Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic. In the beginning, he was not very skilled at it due to his low Ether Force. But by combining some key spells, he is slowly ramping up power.

Last time we saw the crew return from their successful museum heist mission and imprisoning the thief girl Serenity (Alice) – Mika was tasked with the job to get her to join them...

Last time on The lost Temple, we saw how Mika got the Thief girl to open up...

Gaining a little trust was easier than anticipated by showing her a bit of magic...

I'll pretend to join the camp... but I'm only loyal to you.

We continue from here – the day that Serenity joins our little group at Camp.

Hi! I'm Asher.

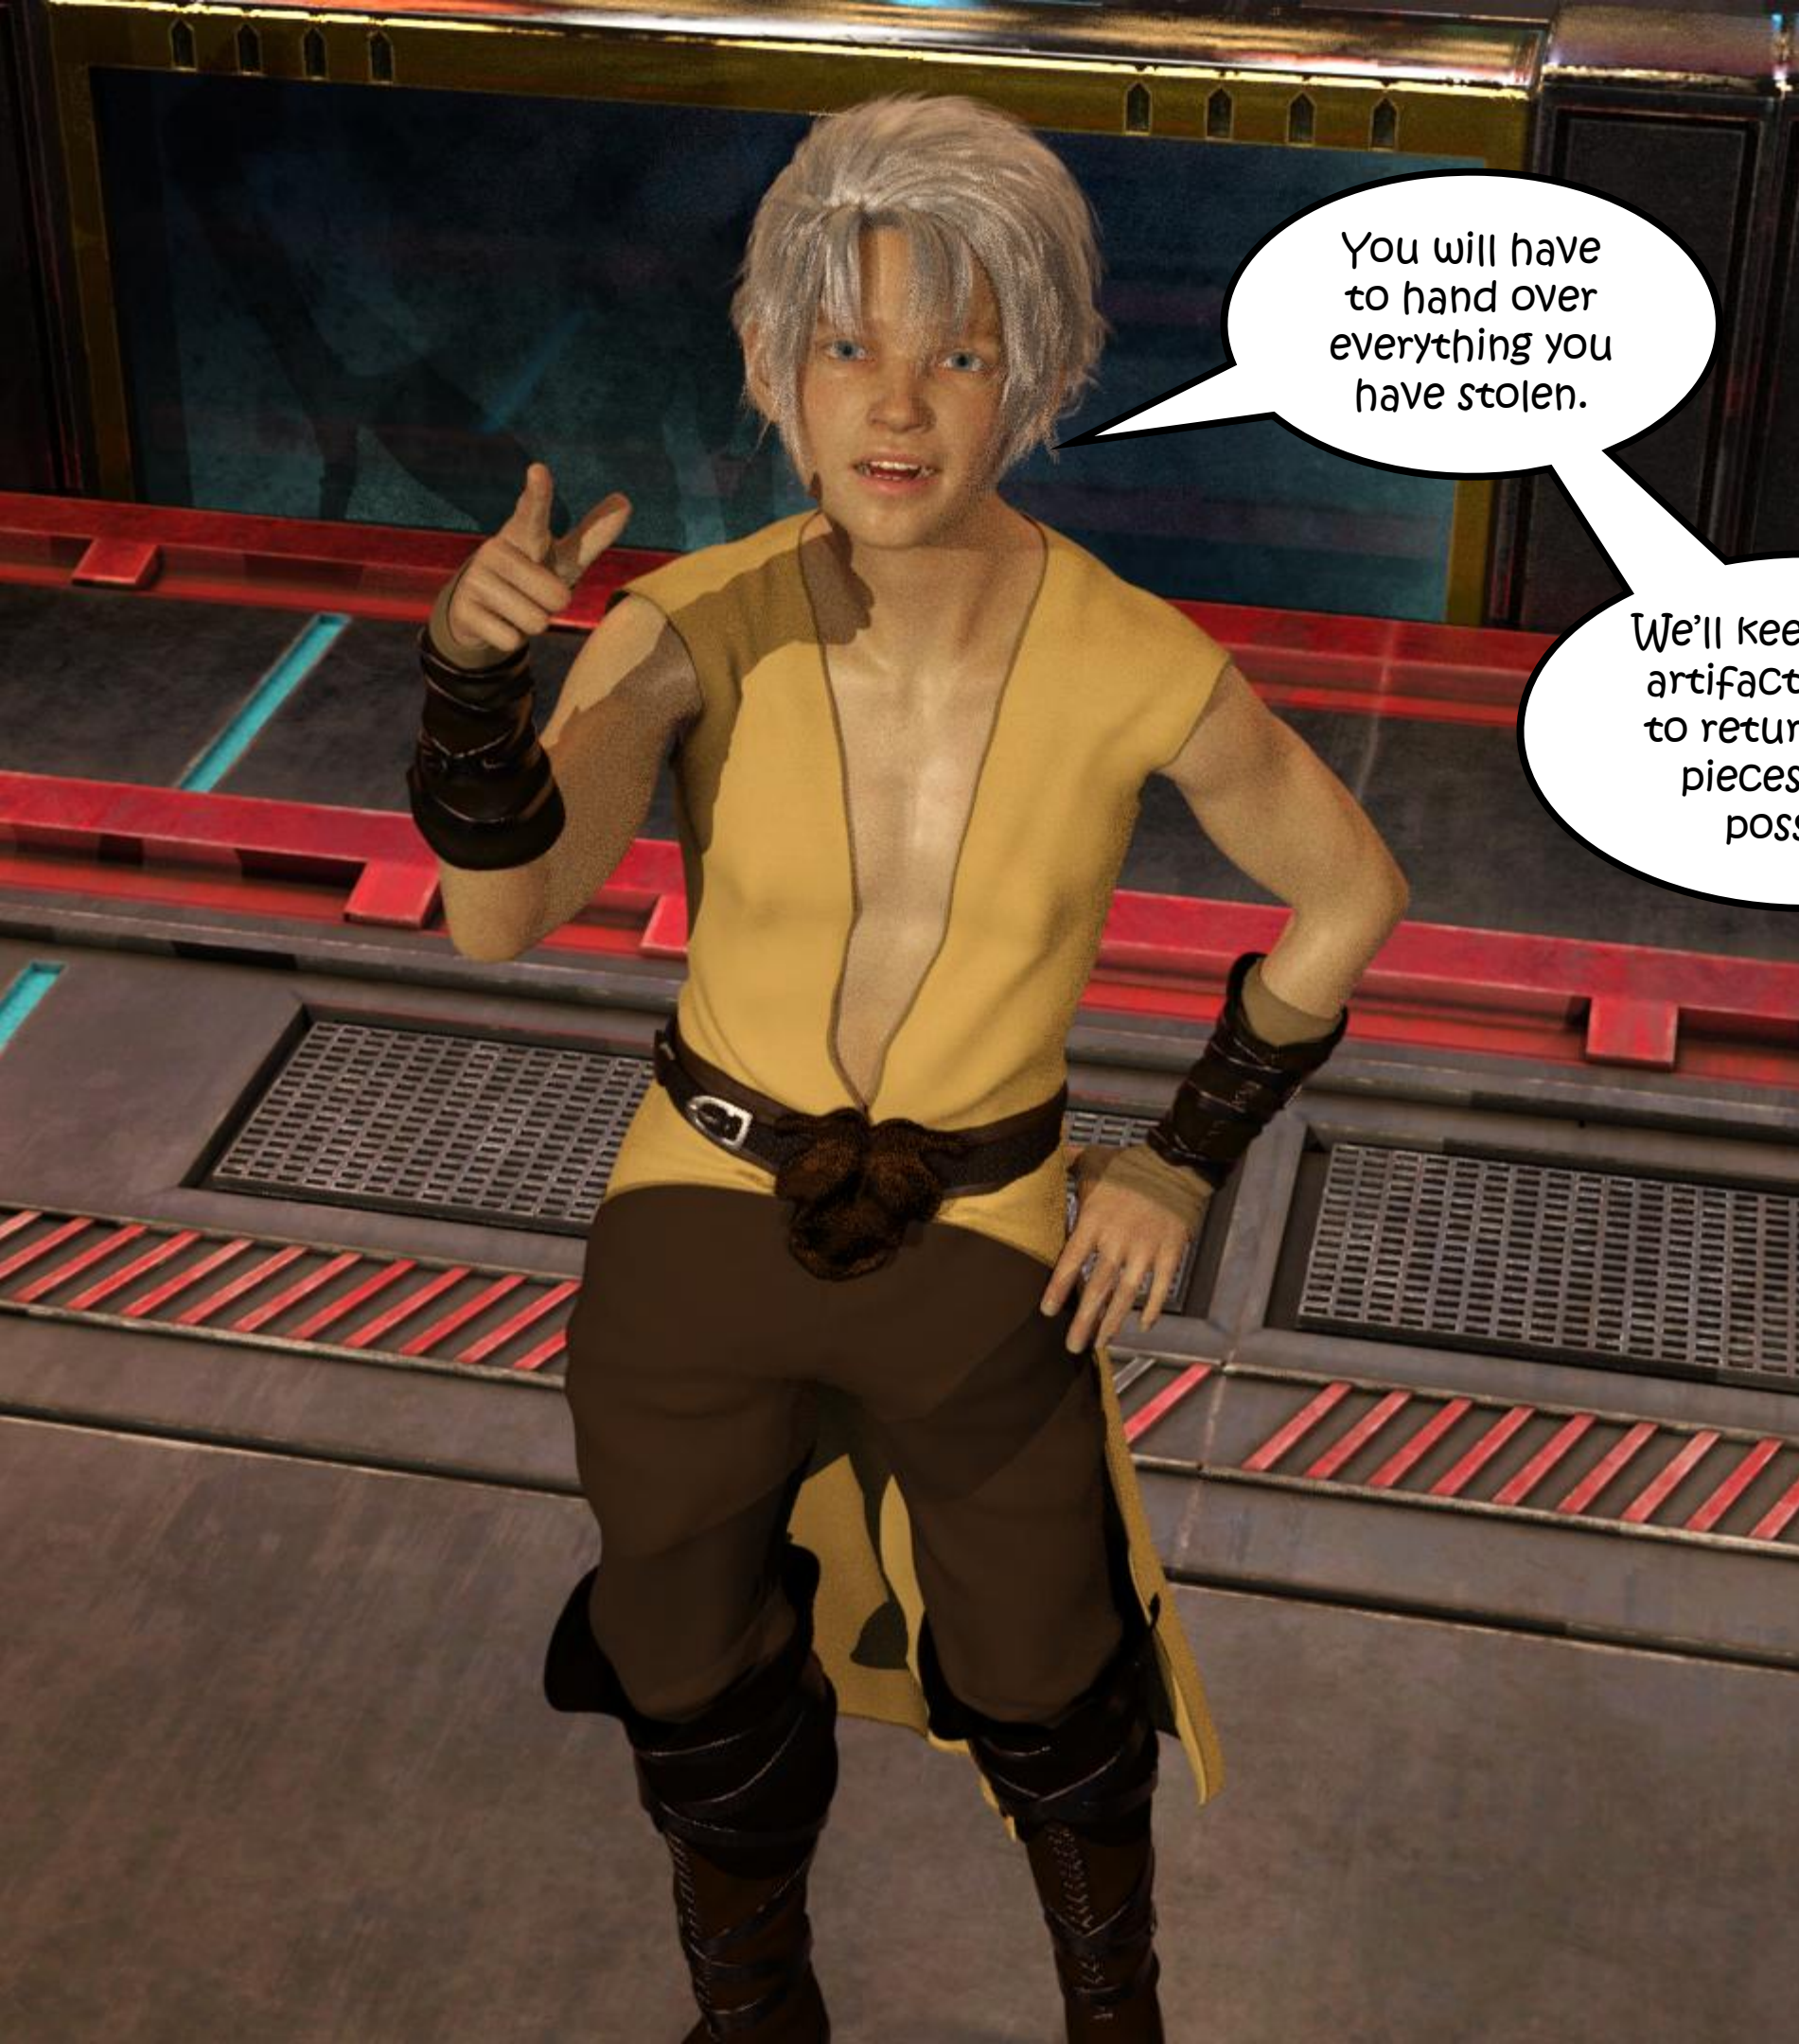

So, I heard you are willing to team up with us?

So this little shit's the leader here? **Weird guy!**

Yes! I want to join you.

You will have to hand over everything you have stolen.

We'll keep magical artifacts and try to return normal pieces where possible.

I've sold most of what I've stolen. But whatever is still there, I'll give to you.

You really convinced her to join... I'm impressed!

Thanks!

But I think it was mostly time that made her see reason. It's kinda boring in such a cell afterall.

giggle
Always so
modest.

You should
take credit
where it's due.

You have
surprised me
in a good way
several times
now.

Not many
manage to
do that.

Errr..
Okay.

Don't be so tense!

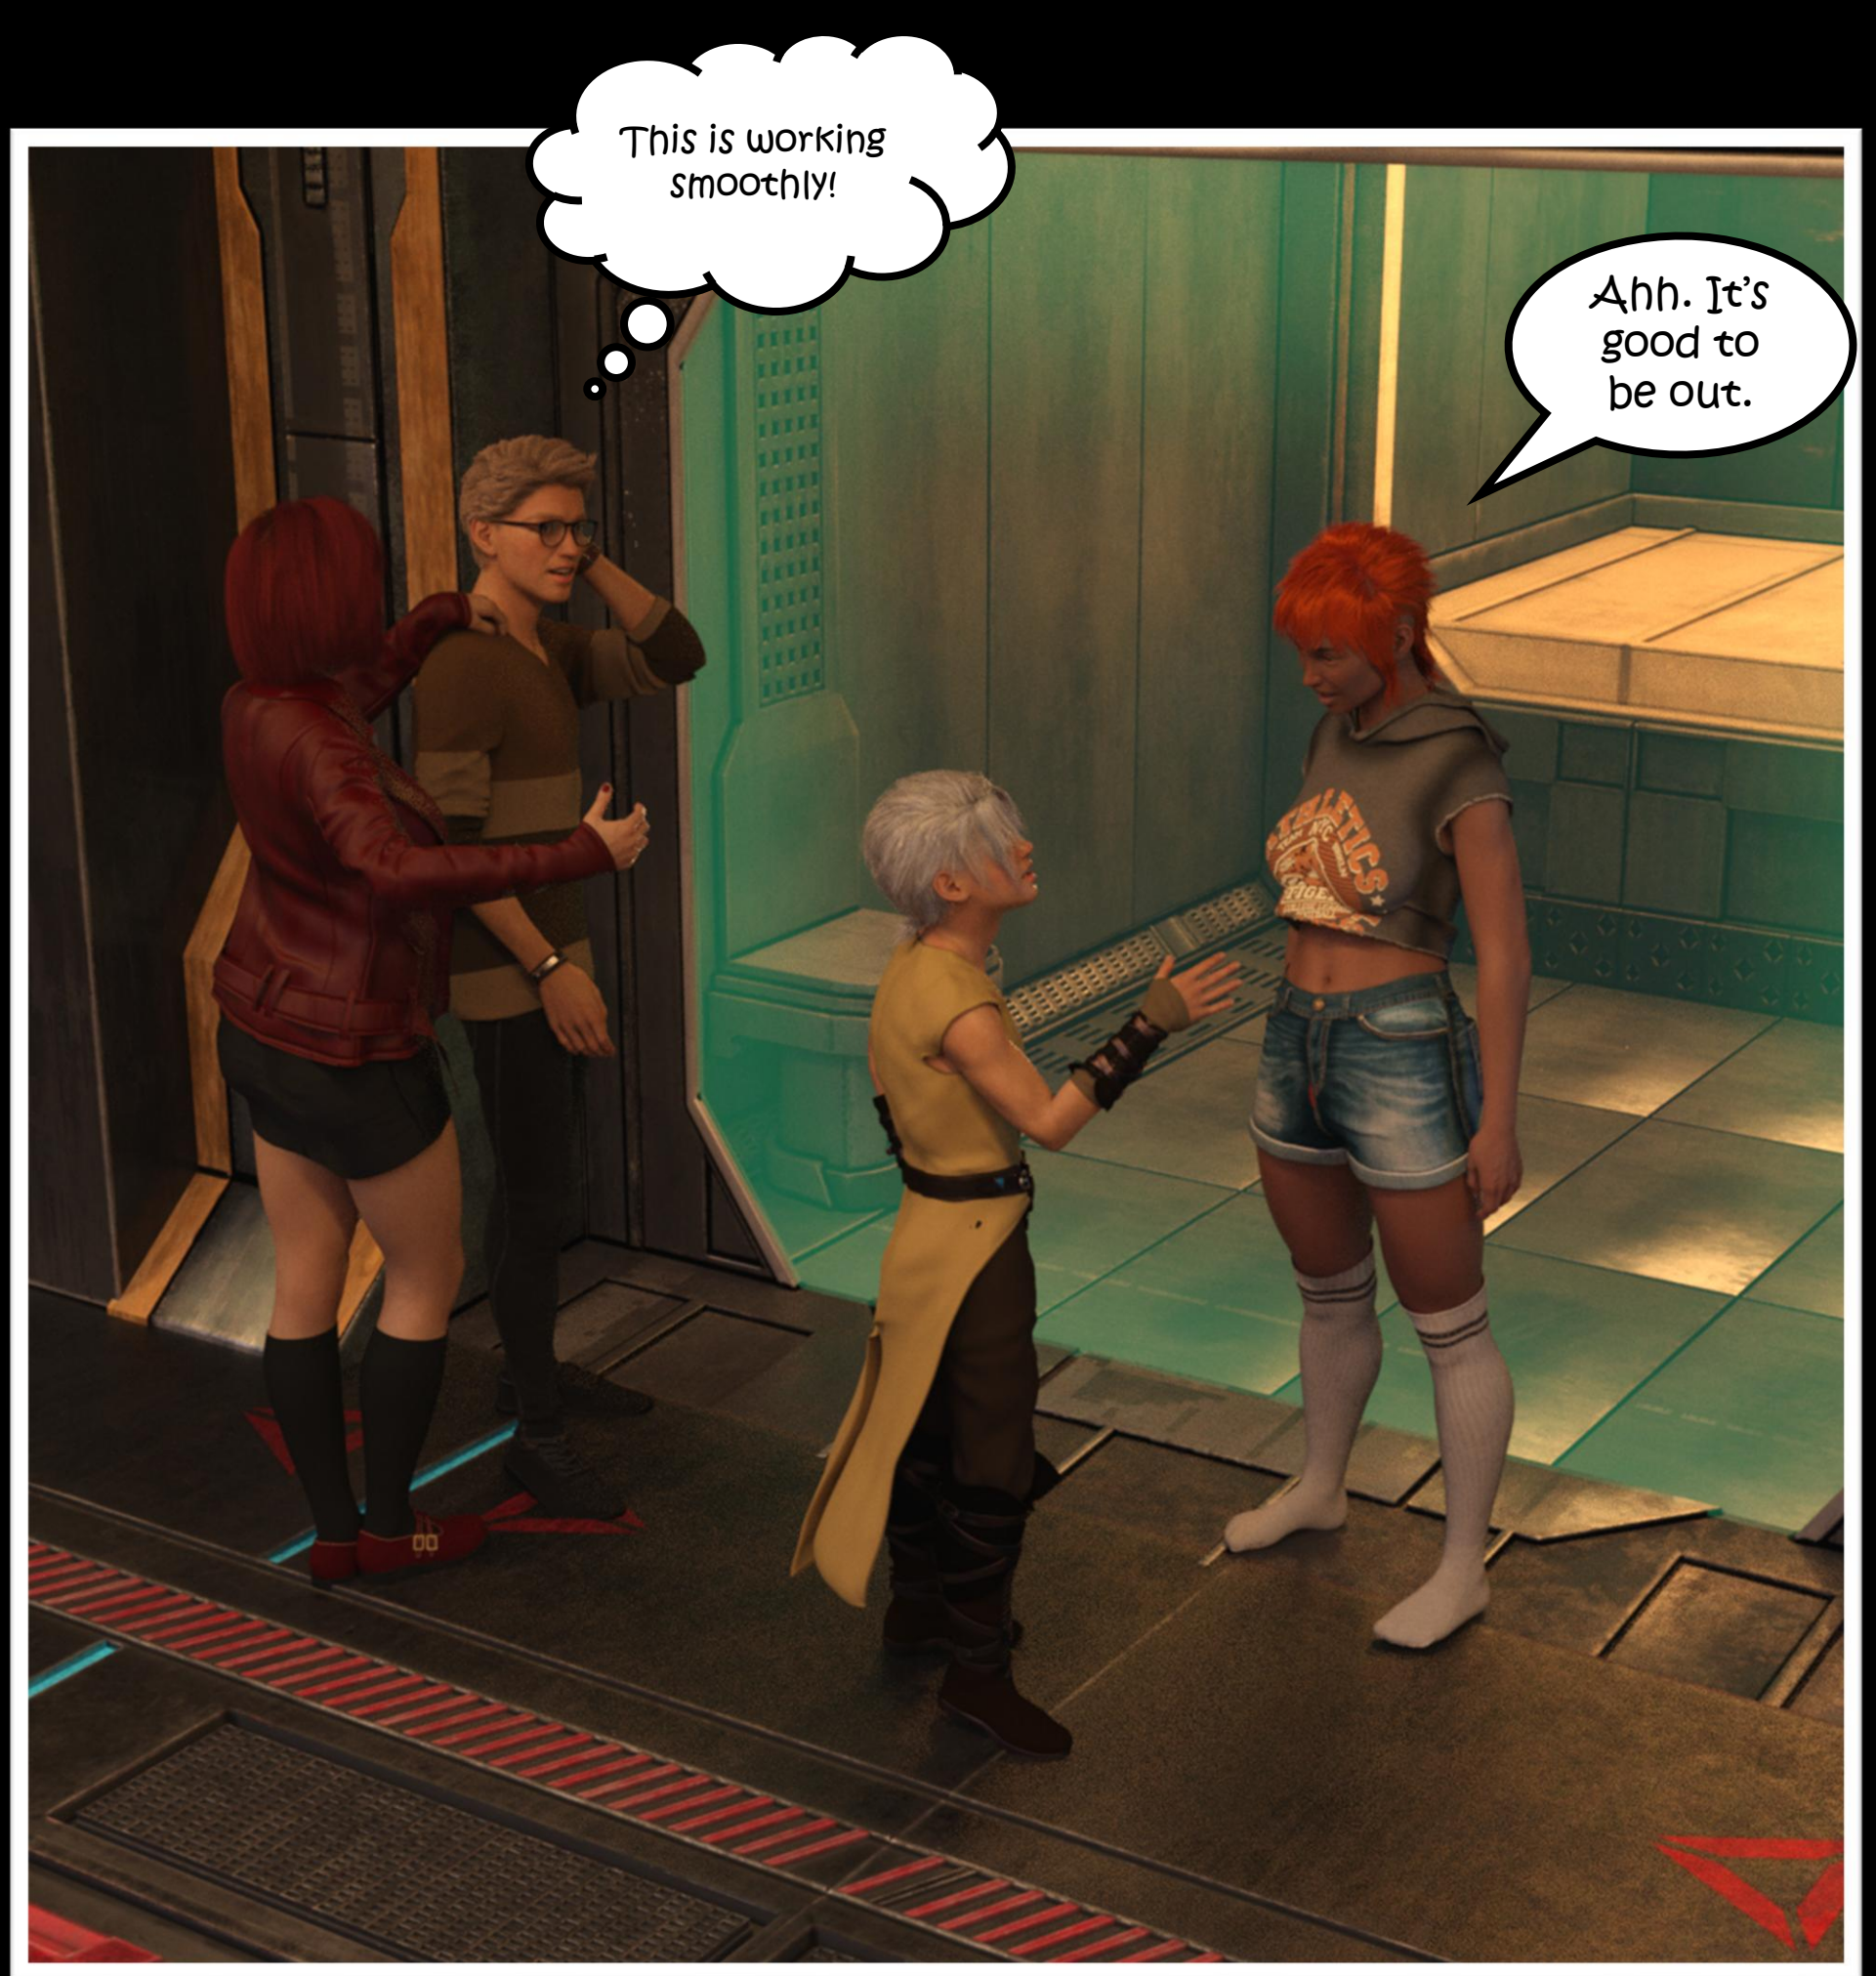

All I'm saying is that you are a great addition to the team.

I'm sorry I thought otherwise when you joined.

Take the compliment and accept my apology already!

Alright, alright!
chuckle

Thanks, Velia!

Welcome to
the team,
Serenity.

Thanks!

Please, call me
Alice. Serenity's
been my old
life...

I have a feeling she'll play an important role in the battles yet to come.

Good job,
Mika.

Thanks
...

wink

I'll never
understand
this guy...

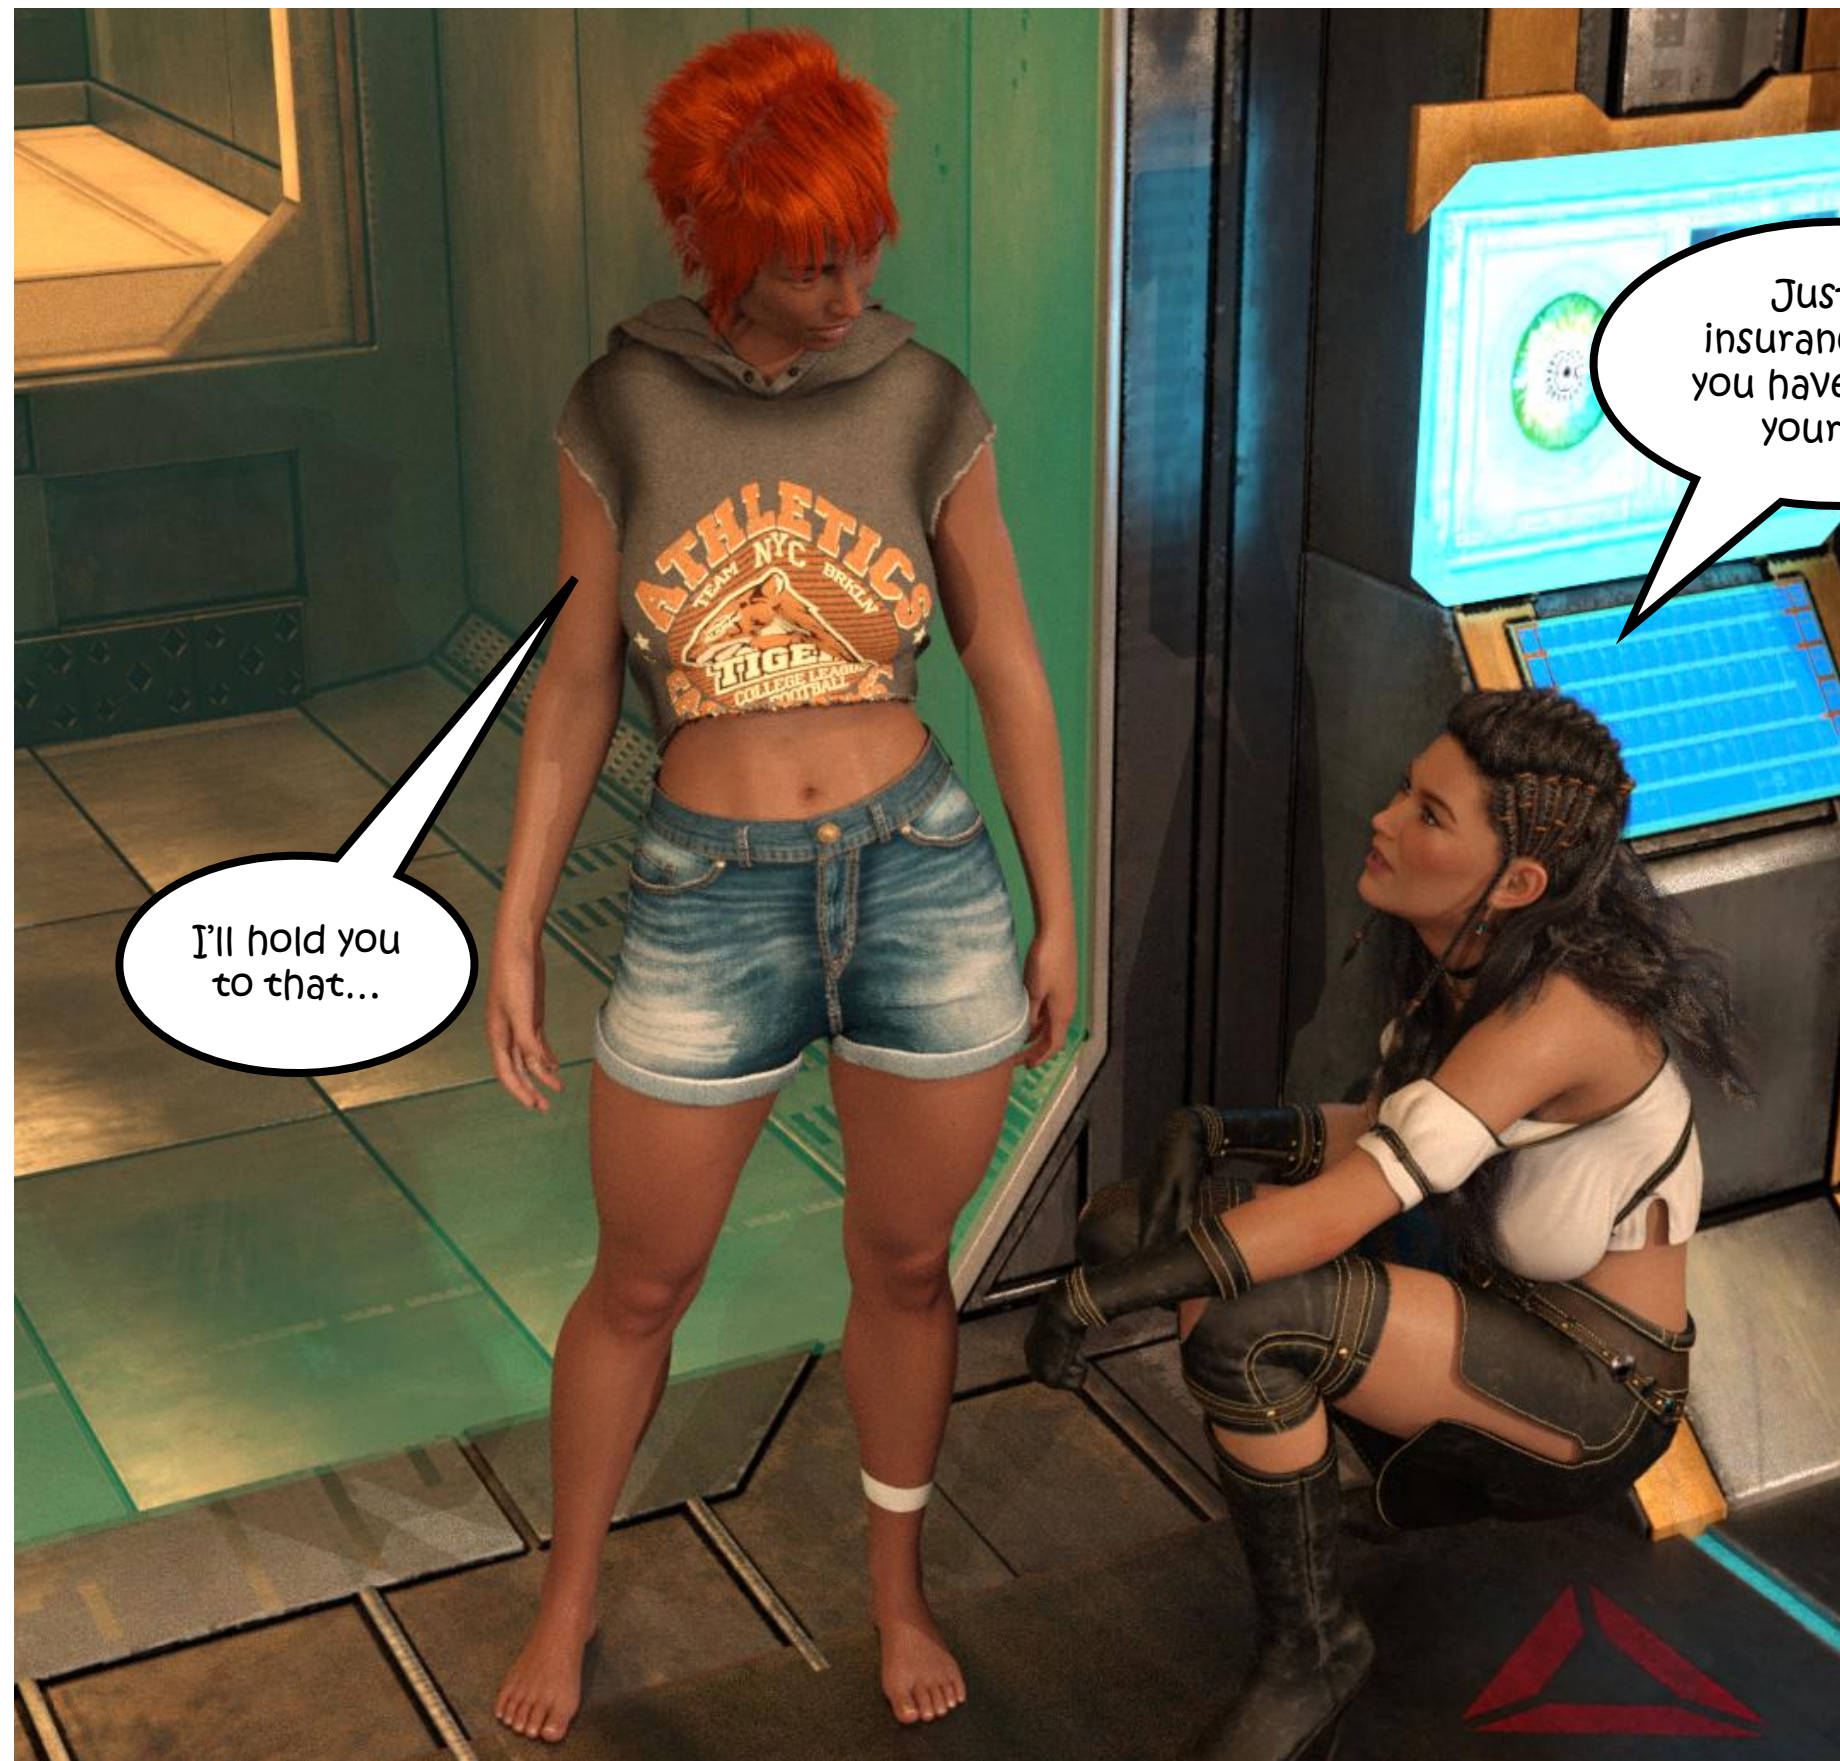

That wink...
does he know
what I'm doing
here?

Argh. I'm
imagining
things!

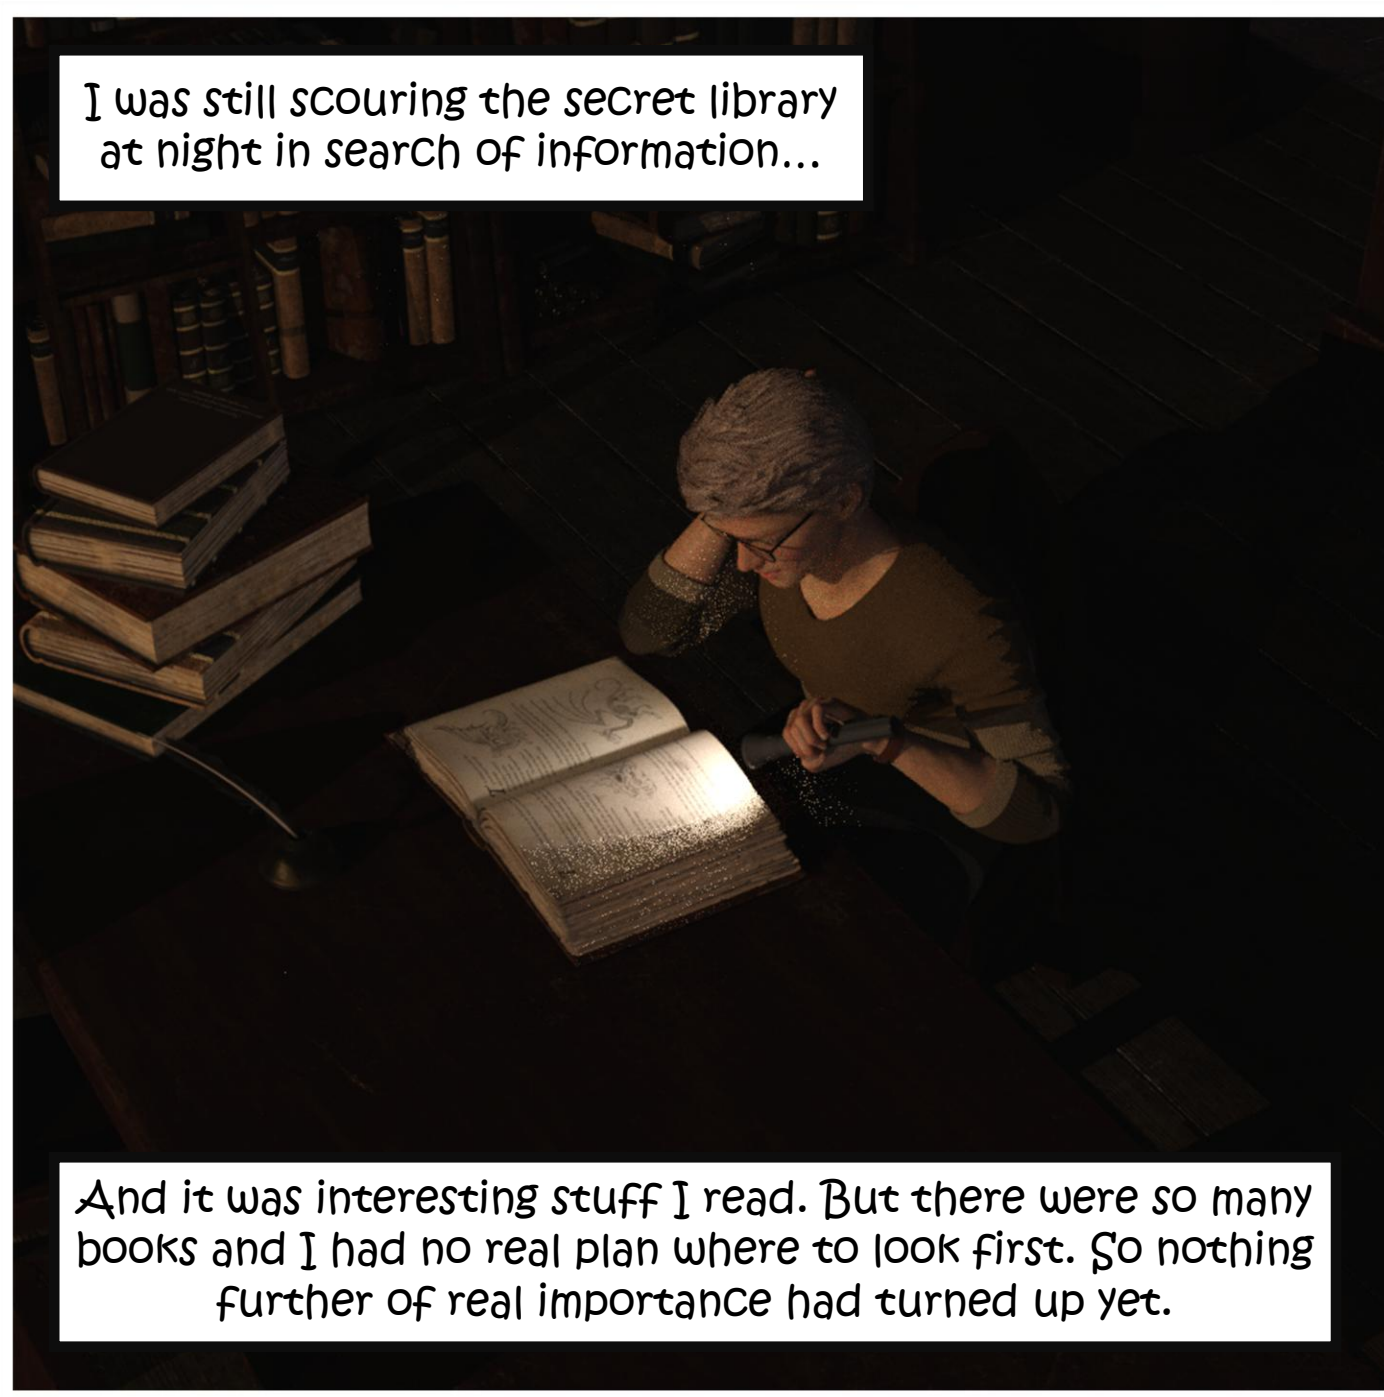

See? And
Asher seldom
hands out
compliments!

Of course, they did not let Serenity go without insurance. They are not stupid!

And from there on out, days continued more regularly...

I was still scouring the secret library at night in search of information...

And it was interesting stuff I read. But there were so many books and I had no real plan where to look first. So nothing further of real importance had turned up yet.

Serenity... I mean Alice, joined our training exercise...

Of course, everybody of us was hyped to learn the invisible spell.

Okay okay.

So... I do it like this...

And tada... see?

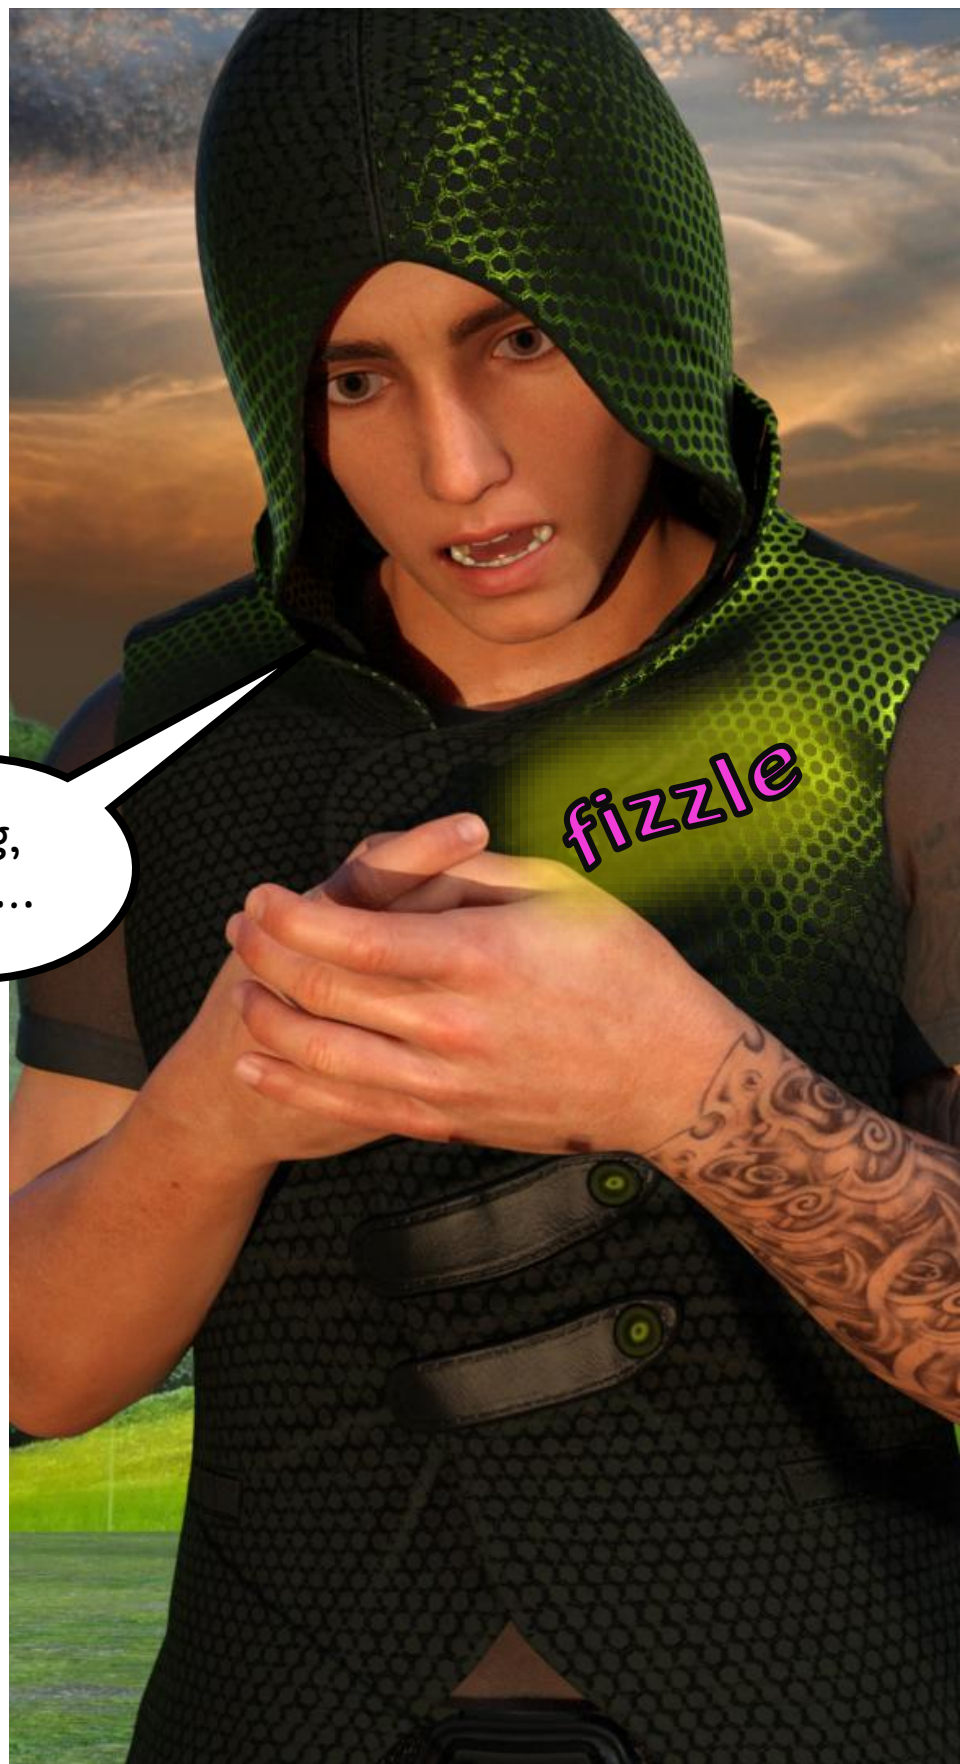

Alright... like this... and focus ...

I think it's working!

Arg, shit...

This is kinda hard.

Well... it took me some time to practice as well...

And I guess... I'm kind of glad you guys can't just copy it that willy nilly *giggle*

I'll try next!

This sounds like a finesse spell made for me.

But I'm not just gonna make myself invisible...

Nooo! Don't do that!

Woah!

Everybody
can see... well
you!

iiiiikkkk

Mhm...

gulp

sigh

A young man with short, light brown hair and black-rimmed glasses stands in a lush green landscape. He is wearing a brown V-neck sweater with a lighter brown horizontal stripe across the chest. He has a slightly concerned or thoughtful expression. Three thought bubbles are positioned to his left, connected by small circles to his head. The background shows rolling green hills and a clear sky.

I knew there was something off with that spell...

Thank god I did not try that in front of the others...

But hey... nice view!

Life went pretty smoothly from there on...

Training at camp has become fun...

And I finally had a little more time to focus on my studies and social life...

My girlfriends got along splendidly thanks to some Vasta intervention...

Heck! Even Velia started to respect me now!

So, how the fuck did everything end up in this shit show?!

BOOM

Shit!
Why?! Nothing was supposed to happen!

FUCK!

Yara, what's going on?

Oh
god, no!

He got...

What is
hap...

A little bit earlier...

Everything was supposed to go smoothly...

We gathered at the target area...

And Stella explained the tactics once more...

Alright.
Everyone's
here...

I have a strange feeling... like as if I'm being... watched...

It's... not the finding part that troubles me...

Hey, Lucy. Cheer up. We'll have found her in a jiffy!

Err... yes... I'll give my best!

Yara and Mika will be on support duty.

Don't you guys worry. If somebody loses an arm or two we are here to patch you up again.

You shouldn't joke like that, Yara...

Urgh... I'm just glad Mika has my back.

Anyway, nothing will happen since I told her...

Cool!

It's physical enhancement magic...

Alright... I should go too.

Good luck, guys!

Thanks to my evil eye
scouring the area, I was able
to port up that building
without a hitch.

First!
chuckle

Nice Teloris skills there, Mika!

Thanks.

Alright... now let's wait for nothing to happen... this will be one boring stakeout.

Earlier... about 3 weeks after introducing Alice to the Camp, Asher suddenly came up with another mission...

I had a vision.
I know where
she will be!

You've trained
hard for this. And
we have more
members now.

This is
serious
business!

This time
we go all
out.

This time we'll hunt that demon bitch down!

Demon hunt on Kessy had been declared!

Finally!

Urgh...
fuck!

Urgh...
fuck!

A confrontation between these two parties was no good! If they indeed managed to take her down, I was surely thrown under the bus as well... and so... I told her.

So... Asher had some weird vision or whatever...

Anyway, all you have to do is not be there when the time comes. Easy peasy. Right?

Of course... *smirk*

Back in the present...

Now, let's track down that bitch!

Should there indeed be somebody helping her like Asher foresaw... Lucy and Serenity, you distract him or her.

Velia and Vadim, you are with me on the main attack team.

At that moment back then, I pitied them... for having to look around in vain...

Let's go!

I'm picking up something...

Stay alert...

This time it's payback!

I don't like these narrow allies...

Meanwhile,
outside my
knowledge, a
storm was
brewing...

And there they
are. They really
came.

Like lambs to
the slaughter.

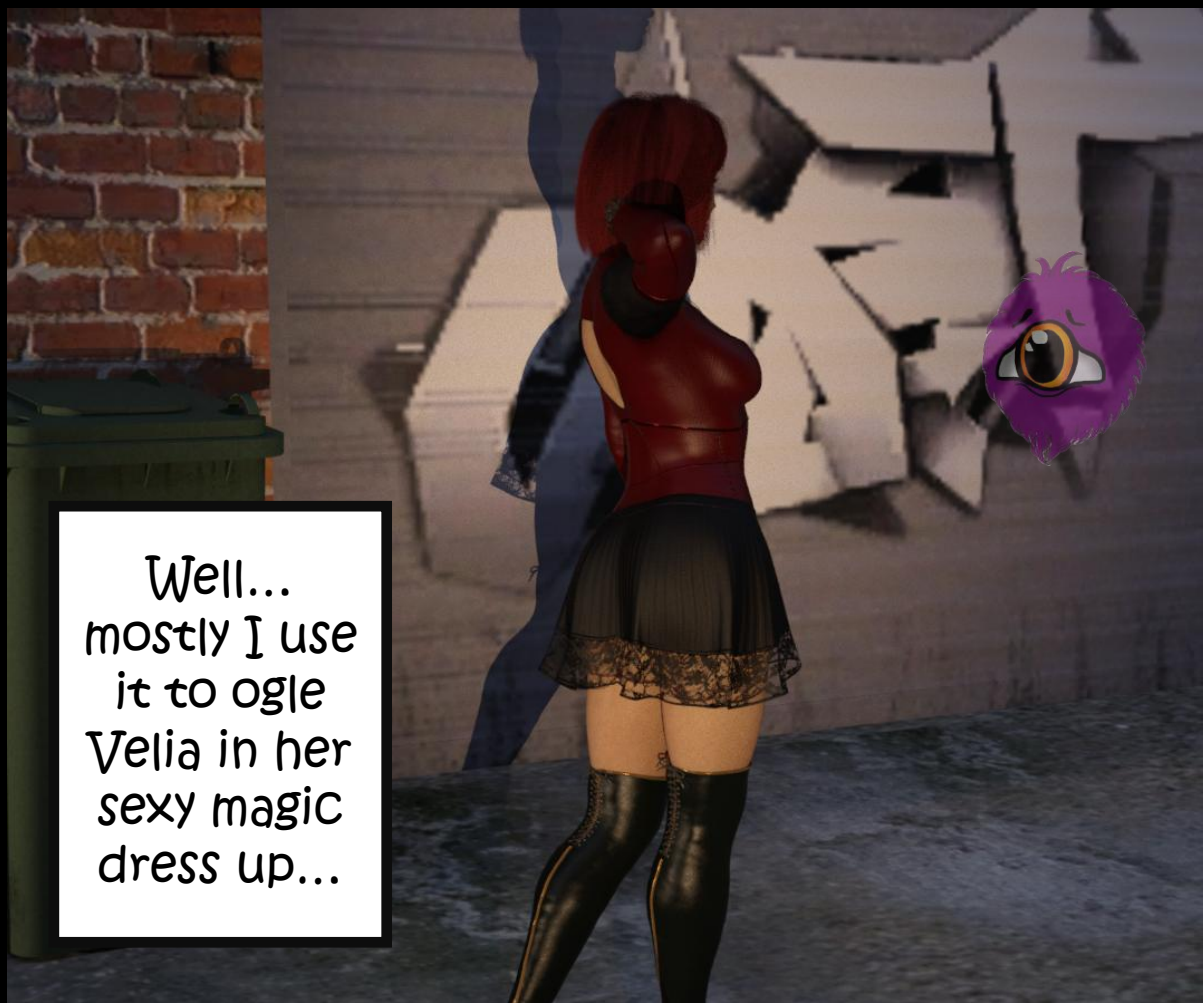

Half an hour passes without anything happening. Yara and everyone else are on high alert... only I know nothing is going to happen...

I pass my time by tailing the others with my evil eye...

Well... mostly I use it to ogle Velia in her sexy magic dress up...

Thanks to the Invis spell, it can now roam free. Unless I bump it into something, it's basically undetectable now!

And then it happened...

There she is!

What the fuck?! I explicitly told her to stay away!

Ku-ku-ku

Prepare for combat!

Congratulations!
You found me...

Why are you here, Kessy!?

Oh, shit!

Oh noo... my knees
are practically jelly
from all that fear.
giggle

This time we'll
end your evil
deeds!

Surrender peacefully, or you'll pay the price!

Is that her other... apprentice?

Oho... funny.

Very funny!

Die!

Velia,
together!

Yes!

The magics were aimed at one another... The stronger would win...

But obviously, Kessy did not care about that. I would have never thought she'd come up with some levelheaded plan like that... but it seems she's just the bait!

Shit!
She used the info I gave her to lead them into a trap!

Did Asher's vision include that as well?

Did he know I'd tell her and she's only here because of me?

But if Kessy vanquishes them...

My sneaking around the camp is over...

No more danger from getting caught...

What am I thinking!? These are my friends!

Vadim,
Barrier to
the back.
Now!

Watch out!
Behind you
guys!

Huh?

snicker

Oh,
no!!

Wahahaha

iiiiikkkk

FUCK!

Die!

Oh no, you won't!

*Unda
Ignis!*

A wall of fire roared outward from the unknown villain's outstretched hand along the ground - a blazing tide meant to consume everything in its path.

Scutum!

In the final heartbeat before it struck, Vadim manages to pull up a shimmering barrier of magic.

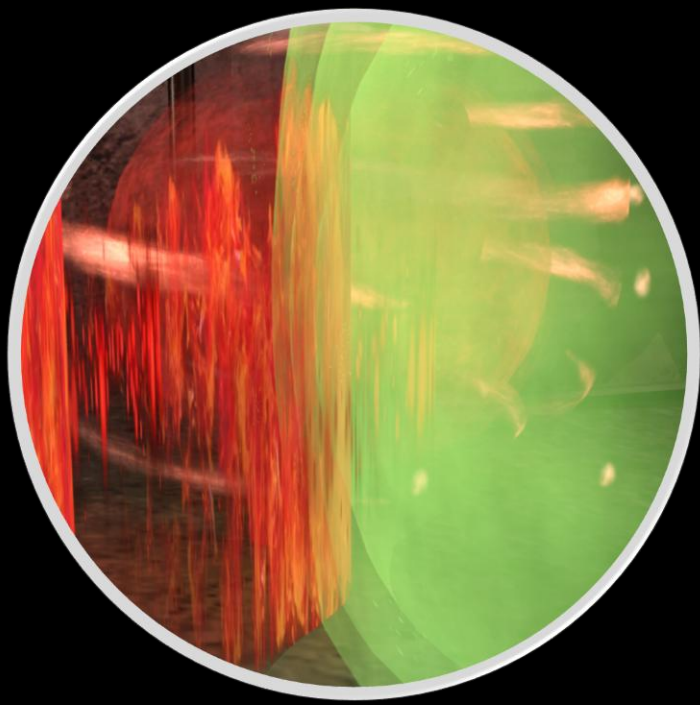

Oo!

gulp

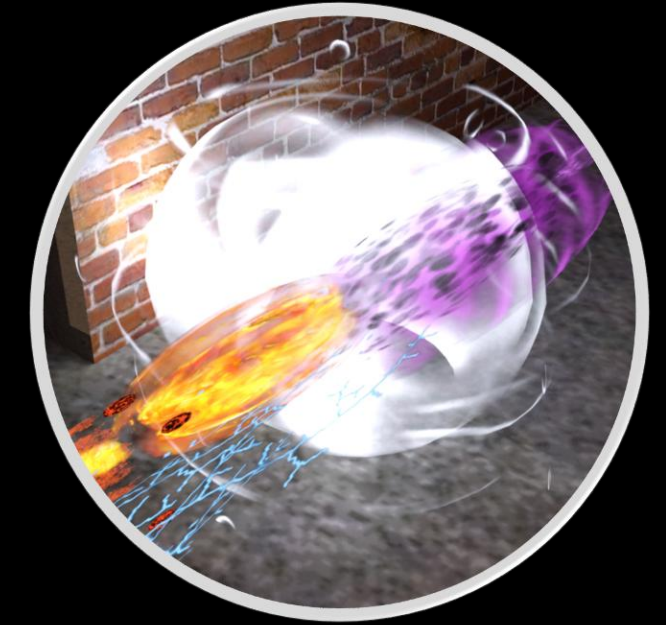

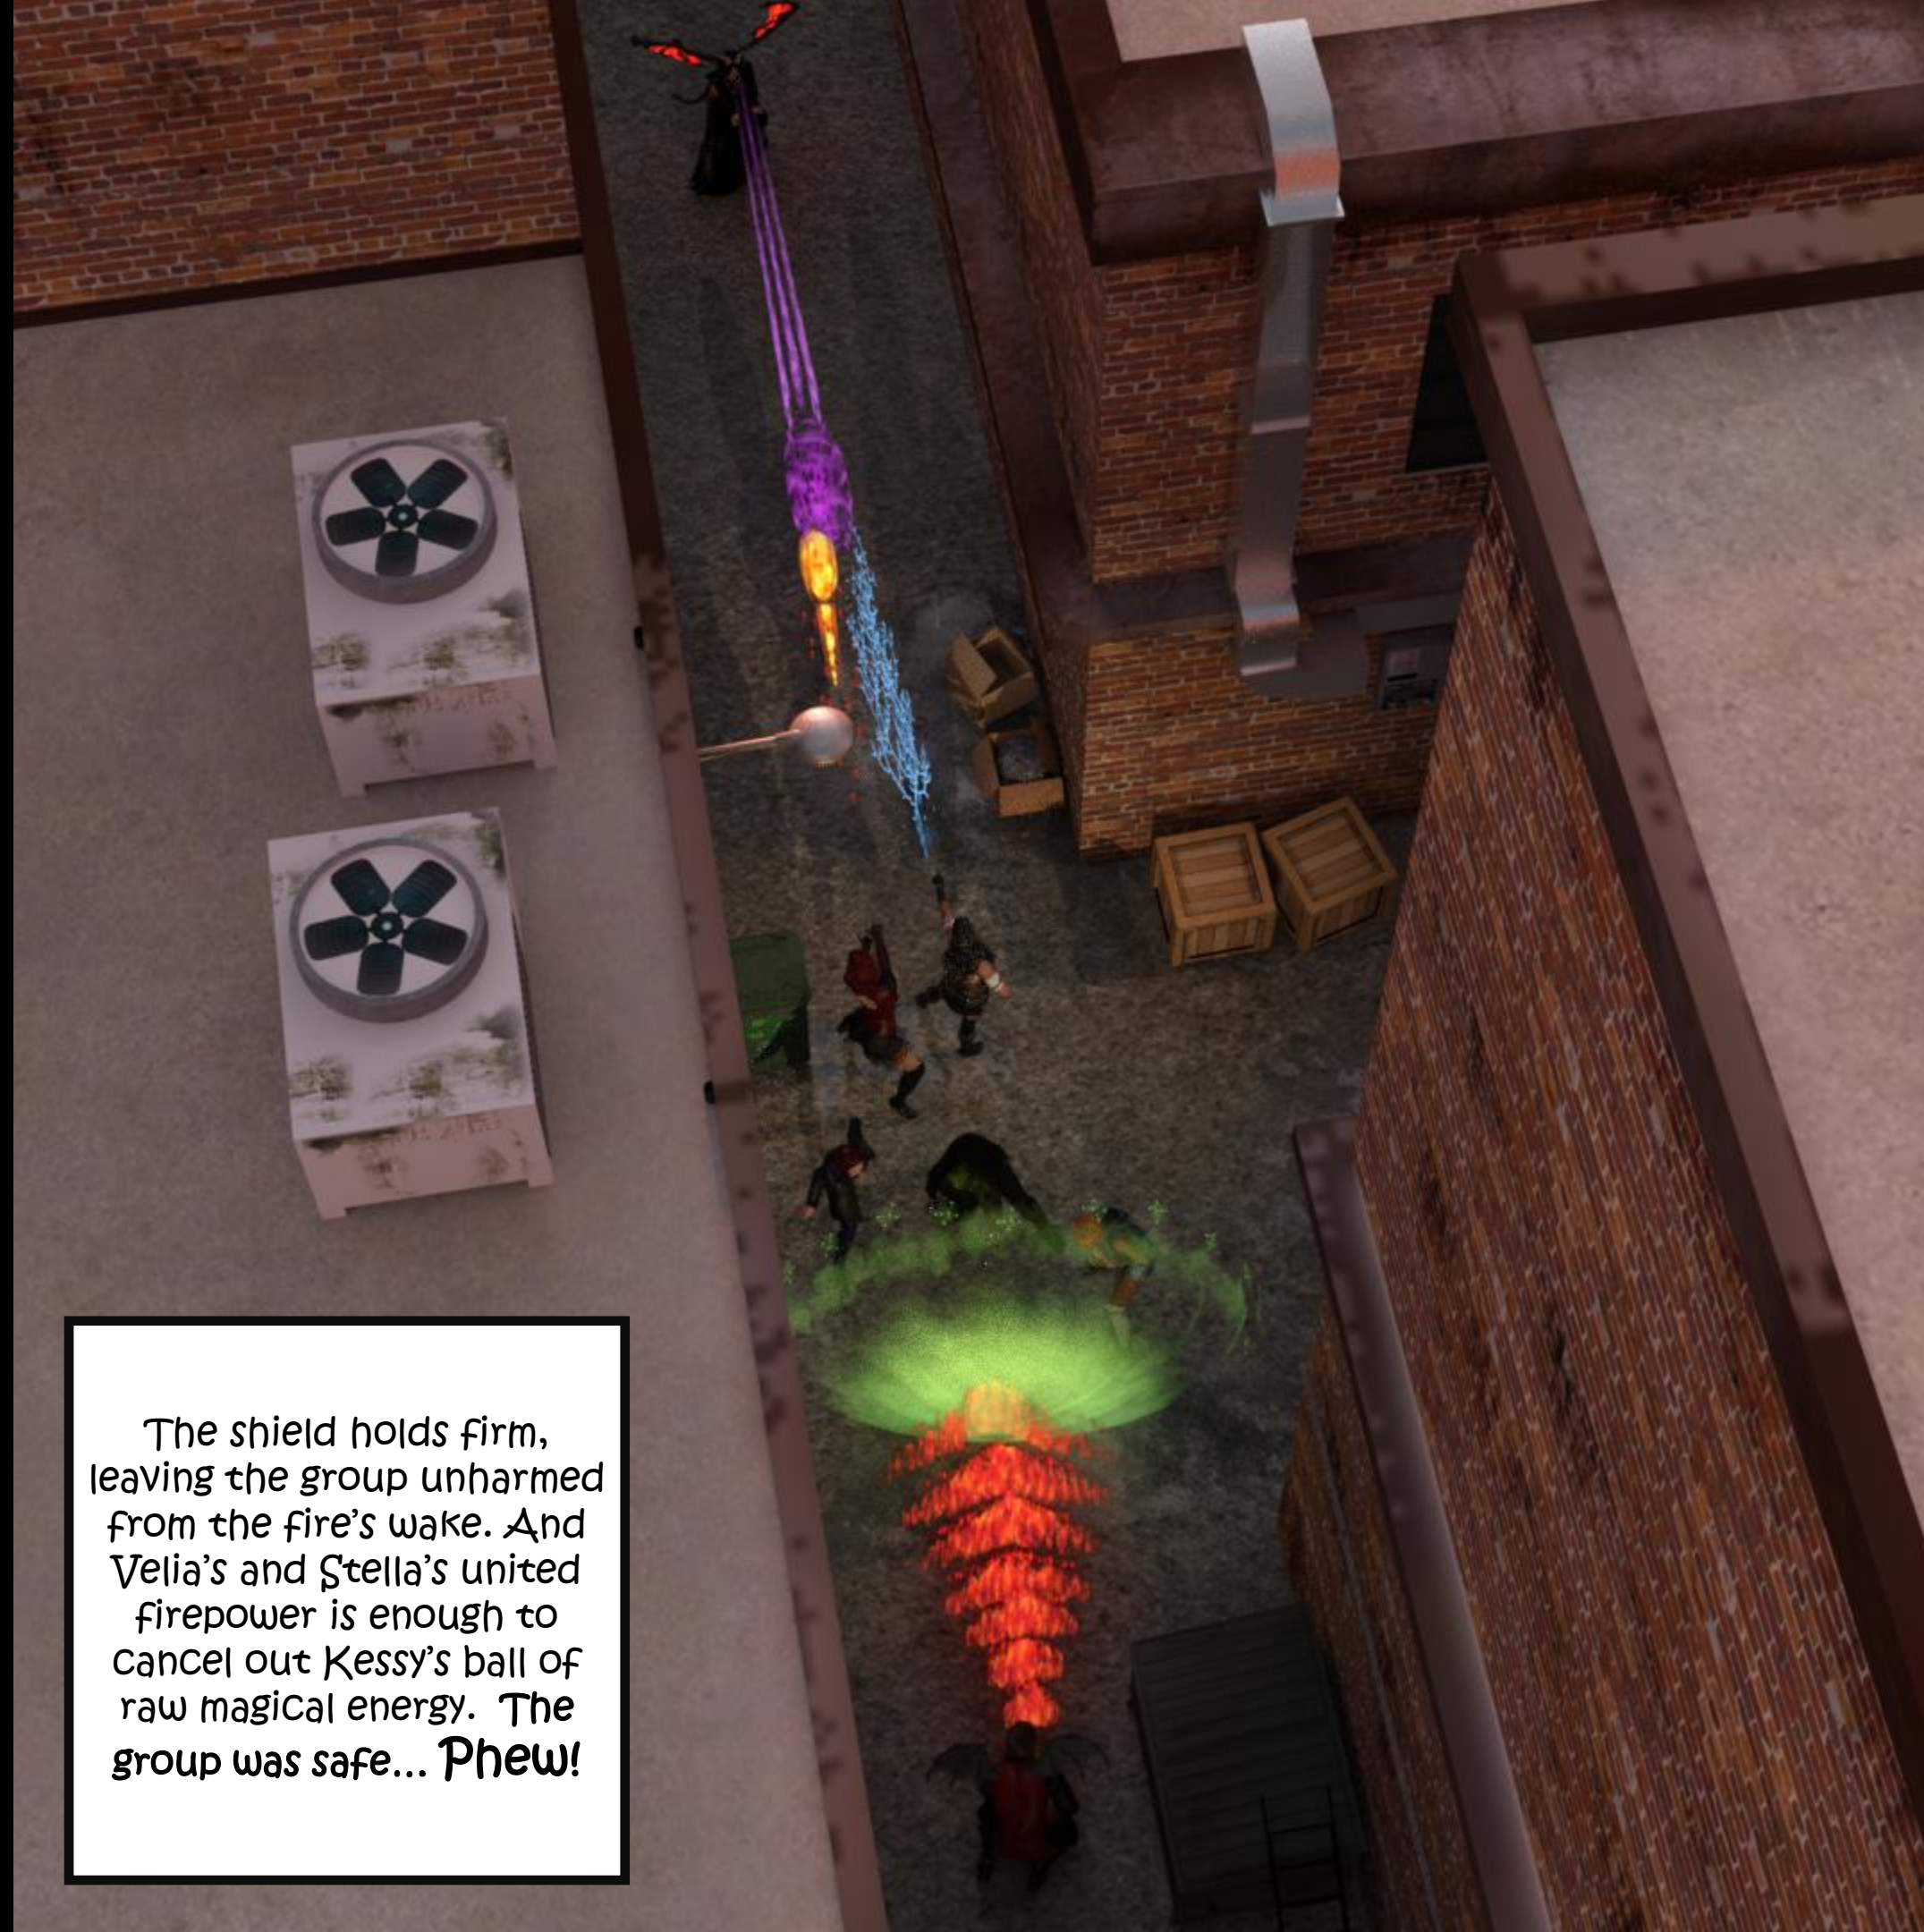

Flames crash against it and split, howling against the house walls to the sides...

The shield holds firm, leaving the group unharmed from the fire's wake. And Velia's and Stella's united firepower is enough to cancel out Kessy's ball of raw magical energy. The group was safe... **Phew!**

Damn... why is flying so exhausting...

flap

flap

flap

Swoosh

Grrrrr

She's trying to flee!

You know
the plan,
guys.

Yes!

Don't let
them escape!!

Vadim, Velia
let's go!

Hunting
time!

Ey, Lucy!
This guy tried
to toast us
alive!

Ready for
some payback?

Let's get
him!

End of Chapter.
