Previously on LEXI, we saw Mika join the girls downstairs by activating Ignore and Universal Acceptance Mode.

He directs their
actions with UA-
Mode while having
his fun.

And joining the girls in a stealthy
foursome – careful not to touch
his stepsister, cause yuck!

Gina's new tits jiggling like mad
as she rides Sierra's face while
my stepsister fondles them
from behind.

Of course, I had to withdraw
my cock from Sierra's love
tunnel for this to work...

But that's okay... I wanted to give those boobs a spin anyway!

And here we go. Sis, squeeze those boobs together for me, will ya?

Oh,
yeah!

Moan

grope

I place my dick between Gina's new melons and help Jessica squeeze them together.

Before I start rocking my hips.

And fuck that juicy rack as
Gina moans from getting her
pussy eaten out by Sierra.

I can see Gina approaching her climax, and I'm getting close myself as I watch my cock slide in and out from between her breasts.

And as Gina's body starts to spasm, I let myself go as well, and release my spunk all over her chest!

That really
was amazing.
chuckle

Those boobs even
rival Barbara's.
chuckle

Exhausted from her orgasm,
Gina lies down on the floor,
and my sister approaches her
like a Cat playing with her prey.

Phewww! Me
so tiredddd~!

Don't worry, babe.
You just lie down
and let me help you
feel good some
more.

And so, I soon find myself watching these two licking my cum off their friend's tits...

Well... it's a nice

that...

LEXI, make
Jessica and her

Cause now
it's my turn!

Waaahhh!
My booboo
so biggy-big!!

They are!
giggle

Errr...
Okay, should
have seen
that coming...

Girls, you don't care about being changed.

We need to get to the bottom of this! We need to...

Also, you are not
interested in ever
trying to use my
LEXI unit again.

I... what was
I saying?

Like we need
to get to the
bottom?

And just like that, their worries about their various changing are blown away and my stepsister lays down on the floor, ready get serviced by her friends.
chuckle

I love your big boobs!

LEXI,

Ignore Mode.

*Affirmative.

You wanna stand

Alright, girls.
Enough fun
for now.

Hey, girls.
We should really
listen to what my
bro has to say.

Totes!

Ooooh yes, yes!
Me also wanna
listen!

Eager to listen the three girls
rise to their feet and stand at
attention next to each other.
chuckle

Once again, I marvel at their
incredible differences in size...
both – height- and breast-size!

Alrighty, girls.
We had a fun time,
but I can't let you
go to school like
that tomorrow.

Would be funny though.
But there is a lot I don't
know about LEXI yet.
So, better to keep a low

You can also keep that new ass of yours... shouldn't be too obvious, I guess...

I hope you still fit into your tight jeans with that padding. *chuckle*

Alright. All
back to normal
more or less!

But... You girls
stole my LEXI

I'm glad I
brought the
spares!

End of Chapter.

Thank you for reading!

Hello, Hexxet here,

And that concludes the girls' Halloween arc! Phew! I know it turned out quite long... it's basically Halloween again Oo! I know some did not like the only girls' chapters, but I hope that Mika joining them made up for it a little in the end? Well, anyway, this arc was mainly directed at my TF-interested audience, and I think there was quite a lot TF happening, so I hope I at least nailed that part. 😊

Anyway, from here on out LEXI can continue "normally" again? Or we can stop the series if you guys don't like it anymore. There will be a poll about this.
