Scarlett and James are lovers.

They have been dating for several months now...

James is very happy with this relationship...

Bedroom,  
definitely!

*giggle*

But Scarlett has a secret fetish... She'd like to tie him up in bed... but he's not interested...

So... when Scarlett gets her hands on a wish-granting bracelet...

You know, if this was a real wishing bracelet, I'd **wish** for you to forget everything about it so I can have it all to myself, of course. *\*giggle\**

She does not hesitate to make her wish...

And so... the next date night, it is finally time for some hot BDSM in the bedroom!

Oh, I've been waiting for this for such a long time!

Thanks for indulging me. I promise I won't go too extreme the first time.

Let me get the rope real quick, and we can start.

But... is everything really going  
according to Scarlett's wish?

*\*chuckle\**  
That won't  
be necessary,  
babe.
