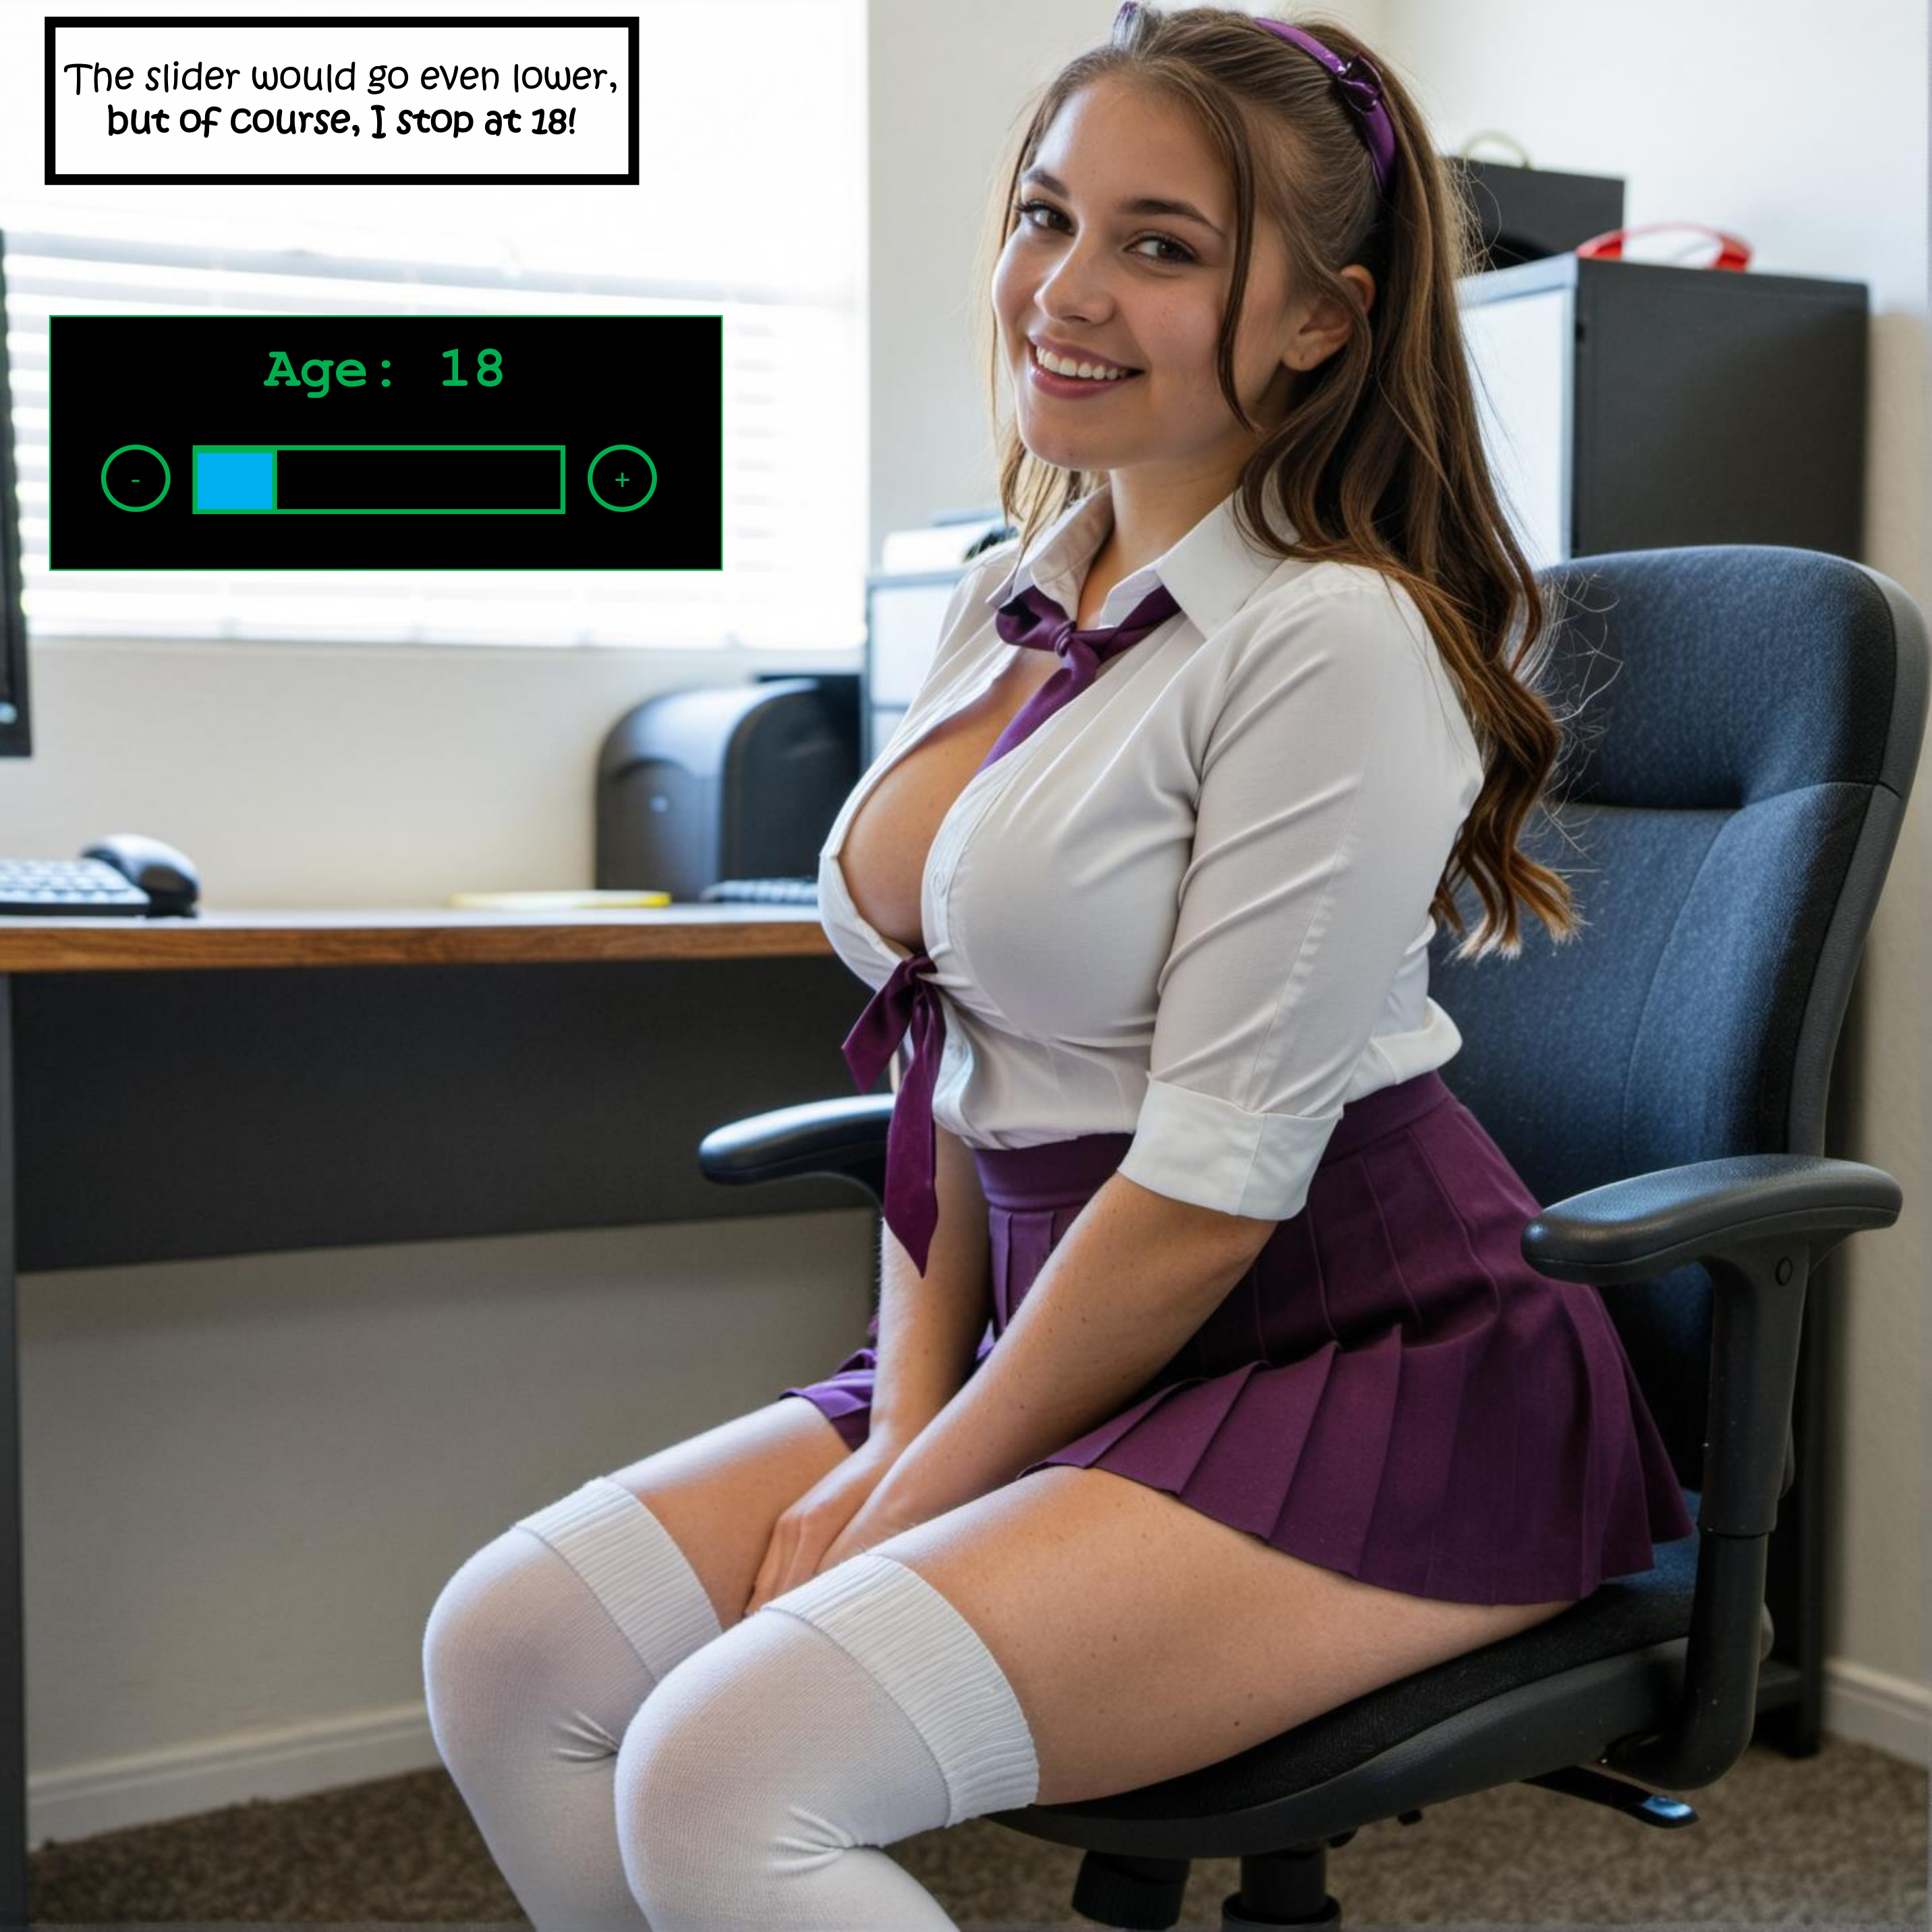

Into a girl I'm more comfortable
just calling Gina *chuckle*

Age: 21

The slider would go even lower,
but of course, I stop at 18!

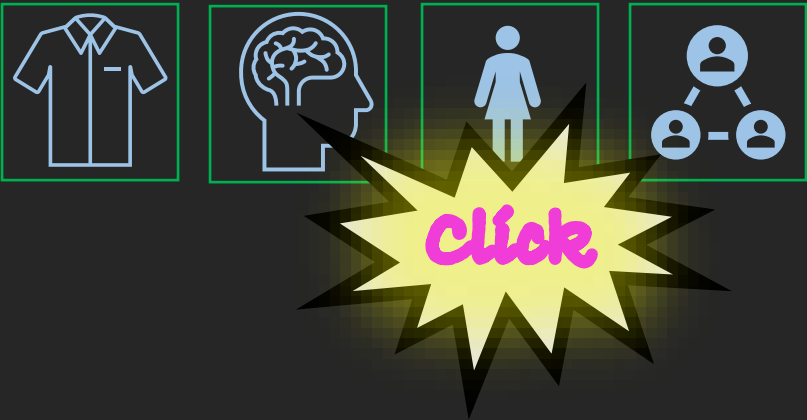

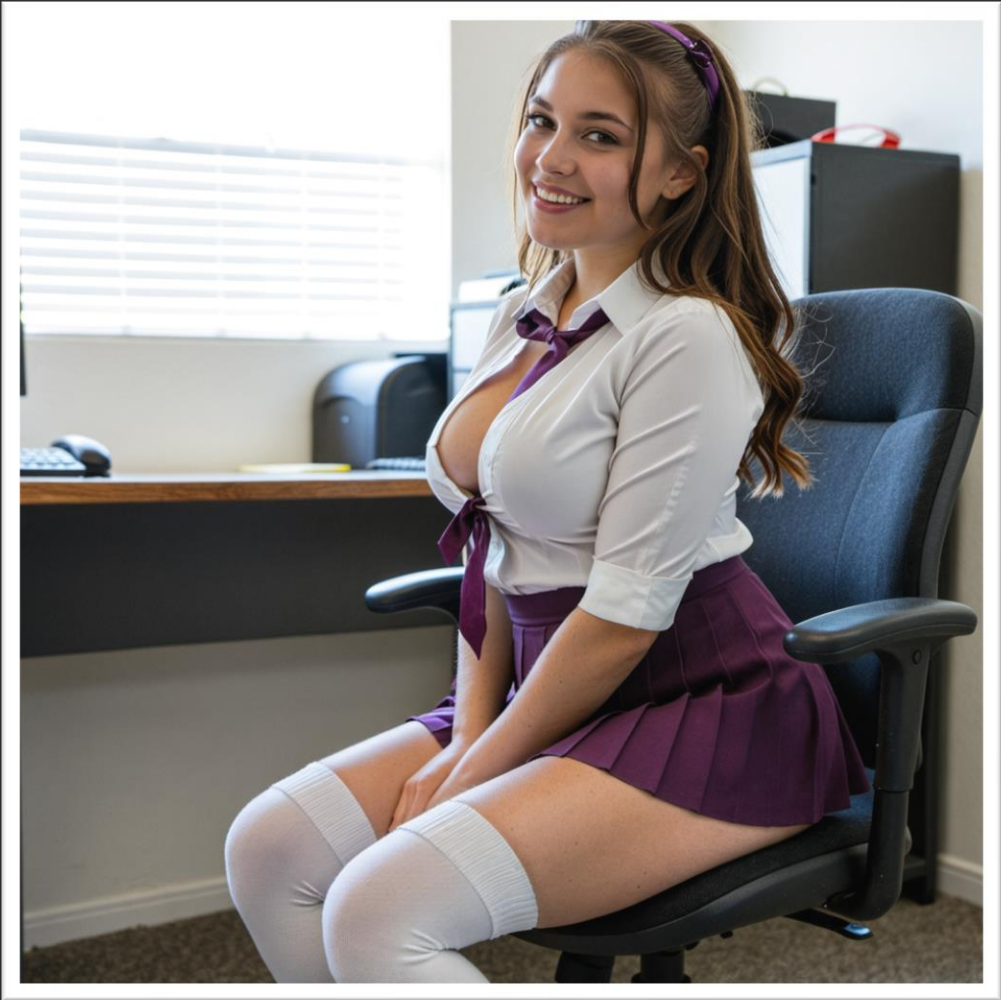

Age: 18

I close the physical attribute menu again.
Gina was now at an age when most girls
still go to school. **chuckle**

But she was still the chef or HR. Aside
from her age, and in correlation, her
weight, nothing has changed. Cool! She
must be the youngest HR chief ever.
chuckle

I close the program, stand up, and walk over to her. She looks at me, her demeanor totally different than her former self.

Oh, hey.

She has lots more energy
and... moves and talks in a
more... cheeky way!

What's up,
Leaon?

A young woman with brown hair in pigtails, wearing a white short-sleeved button-down shirt with a purple bow at the neck, a purple pleated skirt, and white knee-high socks with purple stripes. She is sitting in a black office chair, looking directly at the camera with a surprised expression. The background shows a desk and a carpeted floor.

Surprise Pussy
inspections.

Woah!
Totally did
not see that
coming.

I'm in the
middle of
some work...

But of course,
this comes first.
What do you
need me to do?

Please help me
get my tool ready.
I think a “deep”
inspection is in
order today.

Oh, my. Of
course!

Playfully, Gina takes her breasts out of her tight blouse and gives me a mischievous smile – obviously, she has spotted my cock twitching at the sight of her boobs.

giggle

A young woman with long brown hair, wearing a purple headband, a white short-sleeved button-down shirt, a purple choker, and a purple pleated skirt, is sitting in a grey office chair. She is holding her breasts out of the top of her white shirt with both hands. She is smiling and looking towards the camera. The background shows an office setting with a desk and drawers.

She takes my cock into her hand, and gives it a long lick with her tongue...

Before wrapping her lips
around my tip...

kiss

Slowly starting to blow me.

SLURP

It did not take long, and I was hard and I pushed Gina's cock back off my cock, telling her...

Bend over the table, time for a proper inspection.

Obediently, Gina turns around and bends over the desk. Her ass is on perfect display as her tiny skirt is too short to cover it in that position.

Ready for inspection, Leon.

As I remove her panties, from
the corner of my eyes...

swish

I see Emma hiking up her skirt
and rubbing her Clit...

She must have
decided it was a
good time to take
her masturbation
break...

rub

I take one more look at that perfect pussy in front of me...

What are you waiting for?

I've got work to do...

Before I insert my cock into
Gina's juicy love hole!

insert

moan

I take her from behind
for a little while...

Oh, wow!
Your tool is
so big!

You really
can inspect
the deepest
corners of my
pussy with
that!

Before I tell her to
turn around.

It makes sense that
he has to do this in
various positions for
a proper inspection...

Yes, Leon.
On my back.

Gina's pussy was incredibly tight,
and fucking her felt amazing.

fap
fap
fap

moan

Oh, my!
I'm enjoying
this way too
much! It's just
an inspection!

Moan

Oh, wow!

I took Gina in various positions that morning...

Moan

Moan

Oh, god!
I'm cumming!

Moan

FUCK! It looks so
good! I wish he
were inspecting
mine!

Moan

Before I finally release my load
deep inside her nether folds.

pant
pant

squirt

As I pull out from Gina, I can hear Emma scream in orgasm as well. What a funny timing, I chuckle to myself...

Moan

As I inspect my work...
He-he! I properly Creampied
that puss puss!

A woman with long brown hair, wearing a white button-down shirt and a purple pleated skirt, is sitting on a wooden desk in an office. She is looking towards the camera with a slight smile. She has purple bows in her hair and is wearing purple knee-high socks. The background includes a clock on the wall, a window with blinds, and a desk with a book and a chair.

And?
Is everything
alright with my
pussy?

Am I good to
continue
working?

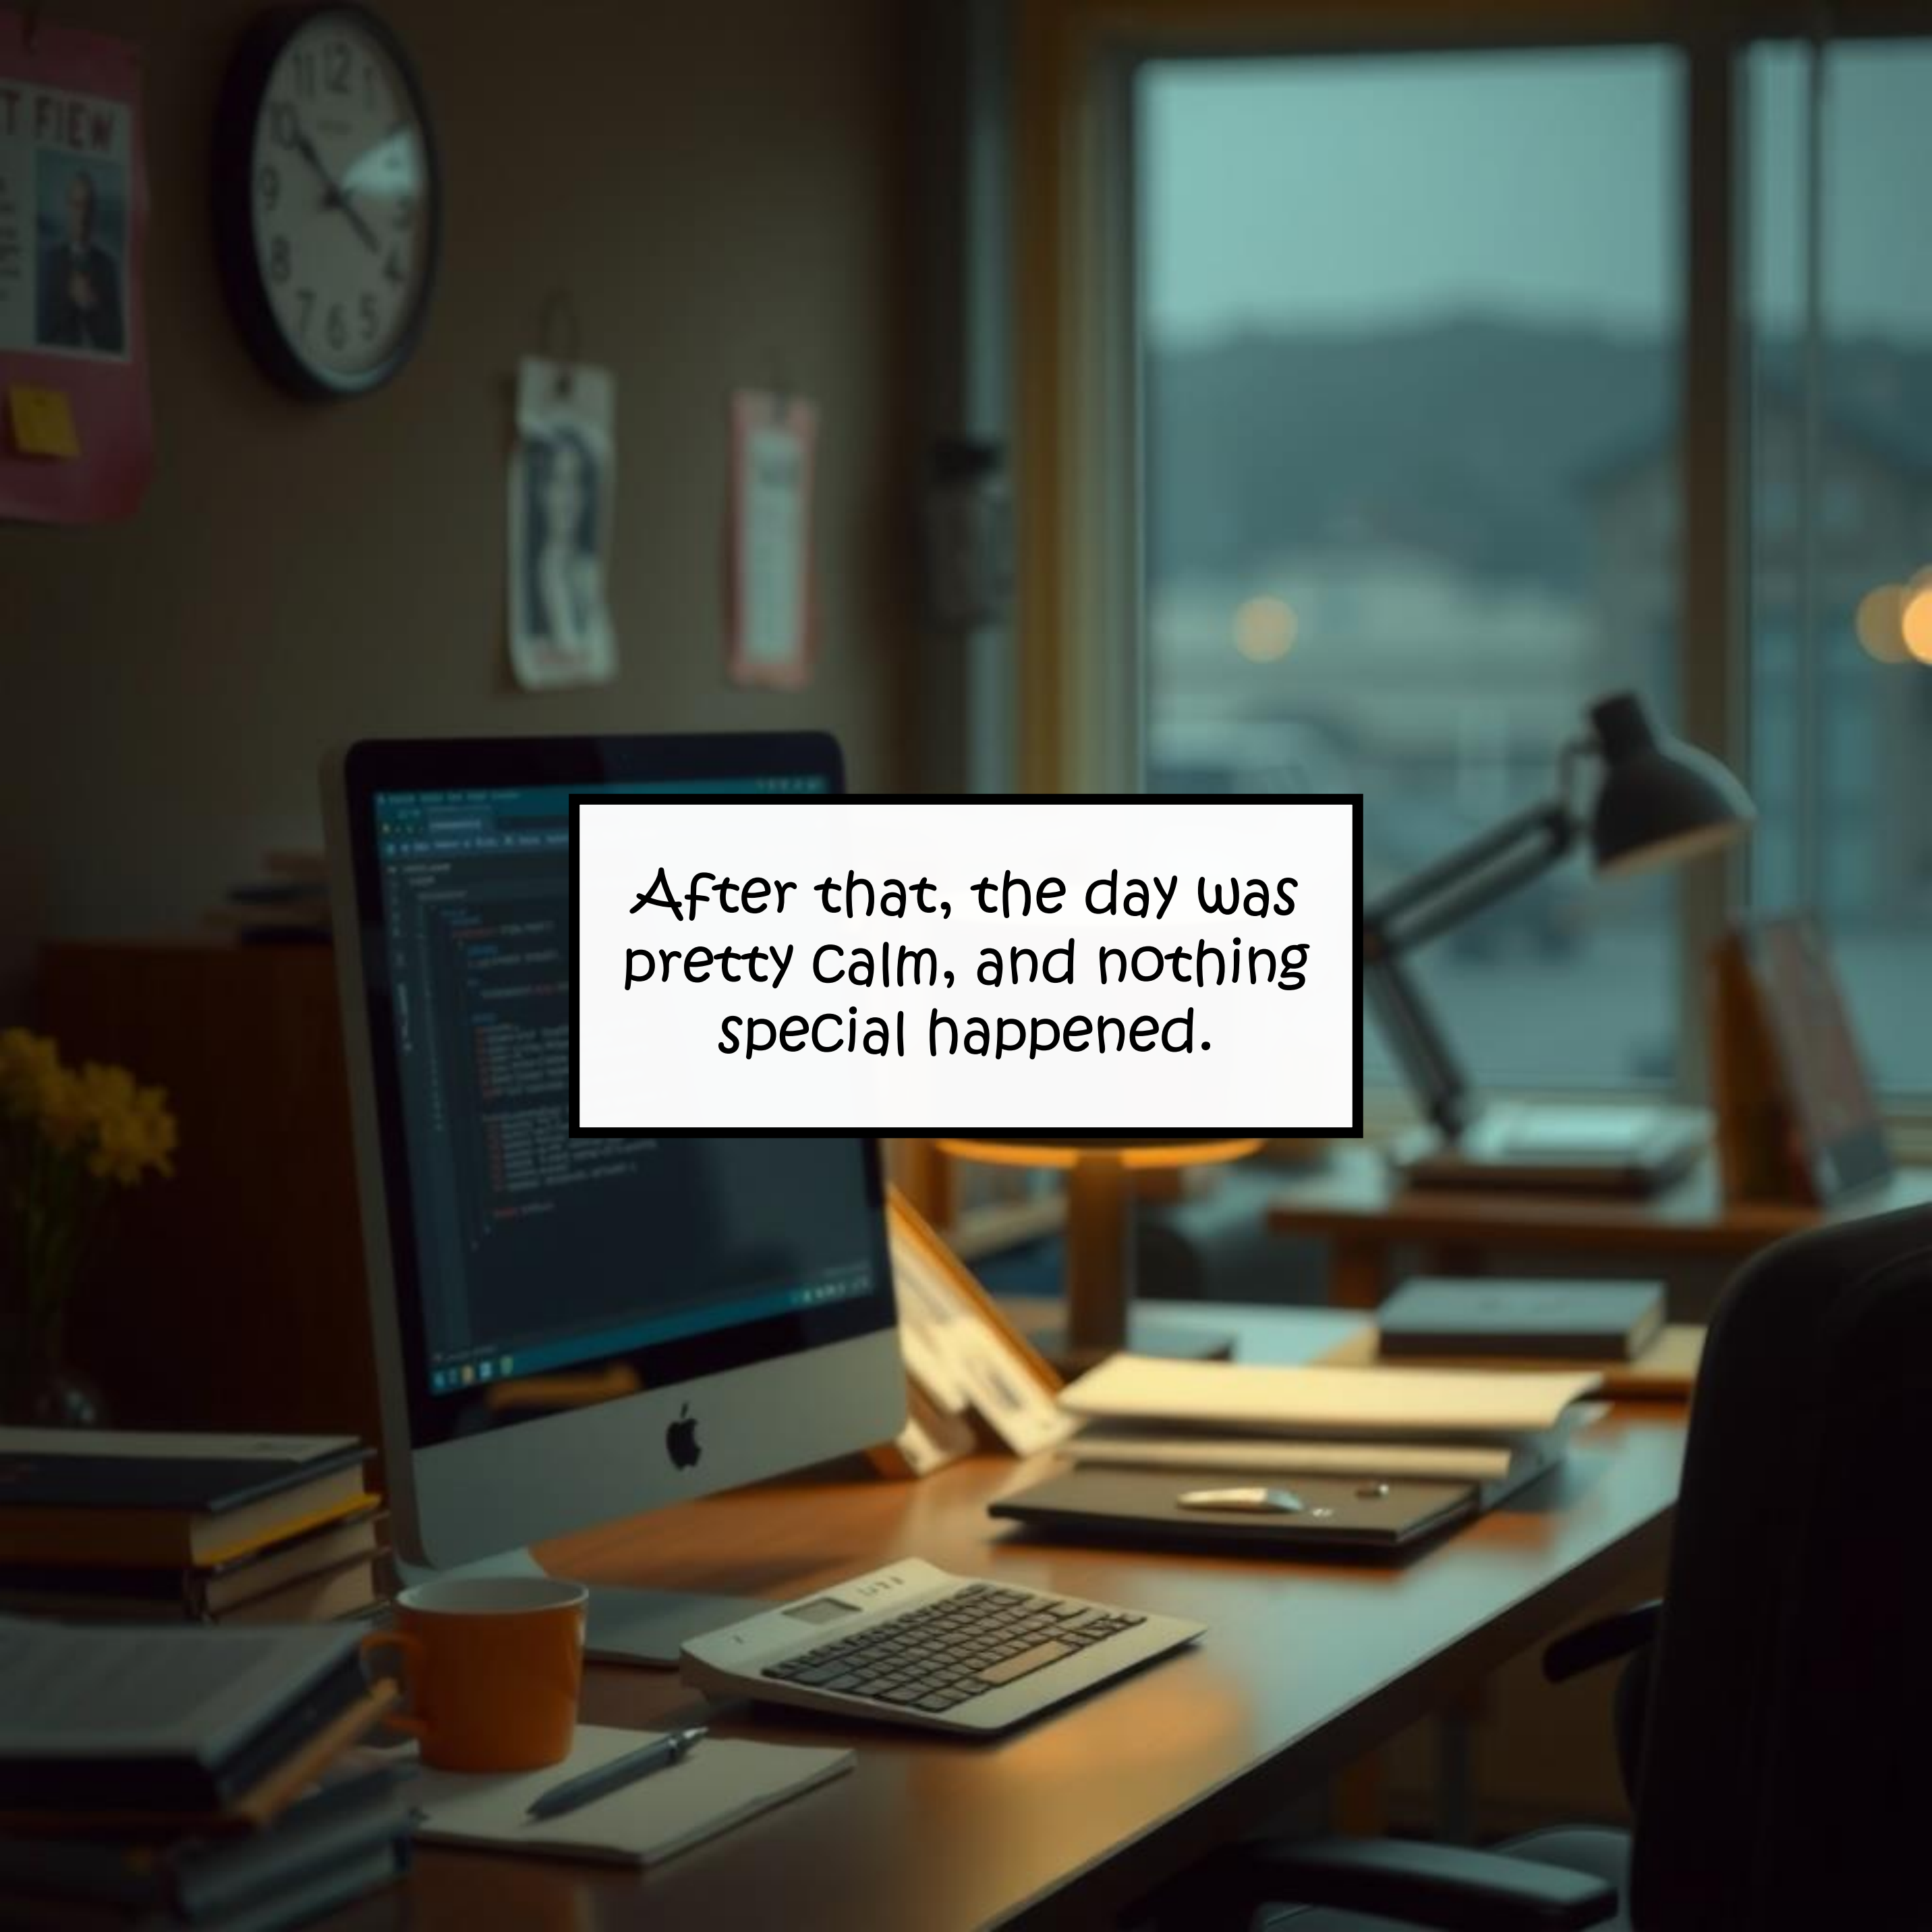

Absolutely!
Your pussy is
perfectly healthy
and ready for
work.

As I get back to my seat,
Emma literally shouts at
me while kinda blushing?

I was just taking
my masturbation
break!

Duh...

That was weird...
Well, whatever. She's
a strange girl, I guess.

After that, the day was pretty calm, and nothing special happened.

Aside from my 5 o'clock
blowjob, of course.

You can set your watch
by Margrid these days.
chuckle

I hope you
liked that
one, Leon.

Please take it
into account
when it comes to
my next work
review now that
you are in HR.

A woman with blonde wavy hair, wearing a white button-down shirt with the top buttons open, a dark blue pleated skirt, and white socks with blue stripes, is standing in an office. She is smiling and has her hand near her face. In the background, there is a wooden desk with a telephone, a bookshelf with books, and a black leather office chair. Four speech bubbles are overlaid on the image, connected by a single line.

Oh, by the way,
Leon. Are you
excited for
tomorrow?

Tomorrow?
Why?

Miss Steele, the
Managing Director, is
coming over to our
branch to get a grasp
of that new HR
program?

Did nobody tell
you? Your dad's
pretty excited
about it.

To be continued...

Hello, Hexxet here,

These uniforms tempered a little with the girls' looks in this chapter, but I guess it stands to reason that they used different makeup when prepping for Schoolgirl Tuesday, right? 😊

Anyway, I hope you liked this chapter and are looking forward to the next (probably final) one, when Miss Steele pays the branch office a visit. Will our guy show her the full capabilities of the program? Will she rip it away from him? Or will he make her his bitch and take over the company? Who knows! 😊

The following pics did not
make it into the story, but I
think they turned out kinda
nice -> Pinup time!

Lin Zhao, the strict Asian woman and head of sales at the company, was wearing a school uniform with a short skirt that was unable to cover her perky butt when bending over - granting me a perfect view of her white panties..

No, sorry, Mr. Kalington, the report is not yet ready.

I'll get to it once my pussy inspection has concluded.

I was always a bit reluctant to call Mrs. Hallaway by her name. But with her having regressed to 18 years old and wearing a school uniform... Calling her Gina comes naturally. *chuckle*

Just call me Gina.

Gone was Gina's motherly voice – replaced by high-pitched moans as I fucked her now 18-year-old self.

Moan

18-year-old Mrs. Hallaway
now wears her hair in pigtails
– flopping around with every
bounce she does while riding
my cock!

Moan

A young woman with long brown hair in pigtails, wearing a white short-sleeved button-down shirt, a purple tie, and a purple pleated skirt, is sitting on a dark wooden desk. She is looking towards the camera with a slight smile. Her legs are spread apart, and she is wearing white knee-high socks. A speech bubble is positioned to her left. In the background, there is a black office chair and a desk organizer with various colored pens and scissors.

Are we done with
the inspection, or
do you need to
stick it in one
more time?

Fun fact about schoolgirls.

I read up that in the USA it's normal for ~40% of people to graduate at the age of 17. Making this schoolgirl thing a little bit lewder for you guys, I guess. Please note that in most EU countries, all schoolgirls (from higher education) are 18 at some point in their school life (Unless they irregularly skip a Class). (That being said, all women depicted in this comic are fictional and between 18 and 45 years old)
