Previously on Remote Controlled EX, we saw our guy bring his new Bimbo girlfriend, Sophia to class.

Oh, my!!
So many
doors!

Wait!
Is that...
Sophia?

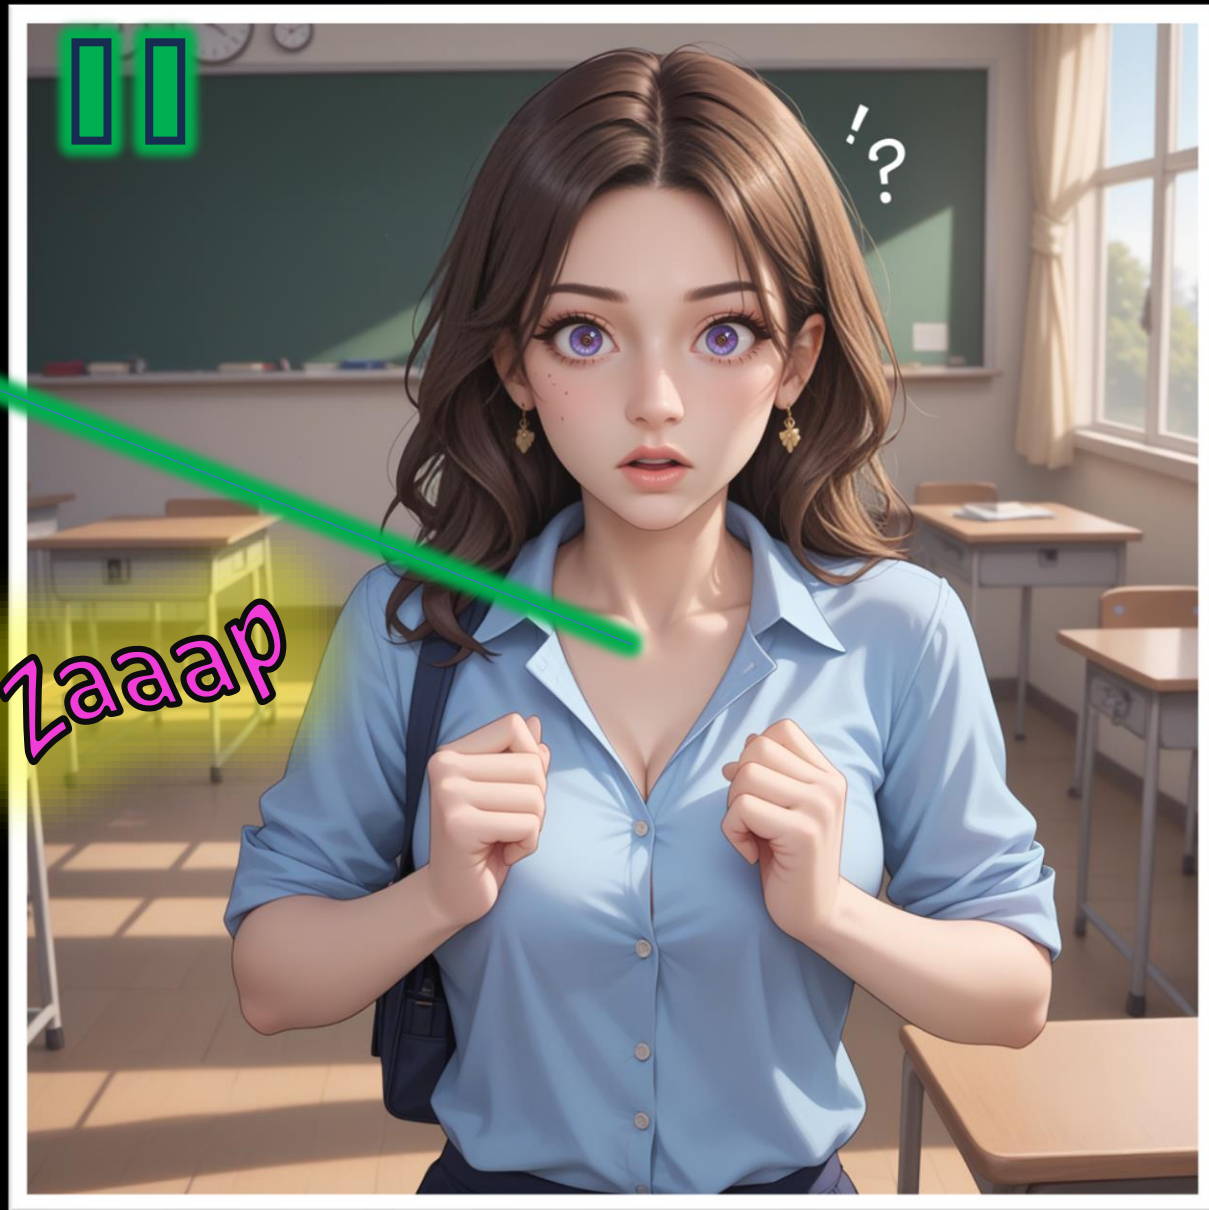

Sophia?!

Hello
there,
Cuty...

Their Classmates
are pretty surprised
by Sophia's new
looks... especially
the boys.

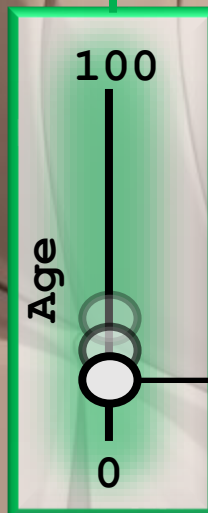

While the students are distracted by Sophia's entrance, our guy uses the remote to freeze one after another in time...

Even their teacher, Mrs. Martínez.

And soon the frozen mature teacher...

Is turned into an 18-year-old gym bunny!

We continue from here...
In a classroom full of frozen
students and a hot age-
regressed teacher...

And my bimbo girlfriend
Sophia, of course.

slurp
What now,
babe?

We don't need the guys... Let's
turn them into girls!

Let's start with you ... I point the remote at the frozen-in-time Erik and select gender from the menu.

Gender

Male

Female

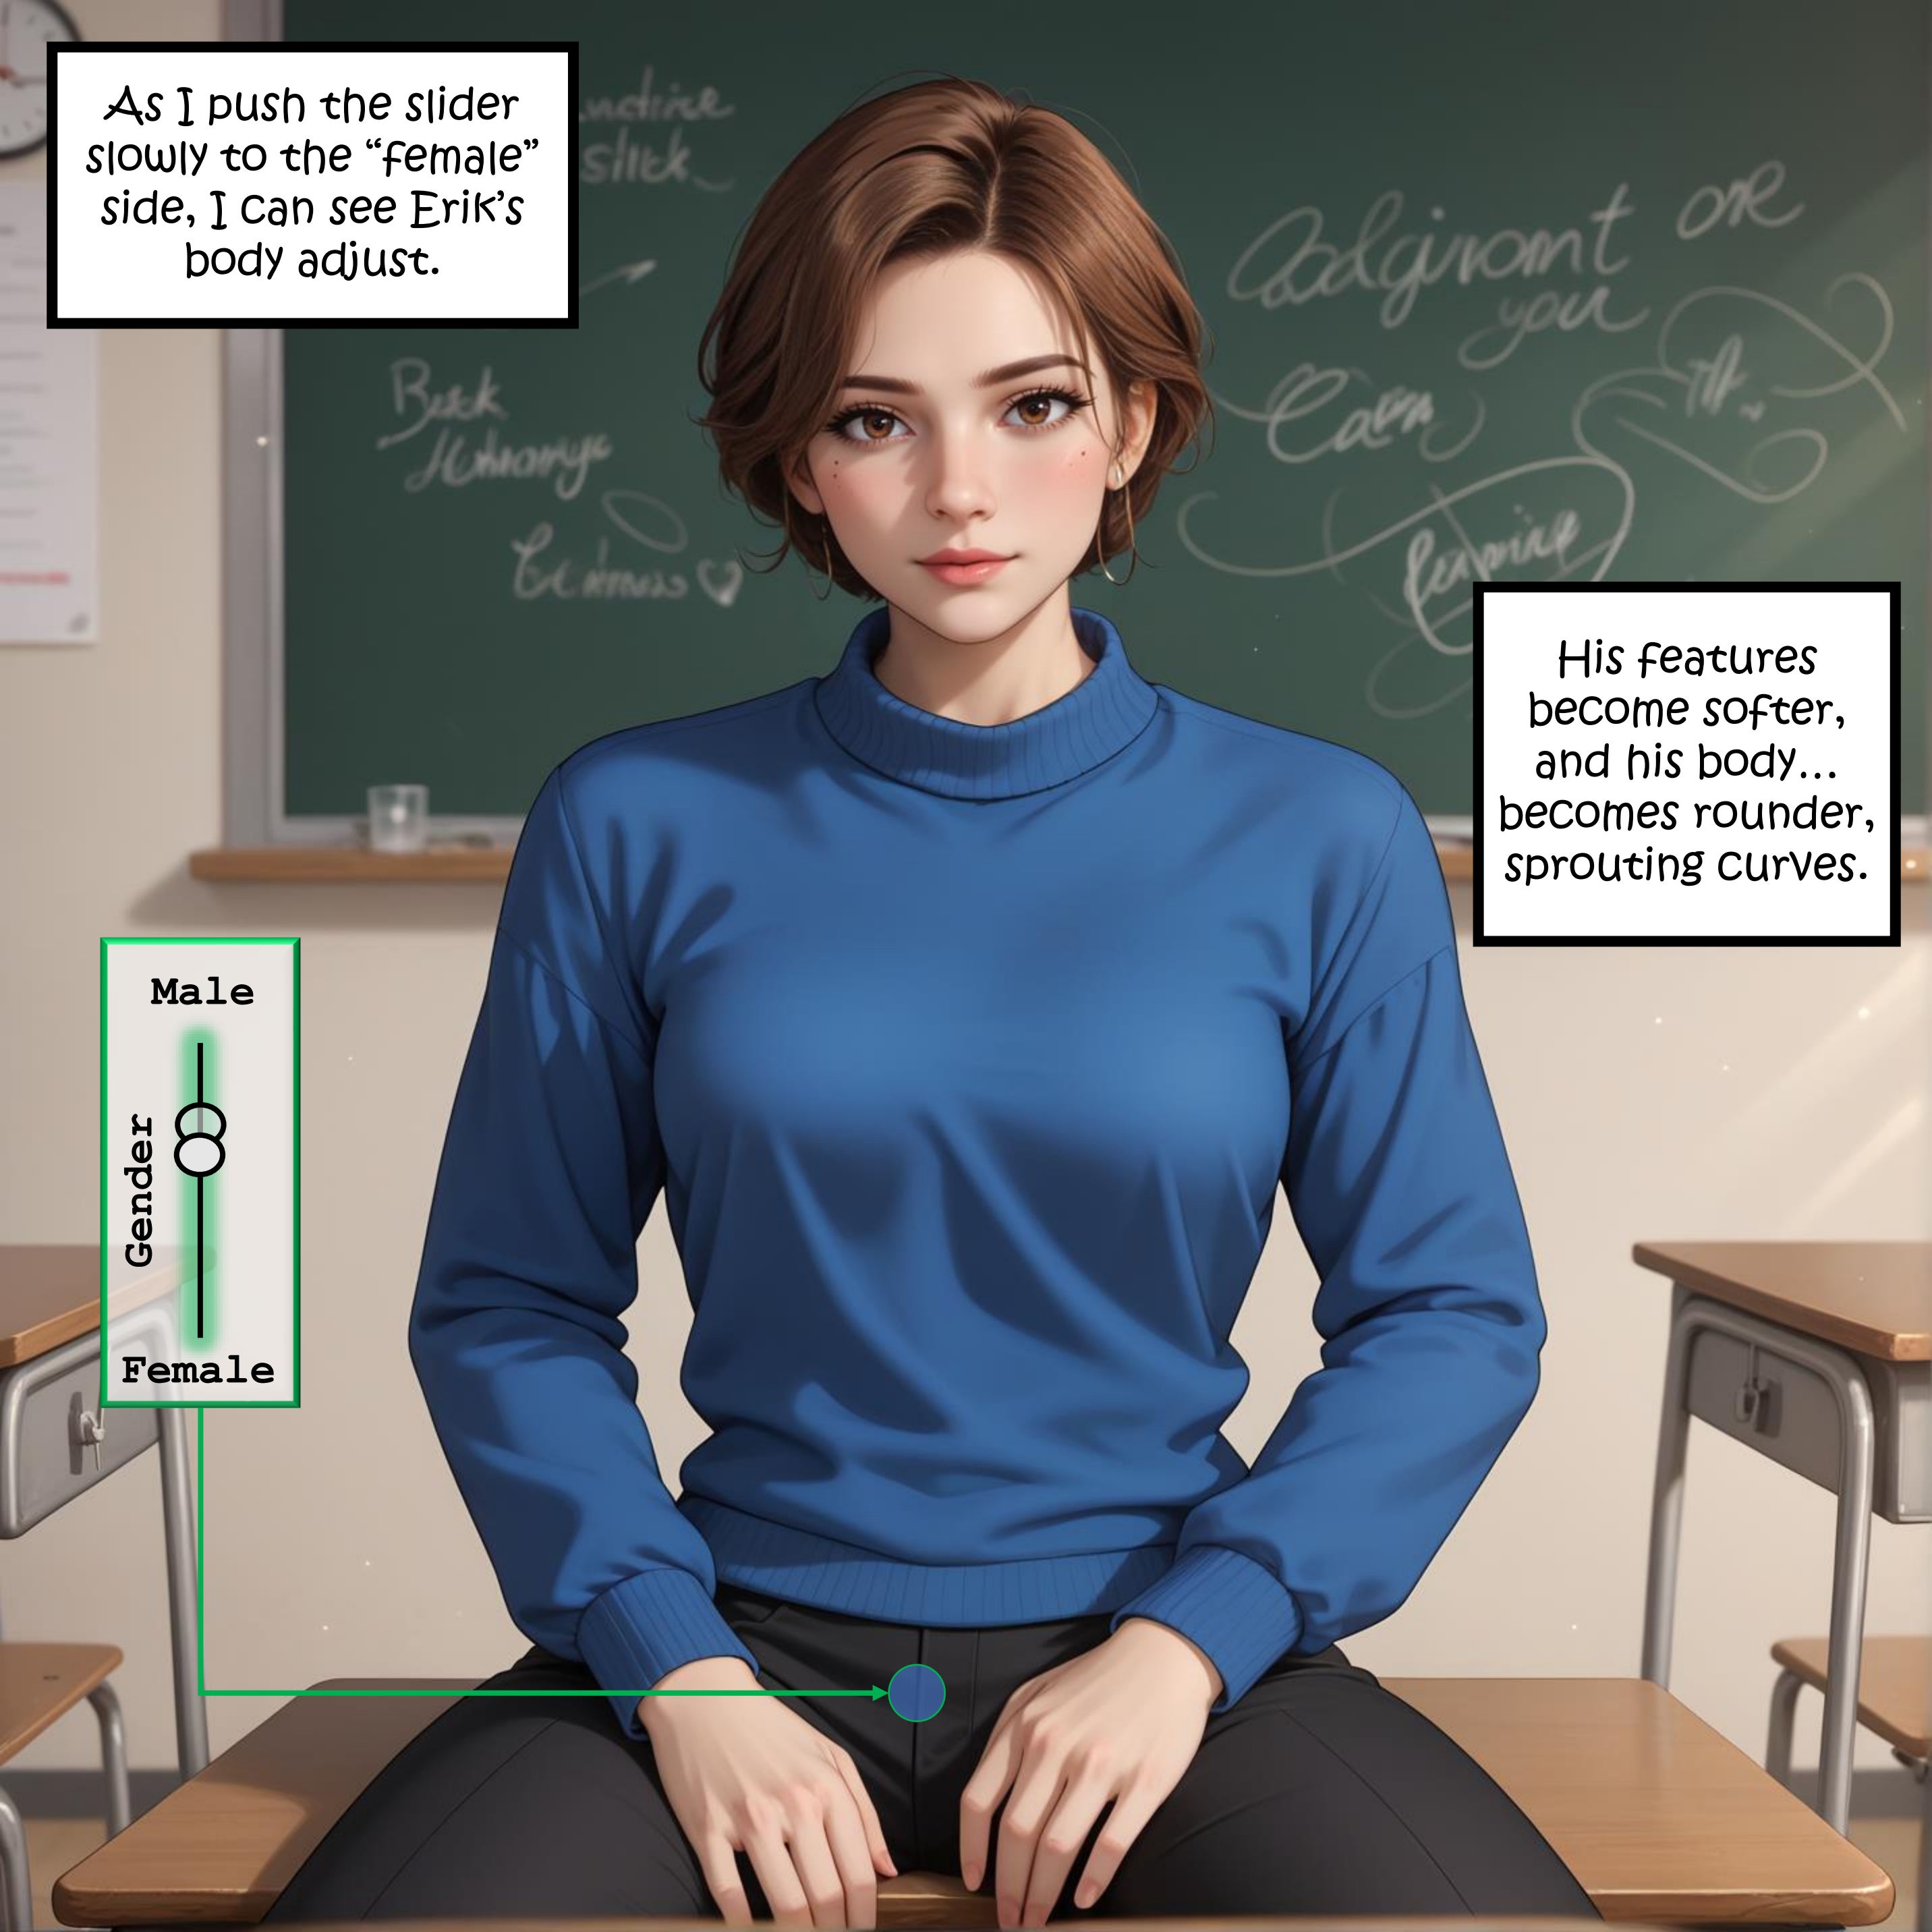

As I push the slider slowly to the “female” side, I can see Erik’s body adjust.

His features become softer, and his body... becomes rounder, sprouting curves.

Male

Gender

Female

His hair grows longer, and
I can see his sweater bulge
with two mountains
sprouting from his
chest!...

Nice genes,
Erik! *chuckle*

Interestingly, his clothes start to change with his physical transformation...

And
welcome,

Wow.
He turned out
really cute!

Let's continue with this one... err... what's his name...

giggle That's Brandon, silly.

Well... not for long. *chuckle*

Male

As I drag the slider to the female side, his face begins to soften — jawline narrowing, eyes brightening — then his hair gathers and twists upward, weaving itself into a neat knot, and his shirt starts to stretch as two gentle curves take shape beneath the fabric.

I keep pulling the slider
and his shoulders
narrow, his waist
tapering as his frame
reshapes into graceful
proportions while a
blush spreads across his
now delicate cheeks.

Gender

A vertical line with three circles in the middle, representing a gender scale from Male to Female.

A sharp pop breaks the silence as one of his shirt buttons gives way, the fabric pulling into a loose V-shape around his chest. His sleeves hang differently now—arms slimmer, smoother—as the rest of his frame adjusts.

Welcome to class, Brandy!

Cute. Though she does not look like a Brandy to me...
Maybe give her blonde hair like me?

I have Sophia open
Brandy's knotted hair
before I turn the remote
on him... err... her again.
I pull the slider from
black to blond in one go
- Brandy's hair color
lagging slightly behind.

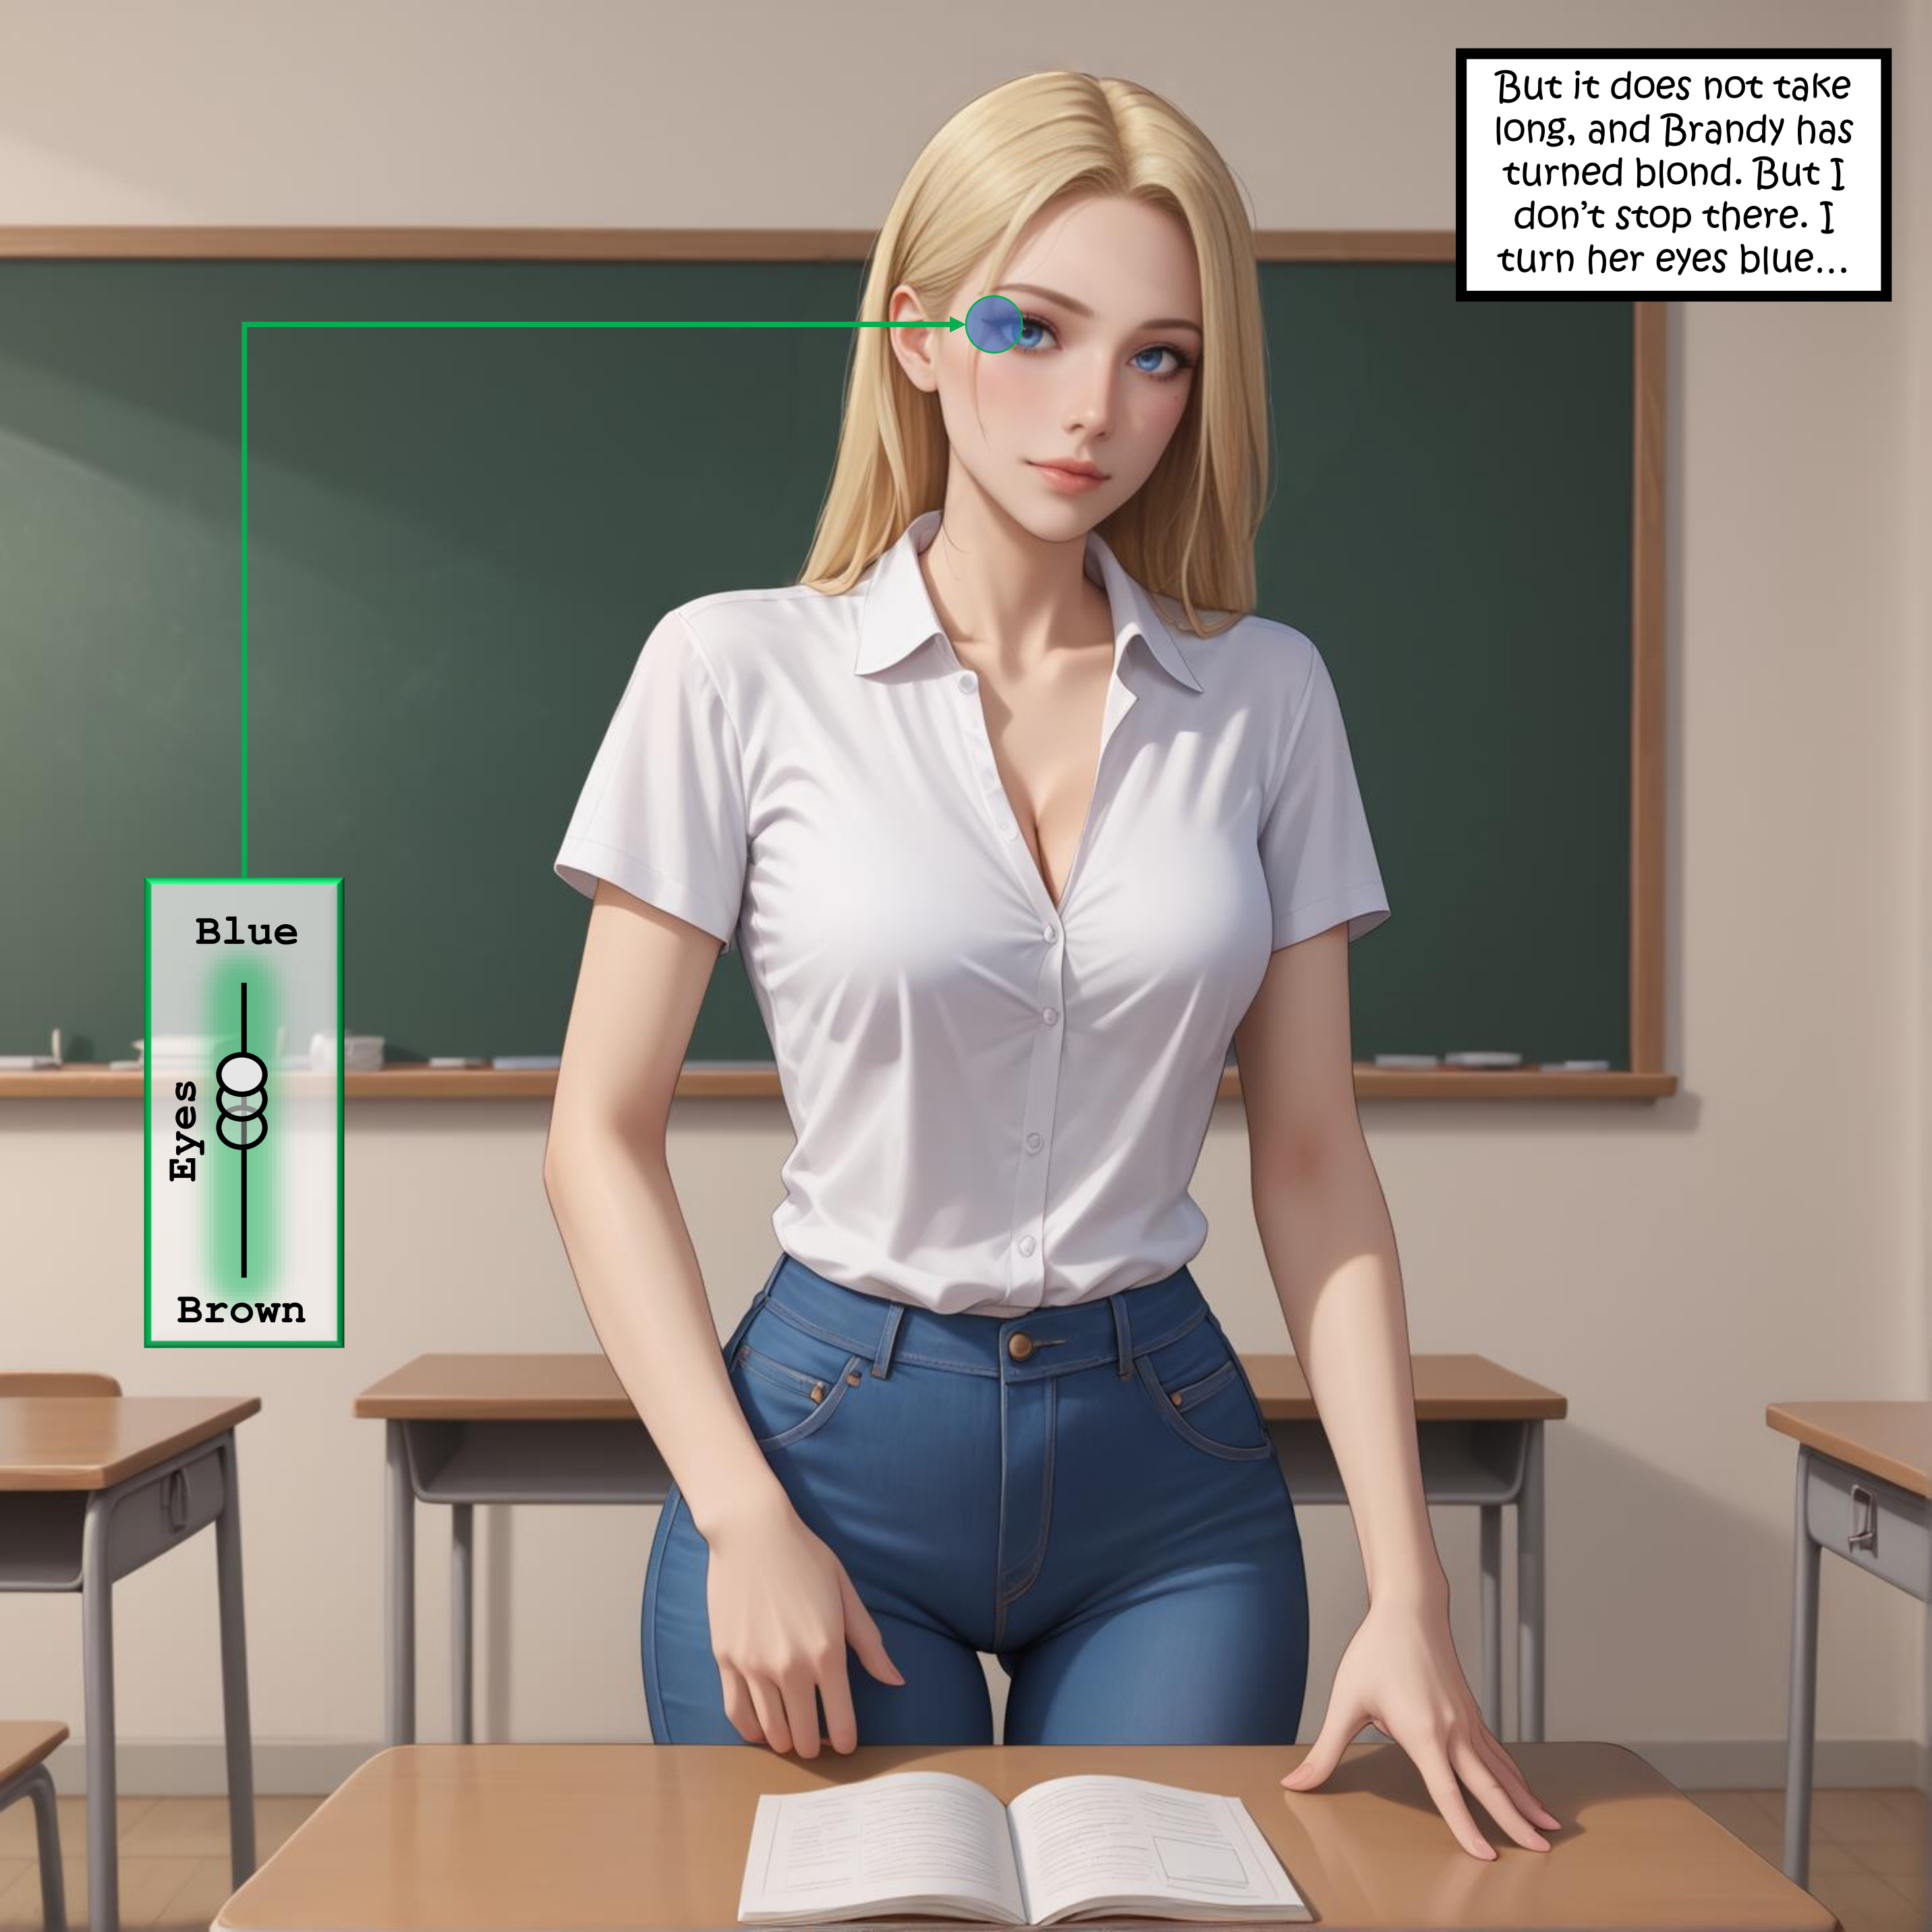

But it does not take long, and Brandy has turned blond. But I don't stop there. I turn her eyes blue...

I add to “her” bust...

Give her a
slight tan

makeup...
Perfect!

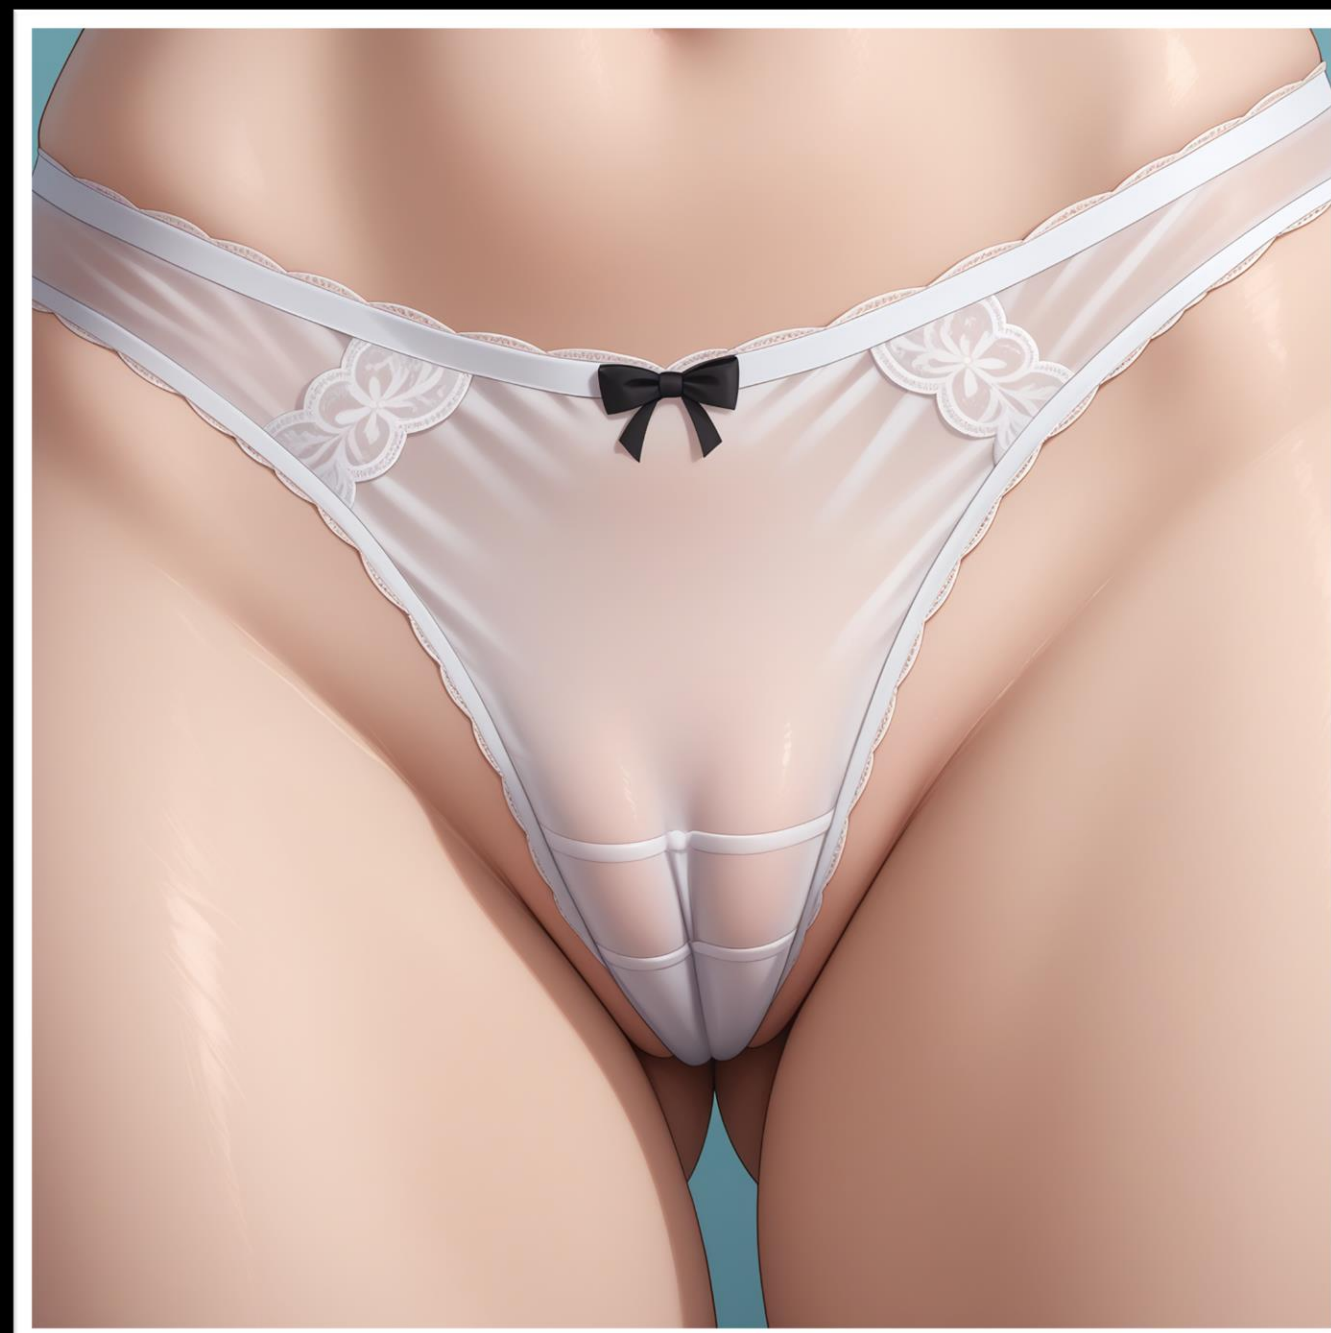

Nice!
Now she
totes looks
like a Brandy!

I go through the
rest of the boys
really quick.
Turning their

And then it's time for the female students! The first one I froze still sits there, eyes wide, her expression captured in disbelief at the sight of Sophia's bimbo change. *chuckle*

Her chest is not too shabby to begin with...
But when you have a magic remote in hand, why not test the limits?

Her chest grows bigger
and bigger, her blouse
lagging behind the growth.

Now that's what I call a
big bust! *chuckle*

Next, I turn to her hair.
I liked the style, but I
was going to turn this
whole Classroom into
bimbo paradise. So, she
needed to be blonde!

And there we go, a busty blonde bimbo... Okay, lets wipe that shock off your face girl...

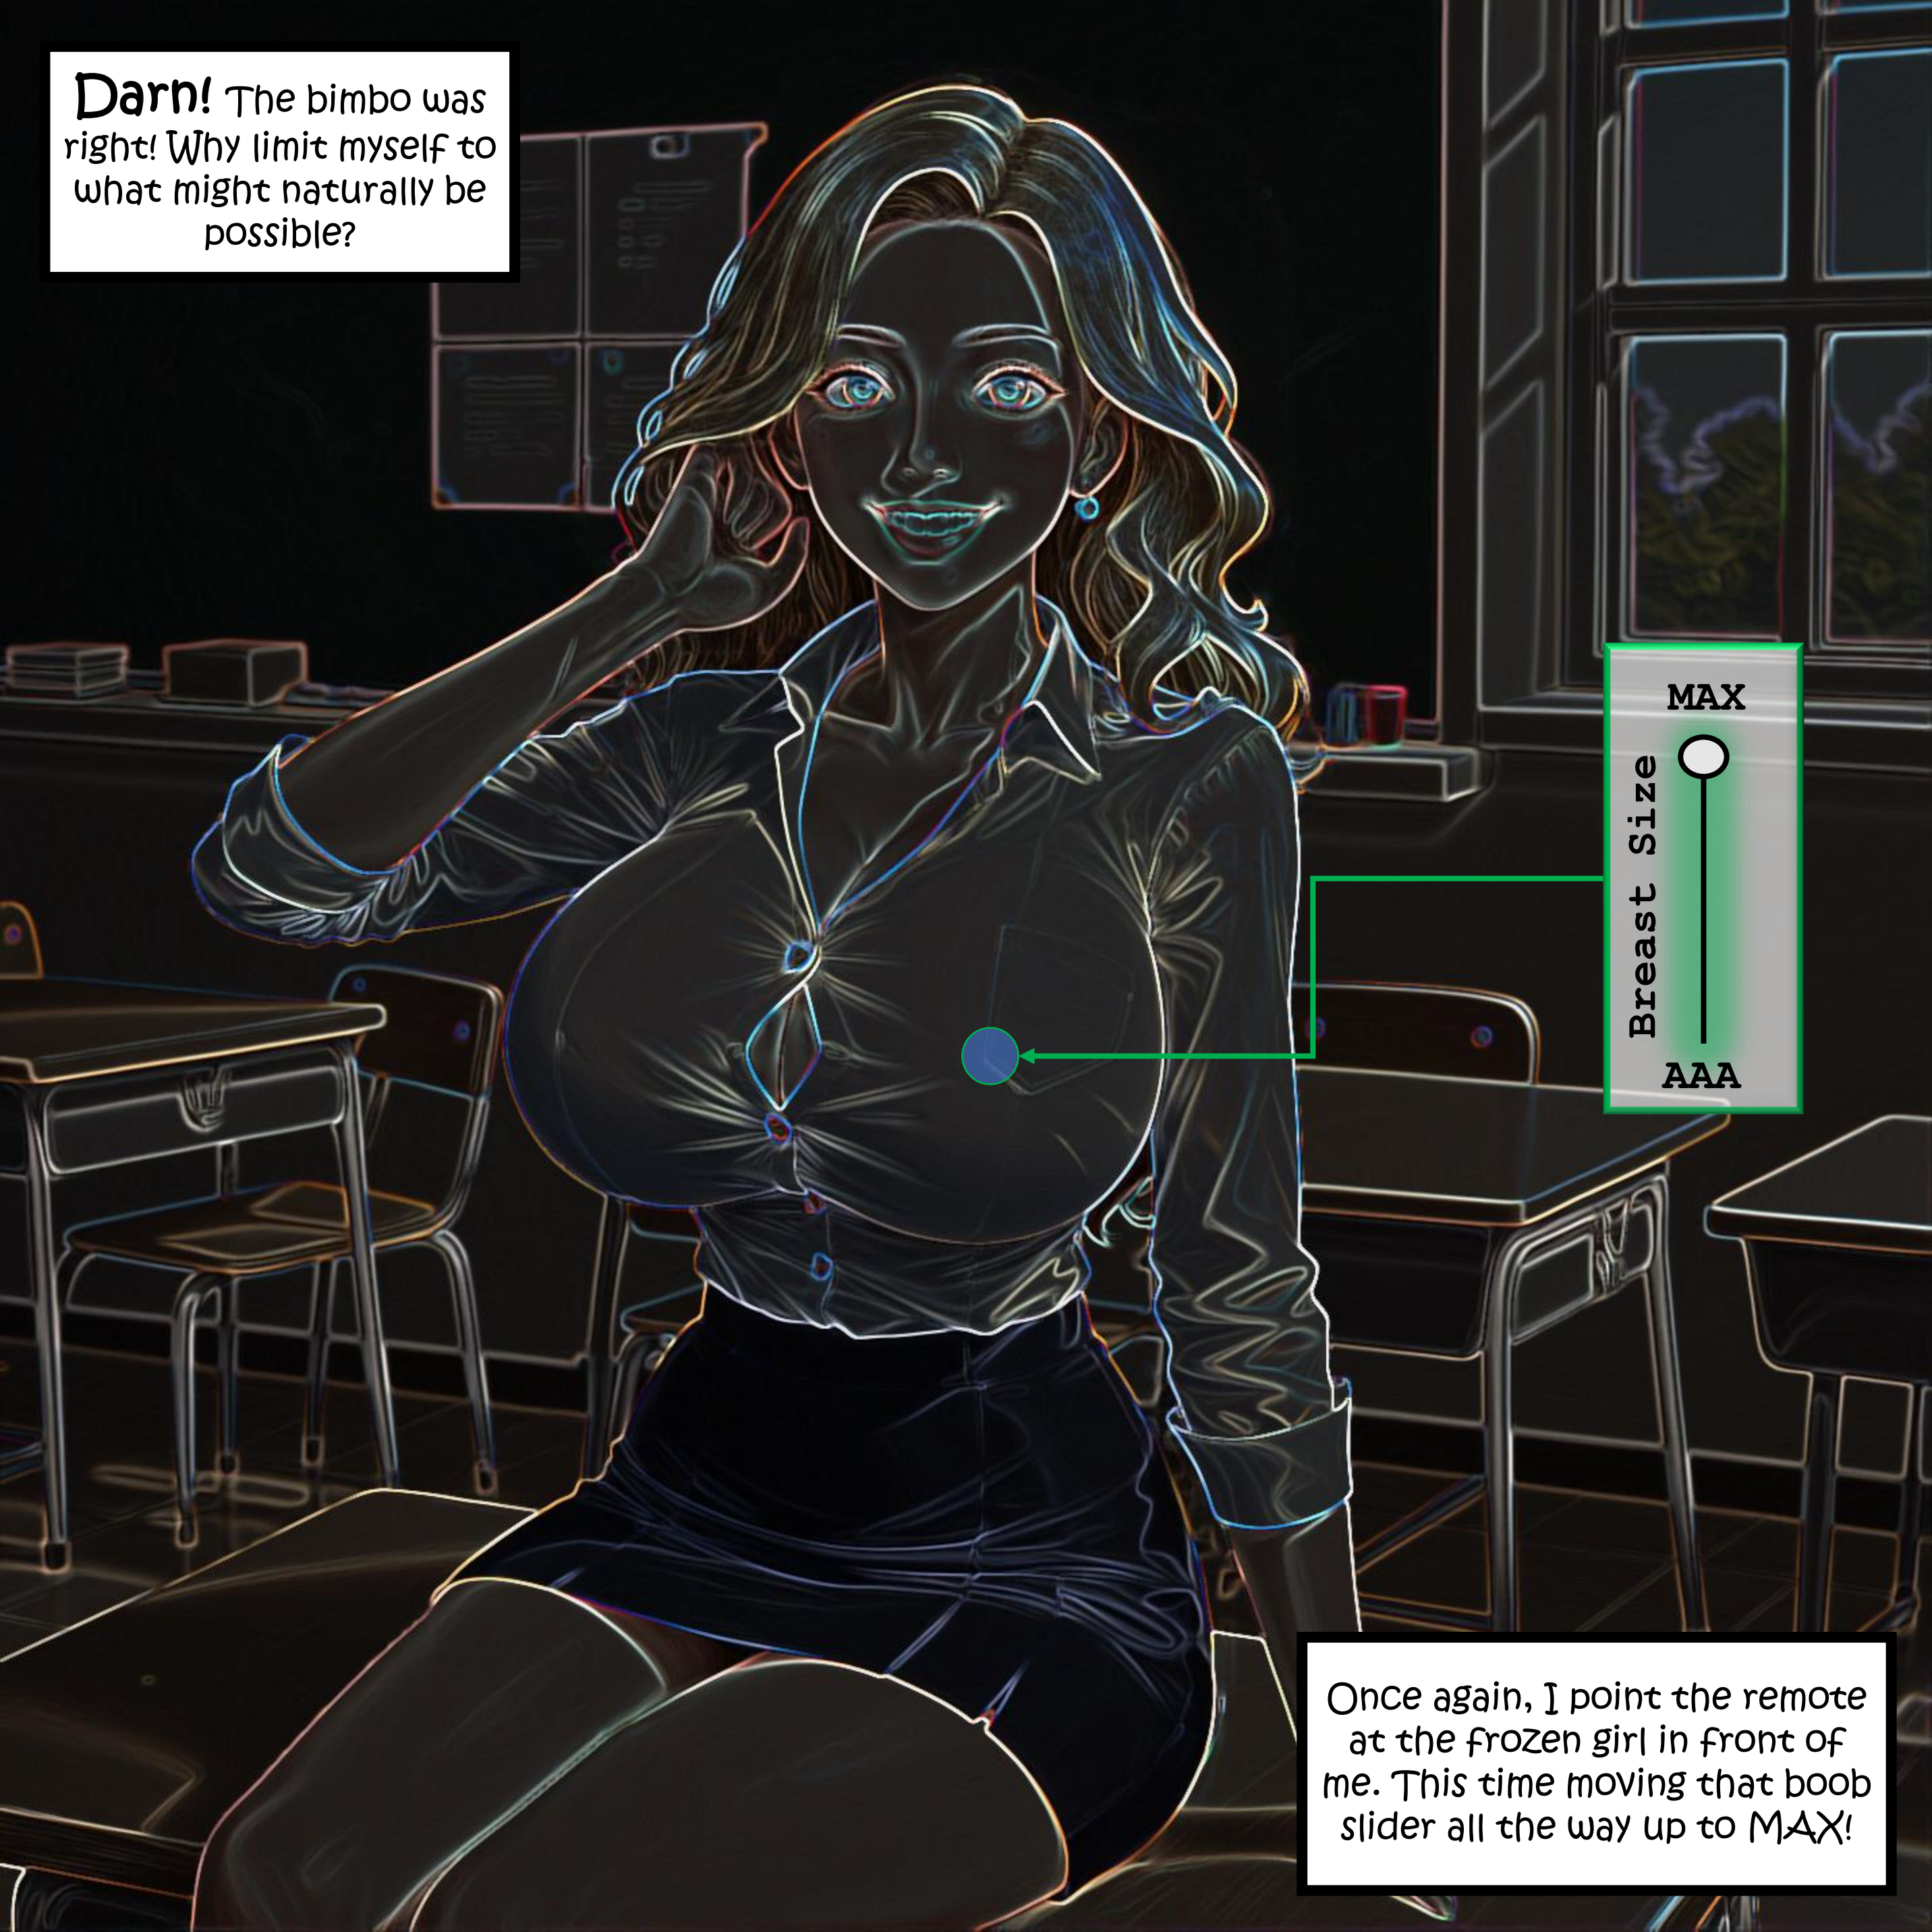

I temper with her facial expression, turning that frown upside down.

Darn! Now that's a nice bimbo body, what do you say, Sophy?

She looks nice, but like doesn't your magic thingy go any further than that?

Darn! The bimbo was right! Why limit myself to what might naturally be possible?

Once again, I point the remote at the frozen girl in front of me. This time moving that boob slider all the way up to MAX!

Holy fucking moly!
I don't know if she'll
topple over the moment
I unfreeze her. I don't
know if she'll be able to
move with those planets
attached to her. But I
fucking like the view!

I hold back with the other girls... well, most at least! 😊

After all, Bimbos come in many variations and sizes!

That's a really short skirt. I love it, babe!

If this wasn't so much fun...

One could call
this work.
chuckle

I had to
reshape each
and every one
of these girls
separately by
hand!

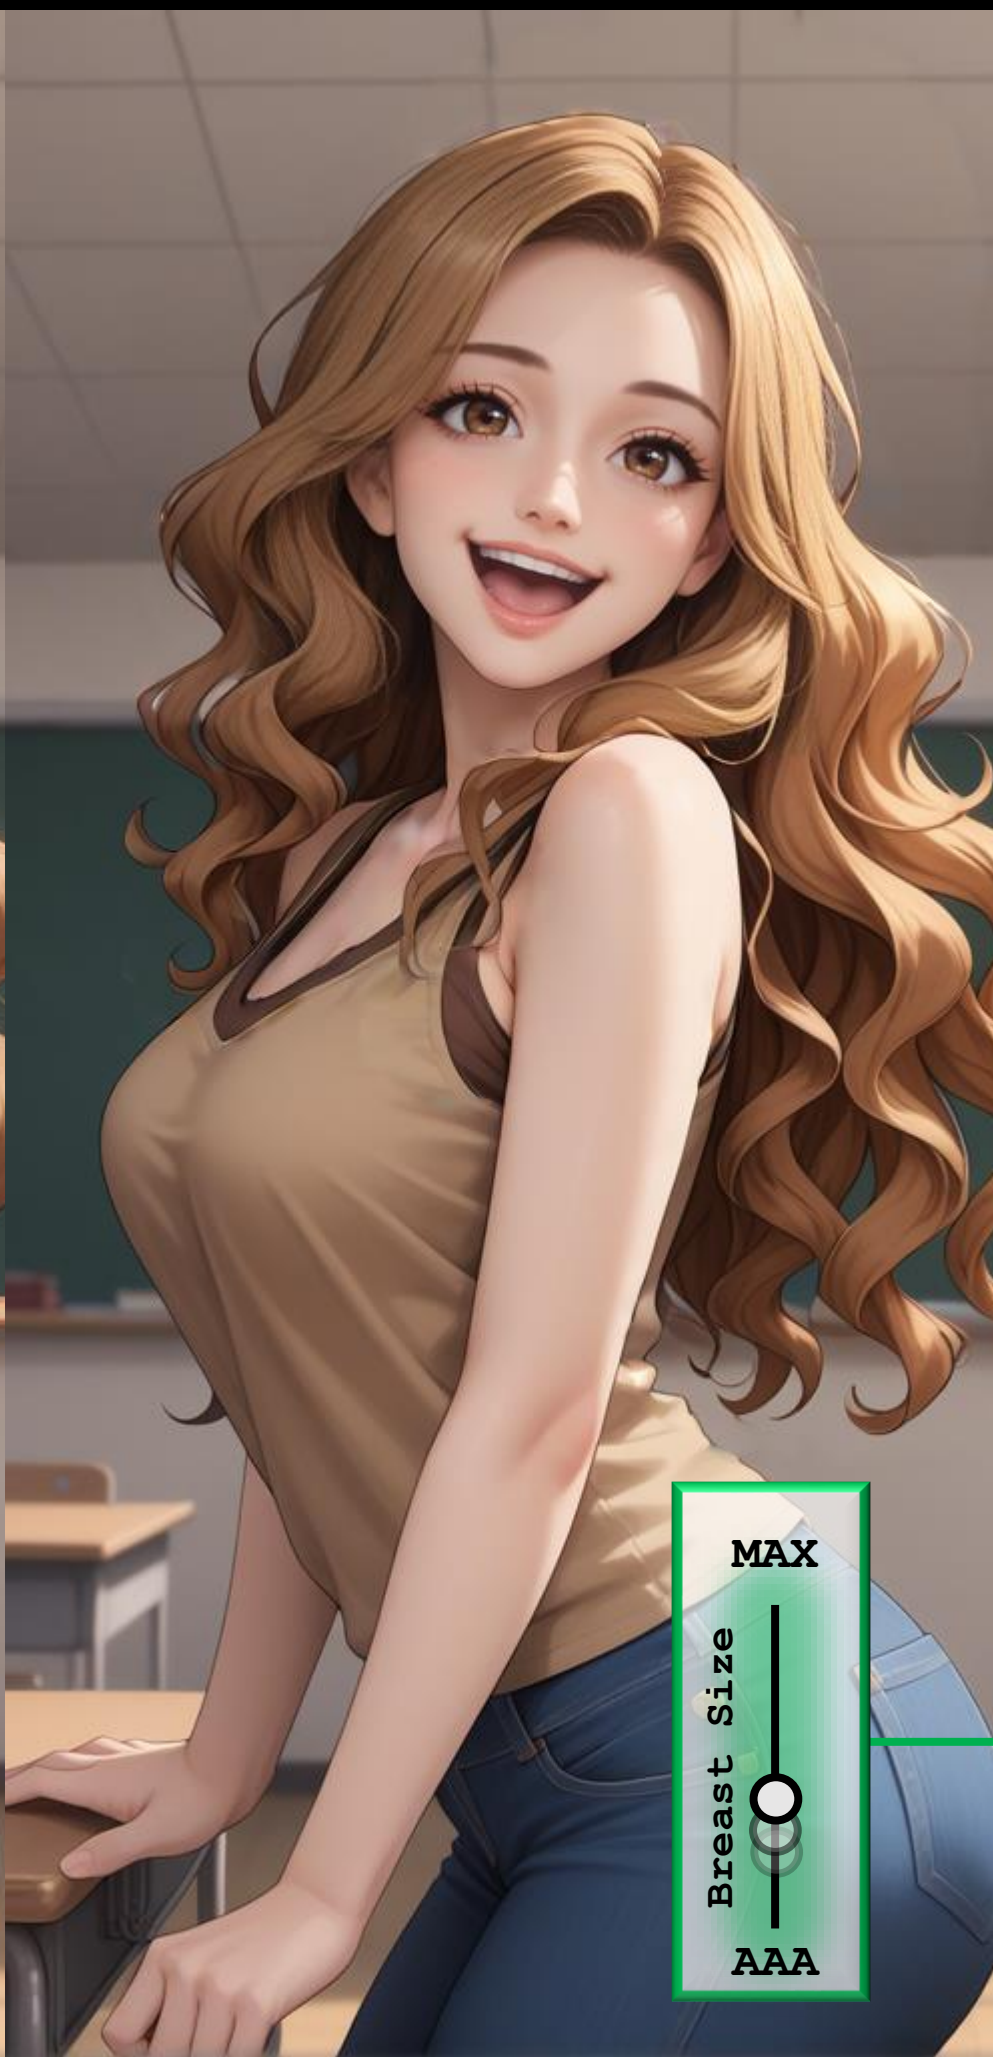

But I was a man on a mission,
and I would make sure Bimbo
Class came to fruition!

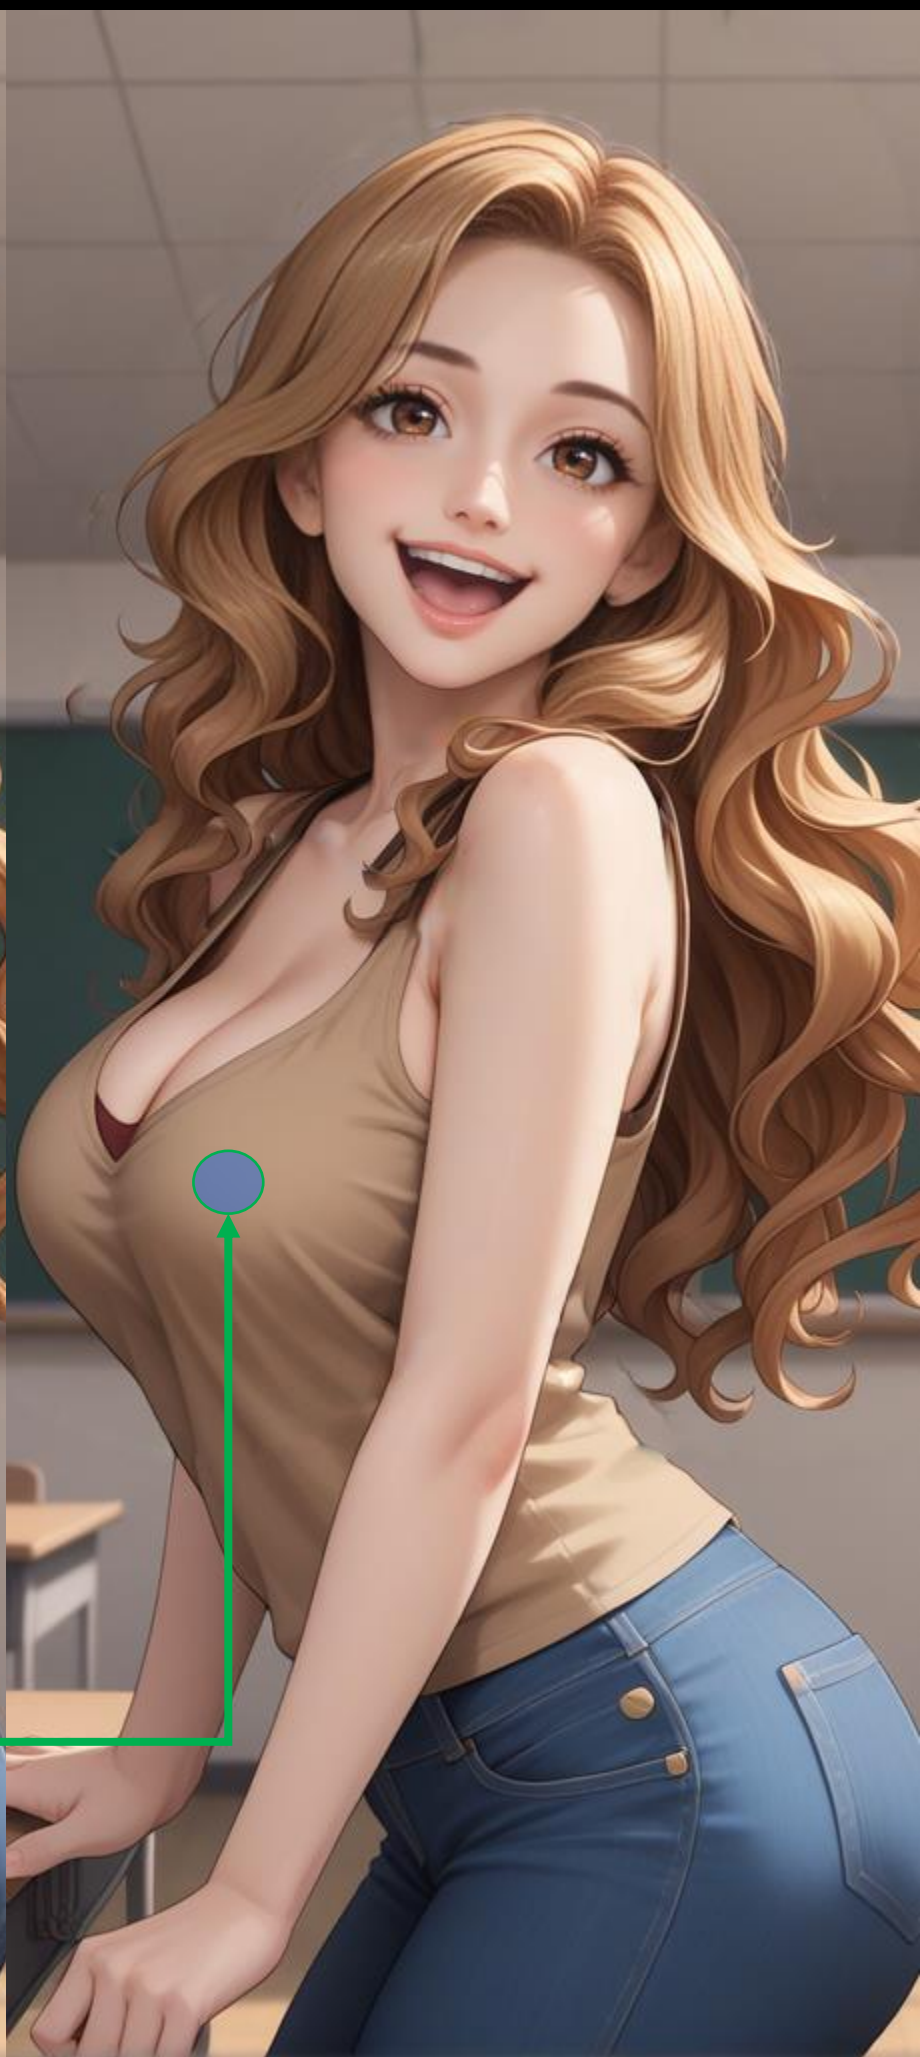

Way to go,
babe! Almost
done!

You know you changed that one already, I think...

Did I?
I changed a dozen girls over the past hour. I can't keep track of everything. And this one was not blond!

Well, whatever.
Let's give her some
bimbo tan since we
are already at it!

Tanned

He-he!
Perfect!

And done!
I was standing in
a Classroom full
of busty blond
women!

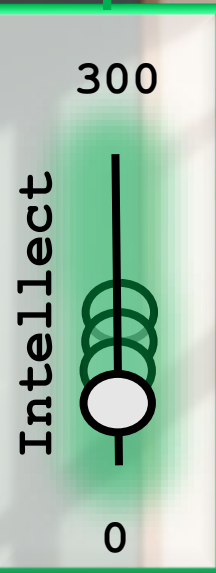

Of course, for now, they were still frozen in time. But I was already looking forward to taking their new bodies for a test drive.

They will be so happy with their new hot bods!

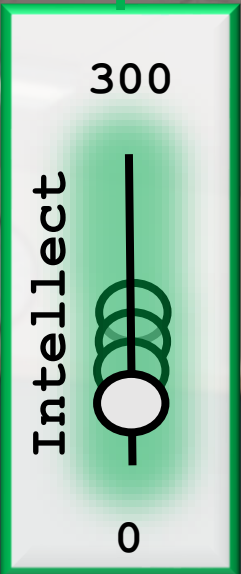

Yes, they will, Sophia.
Once I'm done with
them for real!

These girls were among the brightest minds in town. Our university was quite renowned for its graduates each year, after all. So, for what I had dreamed up, I needed to ensure that those big brains did not interfere with my plans.

And there we go: Pop goes the brain! *chuckle*

But being dumb was not enough. I was aiming for a bimbo orgy, so let's make sure everybody is up for that!

Are you done,
babe? I'm so horny!
Make them like
move again and go
down on me.

Me like
needs action.
moan

Sophia was
frantically rubbing
her crotch against
the edge of her
desk – her juices
already marinating
the tabletop.

chuckle
Not yet, Sophy.
Not yet.

After all, one was still missing in my grand design...

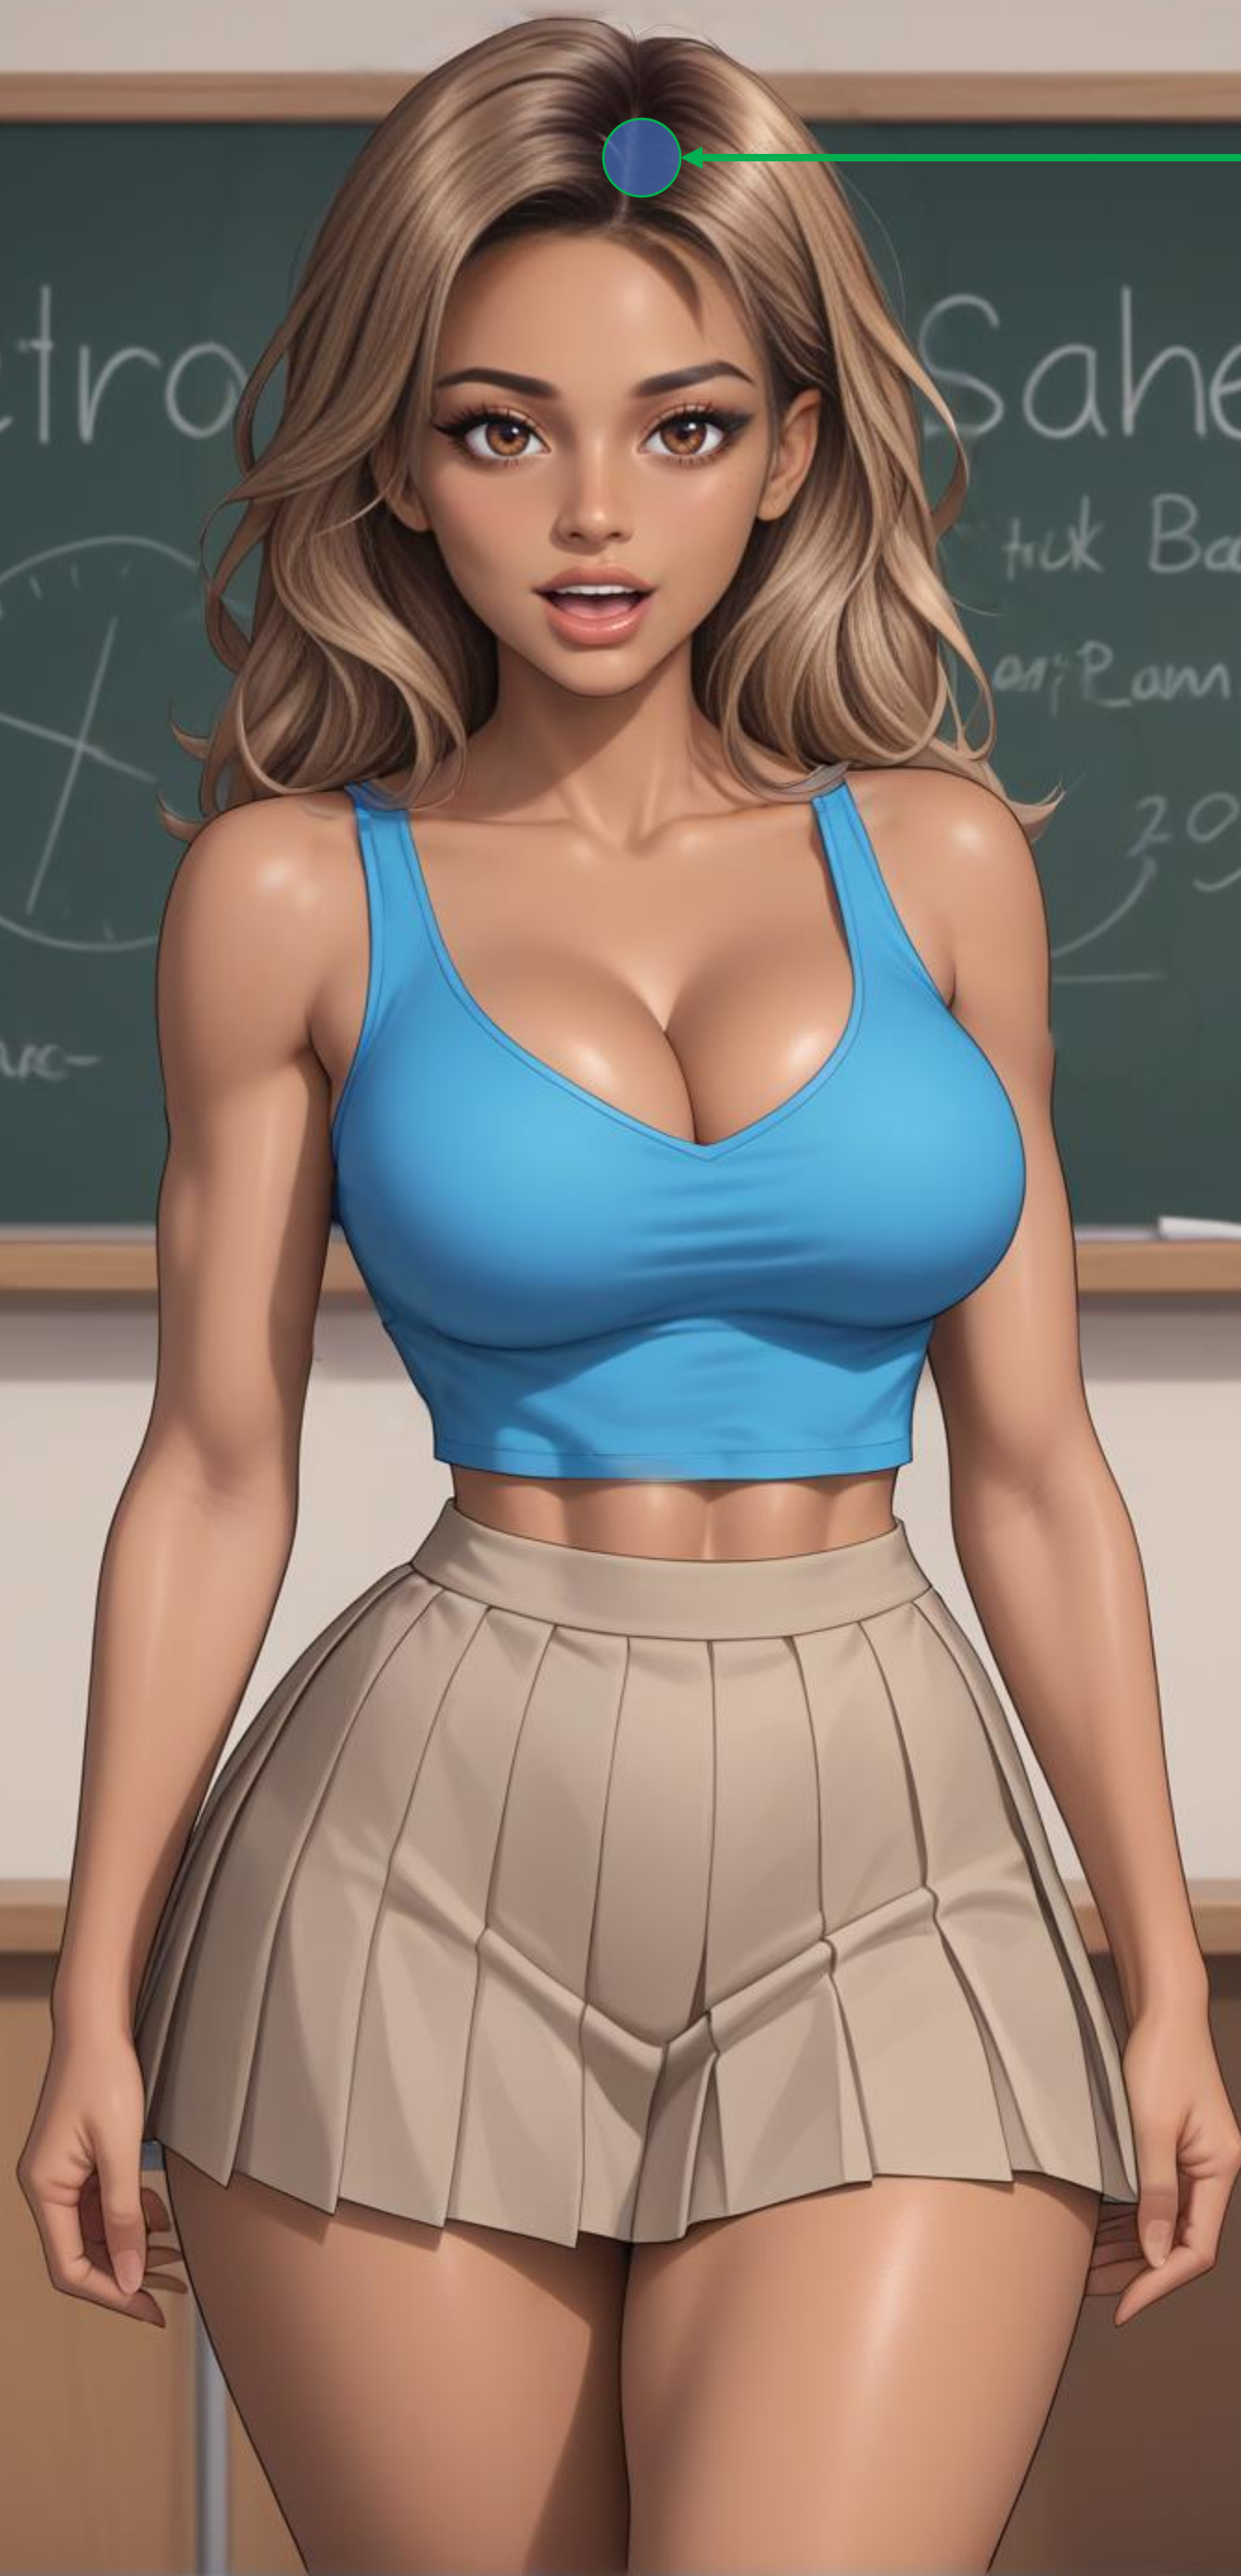

Blond

Hair

Black

Her reflection ripples
as the change begins.
The deep raven black
of her hair starts to
shimmer, and turns
bronze...

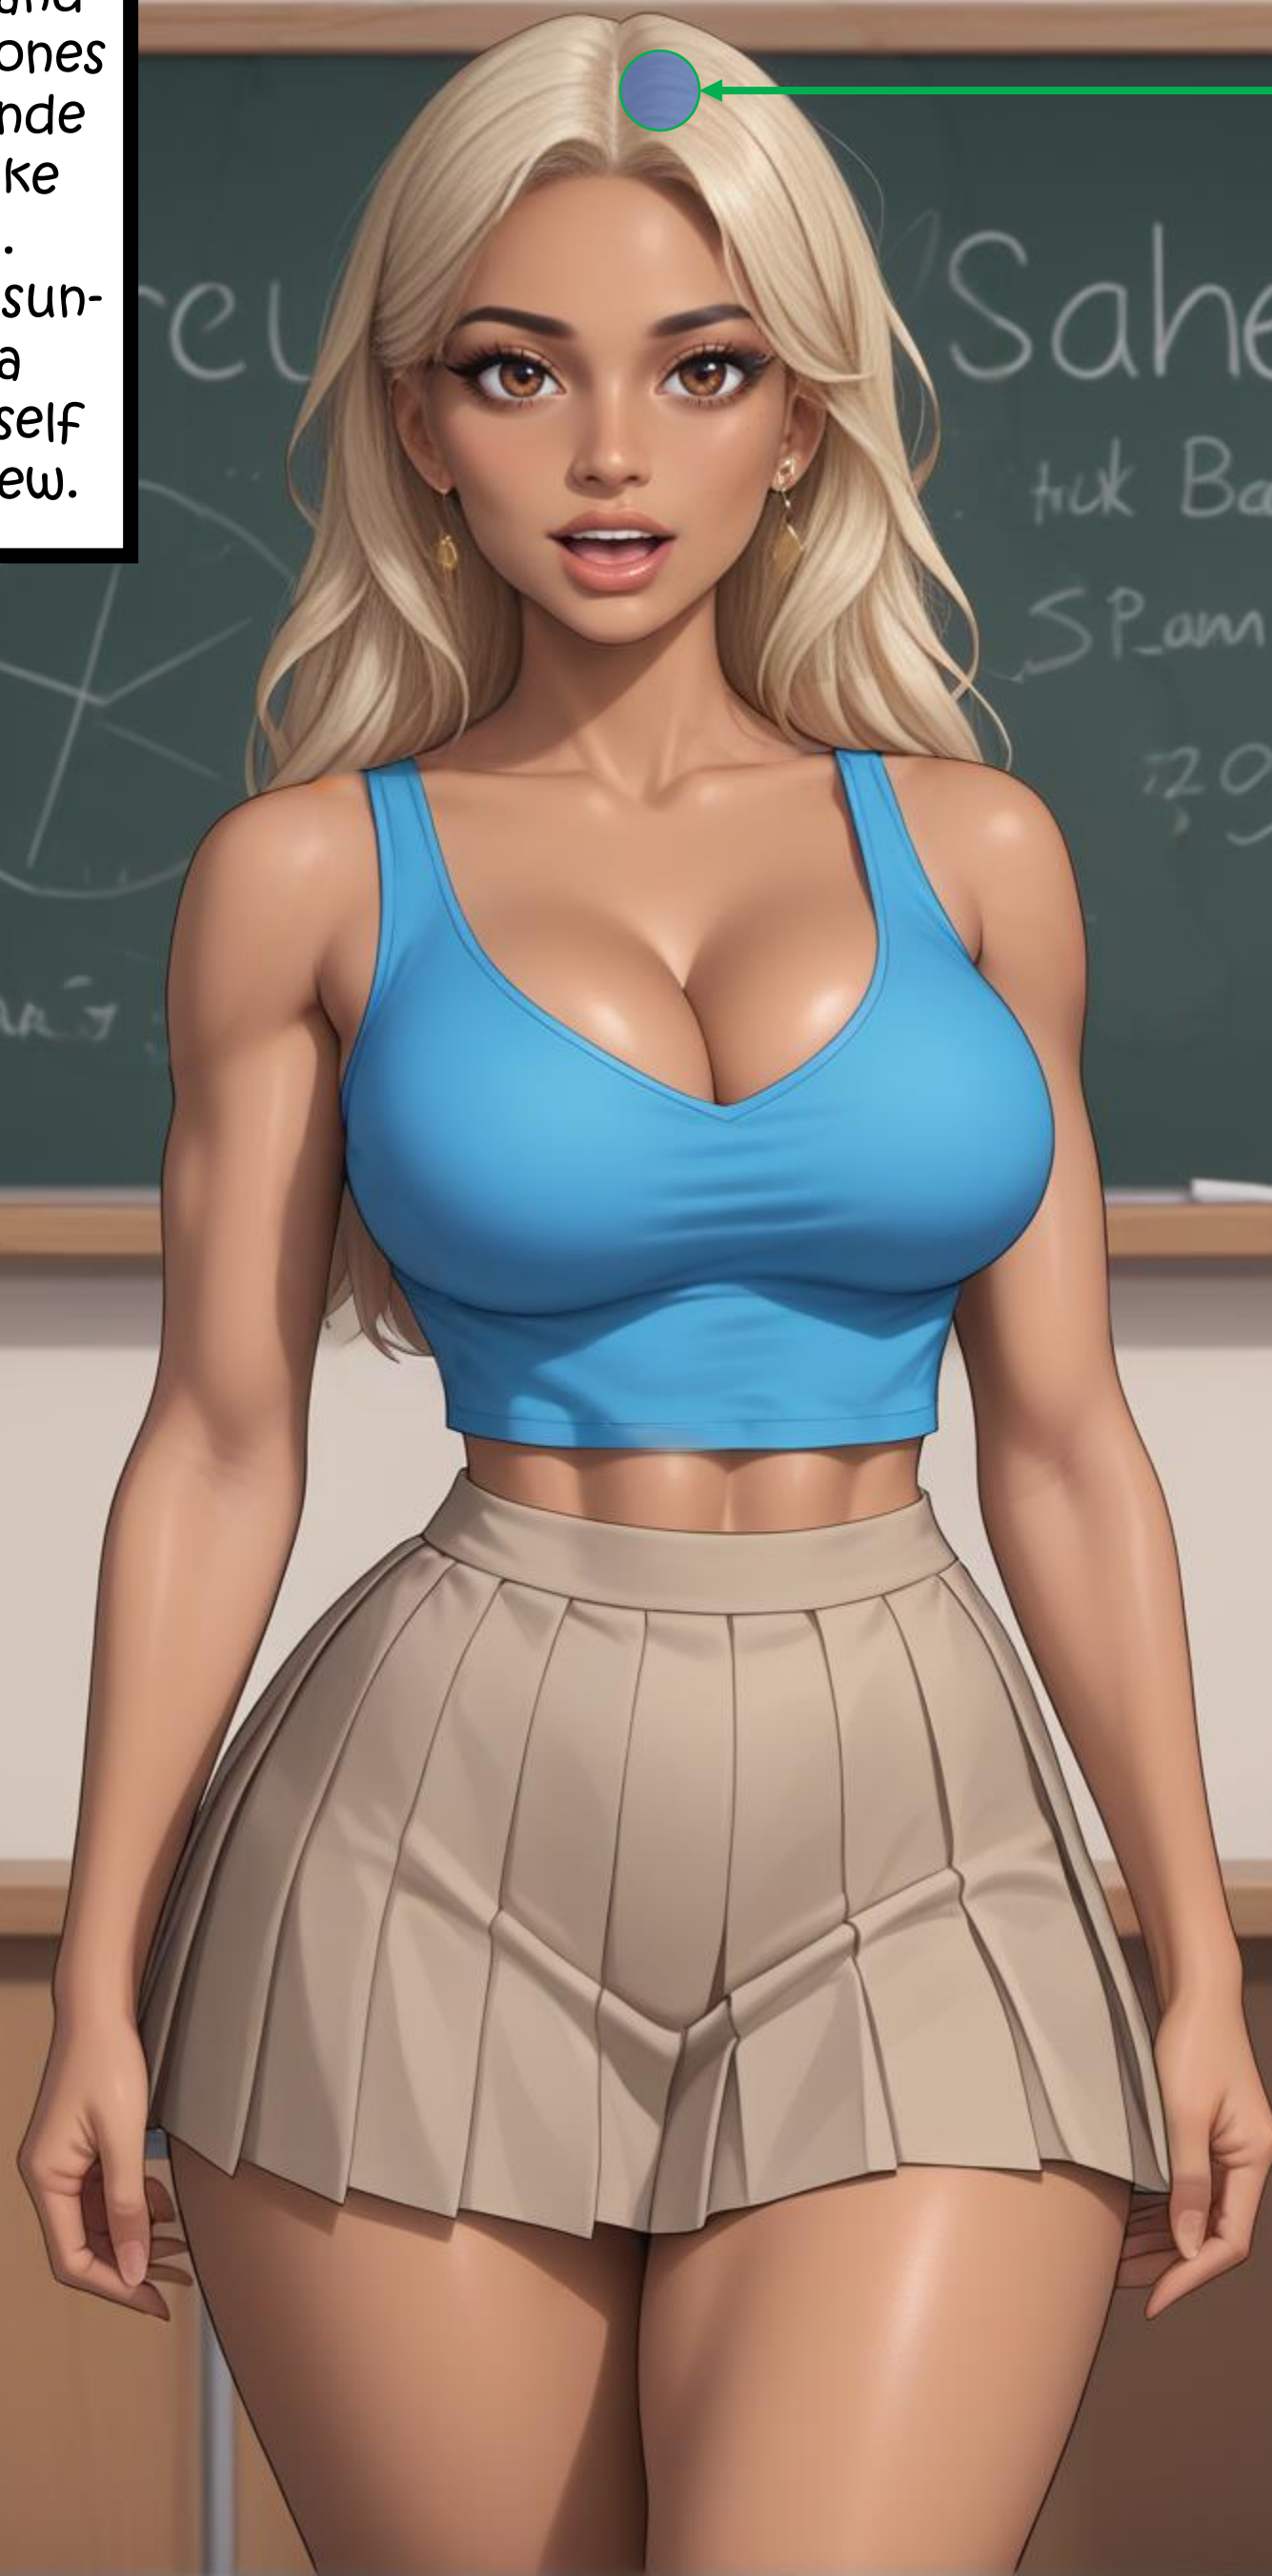

Blond

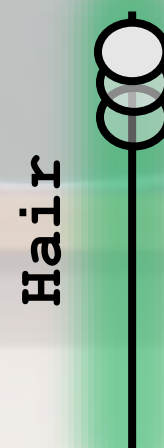

Hair

Black

The shimmer spreads strand by strand until the dark tones give way to a glowing blonde that catches the light like sunlight through glass. The contrast against her sun-kissed skin is striking, a surreal blend of her old self and something entirely new.

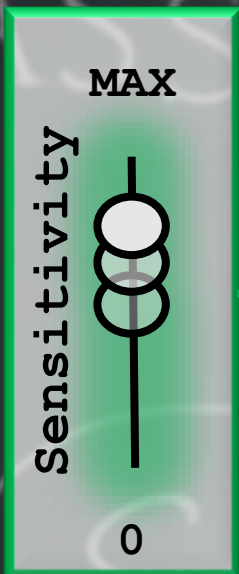

Blond

FUCK! I can't wait to take this beach bunny for a spin! "And with this, I'll ensure she's ready to go whenever!" I think to myself as I max out her libido and sensitivity 'down there'!

And there goes your
career as a teacher. All
that knowledge amassed
in that pretty little head
of yours is now gone...
chuckle

And done!
The whole class
bimbofied! Phew!

Can we finally
have fun with
them, babe?

Yes, Sophy.
Yes, we can!

Pinups

I had just changed his gender. I did not increase his bust...Sorry Erik. But with genes like that, it's basically your obligation to stay a girl!

Let's play a game of chicken! You gotta move the slider up, just by a little. Then me then you again and so on. If a button pops on your turn, you lose!

Yo, girls! What's 6 + 2?

9?

Cock?

Hi!
I'm here for
the cock.

mistake. This is

the easy one?

Human
reproduction?
Yee! I can do
that!

A frozen-in-time, big-breasted blonde bimbo, bending over a table. Does that give you any ideas?

A blonde woman with large blue eyes and pink makeup is leaning over a wooden desk in a classroom. She is wearing a light blue short-sleeved button-down shirt that is open, revealing a large cleavage, and a dark blue skirt. She has pink beaded bracelets and a watch on her left wrist. Her right hand is resting on her chin, and her left hand is on the desk. Two speech bubbles are coming from her. In the background, there are other desks, a chalkboard, and a clock on the wall.

You're a nerd. You
are like good with
numbers and
stuff, right?

help with math
homework...

Woopsie!

I pulled that
INT slider in the
wrong direction
with this one, I
fear...

What fascinates
me isn't the math—
it's the idea that
cause and effect
might be optional.

At the quantum
scale, certainty
doesn't exist—
only probability.

Let's fix that
real quick!

A woman with long blonde hair, large blue eyes, and pink lips is sitting on a wooden desk in a classroom. She is wearing a white long-sleeved shirt under a dark blue vest and a matching blue skirt. She is holding a pen in her right hand and has her left hand resting on the desk. The classroom has several other desks and chairs, a green chalkboard, and a window with yellow curtains in the background.

Wow!
You've got
some really big...
beautiful... eyes.

Thanks for like
noticing!! I'm
really proud of
my make up!

Duh!
I wanna show
off my new
nipple pasties!

Anna! Your
shirt today is
see-through!

A digital illustration of a blonde woman with blue eyes and large hoop earrings, wearing a white short-sleeved button-down shirt that is open at the collar. She is standing in a classroom with desks and a chalkboard in the background. A speech bubble is positioned to her left.

Why would I
wear a bra?
These babies are
like super perky!

I did not know where the remote came from or if its power was limited... But one thing was clear... Classes would never be the same again...

Like what's
he talking
about?

I think he's
checking me
out.

Gotta get my
nails done...

The new teacher had the girls'
full attention... which did not
account for much considering
their attention span...

I don't
get it...

Can't we
just fuck
instead?

The new teacher had been warned that these girls would not listen to anything he said, but that could not be true. Their eyes were on him the whole lesson!

Wow!

Damn!
Look at
that bulge!

He must be
hung like a
horse!

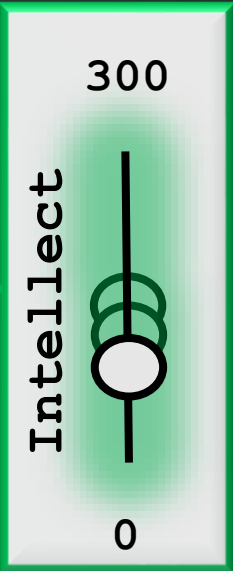

When I told Jenny she could improve her grades by showing me how well she could blow... I did not expect this!

Come on, teach! That bubble is at least worth a B-

That's right, Cindy. Just
chew that bubble gum
and feel your mind
popping away just like
those bubbles you love
blowing.

That chewing
gum bubble was a
metaphorical
representation of
Bianca's head...
filled with air!

Alright, girls, show me those
bubbles!... the other bubbles, I mean!

With her IQ in the dumps, Mrs. Martinez's days as a teacher were over... unless... maybe as a gym teacher?

Heya!
I'm the new cheer squad coach.

It was pretty
easy to get laid
in bimbo class 😊.

You mean it?
Sex is a great
workout regimen?

I did not
know that!
Wanna work
out together?
