All those
lies!

This is Timmy, the
protagonist of this
story. He has a
Christmas trauma
ever since his
parents told him
Santa's not real...

Oh, hey
Timmothy! Is
there anything
you needed?

This is Isabel,
Timmy's neighbour.
She really likes
Timmy, who's always
friendly and does
community work
over at the
orphanage.

And this is Joana,
Isabel's 19-year-old
daughter. She does
not like Timmy...
Cause he's a total
creep with an evil
aura!

And then there is this guy – the antagonist of this story, so to say...

He fulfils Timmy's Christmas wish!

*All I want for
Christmas is
World Peace.*

No! Not that one!

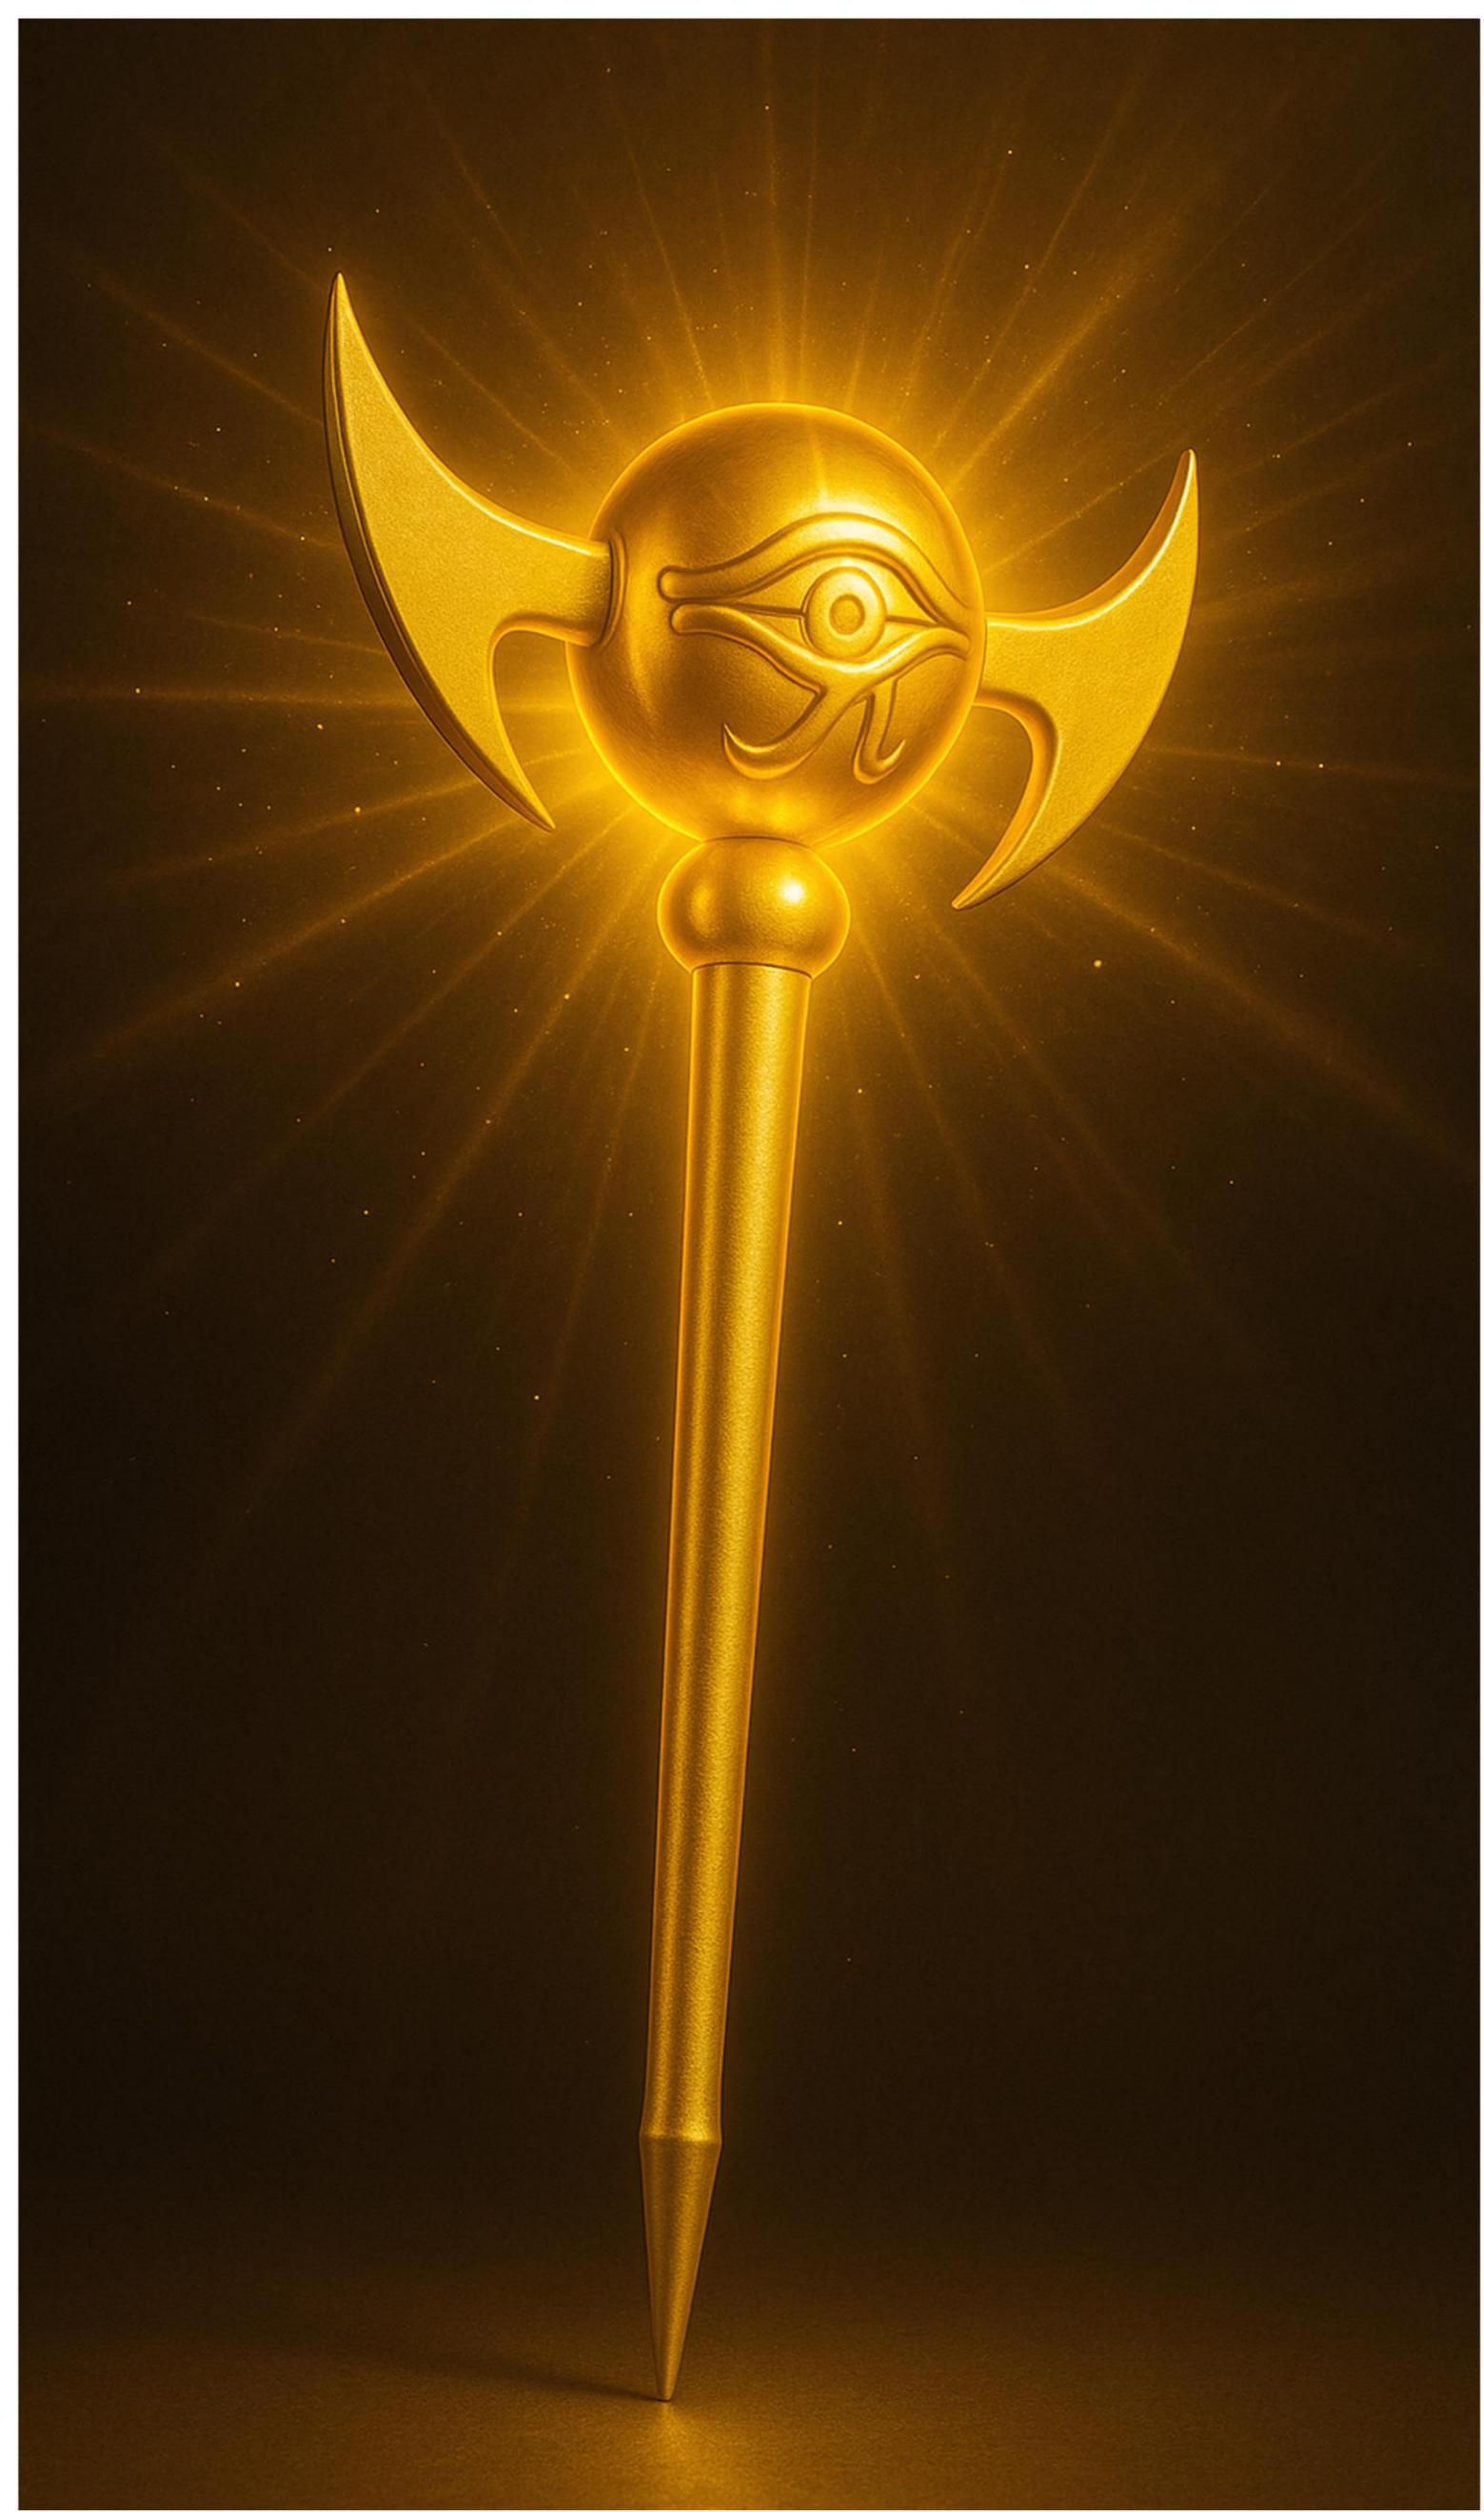

This one!

Finally! A real
Millennium rod!
Power beyond what
money can buy!

Oh... just the most powerful artifact in the whole universe... probably.

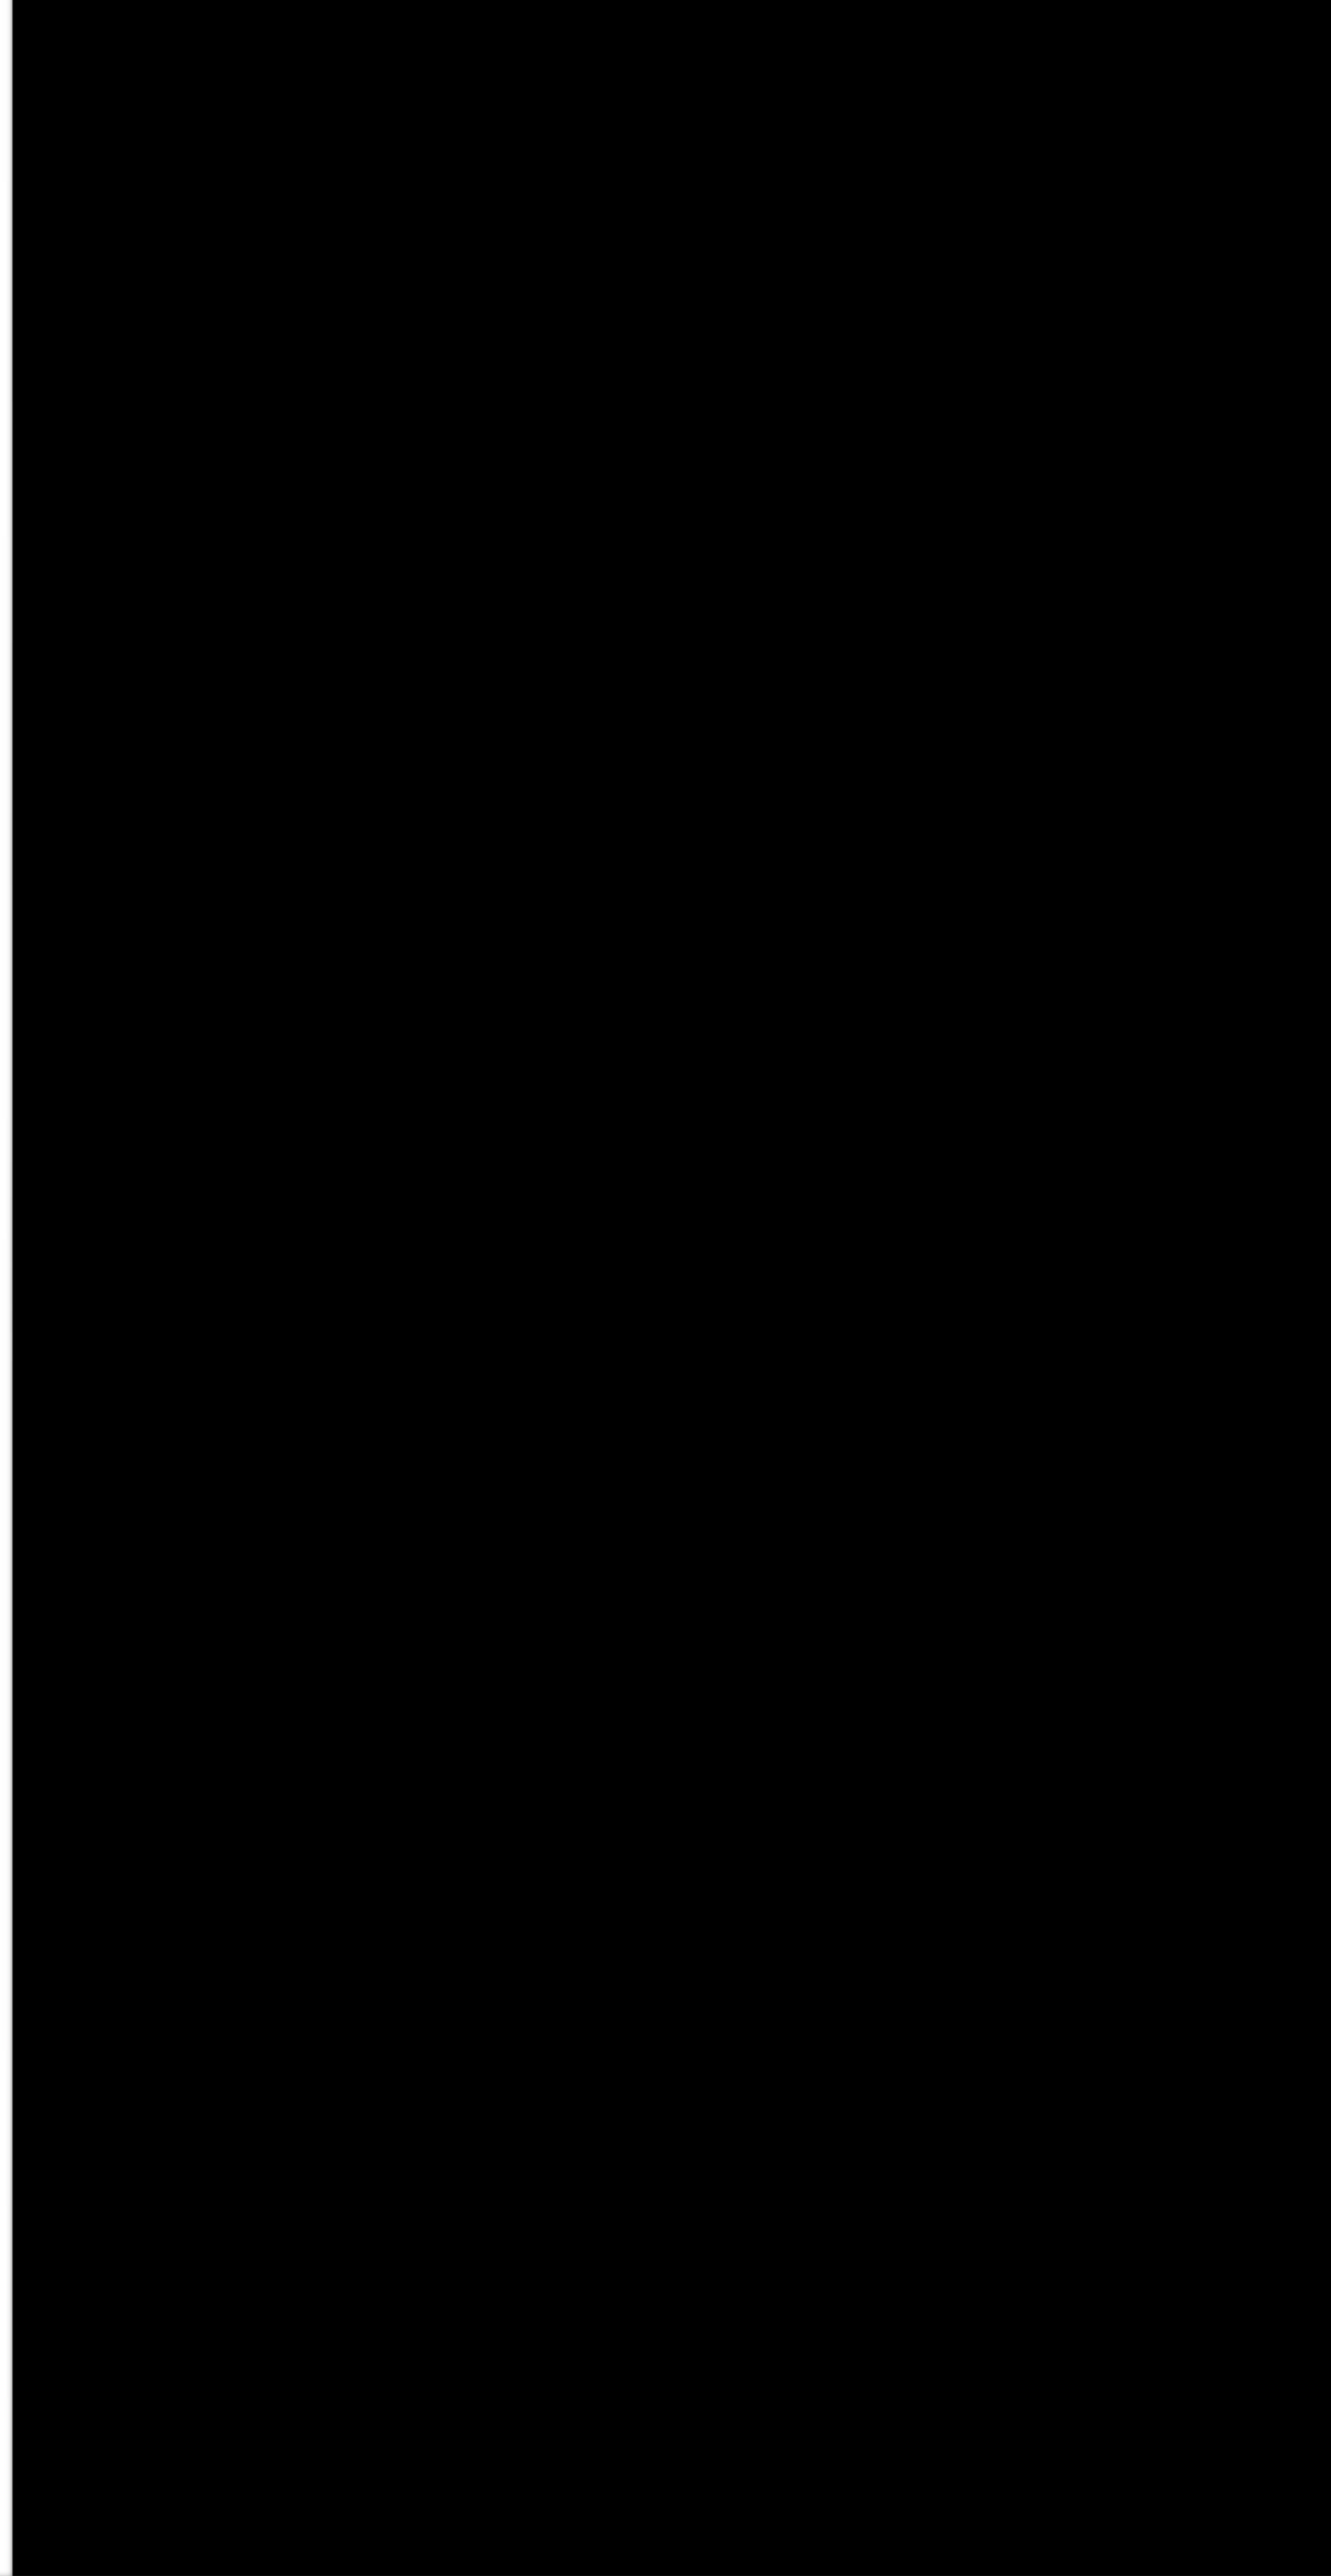

Oh, my!
Is it glowing?

Yeah! It is glowing! And Timmy is just getting started!

What did you just say to me?!

I said, submit!
