Previously on „The lost Temple“:

Mikael – a young archeology student – learned of the world of magic by meeting the demon girl Kassandra Elaquoi. In exchange for his help, she has taught him magic. In the beginning, he was not very skilled at it due to his low Ether Force. But by combining some key spells, he is slowly ramping up power.

Last time we saw the camp crew comb the area for Kessy. They get ambushed by her and her minion, Harry, but thanks to Mika, the trap fails. Kessy and Harry try to get away, but Stella and the rest are in pursuit...

Last time on The lost Temple, we saw the crew look for Kessy the demon after Asher determined her location...

But instead, they get ambushed themselves as Kessy and her minion Harry lure them into a trap.

Thanks to Mika's warning, Vadim is able to save the day...

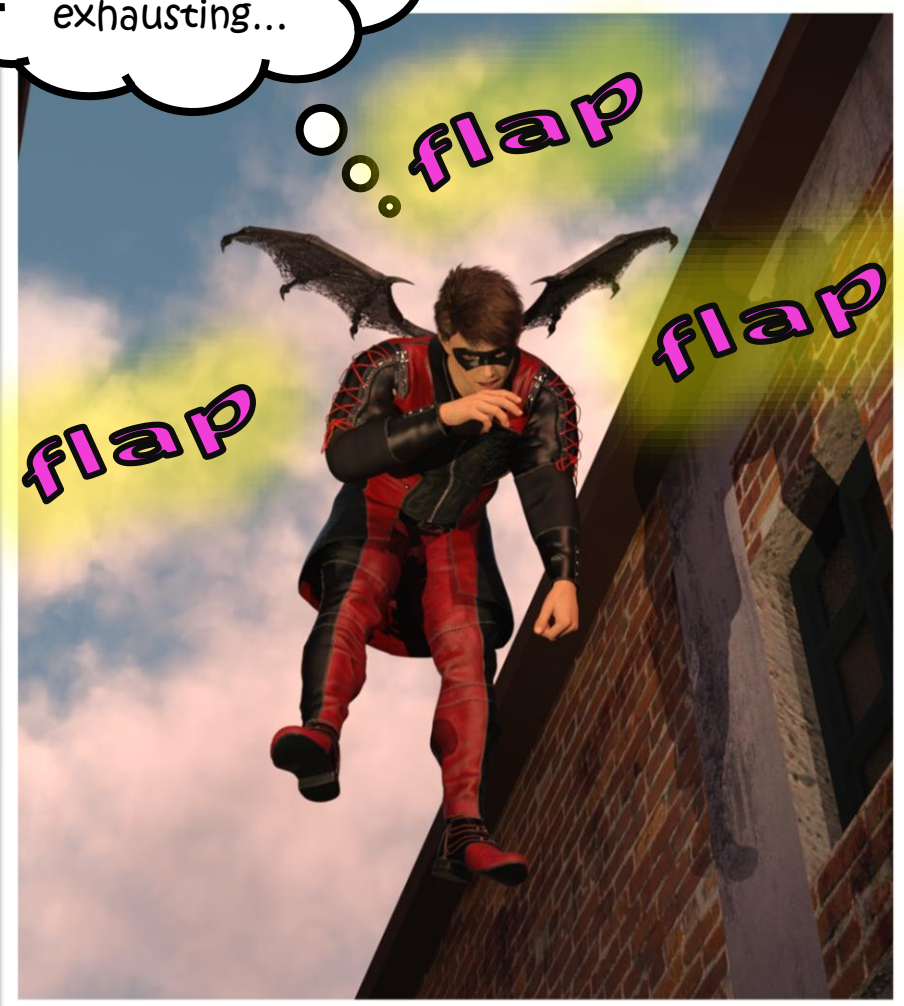

...and the group manages to deflect the pincer attack.

Watch out!
Behind you
guys!

Vadim,
Barrier to
the back.
Now!

Damn... why is flying so exhausting...

Kessy and Harry try to fly off...

Hunting time!

Yes!

After them. You know the strategy.

Ready to get some payback, Lucy?

But our group of Ether Wielders is not going to let them escape that easily!

Let's get him!

We continue from here...

swoosh

With Kessy flying up ...

And landing on a nearby rooftop...

Damn... that could have gone better!

She thinks she's already escaped...

How did they even notice?

We had them cornered!

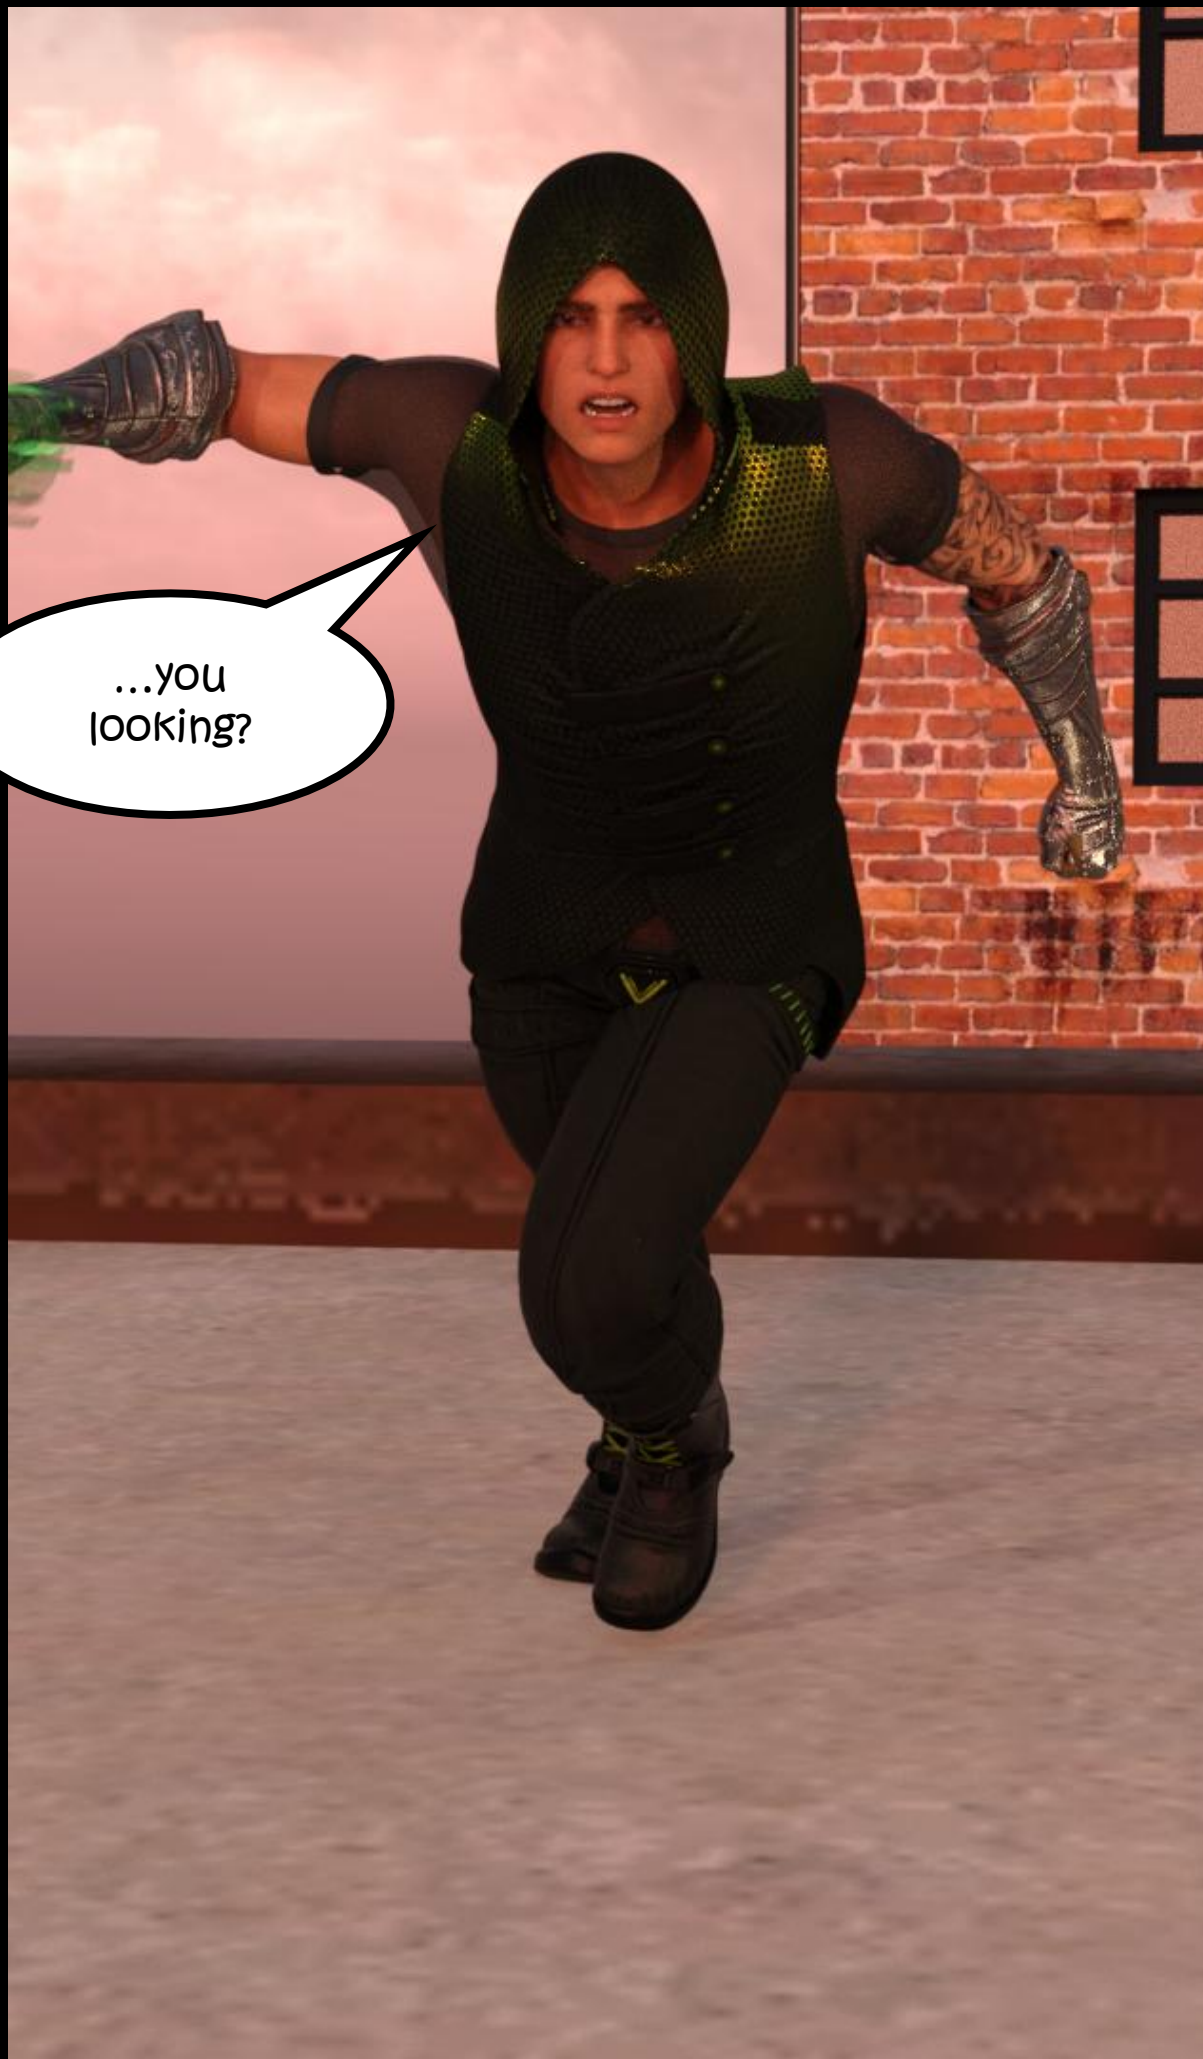

But Velia and Stella are in tight pursuit...

Urgh!
Persistent wretches!

There she is!

Haya!

Huh?!

Kassandra is too fast and unprepared to adapt her velocity in time...

Vadim's barrier magic-enhanced glove connects directly with her face...

And let me tell you, even for a thick-skinned demon like Kessy, this is an unpleasant feeling...

POW

Groan

Hah!

Nicely done, Vadim!

You will regret that!

The beaten-down demoness is an easy target for their spells...

And Kessy is engulfed by hot fire and cracking lightning at the same time.

Groan

Get back!

Woar

Arrr

Haaaa

You are
dead!

In the meantime...

flap

flap

flap

flap

flap

sigh

I need bigger wings...

*pant
pant

Huh?

Now, where do you think you are going?

TSK!
You girls
don't know
when to
let it go!

My Mistress
will crush your
friends into
the ground!

A 3D rendered scene showing a confrontation between two characters on a rooftop. On the left, a character with dark wings, wearing a red and black leather suit and a black mask, is in a crouched, ready stance. On the right, a young woman with short, spiky red hair is seen from behind, wearing a grey crop top, denim shorts, white knee-high socks with black stripes, and black sneakers. A speech bubble originates from the winged character, containing the text: "And I'll do the same with you, bitch!". The background is a simple rooftop with a grey floor and a dark brown ledge.

And I'll do
the same
with you,
bitch!

Damn...
This guy is
buff...

Funnily enough, Serenity has developed a knack for close-quarter combat like Vadim – so she is preparing for a melee...

Ignis Fatus!

fizzle

Huh?

Why the fuck is it not working?!

This does not work against someone skilled.

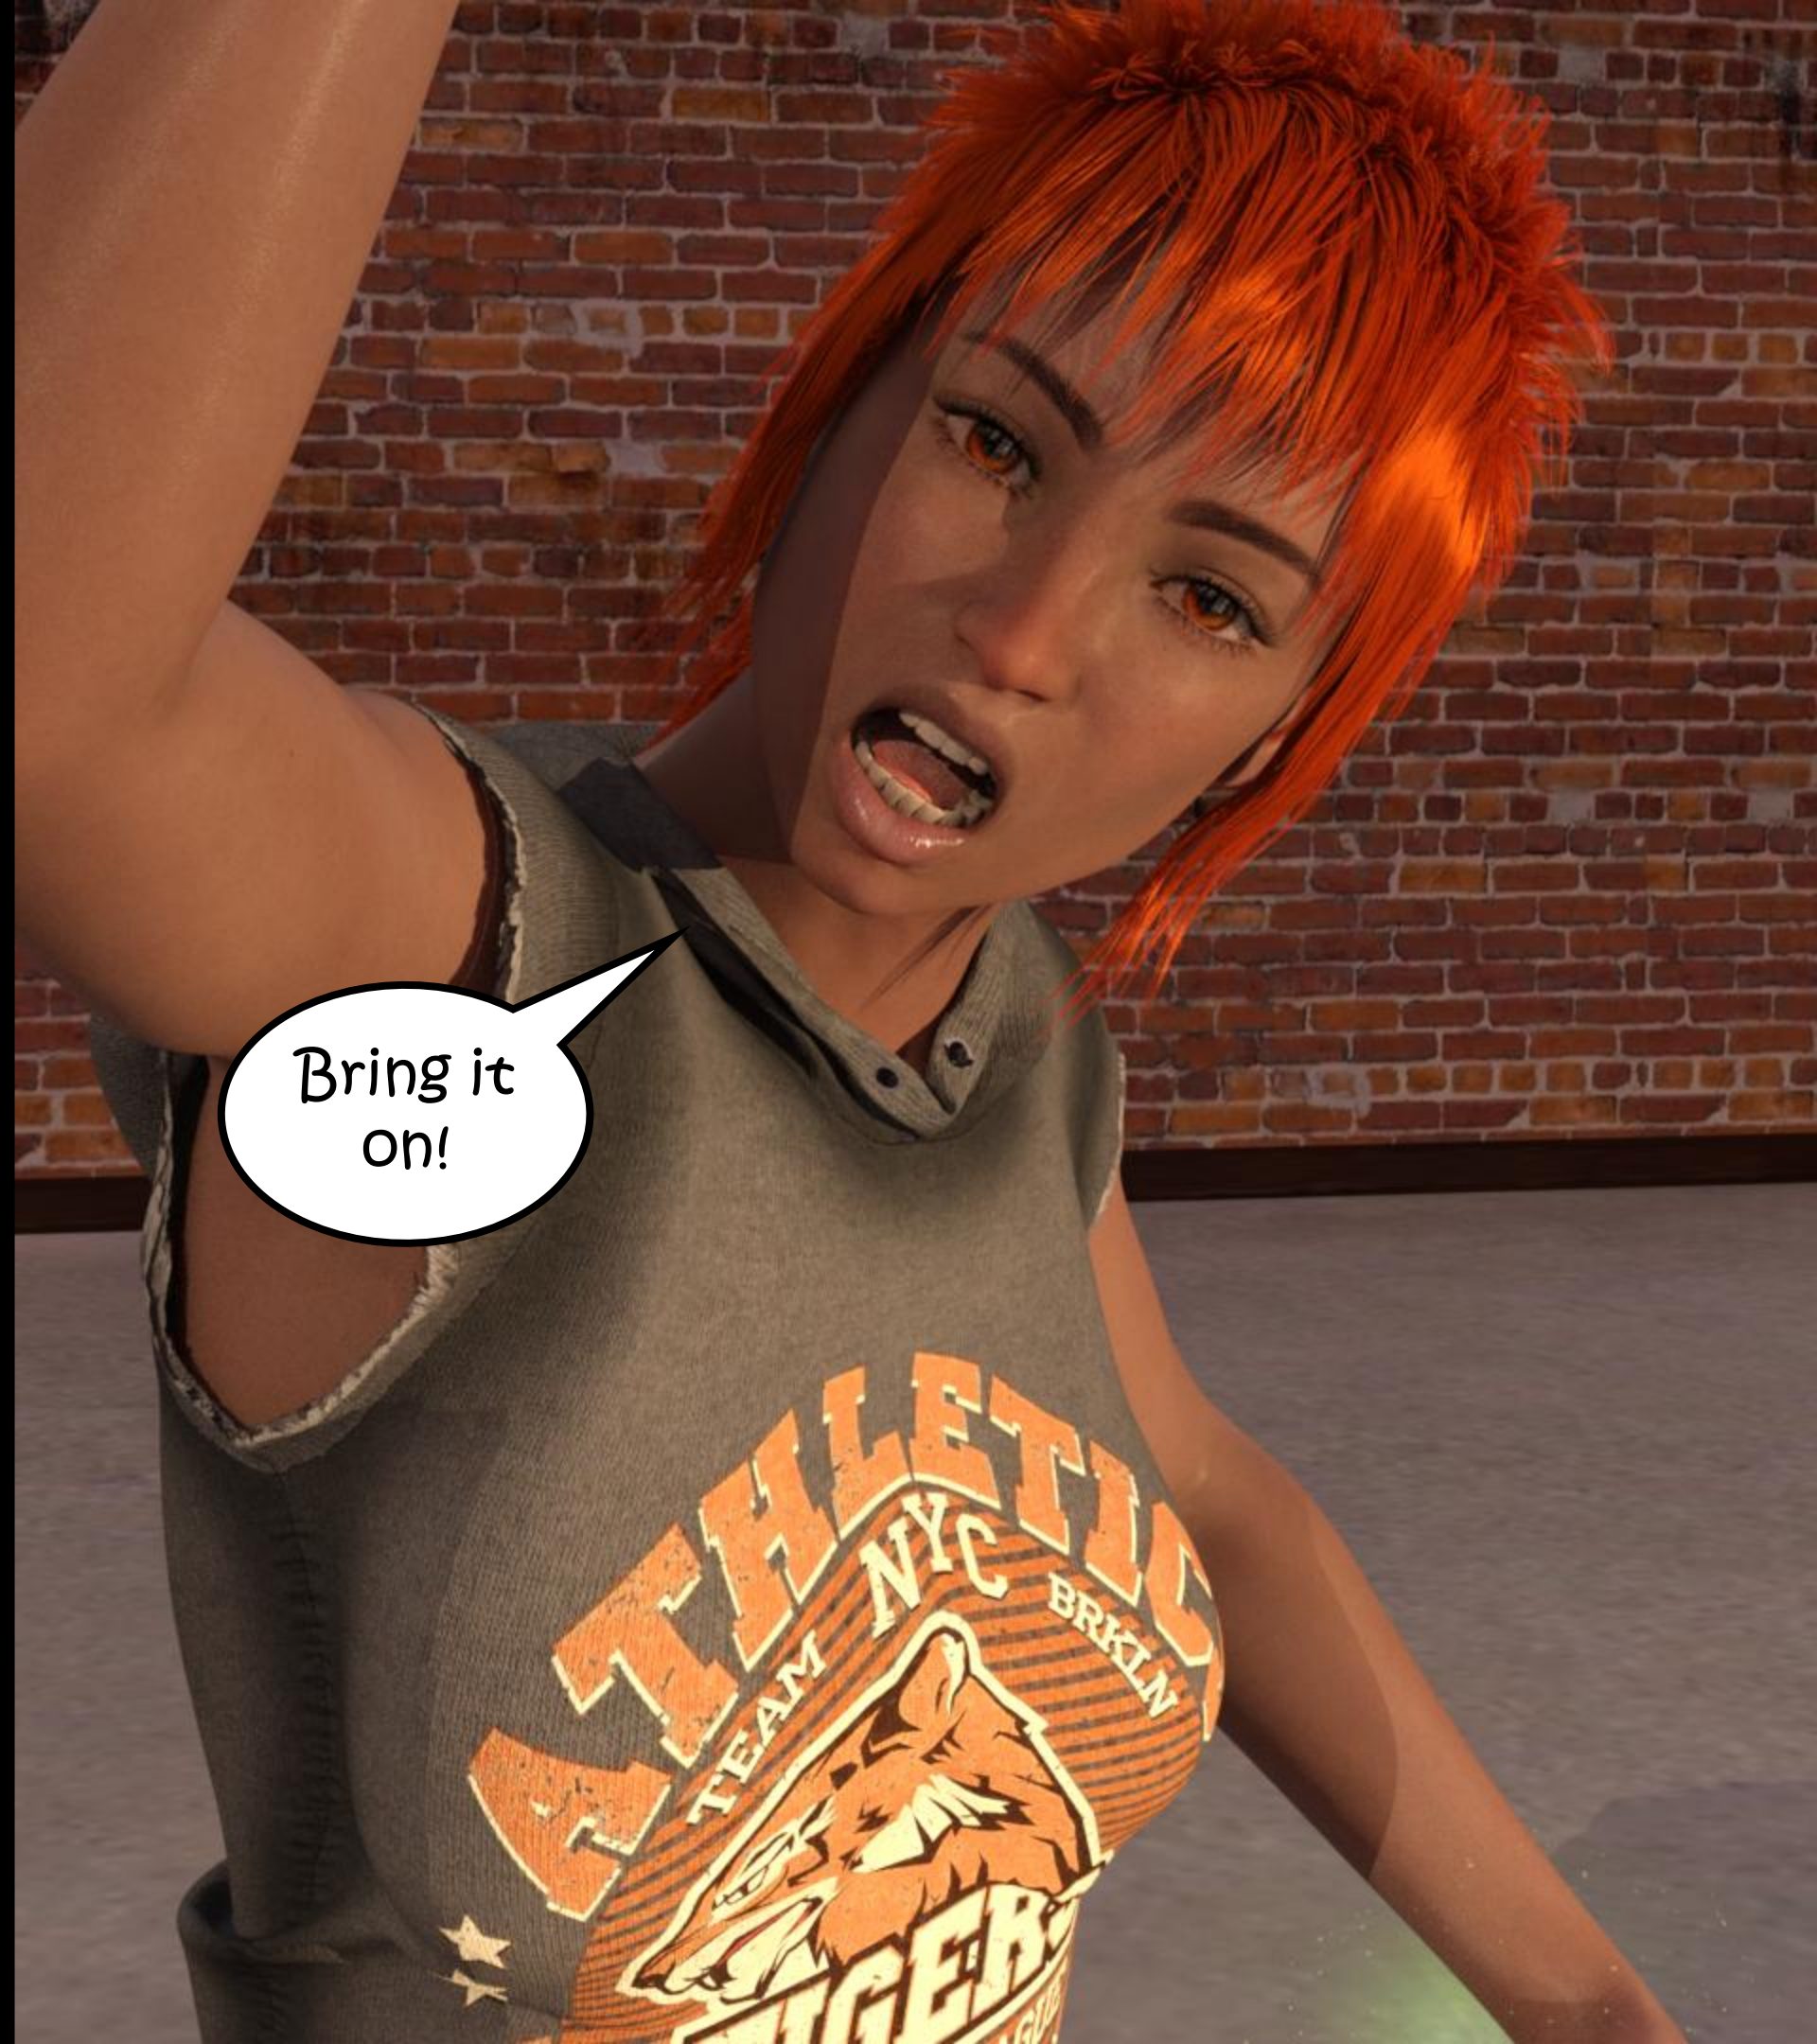

Shit!

Another one?

But this interference magic is enough to shut down a second-rate amateur like you!

Second rate?!
Raaar! I'm the
Mistress of the
Night's chosen
one!

Bring it
on!

Physical strengthening against a normal human without magic? Even a thin girl like Alice is certain to win...

I don't need magic to deal with third-rate bitches like you!

Haaa

FUCK!
He is fast!

But Harry is no normal human...

Tah!

KICK

He has used the Transmogrigae spell on his own body again and again...

To enhance himself beyond
natural evolution...

So
strong!

Alice manages at the last moment to shield herself with Scutum...

*Scutum
ipse!*

But the impact still isn't pretty...

And she is out...

End of Chapter.

Thank you for reading!

Hello, Hexxet here,

This chapter turned out a little shorter than the last, but creating this battle scene with all these characters turned out a bit taxing. Anyway, I hope you found at least a bit of this chapter cool and are looking forward to how the battle continues. Though, at my current speed, I fear the resolution to this fight will take 2 more chapters. Sorry!

If you like my comics, on my homepage, a universe of magic, transformations, and control awaits. Over **300 comic chapters** (20.000+ pages) are available in the archive, and **8 new comic chapters** (300-500 pages) come out each month! Join me on Patreon or Subscribestar.Adult and dive in! 😊
