LEXI 21
Ignore Mode on Campus

Affirmative.
Ignore Mode
activated.

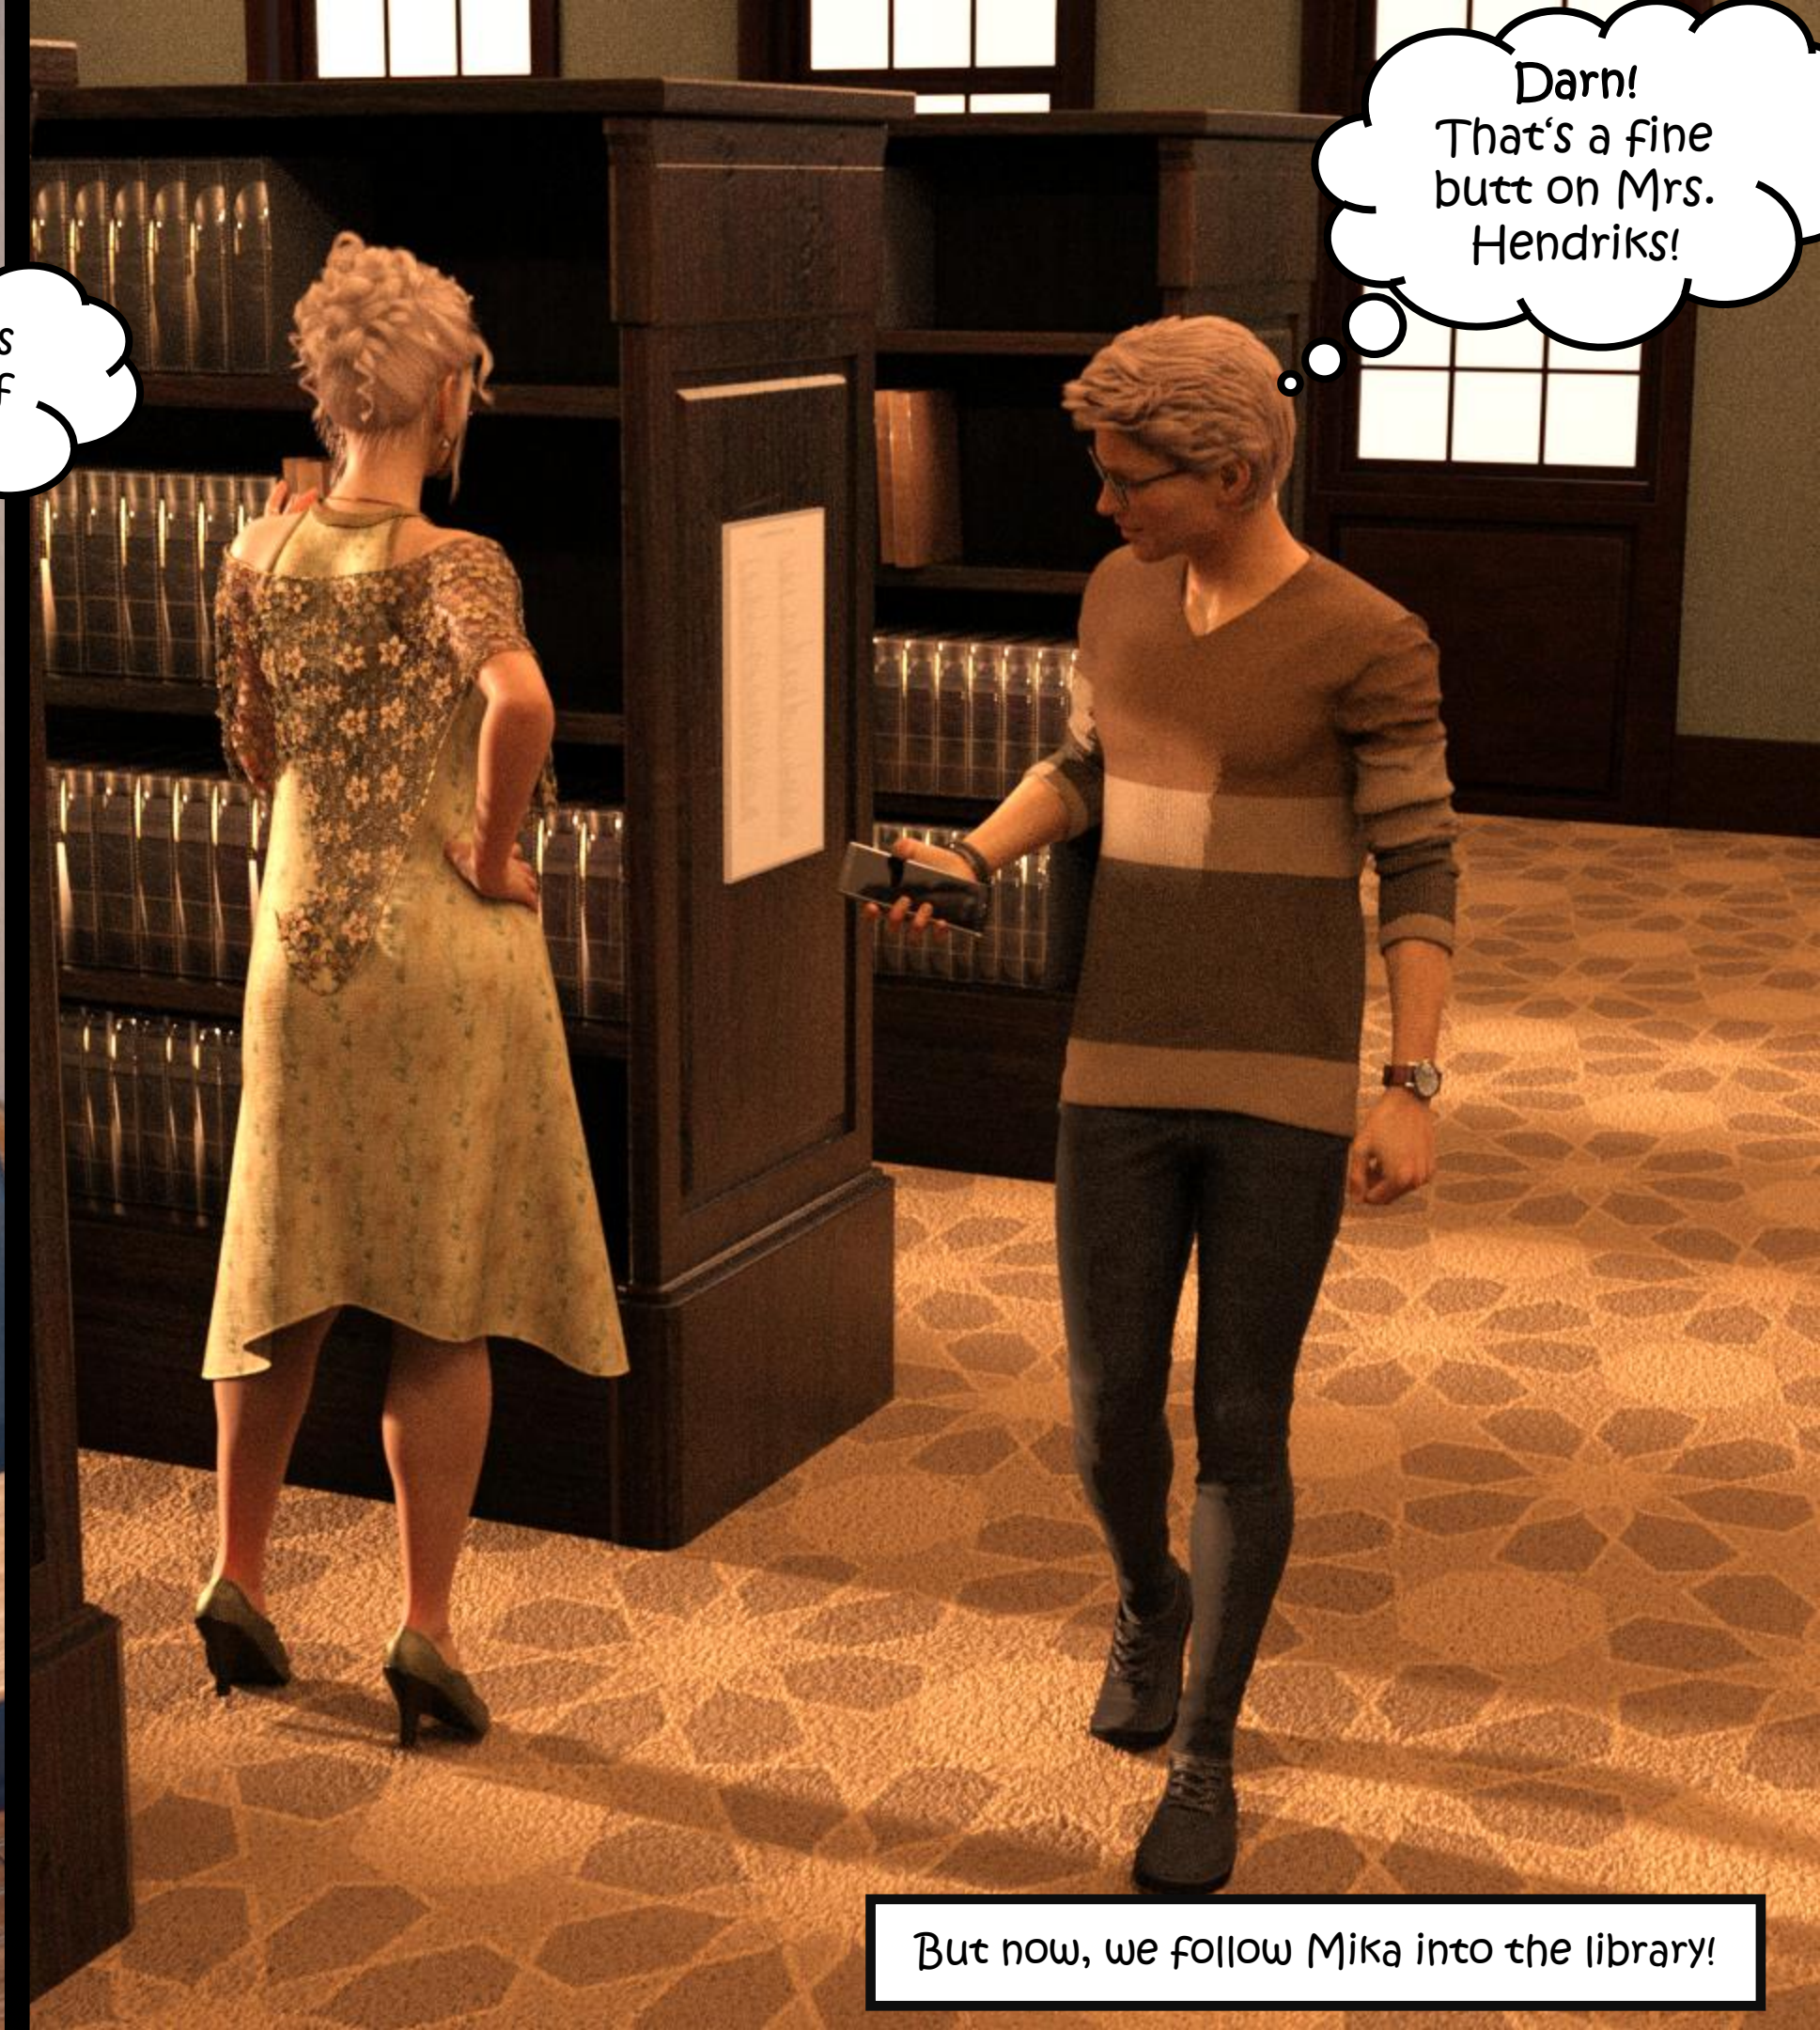

~50 Pages

Previously on LEXI, we saw how Hanna was transformed pregnant during biology class!

I think you look amazing, Hanna!

With Master's baby inside of you.

Darn! That's a fine butt on Mrs. Hendriks!

But now, we follow Mika into the library!

Obviously, with Ignore Mode active.

But of course, we will also follow Hanna into the locker room to highlight her part of the story...

Hey, Hanna.
We are back.

Yo!
Sorry, I could not
join in today. But
with this belly... I'd
just be a hindrance
to any team.

So... Hanna.
We girls, we've
been talking.

And... we'd
really like to
taste your milk!

Wait...
WHAT?!

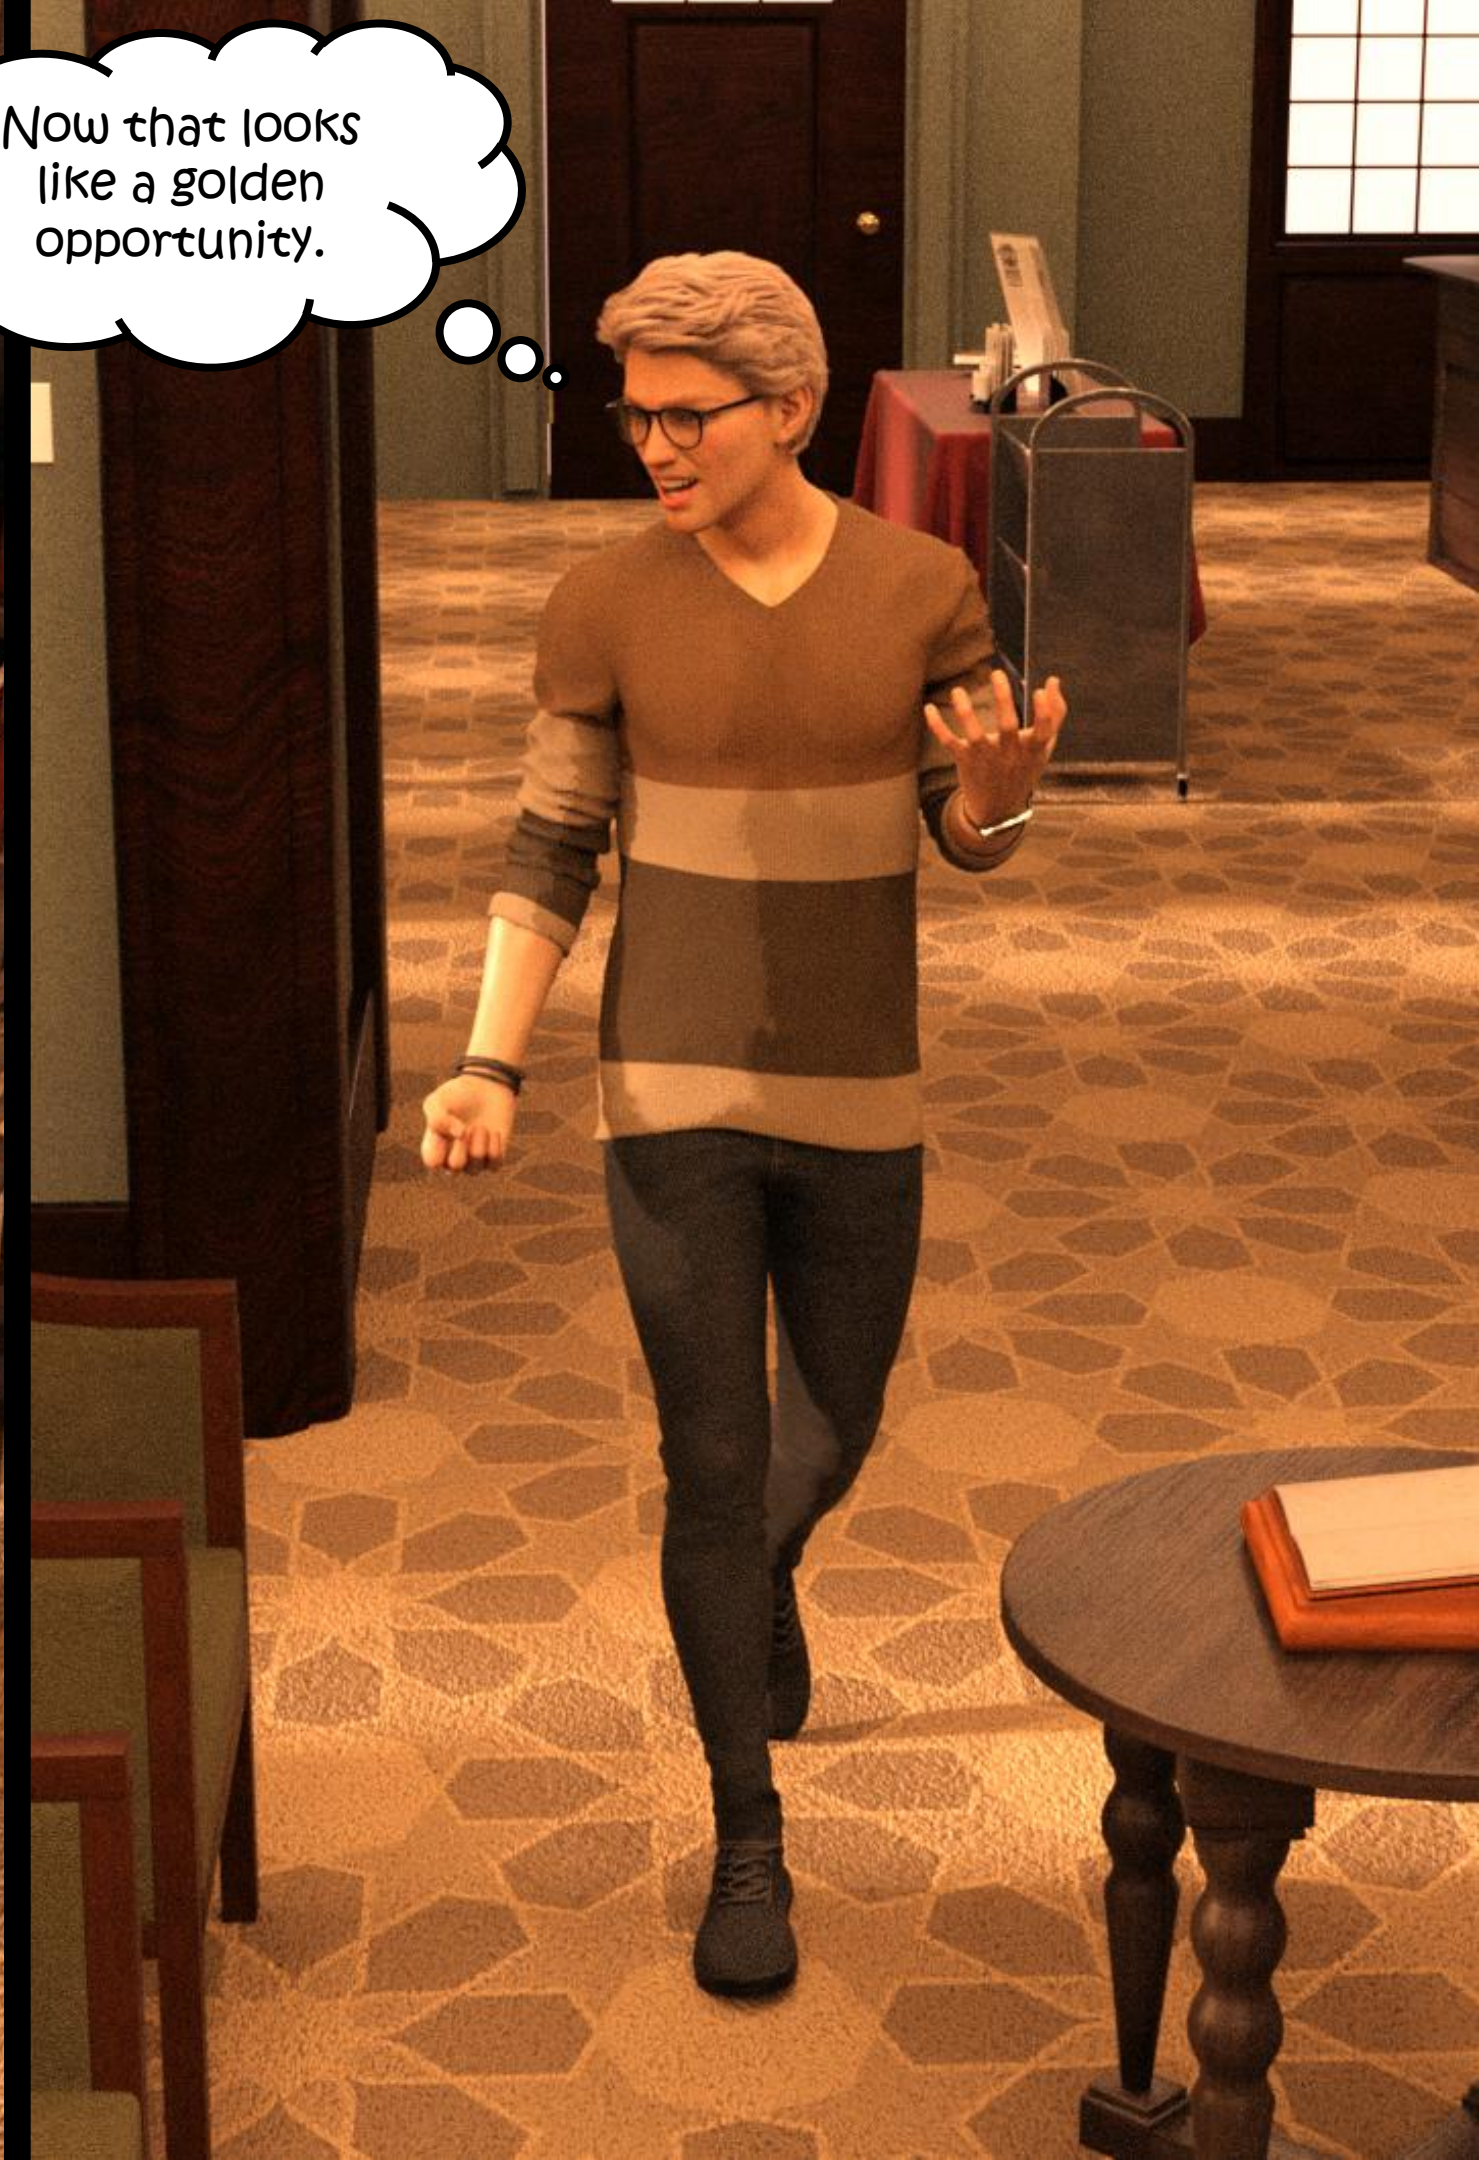

Pretty please!

Watch as Mika stumbles upon a cute girl helping her boyfriend study for an upcoming exam at the library.

Okay. We are not failing this exam.

We? I don't remember you signing up for the test.

Now that looks like a golden opportunity.

And see him have some fun with that couple.

What's the
formulaf for
photosynthesis?

Errr...
Six CO₂ plus six
H₂O equals...

While the girls in that locker have their own kind of fun...

Oh, my. Why did I let them talk me into this...

They look so heavy, there must be lots of milk in them!
