Last time, the princess entered the mage's dark Castle...

Asking for passage through his lands to fight the rising demon lord.

Smitten by the princess, the dark mage agrees to a deal.

After a night of saying goodbye to his closest followers...

Just to find out that the orcs he has posted there were already corrupted by the demon lord!

The Dark Mage rides with the princess to the border post...

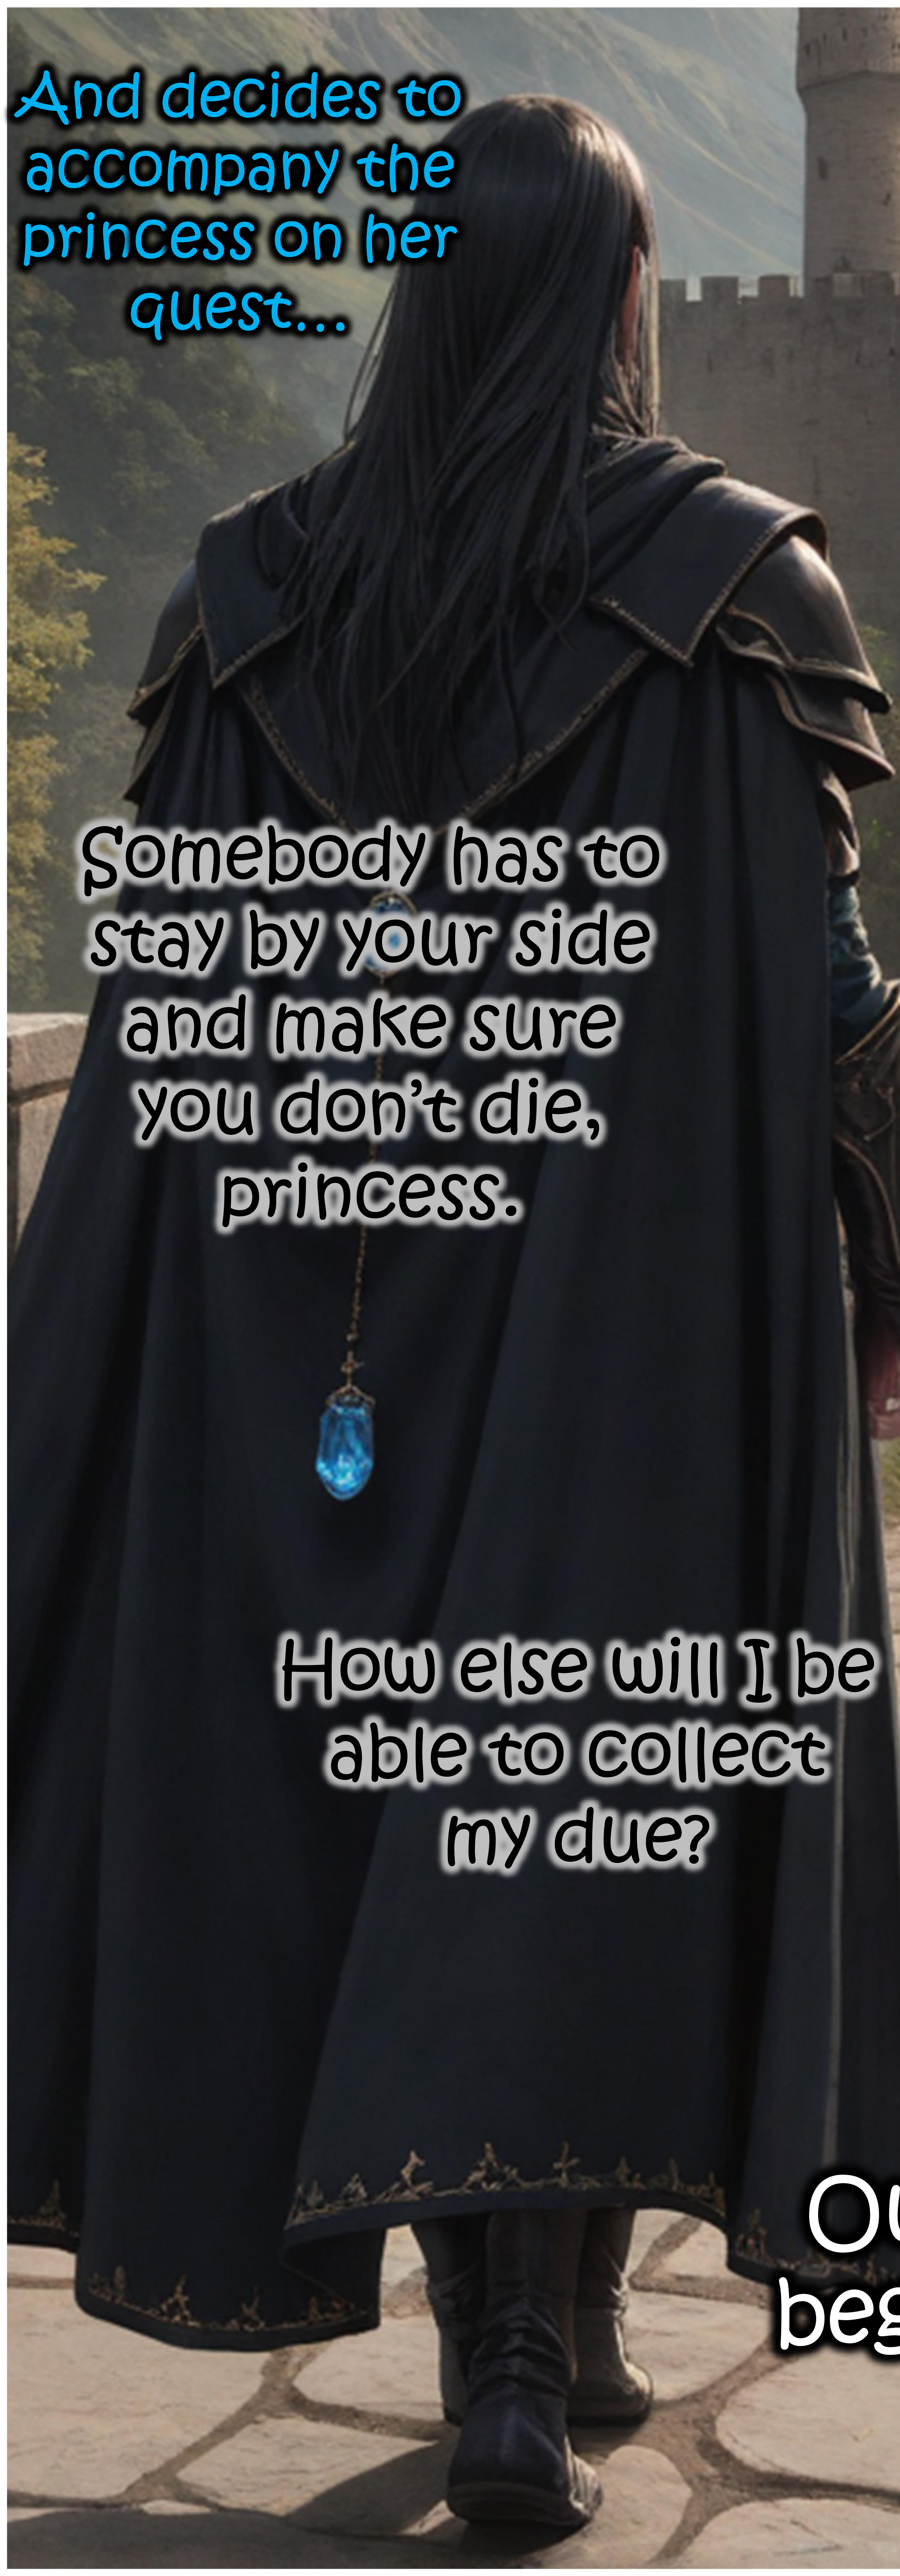

Enraged, he summons
an army of undead...

And raises the
fort to the
ground,
slaughtering
every single
orc inside.

And decides to
accompany the
princess on her
quest...

Somebody has to
stay by your side
and make sure
you don't die,
princess.

How else will I be
able to collect
my due?

Our quest
begins here!

Thank you...

We continue
from here...

And so, the group of adventurers takes the mountain pass through the shivering peaks...

Leading them into the old kingdom of Halthgard – destroyed in the last demon wars centuries ago.

Their objective: An ancient temple of the Celestial Covenant...

Said to hold Lightbane - the sacred blade...

The prophecy foretells that the demon lord can only be slain by a virgin wielding this sword...

Ancient temple of the Celestial Covenant

What an eerie place...

I don't like this...

No birds,
no rabbits.
I sense
nothing
alive
around
here!

Adrian, a little
light to soothe
our unrest?

Of course,
princess.

Princess... I feel
pure evil emanating
from these walls.

Prepare for battle.
We need to find
Lightbane!

Yes, princess!
We will pave
the way!

Hm... I don't sense
any "evil" here...

Just... a seductive
scent...

My Lady, the path
splits...

I feel a soft breeze coming
from the right. It leads
upward into the mountain
caves so...

... We'll explore the
left first. It's probably
the way to the inner
sanctum.

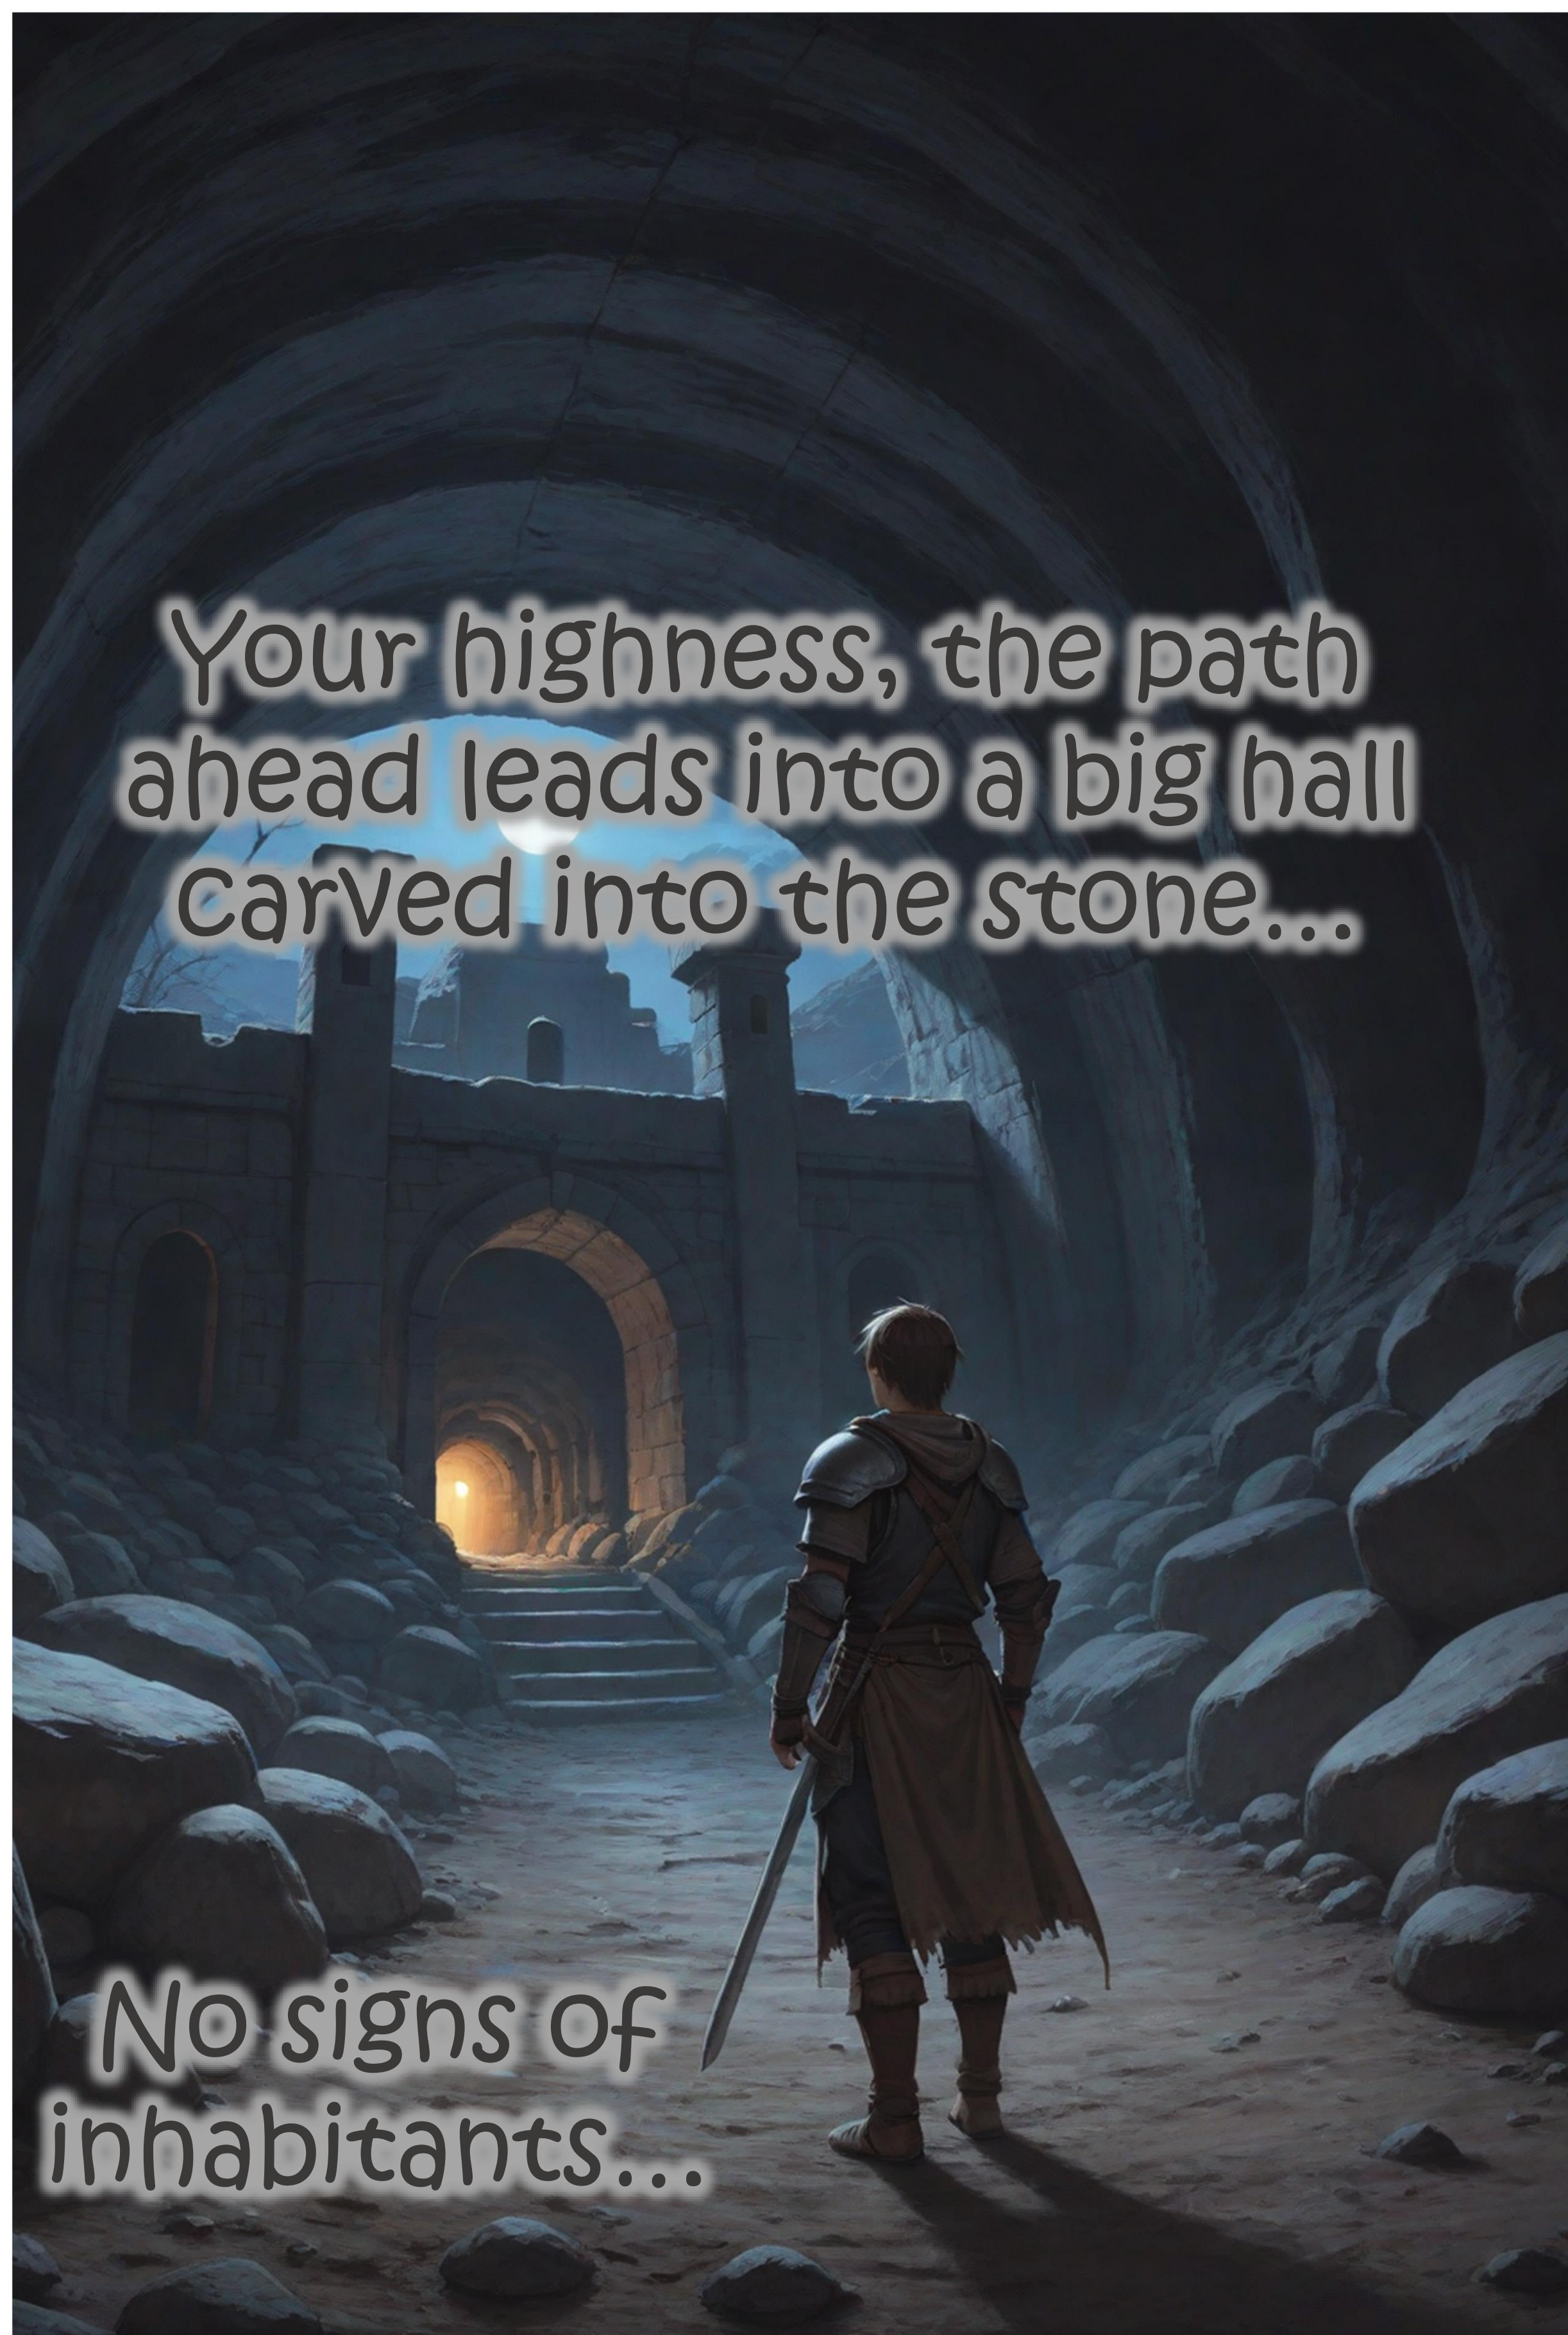

But I smell
something delicious
from the right...

The left path leads
the princess to an
underground
building.

Your highness, the path
ahead leads into a big hall
carved into the stone...

No signs of
inhabitants...

We advance!

Yes, my Lady!

There's someone
here. I just know
it!

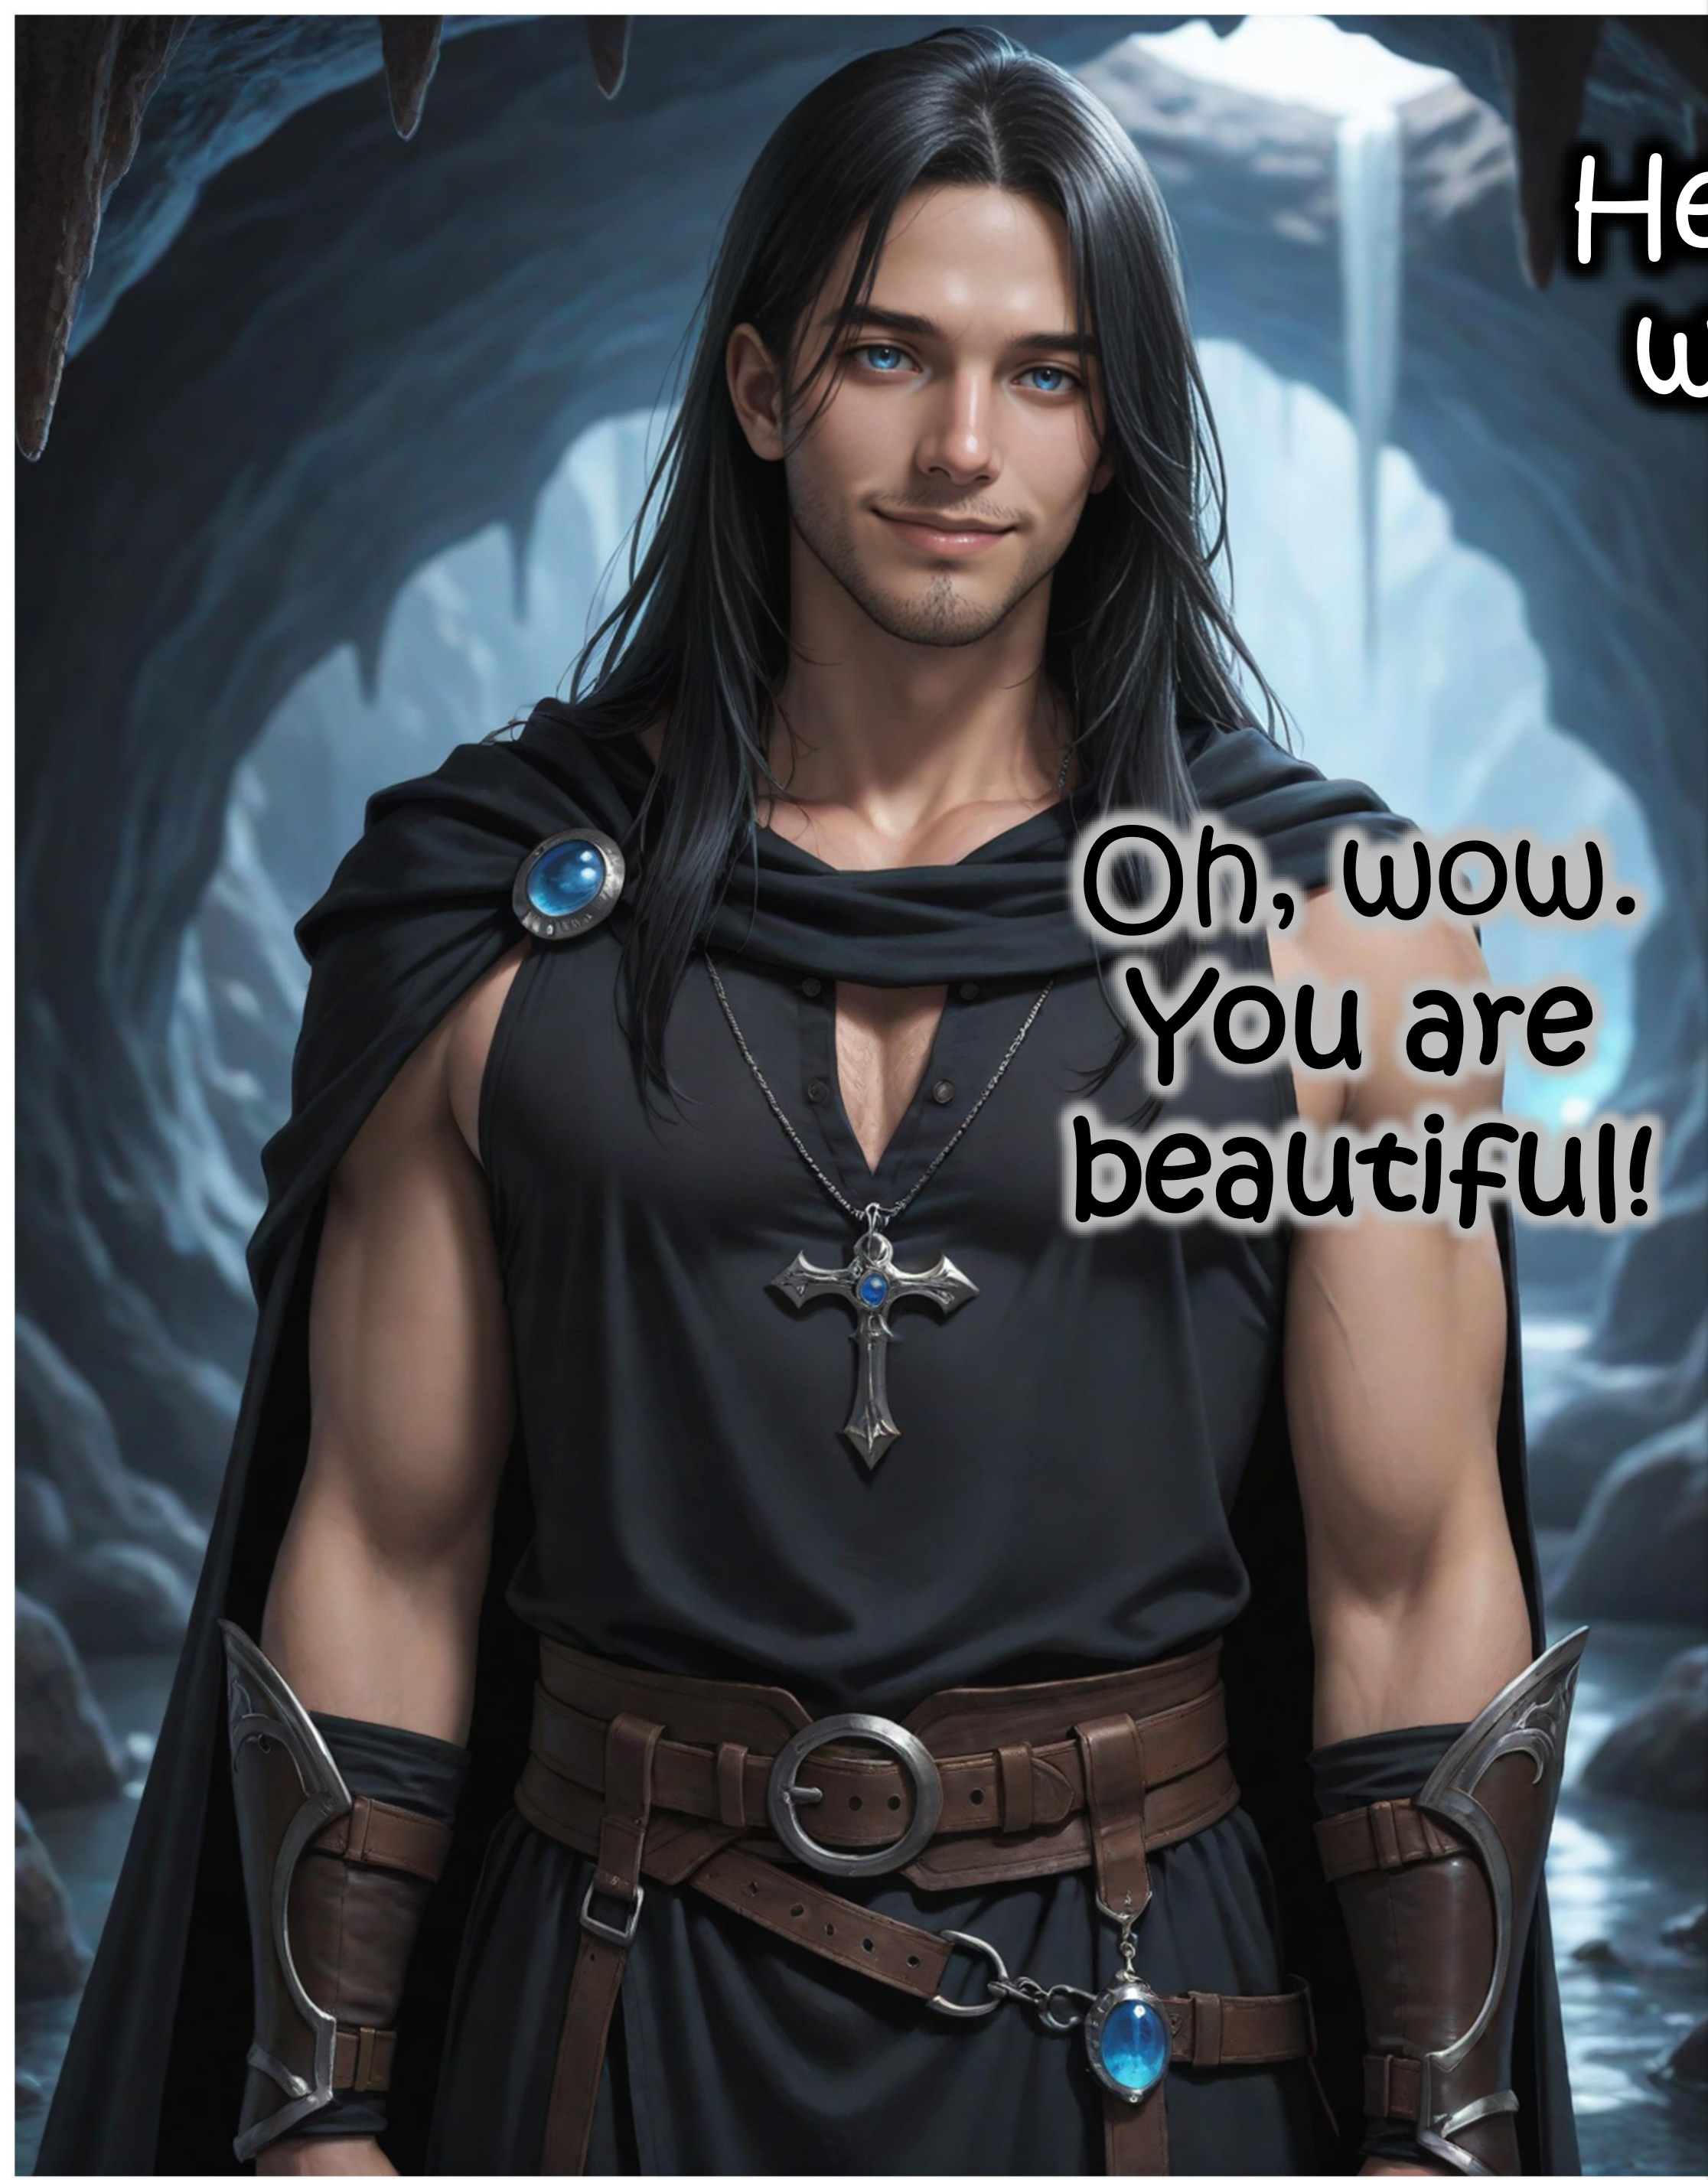

But we follow the
dark mage as he
sneaks away from the
party and follows the
right path instead...

Ah, yes.
There they
are!

giggle

Hello, weary wanderer.

Oh, wow.
You are beautiful!

Now, what do we have here, sis?

Two beautiful women step from the shadows...

He looks
delicious.

Back off, sis!
I found him
first.

Oh, don't be like
that. Sister's
share, no?

Also, I'm sure he's
into blondes, ain't I
right about that,
wanderer?

Don't listen to her.

My sister can be a little playful.

But she's not serious.

I'm gonna make you enjoy this...

Just look into my eyes...

Look deep into my beautiful eyes...

And lose yourself...

You do realize ...

...Eye contact is a two-way road, Vampire?

Huh?!

He knows!

Now, now, no need to fret.

Just look into MY eyes and everything will be alright.

I... your eyes...

No! I will...
never... submit
... to a human...

Such powers
don't work...

On vampires...

Right?

I... I mean...

Hisssss

What have
you done to
my sister?!

chuckle

The same I'm doing to you!

What?!

I...

I can not
look away!

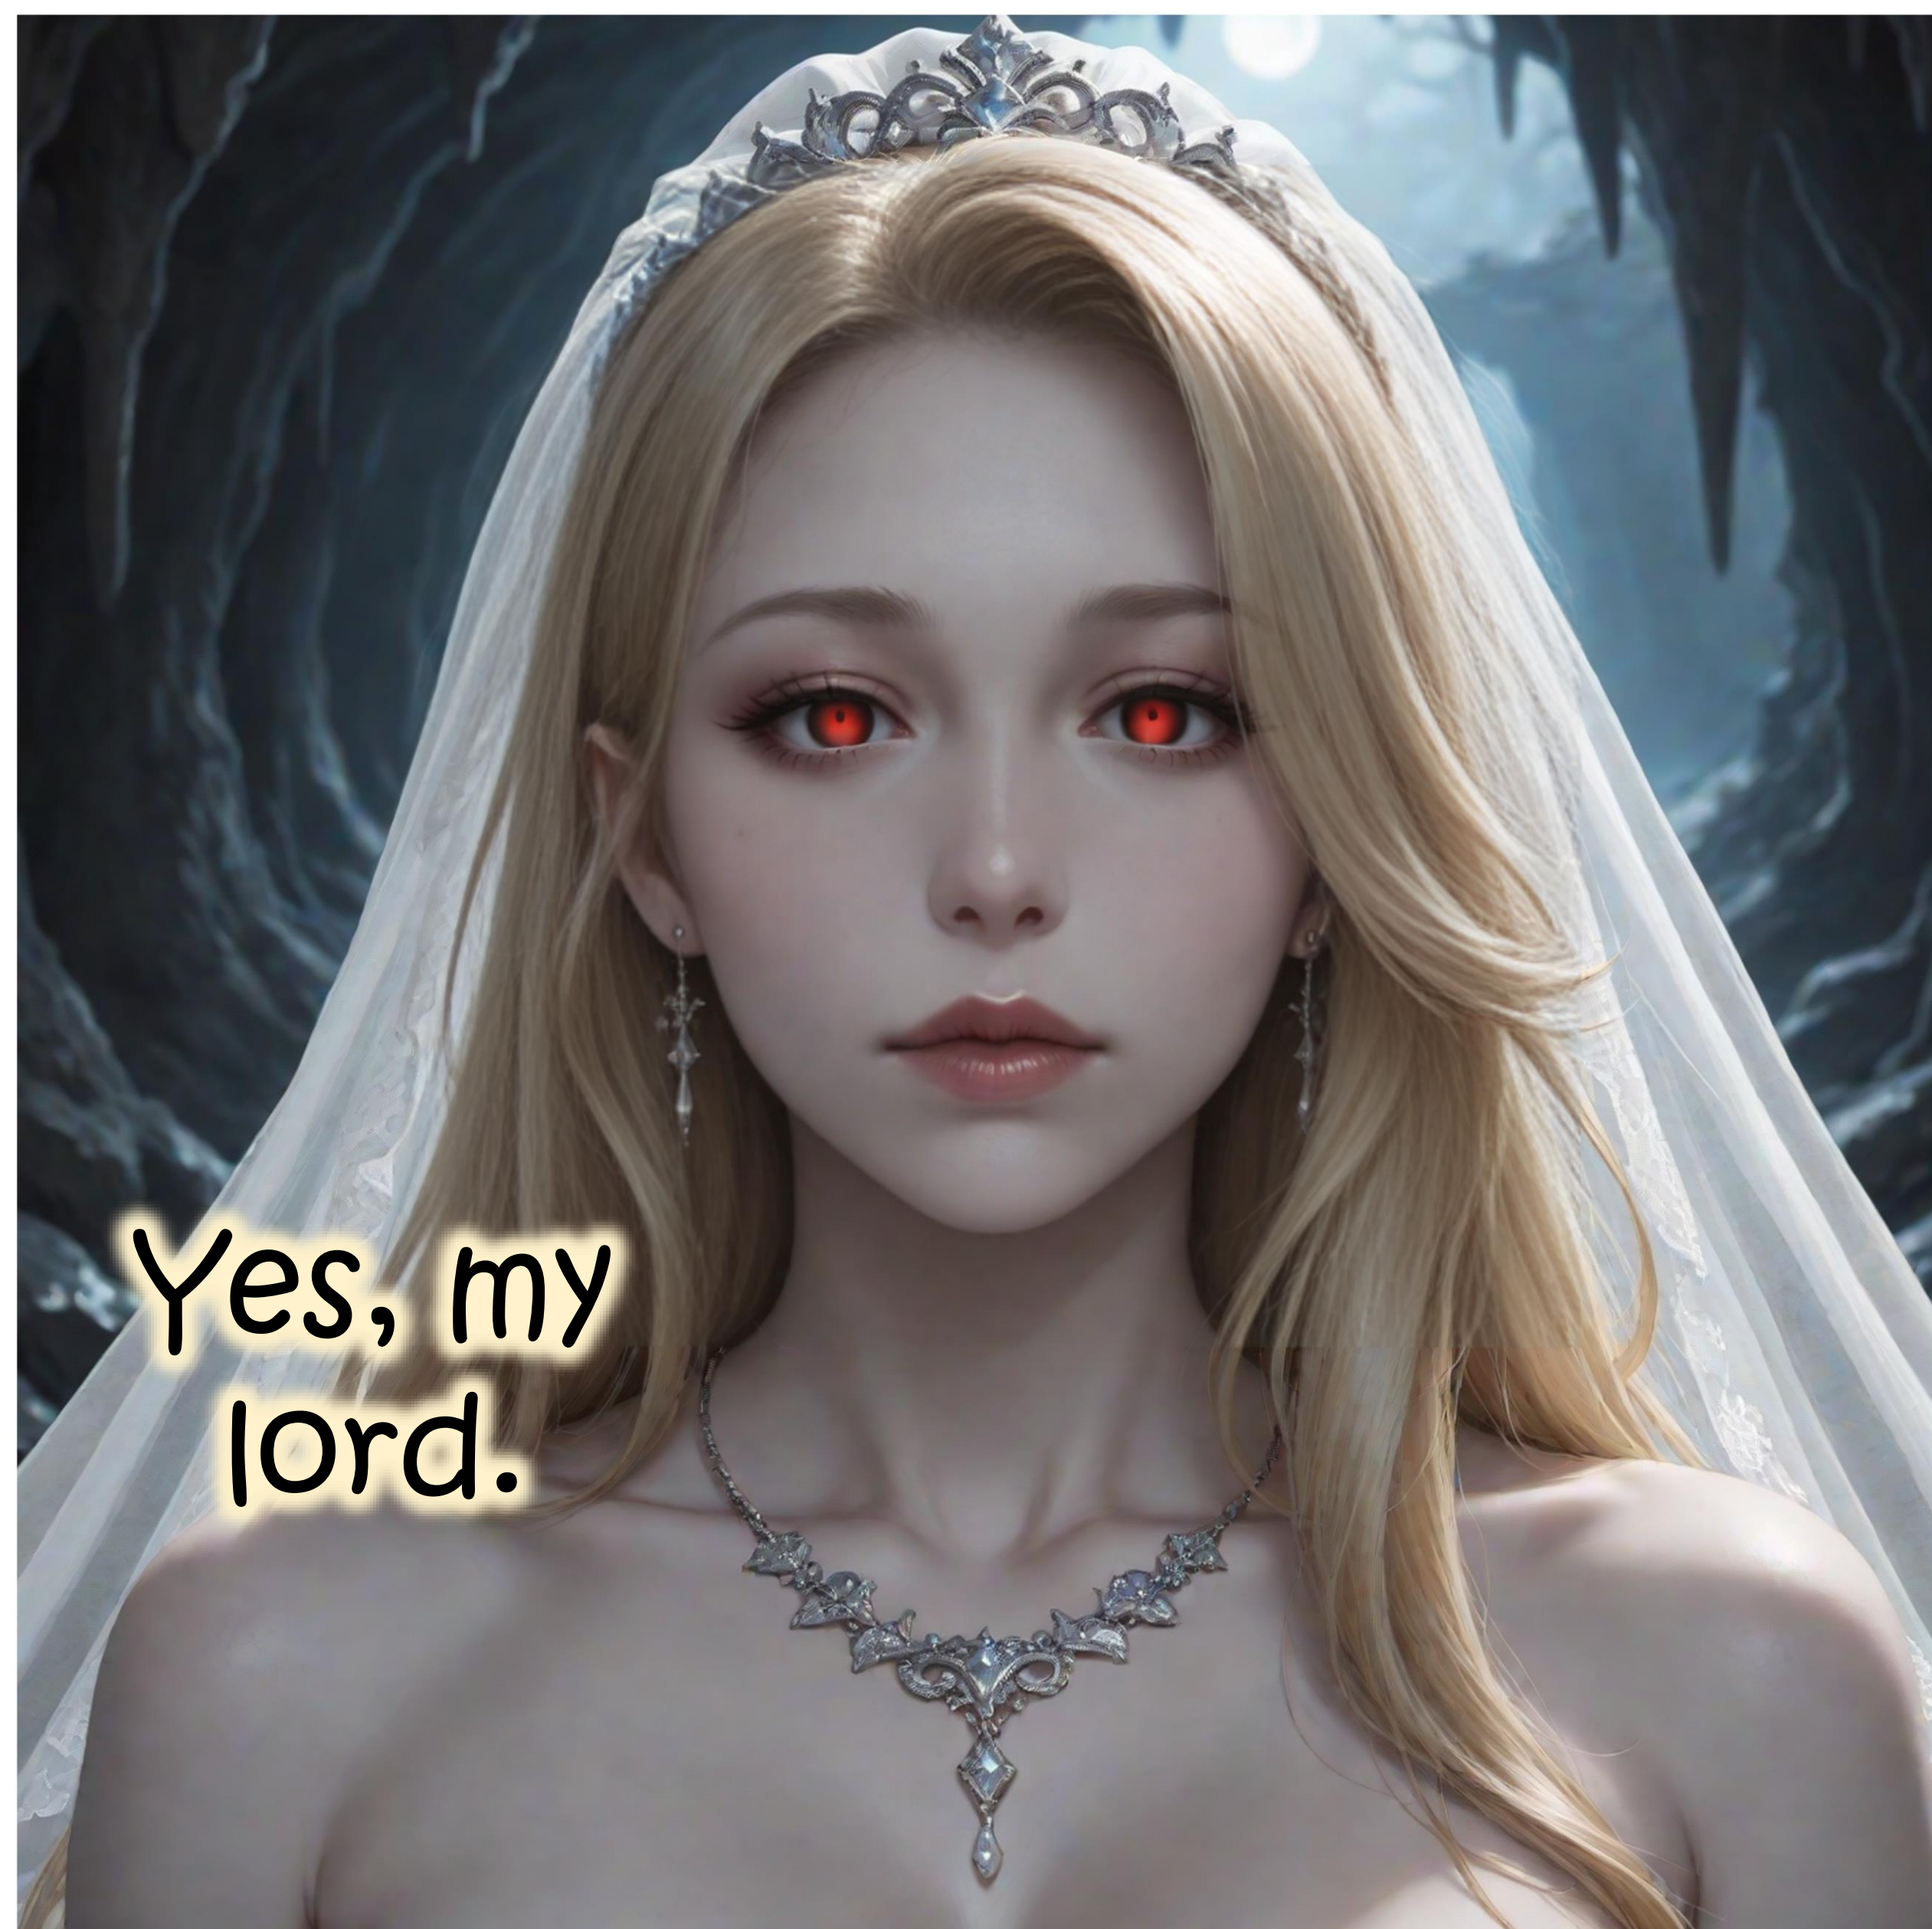

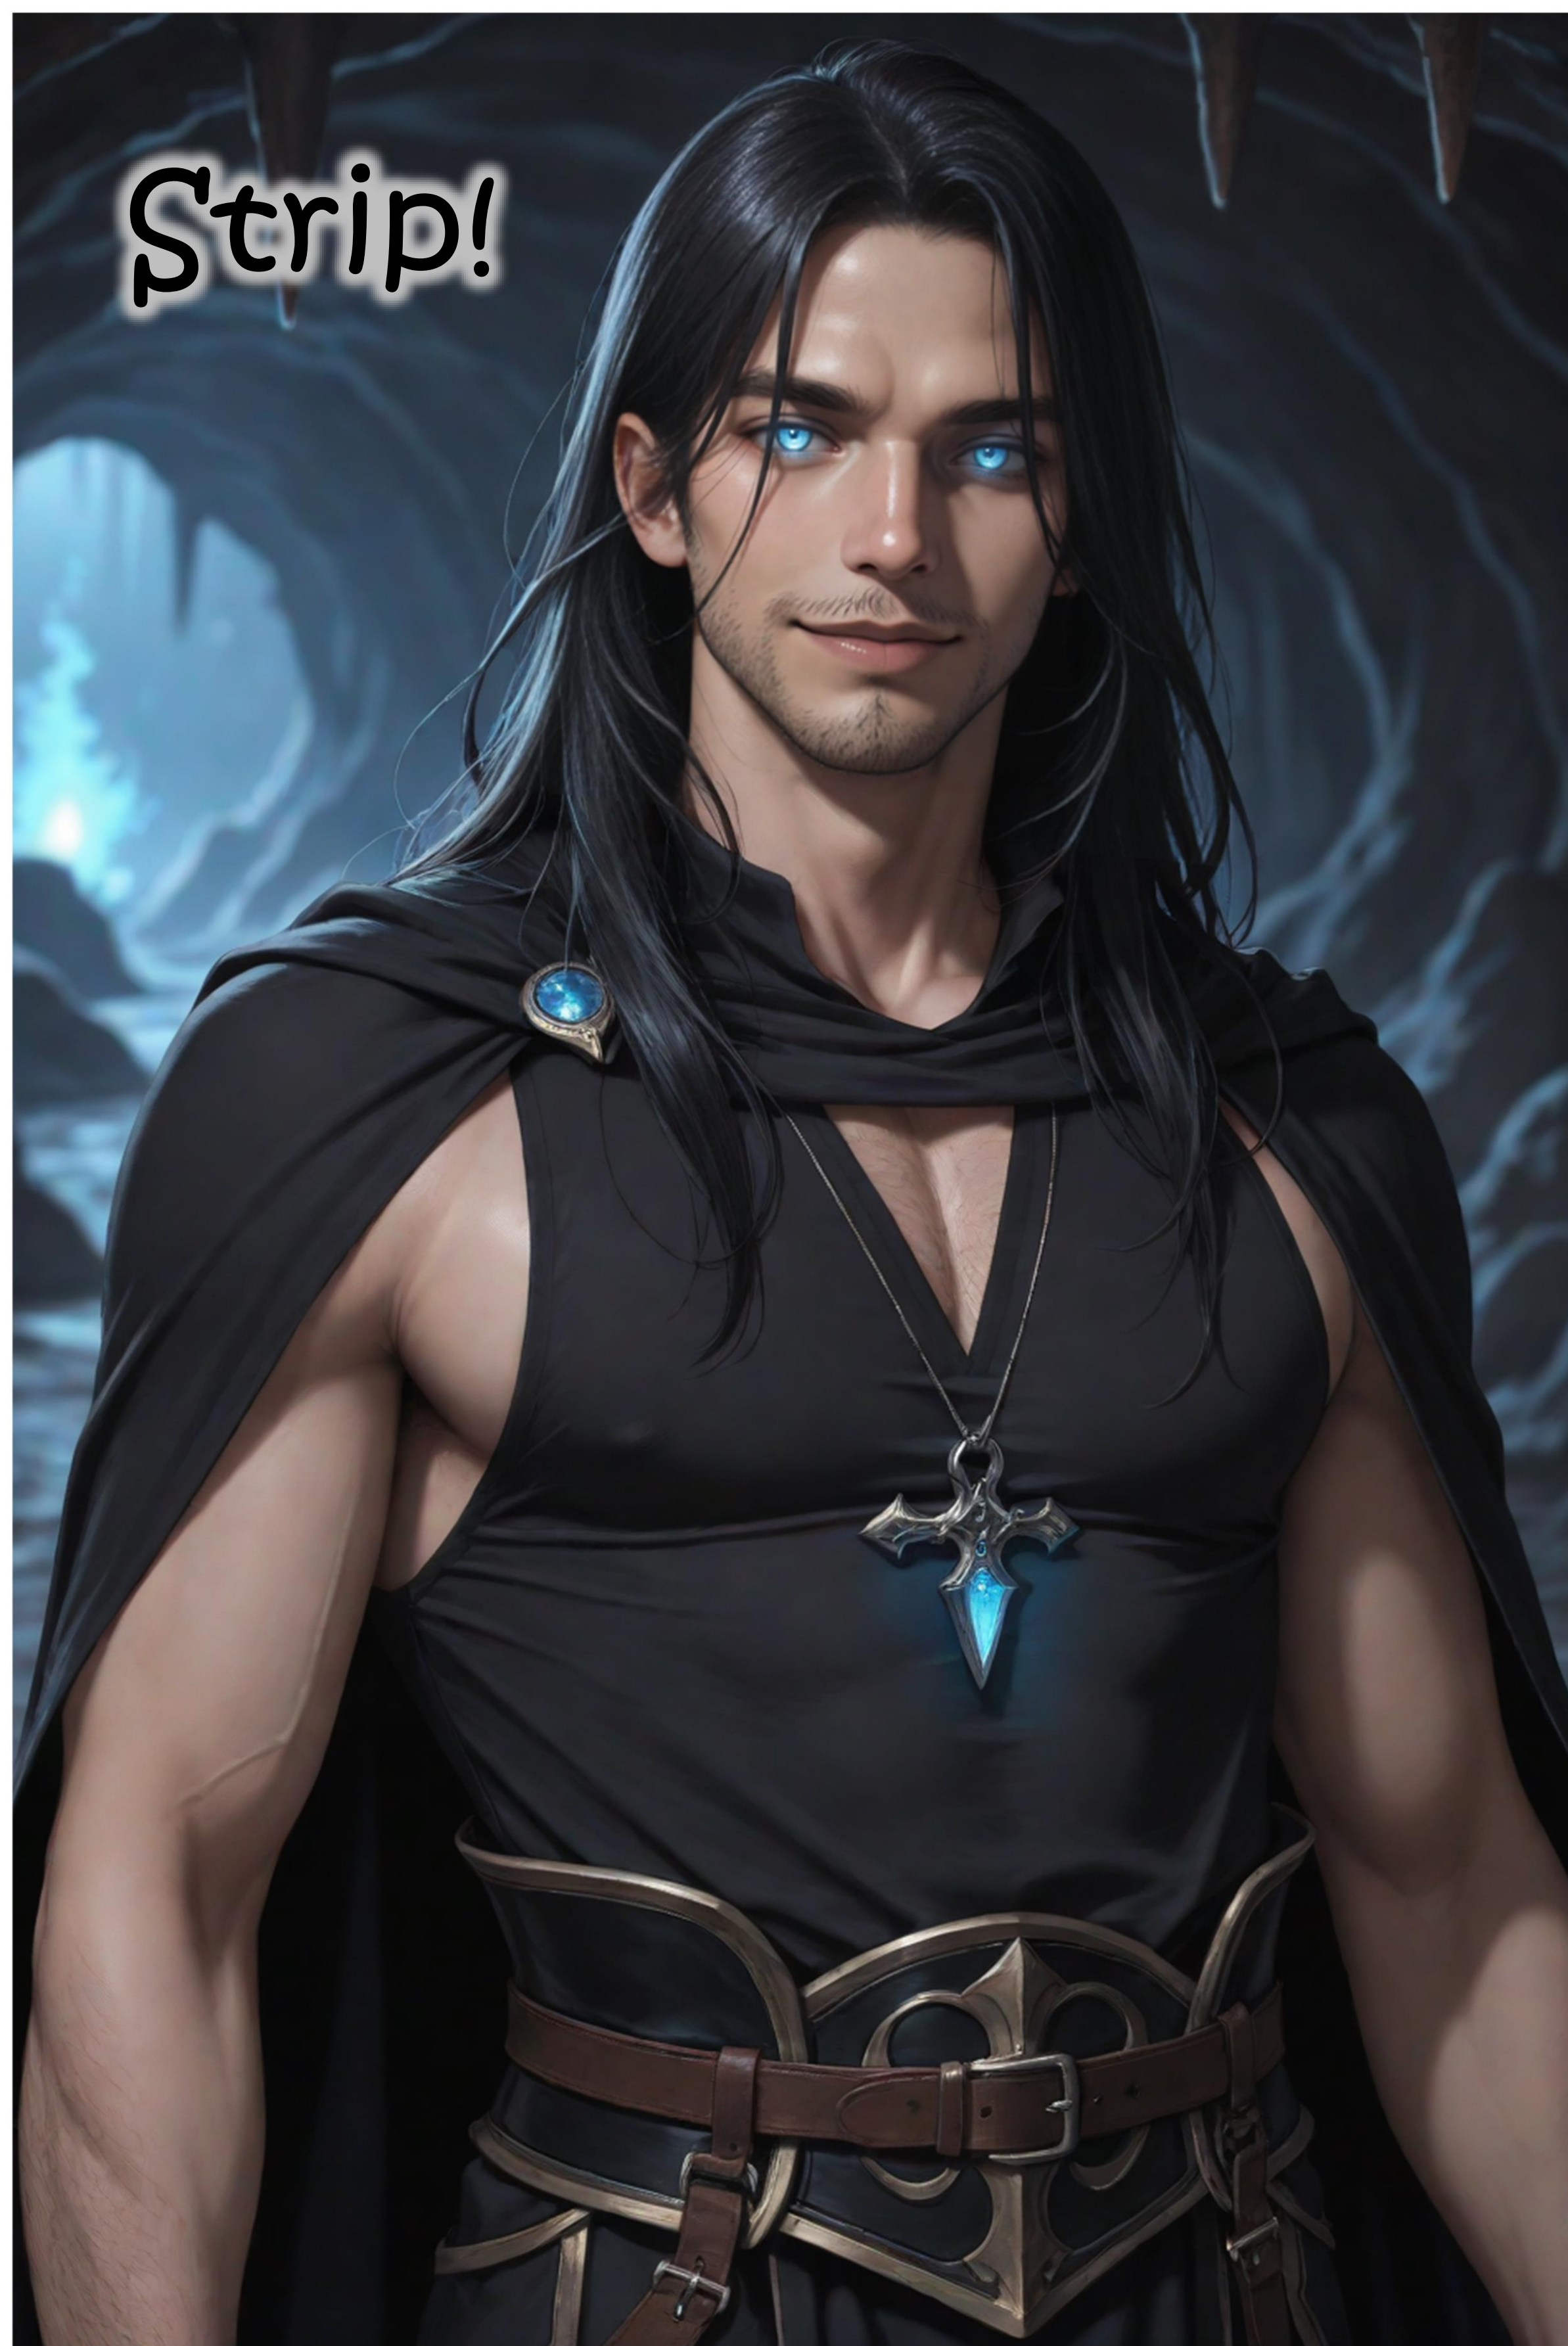

I am yours to
command, my lord.

Do with
me, as you
please...

Slowly, the blonde
beauty of the night
starts to tug on her
undergarments...

Her eyes are empty –
void – from the trance
she's been put in...

Driven only by
the urge to do
everything her
new Master
tells her...

The black-haired
vampire bride follows
suit... no sign of
resistance...

Without a second thought, these
otherwise bloodthirsty beasts of the
dark reveal their curves...

No seduction to distract their prey
into a bite. Just blissful obedience.

They have fallen prey to the same magic they
usually use themselves to get what they want...

Soon, the last
fabric falls...

And both vampire sisters stand
before our mage in all their glory...

Now, when I
wake you up. You
will be eager to
please me.

Eager...

To please...

Yes...

Master.

You'll still follow all
my suggestions...

Obediently...

And happily!

Oh, and of course, no biting or
harming me in any other way!

Yes, Master.

No, biting.

snap

And wake up!

A digital illustration of two nude women with large breasts and red eyes, standing in a dark cave with stalactites and candles. The woman on the left has dark hair and the woman on the right has blonde hair. Both have red lipstick and heart-shaped earrings. The woman on the right has red nail polish. The scene is lit with warm, low-key lighting from candles in the background.

Good evening, handsome.

See anything you like?

Oh, absolutely, ladies. Why don't you make out for me? Give me a show.

With the snap of a
finger, their attitude has
changed completely...

And the two
vampire brides
engage in a
passionate kiss...

Their eyes
always glancing
back at the man
of their
affection to
ensure he likes
what he is
seeing...

Very nice, ladies!

giggle

chuckle

An AI-generated image of two nude women with pale skin and striking red eyes, standing in a dark, cavernous setting. The woman on the left has long, wavy black hair, while the woman on the right has long, wavy blonde hair. They are both looking directly at the camera with slight, enigmatic smiles. The background is a dark cave with jagged rock formations and several lit candles providing a warm, dim light. The overall aesthetic is sensual and mysterious.

Now...
handsome...

How about we please
YOU with our bodies?

We have centuries
of experience!

Meanwhile, with the princess's party...

It's just too many of them!

End of Chapter

Hello, Hexxet here,

Do you like vampires? 😊

I hope you liked our dark mage's encounter with these two beauties of the night. And maybe you are looking forward to that big battle scene coming up next chapter? What mess did the princess's party stumble upon in those caves? 😊

Of course, more vampire sexy time will await as well!

Pinups...

We await your
commands...

Master...

Hypnotized, their own spell reflected back at them, the two ladies of the night stared blankly at the magician, patiently awaiting his commands.

Their eyes empty, their minds set on
submission...

The two vampire brides obediently
listen to your every wish...

Yes, Master!

No
biting!

We promise!

We promise!

Waking from their trance, the two vampire sisters were still set on draining our mage...

Just not off his blood that is!

How about a
little... KISS

Hello there,
weary wanderer.

See anything you like?

Oh, my!
I haven't felt
this attracted
to anybody in...
at least three
centuries!

Let me give you a hug.

Vampire bride?
Just my monster
class designation!

But if you
want, I can be
your bride!

giggle

giggle

Normally, it's not such a bad sign if a woman
eyes you up like a piece of meat...

Helloooo
there!

You look
delicious

But with these girls you really gotta get past
the „you are just food“ stage...

Can I get first
dips, sis?

You can have the neck... I'll
bite somewhere else...

The temple's CataCombs were crawling with
undead!

Oh, what horrible fate...

Welcome, weary
wanderer...

To our humble
caves...

The caves under the temple were a real maze!

There were even caves in caves!
