Last time on "BDSM Wishing Bracelet", we saw Scarlett meet her neighbour – an Archeologist.

You are back!

Hey, girl!

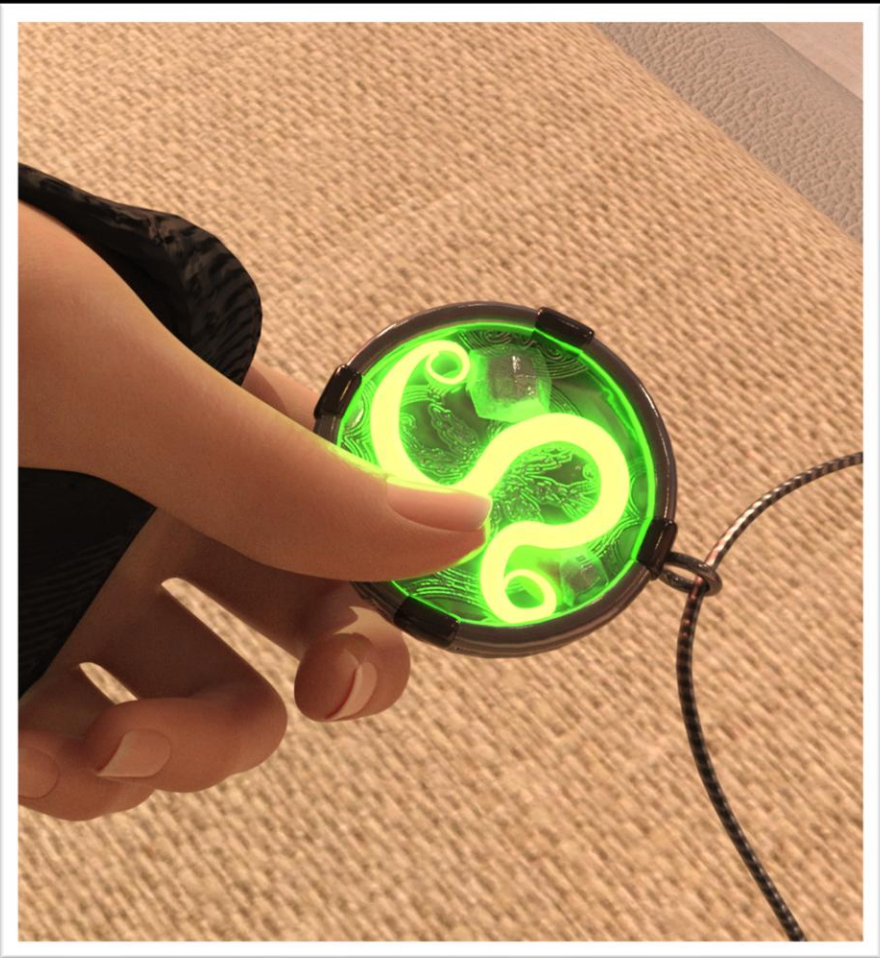

I wish my boyfriend James were the perfect BDSM lover!

She shows Scarlett her newest discovery, an ancient Aztec bracelet...

Well, turns out it's magical and grants wishes!

Things did not turn out as Scarlett planned, though...

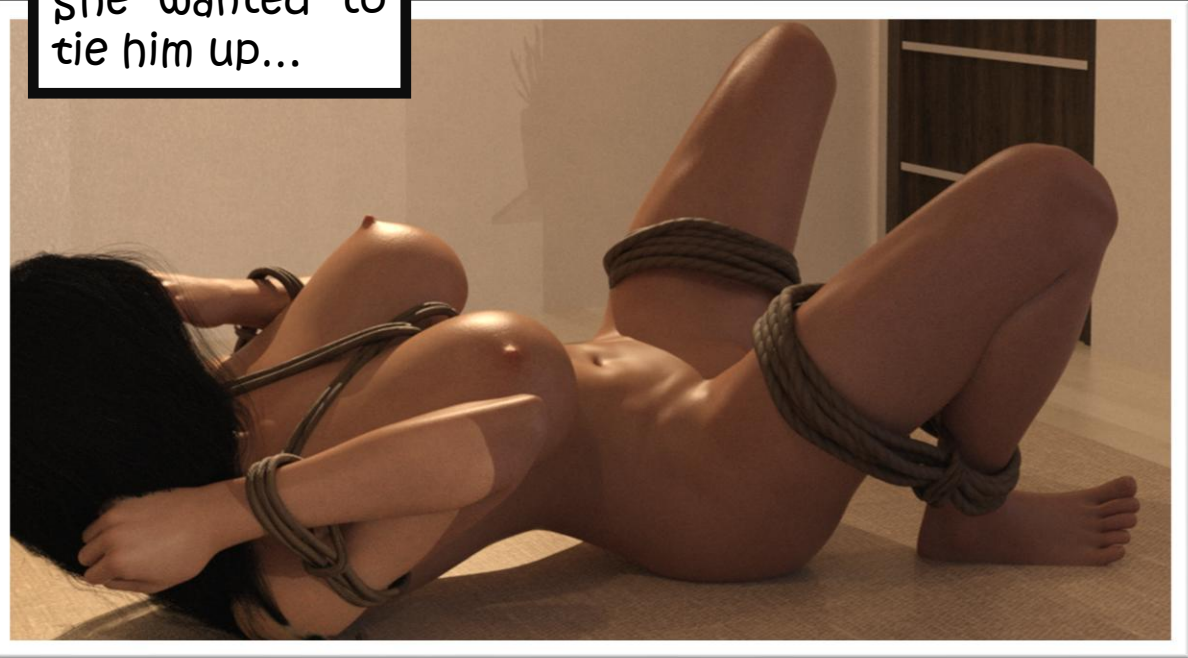

This is not what I had in mind!!

But ends up in rope herself...

This stupid bracelet!

Now Scarlett tries to undo her previous wish... but that does not seem possible...

I wish for
James to be
back to normal
– not a dom!

Why is it not
glowing?!

And so she resorts to a different wish...

Alright... I wish James were unable to resist my charms!

Nice!

Thank you, little trinket!

I wasn't sure you wanted to see me anymore...

You seemed pretty... bummed after what I did last time...

Oh... that... no... water under the bridge.

It wasn't that bad... maybe I even liked it a little. *giggle*

But for tonight... I have something special in mind.

Roleplay!

Aha...

For tonight... I
have something
special in mind.
Roleplay.

You'll be a
mysterious
evil slave...

And
I...

...will be the
sexy cop who
is taking you
in.

And punishing
you for your
sins.

Damn, babe!
You look hot in
those clothes!

I know!

How will their roleplaying session go?

Ha-ha-ha!
You may be a
hard man to
track, Mr.
Kalington.

But your
associates
sang like little
birds!

I will tell you
nothing! You
have no proof!

Does Scarlett's wish work out as intended?

Or is the mischievous little trinket fucking it up for her once again?

You've been a bad girl!
